Aorrta • July 29, 2018

During the flight, you have 3 options of playthrough.

1.1. 1.1. The 1st fork in the game gives us 3 options :

*Offer a foot massage*

*Do shoulder massage*

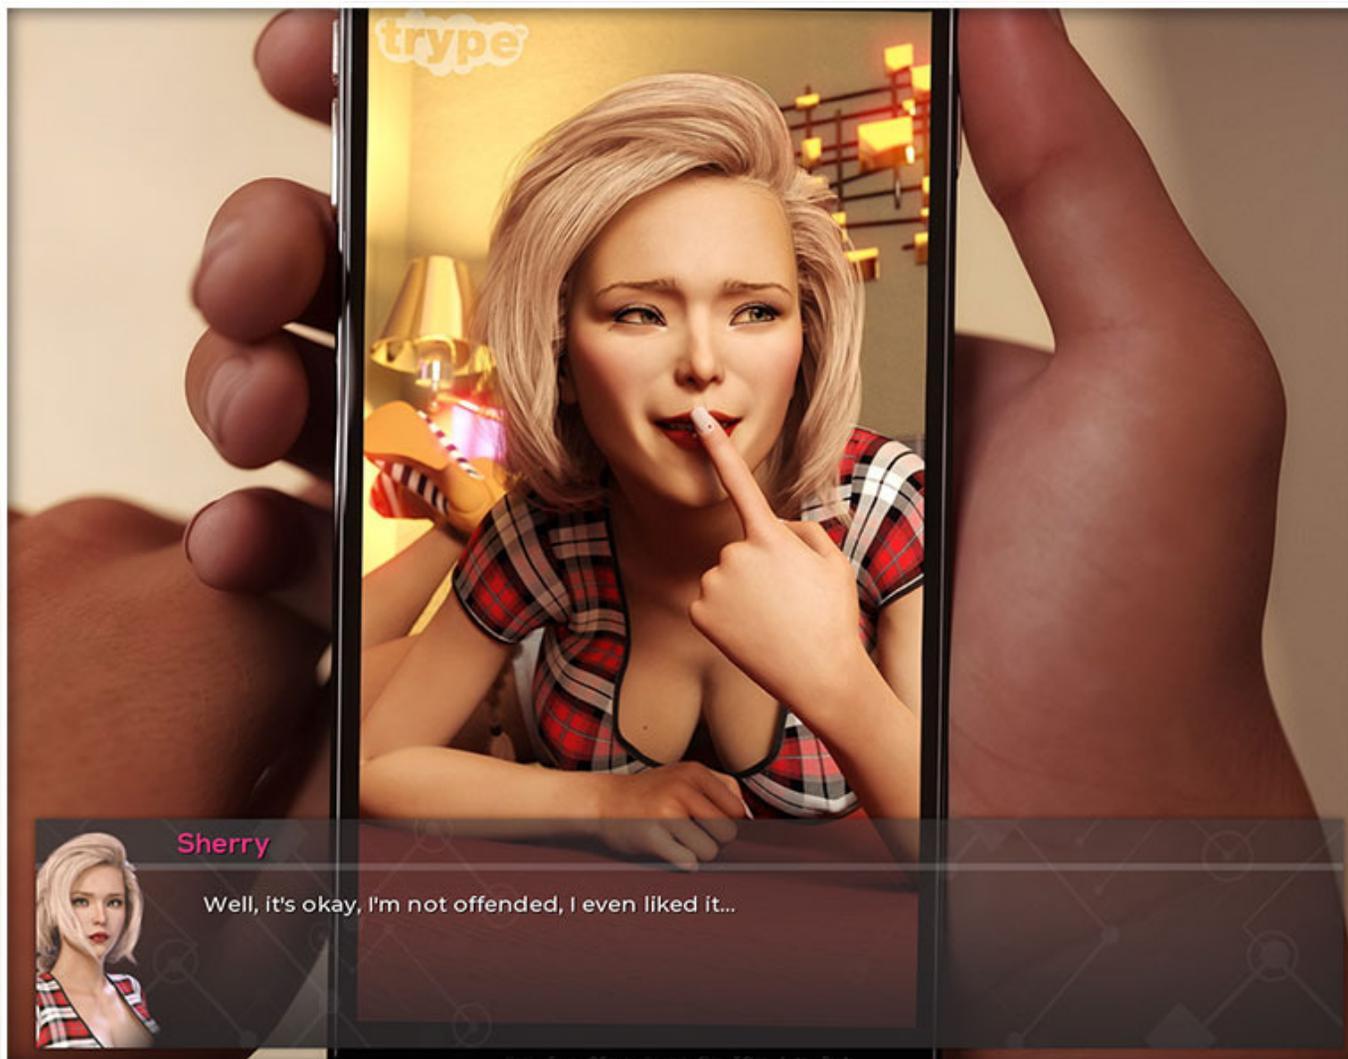

*No, I'll just do what she asks*

1.2. If you choose “Offer a foot massage”, you`ll be offered two more options:

*Let's do it!*

*I've done enough*

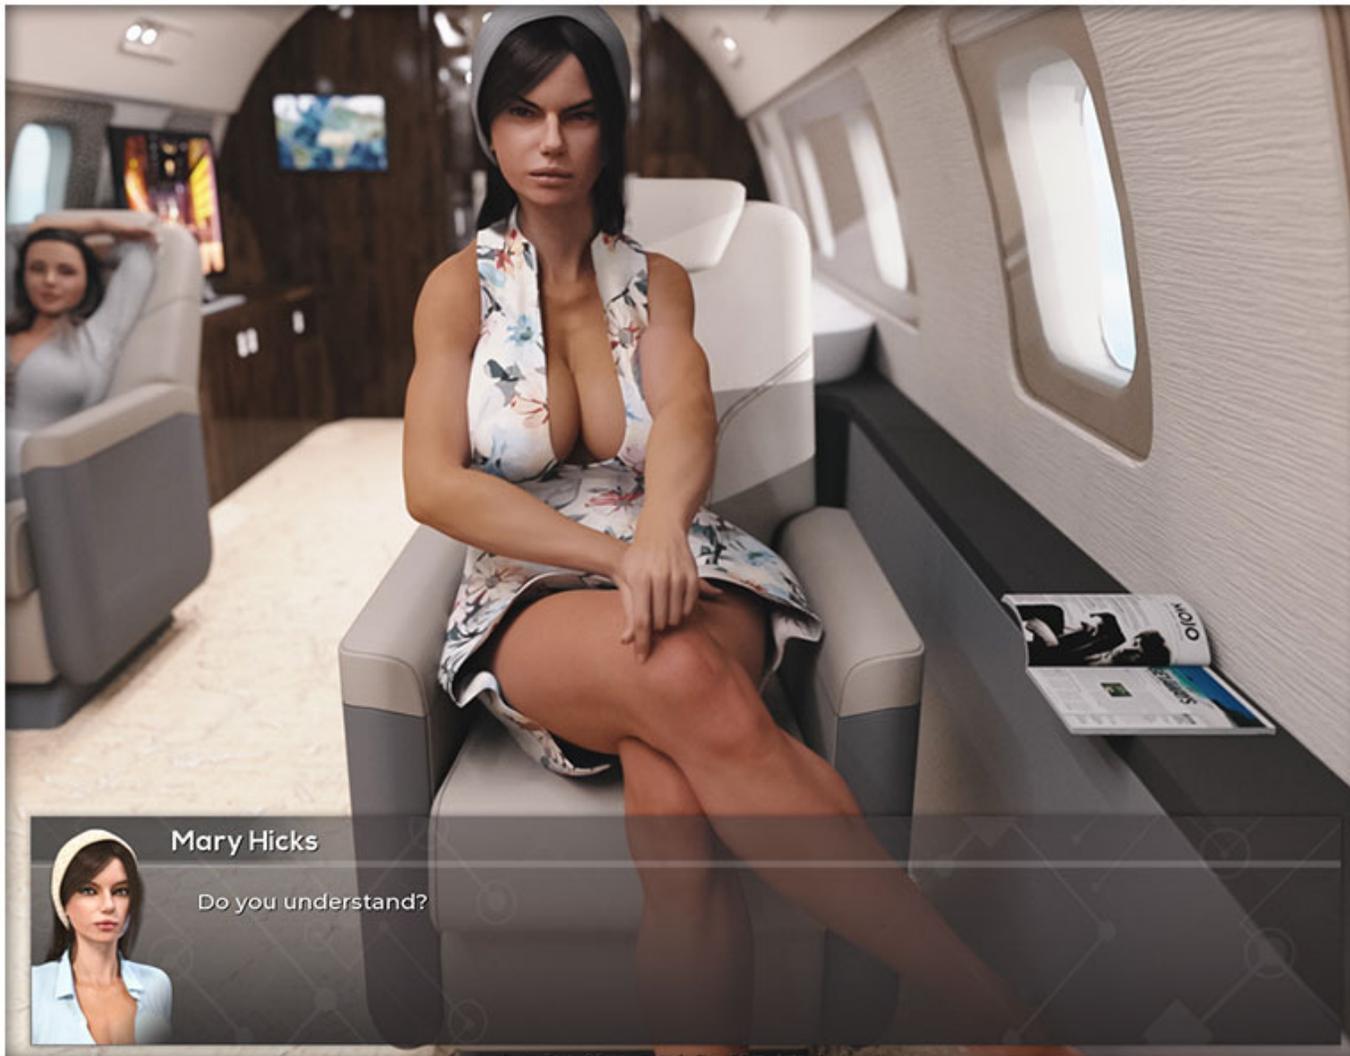

1.3. Choosing “I`ve done enough” leads to the fact that Sherry shows us “everything”

1.4. Choosing “Let`s do it!” you will have 3 more options:

I know better how to do a massage

*Play it safe*

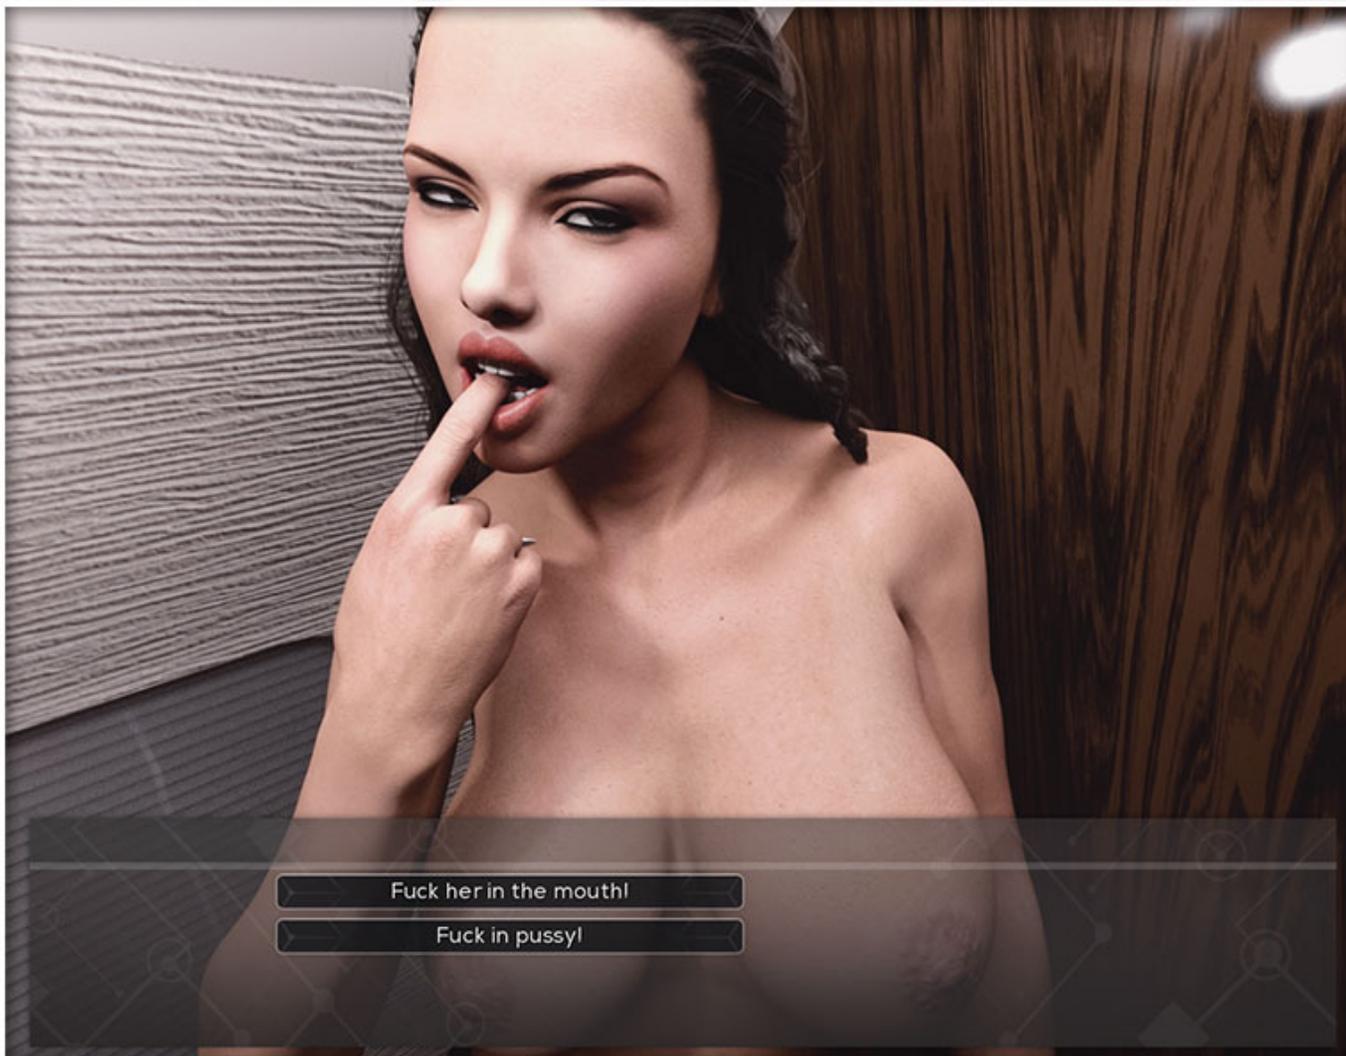

*I`ve done enough*

1.5. Choosing “I know better how to do a massage” or “I`ve done enough” won` t bring anything new.

1.6. Choosing “Play it safe” leads you to have sex with the girl who sat next to you.

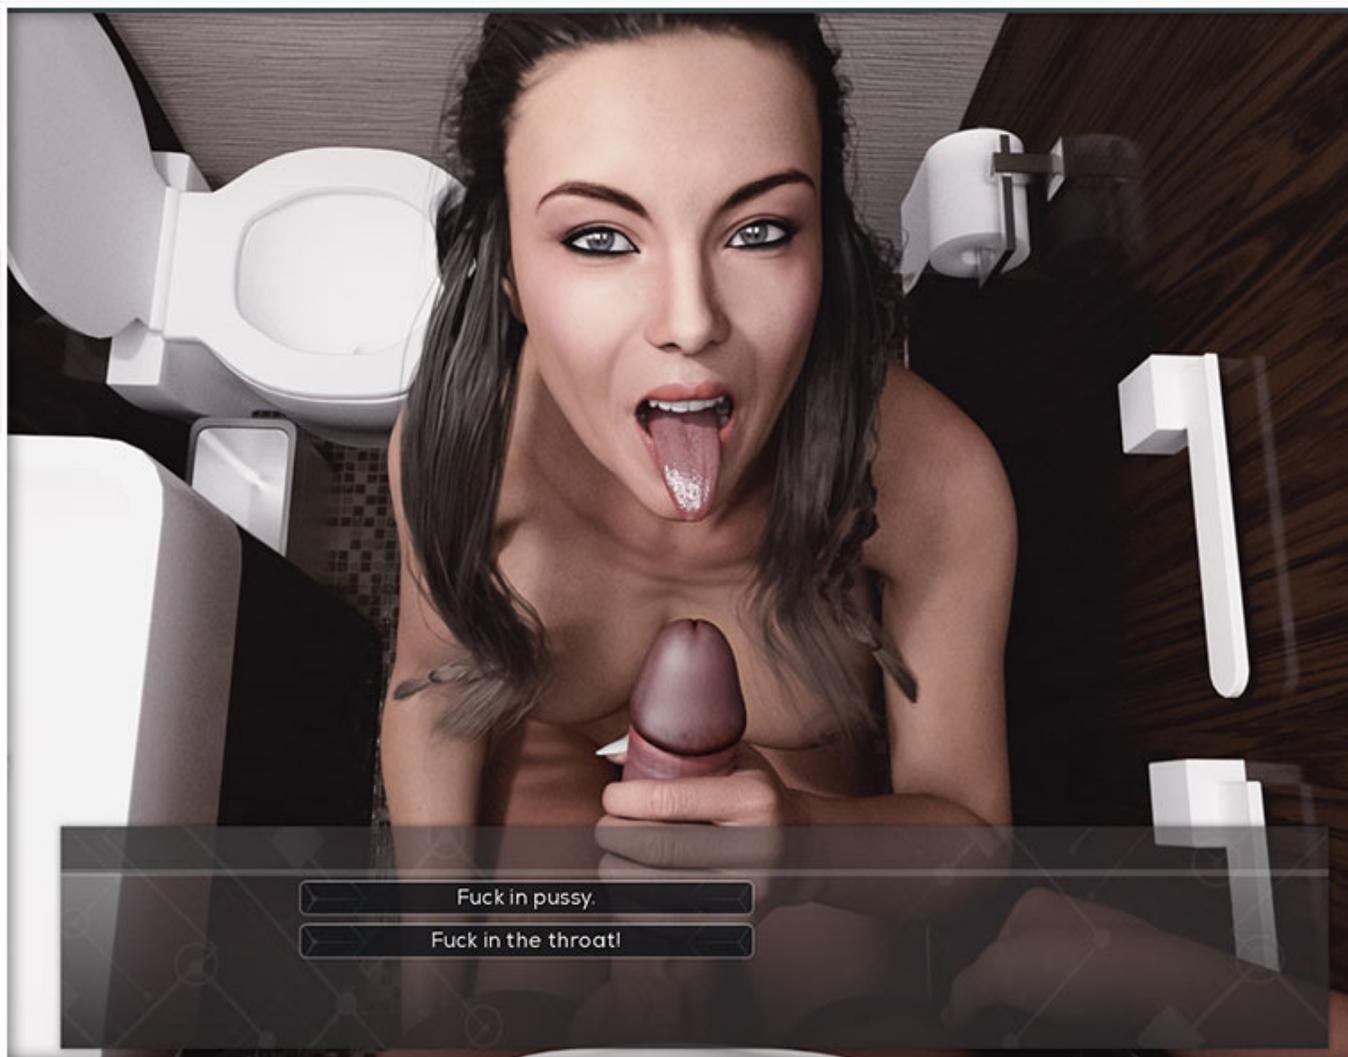

2. You can fuck her in the mouth or in the pussy:

*Fuck her in the mouth!*

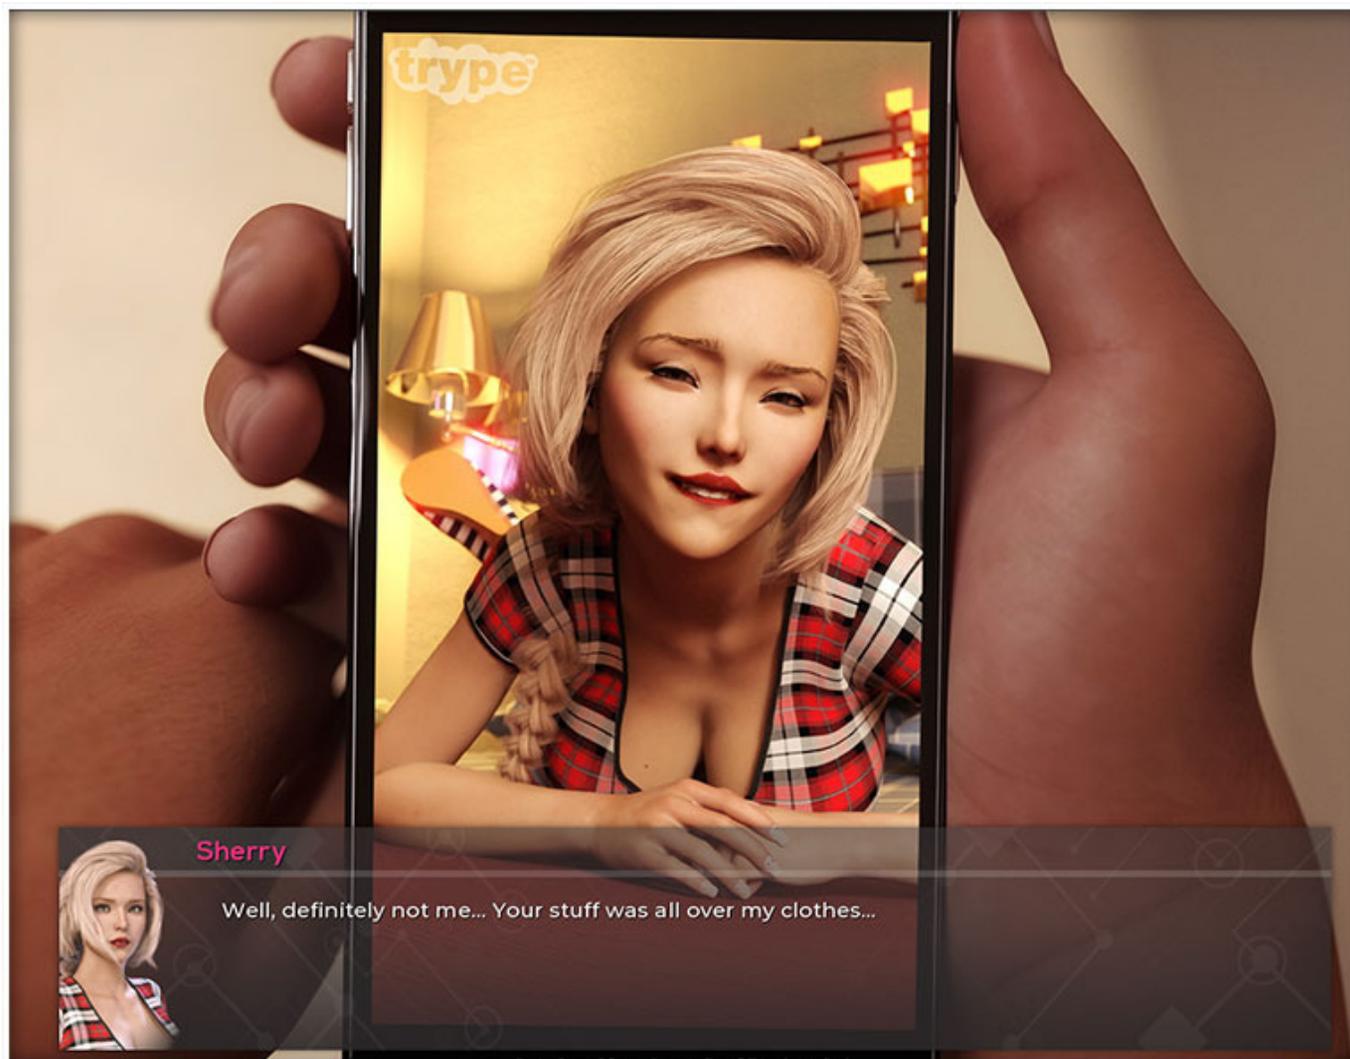

*Fuck in pussy!*

2.1.1. When you choose “Fuck her in the mouth!”:

*Fuck in pussy*

*Fuck in the throat*

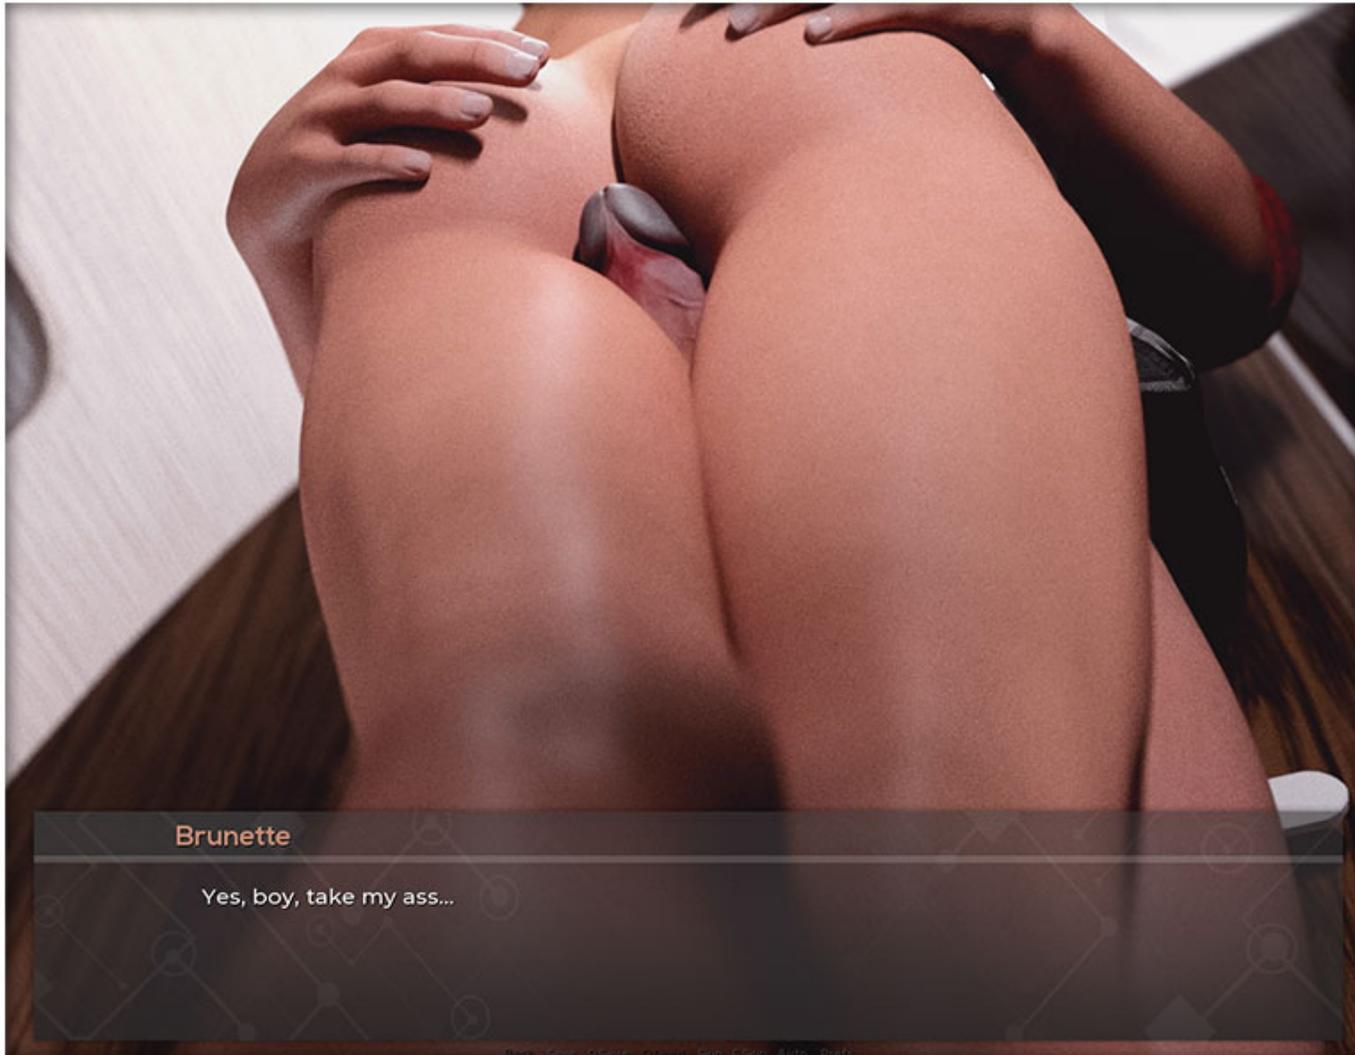

2.1.2. If you choose “Fuck in pussy”, you`ll fuck the girl and return to your place to watch another scene with Sherry

2.1.3 When you choose “Fuck in the throat”:

*Cum on face!*

*Fucking in the throat!*

All of these choices don` t affect the plot.

2.2. If you choose in step 2 “Fuck in pussy!”:

*Try fucking in the ass*

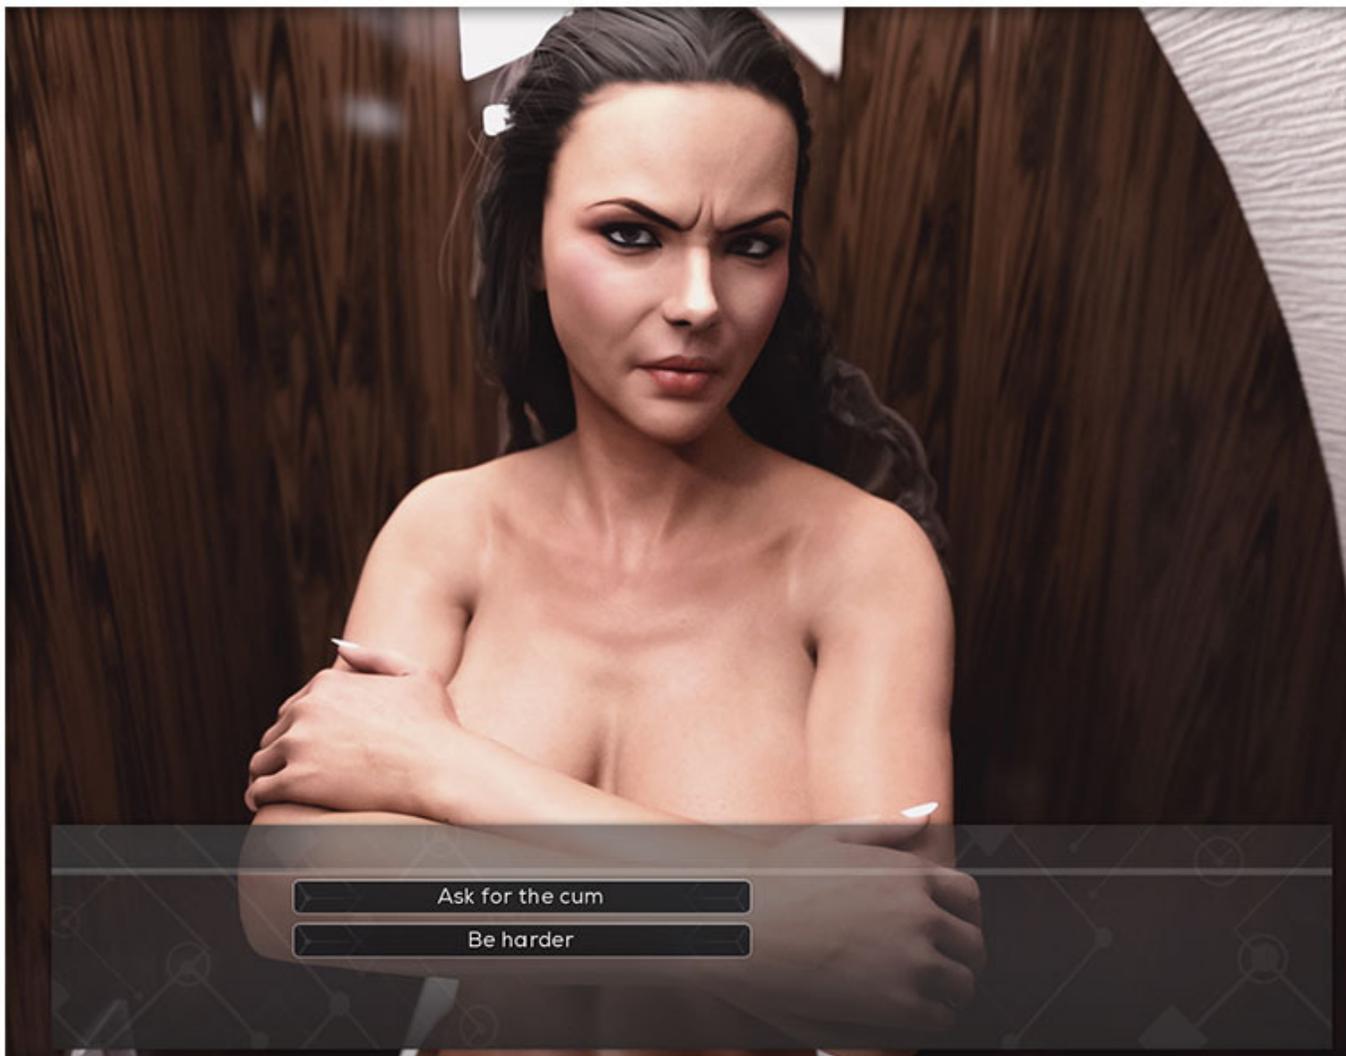

*Cum on the face*

*Cum in mouth*

*Cum in pussy*

*Cum on her stomach*

All of these choice except “Try fucking in the ass” don` t promote the plot.

2.2.1. If you choose “Try fucking in the ass”:

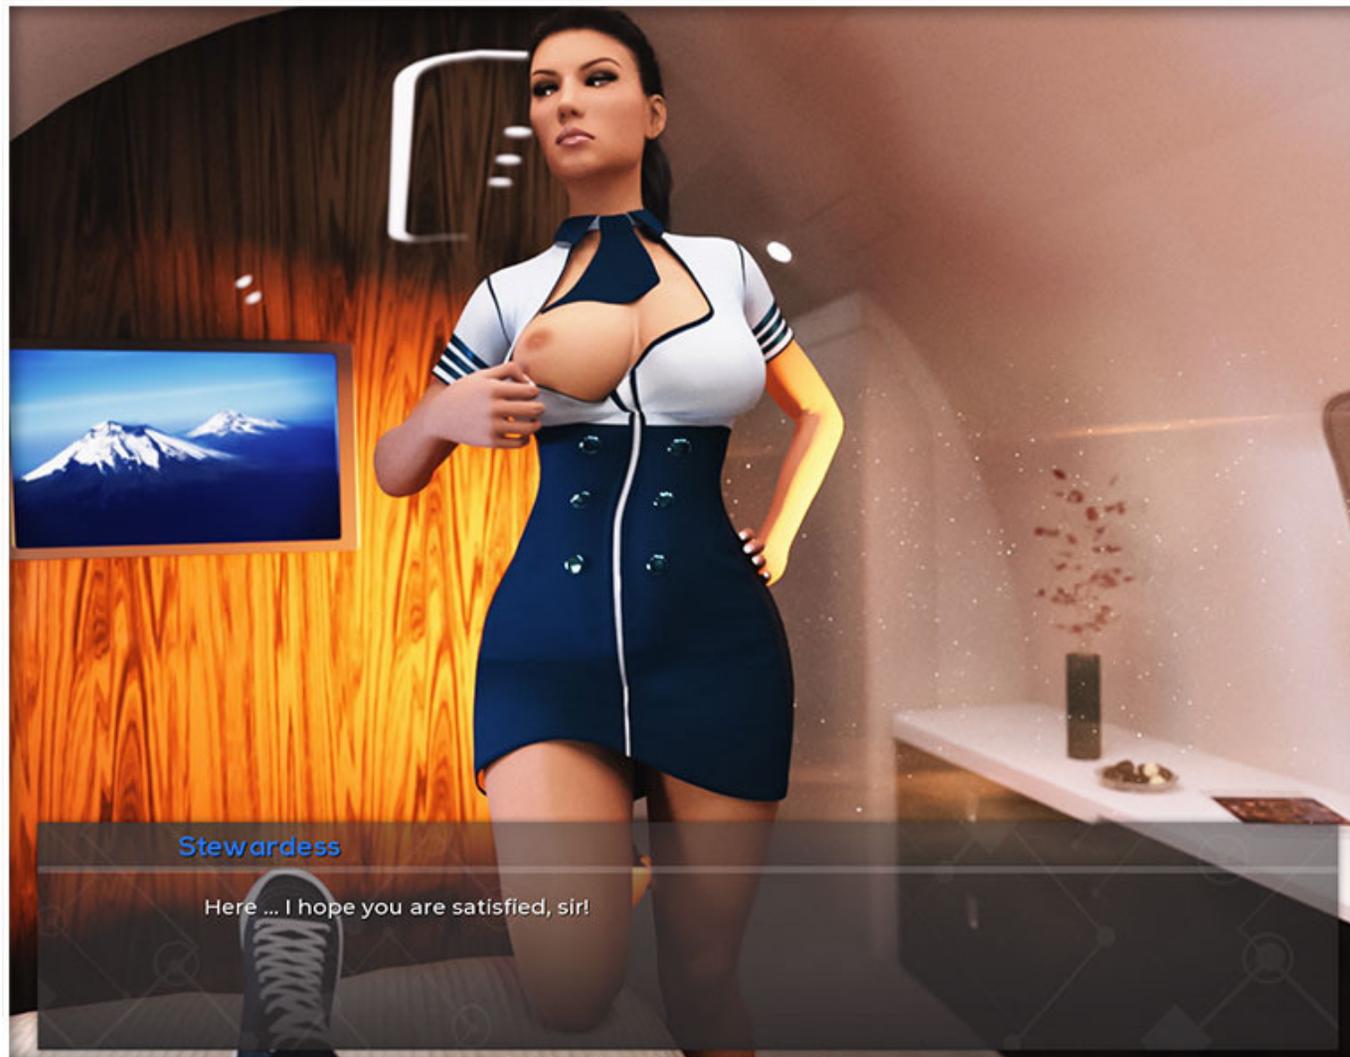

There are two options, to be harder or to ask her for the cum.

*Ask for the cum*

*Be harder*

### 2.2.2. “Ask for the cum” leads to a little animation

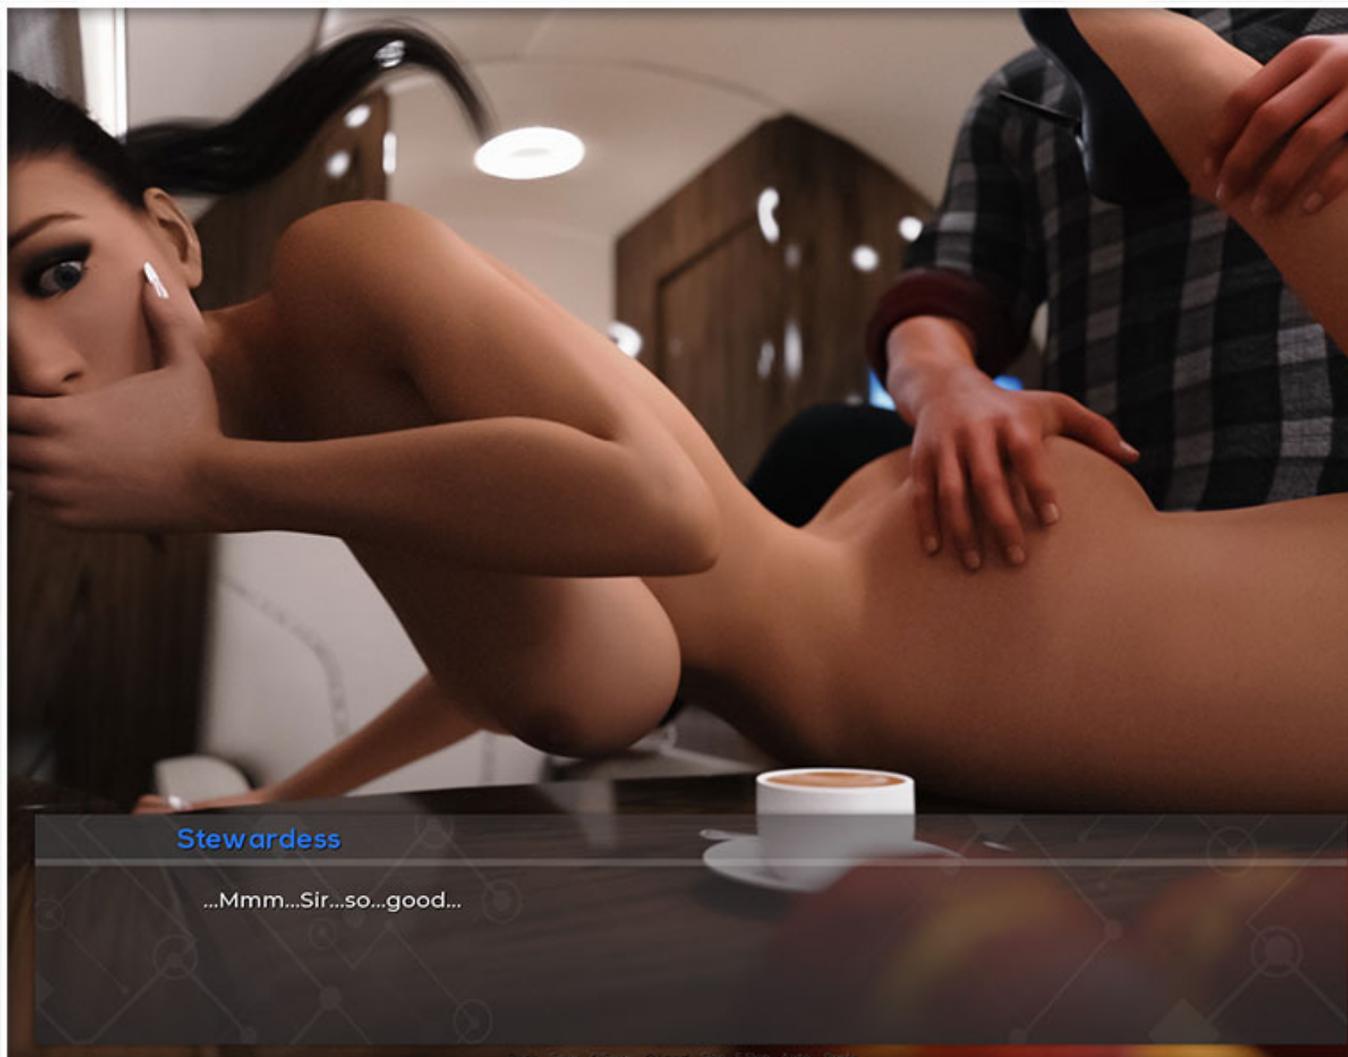

2.2.3. “Be harder” leads to the sex with stewardess. In this case there won` t be scenes with Sherry.

If you choose “Do shoulder massage” in step 1.1.:

*Trying to touch her breasts*

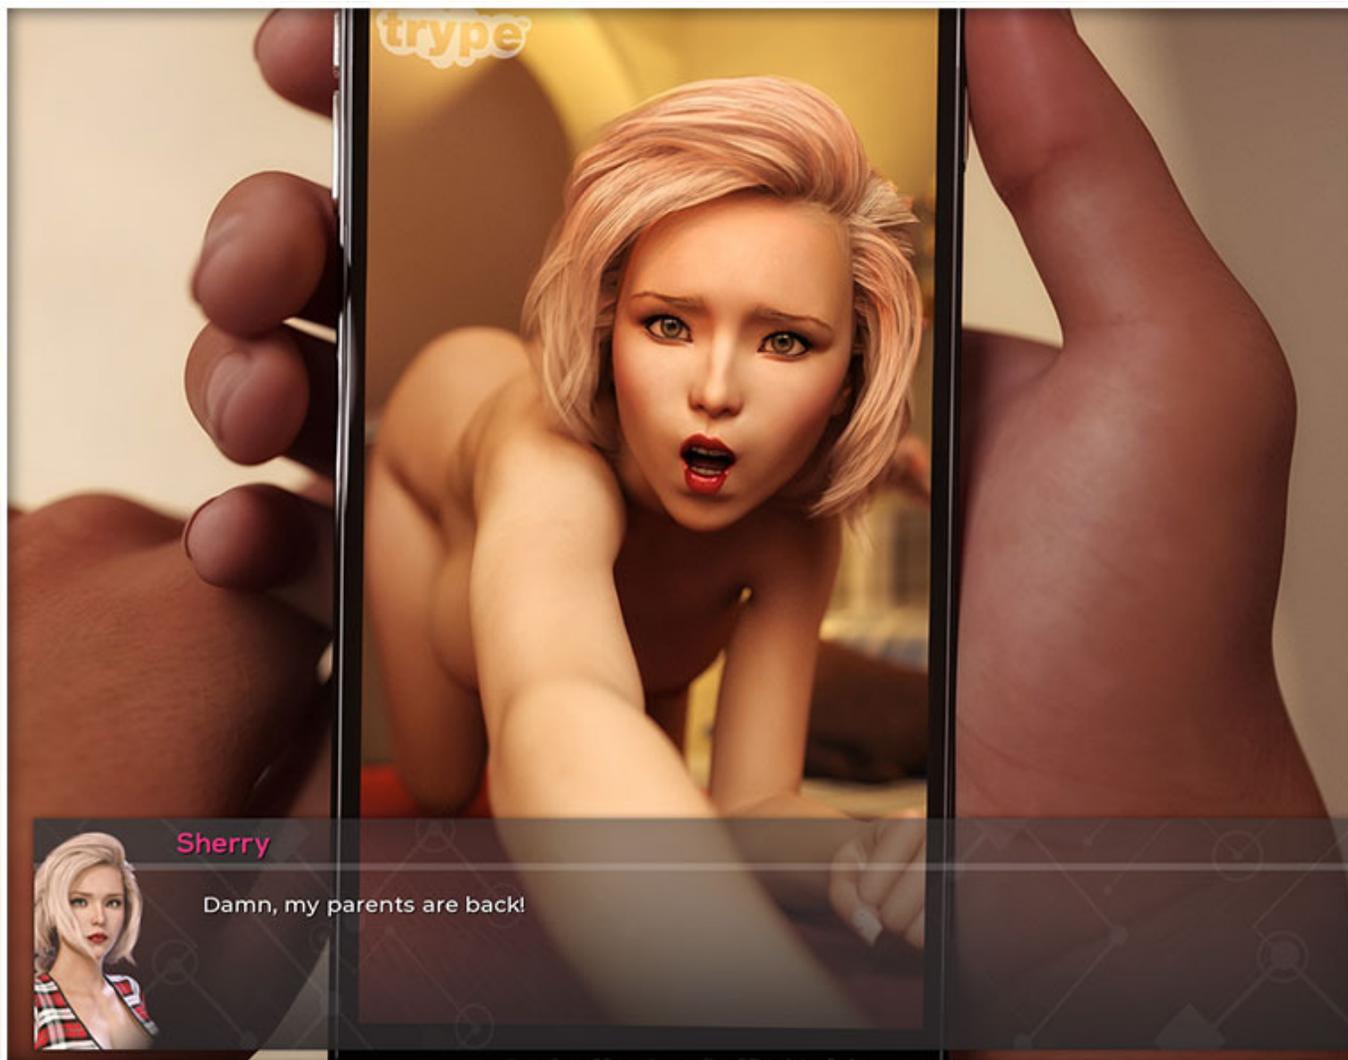

*Move the edge of her dress*

*Enough*

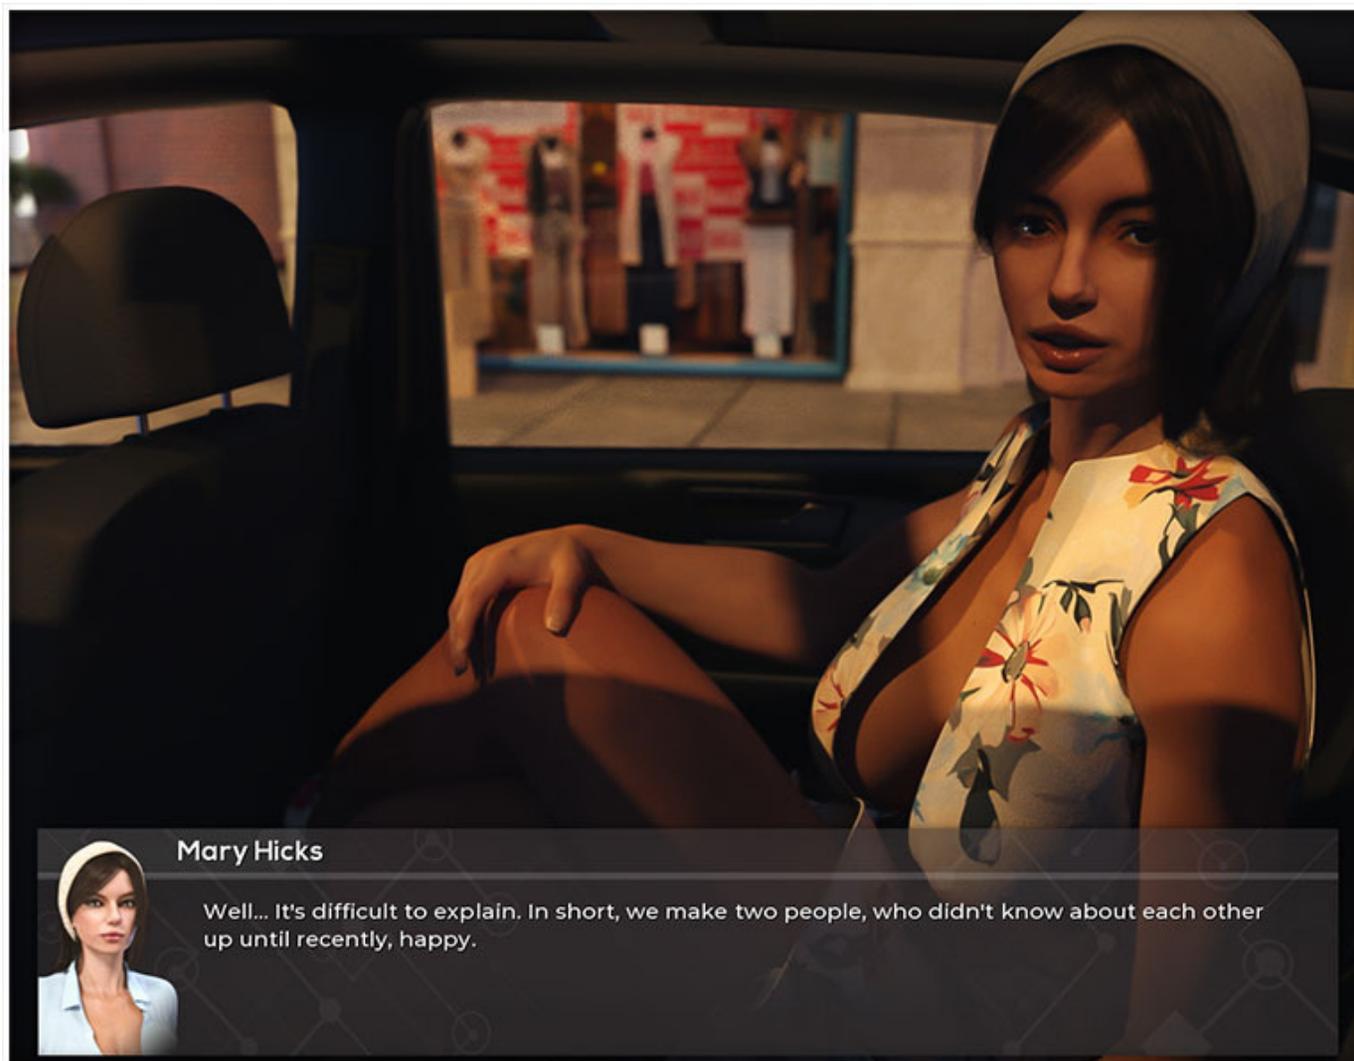

The first two steps lead to the sex with stewardess.

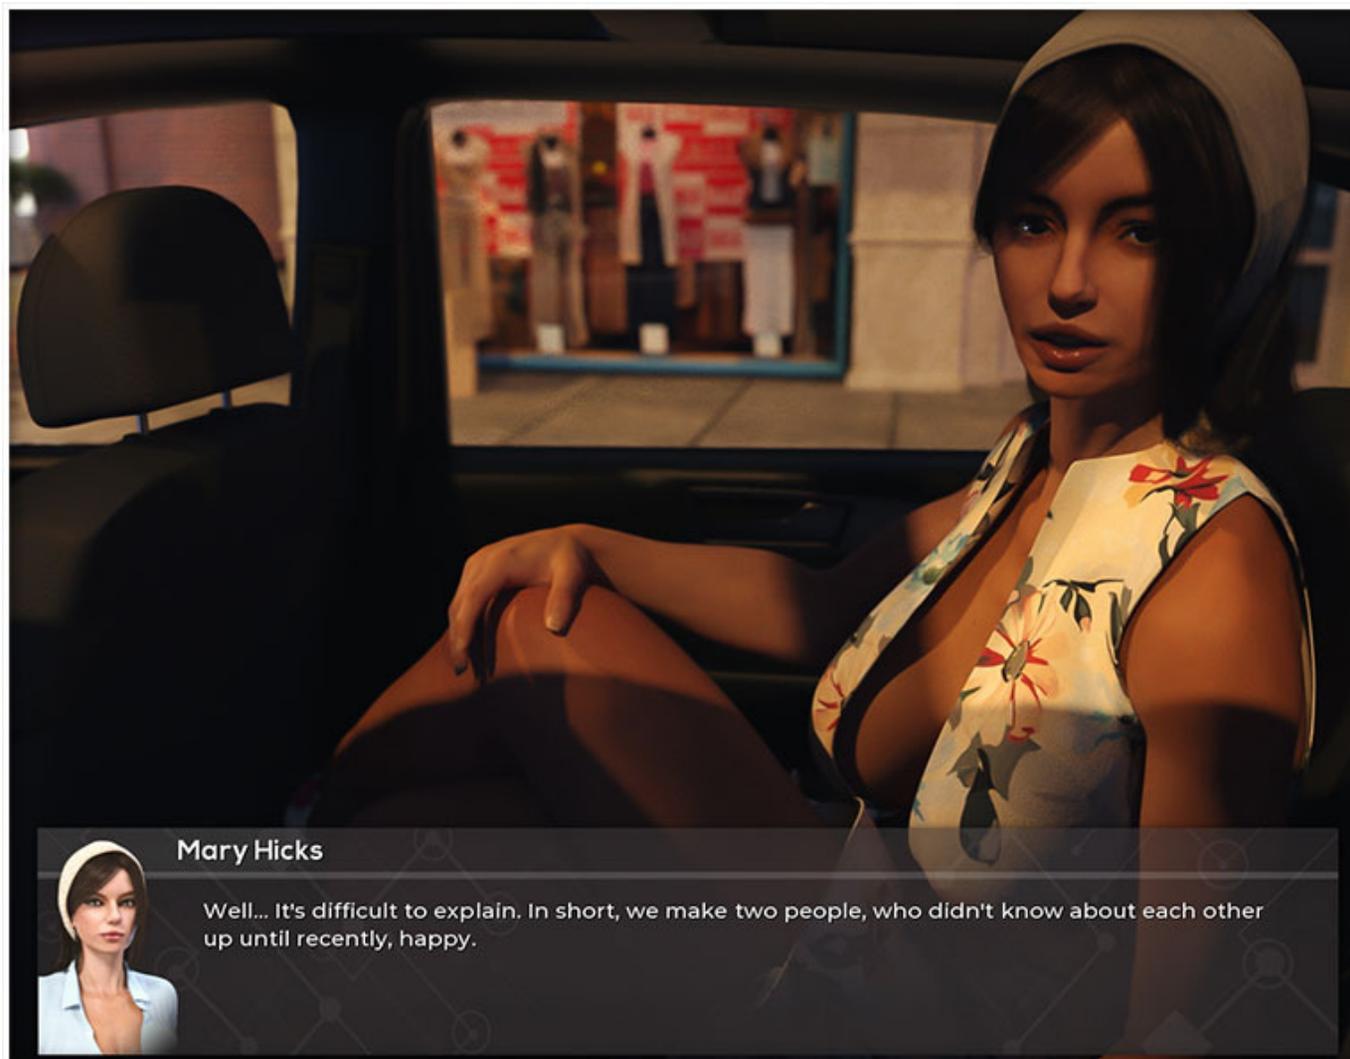

The last step leads to the conversation with Sherry.

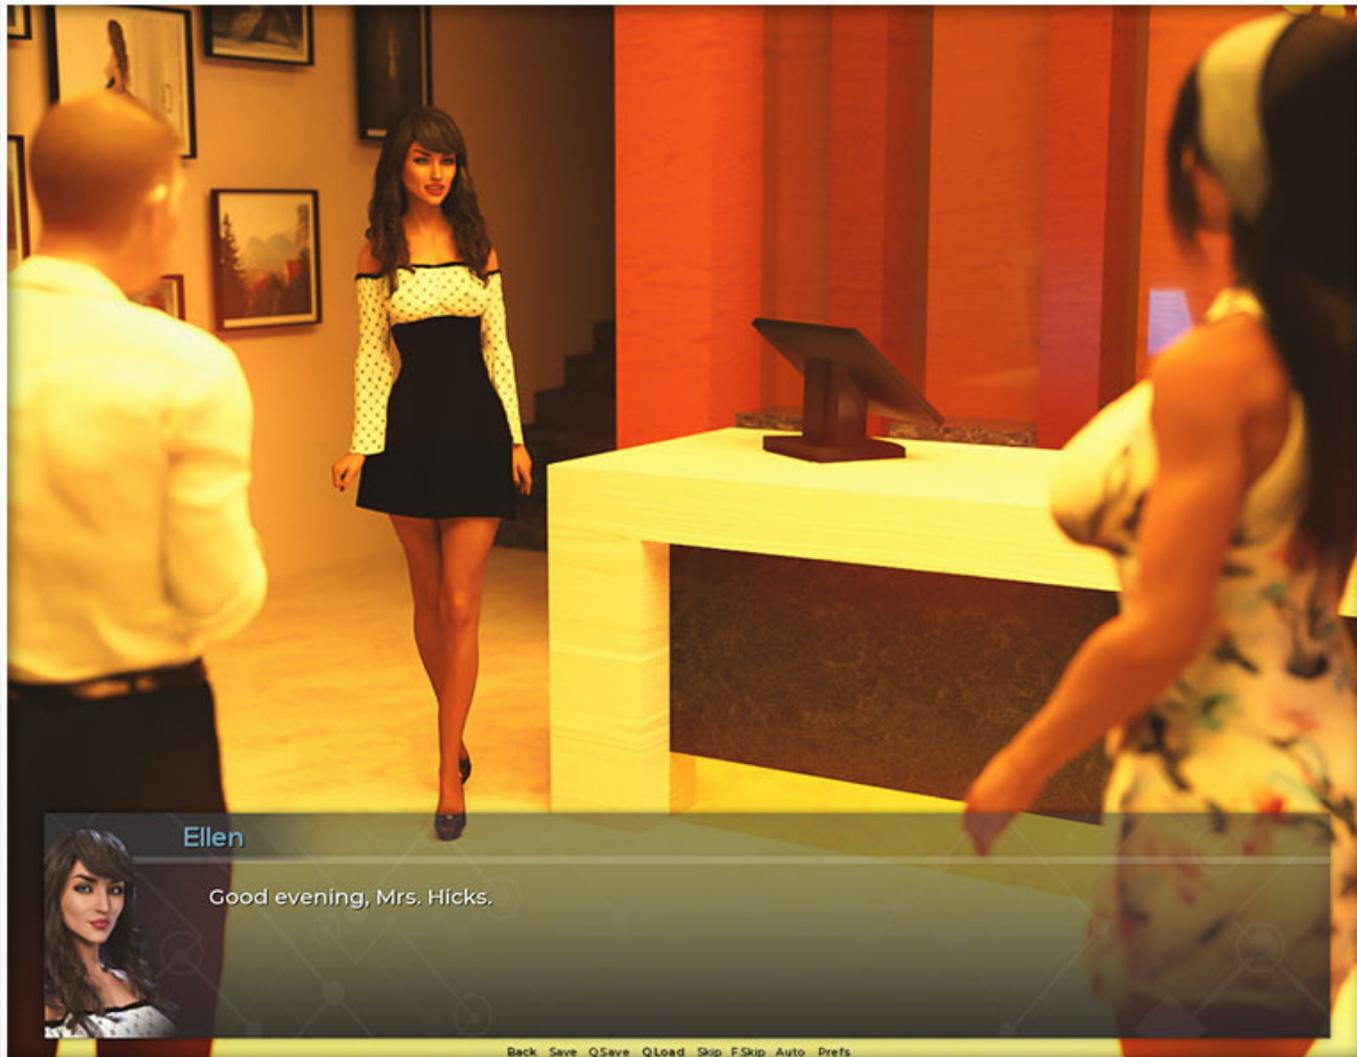

At this point, your flight is over, and now you are shifting to the ground.

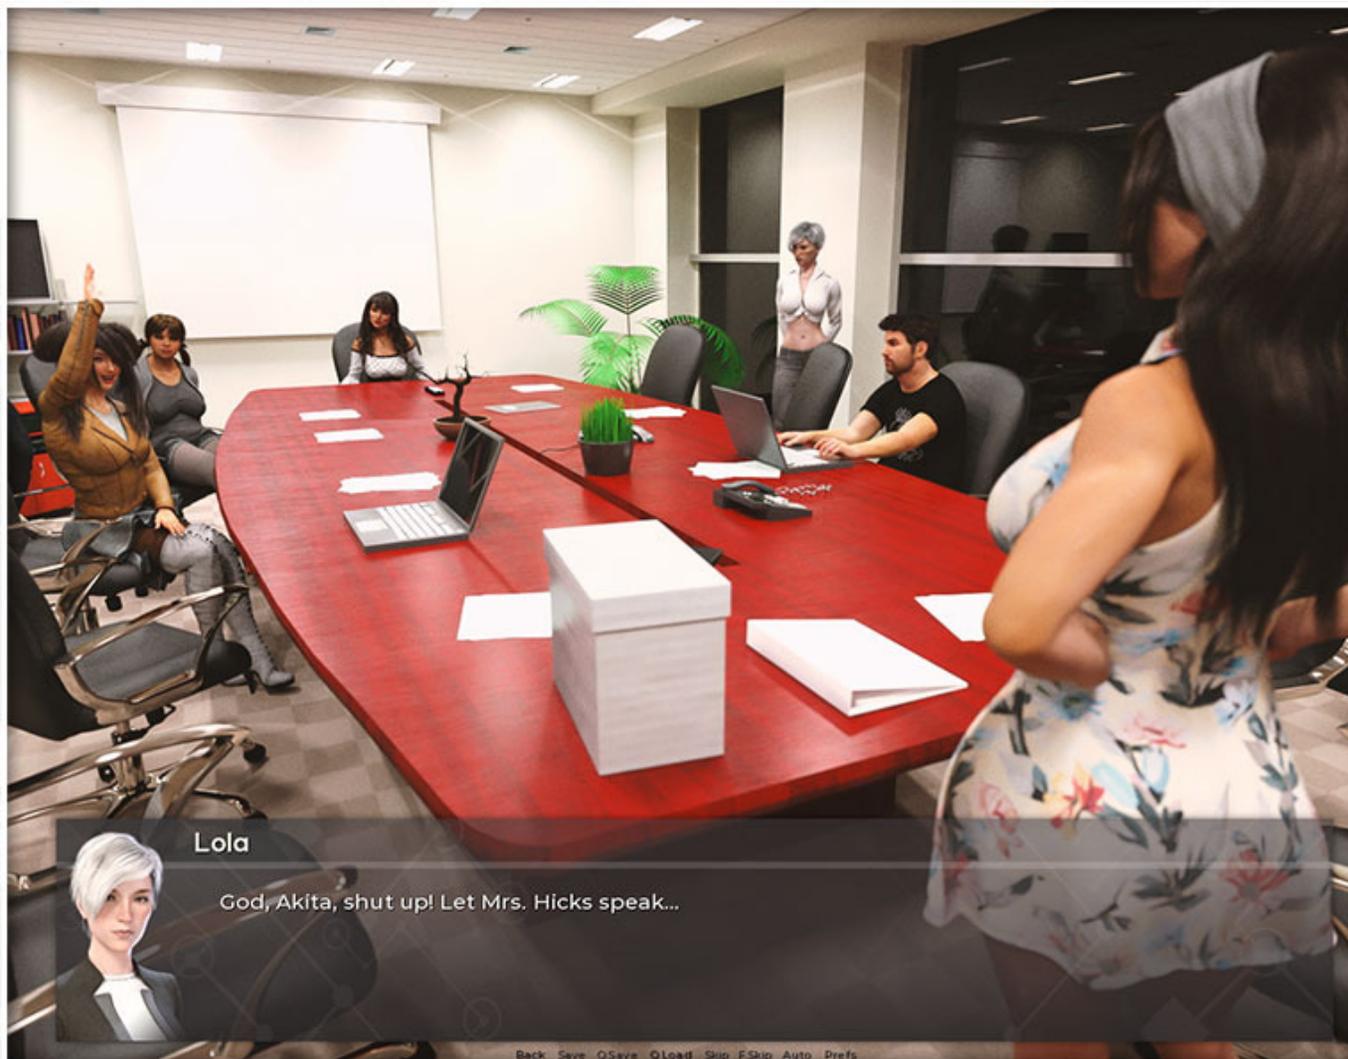

During the drive, Mary and Glenn tell you about details of the business.

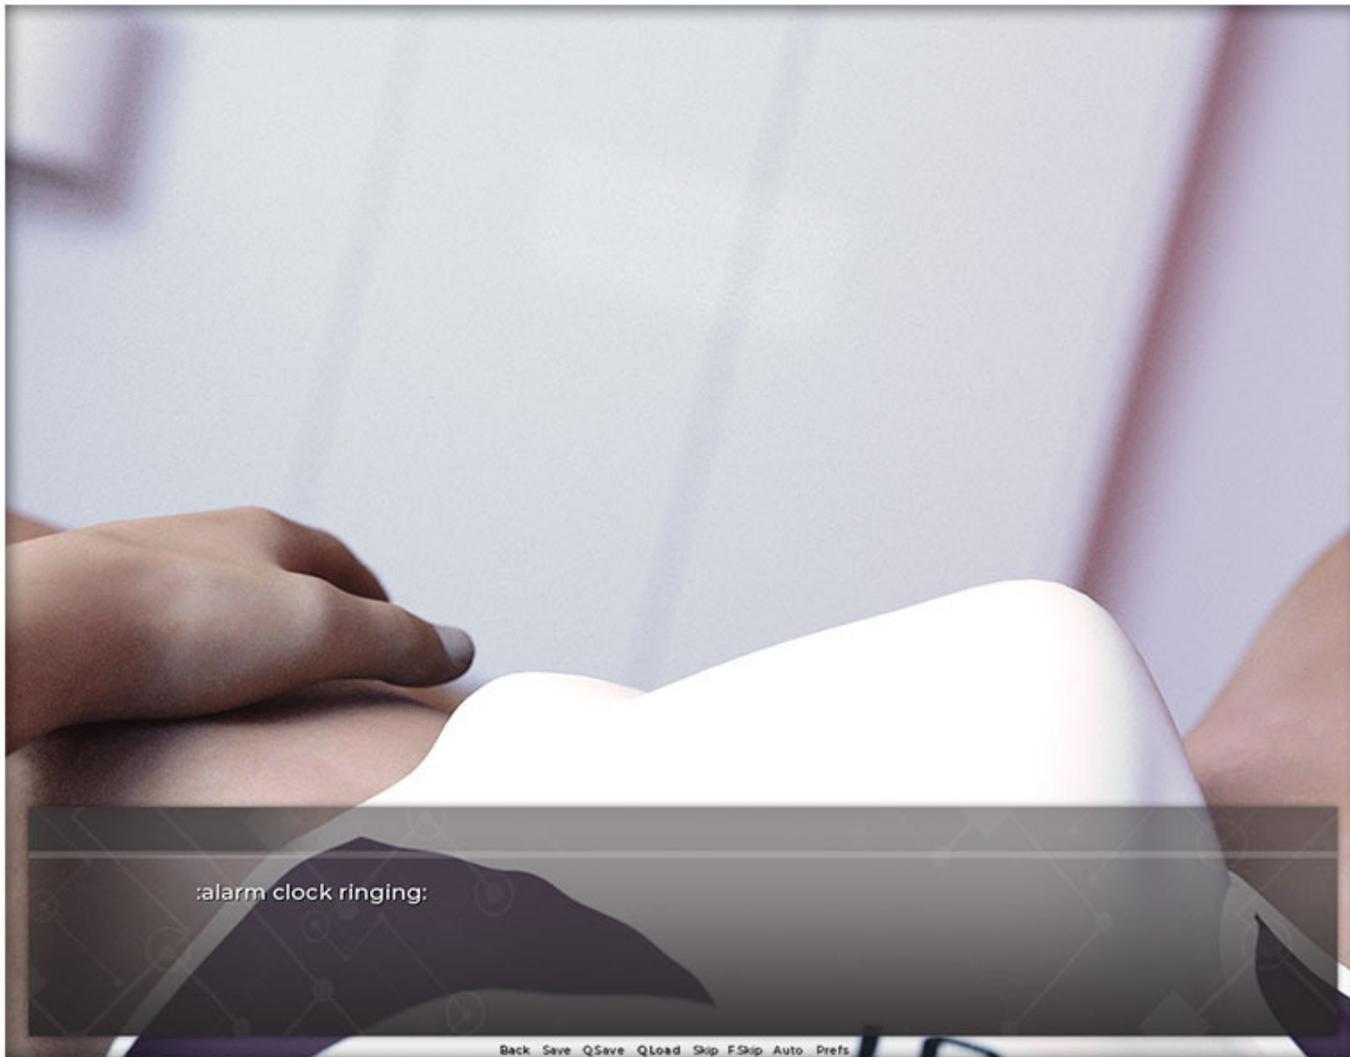

When you get to the office we`ll be introduced to our colleagues.

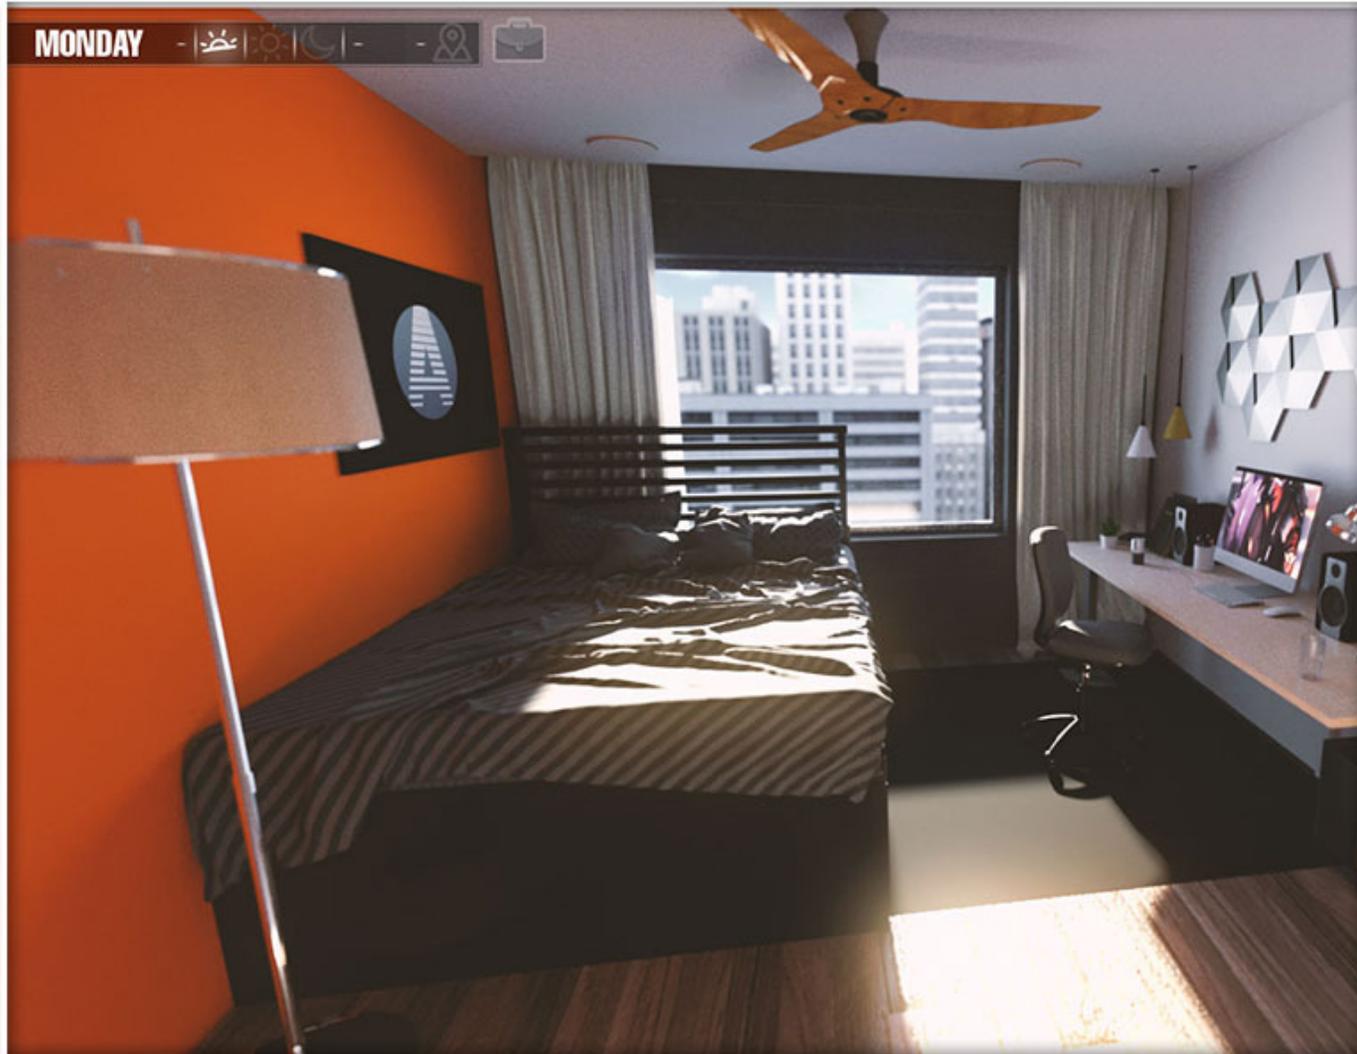

After that you go home and wake up the next morning.

Now you need to get in the kitchen, after that, when Mary will see that you are horny you have to take a bath.

Talk to Mary again and go to your room and gear up.

(To gear up in your room, move the mouse cursor to the right edge of the screen, and there you`ll see a white strip. Click on it and then click on the wardrobe with clothes.)

Now you go to the parking lot and leave to work with Mary and Glenn.

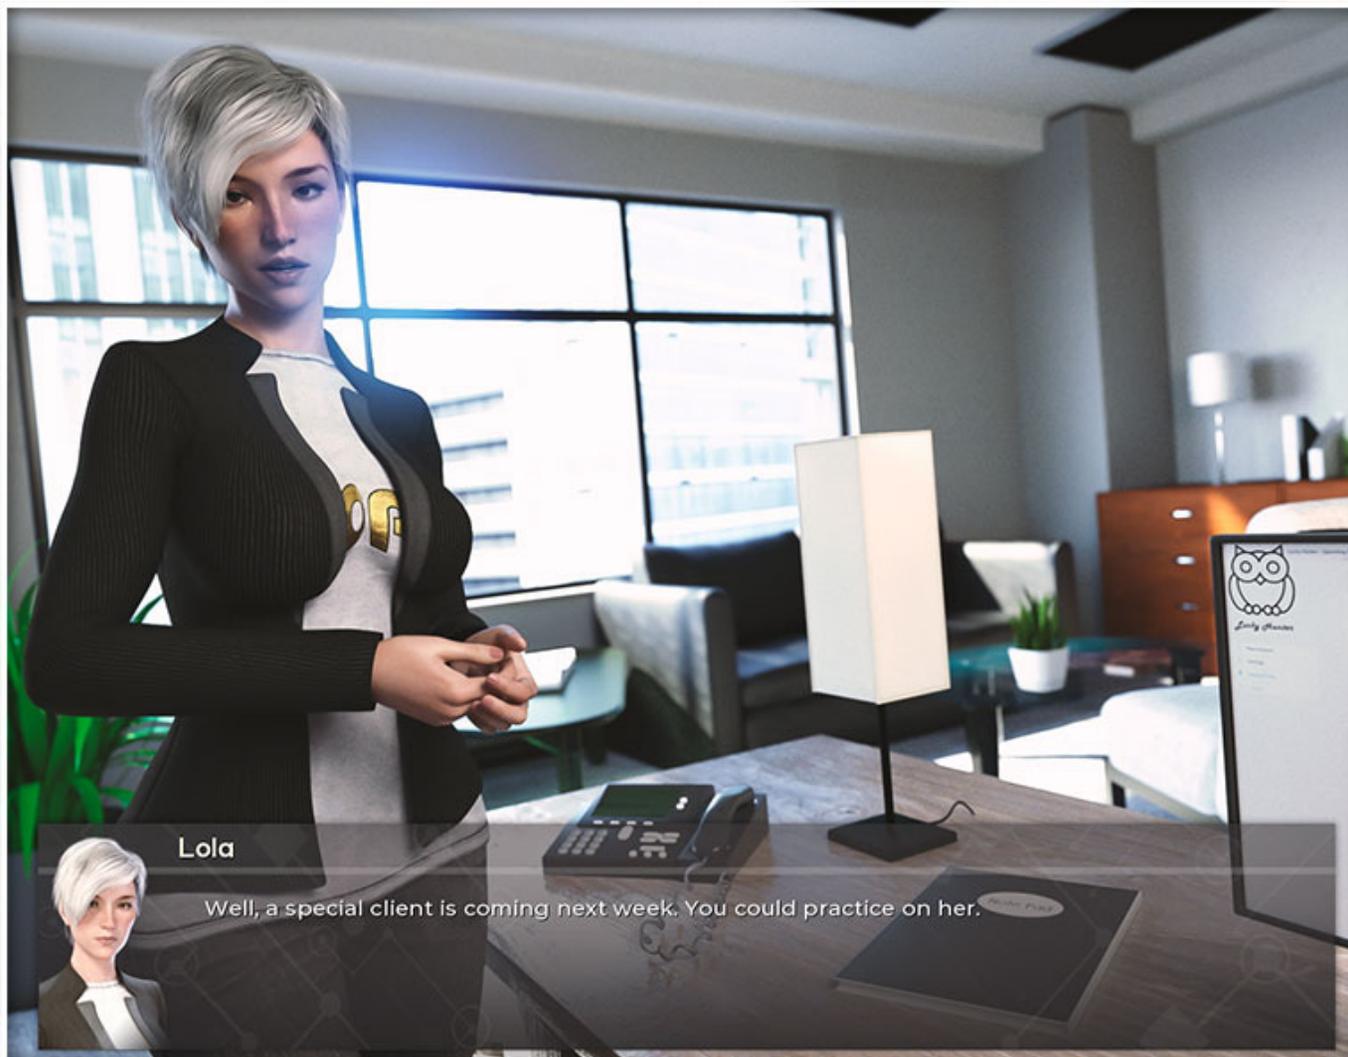

You are welcomed by the guys.

You find out that Lola was seeking your office.

After the conversation with Mary, Lola tells you about basics and teach you how to use a computer.

Then listen to Jerry

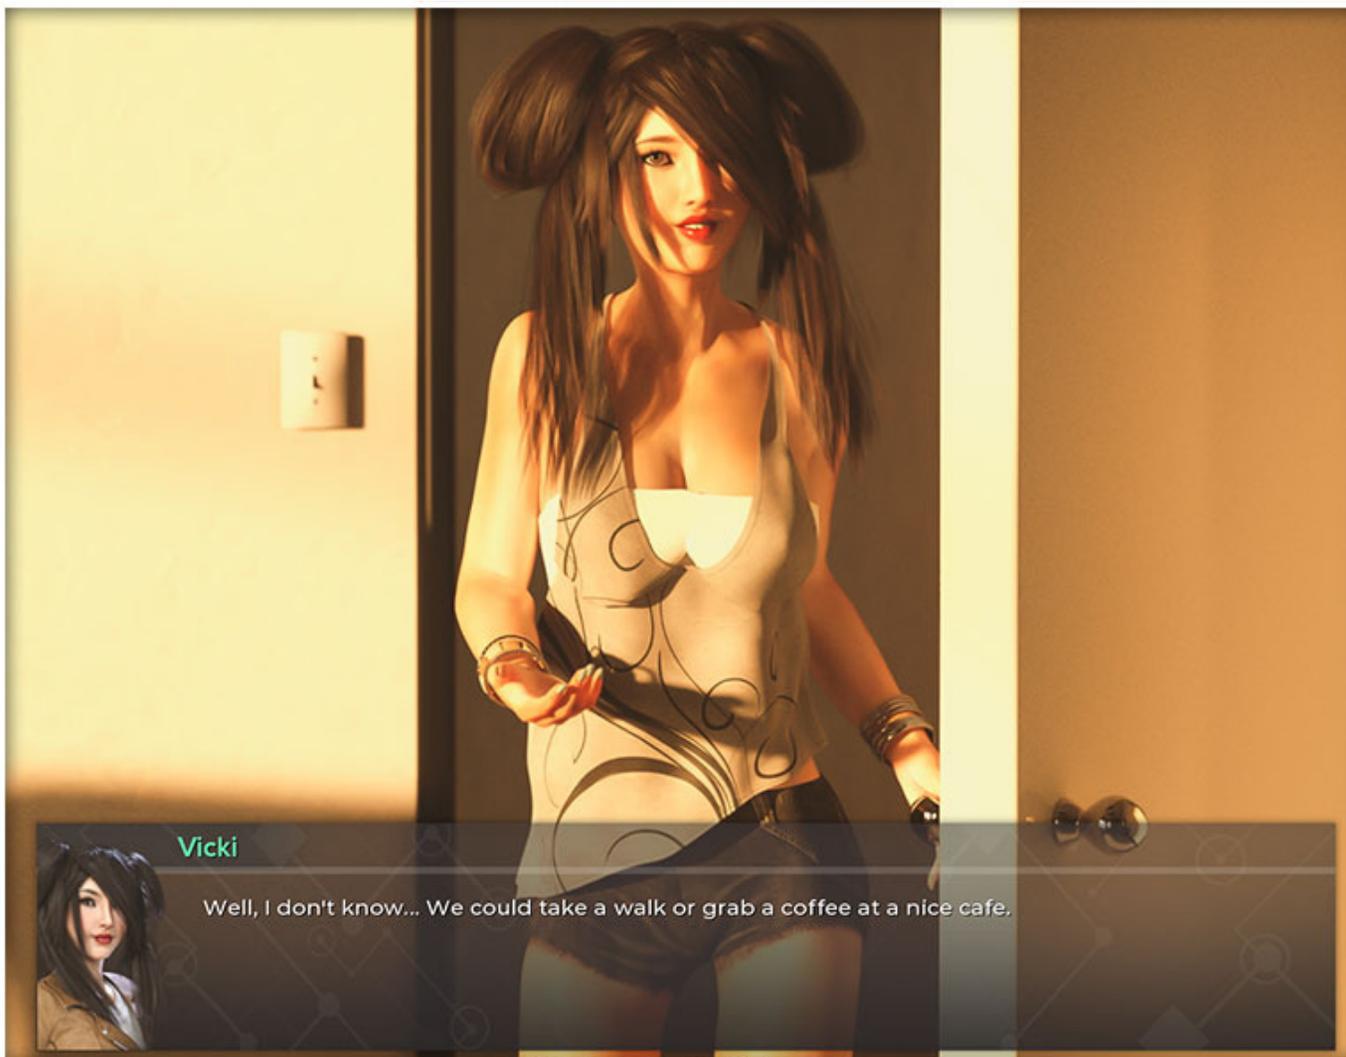

Now you have to talk with everyone. After that Lola appear in Quiet Spaces.

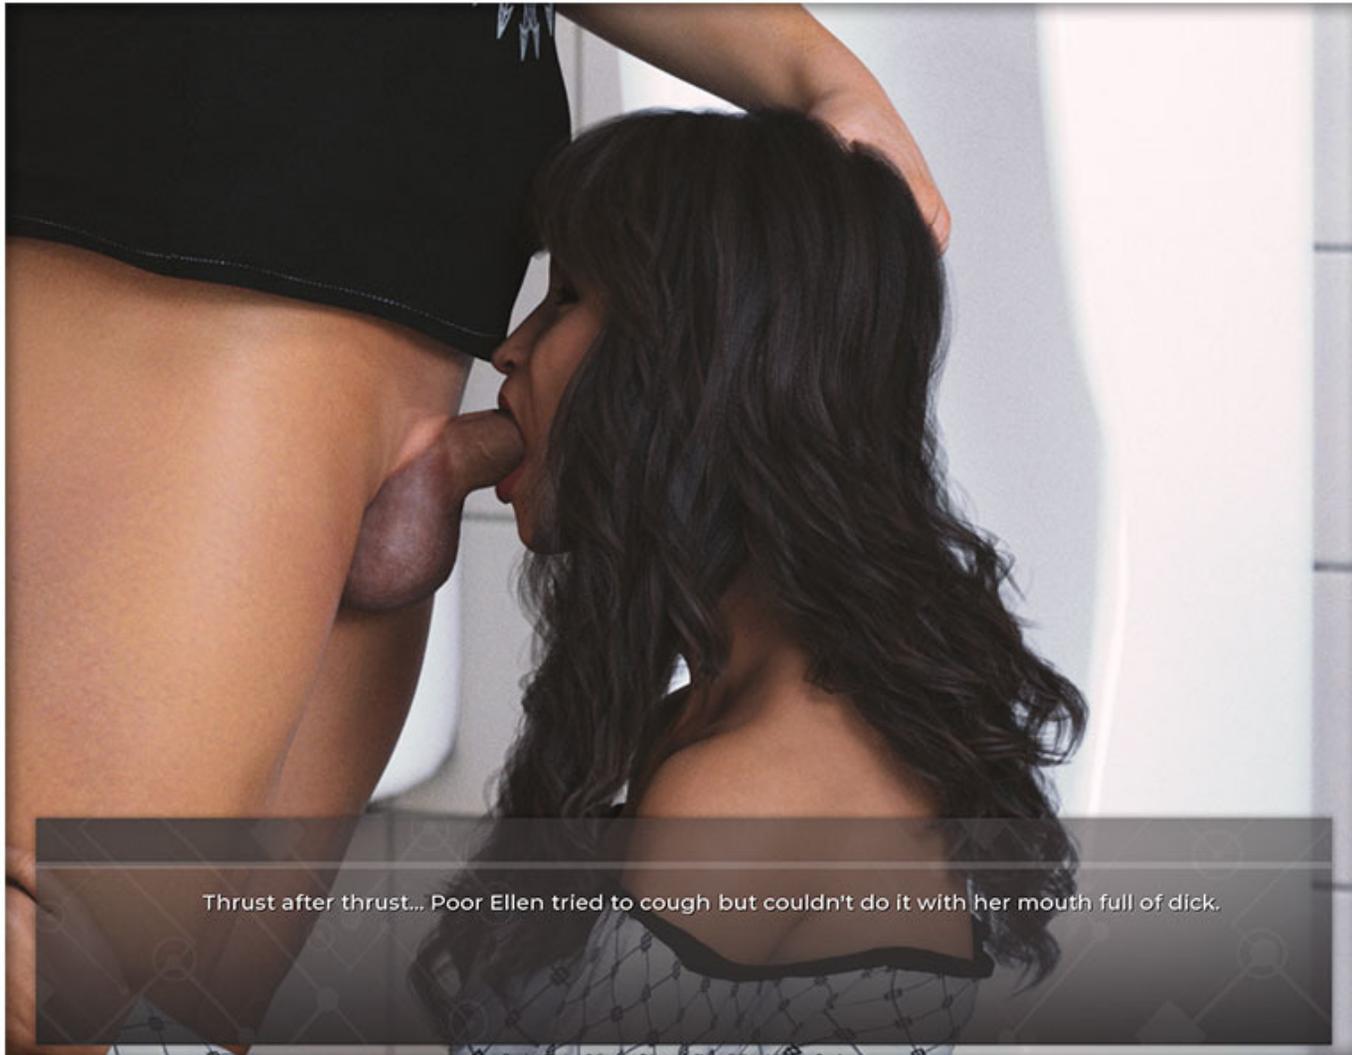

Talking with Mary

You find yourself in the office and then accept the Vicki`s invitation

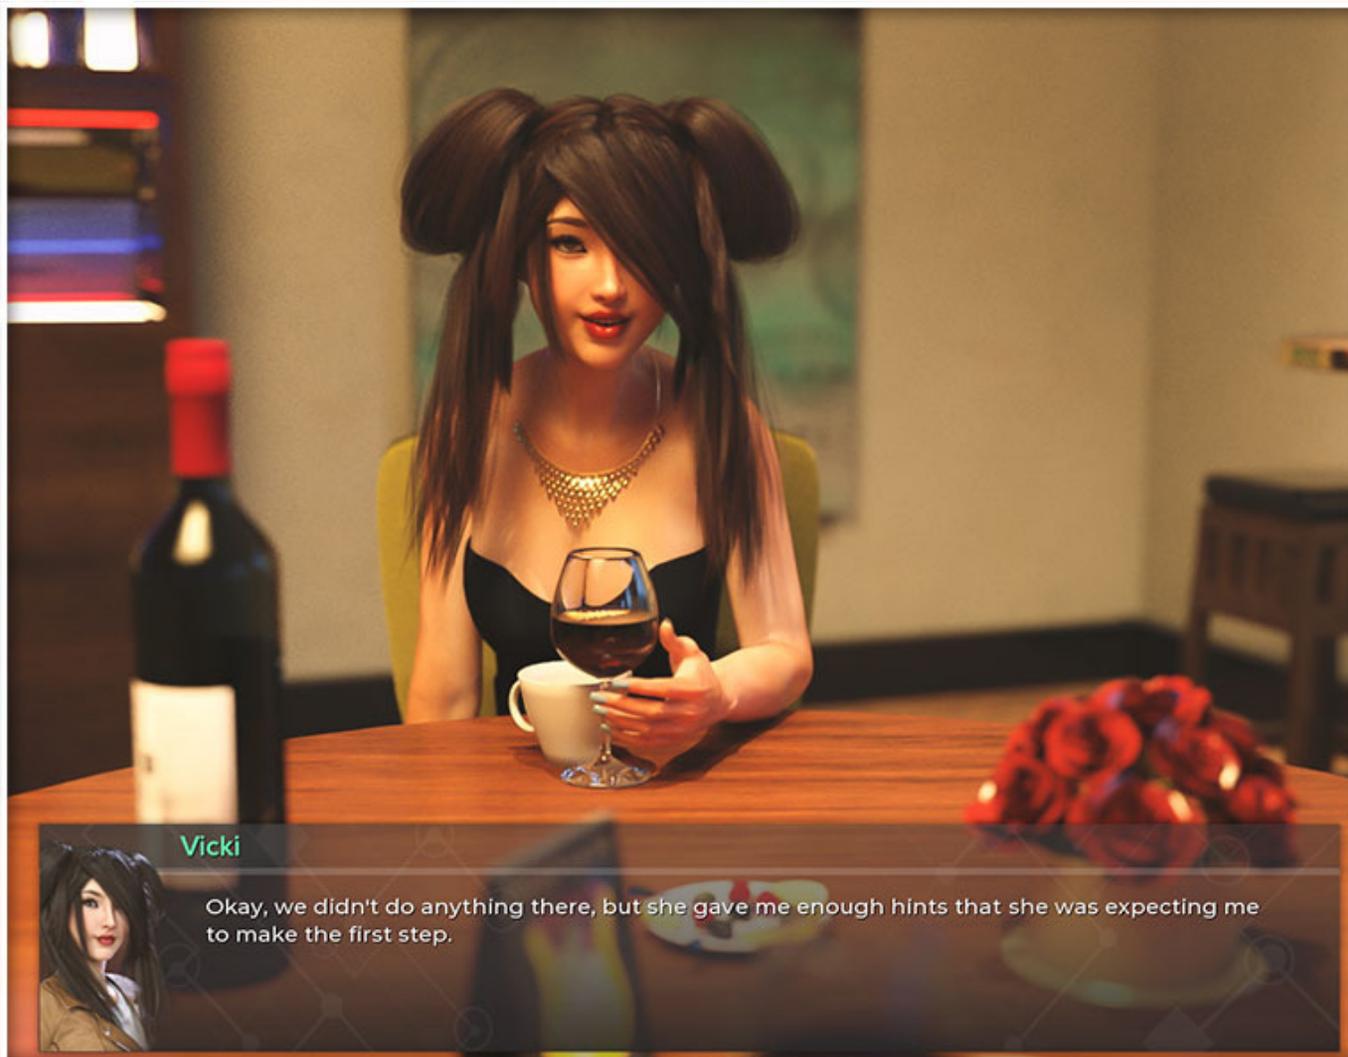

Something strange.

After that you go with Vicki

Listen to her stories

And then you come home and give Mary a massage.

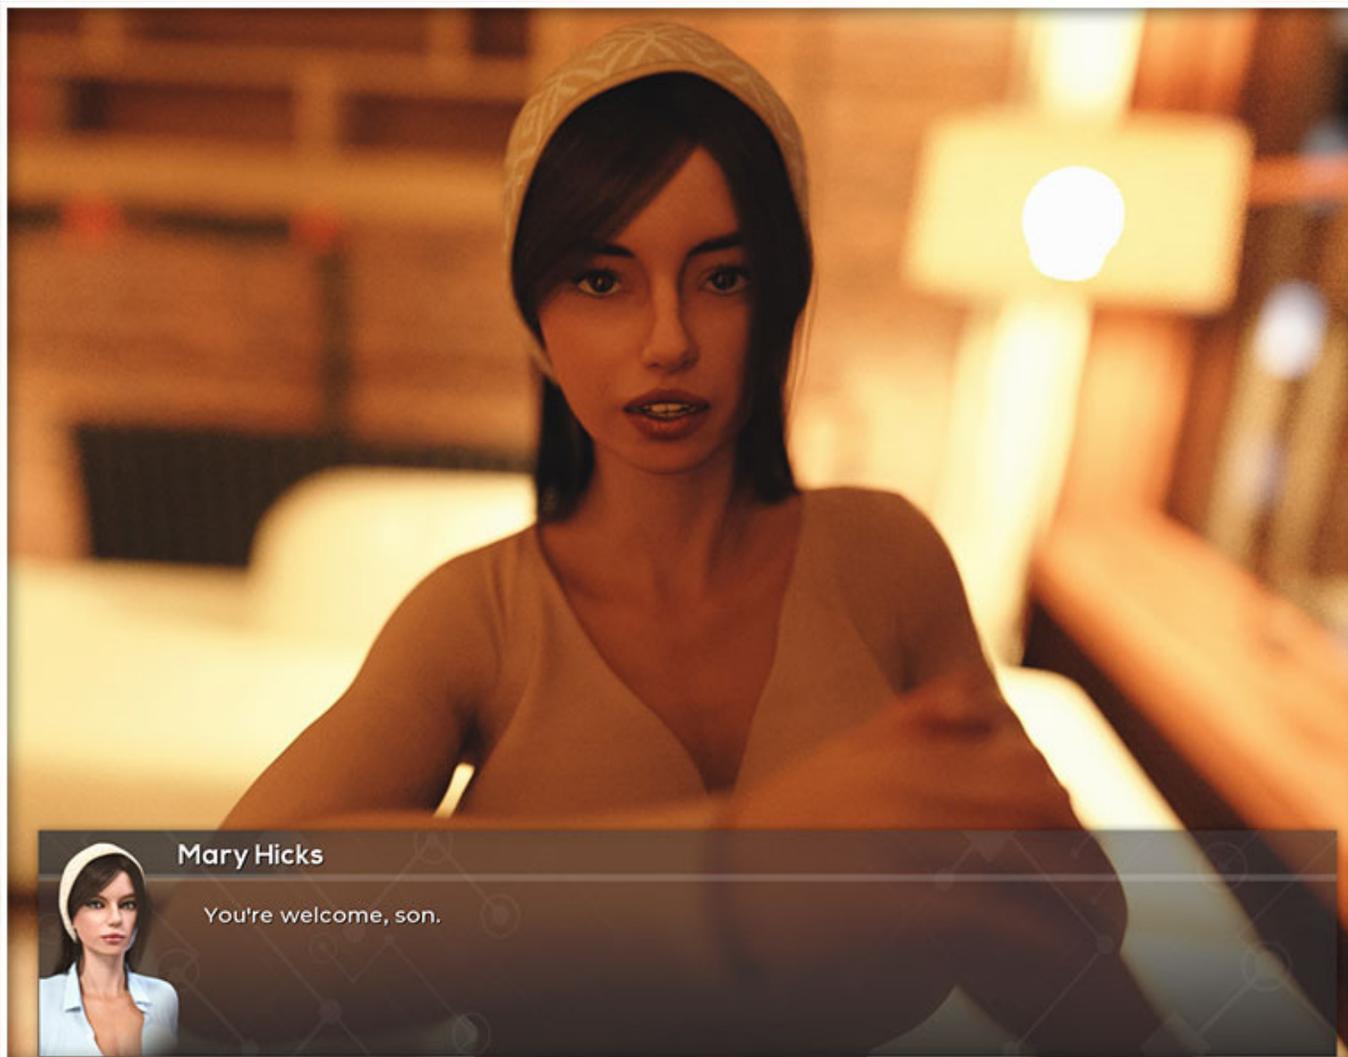

Go to your room and go to sleep.

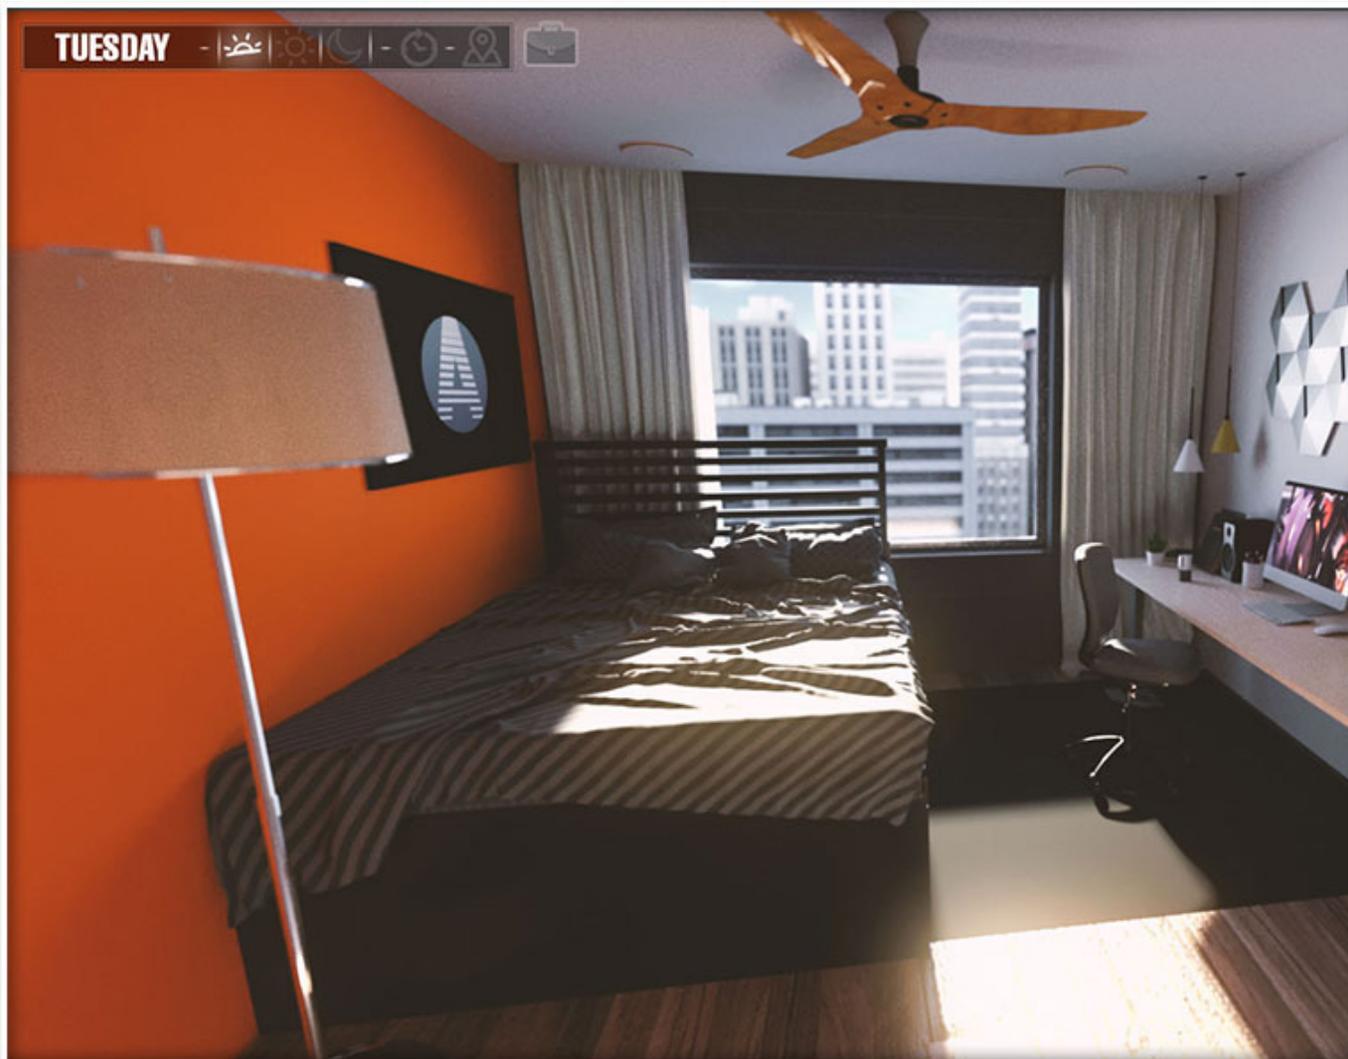

Watch a wonderful dream.

Choice affects only on different scenes in the dream.

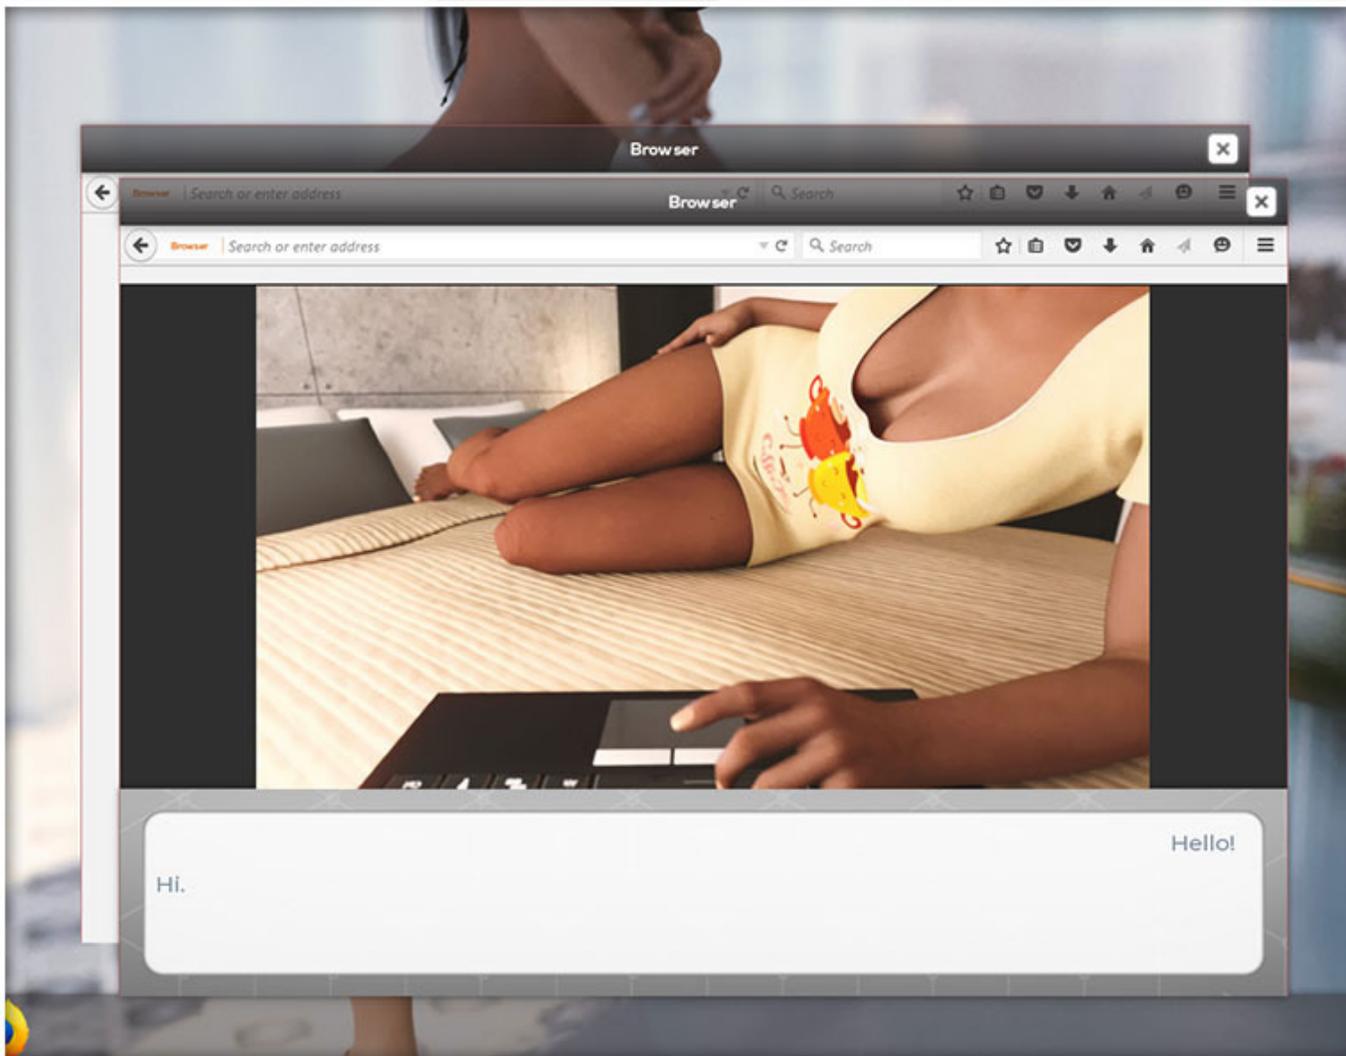

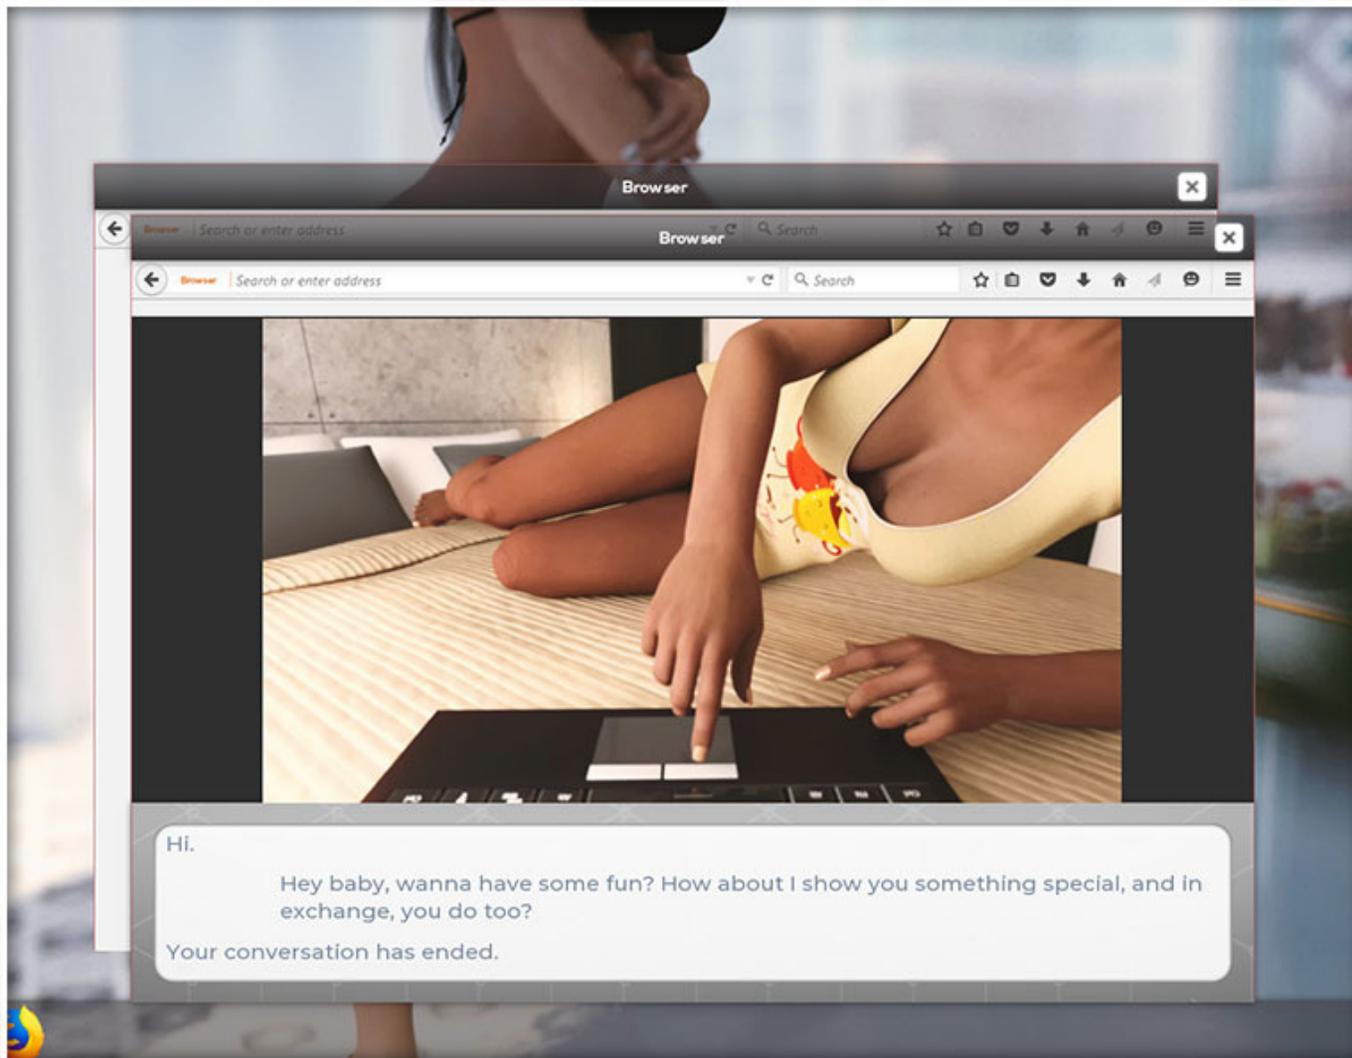

Watch the dream to the end and wake up in the morning.

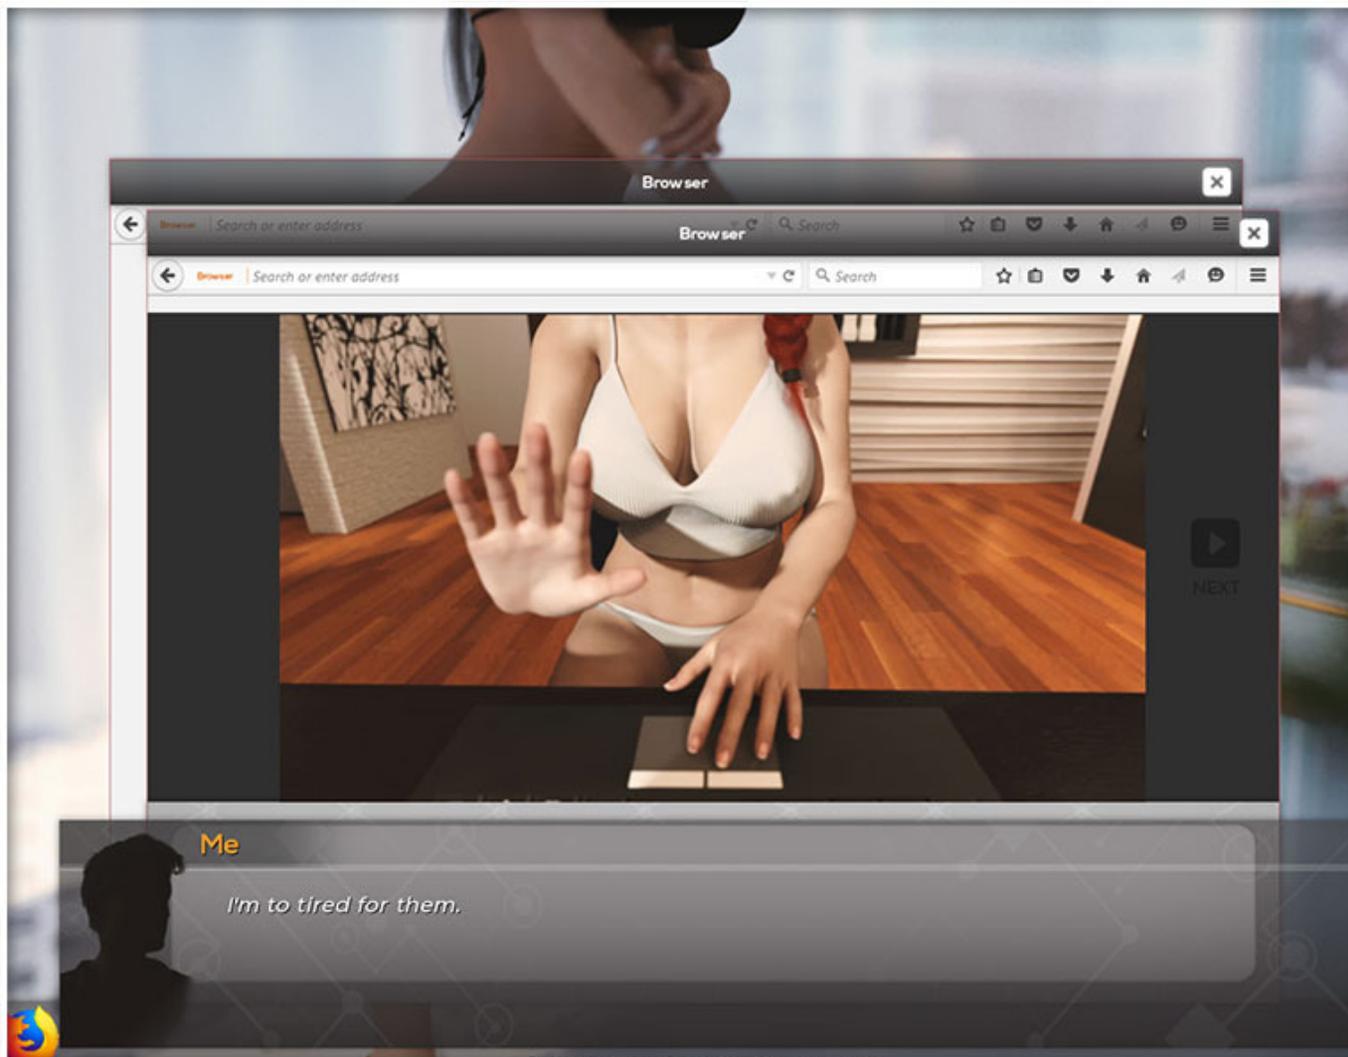

Now you can use a computer to chat with girls.

After choosing a girl click on the white box below to start the chat.

Choices affect on what the girl will show. Or won` t show anything.

You can chat with only one girl each day.

Mary has schedule.

It doesn't exist in the game, but I'll show it here.

Ergo, to continue the storyline of the game, you have to see Shannon at work and ask her about website.

During this quest there is a slut in the parking lot, whom you can fuck in the ass, mouth, pussy. Also she can give you a handjob.

The slut appears on Thursday night on the working lot and only if you have enough money.

*(To continue the quest, take the keys from Glenn)*

Also you have 3 girls in chat. Mary can show you her breasts in the bathroom, and her ass during the sleep.

Then see Mary and ask her to buy Shannon a tablet for drawing.

You get a refusal and she offers to make money on your own.

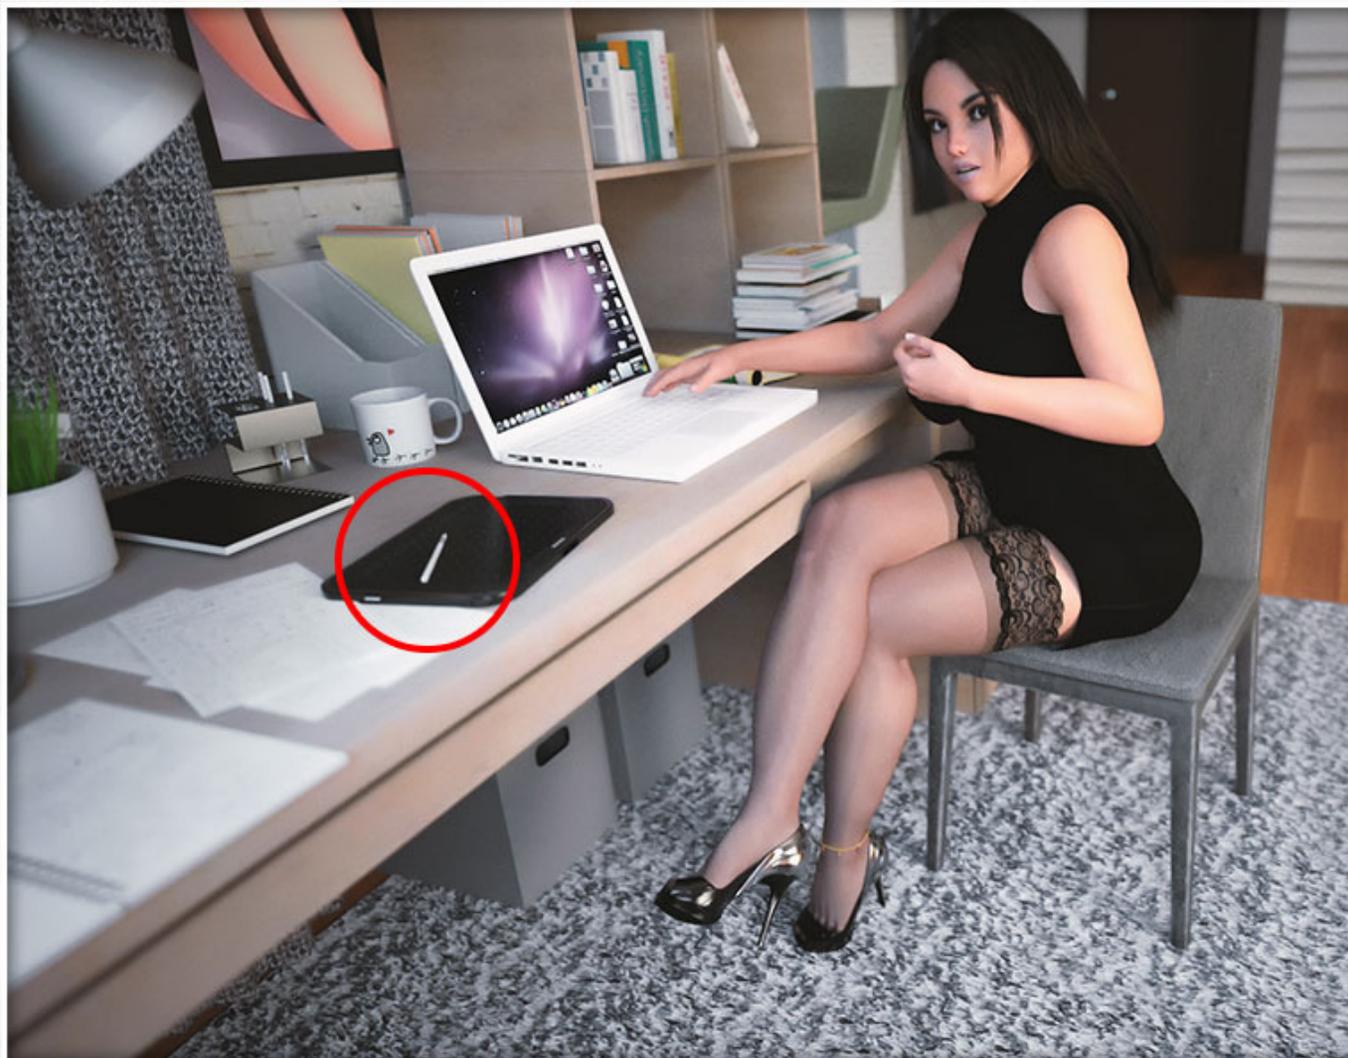

Go to the office and play mini-game. If you don't want to play click on books next to the monitor. Each click gives money.

When there will be enough money go to Mary.

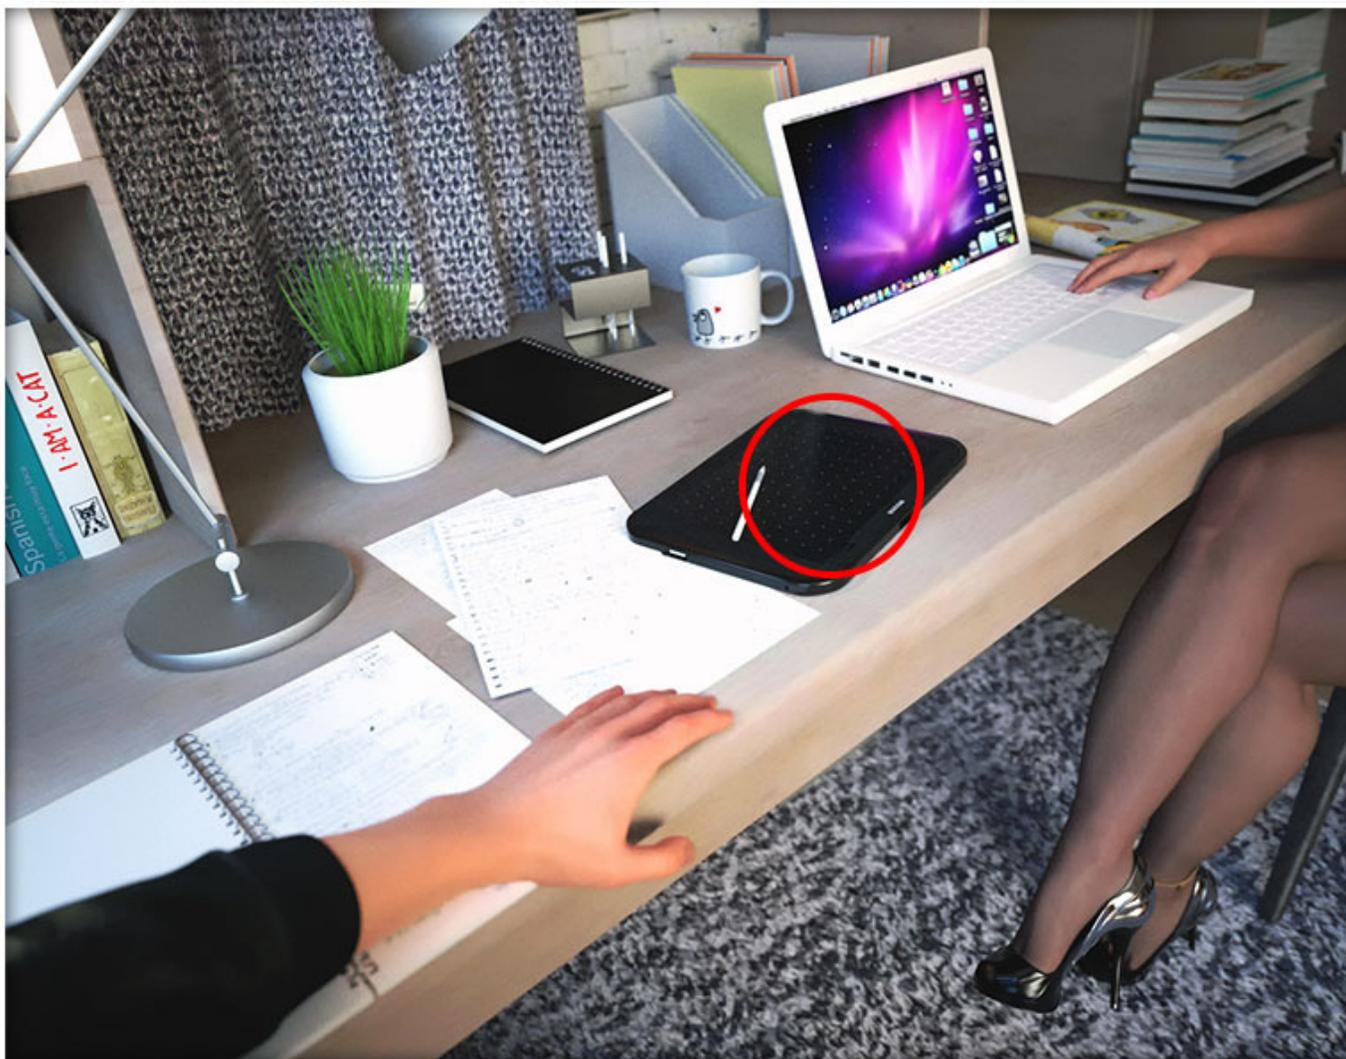

Then you see Shannon. She tells she will wait for your call every Sunday afternoon.

In Shannon`s apartment click on the pen on the table.

Touch her feet and then Shannon asks you to leave but offers to see you next time.

Call her next Sunday afternoon.

Click on the tablet on the table.

Draw Shannon.

Unfortunately, you can't draw, so you need to come next time.

Call her next Sunday afternoon.

Take off USB with drawings and open them on your computer.

Go to your office and call Lola by the phone on the table.

Lola may not be available on certain days. Try to catch her.

Show drawings to Lola, and she will give you the key for the office.

Go to Jerry and say, that you have key for the office.

Saturday night go to work and watch the scene.

Next morning go to Jerry and ask him to give you access to Lola`s computer.

Jerry tells you that he`ll do everything, but later.

**After this quest you have access to all content with Mary at home, with slut on the parking lot, and with girls in chat.**

Now you need to wait when Mary will do clean up and help her with it.

Yes, you are not strong enough. Nevermind, you should visit Fitness Center when Mary will work out there.

After Mary introduce you to the trainer, we need to save money for exercising.

When you have enough money you can call her at any time.

We find out that we need training clothes for training.

Go to Vicki and ask her where you can buy training clothes.

Vicki says, that you are stupid and you could already go to Clothing Palette

Ok, go to Clothing Palette and talk to shop assistant.

There are no sizes. Ok, go back to Vicki.

Vicki asks you to unlock websites for her, which Jerry`s blocked.

Talk to Jerry.

He asks you to get photos of Lola.

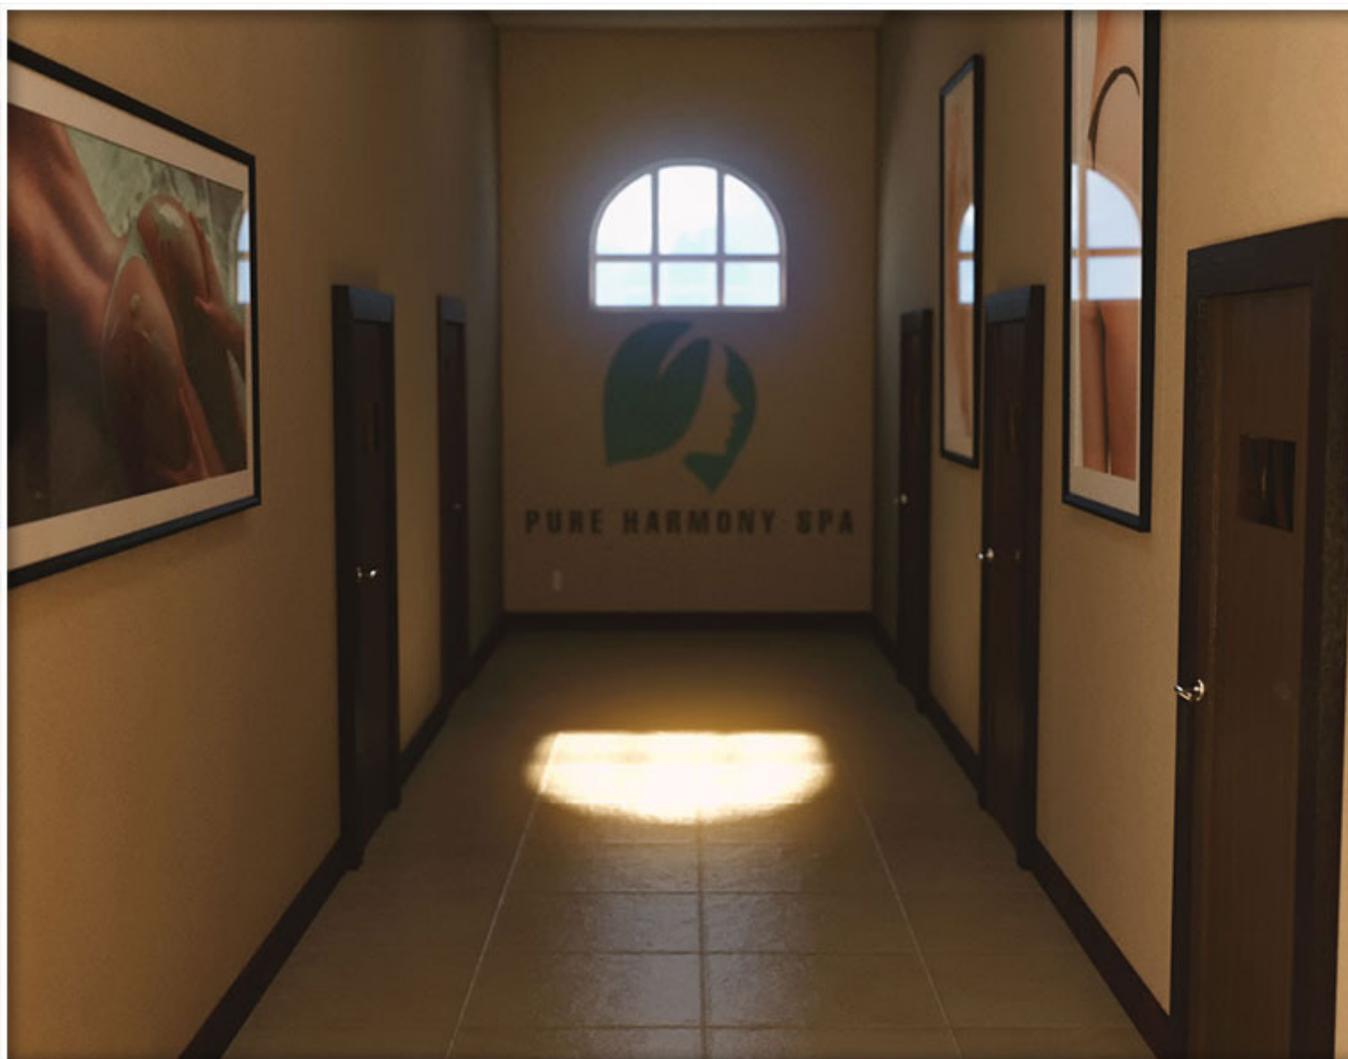

Go to your office and call Lola.

Ask her about Spa.

Answer her question and find out when she visits Spa.

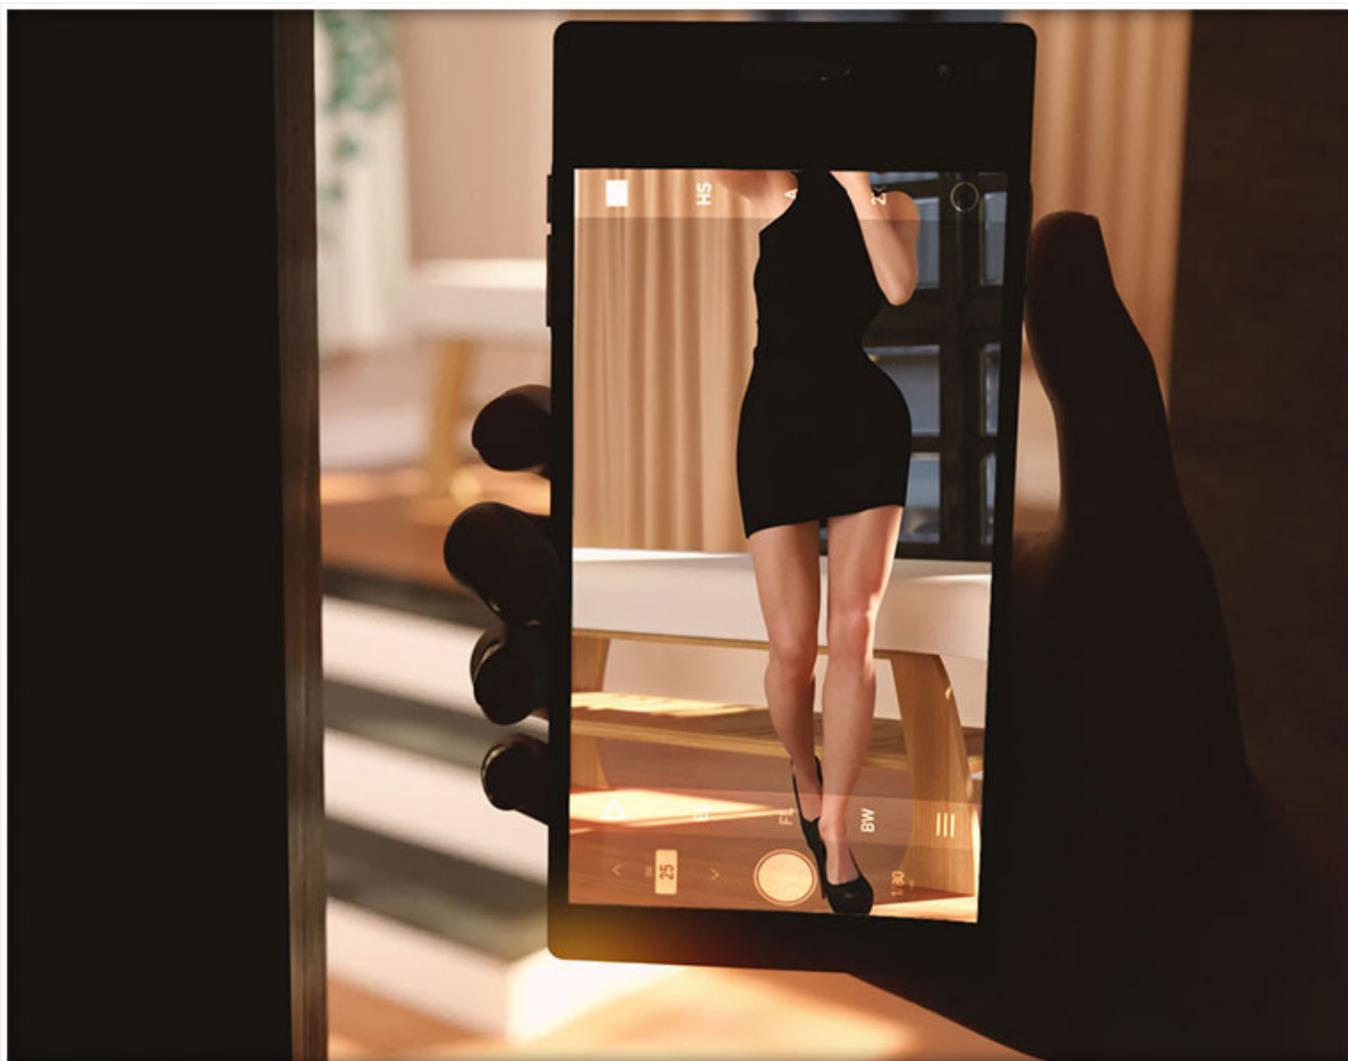

Visit Pure Harmony Spa and make an appointment.

Go to Pure Harmony Spa when Lola is there.

Find the right door and watch the scene of massage.

Make photos of Lola and go to Jerry.

Show him photos and tell him about the fact that Lola wants to frame them.

Listen to Jerry`s offering, ask Vicki about the websites.

Ok, he said, that he would do everything.

Go to Vicki and tell her that everything`s all set. Vicki is very pleased to hear that and she makes an appointment at the clothes shop.

Be sure that you have 2500\$ and go to the shop at the right time.

Vicki managed to get the right training cloths and made you feel good.

Call Kimberly and tell her that you are all set.

Go to gym on Friday night, you need 700\$ and clothes.

As you lie with Mary on the couch until the evening, watch video. After the video, you find yourself at work and find out that you were given the first lesson, a beautiful girl named...

End of the version.
