Grab her ass

Doesn't really matter

Spy on Elly again

Day 2:

Try to keep any feelings you have for Elly or Ada a secret from Emily at this point

You don't want to show any weird affection towards your roommates yet

Where's Elly – Ada's occupation – Emily's job

Leave her alone!

Doesn't really matter

There's slightly differing dialogue based on whether you get hit during the fight. Doesn't ultimately matter though

Smile

Just let her be

Emily finds Elly's response to you weird when you ask her if everything's alright

What happened today – Adas safety

She's been doing that

While Emily does find this weird, she also finds it comforting that you also find it weird and therefore is fine with it for now

Just let her watch

Go to the bathroom

Comply

This doesn't matter in the long run, but you get some nicer dialogue

Try to turn it in to a hug

Aggressively refuse his offer

Show off

hint, if you dodge incorrectly, you can use the scroll wheel to go back in time

Kiss her

Join Emily

Day 4:

Friendly Approach

Just look

Doesn't really matter

Tell her the truth

I want to get to know you

Take Emily's side

Day 5:

Make her stay

Day 6:

Kiss or don't – Your preference

Don't make a big deal out of it

Arms > Upper body – Doing Lower body first gets you less scenes

Inseminate your roommate

Cum inside

Day 7:

The note – Jenna and Emily – Today's plans

Jokingly say no

Doesn't really matter

Cum inside

Change the subject
