Film night on campus

- **ALL FOR CASUAL** - Choosing this option means that Sophia agrees to a lesbian relationship with Xianne.

- If you are currently seeing Xianne, then she will tell you that you shouldn't see each other anymore (this will happen during Week 10).

But at the end of the game, there will be a **special sex scene** involving the MC, Sophia, Xianne and Melody.

However, if you are on the Melody friendship path, this bonus scene will not be achievable.

- If the MC is on the Sophia path but not the Xianne path, then Sophia will see Xianne casually,

but there will still be a MC/Melody/Sophia sex scene ending.

However, if you are on the Melody friendship path, this end scene will not be achievable.

- If you've started a Lesbian relationship with Melody, it will remain unaffected by this choice.

- **JUST BE FRIENDS** - Sophia chooses to just be friends with Xianne and nothing more

- If you are currently seeing Xianne - she will continue the special massage sessions with you.

And at the end of the game, there will be a **special sex scene** involving the MC, Xianne and Melody.

However, if you are on the Melody friendship path, this bonus scene will not be achievable.

- If you are on the Sophia path but not the Xianne path, then Sophia will be friends with Xianne,

and there will still be a chance for a MC/Melody/Sophia sex scene ending.

However, if you are on the Melody friendship path, this end scene will not be achievable.
