

Walkthrough for v.010

Go to the living room in the morning and trigger cutscene with keith --'

Forward time once and go to house backyard and click on sam

Forward time once more and go to sam's room and catch her streaming then go to your room and on HHS enter her username Buttercup69 (unlock private show)

Forward to night and go to melissa's room and trigger titjob

Next evening request for private show while sam is streaming (\$100)

Next day forward time to afternoon and go to house backyard and click on sam; wake her up and admit to all the things you have done xD (click on all the items except pass)

Forward time and request private show again on your laptop (fun conversation)

Next day forward time and go to backyard and request handjob

Forward day to Monday and forward time once and meet sam in gym where keith shows up --'

Go home and speak to sam in her room

Forward time once and go to sam's room

Go to map and click on Motel (new location) ; click on alley and see (Devil's Triangle) on the garbage bin.. enter that on computer later for the pic 😊

Then click on sam 😊

Go back to the alley remove all the planks and enter through the window and fight that pig keith --'

Enjoy the scene at home 😊

Check your phone for messages and send the photos to HHS site from your laptop for cash and also buy a new video😊

While you are there 'search' for devils triangle on the laptop

Go to the motel and rent room 101 and click on the pic on the wall to unlock the photo 😊
