It's really hard to create a complete walkthru for this game because there are a lot of different characters and storylines and option but I think I found a way.
I'll split this in different chapters (don't worry, there are the bookmarks so you'll can find what you search easily). There will be a "Long story short" about the character and then there will be ALL the s (I copy paste from the renpy code... without the codes) so you can follow the s and see what's the difference between the option you choose.

IRENE IS YOUR BROTHER'S WIFE, SHE WORKS AT ELITA MAGAZINE SHE'S 27

IN SEASON 1 YOU TRIED TO HAVE SEX WITH HER WITH THE HELP OF YOUR GIRLFRIEND KIRSTEN BUT YOU FAILED.

YOU WAS NEAR BUT THEN SHE FINDS OUT YOU AND HIS HUSBAND HAVE SEX WITH MEADOW (her best friend)

In Season 2 she's angry for what happened in Season 1 and she doesn't want to talk with you.
Also if you and Kirsten broke she continue to go to the Gloryhole and you can get a blowjob from her (s in Michelle's Storyline)
You can gain your trust if you save her from a stalker (there will be also another Option in the next releases).
After that s she will talk with you again and she will talk about her obsession for the blowjob.
She tells you she's giving Julian another chance after what happened in season 1.
You can get a blowjob from her at the shop while she's buyng some clothes for Julian.
IRENE S START AT MICHELLE 17 (or 19, 21)
