

Thinking About You v.035 - Walkthrough

What does she really think?

- **compliments**: "Julia likes your compliments!" - You were nice to her and she likes you a little more.
- **headache**: "She hates you!", "Julia has a headache!" - You really pissed her off. She will remember that.
- **jealousy**: "Julia feels jealous!" - Yes, she is extremely jealous of Eva and any other girl. And when Julia is very jealous, she can behave in a very unpredictable way. Sometimes it can be nice, sometimes definitely not.
- **submissive/firm**: "You are not firm enough!", "Julia likes it when you follow her orders!"/"You were firm!" - You can do what she says or try to be the master of the house. If she dominates you, you will be forced to satisfy her erotic fantasies.
- **lust**: "Julia likes it when you touch her, even if she denies it!", "Now Julia will desire you a little more" - Her lust is necessary to get better erotic scenes.
- **shame**: "Julia feels ashamed!", "It's a very embarrassing situation!" - Julia is not a shameless girl. And her shame can stop her from doing many pleasant things with you.
- **teacher**: "Julia thinks that she is a good teacher!" - It shows how much she wants to be your sex education teacher.

- **hug** "Julia likes it when you hug her!" - How much she likes hugging you.
- **kiss** "Julia likes it when you kiss her!" - How much she likes to kiss you.
- **feet** "Julia suspects that you like her feet!" - If she thinks that you have a foot fetish, she will use her feet more often in erotic scenes.

- **stamina**: The main character gets stamina points when he has new sexual experiences. Using these points he can stop premature ejaculation.

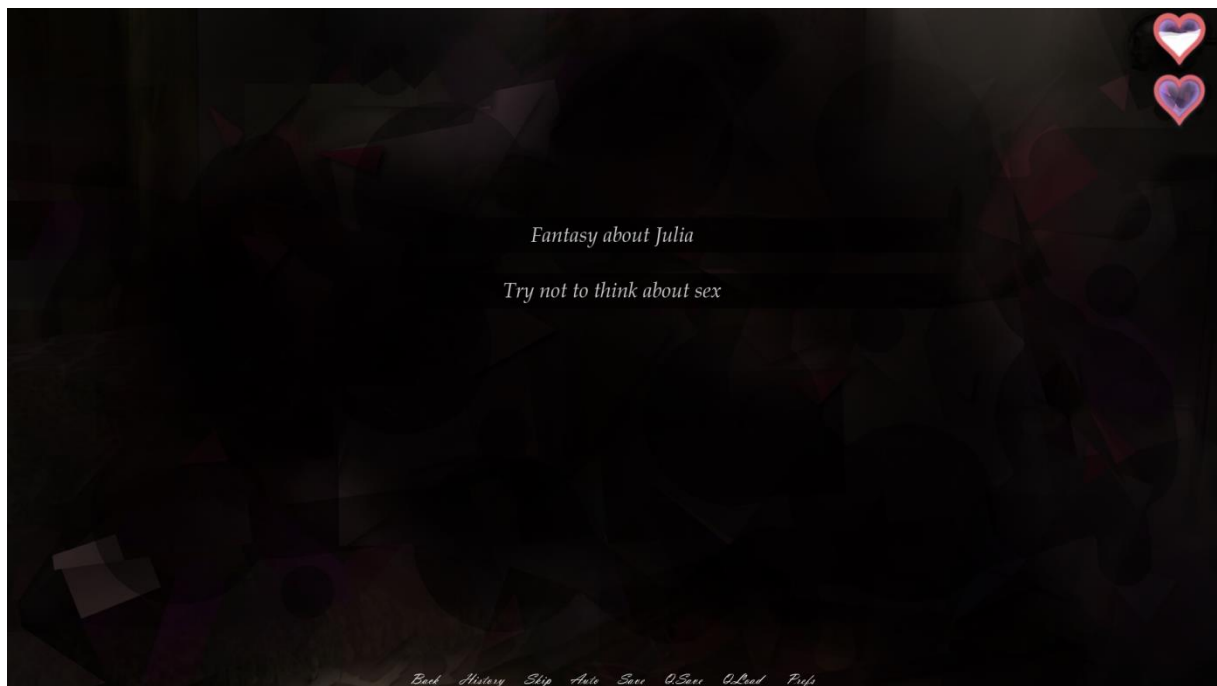

"Pineapple for Kiddo" (New scene between v.02 and v.03)

The right choice: "It's too dangerous"

if jlust > 2: " Show me your thing!"

Depending on your choice, this scene will look slightly different. I suggest you try both options.

This is not an important choice. It's just a joke.

Congratulations, now you are on a pineapple diet! It will be very useful in future updates :)

V.035

"Julia is right": Eve: jealousy + 1

"Eva is right": Julia: jealousy + 1

"Both are right": Eve: jealousy + 1, Julia: jealousy + 1

What to say, life is not easy ;) At the moment, jealousy is not very important, but it will be in the future. Some scenes will look different. It doesn't mean better or worse. It will be intuitive - you want a nice and romantic relationship with a girl, rather say her compliments than make her jealous. If you want a more "spicy" relationship, tease her, make her jealous ;)

"She is cruel": submissive + 1

"I will be smart!": Eve: compliments + 1

"I like to waste my time!": Eve jealousy + 1

Eva will remember this conversation.

If you have Julia's panties (from v.02):

"Sniff": submissive + 1, Eva: compliments + 1

"Don't sniff": submissive - 1 (You are more firm)

In the bathroom

This scene looks different, depending on your choices in v.03. In this scene, you have several opportunities to be firm or servile and change your stats.

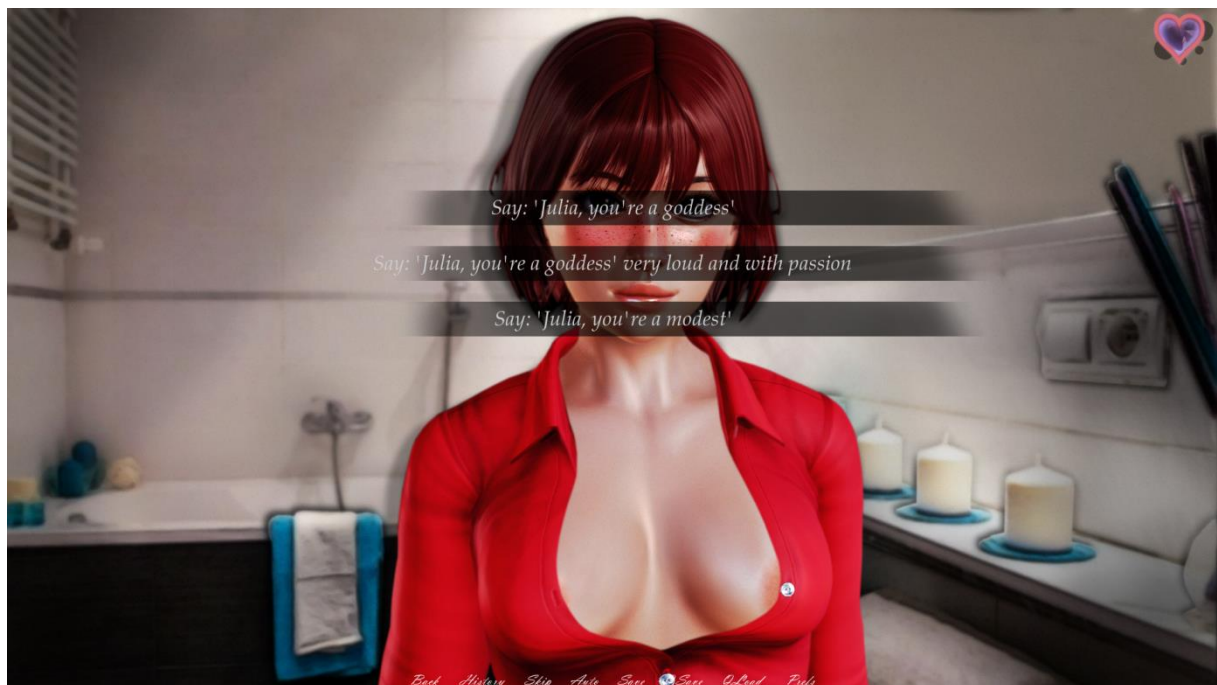

"Yes":

- "Be firm": submissive - 1, Julia: lust + 1

- Be submissive": submissive + 1, Julia: lust + 1

"No": Julia: shame + 1, jealousy + 1; submissive - 1

"Say: 'Julia, you're a goddess'": jcompliments + 1

"Say: 'Julia, you're a goddess' very loud and with passion": submissive + 1

"Say: 'Julia, you're a modest'": submissive - 1

"Say it a hundred times": jcompliments + 1, jsubmissive + 1, Eva: jealousy + 1

"Don't be an idiot": submissive - 1

If you chose Eva in the cinema:

"You also finish" - not the best choice ;)

"Confirm": jjealousy + 1

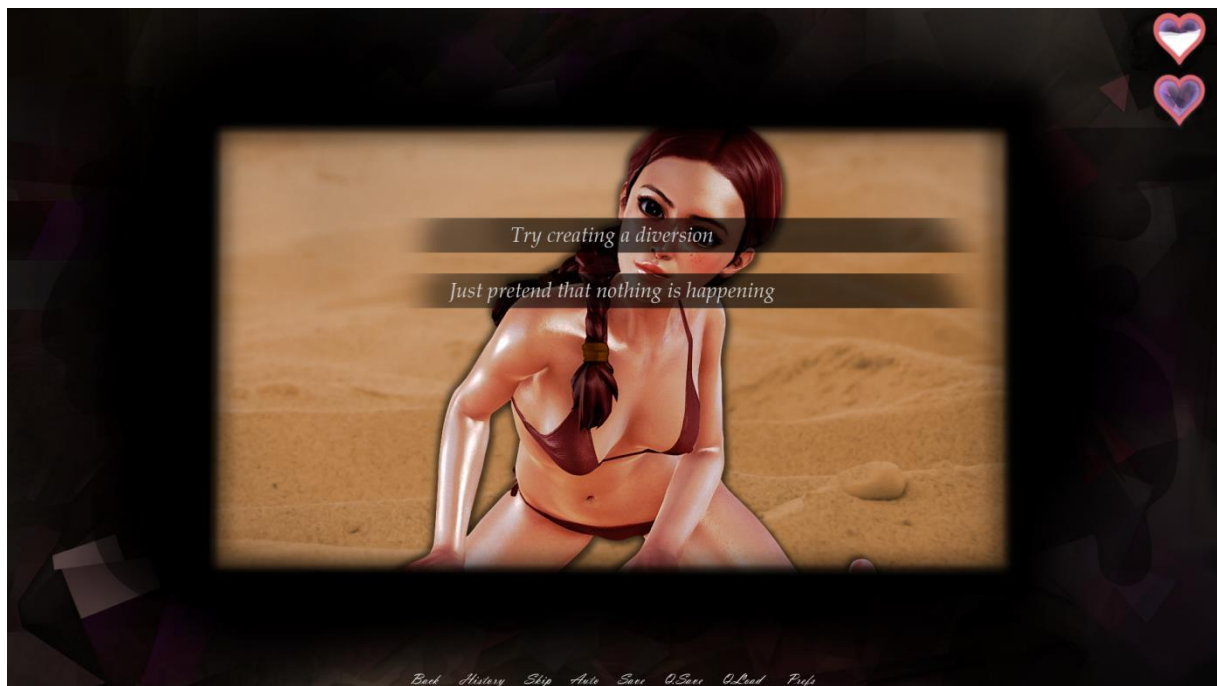

"Deny": jcompliments + 1

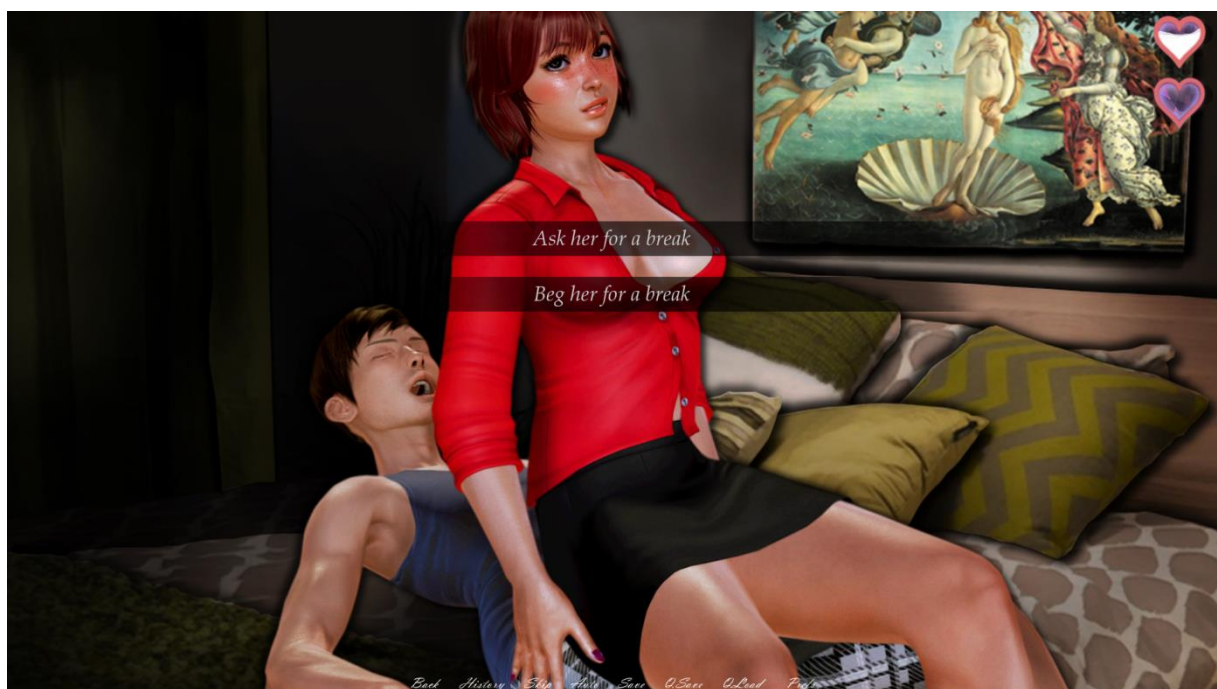

To be on the "firm" path you need **"submissive"** < 1

"Put your hand on her thigh" - not the best choice ;)

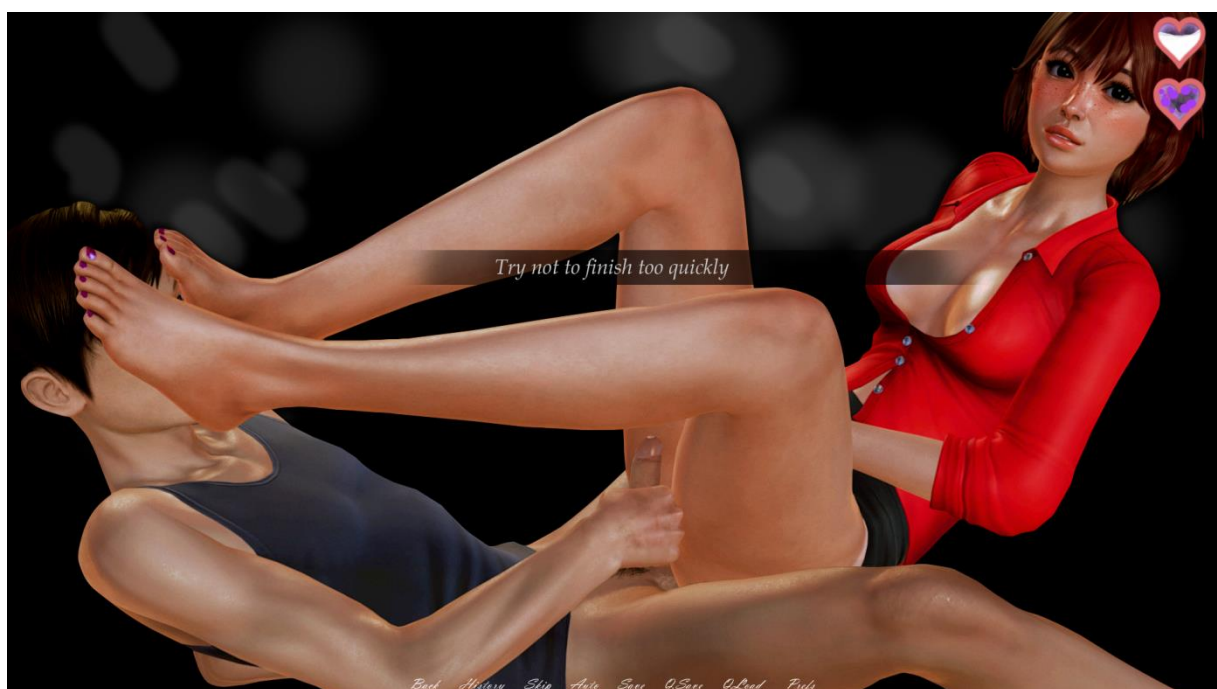

"Try creating a diversion": jlust + 1 - You can do that if you are firm.

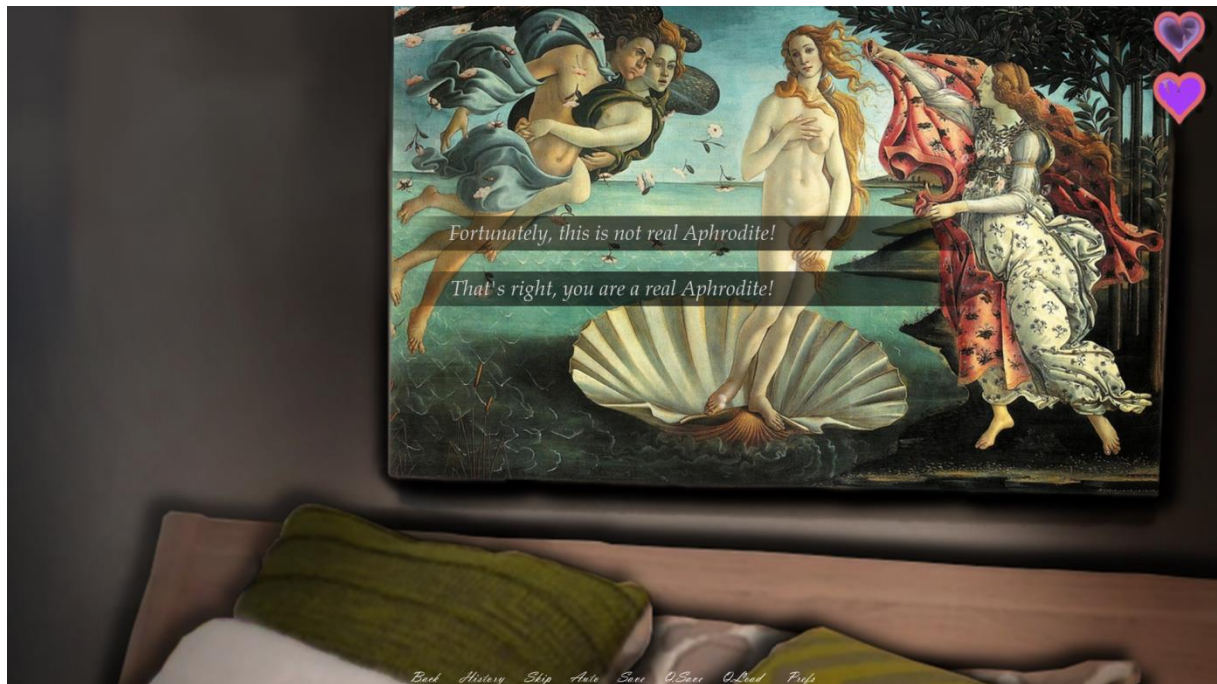

The correct answer depends on whether you are firm or submissive.

"Amazing!" - not the best choice ;)

If you like her feet ("jfeet" > 2) this scene will look a bit different.

"That's right, you are a real Aphrodite!": jcompliments + 1

You did everything correctly and you got one " stamina" point. You will be able to use the "stamina" points in future erotic scenes.

Julia: shame + 1

After that, Julia will go to the bathroom and masturbate.

"Don't let her have an orgasm": If you are firm (submissive < 1), you can not let her relieve tension. This will be continued in the next updates!
