

Thinking About You v.03 - Walkthrough

What does she really think?

- **compliments:** "Julia likes your compliments!" - You were nice to her and she likes you a little more.
- **headache:** "She hates you!", "Julia has a headache!" - You really pissed her off. She will remember that.
- **jealousy:** "Julia feels jealous!" - Yes, she is extremely jealous of Eva and any other girl. And when Julia is very jealous, she can behave in a very unpredictable way. Sometimes it can be nice, sometimes definitely not.
- **submissive/firm:** "You are not firm enough!", "Julia likes it when you follow her orders!"/"You were firm!" - You can do what she says or try to be the master of the house. If she dominates you, you will be forced to satisfy her erotic fantasies.
- **lust:** "Julia likes it when you touch her, even if she denies it!", "Now Julia will desire you a little more" - Her lust is necessary to get better erotic scenes.
- **shame:** "Julia feels ashamed!", "It's a very embarrassing situation!" - Julia is not a shameless girl. And her shame can stop her from doing many pleasant things with you.
- **teacher:** "Julia thinks that she is a good teacher!" - It shows how much she wants to be your sex education teacher.

- **hug** "Julia likes it when you hug her!" - How much she likes hugging you.
- **kiss** "Julia likes it when you kiss her!" - How much she likes to kiss you.
- **feet** "Julia suspects that you like her feet!" - If she thinks that you have a foot fetish, she will use her feet more often in erotic scenes.

- **stamina:** The main character gets stamina points when he has new sexual experiences. Using these points he can stop premature ejaculation.
