Or even she asked you but you advised her to come to Mr Brie's house (but you stopped him from deflowering her), she will also refuse to go out with you.

- Let that happen: Alex will fuck Emily. From now on, you know that she cheated on you. **(+1 Cuckolded)**

38. Beat Alex or not?

- It's up to you. You're not a weakling and not many people can win over you in a fight.

39. Come to his party or not?

- It's up to you. If you don't come, they will only have some drinks and Emily will take Suzie home in the end. If you come, the NTR scene will happen only if Emily broke up with you before.

40. When playing the game:

- If your answers are all wrong, you will drink too much and pass out.
- The right answers are A Vietnamese man, Turkey, Japan and Vietnam.

- Let her: Olivia will give you a handjob, Woody George will have his way with Emily. **(-10 Suzie Love)**

42. Suzie asks: Why do you keep looking at me (only if you leave the party and get on a taxi with Suzie):

- Nothing: This will end this romantic love route with Suzie because you don't let her know that you care for her.
- Worry: She will kiss you before saying goodbye. This will continue the romantic love route with Suzie. **(+1 Suzie Only)**

43. When you meet Emily the next day after the birthday party:

- If you and her are still in a relationship, she will give you a smile.
- If she let Woody & Alex had fun at the party last night, she would give you a frown and leave.
- If your relationship with her has some problem (but she didn't engage with Woody & Alex last night), she will question you why did you follow Suzie before:
 - + Get angry: You ruin your last chance to save your relationship with her.
 - + Explain: If she didn't sleep with Alex, she would think that she was just paranoid. If she already slept with Alex, no matter how you explain, she will still end the relationship with you.

44. When Jim Brie touch Suzie's thigh:

- If she didn't let him deflower her at his house before, this incident will end here.
- If she let him deflower her at his house before, she will ask you what she should do.

45. Suzie asks for an advice:

- Let her go: Suzie will go alone. **(+1 Suzie & Jim)**
- Go with her: You will have a chance to throw Jim Brie into jail (or not).

 - + If **Suzie & Woody Love = 3**, Suzie will spend the night with Woody and masturbate. Woody will call Olivia and fuck her but imagines he's fucking Suzie.
 - + If not, Suzie will say that she has an appointment with you and deny Woody.

49. If you intervene, will you use the chance to ask her out?

- Go home: You will go home.
- Ask her out:
 - + If **Suzie Only = 2** or **Harem = 1**, Suzie will accept to go with you. **(+1 Suzie Only)** or **(+1 Harem)**
 - + If not, Suzie will say that she has another appointment to reject you.

50. At the dance, touch her or not?

- Touch her: she won't allow you to visit her room later. **(-1 Suzie Only)** or **(-1 Harem)**
- Don't touch her: she will allow you to visit her room later.

51. In her room, kiss her or not?

No different result because she's scared of her landlady so she will stop you.

52. If she allows you (or Woody) to visit her room:

She will imagine that you (or Woody) force her to have sex right in her room when she's about to sleep.

The Engagement is a project which I'm using my free time to develop so I can only render around **300 new FHD images** every month. At the moment, I have **\$700** support from friends all around the world. But when I have more support, I will be able to abandon other jobs to render more FHD images every month.

- With **\$1,000** support - I will develop as a part-time job: **400 new FHD images** every month.
- With **\$2,500** support - I will develop as a full-time job: **600 new FHD images** every month.
