

Indecent Desires Walkthrough the INTRO

Every character in the game have attributes that are going to influence the story outcome.

Some attributes may influence the behavior of the character (how he answer in different situations, if he is willing to do something for you or reveal you some informations).

the INTRO

- » You wake up in your room and meet Sarah in the kitchen.
- » Touch her ass and Sarah is going to tease you a little but in the end she is going to kick you out of the house (game ends).
- » If you peek under her robe you get to see her panties and the game continues.
- » The chat with Sarah gives you more information about the story.
- » Chat with the girls on the terrace.
- » You get to see Sarah masturbate in the bath and after at the shower.
- » Starts with Sarah at the shower. If you take a picture with her you she gets +1 Obedience that is going to affect the story later. If you don't take a picture with her you get to see the full picture and a little bit different chat.
- » You are in the living room and you can go to your room or to the beach. If you go to your room you have the option to go to bathroom where you can take a bath, masturbate and imagine Sarah.
- » After the bath scene you go to the beach where you meet Trevor and Karina.
- » Chat with Trevor gives you more info about the story and his personality.
- » When you talk with Trevor about the university you get a chance to Defend Sarah or not.
- » If you chose to Defend Sarah you get +1 Respect with Trevor. Else you are going to get +1 Disdain from his side later when he finds out you lied.
- » The conversation with Trevor about Sarah, Kate and Monique is going to change accordingly to what you decided.
- » Trevor leave and you are with Karina on the beach.
- » If you ask her for a blowjob directly she is going into her knees, roleplay for a little bit but after she'll crush your balls and the game ends. You get two different images and a few lines.

- » If you give her the blunt and ask for nothing else then you get +1 Affection and the story changes slightly for now.
- » If you ask for a hand job in the beginning you are not going to have the option to play with her boobs or see her on her knees.
- » Play with Karina's boobs and she gets +1 Lust
- » Ask for a hand job and Karina gets +1 Depravity
- » If you want to see all the action you need to do this: I am going to play with your boobs / Get on your knees / Give me a hand job / Give me a blowjob.
- » While Karina gives you a blowjob you can force your cock deeper and you get the appropriate animation but you also get +1 Hate from Karina.
- » You have 3 options to finish. You can't go wrong here. For each option you get different images and chat.
- » If you chose to finish in her mouth you have the option to tell her to swallow. You get new images and +1 Hate from Karina.
- » Trevor comes and he is going to punch you. You cannot avoid this.
- » If you punch him back you get +1 Respect and the story changes.
- » If you don't punch him he is going to treat you with disrespect and you get +1 Disdain. He is going to kick you out of the bar a little bit later. If he kicks you out of the bar, you find yourself on the beach with your own thoughts, and you will meet the girls on the beach but you won't get the alternative route.
- » Stay and watch gives you +1 Respect with Trevor.
- » If you punch Trevor you can mock him to fuck Karina's throat.
- » If you punch Trevor you get invited for a 3 some.
- » If you decide to leave when invited for a 3 some, Trevor is going to cum in Karina's mouth (different image) and he'll chat with you.
- » If you decide to leave at any time and you have +2 Respect with Trevor you get the alternative route that gives you the option to spy on Monique and see her naked.
- » When you spy on Monique you can take a photo of her naked. That is going to give you +1 Obedience from her side. You can still choose to masturbate, but you'll get caught. You get 2 new images and some chat before sequence ends.
- » If you chose not to take a picture you can masturbate once, but if you go faster you'll get caught and get 2 new images and some chat before sequence ends.
- » While you give Kate a massage you can ask her if you can massage her ass or not. If you ask, you'll get +1 Affection and if you don't ask you get +1 Lust
- » When you give Kate a massage you have the option to compliment her feet or her ass. You can chose whichever, but the game is going to take note of what you pick in the end. You won't see the impact of it this episode, but specific content will be available in future episodes.

- » Monday morning you need to check your phone for messages before you can go to the University.
- » More interaction with the computer and in the bathroom is going to be added in future chapters.
- » If you are rude to Aiko, you get +1 Hate / +1 Obedience from Aiko and +1 Hate from Kate. Kate is going to send you away and you get to sit near Karina.
- » If you are nice to Aiko, you get +1 Affection from Aiko and +1 Affection from Kate. Kate is going to invite you to sit near Aiko and you get a new scene.
- » If you put your hand between Aiko legs you will get +1 Lust with Aiko.
- » Give Aiko a compliment, and you get +1 Affection with Aiko.
- » Sarah sleeps in the living room. You can pull her t-shirt down and see her boobs. Your decision is going to have an impact later in the game, as Sarah may realize what you did after you left the room.
- » At the lake you see Aiko and Kate's love scene.
 - » If you get closer and peep you are going to get the full scene. Aiko and Kate get +1 Lust as they don't really believe you that you weren't spying on them.
 - » You also get the chance to take a picture that can be used later to blackmail them.
 - » If you let them know you are there, Aiko and Kate get +1 Affection but you don't see the full scene.
- » If you stay with Kate at the lake you'll have a chat with her and she'll ask you to keep the secret to yourself. If you keep the secret, Kate gets +1 Affection. Else Kate gets +1 Obedience.
- » If you go home with Aiko and you have the picture of her and Kate, you can blackmail her. If you blackmail her, Aiko gets +1 Hate. If you decide to keep the image for yourself Aiko gets +1 Affection.
- » In your room if you go to bathroom and decide to masturbate while taking a bath you can fantasize about Sarah or Aiko.
- » Talk with Elizabeth and she'll send you to Monique's office.
- » Once you get to Monique's office you observe the door is open but you have the option to knock at the door, or enter. There is not a big difference, just a few different chat lines in both scenarios.
- » If you want Monique to get +1 Lust, follow this path in conversation:
 - » "I bet most guys have fantasies after they visit you!"
 - » "You are one sexy doctor Monique."
- » If you want Monique to get +1 Affection follow this path in conversation:
 - » "They do?!"
 - » "That's normal, you are a very attractive woman, Monique."

Later while you are on the medical bed you'll have 2 options:

- » If you want Monique to get +1 Lust, follow this path in conversation:
 - » "Have a hard-on in front of her"

- » Following the other path she'll finish the exam and no points are affected.
- » If you have a hard-on she's going to press with her fingernail on your cock. You have here 2 options and the game is going to remember these options for later. Monique is going to act accordingly.
 - » "OUCH!" - You don't like it
 - » "MMMM!" - You like it
- » After you finish the medical exam Monique asks you to close the door on the way out and you'll have 2 options.
- » If you leave the door open you can spy on Monique, otherwise you don't have a chance to spy on her.
- » If you leave the door open there is a little dialog about the logo, but with no impact on the game. The logo represents boobs upside down :)
- » At any point you can decide to go home and you will meet with Elizabeth in front of the clinic on your way home.
- » If Monique has at least 2 points of Lust she is going to masturbate in the office...
- » If she has less than 2 points of Lust she is going to keep working..
- » If you want to get the full scene with Monique - (2 nice animations with her masturbating) do as follows:
 - » You start to spy on Monique. Once you hear the first sound on the corridor you check the corridor and get back to spying. When you hear the second sound you need to check the corridor and even check the door. After you check the door, you go back to spying on her and you'll see her in a different position...
- » You meet with Elizabeth in front of the clinic. There is a little bit of chat and you have the option to invite her for a coffee or go home. If you decide to invite her for a coffee she tells you that she is married.
 - » Tell her the ring is not a problem, Elizabeth gets +1 Lust.
 - » Tell her that she's very beautiful, Elizabeth gets +1 Affection.
 - » Tell her that the ring is not a problem you have 2 other options:
 - » "Damn baby, I wanna eat Thanksgiving dinner off that ass" this option gives Elizabeth +1 Lust and she is going to rub her ass on your cock (by mistake). lol
 - » "No, I wasn't staring at your ass" this option will give Elizabeth +1 Affection.
 - » After that she wants to kiss you (on your cheek) but you will have the option to chose to go for her lips.
 - » If Elizabeth has +2 Lust or more you are going to kiss her on the mouth otherwise even if you chose to kiss her on the lips she's going to turn her head. :P
- » After this you go home and the navigation system is implemented. You are free to move around the house.
- » You are in your room but before you leave, you need to go to bathroom and take a piss.
- » After that you'll find Sarah and Aiko in the Outdoor Bathroom.
- » At any point you can close the door and leave.
- » If you go inside and spy on them:
- » If you take a picture of them Sarah and Aiko get +1 Obedience each...

- » If you choose to masturbate, you get 2 options:
 - » Hide or let Sarah see you. In case you let her see you, there is going to be an end game scene, but I really encourage you to save and play it, if you like that kind of stuff. Sarah makes Aiko suck your cock, but there is some mean chat. You'll get a nice animation with Sarah pushing Aiko to suck your cock and cum on/in her face/mouth.. After that the game ends.
- » If you hide while you masturbate you get to see the rest of the scene with Sarah and Aiko.
- » Check the sound in the living room and head to the terrace after that where you will find Aiko.
- » Put your hand on Aiko's arm and she gets +1 Affection.
- » Put your hand on Aiko's thighs and she gets +1 Lust.
- » After the scene with Aiko on the terrace, if you go to the Outdoor Bathroom you will find Sarah sleeping.
 - » You enter the bathroom and check out the pills. Take a picture of the label to remember the name of the pills.
 - » You are going to have multiple options in this scene where you can decide to leave and I presume the result is obvious.
- » The right path to get the full scene is to:
 - » Masturbate
 - » Stroke Faster - that will get you more excited and more willing to risk.
 - » Squeeze her boobs.
 - » And here you will have the option to cum all over Sarah's face or her boobs. Each option is going to give you a different scene.
 - » The game is going to remember if you cum on her face or her boobs and is going to give you different scenes later in the game.
 - » Taking a picture of Sarah's cum plastered face is going to give you some perverted ideas and you can follow it or leave if you don't like it.
 - » Following the entire scene (spread cum on her lips) will give Sarah +1 Lust.
- » After the scene with Sarah in the bathroom you need to go back to your bedroom (keep using BACK button, will get you straight there)
- » The first option that is going to have a big impact while you are with Aiko in your room is whether you CLOSE the DOOR or not. This is a rather large ramification and is going to give you two full separate scenes.
- » I suggest you to save and play both of them.
- » In both ramifications the night is pretty similar (you can be a gentleman and let Aiko sleep or play with her body a little bit.)
- » If you play with her boobs, rub your cock on her panties and you didn't cum in the bathroom with Sarah there is going to be a little bit of precum on Aiko panties from your cock.
 - » If you left the door open:
 - » You'll have a fight with Kate. Aiko wakes up.
 - » If you want to have fun and make a joke with Kate about last night, Aiko and Kate are going to get +1 Hate.
 - » If you calm down Kate and tell her that nothing happened, Aiko and Kate get's +1 Affection.
 - » After Kate leaves you have the option to talk with Aiko about last night or compliment her.

- » Compliment Aiko, and she gets +1 Affection.
- » If you decide to talk about last night (scene with Sarah):
- » You tell her to go to police and Aiko gets +1 Hate
- » You tell her you can talk with Sarah and Aiko gets +1 Affection.

If you closed the door:

- » Wake up in the morning and you have the option to:
- » Cover yourself and Aiko gets +1 Affection
- » Don't cover yourself and Aiko gets +1 Lust
- » Kate is coming, you go to bathroom where Aiko is naked and after a chat Kate leaves.
- » After Kate leaves you have the option to talk with Aiko about last night, or compliment her.
- » Compliment Aiko and she gets +1 Affection.
- » If you decide to talk about last night (scene with Sarah):
- » You tell her to go to police and Aiko gets +1 Hate.
- » You tell her you can talk with Sarah and Aiko gets +1 Affection.
- » You can meet Sarah on your way to the Main Area, in the Entrance Hallway.
 - » Pick up Sarah's purse, and you'll get 2 options:
 - » Compliment Sarah's high heels for +1 Lust.
 - » Compliment Sarah's purse for +1 Affection.
 - » If you pretend you didn't hear Sarah and leave, she gets +1 Hate
- » You can check out her booty or her high heels while she moves away to get a new image, but no points here.
- » Next you can find Monique in the Gym.
 - » Look at Monique's ass while she exercises, for a set of new images and +1 Lust.
 - » Later you can look at Monique's bouncing boobs while she exercises for another image with her boobs and +1 Lust.
- » After the scene with Monique you need to go back to your room and call Lysa using the laptop.
- » Chat with Lysa and she let you know that she sent you \$100. You'll see the money in your wallet.
- » If you made Sarah lick your fingers in the bathroom, the MC is going to have some naughty thoughts.
- » You can give nice gifts to get points, or you can spend all your money on hookers :) it will be up to you in the future.
- » After you chat with Lysa you should take a Nap.
- » You need to go to Kate's room.
- » You can knock on the door, or enter directly, it doesn't have any impact here.
- » Once you are in Kate's room, you can go to her personal bathroom. Pay attention that going straight inside or knocking at the door will change Kate's behavior, attribute points and also the option to spy on her or not after you leave the bathroom.
- » Knock at the door:
She is friendly and she gets +1 Affection

» If the door was open while you were sleeping with Aiko last night and Kate caught you with Aiko in the morning, she is going to be very angry at the end of the scene, else she's more friendly. :)

» You don't get the chance to spy on her.

» Enter without knocking

She is kinda angry in the beginning, and she gets +1 Hate and +1 Lust a little bit later.

If the door was open while you were sleeping with Aiko last night and Kate caught you with Aiko in the morning, she's going to be very angry at the end of the scene, else is she more friendly. :)

You get the option to spy on her while she bends over to pick up the brush, and you get a nice glimpse underneath her towel. :)

» After you chat with Kate in her bathroom, meet Sarah. She is drinking wine in the Casual Lounge. (from the main area, under the stairs).

» Go to sleep (click on the bed)

» In the morning meet Kate at the entrance corridor on the way to the Kitchen.

» Meet Aiko in the Kitchen.

» Go to the pool and spy on the girls.

» You can decide to leave at any point if you don't like the scene.

» After the pool scene, you need to sleep before the party.

» When you wake up, go to the pool for the party.

» Drink a shot with Karina and she gets +1 Lust.

» Don't drink the shot with Karina, and Monique will get +1 Affection.

» Choose to talk with Kate, Aiko and Larissa.

If you chose not to bring the girls some drinks, Aiko gets +1 Hate

» You can choose to talk with Monique

» Put in a good word for Trevor, and Monique gets +1 Lust

» Double cross Trevor, and Monique gets +1 Affection

» Say Yes to Trevor when he asks if you spoke with Monique about him, and Trevor gets +1 Respect

» Say No to Trevor when he asks if you spoke with Monique about him, and Trevor gets +1 Disdain

» Karina's scene at the beach:

» If Karina has +2 Lust Points, she is going to accept fucking.

You get 2 Lust points from here:

(+1 Lust from the first scene with Karina at the beach (play with her boobs)
(+1 Lust from the pool scene if you drink the shot with her.)

» Cum in her mouth - Karina +1 Lust

» Cum on her feet - Karina +1 Affection

» Cum inside her - Karina +1 Hate

» Give her the money for the pills - Karina +1 Affection

» Don't give her the money for the pills - Karina +1 Hate and (Pregnancy Risk)

» If Karina has less than 2 Lust points she is going to invite you to lick her pussy:

» If you say yes - Karina gets +1 Lust point.

» You need to go to sleep after this.

Indecent Desires Walkthrough the GAME

Hints:

» Advance time: You can advance time by "taking a nap" (a few hours) or "sleep till next day" (advance time to next morning day) in the hero's room, by clicking on the bed. There are different activities that will advance time like: training in the gym, masturbating in the bathtub and more will be added later.

» Glitches: This should not happen, but if someone is not where they're supposed to be (assuming you are reading the walkthrough) or nothing is happening, try to take a nap or interact with different objects.

» Interact with Characters: You can experience the same interaction more than once and try to choose the alternative path, but the attribute points will be added only the first time you interact with the character. This way you don't need to save and reload every time to see what is happening. If you chose a different answer or choose to say something else. Anyhow, the attribute points will be added only the first time you run a interaction and they will contribute to the characters attitude in the long run.

» Money: You can make money by playing games on your laptop. More ways to make money will be added later.
