

I think it really depends on what type of guy you want the MC to be and on what kind of relationship you want with the different girls. Without an updated walkthrough, this seems to be the pattern for the different girls (some of this is already in the existing WT).

- **Dr. Amana:** **Blue** = +Respect; **Red** = +Amusement  
*I can't really tell with per se, though I suspect she prefers **blue**.*
- **Nanami:** **Blue** = +Control (over the MC); **Red** = +Submission (to the MC)  
*She almost always wants **red**, though at times you may need to demonstrate that you're not a loose cannon.*
- **Emily:** **Blue** = +Love; **Red** = +Hate  
*The MC's wife pretty much just needs the **blue** of love.*
- **Cassie:** **Blue** = +Romantic Feelings; **Red** = +Lust  
*I think she could go either way; she seems to be fairly open to either love or lust from the MC. (Her comments like "You just had to go there, didn't you?" or declaring disgust are pretty much fake.*
- **Amanda:** **Blue** = +Shyness; **Red** = +Curiosity  
Because of her innocence, she's definitely more comfortable with her current relationship and so prefers **blue**.
- **Jane:** **Blue** = +Tame; **Red** = +Rebellion  
Her rebellious streak is fed by **red** answers.
- **Monica:** **Blue** = +Friendship; **Red** = +Lust  
She is not a total horndog, though, ready to jump the MC's bones. She probably leans a bit more towards **blue**.
- **Lupita:** **Blue** = +Gratitude; **Red** = +Desire  
Again, I think this is hard to say for sure, but with her ex-husband's problems, she needs a good boinking. I would guess **red** is slightly preferred.
- **Lola:** **Blue** = +Bonding; **Red** = +Horniness  
Being who she is, she much more highly responds to **blue** than red. (Just compare price quotes for each path.)
- **Lita:** *not implemented yet, ofc, but it seems it will likely be something like **Blue** = +Disappointment; **Red** = +Satisfaction*

Of course, because of different personality types, they will respond differently to the "gentlemanly" **blue** and the "roguish" **red**. (That isn't to say they won't respond to both approaches necessarily, but certain things are more in line with some personalities more than they are with others.)
