

# Official Walkthrough *Life with Pleasure* v0.9.6

## LIFE WITH PLEASURE

### **Important:**

If the influence on the main characters (Jennifer, Amy) falls below 1, you will get a **game over**.

*Sometimes the influence can change regardless of your actions. (Because wamans can do something too!)*

*If I have not indicated some options, then they will not change influence points.*

*Extra scenes open access to additional sexual scenes, but do not affect the plot.*

*Also you can find "good stuff" in lewdpatcher.*

***Hint: Press F2 for call console.***
