GAME PLAN

The guide will list all available quests/and special events that will help you complete the game while viewing all scenes worthy of mentioning. Please note that the guide's style is flexible since the quests and events rely mainly on a specific time rather than a specific date (Unless those who get triggered automatically, you don't really need to worry about them). Without further due, please enjoy!

Viewer discretion is advised!

The game contains adult content and thus you have to be the legal age according to your country.

Viewer discretion is advised!
