

Schooling

v0.03

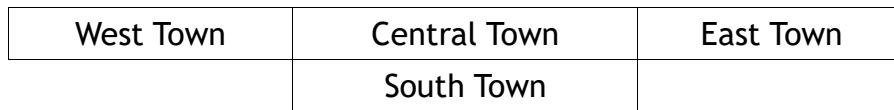

Walkthrough

HOW TO USE THIS WALKTHROUGH

1. Mods (incest or others) may modify character names; this walkthrough uses the names in the *unmodified* version of the game.
2. The first part of this guide provides screenshots with labels to identify locations, characters, etc. The second part is a list of steps to complete each quest.
3. For variety, I use phrases like “open the box” or “go through the door”. These mean the same as “click the box” (PC or Mac) or “tap on the door” (mobile devices).

Town Map

The town map is laid out like this:

Arrows on the edges (outside of the map itself) are used to navigate to different sections of town. More details for each part of town are provided below.

West Town: This is the corporate district of the town.

Central Town: Government and general housing is found here.

West Town

Central Town

South Town: This is probably the part of town next to a highway or freeway. It includes smaller shops and a rest area for travelers. The map is split in two (for some reason).

East Town: This is the school district of town, with very little else there.

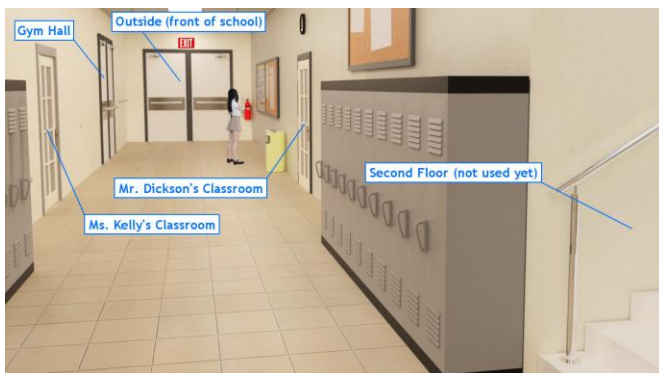

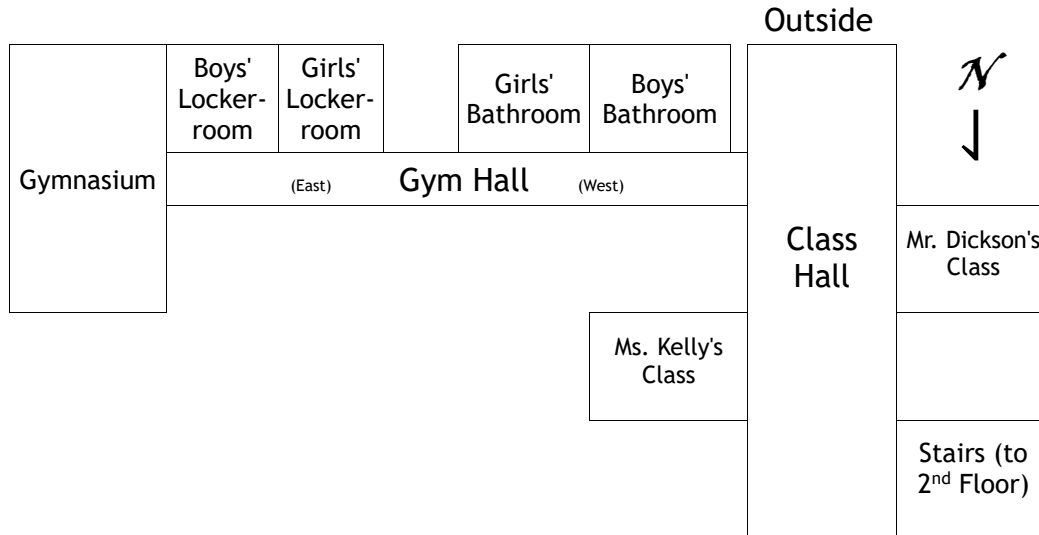

South Town

East Town

High School

When clicking on **School** from the **East Town** map, you are initially taken to the front of the school, still outside. The double doors take you to the **Class Hall**. The school layout is:

Class Hall

School (Second Floor)
(accessible but not used yet)

Gym Hall: There are two “sides” to the Gym Hall.

Gym Hall East (second half)

Gym Hall West (first half)

MC's House

Although most other current locations within the game are very limited in the number of rooms within them, the **MC's House** has several rooms, as shown in the following images.

MC's House (Downstairs)

MC's House (Upstairs)

Main HUD

Consistently (except during cutscenes), symbols appear along the top of the screen. In the top left is the day of the week. The top center shows the time of day; the  button will **Forward Time**. The top right has: ! (Quests), **Backpack**, and **Map** buttons.

Day 1 (Tuesday)

You begin the game with 4 quests (although you only see two notifications) during the opening cutscene: **CHECK ROOMMATE'S LAPTOP**, **CHECK THE WINDOW IN YOUR ROOM**, **VISIT LEE'S HOME**, and **CHECK THE LADIES' ROOM**.

Afternoon

1. Talk to **Emily**; you get a new quest (**FIND DRUGS**).
2. Go through the double doors to the **Class Hall**, then return to **Ms. Kelly's Class**.
3. Talk to **Bill**; you get a new quest (**TALK TO ALEX ABOUT BILL**).
4. Use the door to return to the **Class Hall**; enter **Mr. Dickson's Class**. After the cutscene, use the door to return to the **Class Hall**.
5. Go through the double doors to the **Gym Hall West**; use the **arrow button** on the left to get to the **Gym Hall East**.
6. Use the double doors to enter the **Gymnasium**. The only person there is **Alex [Rock]**; talk to him and ask about Bill.
✓ Completed: TALK TO ALEX ABOUT BILL
7. You get a new quest (**GET VANESSA'S PHONE**). Return to the **Class Hall**: Use the far double doors, the **arrow button** on the right, and the double doors past **Emily**.
8. Go **Outside** and access the **Town Map** (upper right of the screen).
9. Use the **arrow button** on the left side to move to **Central Town**.
10. Visit the **MC's House** and go through the **front door** for a cutscene and a new quest (**COME TO LANDLADY'S ROOM**).
11. Access the **Stairs** on the right of the screen, and enter the **Landlady's Room**.
✓ Completed: COME TO LANDLADY'S ROOM
12. After the cutscene with your **Landlady**, you have a new quest (**MAKE BREAKFAST FOR THE LANDLADY**).

13. Enter **Amy's Room** and access her **laptop** (left side of the screen) to get a new quest (**FIND OUT THE PASSWORD**). Submit nothing (i.e., no text) as the password.
14. Use the **bulletin board** to the right of the laptop (several papers pinned to it). Access the *Kama Sutra* book on the shelf (top left) for a new item (**sticky note**).
15. Open your **backpack** (top right) to read the **sticky note**. Use the **Return** button (bottom right) a few times to return to the main room view. Access the **laptop** again. Enter the password (*fussy69*).

✓ Completed: **CHECK ROOMMATE'S LAPTOP**

16. When you finish reading messages on Amy's laptop, you are given a new quest (**CATCH AMY AT MIDNIGHT**).
17. Use the **door** on the right to leave her room. Enter the **MC's Room**. Look out the window in the center of the room.

✓ Completed: **CHECK THE WINDOW IN YOUR ROOM**

18. As **Alexandra** (i.e., Ms. Union) dresses, you get a new quest (**MEET WITH THE NEIGHBOR GIRL**).

Night

19. Use the **Forward Time** (▶▶) icon (top center of the screen). Leave your room via the **door**, and then go to **Amy's Room**.

✓ Completed: **CATCH AMY AT MIDNIGHT**

20. The cutscene will give you a new quest (**CATCH AMY IN THE MORNING**).
21. Return to the **MC's Room** and click on the **bed** to sleep.

Day 2 (Wednesday)

Morning

1. Use the **door** to leave the **MC's Room**. Access the **Stairs** to descend. Go in the **Closet** and use the **right door**. The MC will look through a peephole at his Landlady.

Gameplay Note: *If you are playing on a PC, although you can use the mouse as intended to move and focus on different parts of the **Landlady's** body, if you use Ren'Py's built-in "Hide Interface" feature, you will be able to see all of the **Landlady** at once, rather than just a part of her.*

This may or may not work on other computers or devices.

2. Use the **left door** to leave the **Closet**. Open the **Front Door** for a cutscene with **Amy** and the **Landlady**. You have a decision to make here. I recommend choosing **Help Amy**.

✓ Completed: **CATCH AMY IN THE MORNING**

3. After the cutscene ends, you get a new quest (**CHECK AMY'S LAPTOP**).
4. Access the **Refrigerator** (left side of the downstairs screen). Choose **Breakfast for landlady**.

✓ Completed: **MAKE BREAKFAST FOR THE LANDLADY**

5. Watch another cutscene for a new quest (**GO TO BED**). Take the **Stairs** down and go through the **Front Door** to leave the house.

6. Select the **Town Map** icon and go to **Zach Union's House**. Use the **front door** for a cutscene and a new quest (**TALK WITH ZACH OR MR. UNION**).
✓ Completed: **MEET WITH THE NEIGHBOR GIRL**
7. Go to the **Town Map** again and use the **arrow button** on the left side to navigate to **West Town**. Enter the **Union Company** (upper left). *Although the **Landlady** is the secretary in the morning, there's nothing to do with her here right now.*
8. Go through the **door** to the Administrative Office. The only person in the room is **Mr. Union**; start a conversation with him and choose to **Talk about the job**.
✓ Completed: **TALK WITH ZACK OR MR. UNION**
9. After you get a new quest (**FIX MR. UNION COMPUTER**), you should negotiate for more money by telling him his offer is **Not enough**.
10. Leave through the **door** and then go to the **Town Map** again and use the right arrow button to navigate back to **Central Town**. Return to **Zach Union's House**.
11. When you go to the **front door** again, a **Maid** opens and lets you inside. *I'm hoping there will be more to do with her in a later update, but for now there sadly isn't.* There are three floors to the house, but it is not complicated:
 - **First Floor**: The **left door** goes to the backyard. The **double doors** on the right go **Outside** again. In the center are **stairs** to the other floors.
 - **Second Floor**: There is only one **door**, which currently does nothing in the game. **Stairs** on the left go between the floors.
 - **Third Floor**: Only the **stairs** you came up (on the right) and the **PC** you are supposed to repair (approximately in the center of the screen) are interactive.
12. Use the **stairs** to go to the **Third floor** and access the **PC** for a new quest (**TAKE MONEY FROM MS. UNION**).
✓ Completed: **FIX MR. UNION COMPUTER**
13. Take the **stairs** back down to the **First Floor** and use the **left door** to find **Alexandra** (i.e., Ms. Union) swimming. When applying suntan lotion for her, choose **Touch Ass** – obviously. When you **Finish** with the lotion, choose **Return** (bottom right) to go inside the house again, then leave through the **double doors** to get a new quest (**VISIT MS. UNION AT MORNING [NEXT VERSION]**). *Obviously, we won't be completing this quest yet.*
14. Using the **Town Map**, go to **East Town** (via the right arrow button) and return to **School**. Enter through the **front doors**.
15. Go to **Gym Hall West**. Continue to **Gym Hall East** (using the left arrow button) and enter the **Women's Lockerroom**.
16. The **third locker** from the left (the first one you can interact with) is Vanessa's. You'll find her **phone** in the pocket of her shorts; grab it for a cutscene. *Note: The same bug applies while hiding during the cutscene that exists in the closet of the **MC's House** (see item 1 of Day 2 in this walkthrough).*
✓ Completed: **GET VANESSA'S PHONE**
17. After leaving the locker, you get a new quest (**TALK TO ALEX ABOUT BILL**). Use the **double doors** to return to the **Gym Hall East**, and then go through the **double doors** to enter the **Gymnasium**.
18. Speak with **Alex** again, **Ask about Bill** and choose **Yes** to get two new quests (**TALK TO LEE ABOUT THE PHONE** and **TALK TO BILL ABOUT THE PARTY**).
✓ Completed: **TALK TO ALEX ABOUT BILL**

19. Leave through the **double doors**. Use the right **arrow button** to move to the **Gymn Hall West** and use more **double doors** to enter the **Class Hall**.
20. After you go back to **Ms. Kelly's Class**, **Forward Time** once with the (▶▶) icon (top center).

Afternoon

21. Talk to **Bill** about **Drugs** again. He doesn't trust you, so you get another quest (**VISIT BILL'S HOME AT DAY**).

✓ Completed: **TALK TO BILL ABOUT THE PARTY**

22. Interact with **Lee** and **Talk about phone** so you'll get another quest (**TALK TO VANESSA ABOUT THE PHONE**).

✓ Completed: **TALK TO LEE ABOUT THE PHONE**

23. Interrupt **Vanessa's** phone call to **Talk about phone**. You will be forced to blame one of her friends to avoid revealing you were in the lockerroom.

*I don't know if either of them is better than the other; I chose to blame **Lera** (the redhead), since she "always has been a gossip girl". Or, you can blame **Becky** instead.*

✓ Completed: **TALK TO VANESSA ABOUT THE PHONE**

24. When the conversation is finished, you will get a new quest (**TALK TO VANESSA AT THE PARTY**). Go out the **door** to the **Class Hall** and then go **Outside** again so you can access the **Town Map**.
25. Use the left **arrow button** to switch to **Central Town**. Return to the **MC's House**, go through the **front door** and head up the stairs.
26. Enter **Amy's Room** and use her **laptop** again to get a new quest (**ASK AMY ABOUT THE MESSAGE**).

✓ Completed: **CHECK AMY'S LAPTOP**

27. Leave her room through the **door**. Go down the **Stairs**, and out the **Front Door**.
28. With the **Town Map**, go to **Lee May's House** and use the **front door**. Mrs. **May** answers the door – *and lets us down with no content in the current version*. Ask her to **Call Lee**.
29. The MC convinces **Lee** to help him **Buy liquor**, although he *almost* wusses out. You automatically travel to the **Mart** (top right) in **West Town** and, after a somewhat lengthy cutscene, you get a new item (**vodka**).

✓ Completed: **VISIT LEE'S HOME**

30. On the **Town Map**, use the right **arrow button** to go back to **Central Town**. Visit the **Home of Bill & Ms. Sarah** and interact with the **front door**.
31. **Ms. Sarah** answers the door and tells you **Bill** is still at school. Decide to **Wait for Bill** to have a conversation with Bill's mother.

Night

32. When **Bill** finally gets home, you leave for the party automatically, where he finally reveals the drug dealer's location. You're given two new quests (**TALK TO THE GUY ON THE GAS STATION** and **SPEAK WITH BILL'S MOM AT NIGHT**).

✓ Completed: **VISIT BILL'S HOME AT DAY**

33. Access the **front door**. **Alex** asks if you brought liquor. Say **Yes** to be let into the party. Go through the **top left door** to find **Vanessa** and **Alex** together.

34. Interrupt them (i.e., click or tap them) and **Call Vanessa**. Choose to **Talk about Lee**, which leads to a cutscene.
 ✓ Completed: **TALK TO VANESSA AT THE PARTY**
35. When Vanessa proposes payment, choose either **Yes** or **Bad idea**. **Yes may have repercussions later**. If you chose **Yes**, I suggest the **Warn Her** option afterward. Regardless of your choice, a new quest is added (**TALK TO ALEX ABOUT VANESSA**).
36. Leave the room through the **left door**, and then go through the **bottom left door** to leave the house. With the **Town Map**, return to the **Home of Bill & Ms. Sarah**.
37. When you go in the **front door**, you have a cutscene, including another conversation with **Ms. Sarah** and another quest (**TALK TO ALEX ABOUT BILL**).
 ✓ Completed: **SPEAK WITH BILL'S MOM AT NIGHT**
38. Via the **Town Map**, return to the **MC's House**. Go in the **front door**, head up the **Stairs**, and enter the **MC's Room**.
39. Click on the **bed** to sleep. The **Landlady** interrupts you with a cutscene. Select either **Ass** or **Boobs**. You'll either see her bare breasts or her butt in underwear. **Try another** will let you see the other; **Continue** will make the cutscene finish, giving you a new quest (**CHECK LANDLADY'S ROOM IN THE MORNING**).

Day 3 (Thursday)

Morning

1. Leave the **MC's Room** and enter **Amy's Room**. Talk to **Amy** and choose **Ask about message**. **Slap** her when you're prompted. You can then choose either **Let her go** or **Don't let her go**. Either choice could eventually bring a bad outcome; letting her go might make the **Landlady** angry with you later, but if you don't let her go, **Amy** won't be happy. Pick your potential poison.
 ✓ Completed: **ASK AMY ABOUT THE MESSAGE**
2. When the cutscene ends, you're outside of her room. Enter **Landlady's Room** and interact with her **bed**. Choose to **Sniff** her underwear for a cutscene.
 ✓ Completed: **CHECK LANDLADY'S ROOM IN THE MORNING**
3. When the **Landlady** is finished, you get a new quest (**GIVE AN EXTRA MASSAGE TO LANDLADY**) and you find yourself outside the bedrooms again. Go down the **Stairs** and out the **Front Door**.
4. Use the **Town Map** to travel to **East Town**. Visit the **Gas Station**, entering through the **glass door** (near the middle of the screen) where you will talk with **Lucas** about **Drugs**.
 ✓ Completed: **TALK TO THE GUY ON THE GAS STATION**
5. Use the **left door** to enter the gas station's garage, and open the **left cardboard box** (near the center of the screen) to get a new item (**Some pills**).
 ✓ Completed: **FIND DRUGS**
6. Use the **door** to leave the garage, and go through the **right door** to exit the building. Via the **Town Map**, return to **School** (also in **East Town**).
7. Take the **double doors** to **Gym Hall West** and continue over to the **Gymnasium**. Go to **Alex** and **Ask about Bill**. Although **Bill** annoyed people, **Alex** agrees to let him go to parties in the future if the MC will keep an eye on **Vanessa**.
 ✓ Completed: **TALK TO ALEX ABOUT BILL**

8. After you are given a new quest ([TALK TO BILL ABOUT THE PARTY](#)), interact with **Alex** again. When you **Talk about Vanessa**, you'll be shown a cutscene. I recommend that you don't choose the **Get scared** option. It's possible this will have a negative impact later, but given **Alex'** response, there might not be any bad consequences.
 - ✓ Completed: [TALK TO ALEX ABOUT VANESSA](#)
9. The MC says he has a plan to help **Vanessa** get rid of **Alex**, which gives you another quest ([TALK TO VANESSA ABOUT ALEX AT THE PARTY](#)).
10. Leave via the **double doors**, use the **right arrow button**, and go through the second set of **double doors**.

Afternoon

11. Enter **Ms. Kelly's Class** and **Forward Time** once with the () icon. Go to **Bill** and **Talk about the party** for a new quest ([TALK TO MS. SARAH AT NIGHT](#)).
 - ✓ Completed: [TALK TO BILL ABOUT THE PARTY](#)
12. Go out the **door** to the **Class Hall**, and then through **double doors** to **Gym Hall West**. Finally, it's time to speak with **Emily** again. Tell her **Yes**.
13. Enter the **Women's Restroom**. Open the **left stall door** to find **Jack** and **Ms. Kelly** and receive a new quest ([TALK TO JACK ABOUT THE TEACHER](#)).
 - ✓ Completed: [CHECK THE LADIES' ROOM](#)
14. Leave with the **right door**, and go through the **double doors**. When you return to **Ms. Kelly's Class**, speak with **Jack**, who is now your best friend. Choose **Talk about teacher** for a new quest ([TALK TO LEE ABOUT THE TEACHER](#)).
 - ✓ Completed: [TALK TO JACK ABOUT THE TEACHER](#)
15. Exit the conversation with the **Back** option. Go to **Lee** and **Talk about teacher** with him. Watch the cutscene.
 - ✓ Completed: [TALK TO LEE ABOUT THE TEACHER](#)

Night

16. You are automatically placed **Outside**, in front of the **School**, and you have a new quest ([TALK TO MS. KELLY ABOUT PRIVATE LESSONS](#)).
17. Use the **Town Map** and the **left arrow button** to return to **Central Town**. Visit the party (**Alex' House**) again, heading through the **front door**.
18. Head to the **top left door** and talk with **Vanessa** and **Alex** again. **Call Vanessa and Talk about Alex**. Choose **Touch boobs** to continue. *At this point in the game, there doesn't seem to be any difference in the next choice you make. However, of course, it could affect things later on.*
 - ✓ Completed: [TALK TO VANESSA ABOUT ALEX AT THE PARTY](#)
19. Leave with the **left door** and then the **bottom left door**. Access the **Town Map** again and go to the **Home of Bill & Ms. Sarah**. Use the **front door** for a cutscene.
 - ✓ Completed: [TALK TO MS. SARAH AT NIGHT](#)
20. Although you just completed the quest above, you get a new quest called the same thing ([TALK TO MS. SARAH AT NIGHT](#)). Use the **Town Map** to return to the **MC's House** again.
21. Enter through the **front door**, go up the **Stairs**, and enter the **MC's Room**. Finally, go to sleep using the **bed**.

Day 3 (Friday)

Morning

1. Exit your room via the **door** and use the **Stairs**. Head out the **Front Door** and go to the **Town Map**.
2. Navigate to **East Town** with the **right arrow** button, and return to **School**. Go through the double doors and enter **Ms. Kelly's Class**.
3. Go to **Ms. Kelly** and **Talk about the private lesson**.

Afternoon

4. The cutscene automatically transitions you to **Afternoon**. When offered, choose **Lick it**.

✓ Completed: **TALK TO MS. KELLY ABOUT PRIVATE LESSONS**

Night

5. It is **Night** when the private lesson ends. Access the **Town Map** and use the **left arrow button** to head back to **Central Town**. Go to the **Home of Bill & Ms. Sarah** again and enter the **front door**.

✓ Completed: **TALK TO MS. SARAH AT NIGHT**

6. With the **Town Map** again, go to the **MC's Home**. Go through the **front door**, up the **Stairs**, and into the **MC's Room**. Use the **bed** to end the day.

Day 3 (Saturday)

Morning

7. Leave your room through the **door**, head down the **Stairs**, and **Forward Time** once with the (▶) icon.

Afternoon

8. Your **Landlady** is sitting on the couch, so talk to her and offer a **Massage**. There are some options for the massage:
 - **Massage shoulders**: During the massage, the MC is staring at her exposed breasts. He gets hard during the massage and **Landlady** notices. She offers to help him, and it doesn't matter whether you accept or not.
 - **Massage feet**: **Landlady** enjoys your massage. You can decide whether the MC has a foot fetish or not.
 - **End** will complete the massage, and **will not progress the story**.
 - If you instead choose **Suck on**, he starts sucking on her toes, which she encourages. The MC gets hard while sucking, and **Landlady** gives the MC a footjob.
 - **Turn around**: If this is the first time, you will not have progressed far enough with this yet, and **Landlady** will tell you.
 - **End**: Only if you don't want to complete the massage sequence of events.

✓ Completed: **GIVE AN EXTRA MASSAGE TO LANDLADY**

9. When the massage is finished with a sex act, you get a new quest (**WAIT FOR THE LANDLADY IN THE BED**). Head back up the **Stairs** and into the **MC's Room**. Use the **bed** to forward time to **Night**.

Night

10. Use the **bed** again. While preparing to fall asleep, the **Landlady** enters your room. Watch the cutscene.

✓ Completed: **WAIT FOR THE LANDLADY IN THE BED**

You have now completed all available quests in v0.03 of the game!
