Doesn’t really matter
Spy on Elly again

**The three men – Talk about future – Tomorrows plans**
This is a dialogue tree, you can go through each of these one by one

*That’s good*
You don’t want to show any weird affection towards your roommates yet

**Where’s Elly – Ada’s occupation – Emily’s job**

**Leave her alone!**
**Doesn’t really matter**
There’s slightly differing dialogue based on whether you get hit during the fight. Doesn’t ultimately matter though

**Smile**
**Just let her be**

Emily finds Ellys response to you weird when you ask her if everything’s alright

**What happened today – Adas safety**
She’s been doing that
While Emily does find this weird, she also finds it comforting that you also find it weird and therefore is fine with it for now

**Just let her watch**
**Go to the bathroom**

**Day 3:**

**The good night kiss – Today’s activities – Dad’s absence**
Take your shirt off
Go in to the shower… slowly
Kiss her
**Don’t offer to teach**
She’s not ready yet

**What is ‘Streets’ – Call Jenna – Sofi’s financial trouble**
Look through her profile pictures
W-Whoah oh oh what? Hold on, what did I just say?
**Comply**
This doesn’t matter in the long run, but you get some nicer dialogue

**Try to turn it in to a hug**

**Ada’s pro-gaming – New appearances – Friend Jenna**
Aggressively refuse his offer
Show off
hint, if you dodge incorrectly, you can use the scroll wheel to go back in time
Kiss her
Join Emily

**Day 4:**
Friendly Approach
Just look
Doesn’t really matter
Tell her the truth
I want to get to know you
Take Emily’s side

**Day 5:**
Make her stay

**Day 6:**
Kiss or don’t – Your preference
Don’t make a big deal out of it
Arms > Upper body – Doing Lower body first gets you less scenes
Inseminate your roommate
Cum inside

**Day 7:**
The note – Jenna and Emily – Today’s plans
Jokingly say no
Doesn’t really matter
Cum inside
Change the subject
Day 8:
The weekend – Harem – The massage
Visit Emily and Jenna – Visit Elly and Ada – Visit Sofi
End this motherfucker
