

A perfect date (v.04 short walkthrough)

As we all know, Julia is very capricious, moody and sometimes irrational. A perfect date with her is a real challenge.

If you're looking for a shortcut, here's the guide.

The right answers:

- Be patient
- Yes, this is my first time (tell the truth or lie)
- You want to be... a musical actress!
- Julietto, you're very beautiful. Can I kiss you?
- All right, Julia, I'll give you a present on our next date.
- That's because you're Julia
