

Secret Cards

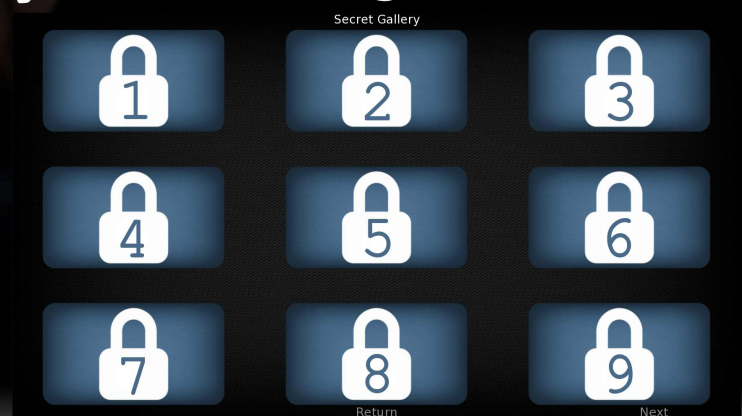

There are **81** secret cards in game as of version **0.6c BETA**

To access the secret cards that you have collected
Click the 🖐️ symbol above the computer in the MC's room.

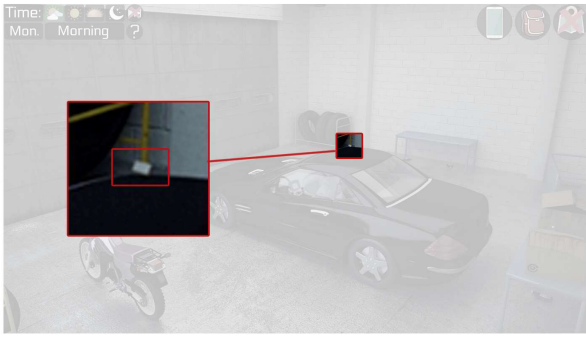

All cards are **NON CANON** and have no relevancy to the actual story of the game. Simply fun extra renders of the in-game characters

Cards can be found by looking for the corresponding number for the card that you are missing.

When looking at the Secrets Menu, the cards are numbered as follows
