---

## Walkthrough of girls in the Sex Chamber from left to right.

The first girl, Sara, to open she you need to buy all the outfits.  
The game has 8 outfits.

The second girl, Debra, to open she you need to collect all the Kamasutra pages.  
There are 64 pages in the game.

The third girl, Cynthia, to open she you need to collect and see all the photos.  
There are total 16 photos in the game.

The fourth girl, Lotti, to open she you need to reach ten cumshots.  
Use Multi-vitamins to increase the quantity of your cum in bukkake mode when you "play"  
with any girl that has 4 or more hearts.

The fifth girl, Pricia, to open she you need to go through 400 doors.  
If you click on the bed, you will see how many doors you have already passed through.  
You can complete this by going through the same door many times. (Through any)

The sixth girl, Karen, to open she you need to solve the puzzle and enter the password.  
The answer is 1010.

The seventh girl, Lisa, to open she you need to find a floppy disk in the woods.  
It's always random, so it could be anywhere. But I recommend start the search in the  
first locations under emotional outburst during in wood (there where teleport), and the  
penultimate, where ended game.

The eighth girl, Joan, to open she you need to cause 170 orgasms.  
If you click on the bed, you will find out how many orgasms have already been.  
The game implies how many times need to cum MC. You need to have sex with any girl.  
It does not matter what kind of sex you choose, and it does not matter whether you cum  
inside or not.

Now you should have 100%
