- Yes it is...
- I think so
- Oh no not at all! Thanks for your help... *Look for cash to tip her* **Eliza_Points +1 (1)**
- I haven't met Mrs Wilde before... What's she like? **Eliza_Points +1 (2)**
- Shower
- Check your phone
- Oh, it's just... I like your outfit! **Eliza_Points +1 (3)**
- Haha sure thing... If you pose for me!
- Say nothing for now...
- Of course! I can't wait to spend more time with them... And hopefully with you soon!
Mum_Points +1 (1)
- Uhh sure... **Mum_Points +1 (2)**

Choose Shopping with Twins

- Umm... Hello? or *Walk around to try find them* (Choice doesn't matter)
- Hailey? Brooke?
- No, do you think you can give me a reason to? **Twins_Points +2 (2)**
- True. Is that your idea of being properly acquainted? **Twins_Points +2 (4)**
- You're probably a few years younger than me... **Twins_Points +2 (6)**
- I couldn't be bothered to find her. **Twins_Points +2 (8)**
- I guess that wouldn't be fun. **Twins_Points +2 (10)**
- Sure thing. or I don't know... (Choice doesn't matter)
- Look through the curtain ...
- Hey, can I come in?

- I think you would look good with either but... The white one suits you more!
Hailey_Points +2 (2)
- Hey, Is everything alright? **Hailey_Points +1 (3)**
- To tell you the truth, I don't think confidence matters... Just be true to yourself!
Hailey_Points +1 (4)
- Yes...
- No, maybe a later time....
- Yes I did... or I didn't get to do anything... (Choice doesn't matter)
- *Find a place to sit down*
- *See what's on it*
- *Continue Swiping*
- *Keep staring ahead*
- *What do you think*
- Oh sure thing! **Alexa_Points +1 (1)**
- I think this feels nice too! **Alexa_Points +1 (2)**
- Are you alright? What's the matter? **Alexa_Points +1 (3)**
- *Keep facing the wall* **Alexa_Points +1 (4)**
- *Keep facing the wall*
- I don't know... I can't. If people find out... **Alexa_Points +1 (5)**
- I guess... Sure I'll do it. **Alexa_Points +1 (6)**
- *Just keep rubbing*
- *Wash your hands*
- Only if you want... **Alexa_Points +1 (7)**
- *Take a peek*
- *Close your eyes*
- I don't know... Maybe a kiss will convince me? or I will need time to process this but...
Yes... I can forgive you. (Choice doesn't matter but choose I don't know... Maybe a kiss
will convince me? for kissing scene)
- I know some of them prefer someone mature and smart... **Mum_Points +2 (4)**
- What's wrong? **Eliza_Points +1 (4)**
- Oh you could hang around here after I leave! I'm going to the beach anyways!
Eliza_Points +1 (5)

Choose whichever one you want but if you followed the choices in this walkthrough all of them will be unlocked. If you didn't then not all of them may be unlocked. Order of swimsuits/bikinis are hot, sexy, slutty. Although not shown this affects what Alexa and Maddison wear as well.

- Sure thing! **Mum_Points +1 (5)**
- *Wait for her instructions* **Mum_Points +1 (6)**
- Are you going to take off your top? or *Wait for her to say something* (Choice doesn't matter)
- *Knead more softly*
- *Move up to her shoulders*
- Eliza said she's been tired and I said she could use my bed for a lie down **Eliza_DepPoints +1 (1)** or I told Eliza to fix my air conditioning... She must be still up there in my room! **Eliza_Points +1 (6)**

I would choose the 2nd option because you can get Eliza_DepPoints in the future and still get enough to see all scenes requiring Eliza_DepPoints. The walkthrough will follow through with the 2nd option.

- I need a favour from you now that I have done so much for you... **Eliza_DepPoints +2 (2)**
- Oh umm... I sprained my arm!
- Right... Is there a way to make it less boring? **Stranger_Points +2 (2)**
- It seems right... Like Adam and Eve. **Stranger_Points +2 (4)**
- Umm... If you don't mind... I might need your help showering...
- *Kiss her* or *Tease her* or *Do nothing* (Choices don't matter but choose either *kiss her* or *Tease her* for extra images)
- Yeah... We did... **Eliza_Points +1 (7)**
- Don't worry about that... **Eliza_DepPoints +1 (3)**
- But... Isn't that a bit thrilling? **Eliza_DepPoints +1 (4)** or I am so sorry. Yeah I wouldn't want that as well... **Eliza_Points +1 (8)**

As of now you don't need any more Eliza_DepPoints to unlock any scenes so I would go for the 2nd option and rack up Eliza_Points however you may need more Eliza_DepPoints in future updates. If you do, I will change/update the decision here. The walkthrough will follow through with the 2nd option.

- Wow... I can't imagine that... **Eliza_DepPoints +1 (4)**
