(next scene differs whether you're playing both Isabella and Sage routes or Isabella only, in the 1st case you'll get next the movie night scene, otherwise you'll go straight to the next day, there is no way to tell right now if romancing both Isabella and Sage will have consequences later in the story)

Drink / Don't drink (the latter will have you skip a lot of good content)

< if you picked 'Drink' >

Positive response (RPJill +1) / Negative response
(after that you play the tennis minigame, you need to click the ball with the sign HIT, you ave about 3 seconds to do so, failure will lose you the point. the system is heavily tilted to the player serving the ball, so if you are playing the hard mode, 2 out of 3 games, Jill will always end up wining her serving game. winning the minigame will award you a special render)
(after the minigame the shower scene has different outcomes depending on your path, the scene will end early if you're on the DIK or neutral path, if you're on the CHICK path you'll get the options)

< if you picked 'Lick her' >
