

Echoes of Lust Episodes 1 – 9 Walkthrough Expanded Version

EPISODE 9 BEGINS ON PAGE 25

IMPORTANT NOTE: The save file callouts throughout this walkthrough and included in the zipfile with this walkthrough (illustrated here for clarity, appear as – for example – **Save X4-5-LT1**) are highlighted in green for emphasis and ease of detection, and, as you will note, also begins with a capital X (a violation of save file format), the reason being—for your protection—the inadvertent dump of these save files into your game save directory of an already played game, thus, the possibility of overwriting your existing save files by mistake. The actual save file (staying with our example above) appears as X4-5-LT1, which signifies Game Save Page 4, Save Position 5 (and reflected on any given save page as 1, 2, 3 across the top, 4, 5, 6 across the bottom), so in my actual game as I created this walkthrough, remove the X and you have my original save files. **I AM GIVING YOU ALL OF THIS EXPLANATION FOR THE FOLLOWING REASON:** Open your game and go to the last save page you utilized, be it 3, 10, 32, whatever, who cares, go to the next fully empty page, or if you prefer—go 10 pages beyond that—whatever. **REMEMBER THIS BLANK PAGE NUMBER!!! WHICH EVER ONE YOU CHOOSE IT TO BE!!!** Because you are going to drop my downloaded save directory on your computers desktop temporarily, just long enough to change the save files' filenames. Beginning with my save file denoted as X1-1-LT1, change the X1 to whatever empty page you decide to use as the start point, for example, say you chose page 20 as your start point, change the filename of the file I supplied you to: 20-1-LT1. The next file: X1-2-LT1 would become 20-2-LT1 and so on. Following this pattern, if my page X1 reflects your now page 20, then my page X2 would reflect your page 21, and my page X3 would become your page 22, and my page X4 would become your page 23.....so for the example file listed above **X4-5-LT1** would become your 23-5-LT1, signifying page 23, position 5. Once you have changed all the filenames, dump them into your save directory, and restart the game, now my files should show up beginning on the page number you chose to start with. My save files are independent of your save files so by simply loading one of my save files, you will be reflecting that point of completion in this walkthrough. As a test run for the save files, I simply changed the X to a 4 and left everything else alone in the filename, which placed all of my save files on pages 41-48.

Location of Save files: C:\Users\Username\AppData\Roaming\RenPy\EchoesOfLust-1536575576

Hope I explained this well enough so you know what to do.

Fair Warning: This walkthrough although comprehensive and more than capable of completing this game with all hidden scenes revealed and all character quests completed for the current game version denoted above is not to be construed as a *completed coverall* in the unveiling of all lewd scenes. It is possible that alternate scenes maybe revealed by the selection of alternate choices offered the player during game play. My objective in designing this walkthrough was to eliminate the grind. Inceton Games has gone to great lengths to eliminate that grind, and I have taken their initiative to the next level by (for lack of better terminology) *compressing time*. In that, I have designed the walkthrough to take advantage of those moments during *Free Roam* game play which do not automatically forward time to the player's advantage (these occurrences have been earmarked by the word *Still*, as in *Still Morning, Still Noon, Still Afternoon, etc.* to key the game player to not forward time manually, but to simply proceed to the next location for another game play interaction with another character, thus eliminating the need to play through another day to arrive at the same event. Having stated all of this, if your goal is to witness every lewd scene this game has to offer, then I would suggest that you save your game at each instance you are presented with a choice, because I have found that the scroll-back ability offered in this game does not always allow complete scroll back to a previous selection, which means you may find yourself incapable of returning to an earlier choice to make an alternate selection from the available options, and proceed once again.

One final note: With the exception of Episode 9, this walkthrough was created using Echoes of Lust Ep 1-8. The last save file from episode 8 was uploaded into Echoes of Lust Ep 1-9 to continue on. My original intent was to create two walkthroughs, one reflecting the individual Episodes branched apart, and a second walkthrough that would be a speed play walkthrough, aiding the player to maneuver through the game at an accelerated pace. As luck would have it, trying to branch the episodes so that they were separate and distinct was impossible; going through Ep 1-8, I discovered that the individual updates overlapped with one another and would have created total confusion for the game player because you would be jumping all over within this walkthrough, so I had to abandon the idea. So what you have before you is an expanded speed play walkthrough, highlighting some comments made in the game along with the incorporation of the In-Game Hints System to help you along. Also included with this walkthrough is a zip file containing all my saves as I worked through the creation of this walkthrough paying particular emphasis on capturing the beginnings of all those lewd scenes we have all come to enjoy...LMAO!!! That being said, the save file will correspond to saves made in the Ep 1-8 game version for the first eight episodes, and Ep 1-9 game version for the episode 9 saves. From this point forward I will simply add each subsequent update to the end of this walkthrough in continuation.

After all that, all I can Say Is.....ENJOY THE GAME!!!!

Good luck with your quest through this game!

And as Always, Best to All Who Venture Here!

Sincerely,

TiggerYou.

Game Start:

1. Enter MC's name – I never thought about this until now, in the final run-through before uploading to F95Zone, my save files which I am including in a zip for you to use at your discretion are going to have a saved name for the MC, so as a joke, I selected **Sleazy**, because the kid seems kind of sleazy to me when it comes right down to it. I hope none of you mind my selection for the main character's name...and if you do, oh well, too late to do anything about it now, I had to come up with one in order to upload this walkthrough to the F95Zone website. And I suppose, if you really don't like the name **Sleazy**, you could always go to the online save file editor (located here: <https://www.saveeditonline.com>) and change the name to whatever you like.

In such instances, the text will appear in red type. You will also see the words **Play through scene** in red type, the purpose of these should be obvious. Personal comments by me appear in red or black type and are always highlighted in yellow. The first comment unfortunately belongs here. The above quote from the game says Jess is in her room, but this statement is in error, Jess is actually in the living room, so...

120. Click on Town Map – Home – Left arrow - Advance time to Night – Elizabeth – Why not – You can pick
(I wonder if she'd have stayed longer if we watched something else.)
(Also, I should buy another bottle of wine. Just in case.)
New Location opened on town map – store

Updated In-Game Hint:

Elizabeth's Story – Maybe if we watch something else, she won't go to bed so soon. Also, I could try getting my hands onto another bottle of wine.

121. **Go upstairs to your room and** Go to sleep
122. Don't skip Jessica
123. You're right

Updated In-Game Hint:

Jessica's Story – Guess it'd be best to talk to Jess right now. She's getting ready in her room each morning.

124. Hall
125. Jessica's bedroom door
126. Jessica
127. Talk
128. Compliment

Updated In-Game Hint:

Jessica's Story – Hmm... If I remember right, Jess is sitting in the living room every time I come back from school. Maybe that's the right time to talk to her next...

From the earlier In-Game hint of Elizabeth, it would be a good idea to get that bottle of wine in the morning so we'll have it with us for tonight, so before heading off to school to deal with Megan and Zoe to see if we can make any progress in the learning of Megan's Big secret, it would make sense to make a pit stop at the store to pick up that bottle of wine.

129. Still Morning
130. Click Town Map
131. Store
132. Clerk
133. Still working two jobs, I see (or) I think your register's busted again **select either option, both lead to the same result.**

(He won't let me buy the scratch-off tickets today since he knows it's for him. I should come back again tomorrow)

Updated In-Game Hint:

Elizabeth's Story – Maybe if we watch something else, she won't go to bed so soon. Also I could try getting my hands onto another bottle of wine. Mikey won't let me buy the tickets if he knows they're for him. I should reset the day and go talk to him again.

So, let's move on to Megan and Zoe...

134. Click Back to get to Town Map
135. School
136. Click on School Doors
137. Click on Megan and Zoe
138. Try sneaking in closer (Hormones!? WHAT!? Is she PREGNANT!?)
(I didn't even know Megan had a boyfriend! And, now she's pregnant!?)
139. Click on Classroom door
140. Click on Megan (ARE YOU PREGNANT?)
141. Err...I thought...

In-Game Hint:

Megan's Story – Taylor said he saw Zoe go into the girl's locker room. That means she's there at noon... Hopefully, she'll tell me Megan's secret. *HINT* Answer the phone in your room in the morning before you talk to her. (It's on the table, next to your PC)

Jessica's Story – Hmm... If I remember right, Jess is sitting in the living room every time I come back from school. Maybe that's the right time to talk to her next...

Elizabeth's Story – Maybe if we watch something else, she won't go to bed so soon. Also I could try getting my hands onto another bottle of wine. Mikey won't let me buy the tickets if he knows they're for him. I should reset the day and go talk to him again.

Now, Taylor just told us that Zoe is in the girl's locker room, but the hint above mentions the hint that we need to call Zoe first before we can talk to her, so going in now to talk to her might not produce the result we had hoped for because we didn't answer her call first, so this might be the right opportunity to sneak in on Zoe and witness the first hidden scene of the game.

142. Click on Hallway 2
143. Click on Locker room door
144. Don't assume my gender (Timed Response)
145. Save X1-3-LT1 Start of FIRST HIDDEN EVENT – DO NOT CLICK ON (Go in) wait about 20 seconds for second option to become available – SPY ON ZOE!!! – click on that.

Having dealt again with Megan and Zoe, time to move onto Jessica

146. Still Noon – Click Town Map – Home – Left Arrow to living room – Jessica

Updated In-Game Hint:

Jessica's Story – I should wait for the evening when she's in her room getting ready for a date and go talk to her.

147. Advance time to Evening – Go upstairs to Jessica's bedroom – Jessica – Make a Joke

In-Game Hints:

Megan's Story – Taylor said he saw Zoe go into the girl's locker room. That means she's there at noon... Hopefully, she'll tell me Megan's secret. ***HINT*** Answer the phone in your room in the morning before you talk to her. (It's on the table, next to your PC)

Jessica's Story – I can definitely get more information out of her. Should try talking to her when she gets back from her date. Guess I'll wait for night and then play some games until she comes home.

Elizabeth's Story – Maybe if we watch something else, she won't go to bed so soon. Also I could try getting my hands onto another bottle of wine. Mikey won't let me buy the tickets if he knows they're for him. I should reset the day and go talk to him again.

Based on the in-game hints, we can advance time to night, and talk to Jessica. We can't do anything with Megan until morning, and Elizabeth's storyline can't progress until we deal with the scratch-off tickets so we can get the wine. So...

148. Advance time to Night – Go to your bedroom – click on the computer – You hear Jessica coming up the stairs – Don't touch

Updated In-Game Hint:

Jessica's Story – Damn, if only I caught her. Time to do it again! Step 1, reset day. Step 2, wait for night. Step 3, go to her room. Step 4, profit?

149. Go to bed

When you wake up in the morning, first thing is to go to Megan's room before answering Zoe's call.

150. Megan's room – Megan – Talk about the car alarm

(Wait a second! If I remember correctly, I caught her naked in the shower... But I've always spent too much time talking to Jessica so she'd already be done. Maybe if I hurry to the bathroom in the morning, I might catch a glimpse! No harm in trying...)

151. Go back to your room and click on the cell phone on your desk to answer Zoe's phone call.

152. Still Morning - Town Map – Store – Clerk – You got scratch-off tickets?

153. Still Morning – From the store you are automatically transported to the Town Map – click on school – click on Ellie – Friendly – I'll think about it (Start of Ellie's Story Quest) – click on school doors – Advance Time to Noon – Click on Hallway 2 – click on locker room door – Don't assume my gender – Go in (Start of Zoe's Story Quest)

154. Still Noon – Click on Bathroom door in Hallway 2 – click on Ellie

You are automatically transported to home.

In-Game Hints:

Megan's Story – I can't believe what Zoe said. Ugh! I'll figure it out tomorrow. I should just go to sleep for now.

Jessica's Story – Damn, if only I caught her. Time to do it again! Step 1, reset day. Step 2, wait for night. Step 3, go to her room. Step 4, profit?

Elizabeth's Story – Got the wine. Hopefully, this let's me have more options with Mom tonight.

Zoe's Story – I should try to talk to Zoe again. Maybe I get to touch her boobs somehow. She'll be in the locker room at noon. ***HINT*** Answer the phone in your room in the morning before you talk to her. (It's on the table, next to your PC)

Ellie's Story – Ellie seems fun. Plus, she's hot. She doesn't have many friends and she's into "Fallout". Guess I should talk to her again before class.

155. Advance time to Night – Go upstairs – click on Jessica's bedroom door – **Save X1-4-LT1** (She's about to fall) **WARNING!!! TIMED EVENT!!!** Catch her **Play through Scene**
156. Still Night – Go downstairs – Left arrow to living room – Elizabeth – You can pick – Yup! – **Save X1-5-LT1** Start jacking off **Play through scene**

You automatically go to bed after scene with Elizabeth and advanced to morning again. **WARNING!!! TIMED EVENT!!!** **Save X1-6-LT1** **Hurry to the bathroom!!!** **to catch Megan**

157. **Hurry to the bathroom** – Slowly open the door

In-Game Hints:

Megan's Story – I can't believe what Zoe said. Ugh! I'll figure it out tomorrow. I should just go to sleep for now.

Jessica's Story – After everything that happened with Jess, I almost forgot I was planning on getting her password. There's gotta be a way to find out what it is. Who knows, maybe I can guess it. I gotta try it when she's not in the room though...

Elizabeth's Story – I should try taking advantage of the situation again when Mom falls asleep.

Zoe's Story – I should try to talk to Zoe again. Maybe I get to touch her boobs somehow. She'll be in the locker room at noon. ***HINT*** Answer the phone in your room in the morning before you talk to her. (It's on the table, next to your PC)

Ellie's Story – Ellie seems fun. Plus, she's hot. She doesn't have many friends and she's into "Fallout". Guess I should talk to her again before class.

From the hints above, the first thing we need to do is answer Zoe's phone call, so...

158. Morning - click on the phone on your desk

Now, let's move onto school to see Ellie and Zoe...

159. Town Map – School – click on Ellie – Sneak up on her

160. Click on school doors – Advance time to Noon – Hallway 2 – Locker room door – Stare at her boobs – About the Party **Save X2-1-LT1** – Say nothing – They seem okay – Not sure – I don't know – They're nice (or) Squeeze her boob **produces the same result**

Upon completion of the above scene you are transported to outside the girl's locker room in Hallway 2 and the time is MORNING, so the day was automatically reset without your ever knowing it, so...

In-Game Hints:

Megan's Story – I can't believe what Zoe said. Ugh! I'll figure it out tomorrow. I should just go to sleep for now.

Jessica's Story – After everything that happened with Jess, I almost forgot I was planning on getting her password. There's gotta be a way to find out what it is. Who knows, maybe I can guess it. I gotta try it when she's not in the room though...

Elizabeth's Story – I should try taking advantage of the situation again when Mom falls asleep.

Zoe's Story – I could try ignoring her call in the morning and talking to her again in the girl's locker room at noon.

Ellie's Story – Gotta meet Ellie in the school's bathroom. The meeting happens at noon.

So, given the current In-Game hints, it would be best to...

161. Advance time to Noon – Click on girl's locker room door (**Zoe's taking a shower. I shouldn't go in.**) will pop up on the screen, do not click anywhere on the screen again, instead wait about 7 seconds and **GO IN ANYWAY** will appear – Click on Go in anyway – **Save X2-2-LT1** **Start of** SECOND HIDDEN SCENE
162. Still Noon – In Hallway 2 click on bathroom door – Ellie – I like your outfit – You suck? – Sorry. Meant to say “It sucks.” – **WARNING!!! TIMED RESPONSE!!!** I like trains! – You have to do 20 sit-ups (or) You have to run 3 laps around the school **either response produces the same result.**

Updated In-Game Hint:

Ellie's Story – I've made a bet with Ellie. If I manage to get her prop gun from the professor, she'll show me her boobs! I should go talk to with the professor at noon in the teacher's lounge.

So...

163. Click on Hall – Teacher's lounge – Compliment her – Ellie worked really hard on it (**Start of Teacher's Story Quest**) – Fyre! FYRE!

Updated In-Game hint:

Ellie's Story – Got the prop gun. Next, I should talk to Ellie in the school bathroom at noon.

So, let's give the prop gun back to Ellie...

164. Click on Hallway 2 – Bathroom door – Ellie – Give her the gun **Save X2-3-LT1** – Pinch your nipple **(or)** Squeeze your boobs together **either choice doesn't matter, play through both** – Bend over **(or)** Lift your leg on the sink **again, either choice doesn't matter, try them both**
START OF SEXUAL EXPERIENCE REQUIREMENT **First Sexual Experience Point Earned**

Updated In-Game Hint:

Ellie – I need to get more sexual experience in order to play the “Chicken” game with Ellie.
Sexual Experience 1/5 **TO BE CONTINUED**

So, let's check where we are now,

In-Game Hints:

Megan's Story – I can't believe what Zoe said. Ugh! I'll figure it out tomorrow. I should just go to sleep for now.

Jessica's Story – After everything that happened with Jess, I almost forgot I was planning on getting her password. There's gotta be a way to find out what it is. Who knows, maybe I can guess it. I gotta try it when she's not in the room though...

Elizabeth's Story – I should try taking advantage of the situation again when Mom falls asleep.

Zoe's Story – I could try ignoring her call in the morning and talking to her again in the girl's locker room at noon.

Ellie's Story – I need to get more sexual experience in order to play the “Chicken” game with Ellie. **Sexual Experience 1/5** **TO BE CONTINUED**

Teacher's Story – I wanna talk to the teacher. That's the only way to get closer. Maybe talking to her after class helps...

We are done with Ellie for now, until we can get enough Sexual Experience points to continue on, so let's move on to Jessica and Elizabeth to finish out this day...

165. Town Map – Home – Upstairs – Jessica's bedroom door – Laptop – Try guessing the password

Updated In-Game hint:

Jessica's Story – Okay... Noon... Living room. I'm getting that password one way or another!

167. **From the previous scene, you are automatically advanced to morning in your room** – Recap everything that happened
168. **In your room, we will skip Zoe's call, instead, click on** Hall – Click on Megan's bedroom door **Go in** will appear, but wait 10 seconds and **SPY ON MEGAN** will appear, select that **Start of** **THIRD HIDDEN SCENE** **Save X2-5-LT1** – The day will reset automatically, and then select – Follow Megan. **Upon completion of the scene you are transported to the Town Map.**

In-Game Hints:

Megan's Story – Megan's gonna go to the sex shop again in the afternoon, after class. I should follow her and see what she's up to. Guess I should find her after class first, just to make sure I don't miss her. She's in the classroom every day after class.

Jessica's Story – Okay... Noon... Living room. I'm getting that password one way or another!

Elizabeth's Story – Mom seems to be knocked out pretty hard after the second bottle of wine. I could try more things with her when she falls asleep.

Zoe's Story – I could try ignoring her call in the morning and talking to her again in the girl's locker room at noon.

Ellie's Story – I need to get more sexual experience in order to play the "Chicken" game with Ellie. **Sexual Experience 1/5 TO BE CONTINUED**

Teacher's Story – I wanna talk to the teacher. That's the only way to get closer. Maybe talking to her after class helps...

169. Town Map – School – School doors – Hallway 2 – Advance time to Noon – Girl's locker room door – Wanna go to the party – Yeah – **WARNING!!! TIMED RESPONSE!!! Pick any of the three choices offered (Megan, Jessica, or Cosplay Girl) because the choice doesn't matter** – I just wanted to see your reaction – **Again, pick any of the three choices offered (Kendall Jenner, Margot Robbie, or Kate Upton) because the choice doesn't matter Save X2-6-LT1** – Mind if I touch them? **is the safer response** – Show her – **WARNING!!! TIMED RESPONSE!!!** Cum on locker **(or)** Cum on Zoe **different results obviously, but play through both by scrolling back if you like (Holy shit! She actually jacked me off!)** **Second Sexual Experience Point Earned**

This is how you cheat time, we started off following Megan, broke off from her to do Zoe (whose interaction didn't advance time), now let's run home and take care of Jessica and her laptop (whose interaction also doesn't advance time), and then run back to school to meet up with Megan in the classroom and follow her back to the mall.

170. Still Noon – Town Map – Home – Living room – Jessica
171. Still Noon – Town Map – School – School doors – Classroom - Megan **Play through scene (You hide and follow Megan back home) (She locks her door at night. So I can't spy on her...)**

In-Game Hints:

Megan's Story – Megan bought a dildo! And she's gonna use it tonight! I have to find a way to watch the show. It'd be best to go to her room in the afternoon and figure something out.

Jessica's Story – Damn, it didn't work! Well, plan B it is... I'll use the chance in the evening, when she's getting dressed in her room to grab her laptop and...

Elizabeth's Story – Mom seems to be knocked out pretty hard after the second bottle of wine. I could try more things with her when she falls asleep.

Zoe's Story – I can't believe Zoe jacked me off. I wonder what else could've happened if I didn't cum so quickly. I should try talking to her again after class.

Ellie's Story – I need to get more sexual experience in order to play the "Chicken" game with Ellie. **Sexual Experience 2/5 TO BE CONTINUED**

Teacher's Story – I wanna talk to the teacher. That's the only way to get closer. Maybe talking to her after class helps...

So the first thing we need to take care of is Megan

172. Afternoon – go upstairs to Megan’s room and click on her bed – Click on stand on right side of her room against the wall **Save X3-1-LT1** **Play through scene** **You are automatically advanced to the morning again.**

Updated In-Game Hints:

Megan’s Story – **TO BE CONTINUED**

Jessica’s Story – Damn, it didn’t work! Well, plan B it is... I’ll use the chance in the evening, when she’s getting dressed in her room to grab her laptop and...

Elizabeth’s Story – Mom seems to be knocked out pretty hard after the second bottle of wine. I could try more things with her when she falls asleep.

Zoe’s Story – I can’t believe Zoe jacked me off. I wonder what else could’ve happened if I didn’t cum so quickly. I should try talking to her again after class.

Ellie’s Story – I need to get more sexual experience in order to play the “Chicken” game with Ellie. **Sexual Experience 2/5** **TO BE CONTINUED**

Teacher’s Story – I wanna talk to the teacher. That’s the only way to get closer. Maybe talking to her after class helps...

???’s Story – I know she works at the mall in the afternoon. Talking to her then is probably best. Can’t wait!

Okay based on the in-game hints above, we start out in our bedroom in the morning, so advance time to noon and go see the teacher in the classroom, then on to Zoe in the girl’s locker room at school (time did not advance, so it is still noon and this event is possible—this scene will also transport you to home in the afternoon because Megan walks in on you and Zoe in the locker room and you cum on Megan’s pant leg, and feeling bad you follow her home). Now that it is afternoon you can go to the mall and meet the girl there in the sex store, and then head home, first to Jessica in the evening in her bedroom, and then on to Elizabeth in the living room at night.

173. Advance time to Noon – Town Map – School – School doors – Classroom – Teacher **You wait until Megan leaves the classroom and walk up to the Teacher** – I don’t like her either – Looks aren’t everything – Wait
174. Still Noon – Hallway 2 – Girl’s locker room door **You nervously open the door knowing what’s about to happen...** **Save X3-2-LT1** **Play through scene** **(Megan walks in on you and Zoe)** **Without saying another word, you quickly get dressed and hurry home.** **Third Sexual Experience Point Earned**
175. Town Map – Mall **You learn her name is Sophie** – Redheads – Mention Megan
176. You are transported to the Town map – Home – Advance time to Evening – Jessica’s bedroom – Click on laptop **Arggh! Fine! I’ll tell you... It’s “Marilyn93”.**
177. Advance time to Night – Go to living room – Click on Elizabeth **Save X3-3-LT1** **Play through scene** **Fourth Sexual Experience Point Earned** **You are automatically advanced to morning**

In-Game Hints:

Megan's Story – **TO BE CONTINUED**

Jessica's Story – Now all that's left is getting to the laptop while Jess isn't around. That means either noon or afternoon. Noon should be better since it gives me more time before she comes to her room in the evening.

Elizabeth's Story – Next time, I should get Mom as horny as possible and then wake her up.

Maybe I'll get lucky...

Zoe's Story – **TO BE CONTINUED**

Ellie's Story – I need to get more sexual experience in order to play the "Chicken" game with Ellie. **Sexual Experience 4/5** **TO BE CONTINUED**

Teacher's Story – Okay. Next, I should check the teacher's lounge in the morning before class.

Sophie's Story – If I go to the mall after school just before Megan does, I'm sure I'll think of a way to prove she's really my sister.

So based on above hints, see the teacher in the morning at the teacher's lounge, go to Jessica's bedroom at noon for the laptop, to the mall and Sophie in the afternoon, and Elizabeth in the living room at night.

178. Morning – Town Map – School – School doors – Teacher's lounge **Play through scene**
179. Advance time to Noon – Town Map – Home – Go to Jessica's bedroom – Click on laptop – I found it open
180. Advance time to Afternoon – Town map – Mall **Hi there!** – Direct – Big Dick **Save X3-4-LT1** **Play through scene** – Don't
181. You are automatically transported to the Town Map – Home – Living room – Advance time to Night – Elizabeth **Save X3-5-LT1** – Pussy **Play through the Lewd Scene** **You are automatically advanced to morning**

In-Game Hints:

Megan's Story – **TO BE CONTINUED**

Jessica's Story – That went pretty well. I should bring it up to her on my own while she's watching TV at noon tomorrow. Probably better to reset the day first too so she forgets we talked about it already

Elizabeth's Story – Okay. Get Mom as horny as possible and then...I'm sticking it inside her!

Zoe's Story – **TO BE CONTINUED**

Ellie's Story – I need to get more sexual experience in order to play the "Chicken" game with Ellie. **Sexual Experience 4/5** **TO BE CONTINUED**

Teacher's Story – Gotta talk to her after class again if I wanna get that phone of hers.

Sophie's Story – If I go to the mall after school just before Megan does, I'm sure I'll think of a way to prove she's really my sister.

So, given the above hints, go to school and talk to the teacher at noon, then talk to Jessica at home at noon, Then go to mall in the afternoon to talk to Sophie (this scene will ultimately advance you to morning, so the scene with Elizabeth will have to wait)

182. Town Map – School – School doors – classroom – Teacher
183. Town Map – Home – Living room – Jessica – Nothing important

184. Advance time to Afternoon – Town Map – Mall – Smooth – Megan...
185. You are automatically transported to the Town Map – Home – go to Megan’s bedroom and click on the bed **Save X3-6-LT1** **Play through scene**

In-Game Hints:

Megan’s Story – **TO BE CONTINUED**

Jessica’s Story – Since I got that crazy hot video of Megan, why don’t I try doing the same with Jessica? Only problem is, she locks her door before going out at night. Hmm... Although, I’m sure there’s a spare one around, somewhere. Perhaps I’ll ask her before she leaves on her date.

Elizabeth’s Story – Okay. Get Mom as horny as possible and then...I’m sticking it inside her!

Zoe’s Story – **TO BE CONTINUED**

Ellie’s Story – I need to get more sexual experience in order to play the “Chicken” game with Ellie. **Sexual Experience 4/5** **TO BE CONTINUED**

Teacher’s Story – Okay, now I got her password. Boobs, huh? I just have to repeat everything so she feels uncomfortable and runs out the classroom, leaving the phone behind so I can take it.

Sophie’s Story – **TO BE CONTINUED**

So based on the hints above, first we see the teacher at noon, then we need to see Jessica in the evening in her bedroom, and the go to Elizabeth at night in the living room.

186. Town Map – School – School doors – Classroom – Teacher – Not all men – Not a kid – Stay on the subject – Back to text message (**Okay, she’s out and she left the phone**) **Save X4-1-LT1** (**Don’t forget you need to press the button on the bottom of her phone to progress the scene**) – Talk some more **Play through scene**
187. Click on Town Map – Home – Go upstairs to Jessica’s bedroom – Advance time to Evening – Jessica – **You are automatically transported to the living room** – click on the blue potted plant and get her bedroom door key.

Now, we need to deal with both Jessica and Elizabeth, but if I remember right the events with both characters end with the automatic forwarding to morning, which means you can only accomplish one at a time. We’ll deal with Jessica first.

But first, let’s take a look at the updated In-Game hints:

Megan’s Story – **TO BE CONTINUED**

Jessica’s Story – After Jess goes out tonight, I’ll sneak into her room and set up the camera. Maybe I’ll get to see her naked when she changes out of her dress?

Elizabeth’s Story – Okay. Get Mom as horny as possible and then...I’m sticking it inside her!

Zoe’s Story – **TO BE CONTINUED**

Ellie’s Story – I need to get more sexual experience in order to play the “Chicken” game with Ellie. **Sexual Experience 4/5** **TO BE CONTINUED**

Nicole’s Story – She’s actually a lot more interesting than I thought. It just takes so fucking long to get her in a good mood... Also, I gotta do it all again if I wanna get further with her. Guess talking to her after school again is a start...

Sophie’s Story – **TO BE CONTINUED**

188. We start out in the living room and the current time is Evening, so – Advance time to Night – go upstairs and click on Jessica’s bedroom door Sliding the key into the lock, you open Jessica’s bedroom door. – Play through the scene – Walk in on her Save X4-2-LT1 You are automatically advanced to morning.

Updated In-Game Hint:

Jessica’s Story – That could have gone better. Next time, I’ll point the laptop towards Jess’ bed so I can actually SEE her masturbating. Probably best to do it in the afternoon so she doesn’t move it during the day.

Since we were forwarded to morning, we can go to school and visit Nicole at noon, then e are left with Jessica and Elizabeth, and if I remember correctly, I think they both forward time to morning, so it’s either or again...

189. Town Map – School – School doors – Classroom door (which automatically advances time to Noon) – Nicole – Save X4-3-LT1 – Of the three options you are offered (Go for the hug again, Ask to keep her company, and Blackmail her with the nudes), the first two lead to a kiss with Nicole and then advance the In-Game Hints to read Nicole’s Story – TO BE CONTINUED, the third option gives you a lewd scene, but in order to close Nicole for this update, you must return to the classroom a noon again and select one of the first to option to get the In-Game hints to read Nicole’s Story – TO BE CONTINUED For the Blackmail her with the nudes option – Clicking on Bra or Tits pretty much comes out the same, bra offering one additional view in case you are wondering. Remember, you will need to return to Nicole at noon to select one of the first two options later on in order to close her out for this update.

You have been advanced to afternoon outside the school, so let’s take care of Jessica’s Laptop

190. Town Map – Home – Go upstairs to Jessica’s bedroom and click on the laptop
