

A Wife And Mother

Sophia returns from Dylan's delayed soccer match, and starts to get changed for her sunbathing at the pool. She notices that the balcony door is opened.

When she goes to close it, she notices Neil and Amber talking. If Sophia has more Filthy than Good Wife points, she forgets for a moment that she's just wearing a bra and jeans and can eavesdrop on them briefly to find out what's going on.

(Noon)

Sunbathing at the pool

- 1) If Sophia has shown maximum interest in Vicky before, she calls her and asks to meet up in the city.
- 2) Sophia's sunbathing in her bikini when Dylan suddenly appears totally unexpectedly.

She covers herself and goes upstairs to change into her one-piece bathing suit.

3) After she returns in her one-piece, Dylan tells her that she didn't have to change and Sophia tries to explain to him that she as a mother thinks it would be wrong sunbathing next to her son dressed like that. But Dylan still doesn't understand it.

If Sophia has 16 relationship points with him, she tries to be understanding about the conversation and explains it to him more.

During the conversation Sophia finds out that her son is totally inexperienced with girls. She can either let her husband handle this in a father-son conversation, or she can make a "bikini-deal" with him. This means that if he cleans up his room now, she will sunbathe with him on Sunday in a bikini. But she wants to use the sunbathing especially for an intimate conversation with him.

She'll get **Dylan +1** for that.

Meeting Vicky in the city

(If Sophia refused to meet up with her, she'll just do a few things in the city and drive back home again.)

- 1) Vicky suggests trying out a new place. A great spa that also has a gym.
- 2) After the workout they get a massage by two nice oriental girls (Zara and Layla).

Sophia can choose between A) keeping her towel on or B) pulling it down.

- A) If she keeps her towel on, she'll talk with Vicky while the massage and that's it.
- B) If she pulls her towel down, Zara introduces herself and they'll chat a little bit. Then she'll start to massage Sophia sideways by touching her breasts a little bit.

1) Sophia can tell her to stop. Then Zara will continue to massaging Sophia's back again and Sophia keeps talking with Vicky. The massage ends then.

Or she stays silent and lets the girl continue, for which she'll get **Lesbian Temptation +2**. Zara will tell Sophia to come back soon at the end.

(Afternoon)

Bringing the kids to Carl and Patricia's mansion

Back home again, Sophia goes upstairs to tell Dylan that everyone's already waiting just for him. Depending on her decision at the pool earlier on, she'll see that Dylan's room is either messy or cleaned.

If Sophia secretly watched Julia with her daughter at the pool on day 12, she'll notice how cute they're whispering and giggling with each other.

At the mansion, when Patricia leaves the kids, Sophia will have the chance to allow Carl to flirt with her a bit by the pool, or she can try to avoid it. This will influence Sophia's attitude towards him.

(Evening)

Football evening with husband and Neil (neighbor friend)

When Sophia returns home, Liam will give her roses and apologizes for having so little time for her the last 2-3 weeks. If Sophia reacts very flattered/understandingly on that and forgives him, she'll get **Good Wife +25** and loses **Filthy -25!**

They start watching the football game together and Liam asks if his wife wants to drink a glass of vermouth with them.

A) If Sophia refuses, they just watch the game until the end and Neil goes home. Liam feels shitty because of the booze and needs to rest.

Sophia either goes down to watch TV in the living room, or if Patricia wanted to take revenge on the subway thugs, she'll pick her up now.

B) If Sophia drinks a glass, she'll feel a little dizzy and cheered up after some time.

a) If Sophia is filthier than she's a good wife, she'll get an idea of how to lighten up the atmosphere because their team is about to lose. She goes up to her daughter's room and changes into her cheerleader outfit.

b) Otherwise the same will happen like above at A)

After some time, Neil will offer her another glass.

a) She can refuse. Then she'll go upstairs and take a shower. After that she'll meet her husband in the bedroom lying on the bed with a splitting headache.

Sophia either goes down to watch TV in the living room, or if Patricia wanted to take revenge on the subway thugs, she'll pick her up now.

b) Sophia accepts the second drink. Her husband will try to remind her of her reaction to alcohol. If she still wants to drink, her boozy evening continues and will be even more boozy.

After drinking the second glass, Sophia starts to act more and more uninhibited. Neil touches her thighs to "to reassure" her.

a) Sophia can take his hand off her. Then she'll go upstairs and take a shower. After that she'll meet her husband in the bedroom lying on the bed with a splitting headache.

Sophia herself feels shitty and also wants to rest with him. If Patricia wanted to take revenge on the subway thugs, she'll try to pick her sister up.

b) Or she doesn't mind Neil's touches.

If Sophia lets him touch her, Neil will slide his hand up to her butt. After a while, Sophia has had enough of watching the game and wants to go up to take a shower. Aroused by Sophia's behavior, Neil will follow her after some time.

Neil will enter the bathroom (the lock is broken, as you can remember), and tries to open Sophia's bathrobe.

If she has min. 28 Filthy points she can decide:

a) To slap him and get **Good Wife +2**.

b Or let him and get **Filthy +2**.

Otherwise she'll give him a slap automatically (**Good Wife +2**).

If Sophia lets him continue, he'll try to tear her bra off. But she will react in time and finally give him a well-deserved slap!

This way Sophia also learns that he secretly drugged her, and that's why she's been acting and feeling the way she has.

After the shower she'll return to her bedroom and meet her husband, who's lying on the bed with a splitting headache. Sophia feels shitty herself and also wants to rest with him. If Patricia wanted to take revenge on the subway thugs, she'll try to pick her sister up.

The revenge on the "subway thugs"

(Only available if Sophia didn't drink the second glass (or didn't drink at all, of course)!)

Sophia can decide:

A) Sophia, more angry on these guys than afraid of them at this moment, can trust her sister's plan (which she doesn't even know yet) and go with her to the place where she was assaulted.

B) Or she can refuse the vigilantism because it's too dangerous and instead decide that it's better to report them to the police.

When Sophia returns home, she'll go to sleep.

Sophia's relaxing evening

(Only available if Sophia didn't drink the second glass (or didn't drink at all, of course) AND if she won't go with her sister to take revenge on the "subway thugs"!)

Sophia watches TV and then goes to the backyard, to relax for a few minutes before going to bed.

She'll hear Neil and Amber in their backyard.

A) If Sophia has more Filthy than Good Wife points, she can either go upstairs to her bedroom and secretly watch what their friends are up to from the balcony and get **Filthy +1**.

B) Or not and get **Good Wife +1**.

Otherwise she'll automatically keep relaxing and then goes to bed **Good Wife +1**.

Sophia will see what Amber and Neil are really up to and if she has min. 29 Filthy points she can decide:

a) Give 'em some privacy and go to sleep. **Good Wife +2**.

b) Or keep watching their lovemaking. **Filthy +2**.

Otherwise she'll automatically go to sleep. **Good Wife +2**.

If Sophia has min. 10 lesbian points, she'll also have some special thoughts.

Day 15 (Sunday) (Playable Day 8/30!)

(Morning)

At the pool with Dylan (If Sophia accepted the bikini deal with him!)

Patricia brings the kids home.

After breakfast Sophia, dressed in her bikini, meets Dylan at the pool. If she didn't accept the bikini deal, she'll just relax in the backyard and read a book.

1) She can let him put some lotion on her back while they continue their conversation and get **Dylan +1** for that.

If she decides to just sunbathe and talk with him, she will tell Liam to talk with Dylan and this storyline with him ends!

2) If she lets him open her bikini top at the back: **Dylan +1**.

3) Whether or not Sophia lets Dylan open her top, she'll talk with him after he has put lotion on her back.

Dylan will ask Sophia to show him how to kiss, to watch her in the morning when she gets dressed and also to show him her breasts. Sophia of course declines everything.

4) If Sophia let Dylan put lotion on her back, he will do the dishes even though they have to drive to his soccer game. He will again ask Sophia to show him her breasts but this is of course out of question for her.

If she offers to at least let him see her in her underwear she'll get **Dylan +1**. If she decides to stop this all right now, she will tell Liam to talk with Dylan and this storyline with him ends!

At Dylan's soccer club

If Sophia watched Ellie and Julia at the pool on day 12, she can decide now to drive back home and see how the meeting with Elena will go. Otherwise she'll stay and watch Dylan's game.

So, if Sophia decides to drive home and Dylan has put lotion on her back at the pool before, Dylan tells her it's OK but he'd like to have a kiss on the cheek for good luck. Of course, it's just a trick and he kisses her on her mouth. Sophia stops him immediately or if she's got min. 20 relationship points with him, she can overlook it and get **Dylan +1**.

(Noon) + (Afternoon)

Spying on Ellie, Julia and Elena at the pool

Here, Elena will offer Ellie a chance to kiss her or Julia, to experience what it feels like kissing a girl.

A) Ellie kisses Elena: Julia will be disappointed and get together with Elena.

B) Ellie kisses Julia: Julia will be delighted. Ellie learns that she maybe has more feelings for her best friend than she ever thought. She is still not a lesbian but highly probably bi. Julia will confess to Ellie that she always had a crush on her (since kindergarten!). Ellie also feels that after that kiss something happened with her. She can't define it now because she's too confused. But it seems very much that she also fell in love in Julia!

C) Ellie kisses no one: Same as A)

Sophia is about to drive back to Dylan's football match but could reconsider and stay for doing something with her daughter.

If she stays, she will either go jogging with Ellie in the park or if she's been with Vicky in the spa the day before, she'll go there with her and Patricia.

At the spa with Ellie and Patricia

Here, it'll turn out that the masseuses from the day before, Layla and Zara, don't work on Sundays and Mondays, so two guys, Isaac and Aki (they're both unimportant for the further story!) are replacing them on these days.

Aki, who massages Ellie, will try to go further and further with her. First touching the sides of her breasts, then her butt, and in the end, he'll be rubbing his dick against her leg. Sophia always has the choice to stop him and these decisions will have an effect on Ellie's character development!

No matter what decision you make, after the massage the women will go relaxing in the big sauna!

Some guys (Logan, Kevin and Brayden) will enter the sauna. They'll ask the women if they can take their towels off. If Sophia has min. 10 Filthy points, she could let them and get **Filthy +1**. Or she can be against it and get **Good Wife +1** (then nothing else will happen and she will drive to pick up Dylan from his game!).

Next Ellie and Patricia will try to persuade Sophia to take a look at the guys' dicks. If Sophia has min. 12 Filthy points, she could do that and get **Filthy +1**. Or not and get **Good Wife +1** (then nothing else will happen and she will drive to pick up Dylan from his game!). **This decision will also be very important for Ellie's storyline and whether Logan will become her new boyfriend or not!**

Ellie wants to keep it a secret that they are all related! So, they introduce themselves as friends.

In the end, they guys will have a chat with the women. Sophia will have the choice to tell them that she and Patricia are married and get **Good Wife +1**. Or she can keep that a secret and get **Filthy +1**. **Also this decision is very important for Ellie's further storyline!** If Sophia keeps her marriage a secret, the guys will offer to meet them at a nightclub the next evening.

Picking up Dylan from his soccer game (After Dylan's soccer game)

Depending on some decisions before, Dylan's team has either won (where most of the credit goes to Dylan) or lost!

If Sophia was drunk and high the previous night and she and Patricia couldn't take revenge on the subway thugs (or she refused to do this), she'll report them to the police now.

(Evening)

Having a relaxing bath

Sophia and the kids decide to drive to the beach the next day.

When Sophia is about to relax in the tub, Dylan will knock and tell her that Liam is on the phone and it's very important. If Sophia has 21 relationship points with him, she can let him in. Otherwise she'll call Liam back after her bath.

If she lets Dylan in at first, she will allow him to pee and then also to take a shower quickly. Dylan will get pretty aroused by his naked mom lying in the tub right next to him and he'll take this opportunity for some "hand relief"! Sophia notices that and can snap at him or stay silent and get **Dylan +1**.

In any case, the Parkers will have a water problem and the public utility will say it will be working again by the next morning at the latest. Sophia can now choose to accept that and take a shower the next morning. Or she can drive to the high school and use the shower in the girls' locker room by the gym.

If she stays at home, Liam will return and talk with Sophia about the plans for the next day (Liam's boss gave him this day off!). Otherwise...

Taking a shower at the high school

In the locker room she'll be surprised by the janitor, Mr. Clark, who she already met on Day 4 (her first working day). It turns out that he's got an apartment on the ground floor and no teaching staff is allowed to enter the school building after 9:30 p.m. because then it's his posted property.

Janitor Clark is very fastidious when it comes to the contract and will threaten to call the police on Sophia. But he offers her a way out by keeping him company while showering. Sophia can accept his offer or chance it and let him call the cops.

If Sophia choose the police way, she'll need to drive to the police station and pay a minor fine. The consequences cannot be forecast now!

If she accepts the janitor's offer, she'll shower with him in her underwear. If Sophia has min. 27 Filthy points, she could take a look at the janitor while he's washing his face and get **Filthy +1**. Or not and get **Good Wife +1** (then she'll drive home after the shower and that's it!).

Sophia will see that the janitor has a really huge tool between his legs. If she has min. 32 Filthy points, she could be mesmerized by that sight and get **Filthy +1**. Or be disgusted and look away (**Good Wife +1**).

If she keeps staring at the janitor's big friend, he'll notice that, which will arouse him even more and get him to masturbate! In the end he'll thank Sophia for the pleasure she brought him (involuntarily) and tells her that he owes her for that. Of course, Sophia smiles at that but who knows...

In any case, Sophia will talk with Liam about the plans for the next day (Liam's boss gave him this day off!).

After that, day 15 ends!

Day 16 (Monday) (Playable Day 9/30!)

(Morning)

Breakfast with Dylan and Sam

Sophia unexpectedly meets Sam and Dylan in the kitchen, wearing just her tight dressing gown.

If she is more filthy than good wife, she stays like that and makes coffee. Otherwise she heads upstairs and changes.

If she stays in her tight dressing gown, she will think about teasing the boys a little bit by opening the robe a little bit. But she needs min. 30 Filthy points for that decision!

If she opens her robe, she'll get **Filthy +1** and also **Dylan +1** and **Sam +1**. Otherwise she'll get **Good Wife +1**.

Aiden and his henchmen

It turns out that the reason for Dylan's bruises is a conflict with Sophia's older students Aiden and André. Alyssa's son Zac is also involved.

After talking with the principal and the police, she finds out that Aiden's uncle is a great lawyer named Richard Murphy. Sophia understands that there are not many options for what she could do to keep her students from harassing Dylan and Zac. Talking with Aiden and his crew seems pointless. Principal Johnson will try to reach Aiden's uncle but it will be very difficult in many ways.

Aiden demands that Dylan and Zac pay him 200 dollars every school day, to leave them alone. Otherwise he and his henchmen will beat the shit out of them. But Aiden offers Sophia a dubious deal. He and André will give her 12 assignments and if she passes all of them, he promises that he'll leave her son and Zac alone forever. Her first task will be to not wear a bra at the next lesson.

Sophia now has two options. Accepting the deal for the moment and play along until she finds a better solution. Or rejecting it and sending Dylan to a boarding school in another town (Alyssa will also do that with Zac), which will affect Sophia's storyline with him and also with Alyssa and Zac!

With Sam by the pool

After that tumultuous morning, Sophia decides to relax a little bit at the pool in her bikini.

All of a sudden Sam shows up at the door and offers his help with mowing the lawn in Sophia's backyard.

If Sophia has 25 relationship points with him, she can let him mow the lawn while sunbathing in her bikini and get **Sam +1**. Otherwise she'll relax in the safe haven while Sam's mowing the lawn.

If Sophia sunbathes in her bikini, she'll have some thoughts about Sam while he's mowing the lawn and will tease him a little bit.

After Sam finishes the work, he asks Sophia if he can put lotion on her back. Sophia will then tell him to get a drink and also bring her a juice. **If Sam saw Sophia in her bra on the balcony on day 14**, he'll bring her wine and Sophia can decide to drink it or tell him to bring her the juice. Otherwise he brings her a juice straight away and after some chatting, he'll go home.

If Sophia drinks the Chardonnay, she'll get more and more relaxed during the conversation and talks with Sam about his type of women and girls. After she already talked with Ellie about a relationship between her and Sam, she now tells Sam, that she thinks they'd be a sweet couple, but because of Ellie's confusion and preference to date only older sports stars, it's hopeless.

Then Sam confesses to Sophia that because he saw her a couple of times in her underwear, he can't think about anything else and can hardly sleep. He admits that Sophia is his dream woman and that he can't get how she looks without a bra out of his head.

After realizing how weird his confession to Sophia is, Sam regrets that he told her and says he's sorry. He wants to leave but Sophia can stop him and talk with him about his feelings. She'll get **Sam +1** for that. Otherwise Sam goes home and Sophia promises herself to never tease him again.

If Sam stays, she'll talk with him about what happened and about his feelings. She sees how this thing wears him out and if she has min. 30 Filthy points, she'll think about pulling her bikini top down a little for him and showing him some of her areolae. But to really do that she'll need min. 34 Filthy points and will get **Sam +2** and **Filthy +2** for that and Sam will feel much better afterwards! If she doesn't do that, she'll get **Good Wife +2**.

(Noon)

After Sam went home, **Sophia will either drive to the nursing home or if she refused to work there on day 12, she will look for another side job on the internet.**

Looking for another side job (only if she refused working in the nursing home!)

Sophia finds an attractive ad, where a female college professor and single mother of two is looking for someone with a college degree to help her out with important and demanding paperwork. Her name is Ava Myers and she invites Sophia to come by on Wednesday.

Nursing home 2nd working day (alternatively)

Sophia spends some time with Mr. Herman and Mr. Gibbs again. They go for a walk in the park and chat. If Sophia acted interested in them the last times, she'll get along better and better with them. The old gents will start asking her more personal questions and she can decide to allow it or not.

If she wasn't very interested in the old men before, she'll just have an ordinary chat with them and just wants to get this over with as fast as possible.

Before driving to the beach

Sophia talks with Dylan about his conflict with Aiden in the school and depending on how she decided before, she tells Dylan either that she'll handle it or that she'll temporarily send him to a boarding school.

Before the journey starts, they have to wait for Ellie, Christine and Julia.

From here, the further course of events depends on Sophia's decision from day 4 in the morning.

If she reminded Dylan to lock the door again after she went out of the kids' bathroom or she didn't enter it at all, Ellie will return with the girls without bringing Dylan and Sophia something from the burger place. If she didn't remind Dylan to lock the door, Ellie will return with the girls and bring something for them from the burger place.

First time on the beach

What Sophia will wear here depends on if she made the "bikini deal" with her son on day 14 or not. If she made it, her bikini will be more revealing.

After everyone has changed and spend some time in the water, there'll be two different courses from here on. Also depending on Sophia's decision from day 4, Dylan will either return all alone to the towels or he'll stay in the water and keeps playing with his dad.

If Sophia didn't remind Dylan to lock the door again on day 4 and Ellie saw Dylan naked, she'll be out for revenge. It turns out that she's put some Viagra pills into the burger which she brought Dylan from the burger place and the effect set in now.

Sooner or later, Sophia will take Dylan to the changing booths, so that he can take care of his "little problem".

After around 30 minutes, she will return and tell him that they are about to leave and ask him how's it going. Dylan's boner doesn't want to ease up. Here it depends on what Sophia's wearing. If she's wearing the less revealing bikini, she takes Dylan to the car and gives him the advice that with distraction the effect of the Viagra will ease up, and they drive home (Dylan's boner will ease up on the way). If she's wearing the more revealing bikini, she'll enter his booth and talk with him.

Dylan will ask her to stay in his booth and serve him as a "visual stimulation" for his "hand relief". To accept, Sophia needs 23 relationship points with him and will get **Dylan +1**. Otherwise she'll do the same like if she'd wear the less revealing bikini.

But seeing his mom in the bikini isn't enough for Dylan to get to climax and the clock's ticking. He asks his mom to showing him a little bit of her pubic hair. To agree, Sophia needs min. 34 Filthy points! If she does, she'll get **Dylan +2** and **Filthy +2**. If she refuses, she'll get **Good Wife +2**.

Back home again, Sophia will have a word with Ellie about her prank.

Getting ready for the night at the casino

While watching Liam playing basketball with Dylan and Sam from her balcony, Sophia lets some things run through her head.

If she has a full relationship with Sam, that means 29 points, she'll hear Sam tell Liam and Dylan that he needs a short break and wants to get a Sprite out of their fridge because allegedly they only have water at home. Sophia has an assumption and can leave her bedroom door open or close it.

If she leaves it open, she'll notice Sam watching her secretly. To tease him again, she needs min. 34 Filthy points and will get **Sam +1** and **Filthy +1**. If she gets rid of him, she'll get **Good Wife +1**.

At the casino

When Sophia's playing roulette, a well-dressed gentleman will join her and start flirting with her in a charming way. If she's more filthy than good wife, she can allow the flirting (**Filthy +1**) or stop him (**Good Wife +1**).

After she wins 2,000 bucks, she wants to drive back home. But Liam wants to keep gambling. He tells her to drive home and he'll follow soon. If Sophia didn't tell the guys in the sauna that she and Patricia are married, she will automatically tell Liam that she's going for a night out with her sister and daughter. Otherwise she can decide either to force him to drive home with her right now and have sex with her, or to believe him that he'll follow soon and drive home. Attention: these decisions will have an impact on the further course of the story!

If Sophia forces Liam to stop right now, they'll drive home and have sex in the shower. If Sophia is more filthy than good wife, she'll only get **Good Wife +5**; otherwise she'll get **Good Wife +15**. Liam will agree to have another baby afterwards but wants to have his sperm checked first, just to be sure. Depending on Sophia's decisions before (if she had oral sex with him or not and if she forgave him completely), the dialogues will be a little bit different.

If Sophia drives home and waits for him, Liam returns very late and has gotten into serious debt. He now owes the casino one-third of the value of their house, and to top it off, the owner of the casino is a big mobster named Tony Morello. They only have three months to pay back the money or they'll lose their house.

At the club

Right at the beginning, Sophia can decide what she'd like to drink. Either an alcohol-free rainbow cocktail or a Mai Tai (with alcohol).

If she takes the rainbow cocktail, they will dance with the guys and chat a little bit afterwards. Nothing really exciting will happen and they'll drive home.

If she takes the Mai Tai, they'll go dancing but Sophia will let herself go more. Tyler notices this and tries his luck with her by approaching and touching her hips. She needs min. 35 Filthy points to allow it and flirt with him on the dance floor. She'll get **Filthy +1** for that. Otherwise she'll get **Good Wife +1**.

Regardless of what she decides, they'll return to their table afterwards and chat. They'll come to the topic music and after some arguments about lyrics, Logan will offer a bet. A little quiz to prove that they know more about the music of Sophia and Patricia's time than the women know about modern music. The losers have to fulfill the winner's request or pay for all of the drinks on this night and the next time they're out.

There are three possible outcomes:

1. The women win. For this to happen, Patricia has to answer all three questions correctly. The sisters will come up with a funny punishment for Kevin and Logan. The night out ends afterwards.
2. If Patricia gives 2 right answers, it's a draw and everyone just pays for their own drinks. Afterwards Patricia goes back out on the dance floor with Kevin, while the others stay at the table.
3. The women lose if Patricia answers zero or only one question correctly. Logan requests that the women kiss each other. As far as the guys know they're just friends, so it shouldn't be a big deal. While Sophia of course would rather pay for the drinks than kiss her own sister, Patricia on the other hand wouldn't mind.

If Sophia has min. 6 lesbian points and 4 points with Patricia, she can be indecisive. This will lead to Patricia taking initiative and kissing her. Sophia gets **Lesbian Temptation +1** and **Patricia +1**. Otherwise she refuses and Patricia goes out to dance with Kevin again.

If Patricia and Sophia are kissing, Patricia will try to French kiss Sophia. With min. 11 lesbian points and 8 points with Patricia, she can allow it and get **Lesbian Temptation +2** and **Patricia +2**. Afterwards, Patricia will go out to dance with Kevin again, while the rest of them stay at the table.

After Patricia and Kevin go out to dance again:

If Sophia turned Tyler down on the dance floor: He'll have an ordinary chat with her, and then the girls will take a cab home.

If Sophia allowed Tyler's advances on the dance floor: He'll move closer and will start flirting with her. Then he'll move as close as possible and start kissing her neck.

Finally, he will caress her legs. Sophia can allow it and get **Filthy +1**. Or stop him and get **Good Wife +1**. The night out then ends, with the girls taking a cab home.

If she allows Tyler's hand on her leg, he will move it up even higher in the direction of her panties. If Sophia has min. 39 Filthy points, she can let him continue and get **Filthy +2**. Or stop him and get **Good Wife +1**.

In any event, Patricia will come and interrupt them. The night out ends here in any case.

Back from the club

Depending on Sophia's decisions in the club, she will have a conversation in the entrance hall with her sister and daughter.

If Sophia kissed her sister, Ellie will think that it was very cool of them to go that far just so as not to blow their cover. Sophia will get **Ellie +1**.

If Sophia French kissed her sister, she can tell her that she thought it was nice, for which she'll get **Lesbian Temptation +1** and **Patricia +2**.

Sophia will go upstairs to Liam and find out that they now owe the casino one-third of the value of their house.

Day 17 (Tuesday) (Playable Day 10/30!)

(Morning)

Morning shower alone or with Ellie again

1a) If **Sophia had Sex with Liam** the night before and **didn't shower with Ellie** on day 14: She'll shower alone and goes down to the kitchen.

1b) If **Sophia had Sex with Liam** the night before and **showered with Ellie** on day 14: She'll shower with her again and goes down to the kitchen.

2a) If **Sophia didn't have Sex with Liam** the night before and **didn't shower with Ellie** on day 14: She'll shower alone and goes down to the kitchen.

2b) If **Sophia didn't have Sex with Liam** the night before and **showered with Ellie** on day 14: Sophia tries to masturbate but Ellie will interrupt her (again). Sophia can ask Ellie what she wanted and get **Ellie +1**. Otherwise the showering will be over.

If Sophia wasn't in the club the night before: The showering with Ellie will be over pretty quick.

Otherwise: They talk about their girls' night out. If Sophia let Tyler do anything with her, they'll talk in more precise about it.

If Sophia didn't kiss Patricia: End of showering.

If she kissed Patricia: They keep chatting.

Ellie will finally ask her mom if they could look at each other while showering. If Sophia agrees she'll get **Ellie +2** and it goes on. **If Ellie took vengeance on Dylan on the beach the day before**, they will have an interesting conversation about him.

Then Ellie will ask her mom how she thinks of her breasts. If Sophia tells her that she's got very beautiful breasts, she'll get **Ellie +2** and they keep talking about that topic.

Then Ellie will ask her mom how often she shaves. Sophia can tell her and get **Ellie +1**.

Ellie's interested in if her dad is good in bed. Sophia can tell her the truth and get **Ellie +1**.

Very Important: Only if Ellie caught Sophia watching a porn and playing with herself on day 11, this storyline continues!

Because only then Ellie understands and learns, that her parents don't sleep with each other that often anymore. And this is also why her mom's masturbating more often recently. For telling her daughter that, Sophia will get another essential **Ellie +1** point!

Literature (1st lesson)

Sophia will wear a buttoned high-class business style, either with a bra underneath or without (if she accepted Aiden's first task).

Emma will change the classes, doesn't matter if Sophia approached her or not! But her storyline will still go on!

If Sophia took Emma on the shopping tour with Ellie on day 13, Emma will be dressed trendier and already had found some new friends.

If Sophia didn't accept Aiden's first task: A regular first literature lesson.

If Sophia accepted Aiden's first task: Aiden will call Sophia to his table and tell her to unbutton her blouse to prove that she's really not wearing a bra underneath. To do it she needs min. 39 Filthy points for what

she'd get **Filthy +1**. Otherwise she can refuse and send Dylan (and Zac) to a boarding school and get **Good Wife +1**.

1st Recess

If Sophia accepted a second date with Mr. Bennet, he'll remind her about it in the faculty lounge.

Talking with Emma (and Aiden) after 2nd literature lesson

If Sophia didn't bond with Emma: Sophia just wishes her the very best of luck in her new class.

Otherwise: Emma will kiss Sophia on the mouth out of excitement. If Sophia has min. 6 lesbian points, she can be cool with it and get **Lesbian Temptation +1**. This will ensure their friendly relationship!

Aiden will tell Sophia her second task (wearing a sexy dress plus an additional task during class). To accept it she needs min. 41 Filthy points for what she'd get **Filthy +1**. Otherwise she can refuse and send Dylan (and Zac) to a boarding school and get **Good Wife +1**.

Back home after work

If Sophia watched Nathalie getting changed and also watched her while she was cleaning in the living room on day 4, there will be a surprising event to get **Lesbian Temptation +2**. But only if Sophia has min. 12 lesbian points!

(Noon)

Sophia will talk with Alyssa and Patricia on phone about the situation. She'll get a phone call from the casino owner and mafia boss, Mr. Tony Morello, who'll invite her to come to the casino the next evening, to talk with her and her husband about their debts.

Noon activities if Sophia refused the deal with Aiden

Thanks to Carl, they find a great boarding school for Dylan and Zac. Sophia will talk with Alyssa and with Dylan about it.

If Sophia made the "bikini-deal" with Dylan, she will call Sam's mom Amber and they will join their kids at the pool

Here it'll come to a "chicken-fight" game. To reach the end of this event, Sophia needs min. 15 relationship points with Sam.

At the end Sophia needs min. 29 relationship points with Sam, to get a special conversation with him.

Afterwards, Sophia drives to the tanning salon.

Noon activities if Sophia accepted the deal with Aiden

Sophia thinks about trying out the jacuzzi finally but it seems it isn't installed yet. So, she has no other choice than to relax in her tub instead. In the meantime, Dylan returns home from school and Sophia has an important talk with him about Aiden, which reveals more about Dylan's attitudes.

Relaxing in the tub as a "jacuzzi substitute"

If Sophia made the "bikini-deal" with Dylan, he will knock at the door while she's relaxing in the tub and ask to join her. To allow it, Sophia had to stay in his fitting room and let him masturbate in front of her (check the beach event on day 16!). Additionally, she needs 26 relationship points with him! If these conditions are true, she'll get **Dylan +1**.

Otherwise afterwards, Sophia will go with her sister shopping to look for a sexy dress for Aiden's task.

With Dylan's foot massage in the tub, if Sophia has min. 41 Filthy points, she can ignore his boner pressing against her foot and get **Dylan +1** and **Filthy +1**. Or stop and get **Good Wife +1**.

Sophia offers to drive Dylan to the mall and buy him some video games plus the new game console.

During the ride, Sophia can pull her skirt up and get **Dylan +1** and **Filthy +1**. Or not and get **Good Wife +1**.

In the mall with Dylan

Sophia will allow Dylan to come with her inside the fitting room, because she promised him on day 14 that he can watch her getting dressed once.

Later Dylan will have another talk with his mom where he'll ask her again to show him her breasts.

Finally, Sophia can decide to show him her breasts for "educational purposes" and get **Dylan +2** and **Filthy +2**. But for that she needs min. 42 Filthy points and 29 relationship points with her son. Or she can think that this is absolutely taboo and get **Good Wife +2**.

Additionally, she can lift her skirt up in the fitting room and get **Dylan +1**.

After Dylan's deepest desire is finally satisfied, they will talk in the boutique. Dylan remembers the incident from Day 2 and asks his mom about "bikini fashion modeling". For that he'll buy her bikinis as a gift with his own money. Because Sophia feels much more comfortable now wearing bikinis in her son's presence, she accepts.

If Sophia has all 30 relationship points with Sam, she can ask Dylan about inviting him as well to their little bikini fashion show. This way it would be fairer.

But in the end, Dylan decides about that. This decision is important for Dylan's attitude towards his mom with other guys! Sophia won't get any points with Sam, but he will remember this event.

If Dylan accepts and Sophia pushed him to tell her what his buddies are talking about her behind her back, she'll finally learn what "MILF" means. Plus, **if she didn't have sex with her husband the night before**, she will have the option to be turned on by those filthy thoughts of the guys and get **Filthy +2**. Or not and get **Good Wife +2**.

(Afternoon)

Fashion show Version A (for Dylan and Sam)

(Sophia won't get any points with Sam here! This event is more for Dylan's character development.)

Dylan bought 4 bikinis for his mom, which she will showcase one at a time.

With the **2nd bikini**, her pubes will poke out up top a little bit. She can tell the boys and get **Filthy +1**. Or conceal it and get **Good Wife +1**, which means the end of the show.

Dylan asks for a lewd pose. Do it (min. 40 filthy points required) and get **Dylan +1** and **Filthy +1**. Or refuse and get **Good Wife +1**, which means the end of the show.

Then Sam asks about feeling the **2nd bikini** fabric. Dylan decides about that. This decision is important for Dylan's attitude towards his mom with other guys!

Dylan asks his mom to bend forward. Do it (min. 43 filthy points required) and get **Dylan +1** and **Filthy +1**. Or refuse and get **Good Wife +1**, which means the end of the show.

At the end of the presentation of the 2nd bikini, Sophia will get the option to tease the guys with an extra pose. She'll get **Filthy +1** for that.

The **3rd bikini** will be much more revealing, and Sophia can decide to show up in front of the guys in it (min. 46 filthy points required), for which she gets **Dylan +1** and **Filthy +1**. Or she can refuse and get **Good Wife +1**, which means the end of the show.

Dylan will ask his mom about touching her butt. She can do it and get **Dylan +1** and **Filthy +1**. Or she can refuse and get **Good Wife +1**, which means the end of the show.

If Dylan allowed Sam to touch his moms **2nd bikini**, then Sam wants also to feel the **3rd**. Sophia can allow it and get **Filthy +1**. Or refuse and get **Good Wife +1**.

If Sophia allows Sam touching the 3rd bikini, Dylan will get in and touch her thong. She can let him and get **Filthy +1**. Or take his hand away and get **Good Wife +1**.

If Sophia let Dylan touch her thong, she'll notice that the boys will stare at her crotch. She can cover it and get **Good Wife +1**. Or tolerate and get **Filthy +1**.

The **4th bikini** will be a semi-transparent one-piece. If Sophia shows up in it (min. 52 filthy points required) she'll get **Dylan +2** and **Filthy +2**. Otherwise the show's over and Sophia gets **Good Wife +2**.

If Sam was allowed to touch the bikini fabric before, he'll get the chance with this one, too.

After the "bikini fashion show", Sophia will drive to the tanning salon.

Fashion show Version B (for Dylan only)

Dylan bought 4 bikinis for his mom, which she will showcase one at a time.

With the **2nd bikini**, her pubes will poke out up top a little bit. She can tell her son and get **Filthy +1**. Or conceal it and get **Good Wife +1**, which means the end of the show.

Dylan asks for a lewd pose. Do it (min. 40 filthy points required) and get **Dylan +1** and **Filthy +1**. Or refuse and get **Good Wife +1**, which means the end of the show.

Dylan will ask once again about taking pictures and Sophia will let him in the end, with the condition that he deletes them afterwards.

Dylan asks his mom to bend forward. Do it (min. 43 filthy points required) and get **Dylan +1** and **Filthy +1**. Or refuse and get **Good Wife +1**, which means the end of the show.

The **3rd bikini** will be much more revealing, and Sophia can decide to show up in it (min. 46 filthy points required), for which she gets **Dylan +1** and **Filthy +1**. Or she can refuse and get **Good Wife +1**, which means the end of the show.

Dylan will ask his mom about touching her butt. She can do it and get **Dylan +1** and **Filthy +1**. Or she can refuse and get **Good Wife +1**, which means the end of the show.

Dylan will ask his mom about touching her breast. She can do it and get **Filthy +2**. Or she can refuse and get **Good Wife +2**, which means the end of the show.

Dylan will ask his mom about a more daring pose. She can do it and get **Filthy +2**. Or she can refuse and get **Good Wife +2**, which means the end of the show.

The **4th bikini** will be a semi-transparent one-piece. If Sophia shows up in it (min. 52 filthy points required) she'll get **Dylan +2** and **Filthy +2**. Otherwise the show's over and Sophia gets **Good Wife +2**.

After the "bikini fashion show" they'll look at the pictures in Dylan's room.

Then Sophia will drive to the tanning salon.

Briefly shopping with Patricia (only possible if Sophia continues Aiden's blackmail story + if she refused Dylan or wasn't relaxing with him in the tub!)

Patricia just helps Sophia to find some sexy clothes. Afterwards, Sophia will drive to the tanning salon.

At the tanning salon

Sophia will surprisingly meet Zac, Alyssa's son, who's working there. Zac will keep the salon open after the normal closing time for Sophia.

Sophia will get the chance to tell Zac her actual nipple color. She'll get **Filthy +1** for that. Or not and get **Good Wife +1**.

If Sophia accepted Bennett's second date, she'll get a message from him with the restaurant and the time.

Attention: Sophia will only get the chance to approach Zac here, if she 1) continues Aiden's blackmail story. 2) If she became good friends with Alyssa before.

If this is the case: Sophia will get the chance to accept Zac's help with the lid of the tanning bed and get **Filthy +1** for that. Or she can keep trying to open the lid by herself and get **Good Wife +1**.

Then she has the choice to either allow Zac to stay in the room and get **Filthy +1** for that. Or not and get **Good Wife +1**.

Afterwards, Sophia will drive Zac home.

Attention: Zac will only ask Sophia to come inside under the same condition as before! That is, 1) Continuing Aiden's blackmail story. 2) If she became good friends with Alyssa before.

In Alyssa's apartment, Sophia can decide either A) to let Alyssa stay in her bathrobe, for which she'll get **Lesbian Temptation +1**. Or B) tell her to change. Option A is advisable if you'd like to develop the relationship with her further! Because only then will Sophia get the chance to share private secrets with her. Plus she admires her breasts when Alyssa's towel slips down a little bit.

(Evening)

Back home from the tanning salon

Sophia will talk with her husband about stuff like the casino debt and Dylan's problems with Aiden.

Only if Sophia continues Aiden's blackmail story, she can accept her husband's proposal of letting Dylan practice self-defense with an ex-Navy SEAL. This decision will be important later in the game. Especially for a bonus side story!

Relaxing in front of the TV (If Sophia blew off Dylan's teacher, Mr. Bennett)

Sophia will talk with Dylan about the self-defense training.

Then Ellie will come home, and if Sophia showered with her this morning and they looked at each other, they will take another shower together.

2nd Dinner with Dylan's teacher, Mr. Bennett

Mr. Bennett will demand that Sophia take her panties off during the dinner. Sophia can do it (if $F > GW$) and get **Filthy +1** for that. Or refuse (**Good Wife +1**) and drive home, which will be the end of this storyline!

Mr. Bennett will want to prove to Sophia that his dick is as big as his ego and presses her bare foot against his manhood. Sophia can calm down afterwards and get **Filthy +1**. Or tell him to go to hell and drive home (**Good Wife +1**), which will be the end of this storyline!

Back home, Sophia will talk with Dylan about the self-defense training and then relax with Ellie in front of the TV in the living room. If Sophia showered with her this morning and they looked at each other, they will take another shower together.

Taking a shower with Ellie before bed

Ellie will suggest they use the central showerhead. If Sophia accepts, she'll get **Ellie +1**.

If Sophia allows Ellie to soap up her butt, she'll get **Ellie +1**.

If Sophia French-kissed her sister, she can admit it, whereupon Ellie will ask to experience the same thing with her. Here the dialogues are a little bit different, depending on if Ellie and Julia kissed each other at the pool on day 15. If Sophia kisses her daughter (Ellie min. 22!), she'll get **Ellie +2**.

Ellie will start to caress her mom's bottom. Sophia can let her do it and get **Ellie +1**.

Day 18 (Wed.) (Playable Day 11/30!)

(Morning)

Breakfast in bed with Dylan

If the bikini fashion show took place the day before, Dylan will surprise his mom with a breakfast in bed.

Afterwards, Dylan asks if they can change together. If Sophia allows it, she'll get **Dylan +1**.

Dylan will have the chance to peep on his mom through the mirror. But further than seeing her breasts you shouldn't go or Sophia will catch her son and she'll **lose 20 relationship points** with him!

Otherwise, Sophia has the option to ask her son to help her with the bra. This will bring her **Dylan +1**.

If she allows him to feel the fabric of her lingerie, she'll get another **Dylan +1**.

Biology class

If Aiden's deal was rejected, Sophia will just teach a regular lesson, wearing an ordinary office dress.

Otherwise, Aiden will call her over to his table and ask her to lift her skirt. She can do it (if F > GW) and get **Filthy +1**. Or cancel the deal and get **Good Wife +1**.

Aiden wants her to show her panties also to the rest of the class. If she does it: **Filthy +2**.

If cancel the deal: **Good Wife +2**.

If Sophia didn't cancel Aiden's deal, she'll have the option of a special dialogue with Zac Price after class. But only if she let him stay in her booth in the tanning salon the day before. If Sophia had a conversation with Alyssa at her place the day before while she was wearing a towel and shared private secrets with her, then she will have some special thoughts about Zac.

If Sophia was cool with Emma kissing her the day before, she will appear and talk with her favorite teacher.

If Sophia has min. 31 relationship points with Dylan (at least showed him her breasts), she has the option to hook Emma up with him. She'll pick her up the next day after school, so that she can tutor her son in physics. **This option is only available, if Sophia fulfilled Aiden's 2nd task!** You have this chance only this time! **This is the only way to continue Emma's storyline but on the other hand it will end Dylan's storyline!**

Relaxing by the pool

If Sophia reported the "subway thugs", a police officer will call her and tell her the good news that they found and busted them!

By the pool, Sophia will play a little bit with herself but will get interrupted by a noise from the neighboring garden. She can either find out who's there or just ignore it and keep relaxing.

It turns out that it's Sam, who's allegedly learning in his treehouse. If Sophia has full relationship points with him (30) she can allow him to come over which brings her **Sam +1**.

Sam will ask his MILF neighbor if she liked the way he was sitting behind her during their cello lesson. If Sophia says yes, she'll get **Sam +1**.

Sam admits to Sophia that he had a dream about her last night. If Sophia wants to know more about it she'll get **Sam +1**.

After Sam admitted that he has some serious feelings for Sophia, he will ask if she'd be his girlfriend in "another life". If Sophia says yes, she'll get **Sam +2**.

Ellie asks Dylan for help with her laptop (bonus storyline)

Only takes place if Sophia didn't remember Dylan to lock the door on day 4, so that Ellie saw him naked and took vengeance on the beach by secretly putting Viagra in his burger. Plus, Sophia had to fulfill Aiden's 1st task. **If she didn't fulfill his 2nd task this morning, this event will still take place, but there won't be any sequel later!**

2nd side job - Interview with Ava Myers plus 1st workday

Mrs. Myers tells Sophia that she's home schooling her kids (3 sons and an older daughter, who's currently in Japan). Since Sophia is a teacher herself, Mrs. Myers will ask her, instead of helping checking the master theses, to educate her 3 boys as her representative in biology, geography and literature.

During biology class, it'll turn out, that Mrs. Myers educates her kids strict catholicly. Well, at least, what concerns girls and sex. So, her boys have no clue of anything for that matter.

Sophia can either persuade Mrs. Myers to teach her boys sex ed, or just don't interfere in their business.
