## SUNDAY – FIRST STEPS

Before I leave my Room I pick up the **5\$ note** from the Desktop, open the map and went to the mansion and meet **Lucius**, the bodyguard at the gate. I didn't want to get in trouble with him, so I was **Polite**.

I want to know about the location as fast as possible, so I look on the *left Side* of the mansion, checking the location (**Hot Tub**, **Back Entrance** and **Garden Shed**) and enter the right side of the **mansion** called **Pool Area** and the **Side Yard**

At first I check the girl, recognize her as **Evelyn** and answer her question with **Truth** (**Trust+1, Lust+1**). Next I visit the **Wooden cabinet**, take the little **key** and find a **picture** (Evelyn 02) from the inner chair to the right side and take a look to the **Side Yard**, where the **water pump closet** stands.

I return to the Entrance and I find a **parking vehicle area** with a **black car** and click on it to take a closer Look. On the floor in front of the left tyre is another **picture** (Violet 01). I can't open the door of the car yet, so I decide to leave the car and head to the **main entrance**, because its time to meet **Richard**.

The Door opens and another nice surprise is showing up: **Sophia**, **Richards** secretary, first I tried to **tempt** her, it goes wrong so I **apologized** to her and she likes it (**Trust+1, Lust+1**). I get the chance to check her up once more as she leads me to **Richard's office**.

Getting the Chance during the Conversation I ask him about his **Profession** then followed about his **Family** and at least about the **Tasks**. He informs me, that **Sophia** would provide me in any need of finishing the Tasks. At the end, I got some pressure and I had to **use the WC** first, **Richard** informs me about the nearest Location and on the way I notice a **picture** (Sophia 01) on the floor near the stairs.

Next I went upstairs and I open the double door on the left side (**Bathroom**). I pickup the **paper** first (Code 4857) and **use** the toilet. It seems, I forgot to lock the door and get another "surprise": **Nathalie**. I **didn't cover** myself and tried to **flirt** with her. Since the situation got a little worse I **stop** (**Trust+1, Lust+3**) my action.

After that little accident (:D) I went downstairs and meet **Sophia** at the stairs again, letting me know that **Richards** Wife **Doria** want to see me in the living room, after thanking for the rescue of her husband we talk a little about **Richard**, her **Profession** and the **Family**. It seems, that **Doira** lacks of emotions, so I tried to **Tempt her twice** to know more about her and **Gentlemanly** her too (**Trust+2, Lust+2**).

 AFTERNOON

I have nothing to do and leave the building to face **Violet** and have a little introducing talk with her (**Trust+1**). Seconds later I get a call from my friend **Jeff** to meet him at his home. On the left side in the Alley, near the trinket, I pickup **5\$** and look closer to **the garage** and find another **picture** (Nathalie 01) on the left side on the ground. At the entrance to **Jeffs Home** you find a **screwdriver** between the green Dumpster.

Trying to enter the building was interrupted from **Bella**, his sister. I talk with her about the **Neighborhood, Home** and her **Troubles** and afterwards about her **Job** and her **Relationship**. It's tempting, but I **don't grab her ass (Trust+3, Lust+2)**.

 EVENING

**Bella** left and I finally meet **Jeff** and ask him about his sister **Bella** and **himself** (no points at all).

 NIGHT

**Jeff** invites me to a downtown pub and after some time I notice the arrival of the supermarket cashier at the pub, warned **Jeff** and he rushes out to avoid to be seen by her. She notice me and tell me her name **Rose**. I agree with **Yes** to join her company, we talk and later she invites me to her home (now accessible). Some time later she let me decide between her **Mouth, Cunt** and later her **Ass**. I finished in her **mouth (Trust+2, Lust+4)** and went home.

**MONDAY (Day 1)**

 MORNING

I want to inspect the **pool** first to think about how to remove the leafs but I can't inspect it yet but can speak with **Doira** for the first time. I **flirt (Lust+1)** with her and take a little **Chat** about her Hobby (Yoga in the afternoon with her sister **Jane** in the **park** (new location) and invites me to join both which I agree. (**Trust+1**).

Next we talk about **Richard** and I want to talk about her **Relationship**, but she is blocking and change the theme with the question for a coffee and I get a nice view from her Ass and afterwards I have to leave.

I meet **Sophia** and **Flirt (Lust+1)** with her and was informed about the **job** (Cleaning the pool). She gives me the **key** for the **Garden Shed** and I return to the **Pool Area** to get a point of view about the condition of the **Pool**.

I walk to the left side of the building to reach the **garden shed** and open the door. Besides the **pool cleaner** I can take the **rope** also but can't get the **chlorine** yet. At the **Pool Area** I managed to use the **pool cleaner** to catch all the leafs and I walk another round to the **garden shed**, leave the **pool cleaner**, where it belongs (it vanished?) and take the **chlorine**. But too bad, the **chlorine** is empty and I have to buy a new one and remember, that **Sophia** provides me and I want to talk with her and go to the entrance.

## AFTERNOON

I inform **Sophia** about the missing **chlorine**, she gives me **50\$** to buy it from the **hardware store** on the **West side of Denos**. Leaving the entrance I notice **Violet**, greet and trying to **Flirt (Lust+1)** with her. The talk continues about her **Hobby** (Jogging in the evening in the **park**) and she invite me to join her and I agree (**Trust+1**). Further questions about her **relationship** didn't succeed but I was **understanding** and she currently do not date anyone.

My next stop: **Hardware store**. I buy the **chlorine** for **45\$** (Notice: apply between 12 and 15 PM) and return to the **pool area**, where I can talk with **Evelyn** (no points) first and she moves wrapped with the bathing towel to the sunbed. After using the **chlorine** in the **pool** there is a Cutscene following with **Nathalie (Lust+2)** and **Evelyn (Lust+1)**.

## EVENING

Trying to **activate the water pump** in the **side yard** goes wrong, so I have to **use the screwdriver** to open the **water pump closet** first. My Job is done but I can't inform **Sophia** about that (absent?) so I decide to talk with **Doira** at the **wooden cabinet** and I want to find out, what **kind of Book** she is reading. I am using the **G-Browser on my phone** and search for the title "Story of O" but can't talk with **Doira** yet because of lacking Trust (no bug).

It's time to meet **Violet** in the **park** as promised and answer her question to join with **Yes**. Then I am **true** about lacking condition, but can't help to **look at her ass** during the session. After a short time **Violet** ask me if I like her, I agree and we reach the end of the jogging session. (**Trust+2, Lust+1**).

## NIGHT

Although I have some energy drain from the jogging I decide to meet **Jeff**, he is not at home but I find **Bella** in a kind of strange situation and want to talk with her but she's upset and I only could **Emphatize** her (**Trust+2**).

## TUESDAY (Day 2)

### MORNING

I want to check the **pool** and meet **Doira**. First a **Flirt (Lust+1)** with her, then **Chat** about her **Hobby** (In the afternoon Yoga in the **park** with her sister **Jane**) (**Trust+1**). Asking about **Richard** and her **relationship** leads to my **understanding** and we finish the talk. But she is more openminded as yesterday so I have to try it every day.

I walk to the entrance, **Flirt (Lust+1)** with **Sophia** first and inform her about the finished Job. She gives me **50\$** and reminds me to clean the pool constantly. My next job would be tomorrow, so I have free time for the rest of the day.

### AFTERNOON

Once more I meet **Violet** again. I like to **Flirt** with her (**Lust+1**), another **Chat** doesn't make sense (no Points) and I am walking to the the **Pool Area** and meet **Evelyn**. Before sunbathing she waste no time to show me her bath suit (bikini).

I decide to go to the **park** to meet **Doira** and her Sister **Jane**. The introduction with **Janet** was fine (**Trust+1**) and that's why I answered **Doira's** Question with **Yes** and it seems, that **Jane** liked my first appearance very much (**Trust+1**). During the Yoga-Session I got the chance to look at both Asses, but staring at **Doira's** ass was noticed from **Jane**. During the bending session and followed by their ass-shaking session (my title) was hard for me because I couldn't prevent my demand to check **Doira's** and **Janet's** Ass once more, also noticed from her too but surprisingly, she only smiles about it (**Lust+1**). At the end **Doira** seems more to focus on my crouch, about thinking of the reasons of my boner. (**Lust+1**)

### EVENING

The Yoga-session reminds me about **Doira's** Book and I decide to take the chance once more to talk about with her but without luck. I went to the **hardware Store** to buy the **climbing hook** and **combine the hook** with **the rope**. Just in time, I went to the **park** for my next Jogging session with **Violet**. I answer her with **Yes** for the session but it didn't end well: She stumbled on a stone, lose her balance, fall to the ground and hurts her ankle.

Trying to walk seems to hurt her, that's why I carried her to a nice place and begin to massage her swollen ankle. It seems to get better with walking so we decide to go to a café to drink some hot coffee. During this event **Violet** appreciate my sincere with her (**Trust+2**) and she talks about her previous relationship with a women and her bad experiences from it. She surprised me at the end with a Kiss. (**Lust+2**)

**NIGHT**

A Message from **Rose** should be useful to release some pressure, so I went to **Roses Home** to visit her. She declares her feelings and her kind of submission to me and introduce **Cassidy** as her second surprise (**Cassy** was the second girl as I faked the little robbery with **Jeff**). A really, relaxing Night with both follows. (**Rose Lust+4**).

**WEDNESDAY (Day 3)**

**MORNING**

I am looking for the Pool once more and meet **Doira** for the next **Flirt (In progress)** and during the **Chat** I've another a nice view of her body. Next I meet **Sophia**, **Flirt (Lust+1)** with her and get informed about my new **Job** (Mow the lawn). A sequence about a past experience got in my mind (Jeff meets me in the prison) and after that I went to the **garden shed** to check the **mower** and as I expected: Empty Tank and the **gas can** is also empty. I grab it and return to **Sophia**. She informs me about the location of the **gas station** (next to the **supermarket**) and gives me **30\$**.

**AFTERNOON**

I have the luck to meet **Violet** again, but can't **flirt** with her (in Progress). I ask her about a little time for a **Chat** with me and she agreed. First question is about the swollen **Ankle** and later in the conversation we talk about the Kiss and what it meant to be for both of us (In progress). Although I ask her once more about her **relationship**. **Violet** don't want to talk about it but instead she give me a kiss in the end (**Trust+1**).

It's **Evelyn's** time to go sunbathing and I don't want to miss it → **pool area**. **Evelyn** makes her show again and I get the chance to look at her in one of her bath suits (sexy bikini).

Let's go to the **SuperMarket** and on the right side through the green door to reach the **gas station** to buy the **gasoline** (Entrance to the shop not possible yet) and to return to the mansion. I fill the gas from the **gas can** into the **mower** and begin the maw session.

After thirty minutes I suddenly hear a scream from the house and went to the entrance, where **Doira** open the door and her face reflects panic and despair. She is talking about a green snake in the **bathroom** and I didn't lose time to help her. On my way to the Bathroom I meet **Nathalie** and I got the opportunity of a nice view at **Doira's** Pussy as she try to console **Nathalie**, who is also in fear of Snakes.

Inside the **bathroom** I use the **smartphone** (G-Browser) to know more about the green snake. The flashlight irritates it and the snake bites me in the leg. I **grab the towel**, catch the snake, **take the towel** with the snake from the bottom and **throw both** out of the window, but I **don't close** the window.

Because of the Bite from the snake **Doira** want to patch up the wound in the livingroom (**Trust+2**) and get a little irritated from the view of my penis (in both conditions) during the treatment and I get a nice boob-view of her too. I can't miss that opportunity to peek at **Doira** in the shower (**Lust+1**) ...and later I noticed **Nathalie** (She observed me during my masturbation to her Mom and in the end she masturbated by herself too. (**Lust+2**)). Guess what, I finished my lawn session but can't inform **Sophia** yet.

I have time and go to the **SuperMarket** to **Chat** with **Rose**. Besides other things, she talks about her work, her plan for the future and her work schedule (early morning until 06:00pm). I get my interest about talking with her about her **Hobby gym** (every afternoon around 07:00pm) and she gives me the location and we have a short Quickie.

I am leaving **Rose** and decide to go to the **Gym** (West Side of Denos City) and another surprise: **Cassidy** works at the reception. She recognize me and we **Chat** a little about the opening time (07:00 to 10:00 PM) and about the **inscription fee** (80\$..ouch!!) and say Bye to her.

Next stop is the **park** to meet **Doira** and **Jane** for another Yoga-Session, but this time my **staring at Janes Ass** during the bending-session was the only one noticed from **Janet** (**Lust+1**). We finish the yoga-session and **Doira** invites me to a café and talks about her sisters job (photographer) and her niece **Alison** and gather some other information. **Jane** didn't hesitate to take the chance to give me a handjob under the table.

Because of the activities of the day with **Doira** I am trying to get another chance to talk with her about the Book. It seems to be on the right track..**Doira** didn't block, but she thinks that the time isn't right and maybe should it be on another occasion, well I can hope for the future. My Session with **Violet** in the **park** stuck at the moment too (In Progress).

**Jeff** is not at home and **Bella** too, but it's not too late to get into some action, because I remember about the bathroom window on the 1<sup>st</sup> floor and using the **ladder** I get the chance to enter the house unseen and maybe I can find some important information about **Richard** or his Family.

I enter the **backyard** and **use the Ladder** at the **balcony** (between the corner and the 2<sup>nd</sup> pillar of the building). I climb up the rope and enter the building through the bath window. The first room I want to inspect belongs to **Nathalie**. My

eye notice a [picture](#) (Doira01) on the left side of her bed and I [remove her blanket](#) to get a closer look. Other options either not choosable (Take off pants) or lacking of Lust Points (Wake up).

The next room belong to **Evelyn**. It seems, she's fallen asleep on her bed although the lights are on. Because of that I good look at her body. All options are not chooseable yet or lacking of Lust Points. Too bad but I concentrate my attention to the left side (her Laptop). Hmm, it's password protected, but I want to [try a password](#) and I use the 4 digits from the [crumbled paper](#) (4857).Bingo !!! I check **Evelyns calendar** and got some information about her "dates" and their preferences. Next followed by her eMails, it seems she works and get some money from an agency called [Hot Partners \(Search G-Browser\)](#), Finally I search through the folders and find some sexy pictures of **Evelyn**. (Thanks to **Zongor!**)

## THURSDAY (Day 4)

**MORNING**

Yes, right ....I meet **Doira** at the [pool](#) and talk with her about her new outfit, which fits her well and I promise to go shopping with **Jane** and her (**Lust+1**) and as before, she get her a coffee and offers a nice revealing view to me. I ring the Bell at the entrance and meet **Sophia**, [Flirt \(Lust+1\)](#) with her and tell her about the finished [job](#) (Maw the lawn) and get [\\$50](#). My next job is tomorrow and I have much time for other things to do.

**AFTERNOON**

Talking with **Violet** once again makes no sense (no progress further until the next update) and its time to give some "attention" to **Evelyn's** teasing, nice a string tanga and I think about further tactics to catch **Evelyn** as escort model. Time to visit **Rose** at the [SuperMarket](#) and "convince" her during the [Chat](#) for a [something new \(Lust+4\)](#). A walk to the [park](#) is good for my condition, but **Doiras** and **Janets** Yoga-session are now in progress..my bad.

Because of the money ([86\\$](#)) I am thinking about paying the inscription fee for the [gym](#) and perhaps I could get into some "action" with **Cassidy** too? It's too appealing and I went to the [gym](#) and pay the [80\\$](#) and observe the rooms. Looking closer to the locker lock I remember the [small red key](#) und try to open one of them and succeeded.

Next Walk leads to **Jeffs** Home and I meet **Bella** again and during the talk with her I remind if the strange situation 3 Days before but she won't talk about it. I decide to wait for the next meeting at [Night](#). A short trip to the [park](#) gets me more frustration..**Doira** and **Jane** Yoga Session stucks too.

 EVENING

Only frustrating... **Violet's** next Jogging-session is in progress and **Doira's** *wooden cabinet* session too, because she didn't change her mind. (Talking about the Book).

 NIGHT

As expected, that's the guy and he talks to **Bella**, it seems he is a nice guy, but had to make his job after all. **Bella** agreed to pay her dept back in some kind of natural way. I can pursuit him to a strip club, get in, hear his conversation about a big night tomorrow, but I have to leave because I received of **Violet's** Message and I don't want to get spotted.

**FRIDAY (Day 5)**

 MORNING

Another day to think about my experiences with the family so far and the next steps.. and was disturbed by a Message from **Doira**. She reminds me about my promise to accompany her and her sister on the shopping date, so I have to go to the mansion and ask **Sophia** for the car keys to meet the "Milfs" in due time (09:00am) at the *park*.

Straight after **Doira's** Message I get a call from **Jeff**. He informs me about the journalist called **Victoria** involved in our affair with **Richard** and gives me her number to get a appointment. During the call she wants to meet me at *Central Square* (new location) in the evening at 06:00pm, sitting on a bench.

What is a day without looking at **Sophia** ? Too bad.. **Flirt** with her gives no points, we talk about the **Job**. She gives me the car keys and reminds me to meet the dateline and I went straight to the *park*. During the drive to the *shopping mall* it seems to be clear that **Jane** wants to make the day special for her sister and for me and besides that she wants to encourage **Doria** to take a little step out of her shell. Looking for some new clothes to fit, **Janet** has some nice surprises, not only for her Sister, for me too.

 AFTERNOON

At the mansion I followed a call to **Richard** about an instant meeting at the *gym* with his superior, **Mr. X**. Because I know the location I follow **Richard** (and **Lucius** too) into the *gym*. **Lucius** is guarding the entrance of the sauna, Although I can't

hear or follow any conversation within, I can enter the **fitting room** and identify **Richard's** locker because of my earlier search before and I found a **key** (possible from his office) and need to **copy the key** within a timeframe of **2 minutes**. I run to the **hardware store** and ask about to copy the key and thankfully pay **5\$** for the copy. I return to the **fitting room** (the meeting isn't finished yet) and put the original key back in the locker, locked it and leave the gym to meet **Victoria**.

 **EVENING**

I meet a hot blonde called **Victoria** WITHOUT a newspaper and after talking with her, my next target is clear:

 **NIGHT**

Trying to get the documents from the safe in **Richard's** office at the mansion in the night (not possible yet).

**SATURDAY (Day 6)**

 **MORNING**

Next Day I make a summary from the situations I met before (**Jane Lust+4**) and went to the mansion. **Doiras** morning talk is in progress, I went to **Sophia** and she inform me to go to **Richards** office, because he wants to talk with me about something and it seems that **Sophie** has also changed her attitude against me and I like it.

Story short: I get a "promotion" from **Richard** and **400\$** (not bad) for my new Job as an assistant for the family. That great news made me to **use the wc** and this time I let the door slightly open and I get another opportunity to get some time with my possible and submissive sex toy for the future... **Nathalie**. She is suprisingly submissive (**Lust+2**).

I buy some clothes first (**-100\$**), drive to the airport and pick **Valerie** up and return with her to the mansion. You got the job to get **Valerie's** luggage to the guest room (theoretical) and get the day off until further instructions.

 AFTERNOON

Suggesting about the welcome scene in the livingroom, I meet **Violet** at the entrance, who invites me for a walk with her in the **park** at noon. **Valerie** was the first theme and after **Violet** doesn't prevent to show some affections towards me and lead me to a secret place of her (nice scene 😊).

 EVENING

I am driving **Violet** to the Mansion and visit the places around it. I meet **Doira** at the **wood cabinet**, and got the opportunity to talk with her about the book she is reading. During the talk she's got more and more excited (**Lust+1**) so I thought about to **dare her** a little more, showed her some possible outcomes and it seems, she's thinking about it later in her room in her own, twisted way :D (**Trust+2, Lust+2**).

 NIGHT

Returning to my home was intervening from **Rosie's** Message to meet her in her **home** and I have the chance to handle my arousing.

 MORNING

A wonderful Morning for... Doira not me :D. It seems that Sophia is now resistant for my flirts and let me know about that **Doira** want to tell me something important. But before I try to get more information from **Sophia** (**Gym** in the evening and **Trust+2**) She informs me, that Nath has her Test for the local Team Selection in Tennis and I agree to help her. (**Trust+2**)

Some minutes later I pick **Nath** up and we are driving (with some little advices according to her upcoming test 😊) to the west side of Denos City to meet **Becka**, her girlfriend. I drive to the court yard, talk a little with both girls before the test begin and, not surprisingly, it ends well for **Nath**. (**Trust+2**) and she ask me about the next lesson with her (**Lust+1**)

 AFTERNOON

I take her home and made a short look at the **Pool-area**, but could not talk to **Evelyn** (she's vanished?) yet, so I return to the main entrance, where **Violet** is waiting for me..

We drive again to the west of Denos City, near the train station to meet the **Kowalski**. Their situation isn't hopeless and perhaps **Violet** can convince **Richard** tomorrow to hire **Georg Kowalski** for my previous work as a gardener.

 EVENING

I am on my way to the **Gym** to meet **Sophie**. A short talk (nothing important) with **Cassy** and I take the chance to look closer at **two** asses (**Sophie and Rose**). I talk to **Rose** first, she invites me to use the **Sauna** together to get closer to her 😊.

Let's get ready to rumble - Street Fight vs MMA - **Sophia** has style and skills too and beat me up in the first round without getting a screech from me (my ego ouch!!) The 2ns round goes a little smoother but I lost once more but I don't give up and want to train with her every evening. During this thought, **Cassidy** shows up and give me a little satisfaction" .. nice 😊.

 NIGHT

A little step-visit to **Nathalies** Room is only for wasting my time, although I have to wait for an update, so I decide to get some sleep.

Yay, no Job today and a little reminder from **Sophia** about our workout in the afternoon in the **Gym** makes the day better and it seems that **Jeff** overtops it with the sight of a computer he asked before and the **Notebook** only costs 150 **Bucks**. **Jeff** promise me to get it to my location and I leave his home and get a call from **Jane** to

visit her at the **cafe**, talking about to seduce her sister and I agree with. I notice some **battery** on the floor and a **picture** (Doira 02) on the left side.

 AFTERNOON

Jane talks about her sister and for how many years **Richard** is cheating on her with the regular visits at the **club**. To get further with **Doira**, Jane ask me to take some photographs with **Richard** and his whores and show them to **Doira** and I have to wait for Janes call (**Trust+2**).

 EVENING

**TUESDAY (Day 9)**

 MORNING

After trying to talk with Sophia, it seems I get another free day so I decide to walk to the **park**, because it's a shiny day and perhaps I meet any of the girls. At the entry of the park, I met a lovely young woman called **Rona** and help her to find her little doggy called **Sam**. She is very thankful and let me know, that she is in the **park** always in the **morning** (Good to know 😊). Nope, no points at all.

Now its time to buy some food and I am walking to the **supermarket** and boy, time is running (advance time) its afternoon.

 AFTERNOON

Seems I got the lucky day for woman and I meet another beauty named **Nicole**. She is searching of a good wine and need my assistance, which I am happy to give. During the search for the good wine, it seems that although she talks highly about her husband (cough, cough) I appreciate her little flirt with me.

I have time and and try something new with **Rose (Lust+1)** .

 EVENING

Thinking of **Doiras** last talk about her book, I am looking for her at the **pool** in the **wooden cabinet** . It seems that **Doira** is open for the first experience (spanking her ass) and I follow her to her room. **Doira** enjoyed the spank (at least 10 instead of 5) and finish with an orgasm. **(Lust+2)**

It's Time to enter **Jeff's location** and to follow **Bella** to find out about her agreement with this shady guy. . I follow them unnoticed until they walk in at some club and I hear the sound of a lock and i have to look for an alternative entrance (Street, Window then Sign). **Bella** is in big trouble and I have to save her at all cost.

At the hall I take the stone from the lower right side of the hall and in the last minute, I knock the psycho down and have escape with a drugged **Bella**. Reaching the lower area I am using the stone to distract the shady guy (right corner) and I have to decide a safe location for her (**Rose** (fake) or **Jane**). Short cut and **Jane** is willing to help me. She gives me her location and I give her a short summary of the situation and during the time of waiting for **Jane**, I inform **Jeff** about **Bella** and got a sexual relieve from her at the end of the day.
