GAME PLAN

The game will list all viable paths that can be played while maximizing each path potential to make each playthrough a unique and enjoyable experience. You'll notice in most cases; the choices are specified in order to ease your mind and avoid missing crucial triggers required to unlock unique scenes each path offers.

The available paths as of v0.5:

A brief description of each path:

MAIN PATH

At the beginning, you'll start here until you reach a point where you have to decide which path to take. It's wise to **SAVE** at the end of this path.

VANESSA

This path will focus mainly on obtaining Vanessa's Scenes, while managing to get the other girls whenever possible. More details will be shown on her Sub-Paths below:

VANESSA'S BLACKMAIL (Sub-Path #1)

This Sub-Path will focus on obtaining evidence on Vanessa's unfaithfulness to Joey and using it against her for sexual favors. As a fair warning, this Sub-Path will contain **NTR** (1 unavoidable pic for the blackmail, while the rest being optional). Currently, this sub path has the most content, also it contains 2 distinct routes:

VANESSA'S BLACKMAIL - CONFESS (Route #1)

Feeling guilty about the blackmail, the MC will confess his sins to Joey which will result in him being mad and causing tension on Joey's & Vanessa's relationship. This will offer a chance to obtain unique opportunities with Joey out of the picture; including but not limited to the possibility of agreeing to Chris's Share Deal, where the MC agree to share girls (Currently not known who from MC's side) with each other.

VANESSA'S BLACKMAIL - NO CONFESS (Route #2)

The MC sticks to his agreement with Vanessa regarding not telling Joey of what happened, in return Vanessa promised to make it worthwhile (Currently no details on what that entails).

VANESSA'S LOVE (Sub-Path #2)

This Sub-Path will focus on winning over Vanessa as much as possible.

Ann

This path will focus mainly on obtaining Ann's Scenes, while managing to get the other girls whenever possible. More details will be shown on her Sub-Paths below:

ANN'S LOVE (Sub-Path #1)

This Sub-Path will focus on winning over Ann and corrupting her to be more open sexually. This will offer a chance to obtain unique opportunities; including but not limited to the possibility of Vanessa joining in during the MC & Ann's sex.

ANN'S HATE (Sub-Path #2)

This Sub-Path will focus on forcing Ann to have relationships with other guys, so if you are not an **NTR** fan, please avoid it. Currently; this path has the least amount of content, but I'm sure more will be added in the future.
