**-Unlock pizza girl as quick as possible you need to make her punch you which means talking to her in every way possible every week. Pizza girl gives you more points to use per week as you complete her quest so its highly important**

**-Taylor Will unlock Her pussy** Only after you do: After Gym threesome

**-Kayley's quest** will only start after "Kayley's first secret" which is watching her through the window at night then you must talk to her daily and

-to unlock **Chloe's FULL STRIP**, Do AL's quest until you unlock the strip club, find Chloe there, after you have gone with some date with her and fucked her talk to her at the College about striping several times until she agrees to fuck you at her show

**-UNLOCKING TAYLORS PHOTOSHOOT** :Keep doing Chloe's Quests until she ask for you to make Taylor take Professional photos, talk to the dude Monday to start the quest to unlock Photosex, you will need to have progressed the dude quest enough to have 4 dude points to meet taylor, After unlocked you can do any monday and friday with the dude

**-How to buy new lingerie for taylor:** after unlocking the photoshoot Talk to Taylor in her room, and it will unlock a store in the map

**-How to unlock the Dude:** after pizza girl punched you, ask her about the Great fire, and check the trash on the main College room

**-Can't Do anything with Amy anywhere:** Wait for her at the next update

**-Can't unlock teachers Action:** Wait for her at the next update

**- an action stopped giving me rewards:** You finished it, for now(more on next update)

**- Why \*put a name here\* don't have ANY/MORE sex:** If you want someone to have more scenes please vote on patreon! I also created a scene ideas tab for super patreons as an extra reward on the discord as a bonus reward. Scenes may not be made but it will give me and gds some ideas of where the story could go
