

PARTY WALK-THROUGH

Made by Kertug

In Tom's house.

First talk with Charles and he tells you about a tinymon card, walk outside the house to the front yard, you will see with the shining stars where the card is.

Go back inside and give the card to Charles.

To unlock Sarah's HJ and BJ scene follow the next steps:

Go to the top floor, enter the room to meet Tom's sister, continue to bring her drinks until unlock her scene.

When you give her the first drink talk to her again for the second, when you finish to mix the second drink the scene with Sarah and Christian talking into the kitchen starts, after the talk go fast upstairs and click on the door of the bathroom, to lock Christian inside, then go to the top floor to give the second drink to Tom's sister.

After the scene with Rachel (do not try to find Christian's staff you can't), go again to top floor and talk to Tom's sister, go and make her the third drink, when you give her the drink, enjoy.

After the scene choose whatever girl you want to make a drink, it doesn't matter, after the mixing of the drink the contest continues and Daisy is approaching you, watch the last scenes of the party and enjoy Sarah.

That's it, after that continue the game and ignore the hint to delete the photos in Christian's house after completing Mrs Turner quest. This update ends here.
