

Rise of the Crime Lord Walkthrough (0.6)

The walkthrough has been created to give you the best possible chance to make the game's protagonist Rick a crime lord.

During the story you will meet different characters. Maintaining a good relationship with these characters is important to achieving the ultimate goal of the game.

Your decisions determine relationships and events. In this walkthrough, I'll show you the decisions you need to get the best ending. But before this, some helpful tips:

Relationships Points: in the background, a point system running invisibly in front of the player is called Relationships Points. These determine the relationship that Rick and Cora have with a given character. (XY Friend, XY Romance, XY Professional, XY Jealous, etc.). Some decisions have a small impact (like flirt), others have a great deal of influence on these points (like kiss or sex).

The most important thing during the game is to prevent Rick's family and friends from hating him, in which case they can leave, which can be fatal for other characters, including Rick.

HINT: If you sometimes deviate from a relationship path, it will not be final. For example, if Rick is in a romantic relationship with Ashley but you don't want to divorce Cora, you might want to avoid public kissing with Ash. This will strengthen the friendship, but it does not mean permanent friendship. There will be a certain "commitment point" for each characters.

Cora and Rick: there are three ways to play the game in terms of Cora and Rick's relationship:

- They can divorce: to do this, you must follow the Divorce route throughout the play, and at least one of them must cheat the other.
 - They can be faithful spouses: in this case, you need to follow the Spouse route, Rick maintaining only friendly relationships with all women except Cora, and Cora only maintaining friendly relationships with the other male characters (XY Friend).
 - They can live in an open marriage: in this case, you need to follow the Spouse route, but Rick and Cora also have romantic or sexual relationships with others.
- ATTENTION!** It is enough for one of the parties to be unfaithful to open the Open Marriage route, so you don't have to go the NTR route if you don't want to.

PROLOGUE: THE BEGINNING OF THE END

In the ruined room

- „Or my friend, Crowe?” – The other way you miss some events that will be referred back to later.

Judit's home

- „It's shit show, but I pretend to believe it.” (Crowe Friend) or „Of course... Oooh sure...” (Crowe Professional Relationship).

Hint: In the case of male characters, it is worth preferring a friendly relationship, giving you more loyalty and more opportunities.

In the ruined room

- „That's enough.” – If Gabe shoots Clu, it can cause trouble later.

In Judit's home

- „Do I choose safe, but boring homework with Ash?” (Miri Ex-Girlfriend route closed) or „Or do I choose exciting peeping with Miri?” (Miri Ex-Girlfriend route opened).

Hint: If Miri Ex-Girlfriend route is closed, it will be easier to reconcile the sisters later, but the story will be more exciting if Rick and Miri have a shared past.

(If chose Ashley.)

- „I think honesty will be the best.” (Ash Friend) or „A little lie can't hurt.” (Ash Romance).

Hint: In the case of female characters, the romantic relationship opens the sexual content and a friendly relationship closes it.

CHAPTER I: THE PAST IS PAST

Judit's home, Rick's room

From the photos you can find out a few little things about Rick's family.

Judit's home, living room

- „I'm going to hug her.” (Judit Romance) or „I kiss her cheek.” (Judit Friend).

(If you asked about Crowe.)

Judit's home, night

(It only appears when the Judith Romance is already high.)

- „Can I be even more reckless?” (Judit Friend) or „Time to take the move.” (Judit Romance).
- „I'm not going to think about it all my life.” (Judit Lover route open; this is Judit commitment point) or „It's good if I never get an answer to this question.” (Judit Lover route closed).

Hint: If the Date with Judit route closed in Chapter I, but you want a good relationship with Judit, then it is better to keep the Judit Lover route closed.

(Judit Lover route)

- „I want to see her face.” – Missionary position.
- „Her ass fascinated me.” – Doggy position.
- „Now she's pampering me.” – Cowgirl position.

Judit's home, morning

- „I keep what I promised myself.” (Terence Professional Relationship, Terence Hate route closed) or „I'll be a good man tomorrow.” (Terence Hate, Terence Hate route open)

Hint: If you open the Terence Hate route, the game gets harder and options like the Kendra Lover route and the Terence-Kendra Swinger route remain closed.

CHAPTER II: THE TROUBLE COME WITH WOMEN

In the SSG

- „I'll be a gentleman.” (Spouse route) or „A little flirting can't hurt.” (Rachel Romance).

Hint: If you want to achieve Open Marriage then you can choose the romance option when both Spouses and XY Romance are available.

In the strip club (Diesel route)

- „Alright, I'll call her sometime.” (Crowe Friend).
- „But gently.” (Jerry Friend) or „Not tolerating the contradiction.” (Jerry Professional Relationship).

In the SSG (Overtime route)

Rick's home, evening (Faithful route)

- „Come here, beauty!” – Missionary position.
- „I've said many times, I'm a man of action.” – They have sex while standing.
- „I cum in her pussy.” – no need to fear, no child will be born.
- „I cum on her breast/face.” – no comment.
- „I cum in her mounth.” – I think that's clear.

Rick's home, morning (NTR route)

- „OK.” (Divorce route) or „Me too,” (Spouse route).

In the SSG, reception

- „She doesn't need to know the truth.” – The other two options worsen Rick and Rach's relationship; Rick will need her later.

(Diesel + Faithful route)

- „I'll be better not to risk.” – Blackmail can be successful the other way, but without solid evidence, problems may arise later.
- „Maybe it's worth the risk.” – The other option on this path will result in Game Over.

(Diesel + NTR route)

- „Maybe it's worth the risk.” – The other option on this path will result in Game Over.

(Overtime + Faithful route and Overtime + NTR route)

- There is no decision situation on these two routes.

In the SSG, Rick's office

- „That's enough.” (If no video) or „Well, there's one thing...” (If there's a video and you're curious about Kelly's boobs).
- „I owe her so much that I'll listen to her.” – The Date with Judit route will open in the Chapter 3. The other two options will open the Date with Sam route, also in the Chapter 3.

Hint: if you want a good relationship with Judit, you might want to open the way to Date with Judit route. Plus that road is a lot more exciting.

In the SSG, elevator

- „But Rach can't expect more because of Cora.” (Sam Friend) or „Here's the chance, Rick. Do it!” (Sam Romance).

Ashley's home

(If Miri Ex-Girlfriend route closed)

- „A quick glance can't hurt.” (Ash Romance) or „Be a good boy, Rick.” (Ash Friend).
- „If you need money, I'd like to lend it.”
- „I will not stay.” (Ash Friend) or „I stay, but only for a kiss.” (Ash Romance; open the Ash Lover route).

Rick's home

- „I am going to bed.” – immediately jump to the last scene.
- „I'll see some movie and then I'll sleep.” – Star Wars fans should come here. ☺
- „I jerk off.” – no comment.

(If jerk off.)

- „Ashley, who else?” – if you looked Ashley in her apartment, you get a bonus image.
- „Cora, of course.”
- „After the today's day only Kelly.” – If you saw Kelly's breast, you get a bonus image.
- „Sam fired my desires, be she.”
- „Rachel, the little fiery bitch.”

CHAPTER III: THE WIND OF CHANGE

Rick's home, morning

(If Miri Ex-Girlfriend route open)

(If Ash Lover route open)

- „I listen to my heart” (Ash Romance) or „I listen to my mind.” (Ash Friend)
- „I just got tired of both of them.” (Good Sisters) or „Ashley is right.” (Bad Sisters; You're standing on Ash's side) or „Ashley is unfair to Miranda.” (Bad Sisters; You're standing on Miri's side).

Hint: if you are on Ash or Miri's side, you will improve your relationship with your chosen one, but if the twins have a bad relationship, it can be a big problem later if either or both of them become Rick's lover.

- „Why not do something together?” (Trio route) or „They need to talk, they should be left alone.” (Rick alone route) or „The truth is, I prefer Ash.” (Rick & Ash route) or „After all, first I promised Miri.” (Rick & Miri route)

Hint: If only one girl goes to breakfast with Rick, the other gets angry with him, plus the sibling relationship gets worse.

- „I'll reply in a quick message.” (Spouse route) or „I'll call her later.” (Divorce route).

In the park (Trio route)

- „The last one.” (Good Sisters) or „The first one.” (Bad Sisters).

In the park (Rick & Ash route)

(If Ash Lover route open)

- „Damn the risk! I grab her ass.” (Ash Romance) or „I'd rather not risk it, I'm happy with the kiss.” (Ash Friend).

(If Ash Lover route close)

- „Her ass is calling me.” (Ash Romance) or „I'm happy with hugging.” (Ash Friend).

Don Papa's Dinner (Rick & Ash route)

- „I won't leave her.” (Good Sisters) or „Now I let this go.” (Bad Sisters)

(If Ash Lover route open)

- „I touch her hand.” (Ash Friend; Madison Bribe route closed) or „I kiss her.” (Ash Romance; Madison Bribe route open)

(Madison Bribe route)

- „Here goes nothing.” – In the other choice, Madison reports on Rick and Ash to Cora (Divorce route), but if you want to divorce Cora, even then it is worth trying the bribe.
- „I'll give her \$ 25.” – Divorce route; Madison tells Cora about the kiss and also about Rick trying to bribe her.
- „I'll give her \$ 50.” – Madison accepts the money and doesn't talk about the kiss, but if she sees Rick again in a similar situation, she'll tell Cora.
- „I'll give her \$ 100.” – Madison accepts the money, doesn't talk about the kiss and will be lenient to a certain limit.
- „I'm going to threaten her.” – Madison is guaranteed to be silent and will not say anything later, but she will hate Rick and the story linking to Don Papa's Dinner remains closed. (This option only becomes available once your criminal activity has reached a certain level.)
- „I ask her a favor.” – Madison is guaranteed to be silent and will not say anything later, in addition, an alternative route opens up for Don Papa's story. (This option only becomes available once your criminal activity has reached a very high level.)

Don Papa's Dinner (Rick & Miri route)

(If Ash Lover route open)

- „I'll be honest.” (Miri Romance) – If Miri Ex-Girlfriend route is open, there is another option, but only choose it, if you are building a romantic relationship with Ash and you don't want more than friendship with Miri.

(If Miri Ex-Girlfriend route open)

- „Let's be just friends.” (Miri Lover route close) or „I like the friends with benefits option.” (Miri Lover route open).

Hint: The „This is a difficult. Can we postpone it later?” option is neutral, but if you choose this, until you commit, some options will remain closed.

Don Papa's Dinner (Rick Alone route)

- „I just order.” (neutral choice) or „Maybe she need a little flirting.” (Madison Romance).

Ash's apartment

(This scene only appears on the Trio and the Rick & Ash route.)

(If Ash Lover route open)

- „I kiss her.” (Ash Romance) or „I'd rather not do it.” (Ash Friend).
- „We need to finish this now.” (Ash Friend) or „I'll go a little further.” (Ash Romance)

(If Miri Ex-Girlfriend route closed)

- „Part of the truth will be enough.” (Ash Romance) or „She deserves to know the full truth.” (Ash Romance + Bad Sisters)

(If Miri Ex-Girlfriend route open)

- „I'm lying, it'll be better for everyone.” – The other option can cause very serious damage to both Ash-Rick's and Ash-Miri's relationship.

(The next choice appear if Ash and Rick have not started a love affair or their friendship has grown in the meantime.)

- „I would never risk that much.” (Ash Friend) or „I kiss her.” (Ash Romance, Ash Lover route open).

Hint: If this option appears and you choose Ash Friend again, you will close the Ash Lover route permanently.

Jake's home

(If you opened the Overtime route in Chapter I.)

- „I offer my help.” – With the other choice, Rick is permanently excluded from the porn industry, which makes it impossible to get the best ending. Rick automatically assists Jake if you chose the Diesel route in Chapter I.

On the way to the date

- „I'll call Cora.” (Spouse route) or „I'll think about what happened.” (Divorce route).

(If you called Cora.)

- „I'll talk about Judit.” – If you're open the Date with Judit route.
- „I mention Sam.” – If you're open the Date with Sam route..
- „I'll tell her about Miri.” – If the Miri Ex-Girlfriend route is open and you chose the Spouses route, this should be mentioned!
- „I'll talk about Jake and Beth.”
- „I'll talk about the blackmail.” – This will only appear if you have selected the Faithful route in Chapter 1.
- „I'll ask her how she is.” – Spouse route.

Hint: Rick can't tell everything to Cora because of the little time, but if you choose in the right order, he can tell her all that matters. The order is as follows:

1. *Mention Judit (if possible).*
2. *Talk about Jake and Beth.*
3. *Talk about blackmail (if possible).*
4. *Mention Miri.*

Hint: If you are on Date with Sam route, then you can talk about Sam first, but this is not mandatory. In fact, if you don't want to divorce Cora, you better not talk about the meeting.

(If you talk about Sam.)

- „We can say so. (Spouse route) or „This is not entirely true.” (Divorce route).

Sam's home (Date with Sam route)

- „I strongly agree.” (Sam Friend) or „You have nothing to hide.” (Sam Romance).
- „With a polite compliment, I give the signal.” (Sam Friend) or „I could be bolder.” (Sam Romance).
- „I'd rather stay honest.” – The other option worsens Sam and Rick's relationship.

(If you chose honesty.)

- „I'll be your good friend.” (Sam Friend) or „I want to be more than a friend.” (Sam Romance).

(If you lied to Sam.)

- „I'll admit the truth.” – Everyone is given a second chance to correct their mistakes, in which case it is. Sam's anger toward Rick diminishes, but so does the friendship and romance.

Judit's home (Date with Judit route)

- „I'll wait on the couch.” (Judit Friend) or „I'll go up and see her.” (Judit Romance; is only available if you have opened the Judi Lover route)
- „You look good as always!” (Judit Friend) or „You're hot as always!” (Judit Romance).
- „I'm aiming his temple.” (if you really want to make Hayden angry) or „I'm aiming at the ribs.” (if you just want to make this psychopath a little angry)

(If Rick was targeting the temple.)

- „I'm trying to get my balance back.” (Hayden kicks Rick) or „I'll fall.” (Rick kicks Hayden)

Hint: Although the game gets harder if Rick makes Hayden angry – he can kill the protagonist several times – it's worth knocking out, because that will greatly determine Rick's underworld status in the future.

- „I'll give her a kiss on her cheek.” (Sam Romance) or „I leave.” (Sam Friend)

On the Promenad

- „I'll tell her everything.” (Spouse route) or „I won't tell her more.” (Divorce route)

Hint: This is a point of commitment. If you don't tell her everything, though Rick and Cora won't break up yet, but their relationship will deteriorate so much that divorce in a future chapter will either become optional or inevitable. If Cora leaves Rick at the end of the conversation, you're moving on to the latter case.

Date with Sam route

In the hospital

- „Someone attacked her.” – If you want a friendship or romantic relationship with Sam, choose this so later she can more easily understand why Rick became a criminal.
- „I'll give her a kiss on her cheek.” (Sam Romance) or „I'll let her go.” (Sam Friend)

Rick's home, night

If Rick didn't quarrel with the girls at the hospital.

(If Miri Ex-Girlfriend route open)

This choice only appears if you didn't choose the Rick & Miri route in Chapter 3.

(If Ash Romance route open)

- „I embrace her shoulder encouragingly.” (Miri Friend) or „I hug her.” (Miri Romance)

(If you hugged Miranda)

- „I'll do it, I'll kiss her.” (Miri Romance) or „But I'd rather not do it.” (Miri Friend)

Hint: If you haven't had the opportunity to open the Miranda Lover route before, with this choice you will have a chance at a later chapter (there will be another chance later).

(If Miri Lover route open)

- Lying on a sofa (Miri Friend) or Fun with Miri (Miri Romance)

Hint: While there is no consequence here, if the Miri Lover route is open and you frequently reject Miri's offer, the route may close and Miri may be angry with Rick.

Rick's home, night

If Rick got into a fight with the girls in the hospital.

- „I think that's all.” (Divorce route, if Rick hadn't replied to her message before) or „There's one more thing here.” (Spouse route) – the second option only becomes available if Rick did not respond to Cora's message in Chapter 3.

In Horizon Bay

- „I have to reject it.” (Argay Jealous) or „An another meeting isn't the end of the world.” (Argay Romance)

Hint: Argay is a potential romantic relationship for Cora (if she divorces Rick, Argay could be her husband in the future), and a possible and important ally for Rick. If Cora starts seeing him but doesn't separate from Rick (Argay Jealous), the best end of the game becomes unattainable.

Rick's home, morning

This choice only appears if Miri Lover route is open and Rick has not rejected Miri.

- „No life without risk.” (Miri Romance) or „But maybe it's better not to risk it.” (Miri Friend)

This choice only appears if Miri Lover route is open, Rick went to have breakfast only with Miri, he hug and kiss her, and did not refuse her in the evening.

- „And I want more!” (Miri Romance) or „But maybe it's better to stop now.” (Miri Friend)

Hint: In these cases, the rejection does not yet close the path of Miri Lover, but you can move in that direction with it.

This choice comes when the Miri Lovers route is closed, but the night Rick kissed Miri.

- „But what? I kiss back!” (Miri Romance) or „I'm not kissing back.” (Miri Friend)
- „Finding a job is a good activity.” (Miri Friend) or „There is something to do in the apartment.” (Spouse route) or „She could spend time with her family.” (Good Sisters)

If Cora leaves Rick at the end of the conversation, you're moving on to the latter case.

CHAPTER V: PATH OF SIN

In the morning at SSG

- „I'll flirting with Rachel” (Rachel Romance) or „I'm going to my office” (Rachel Friend) – If you've already flirted with Rachel in Chapter 2, choose it here too. If not, you should avoid flirting again.

In the basement of Diesel

- „I didn't expect such a hot thief.” (Jess Romance) vagy „She looks good, but now is not the time to flirt” (Jess Friend).
- „It will be better now not to mention the past” – choose this if you want to avoid serious problems. If you just beat Malcolm in Chapter 1 but didn't break his arm, there will still be problems, but not as serious as if Malcolm doesn't know who Rick is.

With Nicole

If Terence Hate route open

- „I'll relent, just once” (Open Marriage route) or „Mm, I'm sticking with „no”” (Spouse route)
- „I chose the lap dance” or „I choose blowjob” – the blowjob increases the chances of an Open Marriage to a greater extent.

Hint: Whether you reject Nicole's offer or accept it, from here, Rick can use Diesel's services for money.

If Terence Hate route close

- „Yes” or „No” – If you choose “yes,” Nicole will only offer a blowjob after the conversation, if “no,” Rick can also slept with her. The sex increases the chances of an Open Marriage to a greater extent.
- „No, it's not me” (Spouse route) or „Yes, absolutely” (Open Marriage route)

Hint: Whether you reject Nicole's offer or accept it, from here, Rick can use Diesel's services. Nicole ingyen fog dolgozni, a többi lány viszont pénzért dolgozik.

In the basement of Diesel

- „Not much today, it's true.” (Jess Friend) or „She not be more wrong!” (Jess Romance)
- „My intentions are strictly honorable” (Jess Friend and Jess Romance) or „Oh, I really care about that pantie” (Jess Romance and Jess Hate)

Hint: Jess is a complicated woman. She likes it when a guy hits on her, but at the same time she condemns infidelity. So for her case, you have to balance between open flirting and fidelity if you want a romantic relationship.

In the warehouse after the robbery

This choice only appears if Rick reminded Malcolm of what happened in Chapter 1 and he just beat him, but didn't break his arm.

- „I'll take care of this one myself” (Violent crime route) or „I'll leave Tim be” (Smart crime route).
