Corruption Guide

By PsybehrWolf

Hello Everyone, and welcome to the First Corruption Guide for My New Neighbors! This is also my first time doing anything like this, so please be kind! Having seen a lot of people asking about how to go about raising the Corruption levels of the various Ladies in the games, and having played through the game several times, I took it upon myself, with the approval of Rmaximus, to bring to you all this handy-dandy Corruption Guide! This Dialogue may be replaced in the future as new Updates are released, as will any information about any of the Ladies and their Corruption Levels, plus any New Ladies added in! For now, let's move on!

So you have downloaded the game and the incest patch, and while I'm sure a lot of people have had this type of download before and know what to do, some of you may not, so here are some simple instructions:

First you UnRar "My New Neighbors", then the Incest patch, and move the "patch" into the "game" folder inside of "My New Neighbors". It's as simple as that! Doing this, when you start up and give the MC his name and He goes about explaining things, he will refer to the others living with him as his Sisters and Mother, then moves straight into the story!

Don't worry, this isn't a gaming guide! Though I will give some hints on things that could potentially quicken the pace of corruption, if you so choose, it is up to You, the Reader, to do so or not! I'm just letting you know the Levels, and where to go, when, and what worked best for Me, along with a couple thoughts I had afterwards!

Ok, when you get through the story-mode and about to get started, you got a LOT of information! Let me break it down for you!

MC is now a Demon, HOORAY! His Ability is Corruption through Affection or Submission, depending on the character you are dealing with!

There is talk of Harem Route VS NTR Route, but in this version, only Harem Route is Available! Personally Speaking, I am okay with this! Like Hyoudo Issei from DxD, I aim to be the Harem King when I play these kind of games, so my choice is obvious! To each their own! StillnNo NTR in this version though!

The MC is given milk to give to the different Ladies in his household! This is not something you have to look into an inventory for! When the time comes to give it, it will be given! That is part of each "Corruption Event"!

Now to talk about Corruption Levels, Ladies, and Locations! You will have noticed the phone that shows up on the left side of the screen, and when you click on it, it shows 10 Ladies:

Mary, Zoe, Grace, Lucy, Katarina (Kat), Abby, Maria, Lillith, Allison (Ally), Camilla (Cammy)

First off, until you get Zoe to 5 Affection, don't worry about Abby. Abby requires the Shop, and that I will go into later.

So, that leaves 9 to work with.

Next, You can't unlock Maria until you get Kat to Corruption LVL 3

This leave you with 8 to work with.

Lillith and her Daughters are unlockable until you get max Corruption with Mary and Sleep.

This leaves you with 5 to work with.

No matter who you look at of those 5, the message is clear: Lucy is your first target. First though, here is the Ladies and Corruption Numbers with Needed Affection/Submission

C - Corruption / A - Affection / S - Submission

Lucy: C) 1 - A)5 / C)2 - A)10 / C)3 - A)15 / C)4 - A)20

Zoe: C)1 - A)5 / C)2 - A) 15 / C)3 - A)25 / C)4 - A)35

Grace: C)1 - A)5 / C)2 - A) 15 / C)3 - A)25 / C)4 - A)35

Mary: C)1 - A)5 / C)2 - A) 15 / C)3 - A)25 / C)4 - A)35

Katarina: C)1 - S)5 / C)2 - S)15 / C)3 - S)25 / C)4 - S)35

Abby: A)5

Maria A)5 S)5

Lillith C)!!! A)5

Allison C)!!! A)5

Camilla C)!!! A5

That's right folks! Lucy has the easiest Corruption rate at 5 A per LVL, possibly because as explained early on, she is closest to the MC, and as for Abby and Maria, Abby is still at 5 Affection as per the last update, nothing new here, but in this update, Maria is idaughter, as is the possibility of choosing which route to go down...mind you, you can choose both as there is no Corruption event....yet. Mary and Katarina both got bumped up to Corruption 4 in this update! As for the Morningstar Ladies, they are starting at Corruption !!! with the MC, and you need to build their Affecion levels, with a minor

exception, which I will explain later. You can only get them to 5 Affection in this Update though.

There are 4 unloackable locations, but only 3 stay unlocked: Shop (See Zoe Corruption 1 Event), Gym (See Grace Corruption 2 Event), Morningstar Home, and the not fully unlocked Abby's Apartment (See Abby).

Not for what you probably actually came for:

Corruption Leveling

First off, your days are split into 7 parts! Early Morning, Late Morning, Midday, Early Afternoon, Late Afternoon, Early Evening, Late Evening. You can get one point per part, EXCEPT Late Evening (Until you meet certain requirements)

Next! Start with Lucy, She is actually very quick to build up within the first 2 days! In fact, if you follow this right here, it is possible to get Lucy, Kat, and Mary to C)1 within the first 4 days! The reason why I suggest this is also because you can only raise Mary's Affection to 5 during the Morning to Midday parts, not after!

Quick Corruption LVL 1 for Lucy, Mary and Kat in first 4 days:

Day 1: Early Morning: Kitchen - Talk to Lucy +1 A, Late Morning: Lucy's Room - Talk to Lucy +1 A, Midday: Kitchen - Talk to Lucy +1 A, Early Afternoon: MC's Room - Talk to Kat +1 S, Late Afternoon: Pool - Talk to Kat +1 S, Early Evening: Lucy's Room - Talk to Lucy +1 A, Late Evening: MC Room - Sleep

Day 1 you end with 4 A for Lucy, and 2 S for Kat.

Day 2: Early Morning: Kitchen - Talk to Lucy +1 A, Late Morning: MC's Room there is a trigger for event that leads to lvl 1 Corruption for Lucy and Make-Out scene! Afterthis scene, you can go out, and it is still Late Morning! As you have had Lucy drink the Milk, you can now move on to any of the Ladies you feel like,or,

you can continue following this and get Mary and Kat. within the first 4 days....Late Morning: Pool - Talk to Mary +1 A, Midday: Kitchen - Talk to Mary +1 A, Early Afternoon: MC's Room - Talk to Kat +1 S, Late Afternoon: Pool - Talk to Kat +1 S, Early Evening: Living Room - Watch Movie with Zoe +1 A, Late Evening: MC's Room - Sleep

Day 2 ends: Lucy C-1, Mary A-2, Kat S-4 and Zoe is A-1

Day 3: Early Morning: Kitchen - Talk to Mary - +1 A, Late Morning: Pool - Talk to Mary +1 A, Midday: Kitchen - Talk to Mary +1 A (now you have 5!), Early Afternoon: Pool - Talk to Grace +1 A, Late Afternoon: Pool - Talk to Kat (You now have 5!), Early Evening: MC's Room - Instatriggered Event, LVL 1 Corruption of Mary! When finished, still in Early Evening: Living Room - Watch Movie with Zoe +1 A, Late Evening: MC's Room - Sleep

Day 3 end: Lucy C-1, Mary C-1, Kat S- 5, Zoe A-2, Grace A-1

Day 4: Early Morning: Kitchen - Talk to Zoe +1 A, Late Morning: Zoe's Room - Talk to Zoe +1 A, Midday: Living Room - Instatriggered Corruption Event for Kat! When completed, it is still Midday, so you can go back to the Kitchen, Talk to Zoe and be at 5 A, though you will have to wait until the following day to go further!

Now a quick Listing of their Levels, Affections points needed, where you need to go, and when!

Lucy:

C-1: 5 A: MC's Room Late Morning - Must trigger

C-2: 10 A: Go to Sleep

C-3: 15 A: Kitchen: Early Afternoon - Must trigger, once event finishes there, go to Mary's Room and enter Bathroom, take pills, then go back to Kitchen, click on Hand Icon on fridge Door, than go to Lucy's Room at Late Evening, Event Instatriggers.

C-4: 20 A: Done in 2 parts: Part 1 - Right AFTER you get the 20th point! go straight to MC's Room Instatriggered event, leaves open rest of time slot you are in to be used how you wish; Part 2 Late Evening MC Room go to Sleep, Finishes off Event!

Zoe:

C-1: 5 A: Late Morning: Zoe's Room - Talk to Zoe - This starts a chain Quest: Zoe wants a job, so she asks the MC to talk to Abby at the Shop to get it, thus Opening up the "Shop" location. Go once the conversation is done to have a nice heart-to-heart with Abby, and to have Abby ask for Assistance with an issue, only then will she consider letting your sister work there. You need to go back in the Early Afternoon. It may still be Late Morning, which means you still have the capacity to gain 2 points, or it could be Midday, so consider nabbing one, then head back to the shop. Once you are done helping Abby, she lets you know that Zoe can start there, but you have to wait until the following day, Late Morning: Zoe's Room - Talk to Zoe, to tell her. Zoe will be working the night shift, which is why there is the Late Evening! While the others are snug in bed (and if you haven't raised them to 2 or higher), you can visit Zoe each night and gain A Point for each visit!

C-2: 15 A: Kitchen: Early Night Instatrigger

C-3: 25 A: This is a Siblings Event, requiring Lucy to be at C-4, and Grace, Zoe's Twin, to be at 25 as well, happens in 2-parts: Part 1 - Early Evening: MC's Room - Trigger Event, let it play through: Part 2 - Late Morning: Grace's Room - instatrigger Event brings BOTH Twins to Corruption lvl 3!

C-4: 35 A: Sleep

Grace:

C-1: 5 A: Late Afternoon: Kitchen - Instatriggered

C-2: 15 A: Late Afternoon: Grace's Room - Instatriggred Event, opens "Gym", then go to the Gym for another Instatriggred set of Events

C-3: 25 A: This is a Siblings Event, eguiring Lucy to be at C-4, and Zeo, Grace's Twin, to be at 25 as well, happens in 2-parts: Part 1 - Early Evening: MC's Room - Trigger Event, let it play through: Part 2 - Late Morning: Grace's Room - instatriggred Event brings BOTH Twins to Corruption lvl 3!

C-3: 25 A: Mary's Room Late Night Insta-Triggered Note - Lucy, Grace, & Zoe must all be Max Corruption

C-3: 25 S: NOTE - Max Corruption of Mary needed FIRST! Once completed -

Maria: 5 A/5 S

She is interesting as you can gain both Affection and/or Submission points with her. She will first appear the morning after Kat's C-3 Event, and much like Abby, only has a Max of 5 for each LVL, with no Corruption event. No real guide needed as you can easily find her and choose how you wish to engage with her.

Morningstar Family:

All 3 of these ladies will appear when you complete Mary C-4 Event and go to Sleep that night. Opens up the Morningstar Home, where you will find Ally and Cammy. You may also notice the three Exclamation Points instead of the Usual Numbers for Corruption! That is because these stand for Infinity as the symbol could not be readily found at this point in time, so think of it as a place hold in the likelihood the it is, after all: The Morningstars are Pure Demons Straight from the Hell Dimension after all!

Lillith:

C-!!!: 5 A: Randomly Appears alongside Mary at the Pool Late Morning Randomness makes her most difficult to get to 5

Allison:

C-!!!: 5 A: Ally starts with A 2, so is the easiest to get to A 5. Found in her room

Camilla:

C-!!!: 5 A: Going to visit Cammy allows you to ask questions to find out more about Demons while also building up Affection Points with her!

Things you can do with various levels of Corruption!

So, you are leveling them up, and you are probably wondering:
Wow! They have gotten thicker and all, but what else is there?!
Well, worry no more! Here I break that down, at least for the household!

Showers:

You may have noticed that each of the ladies have their own bathrooms that they can shower in, and you can simply watch them for the most part, but as you corrupt them, so to does their behavior change:

LVL 0:

They will scream at you to leave! It is possible to lose an affection point at this lvl, I think, forgot, been a while since my first run through...I wouldn't suggest trying it if it is so, unless you want to take longer, then, be my guest!

LVL1: They are upset, but aren't as angry, still telling the MC to leave, but you ca tell they are changing...

LVL 2: Welcome to the Shower Make-Out session! They'll let you wash their backs, and mayhaps a little extra...

LVL 3: Things are definitely getting hotter and wetter! They are seriously going down on some Meatsicle.....

LVL 4: Taking it all the Way! You might need a shower, after this shower! Just sayin'.....

Corruption LVL Abilities:

First off, with all LVLs is the standard that, as their looks change, physical looks, the way they dress, so does their mindset conform to acceptance around it. Secondly, they each seem to gain some kind of special trait specifically unique to them: The MC is the Corruptive Influence that allows the Inner Demon to Awaken, Lucy has immense Strength, plus the ability to shift back to her original form (not sure if all have this or not yet), Cammy has Magic at her Disposal, Ally seems to be able to soothe those she comes in contact with, and Zoe seems to be able to enhance and control Sexual Energy and Desire. Below is a compiled listing of known common abilities per Corruption level:

LVL !: Make-Out - not so much an ability, as it is easier for the MC to convince someone to make out with him. It's possible that the longer one has been without, or the more repressed one is, the more heightened this becomes, as seen when Mary goes through LVL C.

LVL 2: Heightened Sexual Arousal - Can manifest in one of several ways: Lucy and May both gave the MC a Blowjob, Zoe gave a handjob, and Grace gave a Boobjob

LVL 3: Greater Sexual Arousal - lthe MC and Lucy in a 69 position, and Zoe and Grace give the MC a Twin-Delight! (Handjob AND Blowjob from Both of them, a repeatable Event I might add!), and Mary will have sex with the MC!

LVL 4: Transformation! Sexual Arousal is at it's limit, and when they hit their peak, they change! Thankfully, their Love for their Brother and their Succubi Urges combined are enough for them to not get

angry about the whole situation! You also get Petite Lucy, and in this Update, Demon Form sex! All the Ladies you have corrupted fully will be available for sex in their altered forms, with Kat only being available as a random chance if you slept in the MC's room instead of with any of the other Ladies!

LVL !!!: Any of the Above mentioned abilities is likely to be achievable by the Morningstar Family Members, the only known Demons to have Escaped the Angel's complete and utter purging of the Hell Dimension! While you won't see Ally and Cammy again in their Demon Forms in this update, who knows what the future will bring!

I hope this Guide is helpful. Like I said, this was my first time writing such a thing, and I have a lot of information to try to convey. Any comments, insights, and/or advice on this would be greatly appreciated. I will update as new versions come out! Thanks for viewing!
