To decrease Max's authority:

- Mas has to be punished for spying on Mom, Alice or Lisa, or for other offence.

Eric's influence

Eric's influence has to be maintain low.

If Eric has more than 50% over three of the girls (Mom, Lisa, Alice or aunt Kira) and Max is in war with Eric, on the next morning at 09:00:

Mom - *"Max, we have to talk. I hope you'll take this seriously..."*.

She will give him another chance. The influence has to decrease. Otherwise after a week the same conversation will appear. Max will insist for another chance (*Luck*). In case of success, he will have another final week. After that - a military camp and game is over.

Doing chores

From day 1 Max can do chores. When he talk to Mom: “*Could you give me some money, Mom?*”, you can directly choose “*I could do some chores instead of just asking for money...*” or first get \$15 - “*I’m sorry, but I really need the money...*” and then choose “*Maybe I could do some chores to earn money?*”. They are 3 options:

- “*Maybe I could clean the pool?*” - get \$40. Max can clean the pool at different hours. Before aunt Kira arrives - on Monday-Friday at 11:00, on Saturday-Sunday 11-13:00 and 18:00. After aunt Kira arrives - on Monday-Friday at 14:00, on Saturday at 18:00, on Sunday at 13:00 and 18:00. Next time Max can ask is **6 days** after he cleans the pool;
- “*I could order groceries online!*” - get \$60. Max can “order food” from the laptop for \$50. The profit is \$10. Next time Max can ask is **2 days** after the order.
- “*Maybe you need some cosmetics I could order online?*” - get \$115. Max can buy “Cosmetics set” from online shop for \$100. The profit is \$15. They will be delivered on the next day at 15:00 by the courier. Then Max has to give them to Mom - “Here’s cosmetics you asked for”. Next time Max can ask is **8 days** after he gives cosmetics to Mom.

----- Private punishments -----

To trigger the private punishment - Max asking Mom - "*Mom, I wanted to ask you to stop punishing me in front of my sisters.*" you have to do 2 things - first **Max has to be punished** at least ones and second - **do chores**. Every chores gives you points:

- order food - 1 point;
- clean the pool - 5 points;
- buying cosmetics and give them to Mom - 10 points.

You need to get at least 51 points. You can do only 1 or combine all 3 chores depends on your gameplay. There are lot of combinations. In a normal gameplay when you need money and don't want to buy cosmetics, the fastest way is to order food 16 times (16pts) and to clean the pool 7 times (35pts) - 38th day. Regardless of that, if you use cheats and don't need to bother about the money the fastest way using cosmetics is to order food 1 time (1pt), to clean the pool 4 times (20pts) and to give cosmetics to Mom 3 times (30pts) - 21st day.

Examples:

| food | | pool | | cosmetics | | Total |
|--------|--------|--------|--------|-----------|--------|-------|
| orders | points | cleans | points | orders | points | |
| 0 | 0 | 11 | 55 | 0 | 0 | 55 |
| 1 | 1 | 10 | 50 | 0 | 0 | 51 |
| 10 | 10 | 8 | 40 | 1 | 10 | 60 |
| 6 | 6 | 7 | 35 | 1 | 10 | 51 |
| 16 | 16 | 7 | 35 | 0 | 0 | 51 |

With this Max will agree to be punished in private. A new dialog will appear - "*Here's the money, mom...*". He can pay \$350 per week, \$700 for 2 weeks or \$1000 for a month.

Max punish his sisters - see [here](#).

Private punishment of Alice :([New job, Related Events](#));

Private punishment of Lisa: ([Mentor, step 36-37](#))

Shopping

From Saturday at 11:00 (day 25) Max can go shopping with mom and his sisters - "*Wait mom, I'll come with you!*":

1. "**call Alice**", "*Do you want to try something on?*":

- "enter" - he will see her naked but covered; she will kick him out, then is the same as next option;

- "wait", "*What's taking so long?*" and enter - she will show Max 13 different dresses.

If Max like it and have enough money (between \$300 and \$500) he can choose to buy it the dress - "*Let me buy it for you*". He can stay while she is changing and will see her naked but covered and then topless. Now he can decide not to buy the dress.

After byung her Set of black lingerie ([Blog, step 4](#)) she will be naked in dressing room, HJ.

After Max talks to Alice that he has convinced mom about Kate ([Cunning plan, step 17](#)) she will be full frontal naked and he will get BJ.

2. "**call Lisa**", "*Have you picked something?*":

- "enter" - he will see her naked; she will kick him out, then is the same as next option;

- "wait", "*Lisa, are you soon?*" and enter - she will show Max 15 different dresses. If Max like it and have enough money (between \$150 and \$350) he can choose to buy it the dress - "*Let me buy it for you*". He can stay while she is changing (*Persuade*) and will see her naked and then topless. Now he can decide not to buy the dress. If the persuasion is not successful he cannot avoid payment.

After first successful kiss with her ([Mentor, after step 8](#)) there is no need of persuasion and Lisa is full frontal naked when Max enter without waiting. (no more progress if you are in Olivia girlfriend path).

Probably after advanced with Mentor - HJ and BJ. Not tested yet after which step these two are available.

3. "**call mom**", "*Do you like anything?*":

- "enter" - he will see her topless; she will kick him out, then is the same as next option;

- "*Okay, mom*", "*How is it, mom?*" and enter - she will show Max 15 different dresses. If Max like it and have enough money (between \$400 and \$600) he can choose to buy it the dress - "*Let me buy it for you*". He can stay while she is changing (*Persuade*) and will see her topless. Now he can decide not to buy the dress. If the persuasion is not successful he cannot avoid payment.

After [Cunning plan, step 7](#) there is no need of persuasion.

After first HJ by mom ([Cunning plan, step 14](#)) Max can stay while she is changing and get HJ.

After 3rd movie ([New job, step 26](#)) - BJ.

Hidden cam (0.8)

(Expenses - \$100)

Triggers from the beginning of the game. At 11:00 Unpack Boxes in My Room.

1. I've found an empty box of a hidden cam. It's probably installed somewhere in the house. I should try to find it, what is someone has been watching us all this time?

What to do - go to Lounge, speak with Alice, wash the dishes and look for the camera.

2. I've found the hidden camera in the living room. It's mounted in the wall, I can pull it out without damaging it. It's not connected to anything, maybe I should look up ways to fix that, it could be useful...

What to do - go to My Room and "read about the cameras" on the web.

3. Here's an idea: I could earn some money by streaming live feed from the hidden cam. Too bad I don't really know how to set everything up. Maybe I should look it up on the web?

What to do - go to the online shop and order the book "Web standards". It will be delivered at 15:00 on the next day by a carrier.

Start reading the first part (1/5) of the book. It takes 4 hours before you can read another 20%. After finishing the book, open the laptop and "do your website". It will cost \$100.

4. Finally, I have my own streaming website! Now I need to increase my audience to earn more money. And for that I need to advertise my website somewhere, which will cost money. Also audience will grow when something exciting happens on the stream.

v. 0.8 - Attention: You've reached the end of this opportunity in the current version of the game

Gather money to buy new cameras. The best place for the second camera is the pool. Third camera - My Room or Alice's Room ... (for me two cameras are enough).

Related events:

- When Max gives \$700 to aunt Kira for the photoshoot with Mom ([New job. Before step 1](#)), he tells her - "*There's a bunch of hidden cams in the house streaming the show on the web*".

Mentor (0.9)

(Expenses - \$670 + \$20 to buy coffee)

Triggers in the morning on the second day when Max wake up with a boner.

1. Looks like Lisa doesn't know anything about male psychology. She was so surprised by my morning wood, maybe she hasn't even seen porn. Maybe I should give her some sex ed. I'll start by talking to her.

What to do - at 07:00 talk to Mom about the boner (optional). In My room (08:00) at the earliest talk to Lisa and apologize.

2. I talked with Lisa and she doesn't respect me enough to listen, I need to fix that before continuing with my lessons. Easier said than done, though. Maybe if I lower her self esteem my authority will increase ...

Attention: Your minimum requirement for authority is "Listen to you".

What to do - talk to her - "*About my help*" (requires Max's authority "**Listen to you**"). Wait with this step until war with Eric or until blackmailing him - see step 3-3.1.

3. Lisa agreed to my lessons. The problem is, before teaching something to my sister I really need to learn something by myself. And of course I can't afford to lose my authority, or she'll refuse.

What to do - talk to her on the second morning - "*So, should we start a lesson?*".

Important - If you choose peace path with Eric, he will talk to you after first dinner, that he wants to learn Lisa by himself. If you choose to abandon Lisa, you will not go further in this opportunity until go to war with him. Every time he teaches her, his Influence will rise which can lead to the end . If Max is in a war with Eric, Eric cannot steal Lisa.

3.1. Somehow Eric learned and hijacked my "sex-ed" plan. I had no choice but to comply. Now he is going to teach her himself... Too bad, I had great plans.

What to do - Best way is either to wait with step 3 until go to war or wait until take a photo of Eric jerking off in front of Alice's room ([Alpha, Effect on Lisa](#)).

4. Well, I've offered to start Lisa's education. And somehow she immediately put me in a weird situation. I was supposed to teach her something, but I don't even know how to kiss!. I have to find someone willing to help me out. Easy to say...

What to do - talk to mom - "*Mom, how do people learn how to kiss?*" (optional).

Talk to Alice - "*Do you know how to kiss?*" (optional).

Talk to aunt Kira at 10:00 at the pool - "*Aunt Kira, I need to learn how to kiss*".

5. I think I have found help and it's my aunt Kira! It's a bit weird, but she's definitely an expert. I would be happy anyone will to teach me anyway, and she's perfect! Aunt Kira said we should talk it over in more intimate atmosphere. Like when she's watching TV at night.

What to do - go at 03:00 am Wednesday/Sunday in Lounge and choose "*Aunt Kira?*", "*Not at all!*" or "*Please continue, I'd like to sit here and watch*". Ask her for kissing lessons - "*I want to ask you if this is a good time for kissing lessons.*".

6. Aunt Kira is the best kissing teacher ever! She agreed to teach me sometimes. Who knows, maybe she'll even teach me something more...

7. Now I can start practicing with aunt Kira and then apply my skills to Lisa. Now I just have to convince Lisa she needs my lessons.

What to do - requires **Kissing skill 15**, mood - "**Not bad**" - take another kissing lessons from aunt Kira. Talk to Lisa on the next day - "*So, are you ready Lisa?*" and start the kissing lesson (*Persuade*).

7. I have talked with Lisa about her training. She have set some requirements I have to fulfill, one of which is "no touching" rule. Well, it's a start.

What to do - continue kissing Lisa every day - "*Are you ready?*" until make 1st successful kiss (*Persuade, Kissing*). Max can train with aunt Kira to improve the skill.

8. I have managed to impress Lisa with my kissing prowess! I may not be a master, but Lisa liked it! Aunt Kira is great teacher. I need to keep practicing.

What to do - make another 7 successful kisses. Lisa will want to teach her some theory.

9. Lisa licked my kissing so much she hinted on teaching her something new. I think she want me to get her some theory. Maybe I should buy some anatomy book so she'll learn about psychology and won't reach so badly on my morning wood or erection around beautiful ladies around me.

What to do - buy the book "Sex education" - \$50, give it to Lisa - "*You like to read, right?*".

10. I gave Lisa the book that should answer some of her questions. I should've read it too, to be honest, but I was too lazy.

I should ask her about my present in a couple of days.

What to do - wait 3 days and talk to Lisa - "*So, did you like the book*" - requires Max's authority "**Listen to you**".

11. I have talked with Lisa about sex ed book. Lisa has managed to pleasantly surprise me. She said she liked the book and she wouldn't mind to read something else, namely porn mags. I should order something pronto!

What to do - buy Playboy magazine - \$20. After 3 days talk to her - *"I got what you asked..."*.

12. Lisa have took my porn mag but refused to read it in from of me. I guess she's shy? I should fix that. She also hinted on convenience of modern technology. My guess is she wants to look at some porn from her phone. I have no idea how would one go about going around provider's firewall. I should look it up on the web.

What to do - on the laptop "learn how to evade provider's block".

13. Turns out our provider is a tough cookie, but there's another way. I can buy a special hacked SIM card with unlimited Internet option. It will have another provider, so no parental control.

What to do - buy Sim card - \$100, talk to Lisa on the next day - *"So, you want to be able to browse any website?"*.

14. I gave Lisa a new SIM card and now she can browse anything she wants, so now she can watch porn without any limitations. I hope she'll be doing it all the time.

What to do - wait 3 days and talk to Lisa - *"So, how is the internet working"*. Requires **"Not bad"** mood.

15. I've came up with a great next step with Lisa's education: I need to lower her shyness! Then I'll be able to convince her to sleep without underwear. At least without top. If I'll manage to do that I'll be able to stare at her tits as much as I want. That would be enough of a reward for all the trouble I went through, and maybe it will get me somewhere even further...?

What to do - talk to Lisa the next day - *"So, have you changed your mind?"*. Requires **"Not bad"** mood.

Talk to her on the next day - *"So, are you ready to sleep naked?"* (*Persuade*)

16. I did it! Lisa agreed to sleep in nothing but panties. She also demanded for me to sleep naked, hoping I wouldn't go along ... But of course it's a good thing for me, now she'll get used to sight of my naked dick in front of her. So win-win for me! I hope mom won't catch us, I'm not sure I'll be able to come up with an excuse for such behavior.

What to do - wait 4 days and when go to sleep will wake up and see Lisa watching porn on her phone and masturbating.

17. I have noticed how Lisa touching herself at night. And I was sleeping in the same room! I pretended I didn't see anything. I wonder where will it lead ...

What to do - wait 3 days - second time Max catches her watching porn - choose "let Lisa know I'm watching her".

18. Lisa was touching herself again, but this time she realized I was watching her ... And she didn't stop! She refused my help, though.

What to do - wait 3 days and when Max catches Lisa for the 2nd time choose - "continue".

19. Lisa was touching herself at night right in front of me. And this time I was doing the same. We are doing it in front of each other.

Attention: Further progress will depend on your choice in the "Classmate" opportunity.

If you choose path 3 in "Schoolmate" this will be the end "Mentor". If you choose the 1st or 2nd paths:

What to do - on the next (at the earliest) talk to Lisa - "*Have you decided to be my girlfriend*" (*Persuade*). Try every day until you succeed.

20. Something incredible happened! Lisa agreed to be my girlfriend! Of course, she has a new set of requirements, but it doesn't matter is she's my girlfriend now!

I can't touch her, and she wants to keep her virginity, but now I can ... wait, what exactly can I do?

What to do - talk to Lisa after 2 days - "*Hey, Lisa, you're my girlfriend now, right?*".

21. Lisa has agreed to be my girlfriend and now she's ready for ... something. But I need to find a tutor to teach us sex, preferably with practical lessons. And I know just the person for the job.

What to do - talk to aunt Kira - "*I have a question for you*".

22. Kira has gladly accepted to teach Lisa and me! Couldn't dream about a better teacher. Now I just have to wait for her visit and see where it will go from here...

What to do - go to sleep and Max, Lisa and aunt Kira will have a conversation.

23. Aunt Kira come over at night. In a slutty teacher costume! Lisa didn't like it much, as usual. But I think I've seen some funny spark in her eyes ... Maybe I'll be able to convince her to give the lessons a try?

What to do - talk to Lisa on the next morning - "*About aunt Kira...*".

24. Lisa's agreed to the lesson pretty quickly. I think she wants them as much as me, if not even more! Now I just tell the news to aunt Kira, so she'll visit us again some night...

What to do - talk to aunt Kira - "*About tutoring*".

25. I've told aunt Kira about Lisa's change of mind, now I can wait for a first lesson. I wonder what will happen... We will jump straight to sex or will have some theory lessons first ... All I have to do is wait now.

What to do - go to sleep - first lesson - HJ.

26. Well, that was the best lesson in my life. If we are learning this stuff in schools I'd stay in school forever! Lisa was jerking me off in front of aunt Kira! I've never even dreamed about this happening!

Aunt Kira has given us some homework: we should continue practicing when she's not around. I'm all for this, of course, but I'm not sure about Lisa.

What to do - talk to Lisa on the next morning - *"Do you remember aunt Kira's homework?"*.

27. I've convinced Lisa to jerk me off sometimes. But not for free. I'll have to help her with the homework. But since she'll be giving me a hand, I'm all for it.

Before leaving aunt Kira has told us we should practice several times before getting to the next phase of our education. I can't imagine what will be next. Can't wait!

What to do - when you do her homework, choose *"I'll do everything perfectly if you'll do something for me..."* and then *"You have to give me a hand"*. She will give Max HJ. Do this 3 times and then go to sleep - BJ by Kira, Lisa doesn't want this yet.

28. Second lesson was even better! Aunt Kira gave me a blowjob in front of Lisa! I'm in Heaven! Lisa has declined to blow me, though. I'm not even sure she wants to continue our lessons. I have to convince her now.

What to do - talk to Lisa on the next morning - *"We need to talk"*.

29. Well, I've managed to convince Lisa to continue our lessons. Didn't take all that much convincing either. Is she really going to blow me in front of aunt Kira?

What to do - talk to aunt Kira - *"I think I've convinced Lisa"*, go to sleep - Lisa give Max BJ.

From now on Max can enter/peep Lisa in the Bathroom in the mornings and open the door in the evenings and will receive BJ.

30. Yes! Lisa did it! She blew me and she even swallowed! She showed contempt on every step of the way, though ... Oh well. She has to learn, right! And Kira has told us to practice again! Now I just have to convince Lisa again.

What to do - talk to Lisa on the next morning - *"I think it's time..."*.

31. I've made a deal with Lisa to train her blowing skills on me. She's only willing to do this when I'm taking her punishments instead of her, though ... Blowjob is worth it, but loss of authority is not a good-side effect ... But the reward!

And I have to do this several times to push our lessons forward.

What to do:

First option: make mistakes in Lisa's homework. When she is punished on the next day, choose "*This is my fault, not Lisa's!*" and Max will be punished instead of her. Go to **My Room** and talk to Lisa - "*I've held my end of the deal...*" - she will do BJ. - requires Max's authority "**Listen to you**". Do this 3 times, go to sleep.

Important: It is advisable before this step, to ask mom to be punished in private in order to avoid reducing the authority ([Game mechanics](#), [Private punishments](#)).

Second options - go to the bathroom when Lisa is there - 3 BJ.

32. Fourth lesson was pretty surprising. I had to give some pleasure to aunt Kira and Lisa with my tongue. Luckily, they both liked it very much. Lisa was even embarrassed, but she let me touch her anyway. I wonder what else she'll let me?

What to do - on the third night go to sleep and aunt Kira will come naked - anal with her.

33. Fifth lesson was even better! I fucked aunt Kira in the ass! And we put a buttplug into Lisa! Fucking both of them doesn't seem like such a crazy dream anymore!

What to do - after 3 nights aunt Kira come back - again anal with her.

34. Sixth lesson was better still! I still haven't fucked Lisa, but aunt Kira was perfect, as always. And she blew me in the end! I have the best aunt in the world!

What to do - after 4 nights almost anal with Lisa, after two nights anal with Lisa.

35. Yes, yes, yes! I've done it! I fucked my little sister in the ass! And come ... she didn't like that part at all ... What was I supposed to do, not cum? I was dreaming about this for so long ... This was the best day in my life!

What to do - after 4 days talk to aunt Kira at the pool - "*Do you have any plans for tonight?*".

36. I can now invite aunt Kira for ... special lessons. Obviously, she only does this to fuck and doesn't really cares about education much. And I'll get to fuck Lisa too! My dream has come true!

What to do - from now on Lisa will sleep naked.

Do 3 more anal lessons (every 4th night) and do not forget to ask aunt Kira before that "*Do you have any plans for tonight?*".

After the 3rd sessions talk to Lisa at 21:00 - "*Aren't you hot in the underwear in the house?*" - she will think about it. (Requires mood above "**Neutral**"). After 4 days talk to her again at 21:00 - "*Do, what do you think about not wearing panties?*" (*Persuade*). When you succeed she will be without panties at home.

Get rid of Eric ([Alpha](#), [Get rid of Eric](#)) and have 4 breakfast conversations - the last one is when mom cannot find a new job. Talk to aunt Kira - "*Penny for your thoughts?*". When reach this moment and do another anal lesson a new dialog with aunt Kira will appear - "*I want to talk about our lessons...*". From now on after dinner Max can go to Lounge at 20:00 and talk to Lisa - "*Do you know Kira gave me a special exercise?*" - anal.

Only in Lisa's path - path 1 or 2):

Mom will agree to punish sisters after dinner ([New job](#), [Related Events](#)). When Lisa has to be punish, choose to punish her after dinner. Go to My Room and talk to her - "*I think someone deserves a punishment...*".

On the 4th punishment he can touch her pussy. Same night at 00:00 you can "*Play with Lisa*" in My Room - see Related Events.

37. Something interesting has happened when I was punishing Lisa, she became aroused. But why? Was this because I was punishing her or was it simply because we were alone and she was completely naked?

What to do - next punishment - touch her pussy. Max can "*Play with Lisa*" again at night. Talk to Kira on the next morning - "*What do you know about ... punishments?*".

38. I've talked to aunt Kira about Lisa's strange behaviour. Turns out Lisa 's also interested in it, and she, too, discussed it with aunt. I don't know the details, but aunt Kira has decided to help us get to the bottom of this. I think our next nightly lesson should be very interesting.

What to do - after 3 days ask aunt Kira to come at night - a new lesson will start at the same night.

39. We had an illuminating lesson where we learned Lisa is turned on from the feeling of helplessness. Does she really like being taken? Don't mind if I do! Now I need to buy handcuffs and have some fun next time we have a private punishment...

What to do - talk to Lisa on the next morning - "*So, you love to be dominated?*". Buy Steel handcuffs (\$500).

40. I have a great use for the handcuffs: use them on sleeping Lisa, so I can ... use her. And the best part is, she loves it!

What to do - talk to Lisa on the next morning - "*Do you like it?*". Talk to aunt Kira - "*I want to thank you for the handcuffs idea*".

41. I had a conversation with aunt Kira where we talked about Lisa's virginity. Aunt Kira has recommended me to ask Lisa why she's so insistent on keeping it, so that's what I'll do.

What to do - talk to Lisa - "*I have a personal question for you...*".

42. I had an interesting conversation with Lisa about her virginity. Looks like she's actually waiting for the one and only ... Or at least she wants some romance in her life. And I think I may have a chance to give her what she wants. But where would I start...?

V. 0.9.

What to do - Talk to Lisa after 3 days - "*About the romantic relationship...*", "*I want romance!*"

43. I've decided to try romantic relationship with Lisa. I'm not sure it will lead anywhere, but why not? I just lose my ability to have sex with my sister at any time and also have to go on dates and give her presents. Best deal ever, right. We'll see.
Anyway, the decision is made and I should see where it will lead me. I should start with meeting her at her school around 15:00.

What to do - At 15:00 go to the pool and "leave the house" - 1st date with Lisa. Max can go on date only on Monday-Friday when she is at school.

44. I finally had a good reason to leave the house. I met Lisa after school and we went to the coffee shop. Lisa said she's not sure our romantic relationship will work and she doesn't want to give up our games. So now I have both our games and romantic relationship. Now it's definitely best deal ever.

What to do - after two days (if it is Monday-Friday) at 15:00 go to the pool and "leave the house" - 2nd date with Lisa.

45. Lisa and I had another talk and she said she wants to keep our relationships open. Sounds good I guess.
What's more, turns out Lisa has a voyeur fetish and wants to see me fuck someone else. So she's going to try and set me up with Vicky.

What to do - after two days (if it is Monday-Friday) at 15:00 go to the pool and "leave the house" - 3rd date with Lisa. Start "**Hot Coffee**".

46. Lisa got to know Vicky and learned a lot about her. I think Lisa is more interested in my sex life than in her own. I wonder why she cares so much...

 - 3 days after step 42 Max will wake up handcuffed and Lisa will do BJ. This will repeat every 6 days;
- After buying the handcuffs, the punishment after dinner will be with them - BJ. Next time you can choose - spanking or with handcuffs.

Special books (0.8)

(Expenses - \$110)

Triggers when Max talks to Alice while she is reading on the Terrace: "*What are you reading?*" (available from the first day).

1. Alice is reading some secret books she doesn't want to talk about. They don't look like porn, what could it possibly be? I should investigate.

What to do - go to Alice's Room and find the book in the wardrobe.

2. I found the book, but the name is vague and I don't want to waste my time on reading it. I should look it up on the web.

What to do - "learn about the Alice's book" on the web.

3. Wow, I was almost right! It's not porn, but it's definitely erotica, and it's not shy either! I guess Alice likes love stories with an erotic touch. Maybe I should gift her some and see her reaction.

What to do - order "Loving Ruby" - \$20. It will appear in the online shop on the next day. Give it to Alice (increases the mood with 1 level).

4. Judging by her reaction she liked my present. I should frequent the e-book store every once in awhile to look for new releases.

There are 4 more books to buy:

- "Prime Minister" - \$20 - accessible 3 days after delivering of the first book - **Relationships + 1;**
- "Be A Doll" - \$20 - accessible 3 days after delivering of the second book - Mood + 1;
- "The Big Book Of Orgasms" - \$25 - accessible 4 days after the third book - Mood + 1;
- "Story Of O" - \$25 - accessible 5 days after the fourth book - **Relationships + 1.**

*Cannot order a new book before Max gives the previous one to Alice.

Cigarette smoke (0.8)

(Expenses - \$0)

Triggers when Max go to the pool at 13:00 (available from day 2) - "Alice, are you smoking?". He has an opportunity to blackmail her for \$10 - choose "And what do I get for leaving?", "Maybe I'll go, but...", two paths:

- "Well, yes. Do you know what mom will do to you if she'll find out?", "We can reach some agreement...", "You can pay for my silence", "Sure", "Deal";
- "We can work something out", "You can pay for my silence", "Sure", "Deal".

1. Turns out Alice is a smoker. And she tries to smoke when no one is around. I could use this... Tell mom the truth or frame Alice so mom will figure out everything herself? Or maybe it could improve our relationship? So many options, what should I choose?

What to do - before dinner mom will smell the smoke. There are two options:

- **You can frame Alice** (bad option) - "No, it was Alice" or "I think you imagined it", "Okay, it was Alice. She was smoking"

2.1. Mom learned about smoking and Alice got a harsh punishment. Mom slapped her naked ass in front of everyone. Unfortunately Alice knows I ratted her out so she probably hates me. I'm not sure if I'll ever earn her trust again

This decision will decrease the mood of Alice with 2 levels. It will stop any future events or possibilities with the cigarettes.

v. 0.8 - Attention: You've reached the end of this opportunity in the current version of the game

- **You can cover Alice** (better option) - "No" or "I think you imagined it", "No, mom, there's nothing to tell"

2.2. Mom noticed smoke but I didn't rat Alice out. I could still frame Alice in a way that wouldn't implicate me.

Or maybe I could improve my relationship with Alice

This decision will increase the mood of Alice with 1 level.

v. 0.8 - Attention: You've reached the end of this opportunity in the current version of the game

Related Events (after step 2.2):

- From now on you can look for cigarettes in Alice's Room (when she is not there) and set up Alice. This will trigger the punishment before dinner (increase Max's Authority with 1 level);
- From the third day at 13:00 you can talk to Alice at the pool about the cigarettes. From now on they can be ordered from the online shop for \$10. Give them to Alice to increase her mood with 1 level if you need it;
- Next time Max catches Alice smoking at 13:00, he can blackmail her. There are 4 options but there will be no success of either of them. To have a chance first you have to set up Alice with cigarettes in her room. This can be done in Friday (3rd day) at the earliest. She will be punished. At 13:00 on Monday (6th day) the dialog at the pool will be the same, but you have chance of success (*Persuade*):
 - "*You can buy my silence for \$20*". Then if you choose "*Fine, \$10 will do*" Max will get \$10, if you choose "*No, give me \$20*" (*Persuade*) he will get \$20 if you succeed or \$10 if not. Every time try to persuade. Helping her with the dishes at 11:00 increase the chances of success;
 - "*I won't say anything if you won't be wearing any panties*" - if you succeed she will be without panties when she get punished by mom - this option is no longer available after arriving of aunt Kira (day 18);
 - "*I won't say anything if you going to smoke topless*" - she will smoke topless but covered from next day;
 - "*I won't say anything if you will allow me to spank you*" - Max can spank her at the pool or in the living room.
- After Eric is gone, Alice will stop smoking at 13:00.

Also there is a possibility to catch Alice smoking weed ([Weed](#), [Related events](#)).

Schoolmate (0.8)

(Expenses - 1st path - \$1000, 2nd path - \$2455, 3rd path - \$0 or many times \$50)

First Max has to talk to Lisa at the pool after school on the first day (16:00) - "*About school...*". The fastest way is to choose these questions: "*How was your first day?*", "*Well, who is he?*", "*More details please?*", "*So, do you like him?*".

Note that you can skip this conversation. It is optional.

What to do - requires mood "**Not bad**". Wash the dishes after dinner to increase her mood to "**Not bad**" - go to Lounge at 20:00 - "*About dishes...*".

Talk to her after that (21:00 in My Room) - "*About your boyfriend...*".

1. Lisa is obviously in love in her schoolmate Alex. She told me he has a girlfriend Olivia, the most beautiful girl in the school. I can help Lisa by suggesting her next step.

I can see three options: tell her to forget all about him, suggest she fights with Olivia for him or maybe we could channel Olivia's attention onto someone else...

Oh, and it looks like Lisa only talks about him when she's in a good mood.

What to do - Requires mood "**Not bad**". Talk to her about Alex on the next day. From now on there are three paths:

- **PATH 1 (Lisa Girlfriend) - I think you should forget about him**

1.1. I told Lisa to forget about Alex and she followed my advice. She's very upset, but maybe it is for the best? Maybe now she'll focus her attention on someone close and safe?

What to do - requires Max's authority "**Low**". Talk to Lisa - "*Have you given up on Alex?*".

1.2. Looks like Lisa has given up on Alex. Now I have the chance! She also told me she loves buff guys. I think I should start working out. And what could be the better way to do it except in the mornings with my mom?

What to do - requires Max's authority "**Listen to you**". Talk to Lisa - "*How are things in school?*". Wait 2 days and talk to her again: "*So what do you think about my proposal?*".

1.3. I think I may actually have a shot with Lisa! She came up with some demands, but I'll manage. All I have to do is keep exercising twice a week and give her \$1000. Easy as pie.

What to do - give her \$1000 - "*I have the money!*".

1.4. I've met Lisa's demands and gave her \$1000. Exercising is not big deal either, only two times a week is easy. She asked for more time to come up with new demands. I wonder what she'll ask next?

Attention: Further progression requires some progress in the “Mentor” opportunity. Also, wait at least couple of days before asking her again.

What to do - Continue with [Mentor, after step 19](#). This will lead to the end of this path - Lisa will become Max’s girlfriend.

Talk to mom “*Do you take students?*” - from now on Max can do yoga with mom at 07:00. This is accessible from step 1.1. Do yoga at least twice a week. It is important not only now, but for all further advances in the story. If you forget, Lisa will want \$350 as a punishment.

- **PATH 2 (Jewelry path) - I think you should fight for him!**

1. I convince Lisa she should fight for her happiness. Now I just have to come up with a plan and reach this goal!

What to do - requires Max’s authority “**Low**”. Talk to her - “*Any news about Alex?*”.

2. Lisa learned something about Alex’s girlfriend Olivia. Turns out she stops acting shy when she’s alone with someone. Looks like she’s a two faced bitch.

What I care about. Though, is the fact Olivia doesn’t wear any underwear. Maybe that’s why all the guys keep chasing her. This is a great opportunity to start doing the same.

What to do - talk to her after 5 days - “*Did you learn something new about Olivia?*”.

3. This time I learned something even more interesting about Olivia and Alex. Looks like she’s loaded. Lisa assumed it’s the reason they are together.

I suggested to Lisa she could pretend she’s from a rich family too. We already have a nice house, now I just need to get her some jewelry.

Couldn’t she see that the guys who are going to chase her family money are not the boyfriend material? At least she will be happy every time I’ll give her some presents.

What to do - buy all the jewelry - \$2455 (350+375+500+400+450+380) and wait 3 days. Talk to Lisa - “*Do you like jewelry?*”. Give them to her (all at once or one by one). Talk to her - “*So, any effect from the jewelry?*”.

4. Lisa told me the presents really attract attention, but unfortunately, not from Alex. Whole bunch of guys are hitting on my little sis! I hinted I could be a good boyfriend, but she took it as a joke. Maybe I should keep giving her presents.

What to do - talk to her after 2 days at the pool - “*Anything about Olivia?*”.

5. Look like Lisa gave up. She’s not going to chase this Alex guy anymore. And now she’s thinking about becoming my secret girlfriend. I’m not sure she’ll agree, but it would be so great.

Attention: a certain progress in “Mentor” opportunity is required to continue. Also, Lisa will be thinking about the offer for a couple of days.

What to do - Continue to advance with [Mentor](#), after step 19.

- PATH 3 (Olivia Girlfriend) - I have an idea, but it will be hard to pull off...

3.1. I've come up with an idea that would make everyone happy. Lisa will have to befriend Olivia, introduce me and then I'll seduce her... Well, try to. But if I succeed I'll get a girlfriend and Lisa will get Alex. Now, how would one go about seducing the prettiest girl in school?

What to do - requires Max's authority "Low". Talk to her at the pool - *"Report progress to our cunning plan"*.

3.2. Lisa agreed with my super "let's break Alex and Olivia up so we can have them for ourselves" plan. For start we have to figure out how to get close to Olivia. Lisa will try to befriend some guy who likes Olivia, so she will be able to get some intel on her ...
I would never come up with this idea, but Lisa not only offered it, she also thinks I'm the one came up with the idea!

What to do - talk to her after 5 working days - *"So, have you learned anything new about Olivia?"*.

3.3. Lisa learn something interesting about Olivia: she doesn't wear any underwear! It's not much, but it's a start. I told Lisa she should talk to Olivia about it. Maybe she'll learn something useful.

What to do - Talk to her after 3 days - *"So, have you learned something about Olivia's panties?"*.

3.4. My genius super plan is shaping up! Lisa learned why Olivia doesn't wear any underwear, turns out she is from family of naturist. And she also loves pools, but their one doesn't work for some reason. And Lisa, being a good girl, she is, invited Olivia for a swim next Saturday!

What to do - wait until next Saturday 16:00 - Olivia at the pool naked.

3.5. I've met Olivia and she's even better than my wildest dreams! Ase doesn't shy away from her nudity at all! I completely lost my mind and couldn't even talk properly, though. But it's just a start. I'll leave a better impression next time! And I did manage to leave some impression, even if it wasn't my personality, hehe.

What to do - - talk to Olivia at the pool on Sunday at 16:00 - *"Yeah, don't overexpert yourself. Can I talk to Olivia?"*.

3.6. I've managed to talk some more with Olivia. Turns out she's not as dumb as I assumed. She's funny, cheerful and she has a sharp tongue ... I'd love to taste it...

What to do - talk to Lisa on next Sunday morning - "*How is your relationship with Olivia?*".

3.7. Lisa and I have decided to invite Olivia and Alex overnight. Olivia loves the pool, and Alex loves Olivia. I think this is a great plan! Let see what will come out of this ...

What to do - talk again to Lisa after 3 days (Wednesday) - "*Have you talked to Olivia?*".

3.8. Lisa says Olivia and Alex will come over if no one else is in the home. In other words, we have to be alone, no mom, Alice or Kira...

What to do - depends if Eric is still in the house:

- Eric is still in the house - wait until Friday night, when only Max and Lisa are in the house;
- Eric is gone - Talk to Lisa on the next day (Thursday) - "*What about Olivia?*". This dialog can appear if Eric is gone after any of the next steps. Talk to Mom - "*Mom, I wanted to talk about having some people over*". Talk to Lisa again - "*I've talked to mom...*" - decide to use sleeping pills. Buy them - \$50. Talk to Lisa on the next day after get the pills - "*I've got sleeping pills*".

3.9. Olivia and Max come over. Interesting couple. We spend some time in the pool and they left. Looks like this may be a tradition. Who knows where it may lead us...

What to do - wait until next Friday night or if Eric is gone, buy pills and wait 5 days (Tuesday) and talk again to Lisa that you have the pills - she is topless.

3.10. This time our meeting was pretty good. First, we convinced Lisa to take her top off~Just the sight of my sister's tits was worth it! Second, Olivia and Alex stayed overnight. Too bad they left so early I missed it.

Turns out Olivia is afraid of dark and sleeps with the lights turned on. Ans since she also sleeps naked, this make a great combination!

What to do - wait until next Friday night or if Eric is gone, buy pills and wait 5 days (Sunday) and talk again to Lisa that you have the pills - Olivia make HJ and BJ to Alex.

3.11. This time was even better. I've had an interesting talk to Olivia, but the best part happened at night. Olivia blew Alex! With the light turned on! Is it possible she just wanted to give us a show? Lisa was sleeping, but I didn't miss a thing!

What to do - wait until next Friday night or if Eric is gone, buy pills and wait 5 days (Friday) and talk again to Lisa that you have the pills - Lisa is naked, Max and Lisa watching Olivia and Alex having sex.

3.12. This time Alex's alcohol was ... strange. I guess the pills took their effect. Lisa undressed completely! And we are almost spooning in the bed in our sleep ... And by sleep I mean watching Olivia and Alex fuck while Lisa jerking me off. This visits are getting better and better!

What to do - wait until next Friday night or if Eric is gone, buy pills and wait 5 days (Wednesday) and talk again to Lisa that you have the pills - Olivia and Max sleeping together naked.

3.13. Lissza undressed completely and flirted with Alex the whole night. They even left alone for some time ... And then she proposed to switch partners for the night. And Olivia has agreed! We slept together, completely naked ... We didn't do anything, though. Olivia is very serious about her relationships, even as doomed as her relationship with Alex.

What to do - talk to Lisa after 2 days - "*About Olivia...*".

3.14. Lisa told me that she heard Olivia and Alex breaking up. Looks like my plan worked! What will happen with our night pool tradition, though?

What to do - talk to Lisa after 4 days - "*Have you talked to Olivia?*".

3.15. It's official. Olivia and Alex broke up. Interestingly, they are fine with keeping our tradition, but Alex will come over to Lisa and Olivia to me. Will I finally have a girlfriend? End what we will do all four of us in the same room?

What to do - wait until next Friday night or if Eric is gone, buy pills and wait 5 days and talk again to Lisa that you have the pills - Olivia and Max - BJ and sex, Lisa trying to make BJ to Alex.

3.16. Olivia is now my official girlfriend! Well, mom doesn't have to know about her, and neither should Alice ... Or Kira ... Whatever, the main thing is Olivia knows!

v. 0.8 - Attention: You've reached the end of this opportunity in the current version of the game

Talk to Lisa after 2 days - "*Did something happen?*".

Talk to Lisa after 3 days - "*How are you and Alex?*".

Wait next Friday or if Eric is gone, buy sleeping pills and tell her on the same day - Lisa watches Max and Olivia making sex. (*I prefer to buy the pills in advance and talk to her that I got them after every dialog. It will allow me to not wait every time 5 days*).

Talk to her on the next morning - "*I wanted to talk about Olivia...*".

Wait next Friday or if Eric is gone buy sleeping pills and tell her after 4 days - Max licks Lisa's pussy while Olivia make BJ.

Talk to Lisa after 2 days - "*About Olivia...*".

Talk again to her on the next day - "*About Olivia...*".

Talk to Lisa on the next morning - *"About our relationship..."*.

Wait next Friday or if Eric is gone, buy sleeping pills and tell her after 4 days. Wait for the night - choose different options - repeatable event.

Schoolgirl (0.8)

(Expenses - \$0)

Triggers on the second day at breakfast.

1. Lisa's grades took a dive. Looks like the new school requires higher level of education. This is a good opportunity to show my knowledge and help out my little sister... Or sabotage her grades and see how mum will punish her. Or maybe ask for something in return for my help? But first I have to talk to Lisa and see her thoughts on the situation.

What to do - talk to Lisa at the pool after school (16:00) - "*About your grades...*". There are two options:

- **convince her to sleep without pijama** (bad option)

2.1. I think I convince Lisa to listen to me under fear of punishment. Now she's sleeping in t-shirt and panties only. And that's only the beginning!

Now under pretense of helping I can fail her homework so I can see her get punished... Who knows, maybe I'll even be able to get further?

v. 0.8 - Attention: You've reached the end of this opportunity in the current version of the game

- **offer her help without conditions** (better option) - **Relationship + 1**

2.2. I talked with Lisa and promised to help with her studies. For free. Just cause. Of course, it's not very typical of me, but I may improve relationship with my sis and earn her trust.

What to do - Actually after the first punishment, talk to Lisa - "*So, have you changed your mind?*". He will convince her to slip without pijama. So, there is no point to use the first option.

v. 0.8 - Attention: You've reached the end of this opportunity in the current version of the game

- "*You can take a break, I'll do everything myself! (without mistakes)*" - make her homework without mistakes 7 times - **Relationship +1**;
- "*No problem!*" - this option is available if you choose step 2.2 to offer help without condition. Do not use it because Max will do homework without mistakes, but this will

not change the relationship after 7 homework. The option disappears after Lisa got punished and Max convince her to sleep without pijama - see step 2.2;

- *"Oh, there's so much ... Another time"* - her mood will decrease by 1 level;
 - *"I'll do everything perfectly if you do something for me"*. This option is available after buying the silk bathrobe - **Relationship +1** and have Max's authority at least **"Low"**. Swimsuit (0.8)

(Expenses - \$200)

Triggers when Max talks to Lisa at the pool while sunbathing at 18:00 (available from the first day): "*Why are you sunbathing like this?*" - step 1. If he doesn't talk to her, it triggers on Saturday after girls are back from shopping - directly to step 2.

1. I noticed Lisa always wearing some one-piece swimsuit. How is she supposed to tan in that? She agrees, but she doesn't have anything else to wear, everything got lost in the moving process. Maybe I can help her out somehow?

What to do - wait until Saturday. Girls will go for shopping and Mom didn't buy a swimsuit to Lisa.

2. Mom forgot to buy a new swimsuit for Lisa. Now she has to wait for the next weekend when Eric will take everyone shopping. This time Eric promised to buy one himself. Maybe I should beat him to it?

What to do - buy the red swimsuit (\$200) before Eric. It has to be ordered from the online shop until the 9th day. Give it to Lisa on the 10th day when she is at the pool (16:00).

Choose "*Well...*" from the dialog and then "*I'll give you if you'll let me see how you're trying it*" - **Relationships + 1**.

3. I got enough money to buy Lisa the swimsuit she wanted. I think she really appreciates it.

If do not succeed to give Lisa the swimsuit in time:

3.1. I couldn't buy Lisa the swimsuit that she wanted before Eric. I think their relationship improved. Too bad I couldn't give her that stupid swimsuit so Lisa would be grateful to me.

Arachnophobia (0.9)

(Expenses - \$1990)

Triggers on the second day during the dinner conversation.

1. Looks like Alice is terrified of spiders. And the climate here is very good for that kind of insect... Catching one and dropping it off to Alice should be hilarious! Now how would I get one?

What to do - "read about spiders" on the web.

2. I looked it up on the web, and there's a local type of spider that would be perfect for my goal! It's completely harmless and pretty big. Looks like I can try and catch one in the morning when spiders check their nets for pray.

What to do - go to the pool and search for a spider at 10:00 or 11:00.

3. I've got myself a huge spider, turn's out it is quite easy if you know what are you doing. Now I just have to test this monster on my sister. Where would be the best place for my experiment...

What to do:

- **Hide the spider in the Alice's Room** - put the spider on her bed at night - preferable after 22:00 (*Stealth*). 00:00 for best results. Go to sleep and Alice will wake Max and ask for his help with the spider. You can choose to help without conditions - "*Fine, where is it*", or you can blackmail her - "*What do get for this?*" - 4 options (*Persuade*):
 - "*Give me \$10*" (*Persuade*);
 - "*Show me your tits*" (*Persuade*);
 - "*Take your top off*" (*Persuade*);
 - "*Uh, nothing. I'll catch it for free...*" - same as "*Fine, where is it*".
- **Throw the spider on Alice at the pool** - 2 variations:
 - Throw the spider when she is lying at the pool with full swimsuit (when you progress with the story she will be topless all the time and this option is inaccessible);
 - Throw the spider when she is lying at the pool topless (further in the game) or when you put cream on her and remove the straps.
- **Throw the spider on Alice while she is taking a bath** - she has to be alone in the bathroom in the morning. If your peep on Alice is successful (*Stealth*) you can throw the spider. The opportunity is available before aunt Kira arrives. After that they will take a shower together.
- If you use the spider, a new one can be found after 5 days.

V. 0.9.

What to do: hide the spider in her room and choose - "*Okay, but I want something first*" - she is getting naked (requires relationship "**Warm**").

4. Alice is so afraid of spiders she agreed to get naked just so I will kill one in her bed. I'm so lucky spiders keep climbing into Alice's bedroom for no reason ... Anyway, I wonder what else I can get from Alice for killing the spider...

What to do: hide the spider in her room and choose - "*Okay, but I want something first*".

5. I've killed another spider for Alice and asked her about staying in her room to guard her. She turn me down. I guess she needs more spiders in her bed to change her mind..."

What to do: hide the spider in her room and choose - "*Okay, but I want something first*".

6. I think I may worsening Alice's arachnophobia. Alice is starting to think about letting me into her bed. She still didn't let me sleep in her room, so I think I should keep trying.

What to do: hide the spider in her room and choose - "*Okay, but I want something first*".
Max will sleep in Alice's Room.

7. Alice has finally let me sleep in her bed! Moment of silence for all the spiders who sacrificed their lives so this tremendous achievement. Step one is over, now I just have to keep trying.

v. 0.9 - Attention: You've reached the end of this opportunity in the current version of the game

V. 0.9.

Related events:

- After step 7 there is a new item that can be purchase in online shop - "Spider Bait" (\$1990). It allow Max to find a spider every day from 07:00 to 18:00;
- After step 7 the dialog changes - "*Okay, but I'm going to stay in your room*" - Max can touch her breast and take off her top. After several tries he can take off her panties - HJ - repeatable event.

Party girl (0.8)

(Expenses - \$220)

Triggers on the fourth day during the dinner conversation.

1. Alice asked mom for a new evening dress. Usually mom would say no, but this time Eric said he'd buy her one on the next shopping trip. I should hurry if I want to beat him to it and give her a present myself.

What to do - buy the little black dress (\$200) before Eric. It has to be ordered until the 9th day. Give it to Alice on the 10th day when she is at the pool at the earliest (15:00) and watch how she is trying it - **Relationship + 1**.

If Max do not succeed to give the dress to Alice in time and he did not order the dress:

2.1. Now this is bad luck. I tried so hard to buy that dress, but in the end I didn't even matter. Not surprising, Eric's loaded, he certainly can afford it. Now his relationship with Alice has improved.

v. 0.8 - Attention: And now you've definitely reached the end of this opportunity in a current version of the game

If Max do not succeed to give the dress to Alice in time and he did order the dress:

2.2. Now this is bad luck. I've spent so much money on a beautiful short dress for Alice, but Eric has beaten me to the punch. And of course he got her same kind of dress, so I can't just give mine to her.

v. 0.8 - Attention: And now you've definitely reached the end of this opportunity in a current version of the game

If he succeed:

2. Yes! I did it! I've managed to give the dress before Eric! Alice is grateful, now she can go to nightclubs.

What to do - requires "Warm" Relationship with Lisa - try your best to do this as soon as possible. A new dialog will pop up with her - "You look weird...". (*Persuade*) After success she will tell Max that Alice will get drunk after small amount of alcohol.

The goal is to make it happen before aunt Kira arrives (day 18).

3. Lisa told me some juicy secret. Turns out Alice can't hold a drink. Or more accurately, drinking drastically changes her behaviour.

Which is why she never drinks. Maybe I can come up with some idea?

What to do - buy Candies (\$20).

4. Well, I got myself a box of chocolate liqueurs. They should be subtle enough for sis to miss alcohol. I wonder if that would be enough for her to ... change

Attention: You've reached the end of this opportunity in the current version of the game

What to do - on Friday (before aunt Kira arrives) at 20:00 enter Alice's Room. Choose "*I have a present for you*" - give Alice the chocolate. Now after she comes back at 03:00 am go to the bathroom and knock (*Persuade*) - BJ. Requires Max's Authority "**Trust**".

5. Everything worked out fine. And quite ... unexpectedly. Can't tell anyone about this. I guess Alice lost her inhibitors and got herself drunk in a nightclub. Let's hope she won't remember anything, or I'm a goner...

Note that if Max do not give candy to Alice before aunt Kira arrives, step 4 is the last one.

v. 0.8 - *Attention: And now you've definitely reached the end of this opportunity in a current version of the game*

On the next day you can speak with her: "*About that time in the bathroom at night...*".

Related events:

- From now on every Friday (after aunt Kira arrives) Max can give candy to Alice and wait for her to return at 03:00 at the pool. He will take her to her room (*Persuade*) - BJ. The event stops if you are on Olivia's path and she starts to visit you and your sister at the pool every Friday night. Nevertheless the event is available after Eric is gone and Max do not use sleeping pills ([Schoolmate](#), [Olivia's path, step. 3.8.](#));
- Later in the game if persuasion of Alice (after step 4) is not successful (Max has to had sex with Kira before that), he will return to the pool and Kira will give him HJ;
- After finishing the first massage course, every night at 22:00 or 23:00 (except Friday) Max can do leg massage to Alice. After buying candies, Max can use them - "*Do you want some candy before the massage*". Choose "*I'm just super nice, that's all*", "*That's for a desert*", "continue massage".

Blog (0.8)

(Expenses - \$2269)

On the first day at 11:00 go to Lounge and speak with Alice about the blog (optional).
Triggers on the second day at the dinner conversation.

1. Alice has told me about her blog and the “lack of clothes” problem. Now she has nothing to show, nothing to wear in the blog and she’s heartbroken. She’s desperate for any kind of help, even from me! Maybe I should look on the web for solutions?

What to do - “read about blogs” on the web.

2. After searching the web I learned that the most popular blogs have female hosts, and their popularity directly correlates with the size of their breasts and how revealing their outfits are. I can’t really do anything with Alice’s cup size, but her outfits ... Maybe I should talk to her?

What to do - requires mood “**Not bad**”. Go to Alice’s room and talk to her - “*About the blog...*”.

3. I talked with Alice about her blog and tried to tell her she could advertise lingerie. Amazingly, she agreed. Now I just have to buy her some lingerie, so she’ll be able to build a new audience and attract some advertisers.

What to do - after aunt Kira arrives (day 18) buy Set of black lingerie - \$399. Talk to Alice - “*I have something we’ve talked about*” - **Relationship +1**.

4. I gave Alice a cute lingerie set. She loved it. She even tried it on in front of me! I didn’t get to see much, but the experience was very exciting anyway. And the best part is, she gave me a hint I could buy her something ever sexier!

What to do - buy Black Body - \$350.

5. My new gift didn’t quite had the effect I was hoping for. She said she’s not going to wear a topless body for a blog and instead she’ll wear it for someone, but refused to give me the details. So many secrets...

Oh, yeah, she also told me she was approached by some advertiser. They’ll send her lingerie and they will pay for wearing it! She doesn’t need me anymore, though.

What to do - wait 1 week until you can ask her “*How is your blog*”.

6. As it turns out, she's not going to earn much money for those guys, because the lingerie they send counts as her salary. And she was hoping she would earn big money. I suggested advertising adult toys, but she didn't like the idea. I think she may agree to strip on the camera, though. Now I just have to convince her to do this.

And If I manage to do this, it may snowball into something great... I shouldn't go ahead myself, though...

What to do - wait 2 days and ask her - "*Have you decided something about your blog?*" (Persuade) - try every other day until success - **Relationship +1**.

7. Finally! I've managed to talk Alice into stripping in front of the camera. To be honest, it kind of seemed she was into the idea herself. I wonder if all women have a this side of them ... This is great news!

She'll start from undressing, then she'll pay with herself ... who knows how far this thing will go?

What to do - wait 2 days until you can ask her "*How is your blog?*".

8. I've asked Alice about her blog and turns out she has managed to do everything by herself. She has found the website, set everything up and even had a trial translation! She's great! I wonder if she forgot to lock the translation on our region, so someone she knows couldn't see it...

Now I have to find her stream ... Maybe I need to install some spying program on her notebook? I should do it when she's not at home, though, just in case

What to do - wait until he is out of home - Friday night, Saturday morning or Saturday-Sunday afternoon and install the keylogger in Alice's Room.

9. I've done it! I install a keylogger on Alice's notebook while she was away. Now I have to wait until she'll go to the streaming site and logs in, then I'll be able to find her!

What to do - peep on Alice's Room at 20:00-21:00. Go to My Room and on the laptop "spy on Alice".

10. Now I know what site Alice is using. And her username is Melissa. Kinda sound like Alice ... I think I should watch her stream from my notebook...

What to do - on the laptop look into "Alice's site". **Do not give her \$30**, it's pointless.

11. My older sister is flirting with perverts on the Internet... I've created an account with username Mike and looked around the site she uses. I can chat with her and ask her to do stuff for money! Interesting...

What to do - next evening look into "Alice's site". **Do not give her \$150** as she wanted.

Next time give her \$70;

Next time pay \$200;

Next time pay \$350;

Next time choose “*Take everything off*”, “*Deal, undress*” and pay \$150, “*Sure, here!*” and pay \$50, “*Too bad*”, “*Deal, here!*” and pay \$150.

Note that she is not online in Wednesday and Friday night.

12. I've managed to convince my sister to completely undress in front of me! Well, in front of Mike ... in front of the camera ... Doesn't matter. What's important is she was completely naked!

They say if a woman is willing to do anything for some money then she's willing to do anything for a lot of money! Or something ...

What to do - Again go to the Alice's channel and pay \$150 + \$50 + \$150.

Last time go to the Alice's channel and pay \$150, \$50 more and then do not pay \$150 but choose “*I'm afraid I'm busy right now ... Another time*” and go to her room.

13. I did a great prank on Alice! Mike pretended to leave on business and while Alice was waiting for him naked, Max (me) barged into her room! It was risky, but seeing her reaction was worth it! I wanted to offer a couple stream, but she didn't let me finish. I should find a better moment for this conversation.

What to do - talk to her on the next day - “*About your blog*”.

14. I've talked with Alice about my idea for the next step in her blogging career, but she told me off. She'd earn a lot more money with my help, especially if I'll be giving her my share. Well, except my sister's sweet ass and gentle lips ... I should keep trying to change her mind.

What to do - talk to her on the next day - “*Have you changed your mind about the show?*” (*Persuade*).

15. I've managed to talk to my sister into a trial couple stream with me. Will I finally have an opportunity to fuck my sister? I can't wait.

What to do - go to her room on the next day - HJ.

16. Alice has jerked me off in front of ... someone. The important this is she she did it! And she was touching herself right in front of me too! This was a great idea. Now I just need to wait for new clients with more interesting demands. Maybe I'll get more...

What to do - go again to her room - Cunnilingus.

17. Alise has asked me to eat her pussy! Incredible! Well, technically it was her client, but who cares about the semantics... She smell incredible ... And the main thing is she liked it! I think I saw an unasked question “why did you do this before” in her eyes. I am always willing to do this again when she wants it...

What to do - go again to her room - Sex.

18. Yes! I fucked my sister! Right in front of viewer ... Or viewers. Who cares. I fucked her! Without any alcohol, blackmail or tricks! ... I could repeat it forever!

What to do - go again to her room.

18. Alice has laid some ground rules. No more than one client per day, Alice doesn't want to turn what we have in a routine. So we'll have to have pauses between fucks. This is the best thing that ever happen to me! And the things to come are...

v. 0.8 - Attention: You've reached the end of this opportunity in the current version of the game

From now on Max can enter her room every day - HJ, Cunnilingus, Sex - one per day in that order.

Related events:

- After Max and Lisa start doing anal (Lisa's path) she will enter when Max and Alice have sex. Talk to Lisa on the next day - "*Alice and I...*" (requires "**Good**" mood)

Alpha (0.8)

(Expenses - \$0)

(Expenses to get rid of Eric using Kate's mom - \$5500)

Triggers on the 4th day during the dinner conversation.

1. I've met this Eric, mom's boyfriend. Can't tell anything good or bad about him, but I don't like him. He asked me to choose between friendship and war. Now why would I want to be friends with him, what would that achieve? Same goes for war... What could he do to me? Anyway, he gave me a week to think. I guess I'll have to think this through and decide.

What to do - wait until the breakfast on Tuesday (day 7).

2. Eric is definitely a change for the worse. First, he suggested to send me to some military camp. "To build some character". I have a huge character!

Then he convinced mom we should have a new punishment system. Why couldn't he suggest something good... Anyway, from next week we are going to be spanked in front of each other! Naked! It's humiliating. What kind of pervert would come up with this idea? It will ruin my authority! I have to do something immediately!

What to do - on 8th day at 20:00 go to Alice's Room and see her posing to Eric. After that Mac can talk to Alice - "*You're taking gifts from Eric?*". (these two are optional and do not reflect on the opportunity progress).

Wait until dinner on Saturday (day 11) when Max will speak with Eric and can decide to go on war or peace with him:

- **Peace** - choose "*I think it makes no sense to fight*" and then agree with his conditions.

2.1. I feel like I made a deal with the devil. Eric promised to pay me some money and gave me permission to peek after him and mom having sex. On my part, I have to let him corrupt my family. Who knows, maybe he'll let me participate in some action...

v. 0.8 - Attention: You've reached the end of this opportunity in the current version of the game

If you want to start **war** later, go to talk to him - "*Our friendship is over!*"

- **War** - choose "*I hate you*"

2.2. Screw him! I declined his dubious offer and am not going to work with him. I won't get anything he offered but my conscience is clear and my family is in my hands!

v. 0.8 - Attention: You've reached the end of this opportunity in the current version of the game

After starting the war there are two ways to **get rid** of Eric:

Using a hacker: ([Wallet, step 6.4-11.4](#)).

Using Kate's mom:

- **Wallet** has to be finished with endings 1, 2 or 3. Also Kate has to visit Alice for 11th time. ([Cunning plan, Related events](#)). Talk to aunt Kira - "*Aunt Kira, I really need your advice!*". Talk to Kate after buying her weed ([Weed, step 6](#)) - "*Actually, I need your help.*" Buy "a big package of weed for \$500". Give the weed to Kate - "*I have a big package*". Now Max can go to the laptop and "call Kate's mom". She will ask for \$5000 and to fuck Alice while Kate is filming. Next Wednesday or Sunday at 01:00 am go to Alice's Room and Kate will film the sex scene between Max and Alice. Gather the money and again call Kate's mom. Give \$5000 and after 2 days Eric will disappear.

3. Eric? What Eric? Never heard about him ... Like he was never there. And I won't miss him!

Attention: You've reached the end of this opportunity. Congratulations!

- Peep Eric and Mom while taking a bath at 06:00 or open the door.

Control (0.8)

(Expenses - \$0)

Triggers during the 3rd peep on Mom and Eric (on 16th day at the earliest) after Max becomes friend with him (peace with Eric).

1. What was that? Mom just caught me peeking after her having sex with Eric, but before she could punish me Eric told her to stop and she listened! My mom, who wouldn't even let me watch some soft erotica just accepted my presence at that! It's incredible! Either Eric is a wizard or there is something else going on and I have to get to the bottom of that.

But first I have to talk to my sisters and check whether they notice any changes in mom's behaviour.

What to do - talk to Lisa or Alice first.

- **Talk to Lisa first** - *"About mom..."*:

2.1. I am very concerned by my mother's behaviour.

I talked about mom with Lisa and I'm not sure she believed me. She probably thinks I made everything up. Maybe I should talk to Alice?

What to do - talk to Alice.

3.1. I talked with my sisters about mom, but they think Eric is making her happy. Don't they see that mom is completely under his control? I think I need help to figure it out, but who isn't charmed by Eric?

v. 0.8 - Attention: You've reached the end of this opportunity in the current version of the game. To be continued...

- **Talk to Alice first** - *"About mom..."*:

2.2. I am very concerned by my mother's behaviour.

I talked to Alice about mom and she had no idea what I was talking about. She also didn't believe me when I told her about permission to watch when they have sex... I don't know what to do, I guess I should try Lisa next?

What to do - talk to Lisa.

Favorite aunt (0.8)

(Expenses - \$500)

Triggers on 18th day at the earliest when aunt Kira arrives and Max talks to her at the pool at 10:00 - "*Care for some company*".

1. Aunt Kira, Mom's younger sister lives with us now. She wasn't exactly shy before, but now she's so... so... and she also saw my dick in the first day here! Kind of awkward. And her swimsuit is so open I'm not even sure it qualifies as one. She also said something about my dad. Were they ... close. I want to learn everything.

What to do - make another 2 conversations with her on the next 2 days - "*Care for some company*".

2. I've told aunt Kara everything about Eric. I'm not sure she believed my every word, but she promised to look into the situation. Maybe she'll even talk to Eric.

What to do - talk to her again on the next day - "*Care for some company*".

3. My aunt is a porn star! I live in a same house with a porn star! Now I understand why I'm drawn to her so much. She practically emits sex aura!

She also caught me jerking off to her in the shower. It's an awkward situation ... On the other hand, she's a porn star, she's used to that and much more! Not me, though. I have to get closer to her. Much closer.

What to do - talk to her again the next day - "*Care for some company?*".

4. Aunt Kira have offered me to become her photographer. I have to get myself a camera, though. She probably won't pay me enough to break even on the camera. Let alone have some profit, but there is a chance she'll show her gratitude in some other way...

What to do - buy a camera (\$500). Talk to Kira on Saturday at 11:00 - "*About photo session...*" - 1st photoshoot.

5. I didn't get any. First, she was almost fully dressed. Some porn star... Second, she didn't offer me anything kinky for a job well done.

What to do - talk to her on the next day - "*Care for some company*". You can get \$300. If not continue with step 6.

5.1. Aunt Kira give me a choice between the money and more work. I chose the money. I'm not sure if I made the right choice.

She told me if I change my mind I can always give her money back.

Later Max can give money back if you want to continue with the opportunity. Talk to her - (*"I've changed my mind about the money"*).

6. We agreed on another photo session next Saturday when no one else will be at home. I wonder what she'll wear next time? Maybe I'll even convince her to pose naked? Ah, if only...

What to do - wait until next Saturday at 11:00 and talk to aunt Kira about the second photoshoot - *"Care for some company"* - 2nd photoshoot.

7. I'm not a virgin anymore. Aunt Kira showed herself to be a passionate woman with unhealthy interest in my cock... Which I'm extremely happy about! Some ropes were involved, but makes it even better! I wonder where it will lead us...

What to do - talk to her after the photoshoot - *"I wanted to talk about..."*.

8. I've talked with aunt Kira after my first time and she said she really liked it too, but it was a very special occasion because she's afraid to get caught, which will result in catastrophe. But she's open to the possibility of more sex if no one is around! And so am I!

What to do - talk to her on the next day - *"What do you think of mom's behaviour?"*.

9. I've talked with aunt Kira about mom's behaviour and she gave me a hint about something in mom's past. There was some kind of incident which allegedly explains things, but aunt Kira won't tell me without mom's approval. Or maybe mom will tell me everything herself. Anyway, now I have to go and ask mom about the incident in the past.

What to do - talk to mom - *"Mom, aunt Kira send me to me..."*.

10. Mom definitely won't tell me about the accident. It has to be important, but there's no point talking to mom about it. I guess I have no choice but ask aunt Kira, maybe she'll change her mind and decide to tell me the story after all?

What to do - talk to aunt Kira - *"I wanted to ask about that incident..."* (Persuade).

11. I've finally convinced aunt Kira to tell me about the accident. She told me what happened with mom when she was a kid. Obviously, the kidnapper gave her some serious psychological issue, which shaped her into the person she is now. And I guess Eric triggered something that makes her act so weird.

v. 0.8 - Attention: You've reached the end of this opportunity in the current version of the game

- After the second photoshoot if Max goes to the pool - HJ. Same happens after aunt Kira and Alice return from the club ([Party girl. steps 4-5](#)).

Weed (0.8)

(Expenses - \$0)

Triggers after 12th time Max go to Alice and Kate. They draw him out. Talk to Kate after that at the pool.

1. Kate asked me to get some weed for her. In exchange she'll let me on her fun with Alice. Looks like the deal is definitely worth it! Where could I get a weed though.?

What to do - "read about weed" on the web.

2. I did some search about weed, but I couldn't find a simple way to get it. And I can't just order it online, I'll guess I'll have to ask someone~? Maybe Lisa? People push sell in schools, right?

What to do - talk to Lisa on the next day - "*Lisa, I need your help with some delicate problem...*".

3. I asked Lisa about weed. She looked at me funny. She disapproves, but that's fine. She said she'll ask around, but she's afraid she'll be expelled if teachers will found out. Let's hope for the best.

What to do - Talk to Lisa after 5 days - "*So, have you asked around in school?*".

4. I have a good news/bad news situation. Good news: Lisa wasn't expelled. Bad news: she couldn't find anyone stupid enough to sell drugs at school. In any case this is a dead end. What other options do I have? Maybe aunt Kira? I'm not sure asking my aunt for this is a good idea ... I don't know how she'll react to my question.

What to do - talk to aunt Kira on the same day - "*I have some problem*".

5. Aunt Kira was totally fine, like I just ask her for some gun ... Weird. She said she's going to ask around and will let me know... Now I wait.

What to do - talk to aunt Kira after 3 days - "*Do you have any news on ... you know...*".

6. Aunt Kira has told me she knows someone who sells weed online for his close friends. And now I'm one of the! She gave me the website address, now I just have to order some weed for Kate. I hope it will be what she wants....

What to do - "buy some weed" on the web, give it to Kate at 02:00 at the pool on Wednesday or Sunday. This will allow Max to enter while they are together - repetitive event.

7. Kate appreciated me as the guy who can get it for you and now I have ... access ... to Alice. I really hope no one will catch me with all this...

v. 0.8 - Attention: You've reached the end of this opportunity in the current version of the game

Related Events:

- Next time when Max catches Alice at the pool at 13:00 she will smoke weed. There is a new scene with naked punishment if you choose this option. If you leave her alone this will increase her mood.

Cunning plan (0.8)

(Expenses - \$20)

Alice starts to meet with another girl (Kate) at night - 01:00 am on Wednesday and Sunday when mom is not at home.

The opportunity is triggered after the 5th visit of Kate - Max has to peep on them every time and speak after that with Kate at the pool.

1. Kate has told me that she has no choice but sneak into Alice's room in the middle of the night when my mom isn't home because she'd disapprove of their relationship. I volunteered to help out. Now all I have to do is simply convince my mom that girl love is perfectly normal.

What to do - talk to mom on the next morning - "*Mom, I wanted to ask your opinion about something...*".

2. I probed around to see mom's opinion and she's a bit extreme on this issue. Now I can see why Alice wasn't even trying ... What could I do now? Maybe I should ask aunt Kira?

What to do - talk to aunt Kira - "*I want to discuss something...*".

3. Aunt Kira was amused by me volunteering to help Alice and Kate, but she said she'll talk to mom. I don't know what to expect .. Last time mom was quite clear she doesn't approve this kind of behaviour.

What to do - talk again to aunt Kira after two days - "*Have you talked to mom about...*".

4. Look like the talk between aunt Kira and mom didn't went to well. But aunt Kira is still confident she'll be able to help me. She said she'll think more about her next move and worst case scenario there's an "all in" option ... I'll see what she will come up with ...

What to do - talk again to aunt Kira after two days - "*So, have you came up with something about mom?*".

5. Aunt Kira come up with funny idea. She's really eager to help too, like she's personally invested in this whole thing...

Aunt Kira come up with a cunning plan to gradually corrupt my mom. The idea itself is great, but I'm not sure if aunt Kira can actually can pull it off...

What to do - talk again to aunt Kira after two days - "*So, have you come up with a new plan*".

6. Aunt Kira has finally solidified her plan, it involves three stages. First, we have to do something with mom shyness, and for this aunt Kira will try to easy mom into naturism. Second, aunt Kira wants to create juicy situation. And the third phase is the original plan: get mom drink and sleep with her.

The main problem with the first stage is me. I have to do something so mom to get used to be half naked around me, so I have to learn sensual massage.

What to do - learn sensual massage (requires 100 points on Massage skill) and talk to Kira after that - "*I've completed the course*".

7. I've told aunt Kira I've completed the sexual massage course. She said I should start practising on Alice while she tants. Then aunt Kira will tell mom I'm good at it and Alice's recommendation will add fuel to the fire. The I'll have to find a good moment to start massaging mom. I things the evenings after the shower in her room will be great for this.

What to do - start doing massage to Alice after removing her stripes at the pool. If before the massage you choose "Why so gloomy, Alice?" and give her money, it can increase the chances to finish the massage successfully or at least get further and get more skill points. Try all different options and choose the one with more progress. Try every day.

After the first successful sensual massage, go to Mom's room and ask "*Are you tired, mom?*". Make leg massage (*Massage*). If Eric is still here, you can do this on Saturday and Sunday (relationship is peace) or every day except Tuesday and Friday if relationship is war and Alice give him anti-potency pills ([Wallet](#), [Related events](#)). If he is gone - every day.

If the massage is unsuccessful:

7.1. Mom has agreed on my massage. I'm not that good, though ... But I'll try! Sooner or later I have to do a good job...

When it is successful - **Relationship +1**:

8. Yay! Mom has enjoyed my leg massage. I wonder if I'll manage to convince her to do something else ... Maybe massage her back, breasts, or maybe even more! Wouldn't that be nice ... But still have to go on. She has to get used to my hands...

What to do - do 3 more successful leg massages. On the 4th time Max will offer her back massage.

9. I think mom is ready to try a back massage! She agreed to try next time. I really hope she'll like it ... But even if I fail for the first time, I can always try again, right?

What to do - next time mom is with a white towel - after a successful leg massage (*Persuade*) she still don't want back massage.

10. Mom really enjoy I massage her back! I should do this more often. I'm think I'm on the right path. Just a little bit of progress and ... Hmmm. I already got more than I had hope for, to be honest. She's wearing nothing but a towel! Well, towel and panties ... Will I manage to get something more out of those massages?

What to do - next time make the 1st back massage. Talk to her - "*I wanted to say sorry about the massage...*". She may doesn't want to talk to Max at first.

Make 2nd successful back massage. Talk again to her - "*I wanted to say sorry about the massage...*". (*Persuade*).

After the 5th massage go talk to her and this time she offers to be without panties during the massage. **Relationship +1**

On the next massage Max will "peek under the towel".

From now on Max can massage mom while she is completely naked.

11. What's better than mom in nothing but panties? That's right, only mom without them! Looks like mom thinks the more she hides her body the more she stimulates me ...She is dead wrong!

What to do - Talk to aunt Kira - "*Why are you so happy?*" and again - "*I wanted to talk to you about my progress with mom...*" - aunt Kira will sunbathing topless. All the girls from next day will sunbathing topless.

12. Aunt Kira came with another crazy idea about some carpet syndrome. I don't know what kind of disease doesn't let you jerk off ... If I'd actually had something like this I'll be really perverted, I'd probably go completely bonkers ...

Anyway, for now I just have to wait couple of days until aunt Kira talks with mom...

What to do - talk to Aunt Kira after 5 days - "*Any news?*".

13. Incredible, I still can't believe aunt Kira convince mom to help me out ... I guess there's only one way to find out ... But if this works I can't even begin to imagine how to repay aunt Kira back.

What to do - do massage to mom - HJ.

14. I have no words ... Mom is so good ... se gentle ... She obviously has a lot of experience in this. Life's good! I wonder what kind of syndrome do I need so she'd ... you know ...

What to do - 3 days after [New job, step 10](#) talk to aunt Kira - "*Do you remember the origins of your plan?*".

15. Aunt Kira and I suddenly remembered why we started the whole plan in the first place. Originally we wanted to convince mom her daughter can date a lesbian in our house ... But then we kinda lost focus ... Not without aunt's personal interest, of course. Now that is done, we can finally reach the original goal.

Aunt suggested to talk to mom about Alice when we'll be watching the right movie. I should give it a try.

What to do - Buy the movie (\$20) and the next day watch it with mom - "*I have a movie with me*" - HJ by mom.

16. When, that went well. I didn't expect everything working out so incredible! We didn't see much of a movie and mom wasn't really surprised to learn about Alice. Maybe she suspected it already? The important thing is mom gave me a handjob right in the lounge, and she was completely naked! Someone could walk in on us, that would be fun...
Now I have to ask something from Alice. I didn't do all this hard work for nothing, right?

What to do - Go on the next day at 22-23:00 in Lounge. A new dialog will appear when ask Alice what she's watching - "*I want to talk about Kate*" - she will remove her panties. From now on you can massage her legs while she is without panties.

17. Ha! I tricked Alice into a great deal! Now she's having to walk around the house bottomless! I can enjoy the sight of her beautiful ass any time! I'm a genius! Now I just have to ask something from Kate. She was the one most interested in her legalization...

What to do - Talk to Kate - "*I have news about my mom*" - Max will convince her to participate in their game once a week.

18. I've managed to get one visit per week from Kate. We see how exactly are they going to pay me back. But now I definitely won't be tied to a chair. Who knows, maybe one day I'll be one in charge...

What to do - go to Alice's Room on Monday, Wednesday or Saturday at 23:00 - BJ by Alice and fingering Kate. From now on Max can do this once per week.

19. I definitely like the change! Girls show me a lot of gratitude. Well, mostly Alice did. I'm not complaining, though! We'll see what they do next time...

What to do - go to Alice's Room next week at the same time/day - sex with Kate.

20. Now this was a nice surprise! Turns out Kate isn't a hardcore lesbian as I thought! She had some guys before ... but the best part I fucked Kate! Right in front of my sister! I guess they have a lot to learn about each other...

What to do - go to Alice's Room next week at the same time/Day - sex with Kate or BJ by Alice - your choice.

21. I definitely like the new deal! I can ask Alice to blow me or can fuck Kate. I'm living in a fairy tale! I can only do this once a week, but it won't get too repetitive! I think I'll be able to get more from them ... Much more.
Eventually...

Next time when doing leg massage a new dialog will appear - "*How about we continue instead?*" (*Persuade*) - BJ by Alice. From now on the two BJs will be available from time to time.

Sacrifice (0.8)

(Expenses - \$0)

Triggers when Max catches Eric and Kira having sex at 03:00 am on Thursday. Before that Kira has to give Max BJ in the living room (Wednesday/Sunday at 03:00 am) and HJ at the pool (Wednesday/Sunday at 03:00 am) which are available after the second photoshoot. Also Max has to be in peace with Eric. They will continue to having sex even after starting a war.

1. This is bullshit! Eric is fucking my aunt! And she obviously gave her consent! What the hell is going on. I have to get to the bottom of this quickly!

What to do - talk to Eric - "*What the hell, Eric!*".

2. I've asked Eric and he sent me to aunt Kira. He said she may not even tell me what's going on ... I fucking hate him so much!

What to do - talk to aunt Kira - "*What the hell happened that night?*".

3. I've talked to aunt Kira and turns out Eric is blackmailing her, so she's doing it for me. She's afraid if Eric will show the video then I'll go to the camp and she'll get thrown out of the house. And mom probably won't forgive aunt Kira after that. Anyway, I should talk to Eric and try to fix the situation.

What to do - talk to Eric - "*I've talked to Kira...*".

4. Somehow Eric turned out to be even bigger asshole than I thought ... He clearly isn't going to stop having sex with Kira ... Except one option I can't possibly choose .. He's willing to shift his focus to Alice, if I'll tell him a way to get close to her ... What should I do?

What to do - talk again to Eric - "*About my choice*" - the only option is to give him Alice and tell him about the alcohol problem she has. From now on he will have sex with her and leave aunt Kira. Max cannot tell him about the alcohol before Lisa told Max about it ([Party girl, step 2](#)).

Important - if you finish "**Wallet**" before Max talks to Eric or even before you trigger "**Sacrifice**", "**Sacrifice**" will end automatically and Max do not have to give up on Alice.

If do not speak with Eric, next time Max can see different sex scene between Eric and aunt Kira.

5. I've made a deal with Eric. He shouldn't touch Alice, Lisa or Kira anymore. Now he'll focus his entire attention to mom. Not the worst deal, to be honest.

He's an asshole, but he kept his word. Let see how long he'll be able to hold himself in check, since my sisters love to flirt without thinking about consequences...

When Max get rid of Eric ([Alpha, Get rid of Eric](#)):

6. Eric? What Eric? Never heard about him ... Like he was never there. And I won't miss him!

Wallet (0.8)

(Expenses - depends on the option)

Triggers after aunt Kira arrives, when in war with Eric and Max has \$500 or more in cash. After dinner mom and Eric will speak with Max about the stolen wallet.

1. I fucking hate Eric so much! He has accused me of stealing his wallet! And claim there was such a huge amount in there, I can't possibly give it to him ... He said I have a week to give his money back. What should I do?

What to do - talk to aunt Kira on the next day - *"Do you know what Eric has said about me?"*.

Warning - if don't extend the period, after a week mom will send you to the military camp. For that talk to Eric - *"I need more time!"* - it will cost \$300 per week.

Important - from now on if Max has \$1000 in cash, he can talk to Eric - see step 5. After he gives the money, the opportunity will finish directly with step 7. It is better to wait with this after Max finds Eric's wallet - step 5.

2. I've talked to Kira and she pointed out the fact that I, allegedly, stole the wallet I've never seen in my life! Which means I just have to find it!

Either Eric has lost it or he hid it and he's blaming me on purpose.

Maybe if I sneak into their room at night while they're sleeping I'll be able to find it?

What to do - go to Mom's Room after mom and Eric are sleeping (00:00-03:00 am) and "sneak into the room".

3. It was a decent plan, but Eric woke up when I was rifling through his stuff ... I think he has figured out what I was trying to do. I'm not sure I have any chance to save my money and prove my innocence anymore ...

Maybe I should talk to Kira again?

What to do - talk to Kira on the next day - *"I think I've ruined everything..."*.

4. Looks like aunt Kira always has a great plan for any situations. She advice me to buy some sleeping pills and a beer, then pretend I'm offering peace and give him a beer with sleeping pills inside. I'm not sure if I'll manage, I need a lot of agility for this...

What to do - buy "Can of beer" - \$2 and "Sleeping pills" - \$50. Talk to Eric at 20:00 (Monday, Wednesday, Thursday) - *"I have something for you..."*, *"I'm tired of fighting and came with a peace offering..."*, *"I have some beer"* (*Persuade, Stealth*). If you not succeed, Max has to buy beer again and try again next time. After the success, go again while they are sleeping and Max will find the wallet.

Important - In Thursday at the latest offer him to return the money (\$1000) - see next step. Otherwise in Saturday Max will be sent to military camp.

5. I have found it! Just as I thought, Eric has his wallet all along! But there was no money inside. Only the driver license on some Victor! I wonder what I could do with this situation .. I think I just hit a jackpot!

What to do - talk to Eric at 20:00 - "*I've found your wallet...*":

- "*I want you to leave this house forever!*" - does nothing;
- "*I want you to leave my family alone!*" - does nothing;
- "*I want you to leave my sisters and my aunt alone!*" - if you choose "Yes" Max will give all his money in cash and the wallet - step 6.2 - **ending 2**, if "No" - continue with step 6.1 - **ending 1**;
- "*I want a lot of money!*" - if you choose after the amounts "*You're such an asshole...*" it's the same as the previous option. If you choose "*How about I just keep my money*" - step 6.3 - **ending 3**.

Best option - if you have \$1000 and choose another conversation with him - "*I didn't took your money*", "*I want to give you "your" money back*" (this is available after step 1), wait until next Saturday/Sunday morning and there will be a conversation with him and mom - Max will give the money. But now Max has Eric's wallet - go to 6.4. - **ending 4**.

Ending 1 - 6.1. I've asked Eric about Victor Moro and the ID ... He offered to give up on my sisters, aunt and he'll say that he found a wallet in exchange for his wallet. All my money and me letting him to do anything with my mom ... I refused. Now I owe a lot of money, everyone thinks I'm a thief, he won't leave my sisters alone ... And he took his wallet and ID! This sucks...

What to do - wait until Saturday/Sunday morning and Eric and mom will ask Max do he has the money, choose "*Here...*". The other option is the end of the game.

7.1. Eric has demanded his money back, and I had to give it to him, in front of entire family like I'm some kind of thief. I hate him so much. Why couldn't I came up with something? I feel like a loser...

v. 8.0 - Attention: You've reached the end of this opportunity in the current version of the game

Ending 2 - 6.2. Eric and I have made a deal. I won't mention Victor Monro. I gave him all my money and I'll let him do anything he wants with my mom. For all this Eric has left my sister and aunt alone. Also he told everyone he has found his wallet.

v. 0.8 - Attention: You've reached the end of this opportunity in the current version of the game

This will automatically finish "Sacrifice" opportunity.

Ending 3 - 6.3. I've exchanged the wallet for my money. The conflict about the wallet is over.

v. 0.8 - Attention: You've reached the end of this opportunity in the current version of the game

Ending 4 - 6.4. Eric has demanded his money back, and I had to give it to him, in front of entire family like I'm some kind of thief.

What Eric doesn't know, though, that I have his wallet and IF. I guess he thinks he lost it, and it's not like he can accuse me in stealing his "already stolen" wallet...

I'll definitely get to the bottom of this Victor Moro situation...

What to do - wait until Wednesday and go to Mom's room at 20:00. Will catch Eric speak on the phone.

7.4. What the hell!? I've listened on a very bizarre Eric's phone conversation. He spoke to some woman and called her "honey"!?

And he called my mom bitch? I'm going to fucking kill him! I have to tell someone right away. Maybe aunt Kira?

What to do - Max can check on the laptop - "look up for Victor Moro" but will not find anything (optional).

Talk to aunt Kira - *"I'm sorry to ask you again, but I really need your help!"*.

8.4. I've told aunt Kira everything about Eric's ID ... or, more accurately Victor's ID. anyway, she took this seriously. She took the ID and promised me to find out whether it's real, and some information about him. Now I just have to wait a bit.

What to do - wait 4 days and talk to her again - *"Any progress?"*.

9.4. Aunt Kira has confirmed the ID is real, which means tis bastard isn't even Eric, he's Victor Moro. that's all she could find, though.

Thankfully, she knows a guy. She gave me some contact information of a hacker who can find anything.

What to do - go to the laptop and "call to the hacker".

10.4. I've talked to the hacker. Shady guy, but he didn't ask for any money in advance. I gave him all the info on ID and he promised to get back to me tomorrow. His standard fee is \$500, if there's nothing criminal. I wonder what will he find.

What to do - go to the laptop and "call to the hacker" on the next morning at the earliest and give him \$2000.

12.1. Jackpot! Oh, the information that hacker gave me ... Now I can do with victor whatever I want! I can demand anything I want or I can get rid of him through the contact the hacker gave me. Only I decide his future fate! Finally! Now, what would be the best next move...

What to do - talk to Victor - *"We need to talk"*.

11.4. That's it, this bastard Eric ... Victor is mine now! He won't be causing any problems anymore and he'll do everything I do from now on. For a start he left my family alone, I'll think of something else later. And if he'll ever try something funny I can always get rid of him by ratting him out!

v. 0.8 - Attention: You've reached the end of this opportunity. Congratulation!

In any time Max can "call to Victor's enemies" on the laptop. The next day Eric/Victor is gone.

Related events (only after step 11.4):

- Talk to Eric - "*I want something from you*", "*I want your help with mom*". Go to Mom's Room at 22-23:00 and will watch them. Talk to Eric again - "*I want some more help with mom*". Again talk to him - "*I still demand you to let me touch my mom!*" (*Persuade*). Second time Max enters Mom's room he can touch her. talk to Eric again - "*About mom...*". Next time Max enters Mom's room he can touch her again (different positions). talk to Eric again - "*I want to talk about mom again.*";
- After Ending 1, 2, 3 or after 6.4. of ending 4, talk to aunt Kira on the next day or any day after that - "*I need an advice about Eric*" - Kira will advise to give Eric "Anti-potency pills" which Max can buy for \$150. At 18:00 talk to Alice - "*Could you please do something for me?*". She will want \$60 (twice \$30). Eric will not get BJ at 21:00 or sex with mom after that. At 23:00 he will be at the bathroom and mom in her room. This will give Max an opportunity to massage her if it's needed to advance with "**Cunning plan**" ([Cunning plan, from step 7](#)). The second time when Max asks Alice to drug Eric she needs persuasion (*Persuade*) and \$20 if the first leg massage to mom is unsuccessful ([Cunning plan, from step 7](#)). When Max succeeds with the massage Alice will not want money anymore. Requires mood at least "**Not bad**".

New Job (0.9)

1. Kira has shown mom's photos to the right guy and he like them. Now Mom has to go to a casting for a porn studio! She'll have to do it with Kira! Of course, Mom would have to get ready for this ... by having a trial casting in front of a live audience - me!

What to do - after two days talk to aunt Kira - "*How are things with mom?*".

2. Everything is going great! Kira has managed to seduce Mom. I think they both loved it. Now they have to just do the same thing in front of me! They won't have to ask twice to watch ... Kira said I should go to them Thursday night.

What to do - go to Mom's room on Friday at 03:00 am - lesbian scene with aunt Kira and Mom.

3. It was incredible! Mom was totally fine with fucking her sister in front of me! I think the idea got her even hotter! Anyway, I'm willing to watch them forever.! And not just watch...
Now I just have to wait for a good moment to do the casting. Kira said she'll let me know when everything's ready...

What to do - talk to mom on next day - "*Any news about the casting?*".

Go to talk to both of them at the pool after 3 days - "*Sunbathing?*".

Talk to mom in the same day at 15:00 - "*So, how was the casting?*".

4. I've talked to mom about the casting. She things it was a disaster, but everyone from the studio liked it ... Which is great! Looks like mom will be able to earn money with this! Which means I'll probably get something too!

What to do - talk to aunt Kira on the next day - "*So, how was the casting?*".

5. I've talked to aunt Kira about casting. She's certain everyone went great! Everyone loved mom, she was convincing and she has every chance to have a great career.
But the most interesting topic of the conversation was the suggestion to do porn for me! Maybe they'll even pay me, but I'm willing to pay the money myself to fuck some actress!

What to do - talk to aunt Kira after 2 days - "*Any news about new shooting?*".

6. Aunt Kira gave us some not so good news from the studio. Turns out practically everyone is busy with some mega project. She was asked to do it too, but she turn down because she wants to try herself i a director's seat. I wonder what will come out of all this?

What to do - talk to them after 4 days - "*What's up?*".

7. My aunt is incredible! She wants to make a video with her, me and ... my mom! All of us together in porn! And she gave me the text I have to memorize if I want to get the whole payment. Here are my lines:

- I'm home, mom! I had a class canceled...
- Where are you mom! I wanted to talk to you...
- I guess mom is upstairs and didn't hear me...

go quietly

Looks like mom is mad at our maid, she looks busy .. I should wait till they finish (...wait for a right moment...)

- Mom and Martha? I wonder if dad knows...
- Okay, mom
- What would father think about it?
- You can try to convince me to be quiet ... somehow
- So you want Martha to .. convince me right in front of you?
- You can show how much you need it
- Too early to say, depends on Martha
- That's not very convincing...
- That's better!
- Yes, he doesn't have to know anything ... today

What to do - talk to them after 3 days - "*Hey, good looking!*" - follow the steps.

8. Well, what can I say ... I fuck my aunt ... in front of my mom! The story was pretty basic, but who cares about the plot in porn, right?

What to do - talk to mom after the movie - "*About the movie...*".

Talk to aunt Kira on the next day - "*What do you think about the movie?*".

After that when he asks mom to join doing Yoga `(only in Lisa's path) - "*Aren't you hot mom?*" - she will do yoga topless. Lisa will notice.

Talk to mom and aunt Kira after 3 days - "*Sunbathing?*".

9. Aunt Kira has told us some good news. Mom has earned \$2000! I think she just gave mom her own share ... I didn't get as much, but so what? I'd pay even more to be able just to watch, but I did a lot more ... I fucked my aunt right in front of my mom!

What to do - talk to aunt Kira on the next day - "*Have you given mom her share?*".

10. The story is getting better! Aunt Kira has said the director wants us to make a whole series of movies like that with an incest genre. And the best part we need a young actress to play my sister. I wonder who could that be...

What to do - talk to them after 3 days - "*What's up?*".

11. Kira has another great idea about the next movie. And this time I'll do it with mom. I guess this time she'll do more than just look ... except mom's not too hot on the whole idea. When did that ever stop me? I just have to change her mind...

What to do - talk to aunt Kira on the next day - "*About your idea...*". Talk to mom - "*About the video...*" (*Persuade*).

12. Yes, I've convinced mom to do porn with me! Now I have to report to aunt Kira.

What to do - talk to aunt Kira - "*Mom agreed!*".
Talk to them on the next day - "*How are you?*".

13. Aunt Kira thinks we should have a test to make sure mom will actually go through with it on the set. Of course, I'm not against the idea of mom sucking my cock, why would I be? I'll just have to be in her room at the right time. Thursday night at 3 A.M., here I come!

What to do - go to Mom's room on Thursday at 03:00 - BJ by Mom.

14. Everything went great! Mom sucked my cock in front of aunt Kira, Best. Day. Ever! Will it get any better? She's going to do it again when we'll be shooting our movie...

What to do - talk to mom on the next morning - "*About ... the test run*". Talk to aunt Kira - "*Do you think everything went okay?*".
Talk to them after 3 days - "*Sunbathing*".

15. Everything's ready for the shooting. Now I just have to memorize my lines:
Isn't mom supposed to be alone? Dad should be at work...
This is mom colleague .. What is his name, Boris?
Se, he's afraid of his wife, huh? I have an idea!
What if I send a text to his wife? Let's see...
It worked! He left my mom tied up!
Sh-h-h-h...
(Use a situation *I wonder what that means?*)
I loved it, mom!

What to do - talk to them after 4 days - "*Hey, good looking!*" - second movie (you can lick mom's pussy, if Max try to fuck her, Kira will stop him).

16. What can I say ... second movie was great! I don't know how good was my acting, but making it felt incredible! I face-fucked tied-up my mom! Unbelievable!

What to do - talk to mom - "*About the last scene*".
Talk to aunt Kira on the next day - "*About the scene...*".
Talk to them after 3 days - "*What's up*".

17. Aunt Kira has told us the new movie is even better than the previous one. We should all get together at 9 P.M. Friday to watch the movie together. Two beautiful women watching porn with me, let's see where it leads us...

What to do - watch the movie on Friday at 21:00. Alice will interrupt them.

18. The movie was great, but Alice has caught us of the middle of watching it. Wasn't she supposed to be in the club? I guess she changed her schedule because usually she goes with aunt Kira, who didn't go this time. In any case, it was kinda awkward...

What to do - talk to Alice on the next day - "*About that movie...*".

19. Looks like Kira has this under control. I don't know how she's done it, but not only Alice isn't freak out about mom sucking my cock on camera, she wants in on the job! I have the best family in the world!

What to do - talk to mom - "*Have you talked to Alice?*".

Talk to aunt Kira on the next day - "*About Alice*".

V. 0.9.

Talk to mom and aunt Kira after 5 days "*How are you?*".

20. Aunt Kira had another idea for a new movie, but she decided to keep everyone in the dark. All I know is Alice will be debuting as my sister. We'll see what I get this time...

What to do - talk to aunt Kira on the next day - "*About the movie...*".

21. Aunt Kira said I need some props for the movie, slutty school uniform for Alice. Oh, also heels and stockings. I should talk to Alice about it.

What to do - talk to Alice - "*About the movie*".

22. Alice like the idea with the uniform, but she's not going to provide any of her stuff, even shoes and stockings. I'll have to buy everything, but at least I won't have any worry about Alice biting my head off for ruining her clothes after the movie.

What to do - buy "Slutty school uniform" (\$500), "High heels" (\$350) and "Black stockings" (\$100).

Talk to Alice on the next day after the courier - "*I bought everything!*".

23. I bought everything for the movie. Alice liked it and took it from me.

What to do - talk to aunt Kira on the next day - "*I've bought everything!*".

24. Everything is almost ready. I just have to wait until aunt Kira writes the script. I hope I'll understand what the movie will be about then..."

What to do - talk to them after 3 days - "*Sunbathing?*".

25. Aunt Kira still wouldn't say any specifics about the movie ... Anyway, here are my lines:

(one surprise)

(3 denials)

But mom...

I don't anything under the towel!

But my sister is right here!

But mom...

Can't you turn around?

Ow, it hurts

It's because you're watching. It's not my fault...

- Wait, mom!

It's her cigarettes!

I'm telling you it's hers!

I'm telling you it's all her!

Thanks, mom

Do you mean...

Fine, you're forgiven

What to do - talk to mom - "*About the movie...*" (optional).

Talk to them after 3 days (except Saturday and Sunday) - "*Hey, good looking!*". - 3rd movie - anal sex with Alice

26. I think the last movie we made is the best one yet. I definitely love making it! I understand why she didn't tell me anything beforehand, there's no way I'd act surprised as believable as I was when I first heard what's coming. And I really liked how mom ... helped me out at the end. It felt so great I came in Alice's ass almost immediately. I wonder if it was in the script...

What to do - talk to Alice - "*About the movie*".

27. Alice didn't like her role much. Told me she can barely sit. What, I was just following my script ... Maybe she didn't deserved so much punishment, but at least the movie should be great ... Fucking my sister's ass for the movie is a sacrifice I'n willing to make...

What to do - talk to mom - "*About the movie...*".

28. I've talked to mom and found out the finishing touch was her idea. It felt incredible! I'm so glad mom has this initiative. I have the best mom ever!

What to do - talk to aunt Kira on the next day - "*About the movie...*".

29. Aunt Kira loved our work too. Especially mom's idea. Now I have to wait for the money and aunt Kira will start working on our new project. I wonder what's going to be in it...

What to do - talk to aunt Kira and mom after 3 days (except Saturday and Sunday) - "Sunbathing?".

30. We got plenty of money for the movie. Alice is especially happy, she always needs the money for one thing or another ... Now aunt is thinking about our next project. And now that our family is so ... open, it should be pretty good ... So far every next movie is better than the last one.

Hot Coffee (0.9)

(only available in Lisa's girlfriend path, expenses - \$20 for coffee)

Triggers during the 3rd date with Lisa.

1. I met an interesting girl Vicky while I was on a date with Lisa. Lisa decided to help me out and got to know her to learn something useful.

Vicky is looking for a new chief. I'm not sure I can just learn a new profession and impress her, but Lisa thinks I should try, so...

Oh, and I can leave the house to meet Lisa or go to the coffee shop to Vicky.

What to do - next day between 13:00 (12:00 if it's Saturday or Sunday) and 17:00 "leave the house" and go to the coffee shop.

2. I went in the coffee shop and talked to Vicky. She's a cheerful nice girl. She said she's also looking for a bartender. I had a good time and I don't think I'll have to learn anything to get closer to Vicky.

What to do - next day "leave the house" and go to the coffee shop.

3. Well, I was wrong. Vicky was just flirting with me without any desire to go further. Now I think becoming a bartender might be the only way to get close to her. Maybe I will be able to do something once we're both behind the counter? Now I just have to learn to become a bartender somehow ... Where do I even start? I should ask Lisa.

What to do - talk to Lisa after 3 days - "*About Vicky*".

4. I got a lucky break for once. Lisa said she heard one of her classmates talking about some online bartender classes. She promised to learn more and tell me the details. Another good thing is Vicky probably won't be the only one appreciating my bartender skills. I'm sure I'll get the opportunity to use it around the house.

First week

- Start **Hidden book** - finish it in the first three days;

- Start helping Lisa with homework (23:00 on Friday, 17:00 on Saturday). Do not make mistakes 7 times (choose "*You can take a break, I'll do everything myself*") - this will increase Relationship with 1; It's important if you want to catch Alice in the bathroom after the club ([Party Girl](#), [step 3](#)). If not, you can make mistakes (she will be punished) and Max's authority will increase. This will help to continue with **Mentor** and **Schoolmate** opportunities. Note that they will be stopped ("Lisa Girlfriend" path) by Eric if Max is in peace with him, until take photo of Eric jerking off in front of Alice's Room. Only "**Schoolmate**" can be continued in "Olivia girlfriend" path. Me personally prefer to not make mistakes at first.
- From day 4 start advertising the site - \$50 every other day.

Week 3

- Continue to use the spider for money if you want to see her topless or to increase her mood with killing the spider;
- Continue helping Lisa with homework - make mistakes - needed to increase the authority and continue with **Mentor** and **Schoolmate** opportunities;

- Start first communication skill course from Monday;
- Spy mom and Eric at her Room - on Wednesday Max will enter the room;
- Talk to aunt Kira - Monday, Tuesday, Wednesday then buy the photo camera;
- Talk to Lisa after increase Max’s authority (Low) to continue with **Schoolmate** opportunity;
- When get “Listen to you” authority with Lisa do not talk to her - “About my help...” This will continue **Mentor** opportunity with one step, but Eric will stop it and will start teaching her by himself. So, wait until take photo of him jerking off in front of Alice’s room;
