INTRODUCTION

Welcome

This game guide is designed to help you play *The Headmaster*, by Altos and Herdone. In this game, you will play the role of a new headmaster appointed to a private school. You will have to ensure the success of the school at the same time as investigating the mysterious death of the previous headmaster.

To do this, there are multiple tasks that you will need to complete. You will have to keep grades and discipline as high as possible, to prevent a bad ending. You will have to earn money in order to buy the equipment and other resources you require. And you will need to find ways to gain influence with the other teachers in order to win their support, and pass the new school rules you wish to implement.

Game Guide Contents

This is not a linear game. Instead, you will often find yourself trying to complete several different objectives at once. Because of this, it is not possible to provide a standard step-by-step walkthrough. Instead, this guide contains several different sections, which are designed to help you with individual quests and other actions that you will need to complete:

- The first section, **playing the game**, provides some basic help and advice for new players, particularly in the first two or three weeks of the game.
- The **quest walkthrough** contains information about how to complete all the quests in the game – the main quests, teacher quests and student quests.
- The **punishment guide** shows you how to punish the girls, and how to raise their punishment levels.
- The **event log guide** provides information about how to unlock and complete all the key events in the game (which are then shown in the game event log).
- The **reference section** includes some other miscellaneous information.

Quick Codes

Several parts of this guide use short codes e.g. [QM1] to refer to other parts of this document. You can see these codes beside the heading of each section. You can do a search on this code (include the square brackets) to jump directly to that section of the guide.

Originally, this document was a plain text file, and these short codes were essential to help people navigate the document. Most of them have now been hyperlinked so you can just click on them to jump to the relevant section of the document instead.

Important Note

This game is still in development. This means that things are likely to change. There are also likely to be bugs. I try to keep this guide up to date, but I don't always have the time to fully playtest every release.

So if you find things which are wrong, or don't seem to be working, please post a message in this forum and I'll check it out.

Good luck, and enjoy your time as the new Headmaster!

The First Two Weeks: What to Do.....9

Your First Game

Tutorial

The game includes a comprehensive tutorial, which you should complete before using this guide. The tutorial introduces you to the overall story and the main characters, teaches you the basic controls, shows you how to navigate round the school, and introduces you to the main characters.

Discipline and Grades

You should try to keep Discipline and Grades as high as possible. If either of them falls to zero, the game will end. It is very easy to focus on achieving a quest, and forget to keep maintaining your grades and discipline.

Punishments

Classroom Punishments

You improve grades (and discipline) by teaching classes. When a girl misbehaves, you will usually be given the option of punishing her in class, or in your office after school. If you punish her in class, the other girls will learn a lesson and you will usually get 2 Discipline points. However, because the spanking prevents you from teaching your lesson, grades do not improve.

If you punish her after school, your lesson will not be interrupted, and you will get 1 Grade point.

There are some special scenes where you will not have any choice. For example, the first time you punish the girls, you will automatically decide to punish them after school. (See below for more details about this.)

Note: later in the game you can get more discipline points. See [REF03](#) for more information about discipline points.

After School Punishments

When you punish a girl after school, you have the option of giving her a private punishment or a public punishment.

If you give her a public punishment, the other girls will see her being punished and you will get 1 Discipline point. If you give them a private punishment you will get no discipline or grade points, but you will get money from the school owners instead.

Managing Discipline and Grades

Stats Management

In summary:

- If you need to improve discipline, teach classes and punish the girls in class.
- If you need to improve grades, teach a class and punish the girl after school.
- If you need money, teach a class and give the girl a private after school punishment.

Evening Grade Change

The number of discipline points you have will have an impact on the school grades. Every evening (except Saturday), you will receive a message about whether the girls did any studying and the grades may go up or down as a result.

Discipline 01-19 = -1 Grade
Discipline 20-30 = no change
Discipline 31-40 = +1 Grade
Discipline 40+ = no change

Training Miss Potts

Every weekday evening, you will get a message about how well (or badly) Miss Potts was able to control her class. If she was not able to control her class, you will lose some discipline points. The possible messages are:

Miss Potts just about managed to control her class
= no change

Miss Potts could not control her class
= -1 discipline

Class was so unruly the noise had a disruptive effect
= -2 discipline

In order to help Miss Potts control her class, you will need to give her training. This is the first staff quest you will need to complete (see Teaching Miss Potts, [QSF1](#)). Once she has received training, then it is more likely she will control her class.

At the start of the game, you are likely to lose 4-6 discipline points every week. Once you have completed the first action point in the Teaching Miss Potts staff quest ([QSF1.01](#)) then you will usually only lose 1-2 points a week.

The First Two Weeks: What to Do

Key Priorities

At the start of game, you will lose grades and discipline points every day. Every night your grades will reduce by -1 because the girls are not studying, and your discipline will usually go down by -1 or -2 because Miss Potts cannot control her class.

Your first two priorities therefore need to be **increasing discipline** and **teaching Miss Potts**.

Increasing Discipline

The fastest way of increasing discipline is by teaching classes and then spanking the girls in class. You should prioritize this over any other activities, e.g. patrols or teaching sports lessons.

- You can get +2 discipline for spanking a girl in class. (This means that you can get +4 discipline each day).
- Alternatively, if you choose to punish them after school and give them a public punishment, you can get +1 grades and +1 discipline (which means you can get +2 discipline and +2 grades each day).

Other Actions

In the evenings, you should teach Miss Potts. You can teach her every night (including weekends) except for Wednesday. You should prioritize this over other evening events e.g. spying on the girls or talking to the other teachers.

At the weekends, do patrols. Focus on actions that increase discipline, even if this reduces your popularity. On Monday evenings, go to the dorm and help the study group with their homework. This will give you +1 grades.

By the end of the first 2 weeks, you should have enough discipline that grades are not going down, Miss Potts should be well trained enough that you are not losing a lot of discipline, and you should have enough money (from your first 2 salary payments) that you can start buying stuff. You can then work on the Mr Wilson and Miss Chang staff quests. This will allow you to get influence points that will help you pass school rules.

INTRODUCTION

Using the Walkthrough

This walkthrough is not meant to be followed in strict order. You will find that in order to complete the first main quest, you will need to complete several staff side-quests, which are covered later in the document.

You will also find that you will usually be trying to complete several quests at one time. For example, you may have to save up money to buy an item to allow you to complete one quest, but while you are waiting you might be able to continue with a different quest.

Sometimes, you need to complete part of one quest in order to progress a different quest. For example, you need to upgrade the science facilities in order to persuade Miss Chang (the science teacher) to help you with Mr Wilson's quest.

Therefore, please use this walkthrough as a guide, not as step-by-step instructions.

[QM2] If a Headmaster Falls in the Woods..... 15

[QM3] A Man's Work..... 17

[QM4] Leave No Girl's Behind..... 19

[QM1] Order to the Chaos

Description

Discipline is low and the girls are not studying in their free time. You must assert your authority and bring order to the school.

Unlocking this Quest

This staff quest is available from the start of Day 2.

Note: The actions in this quest do not have to be performed in any particular order. So e.g. you can upgrade the science facilities before you teach Miss Potts.

[QM1.1] Increase Discipline

Full description = (1) Increase Discipline to 20 to prevent grades from declining.

Teach classes and punish students to ensure that your discipline score remains above 20. If discipline falls below 20 again, then you will need to complete this action again.

At the start of the game, you will get 2 discipline points if you punish a student in class, and 1 discipline point if you give them a public after school punishment. See [REF03](#) for more information.

[QM1.2] Help Miss Potts control her class

To complete this, you need to complete actions 1-4 in the "Teaching Miss Potts" staff quest ([QSF1.01](#) to [QSF1.04](#)). This involves visiting Miss Potts in her apartment in the evenings to give her some training.

[QM1.3] Upgrade the science facilities

Full description = (3) Upgrade the science facilities for Miss Chang.

To complete this, you need to complete actions 1-6 in the "Experiments Gone Wild" staff quest ([QSF2.01](#) to [QSF2.06](#)). This involves buying new equipment for the science classrooms and hiring a new lab technician.

[QM1.4] Win Mr Wilson to your side

Full description #1 = (4) Win Mr Wilson to your side (before quest is unlocked)
Full description #2 = (4) Help Mr Wilson with his request (after the quest is unlocked)

To unlock this staff quest, you will need to visit Mr Wilson in his apartment during the evening and agree to steal Priti's password.

To complete this quest, you need to complete actions 1-3 in the "Priti as a Picture" staff quest ([QSF3.01](#) to [QSF3.03](#)). This involves stealing the social media password of one of the students.

[QM1.5] Implement a new rule

Full description = (5) Implement a new rule at a weekly meeting of the school board.

At the Friday school board, pass a new school discipline rule. Two new rules are available from the start of the game: the public punishment outfit rule, and the Strict Uniform Policy rule. You will unlock other rules later in the game (e.g. see [QSF4.2](#) and [QSF4.4](#)).

You need a certain amount of discipline and influence points before you can pass a rule. The Strict Uniform Policy rule (under Uniform policy) has the lowest requirements: you will need 18 Discipline and 4 Influence points to pass this rule.

To gain the influence points, you will need to complete some of the staff quests. See the staff quests "Teaching Miss Potts" ([QSF1.02](#)), "Experiments Gone Wild" ([QSF2.02](#), [QSF2.07](#)) and "Priti as Picture" ([QSF3.03](#)) for details about how to achieve the first influence points. See REF01 for a list of all the influence points you can get.

Please note that deciding to open the lake (under Other Rules) does not complete this action.

Fun note: once you have passed the Strict Uniform Policy, you can do underwear inspections on most of the students you see in the hall in the classroom building. (See [OTH03](#) for doing a particularly fun underwear inspection on Liz.)

[QM1.6] Completing this Quest

Once you complete action points 1-5 ([QM1.1](#) to [QM1.5](#)), then in the evening you will have the "second dream" event where you have sex with Sarah. (See also [OTH06](#))

If you have not already unlocked the scene, the following weekday morning you will see a scene with Sally and Izzy running. (This scene can also be unlocked if you have previously punished Debbie, see [DEB02](#)).

[QM2] If a Headmaster Falls in the Woods

Description

The old headmaster was worried he was being followed in the woods. Could he have been murdered? You decide to investigate in case you yourself are in danger.

Unlocking this Quest

To unlock this quest, open the Recycle bin on your computer and read the April 15 entry.

[QM2.1] Ask the staff

Full description = (1) Ask the staff about the old headmaster and see if anyone knows anything about his death.

In the evening, speak to Mr Wilson and ask him about "the old headmaster". If you have not unlocked the "Priti as a Picture" staff quest yet ([QSF3](#)), then you will have an initial conversation with Mr Wilson, and then you will need to visit him the following night before you can ask him about the headmaster.

[QM2.2] Visit the lake

Full description = (2) Visit the lake in the morning and speak to the groundskeeper about finding the old headmasters body.

At the Friday School Board, choose to open the Lake (see under Other Rules).

Note: you should ensure Discipline is ≥ 20 before you do this, or grades will decrease every day the Lake is open.

In the morning, go to the lake and speak to Jimmy. Ask about "the old headmaster".

[QM2.3] Ask Jimmy to show you the spot

Full description = (3) Ask Jimmy to show you the spot where the old headmaster died.

In the morning, go to the lake and speak to Jimmy. Ask about "the old headmaster's body". You can do this immediately after asking about "the old headmaster" ([QM2.2](#)).

Jimmy will tell you that you'll need to wait for him to clear the way. This quest action will change to "Wait for Jimmy to clear the path" (see [QM2.4](#), below).

[QM2.4] Wait for Jimmy to clear the path

Full description = (3) Wait for Jimmy to clear the path into the woods to show you where he found the old headmaster's body.

Complete actions 1-5 from the "A Troublesome Inspector" staff quest (QSF5.1 to QSF5.6). The following morning, Jimmy will tell you that the path is now clear, and he will take you to the spot where the headmaster died. You will find his wallet which has a number combination hidden in it.

[QM2.5] Try using the numbers

Full description = (4) Try using the numbers you found with the safe in your office.

Go to your office and click on the bookcase. You will then be able to unlock the safe and this event will unlock.

[QM2.6] Ask Miss Chang about BDSM

Full description = (5) Ask Miss Chang what she knows about British Defense System Manufacturers.

Complete A Troublesome Inspector action QSF5.7. This involves you opening the old headmaster's safe and reading his notes about the school's owners. You discover a company called British Defense System Manufacturers (BDSM) appears to be involved.

In the evening, speak to Ruth. She will take you to her house to have a private discussion. (This action is also required for the Experiments Gone Wild Quest, QSF2.09) During the discussion she will warn you that there is a spy on campus.

[QM2.7] Spy on Campus

Full description = (5) Miss Chang warned you about a spy on campus. Could there be a connection between the spy and the old headmaster's death? You will need to investigate.

This is not available in the game yet.

[QM3] A Man's Work

Description

Some jobs are best left to a man. Spanking naughty schoolgirls is a prime example.

Unlocking this Quest

This quest is unlocked on the first weekday after you complete the "Order to the Chaos" main quest ([QM1](#)) and have the second dream event (see [OTH06](#)).

The next weekday, you will see a cut scene similar to the "Day 2" introduction, where the headmaster walks into school talking about the need to take a more active role in the punishments of the girls. You will then receive a message saying you have a new main quest.

[QM3.1] Find out your colleagues' opinions

Full description = (1) Find out your colleagues' opinions on changing the rules at the next meeting of the school board.

At the Friday school board, vote on the Corporal punishment rule "corporal punishments may be carried out on students by any teacher regardless of gender". The discipline and influence requirements for this rule will be shown as "?".

Holding this vote will unlock the "a troublesome inspector" staff quest ([QSF5](#)).

[QM3.2] Earn 3 Influence from Miss Newman

Full description = (2) Earn three influence points from Miss Newman

To complete this, you need to complete actions 1-3 in the "Sally Learns the Ropes" staff quest (see [QSF4.1](#) to [QSF4.4](#)).

[QM3.3] Find a way to convince Ruth

Full description = (3) Find a way to convince Ruth to let you spank the girls.

To complete this, you need to complete actions 1-6 in the "A Troublesome Inspector" staff quest ([QSF5.1](#) to [QSF5.8](#)). This also involves completing actions 1-4 of the "If a Headmaster Falls in the Woods" main quest ([QM2.1](#) to [QM2.5](#))

[QM3.4] Have at least one Student Enforcer

Full description = (4) Have at least one student enforcer (prefect).

You will need to raise Debbie to punishment Level 5, and assign her a role as a prefect. To do this, you need to complete actions 1-5 in the "Sally Learns the Ropes" staff quest ([QSF4.1](#) to [QSF4.6](#)).

[QM3.5] Hold another vote

Full description = (4) Hold another vote at the school board to allow you to spank the girls yourself.

Once you have Influence 9 and Discipline 40, pass the new Corporal Punishment rule "corporal punishments may be carried out on students by any teacher regardless of gender" at the Friday board meeting.

Once you have successfully passed the rule, you will see the large "How to Discipline a Young Woman" scene ([CLA11](#)), where Mr Mykock comes to the school with two other teachers to watch you punish the first girls by yourself.

[QM4] Leave No Girl's Behind

Description

You are finally able to punish the girls yourself and grades and discipline are bound to increase rapidly as a result. Ruth will be giving the girls a test soon and every single girl needs to pass with flying colors. You will need to improve overall grades by teaching lessons and you will need to focus on any individual girls who may be falling behind.

Unlocking this Quest

This quest is unlocked on the first weekday after you complete the "A Man's Work" main quest (QM3) and have the New Chapter event (see OTH19).

Ruth will meet you in your office and remind you of her conditions for allowing you to continue to spank the girls. You will then receive a message saying you have a new main quest:

You have a new main quest. You must raise the girls' Grades to 100 before Ruth sets her exam. The girls' Grades will increase by one per day once Discipline hits 60 and by two per day when Discipline hits 80. However, poor-performing students will bring down the average. The higher overall Grades are the more of an effect this will have.

[QM4.1] Achieve 100 grades

Increase your grades to 100. See REF07 for some hints about how to do this. The following weekday morning (if your grades are still above 100), then you will get the following message:

Well done for getting grades to 100! Unfortunately, this is just a temporary placeholder ending for the current main quest. Grades will no longer decline and the story will continue soon.

This is just a placeholder ending message. The quest action is not marked as complete in the quest screen.

Note: You need to play at least 2 weeks of game time before you see the placeholder end message. If you achieve 100 grades within 2 weeks of Chapter 2 starting (which can only be done by use of the cheat menu) then you will see this message on the Monday morning of the third week.

[QSF1] Teaching Miss Potts

Description

Miss Potts can't control her class. Fortunately you are an expert in disciplining young woman and have offered to pass on some of your skills.

Unlocking this Quest

This staff quest is available from the start of Day 2.

[QSF1.01] Visit Miss Potts apartment

Full description = (1) Visit Miss Potts' apartment in the evenings to provide her with basic training.

During the evening, visit Miss Potts' apartment. You can visit her any night (including weekends) except for Wednesdays. You will have an initial conversation where you agree to give her additional training.

You will then need to visit her another 6 times, and choose "continue training". The first 4 lessons will involve you discussing (in order) her need to show confidence; classroom dynamics; the need for consistency; and how she is making progress. The last 2 lessons will involve you giving her a verbal telling off. At the end of the last lesson, you will tell her you will visit her in her classroom to check how she is dealing with the girls.

[QSF1.02] Visit Miss Potts's classroom

Full description = (2) Visit Miss Potts's classroom during school hours to check up on her progress

Visit Miss Potts' classroom during the day. You will see her managing to control Debbie, and you will receive 1 Influence point.

[QSF1.03] Discuss the Next Phase

Full description = (3) Visit Miss Potts' apartment and discuss the next phase of her training.

Visit Miss Potts in the evening again. As before, you can visit her any night (including weekends) except for Wednesdays. You will say she needs a practical lesson in being spanked.

[QSF1.04] Dress Up Like a School Girl

Full description = (4) You have convinced the English teacher to dress up like a school girl so you can spank her. Visit her at her apartment in the evening.

Visit Miss Potts in the evening again. She will be dressed like a school girl. This time, you will spank her.

[QSF1.05] Visit Miss Potts for Advanced Training

Full description = (5) Visit Miss Potts again for more advanced training.

In the evening, visit Miss Potts' apartment again and continue her training. You will give Miss Potts another lesson where she will hold up some books and you will expose her.

[QSF1.06] See Miss Potts Punish One of the Girls

Full description = (6) Visit Miss Potts' Classroom to see her punish one of the girls (you may need to unlock new rules at the school board to proceed).

If you have not already done so, you will then need to pass the Very Strict Uniform Policy. You will pass this rule as part of the "Sally Learns the Ropes" staff quest (see [QSF4.5](#)). This involves raising Debbie to Level 4 and touching her to unlock the rule. You will need 6 Influence and 30 Discipline to pass the rule at the next Friday morning school board meeting.

After you have passed the rule, visit Miss Potts' classroom during the day. You will see her forcing Faye to strip to her underwear and demonstrate her aerobics lesson. Afterwards Miss Potts will kiss you and you will get 1 influence point.

[QSF1.07] Visit Miss Potts apartment again

Full description = (6) Visit Miss Potts' apartment again to continue her training.

In the evening, visit Miss Potts' apartment again and continue her training. You will then strip her naked, give her a spanking and finger her to orgasm. Miss Potts will then suck your cock.

[QSF1.08] Visit Miss Potts apartment again

Full description = (6) Visit Miss Potts' classroom to supervise her spanking one of the girls.

Visit Miss Potts' classroom during the day. You will see Claire mess up and punish Mary in the wrong way, and you will stop the punishment.

[QSF1.09] Discuss Mary's Punishment

Full description = (6) Visit Miss Potts' apartment to discuss Mary's punishment.

In the evening, visit Miss Potts' apartment again. You will discuss the punishment and agree to show Miss Potts the wrong way to give a punishment.

[QSF1.10] Show her the Wrong Way to Give a Punishment

Full description = (7) Wait until Claire visits you in your office and show her the wrong way to give a punishment.

The following day, you will automatically get a scene in your office where Claire will arrive in a school uniform and you will punish her. This scene will happen immediately after any after-school punishments you have.

The goal of the punishment is to max out her fear. However, if her fear score is greater than her submission score, then she will use her safe word and the scene will end. If Claire uses her safeword, you will automatically get the same scene the following day.

During her punishment, you should insult her, lightly slap her face, inspect her uniform, and tear off her skirt and knickers. Inspect her bra and then tear off the rest of her clothes. Grope her breasts, slap her breasts and take her picture.

After that, change position and force her over your desk. Spank her and do a cavity search. Change position and force her to her knees. Pull your dick out, do a dick slap, make her kiss it and force it in her mouth. Twist her hair or slap her, and force it down further.

Finally, change position and lift her onto your desk, legs in the air, and force her legs apart. You can finger her first or simply penetrate her to complete the punishment. You will then get +1 Influence

[QSF2] Experiments Gone Wild

Description

Miss Chang has complained about the lack of science facilities at the school.

Unlocking this Quest

This staff quest is available from the start of Day 2.

[QSF2.01] Upgrade the science classroom

Full description = (1) Upgrade the science classroom by using the construction menu on your computer

Once you have \$500, buy the "Upgrade science facilities" from the Upgrade Facilities option on your computer.

[QSF2.02] Tell Miss Chang about the new equipment

Full description = (2) Tell Miss Chang you have ordered new equipment for her

In the evening, talk to Miss Chang in her classroom about the New Equipment. This will give you 1 Influence point.

[QSF2.03] Check in on Miss Chang's classroom

Full description = (3) Check in on Miss Chang's classroom during school hours

Mr Mykock will visit you the following morning and give you a warning. During the day, visit Miss Chang's classroom. You will then see Miss Chang's clothes dissolving solution in action.

[QSF2.04] See if Miss Chang needs anything else

Full description = (4) Check back with Miss Chang in the evening to see if there is anything else she needs

Visit Miss Chang in the evening again and ask her for "further help with the board". She will say she wants a lab technician.

[QSF2.05] Ask about hiring a lab technician

Full description = (5) Summon Samantha to your office during school hours and ask about hiring a lab technician

During the day, use your phone to call Sam into your office and talk about the New Technician. She'll say she needs 3 days. This quest action will change to "Wait a few days" (see [QSF2.06](#), below).

[QSF2.06] Wait a few days

Full description = (5) Wait a few days for Sam to ask around town and see if there is anyone looking for work.

On day 4, call Sam back into your office and ask about the Lab Technician. She'll say she's found 2 candidates, who you can interview.

Note: Sam needs 3 days, not 3 working days, so if you ask Sam on Thursday you can hold the interviews on Monday.

If you accept Trixie's offer of a blowjob, then you will hire Trixie. If you refuse her offer, you will hire Anna. To unlock this quest, you can select either candidate.

If you select Anna, then that night Trixie will visit you at your apartment. She will offer you a blowjob if you appoint her as the new dance teacher.

[QSF2.07] Visit Miss Chang

Full description = (6) Visit Miss Chang and see how she's getting on with her new assistant.

Speak to Miss Chang in the evening. If you have hired Anna, Miss Chang will thank you, you will get 1 Influence Point, and this quest action will be completed.

If you hire Trixie, then Miss Chang will be annoyed with you, and this quest action will change to "Summon Trixie to your office" (see [QSF2.08](#), below).

[QSF2.08] Summon Trixie to your office

Full description = (6) Summon Trixie to your office and figure out what to do with her

During the day, use your office phone to summon Trixie. You will appoint her as Dance Teacher and hire Anna, the other candidate, as the lab technician.

This action will then disappear and you will get the "Visit Miss Chang and see how she's getting on with her new assistant" action (see [QSF2.07](#), above).

You will then need to visit Miss Chang in the evening again (see [QSF2.07](#)). This time she will thank you, you will get 1 Influence Point, and this quest action will be completed.

[QSF2.09] Wait for Miss Chang to ask for assistance

Full description = (7) Wait for Miss Chang to ask for further assistance

Complete A Troublesome Inspector action [QSF5.7](#). This involves you opening the old headmaster's safe and reading his notes about the school's owners. You discover a company called British Defense System Manufacturers (BDSM) appears to be involved.

In the evening, speak to Ruth. She will take you to her house to have a private discussion. (This action is also required for the "If a Headmaster Falls in the Wood Quest, [QM2.6](#)) During the discussion she will ask you to purchase a 3D printer for her.

[QSF2.10] Purchase a 3D Printer

Full description = (7) Purchase a 3D printer for Miss Chang

This is not available in the game yet.

[QSF3] Priti as a Picture

Description

Mr Wilson the math teacher appears to have an unhealthy fixation on one of the students. A sweet and innocent girl by the name of Priti. He has asked for your help to steal her email password.

Unlocking this Quest

To unlock this staff quest, you will need to visit Mr Wilson in his apartment during the evening, and agree to steal Priti's social media password.

[QSF3.01] Ask Miss Chang

Full description = (1) Ask Miss Chang if she knows how to steal someone's email password without them knowing.

You will first need to upgrade the science classroom ([QSF2.01](#)). You do not need to have told Miss Chang about the upgrade. (This means you can complete [QSF3.01](#) before you complete [QSF2.2](#)).

In the evening, visit Miss Chang in her classroom and ask about "stealing passwords" and then about "the keylogger program".

[QSF3.02] Summon Priti

Full description = (2) Use the phone in your office to summon Priti.

During the school day, use your office phone to call Priti to your office. You will then steal her password and social media pictures.

[QSF3.03] Deliver Priti's Password

Full description = (3) Deliver Priti's password to Mr Wilson.

Visit Mr Wilson in the evening and talk to him about "Priti's password". You will give him the password, and you will get 1 Influence Point.

[QSF3.04] Check back with Mr Wilson

Full description = (4) Check back with Mr Wilson another night to see if there is anything else he needs

Visit Mr Wilson in the evening and ask for "more help with the board". He will tell you that he wants nude pictures of Priti. You can agree or disagree. If you

agree, see [QSF3.05](#). If you disagree, he will ask for a prostitute and Viagra instead.

If you have already hired Trixie (either as the lab technician or the dance teacher), see [QSF3.09](#) for the next action. If you have not hired Trixie, see [QSF3.08](#).

You can change your mind about taking the nude pictures. To do this, visit Mr Wilson in the evening again. Speak to him about the "photos of Priti". If you originally disagreed and now want to take the photos of Priti, tell him "I've decided to help you". If you originally agreed and now want to hire the prostitute instead, tell him "I've changed my mind".

[\[QSF3.05\] Summon Priti to your Office](#)

Full description = (5) Summon Priti to your office then decide how to obtain naked photos of her.

Once you have \$1000, buy the Digital Camera from the Online Shopping | Electronics option on your office computer. (You might already have this if you have completed the "Sally Learns the Ropes" staff quest (see [QSF4.4](#)). It will arrive the following day. You can then use your phone to summon Priti to your office.

You can then choose to "order her to strip" or "trick her". The "order to strip" option will give you less influence points and will result in you losing grade, discipline and popularity points. (For details, see [XTRA02](#). See [QSF3.07](#) for the next actions if you take this route.)

You should therefore choose to "trick her". You will then take some basic photos of her, and will unlock the ability to purchase the "school swimwear samples". See [QSF3.06](#) (below) for the next action.

[\[QSF3.06\] Order swimwear and uniform samples](#)

Full description = (6) Order swimwear and uniform samples for Priti to try on. Then summon her to your office.

Once you have \$1500, buy the School Swimwear Samples from the Online Shopping | Electronics option on your office computer. It will arrive the following weekday. You can then use your phone to summon Priti again and complete the photoshoot.

[QSF3.07] Decide whether to hand over the pictures

Full description #1 = (6) Visit Mr Wilson and decide whether to hand over the pictures.

Full description #2 = (6) Speak to Mr Wilson and decide whether to hand over the pictures.

Visit Mr Wilson's apartment in the evening and talk to him about the photos of Priti. You can decide whether to hand them over or not. If you hand them over, you will get 2 influence points and this staff quest will be completed.

If you refuse to hand over the photos, he will ask for a prostitute and some Viagra instead.

If you have already hired Trixie (either as the lab technician or the dance teacher), see [QSF3.09](#) for the next action. If you have not hired Trixie, see [QSF3.08](#).

Note: If you ordered Priti to strip, you will only get 1 influence point (not 2) if you give Mr Wilson the photos. In the morning, Samantha will tell you that Priti was seen running from your office in tears. Your grades, discipline and popularity will all decrease by 10. If this causes grades or discipline to fall to zero, you will get an immediate bad game ending.

[QSF3.08] Figure out a way to get a prostitute

Full description #1 = (5) Figure out a way to get a prostitute for the Math teacher.

In order to complete this, you will need to hire Trixie. See the "Experiments Gone Wild" staff quest ([QSF2.06](#)) for how you can hire her.

[QSF3.09] Ask Trixie about local Prostitutes

Full description #1 = (5) Ask Trixie if she knows any local prostitutes.

Full description #2 = (5) Summon Trixie to your office and ask if she knows any local prostitutes.

Once you have hired Trixie, use the phone in your office to ask her to come to your office. You will talk about the prostitute. The following day, check your email. You'll need \$2500 to order the prostitute.

[QSF3.10] Purchase some Viagra

Full description = (6) Purchase some Viagra from the online store.

Once you have \$200, attempt to buy the Viagra pills from the Online Shopping | Health option on your office computer. When you get the option, buy the cheap \$20 pills instead. The pills will arrive the following weekday.

[QSF3.11] Deliver the Pills to Mr Wilson

Full description = (7) Deliver the pills to Mr Wilson and inform him that the prostitute has been ordered.

Once the pills have arrived and you've paid for the prostitute, see Mr Wilson in the evening and tell him that "I have found you a prostitute". Remove the warning label from the pills before you hand them over.

At the end of the following day, you'll be told by Samantha that Mr Wilson didn't show up to his last class of the day. (If it's a weekend, you'll get a phone call from Miss Potts saying Mr Wilson didn't show up to a book club instead.) You'll then automatically go to Mr Wilson's apartment.

You can choose to play through the scene however you want. The following evening, go back to Mr Wilson's apartment and talk about Candy. You will get 2 Influence points. That completes this staff quest.

[QSF4] Sally Learns the Ropes

Description

Sally is already an accomplished disciplinarian and you think she might be ready to learn some of your advanced teaching methods.

Note: Punishing Debbie

To complete this quest, you will need to give Debbie several private punishments. You will initially get the opportunity to punish Debbie either by patrolling the halls or teaching classes.

If you patrol the halls, you will sometimes get a random patrol event where Debbie gives Lucy a wedgie. If you teach classes, you will sometimes get a random event where Debbie is bullying Lucy.

You can only complete these quest actions when giving Debbie a private punishment. You will not be able to progress this quest if you give her a public punishment or punish her in class instead.

Unlocking this Quest

You will unlock this quest by giving Debbie a private punishment. She will start the punishment at Level 2. You are told that you will not be able to level her up during this punishment but it is still worth giving a severe punishment to earn as much money as possible.

The next weekday morning you will see a scene with Sally and Izzy running. This quest will become unlocked. The option to buy the paddle will be unlocked. The option to propose a new Corporal Punishment rule to remove skirts will become available.

Alternative path: If you have not unlocked this quest by the time that you complete the "Order to the Chaos" main quest (QM1), then it will automatically unlock at the same time as the "A Man's Work" main quest (QM3). The option to buy the paddle and propose the "remove skirts" rule will become available as well.

[QSF4.1] Purchase a paddle

Full description = (1) Purchase a paddle from the online store.

Once you have \$500, buy the paddle from Online Shopping | Sex Toys option on your office computer. It will arrive the following weekday morning.

[QSF4.2] Remove skirts rule

Full description = (2) Convince the school board that skirts must be removed for corporal punishments.

Once you have Influence 4 and Discipline 25, pass the new Corporal Punishment rule to remove skirts at the Friday board meeting.

Note: passing this rule is also required as part of Rachel's Student Quest (see [QST2.02](#)) and Amy's Student Quest (see [QST3.02](#)), so you may have already completed this action.

[QSF4.3] Catch Debbie misbehaving (Part 1)

Full description = (3) Catch Debbie misbehaving and sentence her to a private punishment

Note: This is a large action, so for clarity it has been split into 2 parts, [QSF4.3](#) and [QSF4.4](#). But it is part of the same quest action.

Teach classes or do patrols until you see Debbie bullying Lucy again and you can give her another private punishment.

At the start of this punishment, you should get a message saying you have everything you need to cause sufficient pain and humiliation.

Debbie will start this punishment at Level 2. Remove her clothing & skirt. Position her with hands above her head, and do a body search. Position her bent over the desk and do a hand spanking (or ruler) spanking and a paddle spanking. Position her over Miss Newman's knee and massage her buttocks. This will unlock a new "massage inner thighs" action. Massage her inner thighs. You will then get a message saying that you have raised Debbie to level 3.

Sally will tell you she is impressed, and you will get 1 Influence point from her.

[QSF4.4] Catch Debbie misbehaving (Part 2)

(For part 1 of this action, see [QSF4.3](#), above)

Once you have \$1000, buy the Digital Camera from the Online Shopping | Electronics option on your office computer. (You might already have the camera if you have completed the "Priti as a Picture" staff quest (see [QSF3.05](#)). The camera will arrive the following weekday.

Once the camera arrives, carry out a patrol. You will see Debbie start to apologize to Lucy, until Cassandra arrives and Debbie bullies Lucy again. When

Debbie arrives at your office after school, choose to give her another private punishment.

Note: this patrol event only happens once. If you do not complete it successfully (for example, if you do not have the camera, or you choose to give Debbie a public punishment instead), then see [DEB06](#) for details of alternative options.

Debbie will start this punishment at Level 3. Remove her clothing & skirt. Position her with hands above her head, do a body search and use the camera to take pictures. Position her bent over the desk and do a ruler spanking and a paddle spanking. Position her over Miss Newman's knee. Massage her inner thighs. This will unlock the "rub pussy" action. Rub her pussy. You will then get a message saying that you have raised Debbie to level 4.

Sally will say she's worried about touching a student's pussy, you will reassure her and you will get 1 Influence point.

At the end of the punishment, tell her to "let me touch you". You will tell her that you are going to do a common trust exercise with her. Touch her hair and face, then touch her arms, then touch her legs, then touch her breasts. This will unlock the ability to propose the Very Strict Uniform Policy rule at the School Board, which allows you to confiscate clothing. You can also try to touch Debbie's pussy but she will refuse.

The following morning, Miss Newman will ask you if you get turned on by watching her spank the girls. You will admit you do get aroused, and you will get +1 Influence point.

[QSF4.5] Confiscate clothing

Full description = (4) Convince the school board to allow you to confiscate clothing that does not fit with the school's uniform policy.

Once you have 6 Influence and 30 Discipline, pass the Very Strict Uniform Policy at the next Friday morning school board meeting.

[QSF4.6] Catch Debbie misbehaving

Full description = (5) Catch Debbie misbehaving in class and then sentence her to another private punishment.

Teach classes until you see Debbie being teased by Donna. Choose to give Debbie a private punishment.

Debbie will start this punishment at Level 4. Remove her clothing & skirt (her panties will also be removed). Position her with hands above her head, and do a body search or use the camera to take pictures. Position her bent over the desk and do a hand (or ruler) spanking and a paddle spanking.

Position her over Miss Newman's knee and rub her pussy. This will unlock the fingering option. Position her with hands above her head and finger her to orgasm. You will then get a message saying that you have raised Debbie to level 5.

(At the end of this punishment, you can assign Debbie a role as a prefect, but this is not required to unlock this quest. However, you must assign her a role to complete the "Taming a Prefect" student quest, [QST1](#).)

[QSF5] A Troublesome Inspector

Description

In order to ensure the girls are not being mistreated the government sent an inspector to your school by the name Ruth Thomas. Ruth is determined to prevent you from being able to punish the girls yourself. She is immune to your charms and you will need to find some other way to convince her.

Unlocking this Quest

This quest is unlocked by holding the initial vote on the Corporal punishment rule "corporal punishments may be carried out on students by any teacher regardless of gender" at the Friday school board. For the initial vote, the discipline and influence requirements will be shown as "?".

[QSF5.1] Visit Ruth in the teachers' lounge

Full description = (1) Go and visit Ruth in the teachers' lounge located in the office building.

If you have not already done so, unlock the "If a Headmaster Falls in the Woods" main quest (QM2) by opening the Recycle bin on your computer and reading the April 15 entry.

Go to the teachers' lounge and speak to Ruth. Ask about "the old headmaster". (You cannot ask Ruth about the old headmaster until the "If a Headmaster Falls in the Woods" main quest is unlocked.)

[QSF5.2] Speak to Miss Chang about the password

Full description = (2) Speak to Miss Chang about getting the password to the old headmaster's computer.

In the evening, talk to Miss Chang in her classroom about "the old headmaster's password".

[QSF5.3] Spike Sally's drink

Full description = (3) Spike Sally's drink with the shrinking potion formula while she's in the shower (Monday afternoon in the men's changing rooms).

The first time you speak to Sally in the Sports Center changing room, she will apologize for exposing herself to you on Day 1. If you have not already done so, speak to Sally on Monday, Tuesday, Wednesday or Friday afternoon to have this initial conversation.

After you have had the initial conversation, then on Monday afternoon visit the men's changing room. You will see Sally's bag on a bench. Click on it.

[QSF5.4] Wait until the evening

Full description = (4) Wait until the evening.

This should be self explanatory. Either skip the period or find something else to do that afternoon, e.g. teaching a class.

You will then get a big cut scene with Sally and Miss Chang, where Sally shows Miss Chang that size isn't everything. It ends with Sally spanking Miss Chang, and then Miss Chang will then give you the password.

[QSF5.5] Open the locked journal

Full description = (4) Open the locked journal entry in the recycle bin of the old headmaster's computer.

Open the Recycle bin on your computer and read the (previously locked) April 16 entry.

[QSF5.6] Blackmail Ruth

Full description = (5) Ruth and the old headmaster were having an affair. Use the information to blackmail her.

During the day, go to the Teachers' Lounge and speak to Ruth about the old headmaster's journal.

In the evening, you will have the "third dream" event, with Sarah and her friend Rosie. (See [OTH12](#))

[QSF5.7] Hope for a miracle

Full description = (6) Hope for a miracle.

Complete actions 1-3 from the "If a Headmaster falls in the woods" main quest ([QM2.2](#) to [QM2.5](#)). This involves going to the lake and speaking to Jimmy about "the old headmaster" and "the old headmaster's body".

The following morning, Jimmy will take you to the spot where the headmaster died. You will find his wallet with the safe combination in it. Go to your office and click on the bookcase. You will then be able to unlock the safe and you will get a

cut scene. You read the notes the old headmaster was making about the school's owners and find some intimate pictures of the old headmaster with Ruth.

This quest action will change to "Confront Ruth again in the teachers' lounge" (see [QSF5.8](#), below).

Fun note: during the cut scene, if you tell yourself that you're a villain and you're OK with that, then you'll get the opportunity to humiliate Ruth by doing an underwear inspection on her later in the game.

[QSF5.8] Confront Ruth again

Full description = (6) Confront Ruth again in the teachers' lounge.

Talk to Ruth in the Teachers' lounge about "the old headmaster's safe". You will have various options about how to speak to Ruth, but in the end Ruth will agree to your demands.

Fun note: if you told yourself that you're a villain and you're OK with that during the earlier cut scene ([QSF5.7](#)), then you will have the opportunity to choose to humiliate Ruth, and to demand underwear inspections from her.

[QST1] Taming a Prefect.....39

[QST2] The Headmaster's Pet.....41

[QST3] The Spanking Connoisseur.....51

[QST4] The Reluctant Rebel.....58

[QST5] The Accidental Nudist.....61

[QST1] Taming a Prefect

Description

You need a strong girl on your side to keep the others in line. Debbie would be ideal if she wasn't so wild. Use Miss Newman to tame the savage girl in your office.

Unlocking this Quest

To unlock this event, you will need to do paperwork in your office three times. The first time, Maxine will introduce herself. The second time, Lucy will come to you wanting help. (If you have popularity 5+, you will give Lucy a job: see [PAP03](#) for details.) The third time, Maxine will demand that you stop the use of corporal punishment.

During the week, do a patrol. You will see the "Debbie shows Maxine who's boss" event ([PAT06](#)), where Debbie confronts Maxine and decides to give her a spanking. (You can either intervene and stop the spanking, or wait and watch Debbie give the spanking.)

The following Sunday afternoon, you will automatically see an event where Maxine holds a protest ([ST101](#)). You can choose to break it up, or to walk away. Either option will unlock this quest. However, if you break it up your popularity will decrease by 2 points.

WARNING: Until you complete this quest, Maxine will keep giving protests every Sunday afternoon. If you break it up, you will lose 2 popularity points, and if you walk away you will lose 2 discipline points.

[QST1.1] Raise Debbie to Level 5

Full description = (1) Raise Debbie to Level 5 and assign her the role of Prefect. Follow the questlog for Miss Newman.

To complete this, you need to complete actions 1-5 in the "Sally Learns the Ropes" staff quest ([QSF4.1](#) to [QSF4.5](#)). At the end of the punishment where you raise Debbie to level 5 you should choose to "assign role". Debbie will give you a handjob and you will make her a prefect.

[QST1.2] Wait until Sunday

Full description = Wait until Sunday and have Debbie put an end to Maxine's protests.

The following Sunday afternoon, you will automatically see an event where Maxine holds a protest ([ST102](#)). However, this time Debbie will stop the protest.

[QST2] The Headmaster's Pet

Description

A cute young woman named Rachel keeps falling asleep in lessons. She appears to be addicted to computer games, although you suspect this is merely a symptom of some deeper problem. You will need to learn more about her if you are to help her overcome her addiction. Perhaps you can also find a role for her to help you in the running of the school.

Unlocking this Quest

To unlock this event, teach classes until you see Rachel falling asleep in class, and choose to give her a private punishment.

If this is the first time you have punished Rachel, you will automatically decide to give her a private punishment. Otherwise, you will need to choose to punish her after school and give her a private punishment.

During this punishment you will not be able to level her up during this punishment but it is still worth giving a severe punishment to earn as much money as possible.

In the evening, spy on her room in the evening and you will see the "Rachel and the Ointment" event ([SPY04](#)) where Donna and Maxine comfort Rachel, Maxine takes a photo of her bottom for evidence, and Donna rubs some ointment on Rachel's bottom.

In the morning, you will then automatically see Rachel's "Sleeping in Reception, Part 1" event ([ST106](#)). This quest will then unlock.

During the Sleeping in Reception event, you will have the option to order her to your office after school. However because you haven't been able to purchase the aloe vera cream yet, you won't be able to raise her to the next level.

(If you let her go, you will get +1 popularity. Alternatively, you can still get money or discipline points by giving her a private or public punishment.)

[QST2.01] Purchase the Ointment

Full description = (1) Purchase the ointment from the online store to provide extra pleasure during punishment.

Once you have \$50, buy the Aloe Vera Cream from the Online Shopping | Health option on your office computer. It will arrive the following weekday.

[QST2.02] Allow skirts to be removed

Full description = (2) Convince the school board to allow skirts to be removed to provide extra humiliation.

Unlock the "Sally learns the Ropes" Staff quest (QSF4) by giving Debbie her first private punishment. This will also unlock the ability to propose the "remove skirts" rule. You can then pass the rule at the Friday school board (see [QSF4.2](#) for details).

Note: passing this rule is also required as part of Sally's Staff Quest (see [QSF4.2](#)) and Amy's Student Quest (see [QST3.02](#)), so you may have already completed this action.

[QST2.03] Catch Rachel falling asleep

Full description = (3) Catch Rachel falling asleep in class again then convince her to talk to you about her night-time habits.

Teach classes until you see Rachel falling asleep in class again, and choose to give her a private punishment. At the start of the punishment, you will say to yourself that "I should have everything I need now".

Rachel will start this punishment at Level 1. Remove her clothing & skirt. Position her bent over the desk and do a hand spanking and ruler spanking. Position her over Miss Newman's knee and apply the ointment, spank her and massage her buttocks. You will then get a message saying that you have raised her to the next level (level 2).

At the end of the punishment, give her the special homework assignment. You tell her that she should be masturbating instead of playing computer games.

[QST2.04] Spy on Rachel's room

Full description = (3) Spy on Rachel's room to make sure she does her homework.

After you have given Rachel her special homework assignment, spy on her room in the evening. You will see her trying to masturbate (but poorly).

Note: if you get a message saying that it doesn't look as if Rachel is here, then spy on the shower room first. You will see Rachel taking a shower by herself. Once you have seen this scene, you can spy on Rachel's room and see her trying to do her "homework".

[QST2.05] Assign her the role of your trainee

Full description = (3) Catch Rachel falling asleep in class again then assign her the role of your trainee. You may need to unlock new punishment actions first by following Miss Newman's questline.

If you have not already done so, you will need to purchase a paddle (see [QSF4.1](#)) and then raise Debbie to punishment level 3. See [QSF4.3](#) for details. This will unlock the "massage inner thighs" option.

Teach classes until you see Rachel falling asleep again, and give her a private punishment.

Rachel will start this punishment at Level 2. Remove her clothing & skirt. Position her with hands above her head, and do a body search. (If you have it, you can use the camera to take pictures instead of doing a body search).

Position her bent over the desk and do a hand (or ruler) spanking and a paddle spanking. Position her over the knee, apply the ointment, give her a hand spanking and massage her inner thigh. You will then get a message saying that you have raised her to the next level (level 3).

At the end of the punishment, assign Rachel a role. You assign her a role of personal trainee.

[QST2.06] Meet with Rachel at Lunchtime

Full description = (4) Meet with Rachel at lunchtime in your office the next school day.

The afternoon after you assign Rachel a role, there will be a scene where Rachel reports to you. You will receive a message saying that you have a new follower: Rachel, and that you can click on her icon to interact with her.

[QST2.07] Explore the school with Rachel

Full description = (4) Explore the school with Rachel and try to work out what is causing her body confidence issues.

On Monday, Tuesday, Wednesday or Friday afternoon, go to the sports Center. You will get a scene where Rachel says she doesn't like changing with other girls, and you agree she can change with you.

Go into the men's changing room and there will be a scene where Sally and Rachel get changed together.

Note: you have to click on the sports Center and then on the men's changing room. If you click on the quick access button on the main map menu, you will not be able to complete this quest action.

[QST2.08] Make Rachel take her Shirt off

Full description = (5) Find a reason to make Rachel take her shirt off in front of the other girls during a sports lesson.

You will need to complete two practice games. To get the practice matches, you will need to teach sports lessons in the afternoon. Every time you teach 5 sports lessons, you will play a match during the fifth lesson.

In addition, during the afternoon when you see Rachel and Sally getting changed together (QST2.07), you will automatically play a match.

During the first practice game, you will need to play a "shirts and skins" game. You will need popularity 9+ to do this.

During the second practice game, you will need to make the teams switch things around so the other team takes off their tops. You will need discipline 15+ to do this.

Note: If you did not have enough popularity or discipline to get the girls to play "shirts and skins" or to swap things around, then you will need to play another 5 games and you will get another opportunity to do so.

During this event, you will also be asked if you prefer big boobs or small boobs. You should say you prefer small boobs or you like both equally.

(See SPT03, The First Match, and SPT04, The Second Match, for more details. See XTRA09 if you said that you liked big boobs.)

[QST2.09] Make Rachel take her Shirt off in your Office

Full description = (6) Find a reason to make Rachel take her shirt off in front of you in your office. Perhaps by making her change clothes for a public punishment.

If you have not already done so, pass the Public Punishments "punishment outfit" rule at the Friday school board. You will need Discipline 25+ and Influence 4+ to do so.

Teach classes until you see Rachel falling asleep again. Order her to your office after school and give her a public (not private) punishment. Say that you like her

boobs. You will discover her weakness: that she had body envy of other curvier women. You tell her you will teach her a special confidence building exercise.

Completing this event will unlock the ability to purchase the "cat ears".

[QST2.10] Purchase some cat ears

Full description = (7) Purchase some cat ears online

Once you have \$150, buy the Cat Ears from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday.

[QST2.11] Punish Rachel Again

Full description = (7) Punish Rachel again and teach her to be less anxious about her body.

If you have not already done so, you will need to purchase a camera and then raise Debbie to punishment level 4. See [QSF4.3](#) for details. This will unlock the "rub pussy" option.

Teach classes until you see Rachel falling asleep in class, and choose to give her a private punishment. At the start of the punishment, you will say to yourself "I feel like I know Rachel a lot better now".

Rachel will start this punishment at Level 3. Remove her clothing & skirt. Position her with hands above her head, do a body search and use the camera to take pictures.

Position her bent over the desk and do a ruler spanking and a paddle spanking. Position her over the knee. Massage her inner thighs and rub her pussy. You will then get a message saying you have raised her to the next level (level 4)

At the end of the punishment, carry out the Special Confidence Building Technique. She will act like a cat and you will pet her. You will also tell her to do her "homework" that evening.

[QST2.12] Spy on Rachel's Room again

Full description = (7) Spy on Rachel's room again

In the evening, spy on Rachel's room. You will see her trying to masturbate again. The following morning, you will get a scene with Rachel sleeping in reception again.

Decide to teach her a lesson. Pull her knickers down (you can also peak at her vagina if you want) and then open up her shirt. This will then allow you to propose a new "strip to underwear" rule at the school board.

Note #1: if you don't unlock the rule during the Sleeping in Reception event, you will need to teach classes until you see Rachel falling asleep again, and give her a private punishment. You won't be able to raise her punishment level, but doing the punishment will then unlock the new rule.

Note #2: During the Sleeping in Reception event, you will have the option to order her to your office after school. If you let her go, you will get +1 popularity. Alternatively, you can get money or discipline points by giving in her private or public punishment. However, you won't be able to raise her to the next punishment level until you have unlocked the new rule.

[QST2.13] Strip down to Underwear Rule

Full description = (7) Convince the school board to let you make the girls strip down to their underwear for punishments and then punish Rachel again. You will need to be able to punish the girls yourself before you can unlock this rule.

You will need to fully complete the Main Quest "A Man's Work" (QM3) to that you can punish the girls yourself.

Once you have Influence 10 and Discipline 55, pass the new Corporal Punishment rule "students may be ordered to strip down to their underwear" at the Friday board meeting.

Teach classes until you see Rachel falling asleep in class, and choose to give her a private punishment. At the start of the punishment, you will say to yourself "OK Rachel, time for your training to really kick up a notch".

Rachel will start this punishment at Level 4. Order her to strip to her underwear. Because Rachel isn't wearing a bra, this will mean she is just wearing her panties. Sally will also strip to the waist in order to make Rachel jealous.

Position her with hands above her head and then pinch her nipples and lick her nipples. (It doesn't matter if you do this or Sally does it.)

Position her bent over the desk and give her a ruler spanking and a paddle spanking. Position her over the knee and massage her thighs (or rub her pussy). You will then get a message saying you have raised her to the next level (level 5).

At the end of the punishment, talk to Rachel about the Test of Confidence. You will tell her to shower with the other girls.

[QST2.14] Watch Rachel Showering

Full description = (7) Watch Rachel showering with the other girls.

In the evening, spy on the shower room. You will see Rachel take a shower with the other girls.

[QST2.15] Click on the Headmaster's Locker

Full description = (7) Click on the Headmaster's locker on a Thursday afternoon.

On Thursday afternoon, teach a sports lesson. Rachel asks to see your boner and then masturbates you.

Note: you can see this scene by using the "teach a sports lesson" quick launch button on the main menu. You do not have to actually click on the headmaster's locker in the changing room.

[QST2.16] Catch Rachel Falling Asleep

Full description = (7) Catch Rachel falling asleep again and give her a private punishment.

Teach classes until you see Rachel falling asleep in class, and choose to give her a private punishment. You will tell yourself "now that Rachel is comfortable being naked when we are alone together I think it's time to help her have her first orgasm."

Rachel will start this punishment at Level 5. Order her to strip to her underwear. Position her with hands above her head and then pinch her nipples and lick her nipples.

Position her bent over the desk and give her a ruler spanking and a paddle spanking. Position her over the knee and give her a hand spanking and rub her pussy. You will then get a message saying you have raised her to the next level (Level 6).

At the end of the punishment choose to give her Special Homework Assistance. She will masturbate on your desk and you will agree to "help" her that evening.

[QST2.17] Visit Rachel's dorm room at night

Full description = (7) Visit Rachel's dorm room at night and climb in through the window.

In the evening, spy on Rachel's room. You will climb into her room and help her achieve her first orgasm. She will then masturbate you. You will then fall asleep and not wake up until the morning.

[QST2.18f] Teach a Class

Full description = (7) Teach a class and make sure that Rachel doesn't fall asleep.

Teach a class. You will notice that Rachel is "bright eyed and bushy tailed". After the class the girls will discuss a new DLC for Rachel's game that adds adult content and means the winning character can have sex with the losing character. Rachel will tell you she intends to masturbate that evening to help her sleep.

[QST2.19] Make Sure Rachel's Gaming Addiction is Cured

Full description = (7) Spy on Rachel's room and make sure she is cured of her gaming addiction.

In the evening, spy on Rachel's room. You will see her playing her game. Choose to "distract her" and then "distract her again". She will lose the game and her computer character will be forced to have sex with the winner. Rachel will start to masturbate as she watches the scene.

The following morning, you will see Rachel sleeping in reception again.

You can choose whatever options you want, but for the full scene, choose to "teach her a Lesson", and then "wait for someone else to find her". Sally, Izzy and Samantha will humiliate Rachel, and then Sally will insert a butt plug in Rachel.

Fun note: if Sally inserts the butt plug, then in the morning, you will see Rachel's follower icon appear on the screen. If you click on it you will get a short scene where Rachel tells you she is having the worst morning ever.

If you choose to insert the butt plug, see [QST2.20](#). If you didn't insert the butt plug, see [QST2.21](#).

[QST2.20] Teach a Class (Butt plug version)

Full description = (7) Teach a class and make sure Rachel stays awake.

In the morning, teach a class. You will notice that Rachel looks rather uncomfortable, and that it's nearly time to give her a promotion.

In the afternoon, Rachel will come to your office and ask you to remove the butt plug. She will then spend the afternoon sleeping naked in your lap. At the end of the afternoon you will wake her up and tell her to put some clothes on for her punishment. See [QST2.22](#).

[QST2.21] Teach a Class (No butt plug)

Game note: If you do not insert the butt plug, the quest action will not change. It will remain as "Spy on Rachel's room and make sure she is cured of her gaming addiction" until you have completed her after-school punishment.

In the morning, teach a class. You will tell yourself that Rachel looks incredibly sleepy but is trying really hard to stay awake, and that it's nearly time to give her a promotion.

In the afternoon, Rachel will come to your office. She will tell you she is feeling very sleep. You will agree that she can spend the afternoon sleeping naked in your lap. At the end of the afternoon you will wake her up and tell her to put some clothes on for her punishment. See [QST2.22](#).

[QST2.22] Teach a Class (Punishment)

Full description = (7) Teach a class and make sure Rachel stays awake.

(Note: This is part of the same action as [QST2.20/QST2.21](#). For clarity it has been split into a separate part, but it is still part of the same quest action.)

When you start the punishment, you will tell yourself that you need to come up with a new way to punish her. A new OTK position will be unlocked (to have Rachel straddle your lap).

Rachel will start this punishment at Level 6. Order her to strip to her underwear. Position her with hands above her head and lick her nipples.

Position her bent over the desk and give her a hand spanking, a ruler spanking and a paddle spanking.

Make sure the headmaster (not Miss Newman) is selected as the disciplinarian. Position her over the knee and massage her thighs (or rub her pussy). Then use the new position to spank her while she is facing you. You will then get a message saying you have raised her to the next level (Level 7).

At the end of the punishment choose to give Rachel her Promotion. You will make her your Personal Executive Trainee (or P.E.T.). She will then strip naked and masturbate you.

You will then get a message saying you have reached the end of Rachel's content in the current version of the game.

Fun note: After you have made Rachel your PET, her classroom events will change, and Rachel will sit at your desk during lessons. You will also get a new interaction with Rachel in your office during the afternoon, where she will strip naked and you can get her to rub herself against you and masturbate you again.

[QST3] The Spanking Connoisseur

Description

A young athlete named Amy is constantly late and always runs around at dangerous speeds as a result. It's a bad habit that is disruptive to your lessons and you fear she might one day injury someone. From observation of the girl during her punishments you have determined that she is a masochist, deriving sexual pleasure from pain. A girl like that could prove useful to you as a practice subject to help train your staff and Prefects in the art of discipline.

Note: Punishing Amy

To complete this quest, you will need to give Amy several private punishments. You will initially get the opportunity to punish Amy either by patrolling the halls or teaching classes.

If you patrol the halls, you will sometimes get a random patrol event where Amy is running in the halls. If you teach classes, you will sometimes get a random event where Amy is late to class. Order her to your office after school and then sentence her to a private punishment.

Unlocking this Quest

You will unlock this quest by giving Amy a private punishment. She will start the punishment at Level 2. You are told that you will not be able to level her up during this punishment but it is still worth giving a severe punishment to earn as much money as possible.

That evening, spy on Amy's room. (Note: Amy's room will initially be shown as an "unknown room".) You will see Maxine ask Amy to take a photo to gather evidence against the headmaster and this quest will unlock.

[QST3.01] Spank Amy in front of her Classmates

Full description = (1) Spank Amy in front of her classmates to see how she reacts

Teach classes until Amy is late for class. Decide to punish her now. She will become aroused and you will get +1 Horniness point.

[QST3.02] Remove Skirts Rule

Full description = (2) Convince the school board to allow skirts to be removed as part of a punishment.

Unlock the "Sally Learns the Ropes" Staff Quest (QSF4) by giving Debbie her first punishment. This also unlocks the option to propose a new Corporal Punishment rule to remove skirts.

Once you have Influence 4 and Discipline 25, pass the new Corporal Punishment rule to remove skirts at the Friday board meeting.

Note: passing this rule is also required as part of Sally's Staff Quest (see QSF4.2) and Rachel's Student Quest (see QST2.02), so you may have already completed this action.

[QST3.03] Sentence Amy to a Private Punishment

Full description = (3) Sentence Amy to a Private Punishment

Teach classes or do patrols until you get the opportunity to give Amy another private punishment. At the start of the punishment, Amy will give you a riding crop to punish her with.

Note: if you did not spy on Amy's room after her first punishment, she will not give you the riding crop, and you will not be able to raise her to Level 2.

Amy will start the punishment at level 1. Remove her clothing & skirt. Position her bent over the desk and do a hand spanking and ruler spanking. Position her over the knee and do a hand spanking. Put her in the diaper position and use the riding crop on her inner thigh. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 2).

Ask her about her sex life. She will admit to masturbating frequently and making out with multiple other students.

[QST3.04] Spy on Amy's Room Again

Full description = (3) Spy on Amy's room again

In the evening, spy on Amy's room. You will see her spanking herself with her riding crop. You realize that she is receiving pain, humiliation and pleasure in her own time, and this is rendering her immune to your methods.

This will unlock 4 new quest actions, to find out her sources of pain, humiliation and pleasure (see QST3.05, QST3.06 and QST3.09) and to punish her in class again (see QST3.10).

[QST3.05] Find Amy's Source of Pain

Full description = (1) Find out Amy's source of regular pain – speak with her in the sports Center on Tuesday morning.

On Tuesday morning, go to the sports Center and talk to Amy. She will show you her abs. You realize that her exercise regime is the source of pain.

If you have popularity ≥ 10 then you can also find out about her source of humiliation (see [QST3.06](#) below).

[QST3.06] Find Amy's Source of Humiliation

Full description = (2) Find out Amy's source of constant humiliation – speak with her in the sports Center on Tuesday morning.

Once you have popularity 10+, go to the sports Center on Tuesday morning and talk to Amy. She'll tell you she was expelled because she did a porn shoot. You will then need to find the magazine she posed for. See [QST3.07](#) for the next action.

Note: this quest action can be completed at the same time as [QST3.05](#), finding Amy's source of pain.

[QST3.07] Track down the Magazine

Full description = (2) Find out Amy's source of constant humiliation – track down the magazine she posed topless for.

Once you have \$2000, use the Web Search option on your office computer to search for her porn. The next day, check your email and you'll be able to buy the magazine. It will arrive 5 working days (i.e. a full week) later.

After looking through the magazine, you will say that you need to spy on Amy again. See [QST3.08](#).

[QST3.08] Spy on her Room again (Olympics)

Full description = (2) Find out Amy's source of constant humiliation – spy on her room again another night.

In the evening, spy on Amy's room. You will see her being upset about missing the Olympics. You will realize that her humiliation comes from being kicked off the Olympic squad.

[QST3.09] Find Amy's Source of Pleasure

Full description = (3) Find out Amy's source of regular pleasure – patrol the halls and find out what Amy gets up to between lessons.

You will need to punish Amy in class without her skirt first. See [QST3.10](#), below.

Do a patrol during the week. You will see Amy making out with Tia in the stationary cupboard. You will automatically choose to give Amy a punishment after school.

Note: after you have completed the four actions (spanking Amy in class without a skirt, and finding her sources of Pain, Pleasure and Humiliation), then you will need to give her another private punishment (see [QST3.11](#)). If you complete all the other requirements before you spy on Amy and Tia, then you can use the punishment you give her here to automatically complete [QST03.11](#) as well.

[QST3.10] Punish Amy in Class without her Skirt

Full description = (4) Punish Amy in Class without her skirt to see how she reacts.

Teach classes until Amy is late for class. Decide to punish her now. The other girls will tie her up and tickle her. You will learn she is turned on by being tied up.

[QST3.11] Catch Amy Misbehaving

Full description = (5) Catch Amy Misbehaving and sentence her to a private punishment.

If you have not already done so, buy the paddle from Online Shopping | Sex Toys option on your office computer. It will cost \$500. The paddle will arrive the following weekday.

Note: the paddle is also required as part of Sally's Staff Quest (see [QSF4.1](#)) and Rachel's Student Quest (see [QST2.05](#)), so you may have already bought this.

Teach classes or do patrols until you see Amy misbehaving, and sentence her to a private punishment.

Note: you will automatically sentence Amy to an after-school punishment when you see her making out with Tia in the cupboard. If you have finished all the other requirements, you can complete this action then.

During the punishment, you will need to raise Amy to level 3. You may have already done this. In this case, you can simply choose to "end punishment" although is still worth giving a severe punishment to earn as much money as possible.

If Amy is still at Level 2, you should remove her clothing & skirt. Position her bent over the desk and give her a ruler spanking and paddle spanking. Position her over the knee and do a hand spanking. Put her in the diaper position and use the riding crop on her inner thigh. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 3).

At the end of the punishment, you will see her trying to touch herself, and you will tie her hands behind her back. Afterwards, choose to "help her out". You will demonstrate "edging orgasms" on her by fingering and licking her to multiple orgasms.

[QST3.12] Spy on Amy's room again (Tia)

Full description = (5) Spy on Amy's room again.

In the evening, spy on Amy's room again. You will see Amy teaching Tia how to give her multiple orgasms. You will tell yourself that you will need to take even more drastic measures.

The ability to purchase the Chastity Panties will be unlocked.

[QST3.13] Purchase chastity panties

Full description = (5) Purchase chastity panties online.

Once you have \$1000, buy the Chastity Panties from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday.

If you have not completed the "A Man's Work" quest (QM3), then when the panties arrive, you tell yourself that you should convince the school board to allow you to punish the girls yourself before you try to make Amy wear them. See [QST3.15](#).

If you have completed the "A Man's Work" quest, then you will tell yourself that you should patrol the halls again and try to catch her misbehaving. See [QST3.16](#).

[QST3.14] Purchase a cane

Full description = (6) Purchase a cane (optional).

Once you have \$1000, buy the paddle from Online Shopping | Sex Toys option on your office computer. The cane will arrive the following weekday.

Note: you do not have to do this step, but it will make it easier to raise Amy's punishment level when spanking her.

[QST3.15] Convince the School Board

Full description = (7) Convince the school board to allow you to punish the girls yourself.

You will need to fully complete the Main Quest "A Man's Work" (QM3) to that you can punish the girls yourself. This action will then change to "Patrol the halls". (See [QST3.16](#).)

[QST3.16] Patrol the halls

Full description = (7) Patrol the halls and look out for Amy misbehaving.

Do a patrol. You will see Amy run into Faye. You will see the nurse treat Faye.

Fun note: if you have completed the "Faye the Faker" event ([OTH10](#)) before this event, you will see an extra scene when the nurse is treating Faye, and Faye pulls down her underwear and asks the nurse to take her temperature to prove she isn't faking her illness.

You will then automatically give Amy a private punishment that evening. At the start of the punishment the option to use the cane will be unlocked.

Amy will start the punishment at Level 3. Remove her clothing & skirt. Amy will volunteer to remove her underwear as well. Position her bent over the desk and give her a hand spanking, ruler spanking and paddle spanking. Position her over the knee, do a hand spanking and massage her buttocks. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 4).

Note: This is just one way of completing the punishment. You can carry out different options if you wish. If you bought the cane (see [QST3.14](#)), you can use that.

At the end of the punishment, give her the chastity belt. You will tell Amy she is not allowed to orgasm for seven days. Debbie will put the chastity belt on Amy for you.

[QST3.16] Spy on Amy and Debbie

Full description = (7) Spy on Amy and Debbie in the dorm room shower.

In the evening, spy on the shower room. You will see Debbie helping Amy to take a shower.

[QST3.17] Resist Amy's Attempts

Full description = (7) Resist Amy's attempts to get you to remove her underwear for one whole week.

The first weekday morning after you put the chastity panties on Amy, she will come to your office and beg you to remove the chastity underwear. You will refuse.

The next weekday morning, Amy will beg again, but this time she will offer to show you her boobs. The morning after that, she will come to your office again, and offer to jerk you off. The next morning, she will offer to suck your cock.

You can accept or refuse these offers. If you accept, you see a scene with Amy making good on her offer, but the timer will reset, which means you will have to replay the whole week over again until you refuse.

The following weekday morning, Amy will come to your office again and offer to fuck you. You will tell her to come back after school. In the evening, you will automatically remove the chastity panties and then give Amy a private punishment.

Amy will start the punishment at Level 4. Remove her clothing & skirt. She won't be wearing any underwear.

Position her bent over the desk and give her a hand spanking, ruler spanking, and paddle spanking. Put her in the diaper position and use the riding crop on her inner thigh. Position her over your knee, give her a hand spanking and massage her buttocks. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 5).

Note: This is just one way of completing the punishment. You can carry out different options if you wish. If you have the cane, you can use that.

At the end of the punishment, assign her a role. You will show her your copy of the Future Female Sports Stars magazine (from [QST3.07](#)) and you will have anal sex with her. She will then and she will agree to become a practice subject to help train other staff and Prefects in the art of discipline.

[QST4] The Reluctant Rebel

Description

Mr Mykock told you that the school's owners had taken a particular interest in one of the students, Priti, and have offered you additional incentive to watch her being punished in our office. However, Priti is doing well at school and is top of your class, so you have no real reason to punish her. Perhaps though she has some other character flaws that can be solved using your punishment methods.

Unlocking this Quest

To unlock this event, you will need to complete the "A Man's Work" (QM3) main quest and start the "Leave No Girl's Behind" (QM4) main quest.

On Tuesday morning, Mr Mykock will speak to you and tell you that the school owners are interested in seeing Priti being punished in your office, and would be willing to pay double the normal rate for disciplining students. This quest will then unlock.

[QST4.01] Observe Priti in Class

Full description = (1) Observe Priti in class and watch for any misbehavior.

Teach classes until you get an event where you ask your class how long Tsar Nicholas II served as Emperor of Russia. Priti will correctly answer.

You tell yourself that Priti is an excellent student, and she should really be at university already. However, you wonder if there is some other aspect of her behavior that needs improving. You decide to watch out for her when you patrol.

[QST4.02] Observe Priti Whilst Patrolling the Halls

Full description = (1) Observe Priti whilst patrolling the halls

Do a patrol. You will see Harriet and Priti talking. You hear Priti wanting something, but saying she doesn't have any money. Harriet tells Priti there are other ways to pay. Priti agrees, and Harriet says she will visit Priti in her room that night.

[QST4.03] Spy on Priti's Room

Full description = (1) Spy on Priti's room and find out what she was planning with Harriet.

In the evening, spy on Priti's room. (Note: if you have note already spied on her, then Priti's room will initially be shown as an "unknown room")

You will see that Priti has done Harriet's math homework in exchange for a bar of chocolate. You tell yourself this is a terrible scandal and that you should summon Priti to your office. Grades will decrease by 5 points.

Note: there is a special spy event that happens near the start of Chapter 2, where you smell Marijuana and you ask Maria Consuelo to do a search. See [REFR03](#) for details. If you have not already seen this event, you may get it when you try to spy on Priti. If this happens, simply spy on Priti the following evening.

[QST4.04] Summon Priti to your office

Full description = (1) Summon Priti to your office

During the day, use your office phone to call Priti to your office. She will immediately confess, and asks if you will punish her. You get tell her that you won't punish her, or that you are afraid you must punish her.

Note: if you say you must punish her, you will spank her at the end of this event. However, it does not affect the choices you make later in the scene about whether to punish her again in the future.

You talk to her and discover that Priti's weakness is her repressed desires. Priti has been repressed her whole life and subconsciously yearns to be free from the control of others. You decide that need to help Priti become more rebellious. You then have to choose how to do this:

- You can encourage her to deliberately break rules and learn to deal with the consequences. This will involve you punishing her in the future.
- Alternatively, you can encourage her to act on her repressed desires, which doesn't involve you resorting to punishments.
- Or finally, you can encourage her to do both, which will allow you to punish her and act on her repressed desires as well.

If you encouraged her to break the rules, see [QST4.05](#). If you encouraged her to act on her repressed desires, see [QST4.06](#). If you encouraged her to do both, then see both [QST4.05](#) and [QST4.06](#).

[QST4.05] Catch Priti Misbehaving in class

Full description = (1) Catch Priti Misbehaving in class

This event cannot be completed in the game yet.

However, you can still punish Priti in class. Teach classes until Priti throws a ball of paper at your head. You can order her to your office after class or give her corporal punishment in class. If you have unlocked the topless punishment rule (see [REFR02](#)) then you can also choose to give her an enforced nudity punishment.

[QST4.06] Speak with Priti on Wednesday evening

Full description = (1) Speak with Priti on Wednesday evening after the school play rehearsal

This is not available in the game yet.

[QST5] The Accidental Nudist

Description

Emily lost her towel at the beach and had to pretend to be a nudist to avoid a punishment for streaking. You decided that it would be a good idea to open an official school nudist area. First though you wanted to run the idea past Sally.

Unlocking this Quest Part 1: Lucy the Maid

To unlock this event, you first need to employ Lucy as your maid and get her to serve you topless in your garden. If you have already done this, see Unlocking this Quest Part 2 (below).

To employ Lucy as your maid, you will need popularity 5+. Do paperwork in your office until Lucy visits you.

Note: The first time you do paperwork, Maxine will introduce herself as the student president. The second time, Lucy will visit you. The third time, Maxine will visit you again. Every additional time you do paperwork, Lucy will come back until you employ her as your maid.

However, if you have completed the New Chapter Event and started Chapter 2 of the game, then you may also need to complete Alice's paperwork event first. For more information about employing Lucy as your maid, see Lucy's Request (PAP03). For information about completing Alice's events, see Alice Needs Tutoring (PAP04) and Alice Offers a Deal (PAP05).

Buy the maid outfit from the Online Shopping | Clothing option on your office computer. It will cost \$400, and will arrive the next day.

On Saturday, get Lucy to wear the maid outfit and pay her the extra \$20. If you take a peek when she's changing, choose "better not push my luck". Lucy will spend the morning cleaning while you rest.

Next Saturday, Lucy will automatically change into her maid's outfit and you will decide to take a bath. You will have the opportunity to expose yourself to Lucy. To do this, choose to get in the bath, and then demand to know where she's been.

The following Saturday, Lucy will automatically change into her maid's outfit. She will break a vase when cleaning. This event will unlock automatically, but if you lie and say the vase was expensive, then you get the opportunity to spank Lucy. If you exposed yourself to her last Saturday, you will need to give her at least a \$50 tip, or else she will refuse to come the following Saturday.

Buy the maid outfit from the Online Shopping | Clothing option on your office computer. It will cost \$200, and will arrive the next day.

The following Saturday, Lucy will automatically change into her maid outfit and will serve you breakfast. Tell her that the coffee is terrible and then agree to pay her the extra money to wear the apron. You will pay her \$150.

The following Saturday, Lucy will automatically wear the apron again. She will serve you tea in the garden, and you will find out she is allergic to bees. If you lie to her, you will get the opportunity to feel her breasts. You will pay her \$150.

Note: for more information about the various events you can do with Lucy, please see [Lucy the Maid \(HOM01\)](#), [Lucy Runs You a Bath \(HOM02\)](#), [Lucy and the Broken Vase \(HOM03\)](#), [Lucy and the Apron \(HOM04\)](#), and [Lucy and the Bee \(HOM05\)](#).

Unlocking this Quest Part 2: Emily at the Lake

On Sunday morning, go to the lake. You will see Lucy helping Emily to change into her bikini. You will play a trick that will cause Lucy to run away, leaving Emily naked. Ruth then accuses her of being a streaker, and you then convince Emily to become a reluctant nudist to avoid being punished for streaking.

Ruth then suggests that you should designate a particular area of the beach where nudism is permitted.

Complete the A Man's Work main quest ([QM3](#)) and start Chapter 2 of the new game.

In the evening, spy on Liz's room. You will hear Harriet saying she has heard that Emily is a nudist, and Emily explaining how Lucy left her naked and she had to pretend to be a nudist to avoid punishment. Liz then wonders if you might allow other girls to go swimming in the nude.

Note: Depending on what other events you have done, and when you last spied on Liz, the girls may talk about other subjects first. See [SPY00](#) for a note of all the topics of gossip that the girls discuss.

You tell yourself that Ruth did suggest designating an area of the beach as a nudist area, and that it sounds like something the girls might make use of. You think that you should suggest the idea at the school board, but that you want to run the idea past Sally first.

This quest will then unlock. Liz, Harriet and Emily continue to gossip. Emily tells Liz and Harriet about the only penis she's ever seen, and how she'd "love to see a nice big penis someday".

[QST5.01] Speak with Sally

Full description = (1) Speak with Sally in the men's changing rooms on a weekday afternoon.

On Tuesday, Wednesday or Friday afternoon, speak to Sally in the changing room in the Sports Center. She will tell you that she overheard a rumor about Emily being a nudist. Sally will then tell you that her family were nudists as well. You agree to call Emily to your office for a little chat.

Note: If you have not already done so, you will first need to get Sally to speak to you about whether you have found a set of keys. See Sally's Lost Keys (OTH11) for details.

[QST5.01] Summon Emily and Sally

Full description = (3) Summon Emily and Sally using the phone in your office

Use your office phone to summon Sally and Emily. You and Sally will strip, and then Sally will undress Emily. You will struggle to contain your erection, and you can choose to think un-sexy thoughts, or to just let it happen. Regardless of which option you choose, you get an erection.

You also tell Emily that you will be designating an area of the beach as clothing optional but that you will need permission from the School Board first.

After Emily leaves, Sally will give you a blowjob. Emily then walks back into your office and sees everything, giving her some very juicy gossip to tell her friends later.

Game Note: There is no "action 2" – it jumps from action 1 (Speak with Sally) to action 3 (Summon Emily & Sally).

[QST5.01] Spy on Liz's Room

Full description = (3) Spy on Liz's room to see what Emily tells her friends

In the evening, spy on Liz's room. You will hear Emily telling Liz and Harriet about Sally sucking your cock. You will get horniness +1.

Debbie: Taming a Prefect

[DEB01] Debbie: Raising to Level 2

You punish Debbie for the first time on Day 1, the tutorial day. If you start a new game on Day 2, then Debbie is already at Level 2.

If you play Day 1, then the tutorial will tell you what to do. Remove her clothing, then position her with hands above her head and do a body search. You will find out Debbie's weakness: that she has repressed lesbian tendencies.

Position her bent over the desk and do a hand spanking and then a ruler spanking. Position her over Miss Newman's knee and do a hand spanking. You will try to confiscate Debbie's non-regulation underwear, but Ruth Thomas will stop you. Massage her buttocks. You will then get a message saying that you have raised Debbie to level 2.

[DEB02] Unlocking the Remove Skirts Rule

Teach classes or do patrols until you see Debbie bullying Lucy. (See events [PAT02](#), Lucy Gets a Wedgie or [CLA07](#), Debbie the Bully.) Choose to give her a private punishment.

You are told that you will not be able to level her up during this punishment but it is still worth giving a severe punishment to earn as much money as possible.

The next weekday morning you will see a scene with Sally and Izzy running. The option to buy the paddle and the cane will be unlocked. The option to propose the new Corporal Punishment rule to remove skirts will become available.

Note: If you have not spanked Debbie before you complete the "Order to the Chaos" quest ([QM1](#)) then on the first weekday after the "Second Dream" event ([OTH06](#)) you will see the scene with Sally and Izzy running anyway. The option to buy the paddle and cane will be unlocked and the remove skirts rule will become available.

[DEB03] Debbie: Raising to Level 3

Once you have Influence 4 and Discipline 25, pass the new Corporal Punishment rule to remove skirts at the Friday board meeting.

Once you have \$500, buy the paddle from Online Shopping | Sex Toys option on your office computer. The paddle will arrive the following weekday.

Teach classes or do patrols until you see Debbie bullying Lucy again and you can give her another private punishment. (See [PAT02](#), Lucy Gets a Wedgie or [CLA07](#), Debbie the Bully for details.)

At the start of this punishment, you should get a message saying you have everything you need to cause sufficient pain and humiliation.

Debbie will start this punishment at Level 2. Remove her clothing & skirt. Position her with hands above her head, and do a body search. Position her bent over the desk and do a hand (or ruler) spanking and a paddle spanking. Position her over Miss Newman's knee and massage her buttocks. This will unlock a new "massage inner thighs" action. Massage her inner thighs. You will then get a message saying that you have raised Debbie to level 3.

Sally will tell you she is impressed, and you will get +1 Influence point. Get Debbie to thank you. You are told to patrol the halls to see if Debbie is behaving.

[DEB04] Debbie: Raising to Level 4

Once you have \$1000, buy the Digital Camera from the Online Shopping | Electronics option on your office computer. The camera will arrive the following weekday.

Note: you might already have the camera if you have completed the "Priti's Pictures" event, see [STA12](#).

Once the camera arrives, carry out a patrol. You will see Debbie start to apologize to Lucy, until Cassandra arrives and Debbie bullies Lucy again. When Debbie arrives at your office after school, choose to give her another private punishment.

Note: this patrol event only happens once. If you do not complete it successfully (for example, if you do not have the camera, or you choose to give Debbie a public punishment instead), then see [DEB06](#) for details of alternative options.

Debbie will start this punishment at Level 3. Remove her clothing & skirt. Position her with hands above her head, do a body search and use the camera to take pictures. Position her bent over the desk and do a ruler spanking and a paddle spanking. Position her over Miss Newman's knee. Massage her inner thighs. This will unlock the "rub pussy" action. Rub her pussy. You will then get a message saying that you have raised Debbie to level 4.

Sally will say she's worried about touching a student's pussy. You will reassure her and you will get +1 Influence point.

[DEB05] Unlocking the Very Strict Uniform Policy

Raise Debbie to punishment level 4 ([DEB04](#)).

At the end of the punishment, tell her to "let me touch you". You will tell her that you are going to do a common trust exercise with her. Touch her hair and face, then touch her arms, then touch her legs, then touch her breasts. This will unlock the ability to propose the Very Strict Uniform Policy rule at the School Board, which allows you to confiscate clothing.

You can also try to touch Debbie's pussy but she will refuse.

The following morning, Miss Newman will ask you if you get turned on by watching her spank the girls. You will admit you do get aroused, and you will get +1 Influence point.

Once you have 6 Influence and 30 Discipline, you can pass the Very Strict Uniform Policy at the next Friday morning school board meeting.

Fun note: once you raise Debbie to Level 4, her class events and hallway interactions will change. See [XTRA07](#) and [XTRA08](#) for details.

[DEB06] Debbie Level 4 Alternative Punishment Paths

The scene where Debbie tries to apologies to Lucy (see [DEB04](#)) only happens once. If you do not complete it successfully (e.g. if you don't have the camera, or you choose to give Debbie a public punishment instead) then it will not repeat.

Instead, teach classes until you see Nurse Kate give the girls a talk about healthy eating. The nurse will bend over Charlotte's desk and Debbie will then grope the nurse's bottom. You will then punish Debbie after school. See [CLA08](#) (Debbie's Inner Turmoil) for more details.

Alternatively, if you have not completed the "Debbie Shows Maxine Who's Boss" event ([PAT06](#)), you can punish Debbie by completing that event.

[DEB07] Debbie: Raising to Level 5

Raise Debbie to Level 4 ([DEB04](#)) and pass the Very Strict Uniform Policy ([DEB05](#)).

Teach classes until you see Debbie being teased by Donna at the end of the class. Choose to give Debbie a private punishment.

Debbie will start this punishment at Level 4. Remove her clothing & skirt (her panties will also be removed). Position her with hands above her head, and do a

body search or use the camera to take pictures. Position her bent over the desk and do a hand (or ruler) spanking and a paddle spanking.

Position her over Miss Newman's knee and rub her pussy. This will unlock the fingering option. Position her with hands above her head and get Miss Newman to finger her to orgasm. You will then get a message saying that you have raised Debbie to level 5.

[DEB08] Assigning Debbie a Role

Raise Debbie to punishment level 5 ([DEB06](#)). Make sure that Miss Newman fingered her to orgasm during the punishment. At the end of the punishment, you can choose to Assign Role to her. Debbie will give you a handjob and you will make her a prefect.

Note: It is possible to raise Debbie to Level 5 without having Miss Newman finger her to orgasm. However, you will not be able to assign her a role as a prefect unless you do.

Fun note: once Debbie is a prefect, you will sometimes get a class event where Debbie is doing an underwear inspection of some of the other girls. The hallway interaction with her will also change. See [XTRA07](#) and [XTRA08](#) for more information.

[DEB09] Debbie: Raising to Level 6

Once Debbie is a prefect, then you can summon her to your office for punishment in the evening. (You can only summon her if you have not ordered any other girls to report to you for punishment that day.)

In addition, if you have not already seen the scene with Debbie and Nurse Kate (see [DEB06](#)), then this event will happen once Debbie is a prefect. At the end of this event, Debbie will automatically be sent to your office for punishment.

Summon Debbie to your office for punishment (or wait for the event with Nurse Kate). Debbie will ask if she can keep being punished by Miss Newman and asks if it's enough that she keeps giving you handjobs.

Say "no it isn't", accept her offer when she offers you to suck your dick, and give her a private punishment.

Remove her clothing & skirt (her panties will also be removed). Position her bent over the desk and give her a ruler spanking and a paddle spanking. Position her over Miss Newman's knee, massage her buttocks, massage her inner thighs and rub her pussy. You will then get a message saying that you have raised Debbie to the next level (level 6).

At the end of the punishment, you can tell Debbie to give you a blowjob. This will unlock the Debbie Wants a Job scene (ST105).

Note: You can continue to summon Debbie to your office, but you will not (yet) be able to increase her to level 7.

Rachel: The Pet

[RAC01] Unlocking the Aloe Vera Cream

Teach classes until you see Rachel falling asleep, and give her a private punishment. During this first punishment you will not be able to increase her punishment level, but it is still worth giving a severe punishment to earn as much money as possible.

That evening, spy on her room, and you will see Donna rubbing some cream on Rachel's bottom, and Maxine taking a picture as evidence. This event will unlock the ability to purchase the "aloe vera cream".

Note: you must spy of Rachel that evening. If you forget and try and spy on her the following evening instead, you will not see this scene.

The morning after you spank Rachel, you will see an event where she is sleeping in reception. This will unlock Rachel's Student Quest.

Note: during this event, you will have the option to order her to your office after school. However, because you will not have had an opportunity to have purchased the aloe vera cream, you will not be able to raise her to the next punishment level.

Once you have \$50, buy the Aloe Vera Cream from the Online Shopping | Health option on your office computer. It will arrive the following weekday.

[RAC02] Rachel: Raising to Level 2

You will need to pass the Remove Skirts rule by punishing Debbie. See [DEB02](#) for details. You will need Influence 4 and Discipline 25 to pass the rule.

You will also need to have purchased the Aloe Vera cream ([RAC01](#)).

Teach classes until you see Rachel falling asleep in class again, and choose to give her a private punishment. At the start of the punishment, you will say to yourself that "I should have everything I need now".

Rachel will start this punishment at Level 1. Remove her clothing & skirt. Position her bent over the desk and do a hand spanking and ruler spanking. Position her over Miss Newman's knee and apply the ointment, spank her and massage her buttocks. You will then get a message saying that you have raised her to the next level (level 2).

At the end of the punishment you will get the opportunity to give her a special homework assignment, where you tell her to masturbate herself.

In the evening, spy on her room in the evening and watch her try to do her "homework"(See [ST107](#)).

Note: you have to complete the "Rachel in the Shower" spy event ([SPY01](#)) before you can spy on Rachel doing her homework.

[RAC03] Rachel: Raising to Level 3

Raise Rachel to punishment level 2 ([RAC02](#)).

Raise Debbie to punishment level 3 (see [DEB03](#)) in order to unlock the "massage inner thighs" option. (Debbie's Level 3 punishment will also involve you purchasing the paddle.)

Teach classes until you see Rachel falling asleep again, and give her a private punishment.

Rachel will start this punishment at Level 2. Remove her clothing and skirt. Position her with hands above her head, and do a body search. (If you have it, you can use the camera to take pictures instead of doing a body search).

Position her bent over the desk and do a hand (or ruler) spanking and a paddle spanking. Position her over the knee, apply the ointment, give her a hand spanking and massage her inner thigh. You will then get a message saying that you have raised her to the next level (level 3).

At the end of the punishment, assign Rachel a role. You assign her a role of personal trainee.

[RAC04] Rachel's Body Envy Events

The afternoon after you assign Rachel a role, there will be a scene where Rachel reports to you. You will receive a message saying that you have a new follower: Rachel, and that you can click on her icon to interact with her.

On Monday, Tuesday, Wednesday or Friday afternoon, go to the sports Center. You will get a scene where Rachel says she doesn't like changing with other girls, and you agree she can change with you.

Go into the men's changing room and there will be a scene where Sally and Rachel get changed together ([ST108](#)).

Note: you have to click on the sports Center and then on the men's changing room. If you click on the quick access button on the main map menu, you will not be able to complete this question action.

You will need to complete two practice games. After you see Rachel and Sally getting changed together, you will automatically play a practice game. In addition, once you teach 5 sports lessons, you will play a match during the fifth lesson.

During the first practice game, you will need to play a "shirts and skins" game. You will need popularity 9+ to do this.

During the second practice game, you will need to make the teams switch things around so the other team takes off their tops. You will need discipline 15+ to do this.

During this event, you will also be asked if you prefer big boobs or small boobs. You should say you prefer small boobs or you like both equally.

(If you did not have enough popularity or discipline to get the girls to play "shirts and skins" or to swap things around, then you will need to play another 5 games and you will get another opportunity to do so.)

(See [QST2.08](#) Make Rachel take her Shirt off, [SPT03](#), The First Match, and [SPT04](#), The Second Match, for more details. See [XTRA09](#) if you said that you liked big boobs.)

[RAC05] Rachel: Revealing Her Weakness

Complete the two practice matches ([RAC04](#)).

If you have not already done so, pass the Public Punishments "punishment outfit" rule at the Friday school board. You will need Discipline 25+ and Influence 4+ to do so.

Teach classes until you see Rachel falling asleep again. Order her to your office after school and give her a public (not private) punishment. Say that you like her boobs. You will discover her weakness: that she had body envy of other curvier women. You tell her you will teach her a special confidence building exercise.

Completing this event will unlock the ability to purchase the "cat ears".

[RAC06] Rachel: Raising to Level 4

Raise Debbie to punishment level 4 (see [DEB04](#)). Debbie's punishment will unlock the "rub pussy" option that you will need. It will also involve you purchasing the camera that you will need as well.

Raise Rachel to punishment level 3 ([RAC03](#)) and reveal her weakness ([RAC05](#)).

Once you have \$150, buy the Cat Ears from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday.

Teach classes until you see Rachel falling asleep again, and give her a private punishment. You will tell yourself that you feel like you "know Rachel a lot better now".

Rachel will start this punishment at Level 3. Remove her clothing and skirt. Position her with hands above her head, do a body search and use the camera to take pictures. Position her bent over the desk and do a ruler spanking and a paddle spanking. Position her over the knee. Massage her inner thighs and rub her pussy. You will then get a message saying you have raised her to the next level (level 4).

Note: you can raise Rachel to level 4 without playing the sports matches or revealing Rachel's weakness ([RAC05](#)). However, you will not be able to complete the "Special Confidence Building Technique" pet play event after the punishment (see [RAC07](#), below).

[RAC07] Rachel: Unlocking the Strip to Underwear Option

Reveal Rachel's weakness ([RAC05](#)), buy the cat ears and then raise Rachel to punishment level 4 ([RAC06](#)). At the end of the punishment, carry out the Special Confidence Building Technique. She will act like a cat and you will pet her. You will also tell her to do her special masturbation homework that evening.

In the evening, spy on Rachel's room. You will see her trying to masturbate again.

The following morning, you will see Rachel sleeping in reception again. If you wish, you can decide to teach her a lesson.

Note #1: You need to complete this sleeping in reception event before you can order Rachel to strip to her underwear. If you do not spy on Rachel's room, you will only be able to order her to remove her skirt. This means you will not be able to increase her to punishment level 5.

Note #2: During the Sleeping in Reception event, you will have the option to order her to your office after school. If you let her go, you will get +1

popularity. Alternatively, you can get money or discipline points by giving in her private or public punishment. However, you won't be able to raise her to the next punishment level until you have unlocked the new rule.

Game note #3: if you pull her knickers down and open up her shirt, you are told that you can propose a new "strip to underwear" rule at the school board.

However, you will not be able to successfully pass the rule until you have started Chapter 2 of the game. (You start Chapter 2 when you start the "Leave No Girl's Behind" main quest, QM4.) When you start Chapter 2, then you automatically unlock the ability to propose this rule anyway. Therefore, there is no need for you to unlock the event here.

[RAC08] Rachel: Raising to Level 5

Raise Rachel to level 4 (RAC06) and unlock the strip to underwear rule (RAC07).

Complete the "A Man's Work Quest" (QM3) and pass the "corporal punishments may be carried out by any teacher regardless of gender" rule to allow you to spank the girls yourself. This requires 9 Influence and 40 Discipline. The following Monday morning, you will see the "A New Chapter" event (OTH19) and start Chapter 2 of the game. This will also unlock the strip to underwear rule.

Once you have Influence 10 and Discipline 55, pass the new Corporal Punishment rule "students may be ordered to strip down to their underwear" at the Friday board meeting.

Teach classes until you see Rachel falling asleep again, and give her a private punishment. At the start of the punishment, you will tell yourself "OK Rachel, time for your training to really kick up a notch".

Rachel will start this punishment at Level 4. Order her to strip to her underwear. Because Rachel isn't wearing a bra, this will mean she is just wearing her panties. Sally will also strip to the waist in order to make Rachel jealous.

Position her with hands above her head and then pinch her nipples and lick her nipples. (It doesn't matter if you do this or Sally does it.)

Position her bent over the desk and give her a ruler spanking and a paddle spanking. Position her over the knee and massage her thighs (or rub her pussy). You will then get a message saying you have raised her to the next level (level 5).

At the end of the punishment you will have the option to tell her to do A Test of Confidence, where you tell her to shower with the other girls ([ST114](#)), but this is not required to progress.

[RAC09] Rachel: Raising to Level 6

Raise Rachel to punishment level 5 ([RAC08](#)).

On Thursday afternoon, teach a sports class. You will explain the Boner Rule ([ST115](#)) to her. Rachel will masturbate you and you will cum over her.

Teach classes until you see Rachel falling asleep in class, and choose to give her a private punishment. You will tell yourself "now that Rachel is comfortable being naked when we are alone together I think it's time to help her have her first orgasm."

Rachel will start this punishment at Level 5. Order her to strip to her underwear. Position her with hands above her head and then pinch her nipples and lick her nipples.

Position her bent over the desk and give her a ruler spanking and a paddle spanking. Position her over the knee and give her a hand spanking and rub her pussy. You will then get a message saying you have raised her to the next level (Level 6).

Note: you can raise Rachel to Level 6 before you have completed the Boner Rule scene, but you will not be able to carry out the Special Homework Assistance (see [RAC10](#), below) until you have completed the Boner Rule scene.

[RAC10] Rachel's Homework Events

Complete the Boner Rule and Raise Rachel to punishment level 6 ([RAC09](#)).

At the end of the punishment choose Special Homework Assistance. She will masturbate on your desk and you will then agree to "help" her that evening in her dorm.

In the evening, spy on Rachel's room. You will climb into her room and help her achieve her first orgasm. She will then masturbate you. You will then fall asleep and not wake up until the morning when Faye knocks on Rachel's door.

Fun note: if you wake up on a weekday, Faye will remind Rachel that classes start soon. But if you wake up on a weekend, Faye will remind Rachel that they were planning to go down to the lake.

During the day, teach a class. You will note that Rachel looks "bright eyed and bushy tailed today". After the class some of the girls will discuss a new adult DLC for Rachel's game that adds adult content means the winning character can have sex with the losing character. Rachel will tell you she intends to masturbate that evening to help her sleep.

In the evening, spy on Rachel's room. She will be playing her game. Choose to "distract her" and then "distract her again". She will lose the game and her computer character will be forced to have sex with the winner. Rachel will start to masturbate as she watches the scene.

[RAC11] Rachel's Difficult Morning

In the morning, after you have distracted Rachel when playing her computer game ([RAC10](#)), you will see Rachel sleeping in reception again.

You can choose whatever options you want. But to see the full scene, choose to "teach her a lesson" and then choose to "wait for someone else to find her". Sally, Izzy and Samantha will humiliate her, and Sally will then put a butt plug in her. (See [ST119](#) for full details.)

You will automatically arrange to punish Rachel after class that day.

Spend the morning teaching a class. (This step is not required but helps to develop the story.)

[RAC12] Rachel: Raising to Level 7

Complete Rachel's Difficult Morning ([RAC11](#)). In the afternoon, Rachel will come to you and spend the afternoon sleeping on your lap. At the end of the afternoon you will wake her up and tell her to put some clothes on for her punishment.

When you start the punishment, you will tell yourself that you need to come up with a new way to punish her. A new OTK position will be unlocked, which will allow you to have Rachel straddle your lap.

Rachel will start this punishment at Level 6. Order her to strip to her underwear. Position her with hands above her head and lick her nipples.

Position her bent over the desk and give her a hand spanking, a ruler spanking and a paddle spanking.

Make sure the headmaster (not Miss Newman) is selected as the disciplinarian. Position her over the knee and massage her thighs (or rub her pussy). Then use the new position to spank her while she is facing you. You will then get a message saying you have raised her to the next level (Level 7).

[RAC13] Assigning Rachel a Role

Raise Rachel to punishment level 7 ([RAC12](#)).

At the end of the punishment choose to give Rachel her Promotion. You will make her your Personal Executive Trainee (or P.E.T.). She will then strip naked and masturbate you by rubbing herself against you.

Fun note: After you have made Rachel your PET, her classroom events will change, and Rachel will sit at your desk during lessons. In the afternoons, you can get her to sit on your lap and masturbate you again. (See [ST122](#) and [ST123](#) for details.)

Amy: The Spanking Connoisseur

[AMY01] Amy: Revealing Her Weakness

Teach classes or do patrols until you can give Amy her first punishment ([PUN01](#)). You will automatically choose to punish her after school. You will not be able to level her up during this punishment but it is still worth giving a severe punishment to earn as much money as possible.

When you spank her during the punishment you will discover her weakness: she is a masochist who takes pleasure from being hurt but her tolerance for pain is much higher.

That evening, spy on Amy's room. (Note: Amy's room will initially be shown as an "unknown room".) You will see Maxine ask Amy to take a photo to gather evidence against the headmaster ([ST201](#)). This event will unlock Amy's Student Quest, "The Spanking Connoisseur" ([QST3](#)).

[AMY02] Amy: Raising to Level 2

Give Amy her first punishment and spy on her room afterwards to see the "Amy and Maxine" scene ([AMY01](#)).

Give Debbie her first punishment at level 2 ([DEB02](#)). This will unlock the Remove Skirts rule. Once you have Influence 4 and Discipline 25, pass the new Corporal Punishment rule to remove skirts at the Friday board meeting.

Teach classes or do patrols until you see Amy running in the halls ([PAT05](#)) or being late to class ([CLA05](#)). Choose to give her another private punishment. At the start of the punishment, Amy will give you a riding crop to punish her with.

Note: if you did not spy on Amy's room after her first punishment, she will not give you the riding crop, and you will not be able to raise her to Level 2.

Amy will start the punishment at level 1. Remove her clothing & skirt. Position her bent over the desk and do a hand spanking and ruler spanking. Position her over the knee and do a hand spanking. Put her in the diaper position and use the riding crop on her inner thigh. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 2).

Ask her about her sex life. She will admit to masturbating frequently and making out with multiple other students.

[AMY03] Amy: Amy's 4 Quests

Raise Amy to Level 2 ([AMY02](#)) and ask about her sex life.

In the evening, spy on Amy's room. You will see her spanking herself with her riding crop ([ST202](#)). You realize that she is receiving pain, humiliation and pleasure in her own time, and this is rendering her immune to your methods.

This will unlock 4 new quest actions, to find out her sources of pain, humiliation and pleasure and to punish her in class again. See [AMY04](#), [AMY05](#), [AMY06](#) and [AMY07](#).

Note: if you did not ask her about her sex life, you will not see her spanking herself.

[AMY04] Amy's Classroom Punishment

You will need to complete the Amy Gets Tickled event ([CLA10](#)) by giving Amy two spankings in class. To do this, teach classes until you see Amy being late to class. Choose to punish her now.

During the first punishment, she will become aroused and you will get +1 Horniness point. After you have passed the "remove skirts" Corporal Punishment rule, punish her in class again. The other girls will tie her up and tickle her.

Fun note: after the second classroom punishment, Amy's class event will change. Instead of being interrupted by Amy being late, you will find Amy has arrived early to class but has forgotten her tie.

[AMY05] Finding Amy's Pain Source

On Tuesday morning, go to the sports Center and talk to Amy. She will show you her abs. You realize that her exercise regime is the source of pain.

Note: this will also unlock the Amy and her abs event ([OTH04](#)).

If you have popularity 10+ then you can also find out about her source of humiliation ([AMY06](#)).

[AMY06] Finding Amy's Humiliation Source

Once you have popularity 10+, speak to Amy in the Sports Center on Tuesday morning. She will tell you she was expelled because she did a porn shoot.

Note: doing this event will also complete [AMY05](#) (finding Amy's pain source), if you have not already done so.

Once you have \$2000, use the Web Search option on your office computer to search for her porn. The next day, check your email and you'll be able to buy the magazine. It will arrive 5 working days (i.e. a full week) later. (This will complete the Future Female Sports Stars event, [ST204](#)).

After looking through the magazine, spy on Amy's in the evening and you will see her being upset about missing the Olympics. You will realize that her humiliation comes from being kicked off the Olympic squad.

[AMY07] Finding Amy's Pleasure Source

Raise Amy to Level 2 ([AMY02](#)) and punish her in class without a skirt ([AMY04](#)). Do a patrol during the week. You will see Amy making out with Tia in the stationary cupboard. (This will complete the Amy in the Stationary Cupboard event, [ST203](#))

You will also automatically choose to give Amy a punishment after school. If you have completed all of Amy's other quests ([AMY04](#), [AMY05](#) and [AMY06](#)) then you will be able to raise Amy to Level 3 during that punishment.

At the start of this punishment, you will tell Amy that you need a volunteer for teachers and a few trusted students to practice their punishment techniques on. (Note: You do not need to have completed the pain ([AMY05](#)) or humiliation ([AMY06](#)) parts of her quest to see this discussion.)

[AMY08] Amy: Raising to Level 3

If you have not already done so, buy the paddle from Online Shopping | Sex Toys option on your office computer. It will cost \$500. The paddle will arrive the following weekday.

Note: You unlocked the paddle at the same time as you unlocked the remove skirts rule. See [DEB02](#) and [AMY02](#).

Teach classes or do patrols until you get the opportunity to give Amy a Private punishment. (You will also automatically give Amy a private punishment at the end of Amy's Pleasure Quest, [AMY07](#)).

Amy will start the punishment at level 2. Remove her clothing & skirt. Position her bent over the desk and give her a ruler spanking and paddle spanking. Position her over the knee and do a hand spanking. Put her in the diaper position and use the riding crop on her inner thigh. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 3).

At the end of the punishment, you will see her trying to touch herself, and you will tie her hands behind her back. Afterwards, choose to "help her out". You will finger and lick her to multiple orgasms ([ST205](#)).

Note: You can raise Amy to level 3 without completing her 4 quests (finding her pain, humiliation and pleasure sources, and punishing her in class) However, you will not be able to choose to "help her out" until you have completed her 4 quests (see [AMY03](#) to [AMY07](#)).

[AMY09] Unlocking the Chastity Panties

Raise Amy to Level 3 ([AMY08](#)) and complete the after-punishment event where you "help her out".

In the evening, spy on Amy's room again. You will see Amy teaching Tia how to give her multiple orgasms ([ST206](#)). This event will unlock the ability to purchase the Chastity Panties.

Once you have \$1000, buy the Chastity Panties from the Online Shopping | Clothing option on your office computer. They will arrive the following weekday.

[AMY10] Amy: Raising to Level 4

Raise Amy to Level 3 ([AMY08](#)) and purchase the chastity panties ([AMY09](#)). You may also purchase the cane if you wish (this is optional but not required). The cane will cost \$1000.

Complete the "A Man's Work Quest" ([QM3](#)) and pass the "corporal punishments may be carried out by any teacher regardless of gender" rule to allow you to spank the girls yourself.

Do a patrol. You will see Amy run into Faye. You will see the nurse treat Faye. You will automatically give Amy a private punishment that evening.

Fun note: if you have completed Faye the Faker ([OTH10](#)) before this event, you will see an extra scene when the nurse is treating Faye, and Faye pulls down her underwear and asks the nurse to take her temperature to prove she isn't faking her illness.

At the start of the punishment the option to use the cane will be unlocked.

Amy will start the punishment at Level 3. Remove her clothing & skirt. Amy will volunteer to remove her underwear as well. Position her bent over the desk and give her a hand spanking, ruler spanking and paddle spanking. Position her over the knee, do a hand spanking and massage her buttocks. You will get a message

saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 4).

Note: This is just one way of completing the punishment. You can carry out different options if you wish. If you have the cane, you can use that. (The cane becomes available at the same time as the paddle. It will cost \$1000. See [DEB02](#) for details of unlocking the paddle.) You may also wish to finger Amy to orgasm.

At the end of the punishment, give her the chastity belt. You will tell Amy she is not allowed to orgasm for seven days. Debbie will put the chastity belt on Amy for you.

[AMY11] Amy's Chastity Week

Raise Amy to punishment level 4 and put the chastity belt on her ([AMY10](#)).

In the evening, you can spy on her in the shower. You will see Debbie helping her to take a shower. (This step is not required but helps the storyline.)

During the next week, Amy will come to your office and beg you to remove the chastity panties. She will beg, and then offer to show you her boobs, jerk you off, and suck your cock. You should refuse these offers. (See [ST210](#), [ST211](#), [ST212](#) for more details about these offers).

The next weekday morning, Amy will come to your office again and offer to fuck you. You will tell her to come back after school.

[AMY12] Amy: Raising to Level 5

Complete Amy's Chastity Week ([AMY11](#)). In the evening, you will remove the chastity panties and then give Amy a private punishment.

Amy will start the punishment at Level 4. Remove her clothing & skirt. She won't be wearing any underwear.

Position her bent over the desk and give her a hand spanking, ruler spanking, and paddle spanking. Put her in the diaper position and use the riding crop on her inner thigh. Position her over your knee, give her a hand spanking and massage her buttocks. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 5).

Note: This is just one way of completing the punishment. You can carry out different options if you wish. If you have the cane, you can use that.

[AMY13] Assigning Amy a Role

Raise Amy to punishment level 5 ([AMY12](#)). At the end of the punishment, assign Amy a role. You will show her your copy of the Future Female Sports Stars magazine and you will have anal sex with her ([ST213](#)). She will then agree to become a practice subject to help train other staff and Prefects in the art of discipline.

Fun Note: After you have completed this event, when you next teach a class, you will get a scene where Amy is on time for her lesson and wearing her tie. You will tell yourself "there really is nothing like a good anal fucking to make a student behave themselves".

Cassandra

[CAS01] Cassandra: Raising to Level 2

Before you can raise Cassandra to Level 2, you will need to pass the Remove Skirts rule by punishing Debbie. See [DEB02](#) for details. You will need Influence 4 and Discipline 25 to pass the rule.

You will also need to buy the Aloe Vera Cream. To do this, you will need to punish Rachel and spy on her room afterwards. See [RAC01](#). The cream will cost \$50 and is available from the Online Shopping | Health option on your office computer.

Give Cassandra a private punishment. You can do this by teaching classes until she misbehaves, or you can complete "Faye's Embarrassing Situation" ([OTH02](#)) by going to the Sports Center on Wednesday afternoon and talking to Faye.

Remove her clothing & skirt. Position her bent over the desk and do both a hand spanking and ruler spanking. Position her over the knee, apply ointment, give her a hand spanking and massage her buttocks. You will then get a message saying that you have raised her to the next level (Level 2).

Fun note: at the end of this punishment, you can unlock 2 spying events with Cassandra and Debbie. See [ST219](#).

Miss Potts

[POT01] The Wrong Way to Give a Punishment

Miss Potts has a single punishment scene, which is very different to the normal student punishment scenes.

To unlock the punishment, please see [STA10](#), The Wrong Way to Give a Punishment. This involves doing several training events with Miss Potts.

The goal of this punishment is to max out Claire's fear. However, if her fear score is greater than her submission score, then she will use her safe word and the scene will end. The event will unlock in the event log even if the scene ends early.

If Claire uses her safeword, you will automatically get the same scene the following day.

To successfully complete her punishment, you need to insult her, lightly slap her face, inspect her uniform, and tear off her skirt and knickers. Inspect her bra and then tear off the rest of her clothes. Grope her breasts, slap her breasts and take her picture.

After that, change position and force her over your desk. Spank her and do a cavity search. Change position and force her to her knees. Pull your dick out, do a dick slap, make her kiss it and force it in her mouth. Twist her hair or slap her, and force it down further.

Finally, lift her onto your desk, legs in the air, and force her legs apart. You can finger her first or simply penetrate her to complete the punishment.

Replay Feature

The game includes a replay feature, which is accessed through the "replay menu" option in the top right. This shows the event log, which lists all the main events in the game.

The event log allows you to see if there is any content that you have not seen yet, and it also allows you to replay all the events that you have unlocked.

- Sarah on Stage
- The School Tour and Job interview
- The Water Balloon
- Sally in the Men's Room
- Debbie gets Spanked
- Spying on the Girls
- The Dream

These events will all happen if you select "play intro" when starting a new game. They will automatically unlock if you start a game from day 2.

Event Log: Staff Quests [STA]

[STA01] Miss Chang's Formula

Once you have \$500, buy the "Upgrade science facilities" from the Upgrade Facilities option on your computer. In the evening, talk to Miss Chang in her classroom about the New Equipment. This will give you +1 Influence point.

Mr Mycock will visit you the following morning and give you a warning. During the day, visit Miss Chang's classroom. You will then see Miss Chang's clothes dissolving solution in action.

[STA02] The Interview

Once you have unlocked Miss Chang's Formula ([STA01](#)), visit Miss Chang in the evening again and ask her for "further help with the board". She will say she wants a lab technician. The following day, use your phone to call Sam into your office and talk about the New Technician. She will tell you that she needs 3 days.

On day 4, call Sam back into your office and ask about the Lab Technician. She'll say she's found 2 candidates, who you can interview.

Note: Sam needs 3 days, not 3 working days, so if you ask Sam on Thursday you can hold the interviews on Monday.

To unlock this event, you can select either candidate. But to unlock Trixie's Second Chance ([STA03](#)), you need refuse Trixie's offer of a blowjob so that you hire Anna instead. In the evening, speak to Miss Chang. She will thank you and you will get +1 Influence Point.

Alternative path: if you accept Trixie's offer of a blowjob, you will hire her as the lab technician. It also means you see a nice little cut scene of Trixie giving you a private dance. You will then need to make her the dance teacher instead. See [XTRA01](#), Making Trixie the Dance Teacher, for more details.

[STA03] Trixie's Second Chance

Complete the Interview ([STA02](#)) and refuse Trixie's offer of a blowjob. You will then hire Anna. That night, Trixie will come to your apartment and this event will unlock.

To unlock several of the other events, you need to accept her offer of a blowjob and hire her as the dance teacher.

[STA04] Trixie's Special Relaxation Techniques

Hire Trixie as the dance teacher, either after her interview (XTRA01) or during Trixie's second chance (STA03). Visit her apartment any evening, and this event will then unlock.

Note: if you hire Trixie as the lab technician during the interview (STA02) but have not yet made her the dance teacher (XTRA01), then you cannot visit her apartment.

[STA05] Spanking the English Teacher

During the evening, visit Miss Potts' apartment. You can visit her any night (including weekends) except for Wednesdays. You will have an initial conversation where you agree to give her additional training.

You will then need to visit her another 6 times, and choose "continue training". The first 4 lessons will involve you discussing (in order) her need to show confidence; classroom dynamics; the need for consistency; and how she is making progress. The last 2 lessons will involve you giving her a verbal telling off.

After this, you will need to visit her classroom during the day, where you will see her managing to control Debbie. You will receive +1 Influence point. Following this, you will need to visit her in the evening again, where you will say she needs a practical lesson in being spanked. The next time you visit her, you will carry out the spanking.

[STA06] Punished by the Books

Complete Spanking the English Teacher (STA05). In the evening, visit Miss Potts' apartment again. You can do this any evening except Wednesday. Choose to continue her training. You will give Miss Potts another lesson, and this event will then unlock.

[STA07] Claire Teaches Faye a Lesson

Complete Punished by the Books (STA06) and pass the Very Strict Uniform Policy (which allows you to confiscate clothing).

Note: to unlock the Very Strict Uniform Policy you will need to raise Debbie to punishment level 4 and then touch her breasts. See DEB04 and DEB05 for details.

During the day, visit Miss Potts' classroom and this event will unlock. You will receive +1 influence point from her.

[STA08] Claire Gets a Proper Punishment

Complete Claire Teaches Fay a Lesson ([STA07](#)). In the evening, visit Miss Potts' apartment again. You can do this any evening except Wednesday. Choose to continue her training. You will give her a spanking, and she will then give you a blowjob. This event will then unlock.

[STA09] Claire Gives her First Spanking

Complete Claire Gets a Proper Punishment ([STA08](#)). During the day, visit Miss Potts' classroom. You will see her punish Mary (in the wrong way) and this event will unlock.

[STA10] The Wrong Way to Give a Punishment

Complete Claire Gives her First Spanking ([STA09](#)). In the evening, visit Miss Potts' apartment again. You can do this any evening except Wednesday. You will discuss her punishment of Mary, and you agree to punish her in your office the following evening.

The next evening, you will automatically get a scene where you punish Claire. The goal of the punishment is to max out her fear. However, if her fear score is greater than her submission score, then she will use her safe word and the scene will end. The event will unlock in the event log even if the scene ends early.

If Claire uses her safeword, you will automatically get the same scene the following day.

To complete the scene, insult her, lightly slap her face, inspect her uniform, and tear off her skirt and knickers. Inspect her bra and then tear off the rest of her clothes. Grope her breasts, slap her breasts and take her picture.

After that, change position and force her over your desk. Spank her and do a cavity search. Change position and force her to her knees. Pull your dick out, do a dick slap, make her kiss it and force it in her mouth. Twist her hair or slap her, and force it down further.

Finally, lift her onto your desk, legs in the air, and force her legs apart. You can finger her first or simply penetrate her to complete the punishment. You will then get +1 Influence

[STA11] Stealing Priti's Password

In the evening, visit Mr Wilson's apartment. He will tell you that he will only support you if you steal Priti's email password. Accept his offer. This will unlock the "Priti as a Picture" staff quest ([QSF03](#)).

If you haven't already done so, upgrade the Science Facilities (see [STA01](#)). The following evening, visit Miss Chang in her classroom and ask about "stealing passwords" and then about "the keylogger program".

The following school day, use your office phone to call Priti to your office. You will then steal her password and social media pictures. Visit Mr Wilson in the evening and give him the password. This will give you +1 Influence Point.

Fun note: you can then view Priti's social media pictures using the Photo Album app on your computer.

[STA12] Priti's Pictures: The Direct Approach

After you have completed the Stealing Priti's Password event ([STA11](#)), visit Mr Wilson in the evening to hand over the password. Visit him again the following evening and ask for "more help with the board". Agree when he says he wants nude pictures of Priti.

The following morning, Priti will talk to you about her ideas for the school website. During this conversation, you will think about two ways you could get the photos: accuse her of a crime, or get her to model swimming costumes.

Once you have \$1000, buy the Digital Camera from the Online Shopping | Electronics option on your office computer. The camera will arrive the following weekday. You can then use your phone to summon Priti to your office.

Note: You might already have the camera if you have raised Debbie to Level 4. See [DEB04](#) for details.

You should then choose to "trick her". See [STA13](#) (Priti's Photoshoot) for details.

(The "order to strip" option will give you less influence points and will result in you losing grade, discipline and popularity points. See [XTRA02](#) for details. It will also prevent you from choosing certain options during Priti's student quest later in the game. See [ST303](#) for details.)

[STA13] Priti's Photoshoot

When completing Priti's Pictures: The Direct Approach ([STA12](#)), you will need to select the "trick her" option. You'll take some basic photos of her, and will unlock the ability to purchase the "school swimwear samples".

Once you have \$1500, buy the School Swimwear Samples from the Online Shopping | Electronics option on your office computer. It will arrive the following weekday. You can then use your phone to summon Priti again and complete the photoshoot. (You can then view the pictures using the Photo Album app on your computer.)

Following the Photoshoot, Mr Mykock will visit you and offer to pay you for the photos you take. See [XTRA04](#) for more details.

Fun note #1: you can then view the photos you took during both photoshoots ([STA12](#) and [STA13](#)) using the Photo Album app on your computer.

Fun note #2: if you speak to Priti in the classroom hall on Tuesday morning and do an underwear inspection, you will see that she's a lot less reluctant than she was before doing the photoshoot.

[STA14] Hey Mr, Wanna Buy Some Candy

After you have hired Trixie ([STA03](#) or [XTRA01](#)) and completed Priti's Photoshoot ([STA13](#)), visit Mr Wilson's apartment in the evening and refuse to hand over the photos. Wilson will tell you he wants an attractive prostitute and some Viagra.

Once you have \$200, attempt to buy the Viagra pills from the Online Shopping | Health option on your office computer. When you get the option, buy the cheap \$20 pills instead. Use the phone in your office to summon Trixie and then ask her about the prostitute. The following day, check your email. You'll need \$2500 to order the prostitute.

Once the pills have arrived and you've paid for the prostitute, see Mr Wilson in the evening and tell him about the prostitute. Remove the warning label from the pills before you hand them over.

At the end of the following day, you'll be told by Samantha that Mr Wilson didn't show up to his last class of the day. (If it's a weekend, you'll get a phone call from Miss Potts saying Mr Wilson didn't show up to a book club instead.) You'll then automatically go to Mr Wilson's apartment.

The event unlocks at this point and you can choose to play through however you want. The following evening, go back to Mr Wilson's apartment and talk about Candy. You will get +2 Influence points.

Note: There are a couple of alternative ways of completing this event, although you will not unlock all events in the Event Log. See [XTRA03](#) for details.

[STA15] Little Sally Still Wants to Fight

Open the Recycle bin on your computer and read the April 15 entry. That unlocks the Main Quest "If a Headmaster Falls in the Woods" ([QM2](#)).

Complete the "Order to the Chaos" Main Quest and have the Second Dream ([OTH06](#)). Next Friday at the next School Board propose the Corporal Punishment rule that "Corporal punishments may be carried out on students by any teacher regardless of gender".

Speak to Ruth in the Teachers' Lounge during the day and ask about "the old headmaster". Then speak to Miss Chang in the evening and ask about "the old headmaster's password". Miss Chang will say she wants you to play a trick on Miss Newman first.

If you have not already done so, have your initial conversation with Sally on Monday, Tuesday, Wednesday or Friday afternoon. See [OTH11](#) (Sally's Lost Keys) for details.

On Monday afternoon, go to changing room and click on Sally's bag. That evening, Miss Newman and Miss Chang will have a fight and this event will unlock.

[STA16] The Old Headmaster's Safe

If you have not already done so, at the Friday School Board, choose to open the Lake (see under Other Rules).

Note: you should ensure Discipline is ≥ 20 before you do this, or grades will decrease every day the Lake is open.

Complete the third dream ([OTH12](#)) by speaking to Ruth about the old headmaster's journal. During a weekday morning, go to the lake and speak to Jimmy. Ask about "the old headmaster" and then "the old headmaster's body".

The following morning, Jimmy will take you to the spot where the headmaster died. You will find his wallet with the safe combination in it. Go to your office and click on the bookcase. You will then be able to unlock the safe and this event will unlock.

Fun note: if you tell yourself that you're a villain and you're OK with that, then you'll get the opportunity to humiliate Ruth by doing an underwear inspection on her later, during Ruth's Capitulation ([STA17](#)).

[STA17] Ruth's Capitulation

Complete the Old Headmaster's Safe (STA16), and then speak to Ruth in the Teachers' lounge about "the old headmaster's safe". You will have various options about how to speak to Ruth, but this event will still unlock.

Fun note: if you told yourself that you're a villain and you're OK with that during the Old Headmaster's safe (STA16), then you will have the opportunity to choose to humiliate Ruth, and to demand underwear inspections from her.

Note: Completing this quest is one of the actions you need to unlock the new girl Ada Campbell. See XTRA05 for details.

[STA18] Miss Chang's Expensive Request

Complete the Old Headmaster's Safe (STA16). In the evening, speak to Miss Chang about "the notes in the old headmaster's safe".

To get the full scene, ask about the "anti-aging treatment". You will then automatically ask about BDSM as well. Tell her that you "wish I could" enjoy your blissful ignorance and she'll warn you about Mykock.

Miss Chang will then ask you to buy a 3D printer. You can agree ("I'm listening"), disagree ("I'm not interested") or tell her you'll want to fuck her.

Event Log: Student Quests 1 [ST1]

[ST101] Maxine's Protest (Part 1)

Unlock the Debbie Shows Maxine Who's boss event ([PAT06](#)). The next Sunday afternoon you will see Part 1 of Maxine's Protest. You can choose to break it up, or to walk away. Either will unlock this event, but if you break it up your popularity will decrease by 2 points.

Until you unlock Part 2 ([ST102](#)), Maxine will keep giving protests every Sunday afternoon. If you break it up, you will lose 2 popularity points, and if you walk away you will lose 2 discipline points.

Completing this event will also unlock the Student Quest "Taming a Prefect" ([QST1](#)).

[ST102] Maxine's Protest (Part 2)

Complete Maxine's Protest Part 1 ([ST101](#)). Complete Debbie's Pledge of Loyalty ([ST104](#)) and make Debbie a prefect. The next Sunday afternoon, Debbie will stop the protest.

[ST103] Debbie Gets Fingered

Raise Debbie to punishment level 5 ([DEB07](#)). During the punishment, position Debbie over Miss Newman's knee and rub her pussy. This will unlock the fingering option.

Position her with hands above her head and get Miss Newman to finger her to orgasm. This event will then unlock.

Note: Unlocking this event will allow you to complete [ST104](#) (Debbie's Pledge of Loyalty) and make Debbie a prefect.

[ST104] Debbie's Pledge of Loyalty

Raise Debbie to punishment level 5 ([DEB07](#)). Make sure that Miss Newman fingered her to orgasm during the punishment (see [ST103](#)). At the end of the punishment, you can choose to Assign Role to her. Debbie will give you a handjob and you will make her a prefect.

Note: if you did not make her a prefect during when you raised her to level 5, you can punish her again, and you will be given the opportunity to assign her a role again.

Fun note: once Debbie is a prefect, you will sometimes get a class event where Debbie is doing an underwear inspection of some of the other girls. The hallway interaction with her will also change. See [XTRA07](#) and [XTRA08](#) for more information.

[ST105] Debbie Wants a Job

Complete the "A Man's Work" Main Quest ([QM3](#)) and the How to Discipline a Young Woman event ([CLA11](#)).

In the evening, summon Debbie to your office for punishment. Debbie will ask if she can keep being punished by Miss Newman and asks if it's enough that she keeps giving you handjobs.

Say "no it isn't", accept her offer when she offers you to suck your dick, and give her a private punishment.

If you have not already done so, you will need to raise Debbie to punishment level 6 during the punishment. See [DEB09](#) for details of how to do this.

At the end of the punishment, tell Debbie to give you a blowjob. This event will then unlock, regardless of which options you choose. However, to get the full scene, you should warn her you are about to cum.

[ST106] Sleeping in Reception (Part 1)

Complete Rachel and the Ointment ([SPY04](#)) by giving her a private punishment and then spying on her in the evening. The following morning, this event will automatically happen.

This event will unlock Rachel's Student Quest, "The Headmaster's Pet" ([QST2](#)).

Note: during this event, you will have the option to order her to your office after school. However, you will not be able to raise her to the next punishment level until you have purchased the aloe vera cream, and you have not had the opportunity to do so yet.

If you let her go, you will get +1 popularity. Alternatively, you can still get money or discipline points from giving her a private or public punishment.

[ST107] Special Homework Assignment

Raise Rachel to punishment level 2 ([RAC02](#)). At the end of the punishment, give her the special homework assignment. In the evening, spy on Rachel's room.

You will tell yourself that Rachel looks rather adorable in her cat-ear headphones, and you then see her masturbating (poorly).

Note #1: before you can spy on Rachel, you will need to complete Rachel in the Shower (SPY01). However, you can complete the two events in the same evening. If you get a message saying it "doesn't look as if Rachel is here", then spy on the shower first. You will see the Rachel in the Shower scene. You can then spy on Rachel's room and watch her trying to do her "homework".

Note #2: once you have completed this event and Maxine's Demand (PAP02), then the following morning you tell yourself it might be nice to have a pet to keep you company. You ask Samantha, your secretary, if there is a pet shop in town, but she says there isn't. You wonder if there might be some other way to get a pet instead.

[ST108] Sally and Rachel Get Changed

Complete Rachel's Special Homework Assignment (ST107) and raise Rachel to punishment level 3 (RAC03).

At the end of the punishment, assign Rachel a role. You assign her a role of personal trainee. The following afternoon, there is a scene where Rachel reports to you. You will receive a message saying that you have a new follower: Rachel, and that you can click on her icon to interact with her.

On Monday, Tuesday, Wednesday or Friday afternoon, go to the sports Center. You will get a scene where Rachel says she doesn't like changing with other girls, and you agree she can change with you. Go into the men's changing room and this scene will unlock. You will see Sally and Rachel getting changed together.

Note #1: you have to click on the sports Center and then on the men's changing room. If you click on the quick access button on the main map menu, this scene will not unlock.

Note #2: Once Rachel is your trainee, there are several small scenes where Rachel will interact with other staff and students. Most of these will happen if you click on her icon, but some will happen automatically, or if you click on people in the classroom halls or sports Center hall.

[ST109] Rachel's Weakness Revealed

Complete Sally and Rachel Get Changed (ST108) and the Second Match event (SPT04). During the match say that you prefer small boobs or that you like both

equally. (See [XTRA09](#) if you said you liked big boobs. See [RAC04](#) for more details about the sports events.)

If you have not already done so, pass the Public Punishments "punishment outfit" rule at the Friday school board. You will need Discipline \geq 25 and Influence \geq 4 to do so.

Teach classes until you see Rachel falling asleep again. Order her to your office after school and give her a public (not private) punishment. Say that you like her boobs. You will then admire her body and this event will then unlock.

Completing this event will also unlock the ability to purchase the "cat ears".

Note: if you say you don't like her boobs, then you will have to teach classes until you can punish her again, and give her another public (not private) punishment. You will get the chance to tell her you like her boobs then.

[ST110] Confidence Building Exercise

Complete the "Rachel's Weakness Revealed" event ([ST109](#)). Once you have \$150, buy the Cat Ears from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday.

Raise Rachel to punishment level 4 ([RAC06](#)). At the end of the punishment, carry out the Special Confidence Building Technique. She will act like a cat and you will pet her. You will also tell her to do her "homework" that evening.

Fun note: after you have completed this action, then you can pet Rachel in your office, or let her take a cat nap.

[ST111] Rachel Gets Frustrated

Complete Rachel's Confidence Building Exercise ([ST110](#)). In the evening, spy on Rachel's room. You will see her trying to masturbate again.

[ST112] Sleeping in Reception (Part 2)

Complete the Rachel Gets Frustrated event ([ST111](#)). The following morning, you will get a scene with Rachel sleeping in reception again and this event will automatically unlock.

You can unlock the "strip to underwear" corporal punishment rule during this event. Choose to teach her a lesson and then open her shirt. See [RAC07](#) for details of unlocking the rule. However, you will not be able to pass this rule until

you start Chapter 2 of the game. See A New Chapter, [OTH19](#), for details of starting Chapter 2..

[ST113] Making Rachel Jealous

Complete Sleeping in Reception Part 2 ([ST112](#)).

Pass the rule to allow you to spank the girls yourself. This will involve starting Chapter 2 of the game. See How to Discipline a Young Woman ([CLA11](#)) and A New Chapter ([OTH19](#)) for details).

Once you have 10 Influence and 55 Discipline, pass the Corporal Punishments rule "students may be ordered to strip down to their underwear" at the next Friday morning school board meeting.

Teach classes until you see Rachel falling asleep again, and give her a private punishment. At the start of the punishment, you will tell yourself "OK Rachel, time for your training to really kick up a notch".

Order her to strip to her underwear by removing her clothing including skirt and blouse. Sally will also strip to the waist and Rachel will feel her breasts. This event will unlock.

Note: you can continue to the punishment and raise Rachel to Level 5 (see [RAC08](#)), but that is not required to unlock this event.

[ST114] A Test of Confidence

Raise Rachel to punishment level 5 ([RAC08](#)). At the end of the punishment, talk to Rachel about the Test of Confidence. You will tell her to shower with the other girls.

In the evening, spy on the shower room. You will see her take a shower with the other girls and this event will unlock.

[ST115] The Boner Rule

Raise Rachel to punishment level 5 ([RAC08](#)). On Thursday afternoon, teach a sports class. Rachel will talk about the fact that you got a boner when she changed for her public punishment (see [ST109](#)) and this event will play out. She will masturbate you and you will cum over her.

Note: you can unlock this event as soon as Rachel is at punishment level 5. You do not have to complete her test of confidence ([ST114](#)) first.

[ST116] Rachel Shows You her Homework Technique

Complete the Boner Rule (ST115) and raise Rachel to punishment level 6 (RAC09). At the end of the punishment choose Special Homework Assistance. She will masturbate on your desk and this event will unlock. You will then agree to "help" her that evening.

[ST117] Rachel's First Orgasm

Complete Rachel Shows You her Homework Technique (ST116). In the evening, spy on Rachel's room. You will climb into her room and help her achieve her first orgasm. You will then fall asleep and not wake up until the morning.

[ST118] The Lewd Content DLC

Complete Rachel's First Orgasm (ST117). During the day, teach a class. You will note that Rachel looks "bright eyed and bushy tailed today". After the class some of the girls will discuss a new adult DLC for Rachel's game that means the winning character can have sex with the losing character. Rachel will tell you she intends to masturbate that evening to help her sleep.

In the evening, spy on Rachel's room. She will be playing her game. Choose to "distract her" and then "distract her again". She will lose the game and the winners will force themselves on her computer character. Rachel will start to masturbate as she watches the scene.

[ST119] Rachel's Difficult Morning

Complete the Lewd Content DLC (ST118). The following morning, you will get a scene with Rachel sleeping in reception again.

This event will then automatically unlock. Regardless of the options you choose, you will also arrange to punish Rachel after class that day.

However, to get the full scene, choose to "teach her a lesson". You will automatically lift up her skirt, pull her knickers down, and open up her shirt. You will then pose her so that she looks as if she is masturbating.

You then should choose to "wait for someone else to find her". Sally, Izzy and Samantha will humiliate her, and Sally will then put a butt plug in her.

That afternoon, Rachel will automatically come to your office and ask you to remove the butt plug. She will then strip naked and spend the afternoon sleeping on your lap.

Fun note #1: if Sally inserts the butt plug, then in the morning, you will see Rachel's follower icon appear on the screen. If you click on it you will get a short scene where Rachel tells you she is having the worst morning ever.

Fun note #2: if you teach a class that morning, you will get a scene where you note Rachel is awake, but looks rather uncomfortable.

Fun note #3: if Sally doesn't insert the butt plug, then if you teach a class that morning you will get a slightly different scene, and Rachel won't ask you to remove the butt plug. However, she'll still spend the afternoon sleeping on your lap.

[ST120] A New Spanking Position

Complete Rachel's Difficult Morning ([ST119](#)). In the afternoon, Rachel will come to you and spend the afternoon sleeping on your lap. At the end of the afternoon you will wake her up and tell her to put some clothes on for her punishment.

[ST121] Rachel Gets a Promotion

Raise Rachel to Level 7 ([RAC12](#)). This involves using the New Spanking Position ([ST120](#)).

At the end of the punishment choose to give Rachel her Promotion. You will make her your Personal Executive Trainee (or P.E.T.). She will then strip naked and masturbate you by rubbing herself against you.

Fun note: After you have made Rachel your PET, her classroom events will change, and Rachel will sit at your desk during lessons. See [ST122](#). In the afternoons, you can get her to sit on your lap and masturbate you again. See [ST123](#).

[ST122] Teacher's Favorite Student

Raise Rachel to Level 7 and assign her a position as your Personal Executive Trainee (See [RAC13](#) or [ST121](#)). This scene will then randomly happen when you teach a class. You will see the other girls asking questions about Rachel's

cat ears and collar. You will tell the girls that Rachel gets special treatment because she is your trainee. You will then invite Rachel to sit at the teacher's desk, and you will teach the class. You get +2 grades.

A version of this scene will then randomly occur when you teach a class. You will see Rachel sitting at your desk looking "especially bright and alert".

[ST123] Cats Don't Wear Clothes

Raise Rachel to Level 7 ([RAC12](#)). In the afternoon, go to your office and click on Rachel's icon. Rachel will then strip naked. You can then choose what you want to do, but this scene will then unlock regardless of what you choose.

You will not be able to level her up during this punishment but it is still worth giving a severe punishment to earn as much money as possible. During the punishment, you will discover her weakness: she is a masochist who takes pleasure from being hurt but her tolerance for pain is much higher.

That evening, spy on Amy's room. (Note: Amy's room will initially be shown as an "unknown room".) You will see Maxine ask Amy to take a photo to gather evidence against the headmaster.

This event will unlock Amy's Student Quest, "The Spanking Connoisseur" ([QST3](#)).

If you have not already done so, buy the paddle from Online Shopping | Sex Toys option on your office computer. It will cost \$500. The paddle will arrive the following weekday.

Teach classes or do patrols until you get the opportunity to give Amy a Private punishment.

Note: You will automatically give Amy a private punishment at the end of the Stationary Cupboard event ([ST202](#)). If you have already completed the Future Female Sports Stars ([ST204](#)) event and spied on her, then you can complete this event during that punishment.

You will need to raise Amy to level 3. See [AMY08](#) for details of how to do this.

At the end of the punishment, choose to "help her out". You will finger and lick her to multiple orgasms.

The next weekday morning, Amy will beg again, but this time she will offer to show you her boobs.

Fun Note: After you have completed this event, when you next teach a class, you will get a scene where Amy is on time for her lesson and wearing her tie. You will tell yourself "there really is nothing like a good anal fucking to make a student behave themselves".

[ST214] The Twin Swap (Part 1)

Event Log: Student Quests 3 [ST3]

[ST301] Priti Needs Her Fix

Complete Good Girl Priti (CLA16). The next time you do a patrol, you will see Harriet and Priti talking. You hear Priti wanting something, but saying she doesn't have any money. [ST302] Priti's Terrible Crime

Complete Priti Needs Her Fix (ST301). In the evening, spy on Priti's room. If you have not already spied on her, then Priti's room will initially be shown as an "unknown room".

You will see that Priti has done Harriet's math homework in exchange for a bar of chocolate. You tell yourself this is a terrible scandal and that you should summon Priti to your office. Grades will decrease by 5 points.

[ST303] Priti's Achilles Heel

Complete Priti's Terrible Crime (ST302). During the day, use your office phone to call Priti to your office. She will immediately confess, and asks if you will punish her. You get to tell her that you won't punish her, or that you are afraid you must punish her.

Note: if you say you must punish her, you will spank her at the end of this event. However, it does not affect the choices you make later in the scene about whether to punish her again in the future.

You talk to her and discover that Priti's weakness is her repressed desires. Priti has been repressed her whole life and subconsciously yearns to be free from the control of others. You decide that need to help Priti become more rebellious. You then have to choose how to do this:

- You can encourage her to deliberately break rules and learn to deal with the consequences. This will involve you punishing her in the future.
- Alternatively, you can encourage her to act on her repressed desires, which doesn't involve you resorting to punishments.
- Or finally, you can encourage her to do both, which will allow you to punish her and act on her repressed desires as well.

If you encourage her to break rules or to do both, you will unlock the Bad Girl Priti event (CLA17).

Note: if you forced Priti to strip for you when you took her pictures (XTRA02), then you cannot encourage her to act on her desires, or do both. You can only encourage her to deliberately break rules.

[PUN05] Priti

To punish Priti, you will need to complete the New Chapter event ([OTH19](#)). You will also need to complete Priti's Achilles Heel ([ST303](#)) and encourage her to deliberately break rules, or encourage her to do both (i.e. break rules and act on her repressed desires).

See the Bad Girl Priti class event ([CLA17](#)) for details. You can choose to spank her in class or punish her after school. If you have unlocked the topless punishment rule (see [REFR02](#)) you can also give her an enforced nudity punishment.

[PUN06] Faye

You can punish Rachel from the start of Chapter 2, after you have seen the New Chapter event ([OTH19](#)). See the Forgetful Faye event ([CLA18](#)) for details. The first time this happens, you will automatically punish her after school and decide to spank her. This event will then unlock.

[PUN07] Liz

You can punish Liz in Chapter 2, after you have seen the New Chapter event ([OTH19](#)). Before you can punish Liz, you will need to complete the "Liz Flashes Her Pussy" event ([CLA14](#)) which requires to you pass the Strip to Underwear rule, and have horniness 6+.

Once you have completed that, you will get a random event when you teach a class and spot Liz daydreaming. See Liz's Distracting Thoughts ([CLA15](#)) for details. You can choose to punish her in class or after school.

If you punish her after school, Liz will strip naked and you will masturbate over her. This event will then unlock. (This event will not unlock if you choose to punish her in class.)

Note #1: If you select "pull her skirt" instead of "pull her waist", then this event will not unlock, but you will get +1 popularity.

Note #2: You do not have to complete Emily's Lost Skirt Part 1 ([CLA03](#)) before completing Part 2. If you did not complete Part 1 before completing Part 2, then both parts will be unlocked in the event log when you complete Part 2.

[CLA05] Amy is Late for Class

There are two versions of this event.

First version: this is available from the start of the game. It will randomly happen when you teach a class. You can choose to punish Amy during class, after school, or let her off, but the event will unlock either way.

If you decide to punish her during class, you will complete part of the "Amy gets tickled" event (CLA10). If you let her off you will get +1 popularity but -1 discipline.

Second version: this is available once you have completed the "Amy gets tickled" event (CLA10). You arrive at your classroom to find Amy there early, but she is missing her tie. You can choose to let Amy off, or to punish her after school. If you let her off, you teach your class and get +2 grades.

[CLA07] Debbie the Bully

There are 3 versions of this event. The initial version is available from the start of the game. It shows Debbie with Lucy in a headlock. It is available from the start of the game. You can choose to punish Debbie during class, after school, or to let her off.

Once you have raised Debbie to punishment level 3 (see [DEB03](#)) this event will no longer occur and you will not be able to replay it in the event log. Instead, you will get different events instead. See [XTRA07](#) for more information.

[CLA08] Debbie's Inner Turmoil

This is an event which can happen when you are teaching classes. You will see Nurse Kate give the girls a talk about healthy eating. The nurse will bend over Charlotte's desk and Debbie will then grope the nurse's bottom. You will then punish Debbie after school.

There are two different ways of unlocking this event.

Option 1: If Debbie is at punishment level 3, you should carry out a patrol, during which you will see her make a rather poor attempt at apologizing to Lucy. (See [DEB04](#) for details.)

If you fail to raise Debbie to level 4 at this point (e.g. if you give her a public punishment instead of a private one), then this event can happen when you teach a class. You can then give Debbie a private punishment and raise her to level 4. (See [DEB06](#) for details.)

Option 2: If you did not see this event when Debbie was at punishment level 3 (for example if you successfully raised Debbie to level 4), then this event can

happen when you teach a class after you have made Debbie your prefect. (See [ST104](#) and [DEB08](#) for making Debbie a prefect.)

The event will only happen once. The dialogue during the event will be slightly different depending on whether Debbie is your prefect at the time or not.

[CLA09] Cassandra on her Phone

The options you can choose are:

Amy is late for class (CLA05), select punish her now. She will become aroused and you will get +1 discipline and +1 Horniness, but grades do not improve.

Pass the new Corporal Punishment rule to remove skirts at the Friday board meeting (See DEB02). The next time you get a class event when Amy is late (CLA05), select punish her now. The other girls will tie her up and tickle her. You will get +3 discipline but grades do not improve.

[CLA11] How to Discipline a Young Woman

To get this event, you need to fully complete the "A Man's Work" Main Quest (QM3).

To do this, you will need to complete Ruth's Capitulation (STA17) and make Debbie a Prefect (See ST104, Debbie's Pledge of Loyalty.).

Once you have 9 Influence and 40 Discipline, pass the "corporal punishments may be carried out by any teacher regardless of gender" rule at the next Friday morning school board meeting.

Immediately after you pass the rule, Samantha will tell you that Mr Mycock is about to arrive by helicopter. You will see a large scale event where you punish girls for the first time and this event will unlock.

At the end of the event you will receive 3 horniness points.

[CLA12] Sex Ed from the Nurse

Complete Rachel's First Orgasm (ST117), Amy gets Anal (ST213) and Maxine's Demand (PAP02). The next weekday morning, Nurse Kate will visit you. She tells you that one of the girls recently asked for birth control pills. She says she wants to arrange a talk with the girls about sex. The next time you teach a lesson, Nurse Kate will let the girls ask her questions about sex.

Note #1: Nurse Kate will not visit you on a Friday morning. She will visit you the following Monday morning instead

Note #2: If you have not seen the Lewd Content DLC event, you will see that event before you see this sex ed event.

Note #3: If you employed Trixie (see STA02), then at the end of this event you tell yourself that you should ask Trixie if she would be interested in giving some extracurricular lessons to the girls. If you did not employ Trixie then you will not see this.

Note #4: if you complete Maxine's Demand after Rachel's First Orgasm, then on the first morning afterwards you will ask Samantha if there is a pet shop in town. Nurse Kate will then visit you the following weekday morning instead.

[CLA13] Olivia's First Class

Complete Olivia's Arrival (OFF03) where you have your first meeting with Olivia in your office. The next time you teach a class, you will see Olivia arrive for her first class. This event will depend on how you talked to Olivia in your office.

If you were strict and explained the situation, Olivia will arrive for class in the correct uniform. You can then choose to get the class started (+2 grades) or check her uniform is up to standard by doing an inspection. If you start the class, you will get +2 grades. If you inspect her, Olivia will say she's not wearing a bra. You can let her off as it's her first day, or make her show you her breasts.

If you let her off, you will get +2 popularity but -4 discipline. If you make her show you her breasts, you will get -2 popularity but +4 discipline.

If you were relaxed and flirted with her in your office, Olivia will arrive for class in a non-regulation shirt and necklace with no tie. You can then give her a warning, or confiscate her shirt.

If you give her a warning, you will get -4 popularity and -4 discipline. If you confiscate her shirt, you will get -1 popularity but +4 discipline.

[CLA14] Liz Flashes Her Pussy

Complete the New Chapter event (OTH19) and start Chapter 2 of the game. If you have not already done so, pass the Corporal Punishments rule "students may be ordered to strip down to their underwear" at the next Friday morning school board meeting. You will need 10 Influence and 55 Discipline.

This event will happen randomly when you teach a class, but you will need to have passed the rule and have horniness 6+ to complete the full event.

You will notice that Liz looks distracted, and she will then drop her pen. You can say "let me get that for you" and pick up her pen, or you can tell her to pick it up herself. If you tell her to pick it up, you will get +1 grades.

If you pick it up, then Liz will flash you. You will get +2 grades. After class, you will speak to Liz about her fantasies of being exposed in public, and you will masturbate her. You then discover Liz's weakness: that she is a true exhibitionist who derives pleasure from the reaction of others to her exposed body.

If you do not have horniness 6+, or if you have not passed the strip to underwear rule, then a different version of the event will happen. You notice that Liz looks distracted, and you tell her to stay focused in class. You will get +1 grades. This version will not unlock the event in the event log.

[CLA16] Good Girl Priti

Complete the New Chapter event (OTH19) and start Chapter 2 of the game. On Tuesday morning, Mr Mykock will speak to you and tell you that the school owners are interested in seeing Priti being punished in your office, and would be willing to pay double the normal rate for disciplining students.

This event will then happen randomly when you teach a class. You will ask your class how long Tsar Nicholas II served as Emperor of Russia. Priti will correctly answer. You tell yourself that Priti is an excellent student, and she should really be at university already. However, you wonder if there is some other aspect of her behavior that needs improving. You decide to watch out for her when you patrol. You will get +3 grades.

Note: the dialogue with Mr Mykock changes depending on whether you told yourself you were a villain or not in the Old Headmaster's Safe event (STA16). If you said you weren't a villain, you tell Mykock that you're not

sure you are willing to punish a girl without good cause, but that you will keep a close eye on her and watch for any bad behavior.

However, if you said that you're OK with being a villain, then you will say to yourself that punishing Priti sounds morally questionable but you're OK with that.

This event is repeatable until you unlock the Bad Girl Priti event (CLA17). When the event repeats you will not get the full dialogue, but you will be told that the lesson went smoothly and that it helps to have a bright and attentive girl like Priti in your class. You will get +3 grades.

[CLA17] Bad Girl Priti

Complete Priti's Achilles Heel (ST303), and encourage her to break the rules or to do both (break the rules and act on her repressed desires).

Note: Completing Priti's Achilles Hell will also involve completing Good Girl Priti (CLA16), Priti Needs Her Fix (ST301), and Priti's Terrible Crime (ST302).

This event will then happen randomly when you teach a class. Priti will throw a ball of paper at your head. You can also unlock this event by choosing Priti to answer a question during the Friday pop quiz. See REF06 for more details about the pop quiz.

Complete the New Chapter event (OTH19) and start Chapter 2 of the game. This event will then happen randomly when you teach a class. You ask the class about causes of the Russian Revolution. Lucy and April give answers, but Faye admits she forgot to read the chapter of her textbook. Grades will decrease by 1.

You will automatically give Faye a punishment after school. (See [PUN06](#)).

A slightly different version of this event will then happen randomly when you teach the class. You can also see this event by choosing Faye to answer a question during the Friday pop quiz. See [REF06](#) for more details about the pop quiz. You ask Faye for the name of the mystical advisor of Nicholas II but she doesn't know.

The options you can choose are:

In order to unlock the second match event ([SPT04](#)), you will need to play the "shirts and skins" game. You can only do this if you have popularity ≥ 9 . If you not have popularity ≥ 9 , then your suggestion will fail.

If your suggestion fails (or if you tell Charlotte "no", you can't think of a way to tell the teams apart), then you will need to teach another 5 sports lessons. You will then play another match, giving you another opportunity to complete this shirts and skins successfully.

[SPT04] The Second Match

Before you can unlock this event, you will need to complete the First Match ([SPT03](#)) and play a Shirts and Skins game. You will also need to complete the "Sally and Rachel get Changed" event ([ST108](#)).

There are then two ways to unlock this event:

Method 1: If you did not unlock the "Sally and Rachel get Changed" event (ST108) before playing the First Match (SPT03), then you will need to complete the event now. At the end of that event, you will teach a sports lesson and play a match. This event will then unlock

Method 2: If you unlocked the "Sally and Rachel get Changed" event (ST108) before playing the First Match, then you will need to go to the Sports Center in the afternoon and give the girls sports lessons. Teach 5 sports lessons. During the fifth sports lesson, you will play a match. This event will then unlock.

At the start of the match, if you have Discipline 15+, you can make the teams switch around so the other side plays skins.

You don't need to do this to unlock this event. However, you will need to do this in order to unlock Rachel's Weakness Revealed event (ST109).

If you not have Discipline 15+, then your suggestion will fail. If you fail (or if you tell them teams to keep things as they are), then you will need to teach another 5 sports lessons. You will then play another match, giving you another opportunity to complete this shirts and skins successfully.

During this event, you will also be asked if you prefer big boobs or small boobs. In order to unlock Rachel's quest, it is best to either say you prefer small boobs or you like both equally. (It is possible to unlock Rachel's quest if you say big boobs are superior, but it requires an additional action – see XTRA09)

[SPT05] The First Swimming Lesson

You can build the swimming pool once you have started Chapter 2 (i.e. the day you see the "A New Chapter" (OTH19) event.

On Tuesday morning after the "A New Chapter" (OTH19) event, Mr Mykock will visit you. He says that a significant amount of funding has been made available, including payments to the building contractor. However, small payments remain on several partially completed building projects, including the cafeteria and swimming pool. You realize that the school owners didn't want to pay for everything. They want an incentive you keep you punishing the girls, but that suits you just fine.

Note: Mr Mykock's visit is not required but helps to develop the story. If you have the money, you can order the swimming pool before Mr Mykock speaks to you.

Once you have \$10,000, buy the "Swimming Pool" from the Upgrade Facilities option on your computer. It will take a week before swimming pool is available.

Once you have ordered the swimming pool, if you visit the Sports Center, you will see a “Warning: Construction Site” sign over the entrance to the pool. The pool will be ready a week later. E.g. if you order the pool on a Wednesday, it will be available on Wednesday morning the following week.

Once the pool is complete, when you choose you teach a sports lesson in the afternoon, you will be asked if you want to teach football or swimming. If you choose swimming, you will see a scene where you teach the girls CPR. You will get +1 Horniness. This scene will then unlock.

Game Note: In the current version of the game, there is just once scene at the swimming pool. If you teach another swimming class, you will see the same scene but you will not get any further horniness points.

Liz then wonders if you might allow other girls to go swimming in the nude. Emily also tells Liz and Harriet about the only (small) penis she's ever seen, and how she'd "love to see a nice big penis someday".

Note: This is not an actual event in the event log, but is provided for general information.

When doing paperwork, you will have the option to grade some homework, which will give +1 grades, or manage the school's budget, which will give you +\$50. You can also decide to watch some porn instead. In addition, you will sometimes be visited by pupils: see below for details.

[PAP01] The Student President

The first time you do paperwork Maxine will introduce herself and this event will unlock.

[PAP02] Maxine's Demand

Once you have seen Lucy's Request (PAP03), then the next time you do paperwork Maxine will demand you stop the use of corporal punishment.

Note: you can unlock this event before unlocking Lucy's Request (PAP03). Even if you did not have popularity ≥ 5 when Lucy spoke to you, you will still get this event next time you do paperwork.

Once you have unlocked this event, next time you do a patrol you will automatically get the "Debbie Shows Maxine Who's Boss" event (PAT06).

[PAP03] Lucy's Request

Once you have unlocked The Student President (PAP01), then the next time you do paperwork Lucy will speak to you. Once you have popularity 5+, you can employ Lucy as your maid.

The Maid Outfit and Apron will become available to buy on your computer, under the Online Shopping | Clothing section. These will be required for events [HOM02](#) (Lucy Runs You a Bath) and [HOM04](#) (Lucy and the Apron).

If you do not have popularity ≥ 5 , then this event will remain locked, but next time you do paperwork you will get Maxine's Demand (PAP02) instead.

Once you have unlocked Maxine's Demand, then the next time you do paperwork you will get Lucy's Request again. You will continue to get Lucy's Request

whenever you do paperwork until you have popularity ≥ 5 and can unlock this event.

Complete the Student President paperwork event ([PAP01](#)) and the New Chapter event ([OTH19](#)). Teach classes until you get a scene where you tell the class that you've seen a considerable improvement recently, but that Alice's work was not up to scratch. You tell her to see you in your office to get some tutoring.

The next time you do paperwork, Alice will visit you. You will try to teach her but she isn't paying attention, and she tries to convince you to write the essay for her.

She then asks if you like her. You can say yes, no or deflect the question. Regardless of which option you choose, you make it clear to Alice that you won't write her essay for her and Alice leaves.

[PAP05] Alice Offers a Deal

Complete Alice Needs Tutoring ([PAP04](#)). The next time you do paperwork, Alice will visit you again. She will tell you that she was hoping to come to an arrangement with her.

If you have Popularity 40+ and Horniness 8+, you can ask Alice to "speak plainly". She will tell you that at her old school she would do favors for the HM and in return he would help her with her grades. She offers to let you touch her breasts in exchange for an A. You will slap her breasts and pinch her nipples to teach her a lesson.

Note: If you do not have enough popularity or horniness Alice will leave instead, but she will revisit you each time you do paperwork until you complete this event.

[PAP06] The Great Underwear Shortage

Complete the New Chapter event ([OTH19](#)). Do paperwork, and decide to watch porn. You will be interrupted by Samantha telling you that the student president wants to see you. You can send her away or let her in.

Note: If you send her away, the event will not unlock. The next time you watch porn, you get the same option where Samantha interrupts you.

Maxine tells you that there is a serious shortage of white underwear on campus and requests that the school order more underwear. You can humor her or put her in her place. If you humor her, you will get +2 popularity but -2 discipline.

If you decide to put her in her place, you will inspect her underwear. You can decide whether to continue masturbating during the inspection or not. You then decide whether to let her off with a warning or confiscate her underwear.

If you give her a warning, you will get +3 discipline (regardless of whether you are masturbating or not).

When doing paperwork in the office, choose “fuck it, just watch some porn”. You can choose which category of porn you wish to watch. This event will then unlock.

Note: this event can be unlocked at the same time as the Great Underwear Shortage (PAP06). It can also be unlocked at the same time as some of the other paperwork events. For example, you could appoint Lucy as your maid (PAP03), and then decide to watch some porn.

At the Lake [LAK]

Note: you should ensure Discipline is ≥ 20 before you do this, or grades will decrease every day the Lake is open.

[LAK01] The New Volley Ball Uniform

[LAK02] Donna and the Beast

On Monday, Tuesday, Wednesday or Thursday morning, go to the lake and speak to Jimmy and Beast.

On Saturday afternoon, visit the lake and speak to Donna. She will be very rude to you. Press the right arrow and speak to Beast again. He will fetch you a beer.

(The steps above aren't required to unlock the event but they help to develop the story.)

On the right of the lake (next to the sunbathing Charlotte) there is a pile of stones. Click on them and you will find a bikini. Speak to Beast and show him the lost bikini. Beast will rip the Donna's bikini bottom off her and give it to you.

[LAK03] Emily the Nudist

Complete Lucy and the Bee ([HOM05](#)). On Sunday morning, go to the lake. You will see Lucy helping Emily to change into her bikini. The following Saturday, get Lucy to wear the maid outfit and pay her the extra \$20. If you take a peek when she's changing, choose "better not push my luck".

Lucy will spend the morning cleaning while you rest.

Note: If you buy the maid's outfit before Lucy starts working for you, you can unlock the Lucy the Maid event (HOM01) at the same time as completing this.

The following Saturday, Lucy will automatically change into her maid's outfit and you will decide to take a bath. You will have the opportunity to expose yourself to Lucy. To do this, choose to get in the bath, and then demand to know where she's been.

This event will unlock regardless of what you choose. However, to unlock Lucy Tells All (PAT09), you will need to expose yourself to Lucy.

If you previously exposed yourself to her during the Lucy runs you a bath event (HOM02) and you spank her now, make sure you give her at least a \$50 tip, or else she will refuse to come the following Saturday. (If she refuses, you will need to speak to her in the school hall on Friday afternoon, and pay her \$500 to change her mind.)

Complete Lucy and the Broken Vase (HOM03). Once you have \$200, buy the apron from the Online Shopping | Clothing option on your office computer. It will arrive the next day.

The following Saturday, Lucy will automatically change into her maid outfit and will serve you breakfast. The event will automatically unlock. However, to continue with Lucy's storyline, you will need to say that the coffee is terrible and then agree to pay her the extra money to wear the apron. You will pay her \$150.

Note: if you say the coffee is great, then this event will repeat the following Saturday.

[HOM05] Lucy and the Bee

Complete Lucy and the Apron (HOM04). The following Saturday, Lucy will automatically wear the apron again. She will serve you tea in the garden, and you will find out she is allergic to bees. This event will unlock automatically, but if you lie and say that the bee is still on her, you will get the opportunity to feel her breasts. You will pay her \$150.

[HOM06] Topless Maid Service

Complete Lucy and the Bee (HOM05). The following Saturday, Lucy will offer to clean your house topless, but wants \$200.

You can choose what she wears. If you ask her to go topless, then you will have the option to "take a peek" and then watch her get changed, although it will cost you an extra \$50.

On following Saturdays, you will also get to choose what she wears. If she wears her own clothes or school uniform, it will cost you \$30, and if she wears the maid outfit, she will charge \$50, and if she wears the apron she will charge \$150. You can then use your phone to summon Sally and Emily to your office. You and Sally will strip, and then Sally will undress Emily. You will struggle to contain your erection, and you can choose to think un-sexy thoughts, or to just let it happen. Regardless of which option you choose, you get an erection. You also tell Emily that you will be designating an area of the beach as clothing optional but that you will need permission from the School Board first.

After Emily leaves, Sally will give you a blowjob.

[OFF02] Miss Swallows Desperation

Complete A New Chapter ([OTH19](#)). The following Thursday, Samantha will tell you that Miss Swallows has requested a meeting. You will say that she can see you at lunchtime.

That afternoon, Miss Swallows will tell you that she has been implementing your methods, but a troublesome new student has arrived at their school. She will then ask if you have time to run through some of your punishment methods. You can agree or refuse. If you agree, you will spend the afternoon reviewing the video of How to Discipline a Young Woman event ([CLA11](#)) with Miss Swallows.

If you disagree, Miss Swallows says she understands and leaves. You can then choose to do another activity that afternoon.

Next Thursday afternoon, Miss Swallows will visit you again. She says she feels unsafe and that the girls at her school are plotting something. She asks if the troublemaker, Zoe, could be transferred to your school. She will then ask if you can spend some time giving her more training. You can agree or refuse.

Miss Swallows will only agree to be punished if you did both training sessions with Miss Swallows. If you only gave her one training session (or neither training session) then Miss Swallows will refuse to accept your punishment. During the punishment, you will give her a figging by inserting a piece of ginger in her anus and then fucking her.

Note: if you refuse to take the girl, or if Miss Swallows refuses to accept your punishment, you will then get a phone call from Mr Mykock telling you to take the Zoe anyway.

Note: If you press "skip day", during Thursday morning, Miss Swallows will not visit you, but she will visit you again the same time the following week.

After you do this, and after the first Board meeting ([OTH08](#)), you will see Sally in her underwear standing in front of the mirror instead. Speak to Sally again, and she will ask you if you have found a set of keys.

Complete events [OTH09](#) (Sally and the Towels) and [OTH06](#) (the Second Dream). At the School Board, choose to open the Lake (see under Other Rules).

Note: you should ensure Discipline is ≥ 20 before you do this, or grades will decrease every day the Lake is open.

The first weekday after you have the second dream ([OTH06](#)), Samantha will tell you that the groundskeeper (Jimmy) wants to talk to you about some keys. Once the Lake is opened, you can speak to him any morning. Ask him about the missing keys and he will give you Sally's keys.

On Monday, Tuesday, Wednesday or Friday afternoon, talk to Sally again. This time she will be standing naked in front of the mirror. You can choose to give her the keys or throw them to her. The event will unlock either way.

Fun note #1: the best option is to throw the keys and then admit you were being sneaky.

Fun note #2: Once you have completed this event, then when Sally helps you punish Rachel in class during the afternoon (Chapter 1, [CLA06](#)), you will see Sally wearing her volleyball uniform instead of her normal clothes.

[OTH12] The Third Dream (Rosie and Sarah)

Complete Little Sally Still Wants to Fight ([STA15](#)). Open the Recycle bin on your computer and read the (previously locked) April 16 entry. Go to the Teachers' Lounge and speak to Ruth about the old headmaster's journal. At night, you will then get the third dream and this event will unlock.

[OTH13] Sally Tests Your Skills

(If you go to the Sports Center on Thursday afternoon, you will see Sally with a group of students. If you talk to her, you will find that she is about to take them on a long run. This step is not required but it does provide some background information for the event.)

Teach a sports class on Thursday afternoon. After the lesson, you will take a shower, and the initial version of this event will play out. Sally will come into the changing room and wait for you to leave the showers before she gets in.

This will unlock the event in the event log. However, to get the full version, you will need to complete Sally's Lost Keys ([OTH11](#)) and Debbie's Pledge of Loyalty ([ST104](#)).

Once you have done this, teach a sports class on Thursday afternoon. After the lesson, you will take a shower. Sally will come into the shower and the full version of this event will play out. You will spank her and then have sex with her.

Note: until you have completed Sally's Lost Keys or Debbie's Pledge of Loyalty, Sally will not join you in the shower. However, the dialogue will change slightly depending on what you have done. E.g. if you threw Sally her keys (during [OTH11](#)) then you will mention seeing her naked. If you have made Debbie a prefect ([ST104](#)) you will mention the connection between you and Sally.

Fun note: after you have unlocked the full version of this event, then on Monday afternoons, if you go into the changing room and click on the shower area, then you will be able to join Sally in the shower and have sex with her again.

[OTH14] First Date with Samantha

Make sure that you have at least \$60. Go to the school office and ask Samantha about "the local area" and then "ask her out for dinner". That evening, you will go on the date with Samantha.

Complement her outfit, order the house red, and choose to have the same as Samantha. Ask about her interests, and then say that you are keen on home improvements. Ask about her sister and her love life.

Arabella will bring the wrong order. Chose to "Intervene" and then "go check it out". Open the door a little further, and then say that "actually, I do mind".

At the end of the meal say that it was delicious and then pay for everything. The bill will be \$60. Samantha will kiss you and you'll say that you thought dinner went very well.

Game note: if you press "skip day", you will not go on the date. (Pressing "skip period" is OK.) You will still get the date on any following day where you don't press "skip day".

[OTH15] Meeting Lily

The morning after your date with Samantha (OTH14), you will get a scene where Samantha is talking to her sister, and this event will automatically unlock.

[OTH16] Movie Night

On Friday evening, go to the dorm and speak to the group of girls there. Say "sure", you're happy to watch it with them.

If you choose the Romance or Horror movies, you will get +1 popularity points. If you choose the Documentary, you will get +1 grades. If you choose the Arthouse film, everyone will fall asleep.

The following Friday, speak to the group again. Suggest a Raunchy movie. You will get +1 Horniness point.

If you join the group again, you will get the same options as the first week, and can gain additional popularity or grade points.

[OTH17] Dungeons and Dragons Part 1

On Sunday afternoon, go to the dorm and speak to the group of girls there. They are playing dungeons and dragons. Agree to watch them play. You will be joined by Miss Chang.

At the end of the game, you will be asked who had the best costume. You should choose Faye.

Game Note: The hint for this action says that you should pick Faye, but this does not have any in-game effect yet.

[OTH18] Dungeons and Dragons Part 2

Complete Dungeons and Dragons Part 1 (OTH17). The following Sunday afternoon, go back to the dorm and speak to the group of girls.

At the end of the game, you will be asked who had the best costume. You should choose Emily. The other girls will agree to go to Priti's room to try on some new costumes.

[OTH19] A New Chapter

Complete the How to Discipline a Young Woman event ([CLA11](#)). The following Monday, you will automatically get this scene. You will see the Headmaster wake up, listen to the radio as he completes his morning routine, and talk to some of the students. He then gets Debbie to help him to a mass underwear check.

Fun Note: The woman that you hear on the radio at the start of this event is Liz's mother.

The dialogue with Amy and Cassandra will change depending on what events you have completed. See [XTRA10](#) for more details.

[OTH20] Drama Night part 2

Start Chapter 2 by completing the New Chapter event ([OTH19](#)). The following Wednesday, Miss Potts will visit you in your office at the start of the day. She says that she wants to order some new costumes for the play. You suggest that she gets Emily to help her.

On Wednesday evening, go to the gym. You will see Emily give out the new costumes, and Miss Potts will ask if you want to stay and watch the rehearsal of the first act. You can agree or disagree, but the event will unlock regardless of what you choose.

Note #1: the story makes reference is made to the first Drama Night event ([OTH01](#)) and to Dungeons and Dragons Part 2 ([OTH18](#)) but you don't need to have completed these to complete this event.

Note #2: if you haven't unlocked Drama Night 1, that event will also automatically unlock as well.

[OTH21] Nina's Secret Possession

Pass the Body Search rule ([REFR03](#)). On Monday afternoon, speak to Nina in the classroom building and do a body search. Nina will say that she doesn't like to be touch, and you agree to do a strip search in the stationary cupboard.

During the search, you discover that she has her grandfather's lighter. She tells you that it has sentimental value, and asks if she can keep it.

If you agree to allow Nina to keep her precious heirloom, you get popularity +2 but discipline -1. If you take it away, you get popularity -1 but discipline +2.

If you search Nina again, then the scene changes depending on whether or not you allowed her to keep the lighter. If you allowed her to keep it, you reassure her that you're not going to take it now. If you confiscated it, she mentions that you already took her lighter and asks what else you want.

[OTH22] The Twins Body Search

Unlock the Body Search rule (REFR03) and complete The Twin Swap Part 5 (ST2018). On Wednesday morning, speak to the twins in the sports center and choose to do a body search. This event will then unlock.

[OTH23] Liz's Body Search

Unlock the Body Search rule (REFR03). On Friday afternoon, speak to Liz in the classroom building. Choose to do a Body Search. This event will then unlock.

Note: to see the full body search scene with Liz, you need to have made Rachel your trainee (see [QST2.05](#) or [RAC03](#)).

[OTH24] Lucy's Body Search

Unlock the Body Search rule (REFR03) and make Rachel your trainee (see [QST2.05](#) or [RAC03](#)). On Friday afternoon, speak to Lucy in the classroom building. Choose to do a Body Search. This event will then unlock.

Note: the body search scene will refer to Lucy working for you as your maid, but you do not need to have employed Lucy as your maid to complete this event.

Endings [END]

[END01] The Student Revolt

This is one of the bad endings, which means you have failed. It can happen at any time if Discipline falls to zero.

[END02] Ruth Asks Some Questions

This is one of the bad endings, which means you have failed. It can happen at any time if Grades falls to zero.

If both grades and discipline fall to zero at the same time (e.g. if you force Priti to strip, see [XTRA02](#)), then you will get the Student Revolt ([END01](#)), not this ending.

Extra Events Not in the Event Log [XTRA]

Note: These are not actual events in the event log, but you may need to do these before completing some of the other events.

[XTRA01] Making Trixie the Dance Teacher

If you accept Trixie's offer of a blowjob during the interview ([STA02](#)), you will then hire Trixie as the lab technician. That evening, visit Miss Chang in her classroom. She will insist you fire Trixie.

The following day, use your office phone to summon Trixie. You will appoint her as Dance Teacher and hire Anna, the other candidate, as the lab technician. Speak to Miss Chang in the evening, and she will thank you and you will get +1 Influence Point.

[XTRA02] Priti's Photoshoot: Ordering Her to Strip

During Priti's Photoshoot ([STA12](#)), you can choose to "order her to strip" or "trick her". For the "trick her" option, see [STA13](#).

If you choose "order her to strip", then after you've taken the photos, you will need to choose to "stop". If you choose to "keep going", you will be interrupted by the School inspector Ruth, and you'll get a bad game ending.

The following morning, Samantha will tell you that Priti was seen running from your office in tears. Your grades, discipline and popularity will all decrease by 10. If this causes grades or discipline to fall to zero, you will get an immediate bad game ending. This can include either the Student Revolt bad ending ([END01](#)) or the "Ruth Asks Some Questions" bad ending ([END02](#)).

When you give Mr Wilson the photos of Priti being forced to strip, he will complain about the fact that she is not smiling. You will only get +1 influence point, instead of the +2 influence points you would get from the other two paths (either [STA14](#), hiring the prostitute for him or [XTRA03](#), tricking Priti into stripping).

Fun note: if you chose to order her to strip, you can then view the photos you took using the Photo Album app on your computer.

Not-so-fun note: if you chose to order her to strip, then if you speak to Priti in the classroom hall on Tuesday morning, you will realize that she has been traumatized by your actions. You will not be able to do an underwear inspection on her.

[XTRA03] Priti as a Picture (Alternative Paths)

If you want to both complete the "Priti as a Picture" staff quest (QSF3) and fully unlock all the events in the Event log, you will need to complete [STA01](#), [STA11](#), [STA12](#), [STA13](#) and [STA14](#) in order.

However, if you just want to complete the staff quest and don't mind about unlocking all the items in the event log, there are a couple of alternative ways of completing the staff quest.

Alternative path #1:

After you have completed Priti's Photoshoot ([STA06](#)) and visit Mr Wilson in the evening, you can simply agree to hand over the photos of Priti. This will give you 2 influence points, but it means that the "Wanna Buy Some Candy" event ([STA14](#)) will not unlock.

Alternative path #2:

You do not have to complete Priti's Pictures ([STA12](#)) or Priti's Photoshoot ([STA13](#)). Instead, after you hire Trixie ([STA03](#) or [XTRA01](#)) and steal Priti's password ([STA11](#)), visit Mr Wilson in the evening to hand over the password. Visit him again the following evening and ask for "more help with the board". Refuse when he says he wants nude pictures of Priti. You can then agree to give him a night with a prostitute instead.

This will allow you to unlock the "Wanna Buy Some Candy" event ([STA14](#)) but you will not be able to unlock Priti's Pictures ([STA12](#)) or Priti's Photoshoot ([STA13](#)).

Note: you can change your mind about whether you take the nude pictures of Priti or not. To do this, visit Mr Wilson in the evening. Speak to him about the "photos of Priti". You will then tell him "I've decided to help you" (if you want to take the photos) or "I've changed my mind" (if you don't want to take the photos).

[XTRA04] Selling Photos to Mykock

The morning after you complete Priti's photoshoot ([STA13](#)), Mykock will visit you and offer to buy a copy of the photos. If you agree he will pay you \$200.

He will then offer to buy photos you take of any of the girls during a private punishment, and you will agree. From that point onward, if you take photos of a girl during a private punishment, you will receive an extra \$50.

Note: if you order Priti to strip, instead of tricking her (see [STA12](#)), this event will not unlock.

[XTRA05] Ada Campbell

Ada Campbell is a new girl who joins the school. Complete Debbie's Pledge of Loyalty ([ST104](#)) to make Debbie your prefect, and complete Maxine's Demand ([PAP02](#)) (You do not have to complete [PAP03](#), Lucy's Request.)

The following weekday morning, Samantha will tell you that Mr Mykock is sending a new girl to the school and she will arrive the following morning.

The following morning you will see a scene where Ada arrives at the school and you talk to her. You can then see Ada in the classroom hall on Monday afternoons.

If you have not unlocked Ada by the time you pass the school rule to punish the girls yourself, then immediately after the school board meeting, you will see the scene where Ada arrives before the How to Discipline a Young Woman scene ([CLA11](#)) plays out.

[XTRA06] Ada's Photos

In Chapter 2 of the game, you can see some of the photos that Ada has taken if you speak to her in the classroom hallway on Monday afternoon.

You will first need to get Ada to join the school ([XTRA05](#)). The first time you speak to her in the hallway, you should ask her if she has taken any good pictures lately. She will tell you that she would really like to photograph the twins, Mary and Louise.

Note: you can have this first conversation as soon as Ada joins the school. You do not have to wait for Chapter 2 before you talk to her.

Once you have started Chapter 2 of the game, you can ask her again if she has taken any good picture recently.

Note: you will start Chapter 2 when you start the "Leave No Girl's Behind" main quest ([QM4](#)).

Ada will then show you pictures of Priti, Debbie and Cassandra, and Amy and Alice. Debbie and Cassandra's picture is based on the weekend patrol event "Debbie and Cass Playing Music 2" ([WEP06](#)). Alice and Amy's picture is based on "Inappropriate Clothing 2" ([WEP03](#)).

If you have hired Trixie ([STA03](#) or [XTRA01](#)), then you will also see a picture of Lucy and Rachel in their dance class leotards, and several pictures of Trixie posing nude at her house. You then suggest to Ada that she should capture as many nude models as possible.

[XTRA07] Debbie: Further Class Events

There are three very different versions of the "Debbie the Bully" class event ([CLA07](#)). They will all randomly happen when you teach a class.

First version: this shows Debbie with Lucy in a headlock. It is available from the start of the game. This is the version you will see when you unlock the event in the Event Log.

Once you have raised Debbie to punishment level 3 (see [DEB03](#)) this event will no longer occur.

Second version: this will happen once you have raised Debbie to punishment level 4 and passed the Very Strict Uniform Policy (see [DEB05](#)). You are told that all the girls are behaving themselves and even Debbie is doing her work. You will get 2 grade points. At the end of the class Donna will tease Debbie and Debbie will hit Donna. You will automatically choose to punish Debbie after school.

Note: if you have not passed the Very Strict Uniform Policy, then you will not see the scene where Donna teases Debbie. You will get 2 grade points but you will not get the opportunity to punish Debbie.

Third version: once you have made Debbie a Prefect ([ST104](#)), then you will see a scene where Debbie is carrying out an underwear inspection on three students. You will get 2 Discipline and 2 Grade points.

[XTRA08] Debbie & Cassandra Hallway Interactions

On Wednesday mornings, you will see (and can speak to) Debbie and Cassandra in the classroom hallway. At first, the two girls will be disrespectful.

Once you have raised Debbie to level 4 (see [DEB04](#)), she will become (slightly) more respectful. Once you have made Debbie a prefect (see [DEB08](#) and [ST104](#)) then you will see her doing an underwear inspection on Cassandra.

[XTRA09] Convincing Rachel you like Small Boobs

During the Second Match ([SPT04](#)), if you say you like large boobs, you will not be able to immediately complete the "Rachel's Weakness Revealed" event ([ST109](#)). You will need to complete an additional action first.

On Thursday afternoon, teach a sports class. Rachel will hide in the corner. You will tell yourself it was a grave error to have said you preferred big boobs.

You can then continue with Rachel's quest and complete Rachel's Weakness Revealed.

Note: The Rachel's Weakness event will play slightly differently if you had to take this additional step. This version is not fully completed in the game, and there is a dev note saying additional dialogue will be added later.

[XTRA10] A New Chapter: Unlocking the Additional Dialogue

During the “A New Chapter” event ([OTH19](#))The dialogue with Amy, Rachel and Cassandra will change depending on what events you have completed.

Amy:

You can see an additional scene where you ask Amy if she's reconsidered your proposal to help with staff training. Amy says it's tempting but she would worry too much about what the other girls would say.

To get this scene, you need to have found Amy's pleasure source ([AMY07](#)) and then punished her after school. At the start of that punishment, you will tell Amy that you need a volunteer for some teachers and a few trusted students to practice their punishment techniques on. This will unlock Amy's additional scene during this event.

Note: you do not need to level Amy up during that punishment. You do not need to have completed the pain ([AMY05](#)) or humiliation ([AMY06](#)) parts of her quest.)

Cassandra:

You can see an extra scene where you tell Cassandra that she has a beautiful smile and looks positively radiant, and Cassandra tells you that she hates the school and she hates you, but she still remembers to smile when she says it. You tell yourself that you have a lot of work to do to transform Cassandra into an elegant hostess for the school and that her next lesson should be in the subtle art of flirting.

To get this scene, you need to have raised Cassandra to punishment level 2 ([CAS01](#)) and completed Cassandra's Shocking Realization ([ST219](#)).

Rachel:

If you have not unlocked the strip to underwear rule ([RAC07](#)) then, after you tell yourself you will need to bare her breasts to give her the extra humiliation she needs, you will then mention that you'll need to make the necessary changes at the school board first.

[XTRA11] Miss C's Spyware

During the New Chapter event (OTH19), you will speak to Ada, who tells you she is unable to make any calls to her family or friends at home. You say that you will take a look at her phone for her. You wonder to yourself if your emails are being monitored, and tell yourself that if anyone knows about this, it will be Miss Chang.

In the evening, speak to Miss Chang in her classroom. She tells you that the school exists behind a complex firewall much like the one in China. You then ask Chang to install some spyware on Ada's phone before you return it. She does so, and then says you can remotely access her phone from your computer.

A new icon is then available on your office computer.

Game note: while the icon is available on your computer, it does not do anything yet. Access to the girls' phones will be added later.

Managing Discipline & Grades

[REF03] Earning Discipline Points

This shows the number of discipline points that can be earned from classroom and after school punishments. Certain rule changes will allow you to increase the number of points that can be earned. See [REFR01](#) for more details about the rule changes.

The table also includes a reference to the sections of the walkthrough (WT), event log guide (ELG) and punishment guide (PUN) that provides additional information about how to get the points.

Type of Punishment	Notes	Discipline Points
Classroom Spanking	at start of game	2
Classroom Spanking: with remove skirts rule	see WT:QSF4.2 or PUN:DEB02	3
Classroom Spanking: with strip to underwear rule	Unlocked by starting the “Leave No Girl’s Behind” main quest. See WT:QM4 or ELG:OTH19	4
Classroom enforced nudity punishment. (Topless Punishment)	See REFR02	1 (and +2 grades)
Public Punishment (after school)	at start of game	1

Public Punishment (strip to underwear)	Unlocked by starting the “Leave No Girl’s Behind” main quest. See WT:QM4 or ELG:OTH19	3 (4- 5 points in some cases, see note below)
Private Punishment (after school)	will get money but no discipline points	0

Public Punishment Strip to Underwear rule: In general, you will get +3 discipline points for this. But you will get +4 for Rachel (because she doesn’t wear a bra) and +5 for Liz (who will be completely naked).

[REF04] Nightly Grade Point Change

The number of discipline points you have will have an impact on the school grades. Every evening (except Saturday), you will receive a message about whether the girls did any studying or not, and the grades may go up or down as a result.

In Chapter 1 of the game, you can only achieve a maximum of 50 discipline points, so you will never have an evening increase in grades.

Discipline	Grade Change	Message
1 to 19	-1	School discipline is low. The girls did not study at all after lessons today and Grades are falling.
1 to 19 (if lake open)	-1	Some of the girls spent too much time at the lake after school and didn't do all their homework. Grades -1
20 to 60	0	School discipline is starting to improve. The girls studied a little today after lessons and Grades remain steady.
61 to 80	+1	School Discipline is much improved. Most of the girls studied after lessons and Grades are improving.
81 or more	+2	School Discipline is high. The girls studied hard after school and Grades are improving more rapidly.

[REF05] Chapter 2 Evening Decline in Grades

During the main quest, "Leave No Girl's Behind", once grades improve beyond a certain point, there will be a drop in grades every weekday evening. This represents the girls who are starting to fall behind in their studies.

The grade drop will be based on the current level of grades, but will be slightly random. The table on the next page shows the various messages you can see, when you will see them (based on your current grade score) and the related grade drop.

For example, when you have 70 grades, you might get no drop, or a drop of 1 or 2 grades. When you have grades 91, you will get a drop of either 4 or 5 grades per day.

Please note that some of the messages appear the same, but have a different grade drop.

Current Grade	Grade Change	Message
1 to 55	0	Average grades are still fairly low and all the girls are able to keep up with each other academically.
56-70	0	Grades are starting to improve. Some of the girls are underperforming but they just about managed to keep up with their peers. Grades remain steady
56-70	-1	Grades are starting to improve. However, some of the girls are falling a little behind the others and it is dragging down the average. Grades -1
61-70	-2	Grades are starting to improve. However, some of the girls are falling a little behind the others and it is dragging down the average. Grades -2
71-80	-2	Grades have improved significantly. However, some of the girls are barely keeping up and it is dragging down the average. Grades -2
71-80	-3	Grades have improved significantly. However, some of the girls are barely keeping up and it is dragging down the average. Grades -3
80-90	-3	Most of the girls are now getting A's. However, some of the girls are falling behind and it is dragging down the average. Grades -3
81-90	-4	Some of the girls are seriously falling behind with their studies and it is dragging down the average. Grades -4
91+	-4	Almost all of the girls are now getting A's. However, some of the girls are seriously falling behind with their studies and it is dragging down the average. Grades-4.
91+	-5	Almost all of the girls are now getting A's. However, some of the girls are still really struggling and are now way behind their peers. Grade -5

[REF06] Friday Pop Quiz

In Chapter 2 of the game, if you teach a class on Friday afternoon, you will give your class a pop quiz. You can choose which girl you ask to answer a question. This gives you an opportunity to choose which girl to punish, instead of simply having to wait for particular random events to happen.

Some girls are available from the start of Chapter 2, but you have to unlock other girls by punishing them before you can choose them during the pop quiz. The table below shows which girls you can pick, and how to unlock them.

You can choose to ask an easy, hard or impossible question. If you ask an easy question, you will get +2 popularity and +1 grades. If you ask a hard question, you will get +3 grades. If you ask an impossible question, you will get -3 popularity. The table below shows which types of questions the girls can correctly answer.

Note: before you can have a pop quiz, you must teach at least one class after starting Chapter 2. During this first Chapter 2 class, Cassandra will compare you to the autocratic monarchs and oppressive regimes you are teaching about, and you will unlock the topless punishment rule. See [REFR02](#) for more details on this first class.

Girl	How to Unlock	Questions	Notes
Cassandra	Available from the start of Chapter 2	Correctly answers easy questions.	
Rachel	Available from the start of Chapter 2	Correctly answers easy questions.	
Liz	Complete Liz Flashes Her Pussy (CLA14)	Gets all questions wrong.	
Priti	Complete Priti's Achilles Heel (ST303) and choose to punish her or choose both options.	Gets easy and hard questions correct.	You don't need to spank Priti before you unlock her.
Faye	Complete the Forgetful Faye event (CLA18)	Gets all questions wrong.	

[REF07] Achieving 100 Grades in Chapter 2

Once you reach 90 grades, you will start to lose 4-5 grades a day (See [REF05](#) for details). This can make it hard to reach 100 grades.

Firstly, you should focus on increasing your discipline. Once you have Discipline of 81 or more, grades will increase by +2 a day (so the cumulative loss is only 2-3 a day).

A high discipline score will also allow you to pass the topless punishment rule. Once you have passed this, you can punish students with an enforced nudity punishment when you teach a class. This will give you +1 discipline and +2 grades for every class you teach. See [REFR02](#) for how to unlock and pass this rule. Teaching 2 classes a day will give you +4 grades.

Note: you will also need 11 influence points to pass this rule. See [REF01](#) for a list of all the influence points you can get.

You should also complete Alice's first paperwork event, Alice Needs Tutoring ([PAP04](#)). This will prevent you getting the random class event with Alice where you lose -2 Grades. On Monday evenings, help the girls with their homework. This will give you an extra +1 grades each week.

On Friday, during the pop quiz, if you ask a hard question, you will get +3 grades. During the Reluctant Rebel quest ([QST4](#)), you can choose not to encourage her to break the rules. This means that you will continue to randomly get the Good Girl Priti event ([CLA16](#)) where you can also get +3 grades.

This means that over a week you should get a minimum of +19 grades by teaching classes (4 on Monday to Thursday, and 3 on Friday), +1 helping with homework, and +12 grades in the evening (2 every night except Saturday).

Once you are over 90 grades, you will lose a maximum 20-25 grades per over the week (4-5 points on Monday to Friday). This means you should be able to increase grades by at least 7-12 points every week.

Earning Money

Sources of Money

There are two main sources of money in the game: your weekly salary, and the payments you receive for spanking the students in your office.

Your weekly salary is \$500. This is paid on Saturday morning. Once you have hired Anna as the lab technician ([STA02](#)), then her \$100 salary will be automatically deducted from this.

See below for more details about the payments you receive for spanking the students.

In addition, you can earn \$50 when you do paperwork in your office. See [PAP00](#) for details.

Payments for Spanking Students (Point Based)

When spanking Debbie, Rachel or Cassandra, you will earn a fee based on the amount of pain, humiliation and pleasure you give the student, and the current punishment level of the student. When spanking Amy, you will receive a similar (but slightly different) fee.

The actual formula used for Debbie, Rachel and Cassandra is:

$$(\text{Pain} + \text{Humiliation} + \text{Pleasure}) \times \text{Level Modifier}$$

Note: The level modifier is calculated as:

$$(\text{punishment level} \times 5) + 5$$

This works out as 10 for level 1, 15 for level 2 and so on, up to 35 for level 6 and 40 for level 7.

You can also earn an extra \$50 from each spanking session if you use the digital camera to take photos. See [XTRA04](#) for more details.

Example: the maximum you can earn for a level 6 punishment with Debbie is \$890. This is calculated as:

$(8 \text{ pain} + 8 \text{ humiliation} + 8 \text{ pleasure})$	$= 24 \text{ points}$
$24 \text{ points} \times \text{Level 6 Modifier (35)}$	$= \$840$
$\$840 + \50 for photos	$= \$890$

Payments for Spanking Students (Amy)

Game Note: Payments for spanking Amy are calculated differently. Your fee will still be based on the amount of pain, humiliation and pleasure you give, but it will not change depending on her current punishment level.

Amy's payments are calculated as:

$$\text{Pain} + \text{Humiliation} + \text{Pleasure}) \times 10$$

Payments for Spanking Students (Flat Fee)

When spanking Liz, Priti or Faye, you will earn a flat fee for each punishment. If you spank Faye, you will get \$200. If you spank Liz or Priti, you will get \$400.

In addition, when you spank the twins in your office (see ST216) you will receive \$600. You can only do this punishment once.

[REFR02] Unlocking the Topless Punishment Rule

Start Chapter 2 by completing the New Chapter event (OTH19), and teach a class. During your first class, Cassandra will make some pointed comments comparing you to the autocratic monarchs and oppressive regimes you are teaching about.

You tell yourself that it would be useful to have a way to punish the girls in class quickly without the disruption of a lengthy spanking. You decide the best way would be to embarrass the girls by making them sit through class topless.

This will then allow you to propose a new "remove all clothing above the waist" rule at the school board.

Once you have Influence 11 and Discipline 75, pass the new Public Punishment rule "students misbehaving during class may be ordered to remove all clothing above the waist for the remainder of the lesson" at the Friday board meeting.

[REFR03] Unlocking the Body Search Rule

Start Chapter 2 of the game by completing the New Chapter event (OTH19). That Friday, at school board meeting, you will start the meeting by saying that you feel a change in the atmosphere, as if you have entered a whole new chapter for the school.

After you have had the first "new chapter" Board meeting, spy on the dorms. You will get a special scene where you smell Marijuana and you ask Maria Consuelo to do a search. Maria tells you that she can't find anyone smoking weed. You tell her that this is something you will need to discuss at the school board.

The following Friday, at the school board, there is a special scene where you discuss this. Ruth says that you must put a stop to this, and you say that for once you are in complete agreement with her. This unlocks a new Headmaster's Privilege rule that allows you to conduct body searches.

Once you have Influence 11 and Discipline 80, you can pass this rule.

Student Interactions

When you visit the classrooms, the sports center or dorm rooms, you will often see staff or students there. You can speak to them by clicking on them. Once you pass the strict uniform policy rule, you are able to do underwear checks on most of the girls. You can also unlock other events.

Once you start Chapter 2, some of the interactions will change. Once you pass the Body Search rule, you will also get the opportunity to carry out body searches of some of the girls.

The following lists all the characters you can interact with around the school, whether you can do an underwear inspection or body search on them, and any special notes or events.
