Special Note:

Create a Save Point at the start of Day 28. You need to achieve the endings of the 3 Princesses before being able to achieve the Big Harem (Queen + 3 Princesses). Fastest way to achieve the ending of each princesses, is to get the Small Harem (3 Princesses) which unlocks them in one swoop.

You'll find in the next page how to unlock the Small Harem, Big Harem and the Fairy Queen Endings. All you need to do is reload the save point and follow the set of instructions. Enjoy!
