

The King is back walkthrough

Introduction

Welcome to The King is Back walkthrough. The game consists of eight chapters. Each chapter has a main standalone quest and other sub-quests involving progress with the regular female characters. Once you completed the main quest for the chapter, the game will jump to the next chapter regardless of the status of your other sub-quests. In some instances you will be able to progress further on your sub-quest in the next chapter, without missing any content, but in other instances you will not be able to unlock scenes that you missed after you completed a chapter.

It is recommended that you always try to finish all your sub-quests first before finishing the main quest for the chapter. The main mission for every chapter will be clearly marked Mark's Bio. All the hints in Mark's bio will always relate to the main quest only.

As soon as you start the game, the game will ask if you want to include a non-canon path. This relates to an additional Astrid ending at the end of the game. Nothing in the game itself changes if you select this option, you might get a slightly different ending for Astrid under certain circumstances. I would recommend that you add the non-canon ending to your playthrough. The non-canon path was not part of the original Honeygames Unity game.

The sequence of events shown in the walkthrough is not the only sequence that a specific path can be completed in. A lot of the quests needs to be done simultaneously and the order may differ from what is specified in the walkthrough and would still work out fine. Some sub-quests need progress in the main quest to move forward. As long as you do not finish the main quest before the sub-quests, you can still complete the chapter's side quests.

Chapter 1

Main Quest Chapter 1: Help Mrs. Walker

You can talk to all the Walkers at the parasol at 10:00, 16:00 and 18:00. You will also get the Walkers in town at 20:00. You can chat to Izabel at 18:00 at the promenade. You will find Julia (Mrs Walker) alone at the parasol at 12:00 and at the promenade at 14:00. You should also find Mr Walker and Izabel alone at the Parasol at 14:00.

Start of by chatting to Julia at the promenade and the parasol. At some stage she will ask you to give her satisfaction or something more. You then need to flirt a bit with her. After you flirted with her, you need to meet her at the parasol and offer her a massage. Keep the massage short for the first time. The second time you massage her, you can take it a bit further. Julia will now be ready to take it further. The next time you meet Julia at the promenade, you can ask her for sex. After sex, Julia will tell you what she wants. She suspects her husband is cheating on her with Izabel and want you to give her proof.

(Optional) This section is optional. You can skip the section with Izabel and still complete the main quest. Start chatting with Izabel on the promenade until she has nothing more to say. You then need to flirt with her a few times. After you flirted with her enough times, you will be able to ask her on a date. She will tell you to call her in the evening. You then have the option to call Izabel if you go home at 20:00. She will come to you house and you will proceed to have sex.

At some stage, Astrid will tell you that she saw Mr. Walker having sex with Izabel (Unfortunately, she incorrectly tells you it's behind the Bistro!) If you visit the Parasol at 14:00, you will find that Mr. Walker and Izabel are strangely absent. That is the hint to search a bit more. You will then find Mr Walker having sex with Izabel close by. At this stage you can decide to just take a picture for evidence. However, if you completed the optional path for Izabel, you could also join them for a threesome, before taking a photo for evidence. Regardless of the path chosen, this will conclude Chapter 1.

Angela:

You can meet Angela at the Bistro. She will talk to you at 10:00. You need to chat to her until she has nothing further to say. You will not be able to do anything more than talk to Angela in this chapter. If you visit the Bistro at 16:00, you will meet her boyfriend Gabriel.

Astrid:

You can talk to Astrid at 10:00 and 14:00 at the life-guard tower and 12:00 at the Bistro. Keep chatting to Astrid until she starts talking about the Walkers. This provides a clue to the main quest.

Victor is your main rival when it comes to Astrid. You need to keep an eye on their relationship to keep it in check. Every day at 16:00, Victor will meet Astrid at the guard tower and at 22:00 at The Paradise Club.

He will get **+1RP** with Astrid every day. Every time you interrupt them at the tower, their relationship drops by **-1RP**. If you interrupt them at the club their RP drops another **-1RP**. If Victor and Astrid's relationship are more than **15RP** they will start flirting at the club. At more than **20 RP**, they will start kissing at the club. Don't worry too much about this relationship points, it does not lock you out of any future paths if they have high relationship points. Their relationships points carry over to the next chapter.

Harley:

You can meet Harley at 16:00 at the Promenade and 18:00 at the Plagette. You have to chat to Harley until she has nothing more to say. Then you can start flirting with her. If you successfully flirted with her, you can ask her out on a date. She will tell you to meet her at The Paradise Club. You can now talk to her in The Paradise Club at 22:00. At the club you now need to flirt and drink with her. Do not flirt more than two times, otherwise she will think you are boring. Once she is drunk and you flirted enough with her, she will take you to the back of the club and have sex with you there. After you had sex with her, it will help you in the next chapter if you continue to chat to her again a few times during the day. Talk to her at least once at the Plagette.

Melissa:

Melissa is the new bartender at The Paradise Club. You can talk to her at the Plagette at 12:00, at the promenade at 20:00 or at the club at 22:00. After she talks about her boss you can ask her about Victor as well. You should chat to her until you have nothing to talk about. You will not be able to do anything more with Melissa in this chapter. Remember to talk to Melissa again after you had sex with Harley.

Michelle:

Michelle is working at the Cafeteria. You can talk to her on the beach at 16:00 or at the cafeteria after 18:00. Just chat to Michelle until she has nothing more to say. You can not do anything more with Michelle in this chapter,

Tatianna:

You can meet Tatianna on the beach at 10:00 and in town at 22:00. Keep on chatting to her, until she has nothing more to say. You can not do anything else with Tatianna in this chapter.

Chapter 2

Main Quest Chapter 2: Reconnect with Jessie

You can chat to Jessie at the stadium at 14:00, Oliver at the stadium at 16:00 and Reeva at the stadium at 18:00. You can also chat to all three of them at the club at 22:00. Jessie and Oliver are together at the stadium at 12:00.

Reeva is the key to unlocking Jessie, so you need to start working on her first. Chat to Reeva at the stadium or at the club, until she has nothing more to say. Then start flirting with her. Once you successfully flirted with her, you can ask her on a date. She will then give you her phone number. You can now call her from you home at 20:00. She will come over and have sex with you. You can now ask Reeva to dance with you at the club. This will get Oliver interested in Reeva, but do not call him over yet. Go home with Reeva and enjoy another night of passion.

With the information you got from Reeva, you now need to plant the seed in Oliver's mind. Propose a threesome with Mark, Reeva and Oliver. Oliver will be interested in this arrangement. Now talk to Reeva again at the stadium but talk to her about a possible foursome that includes Jessie as well. Reeva will now be open to this option.

Now it's time to soften up Jessie. Chat to Jessie until she admits that Reeva is trying to have sex with Oliver. You can now flirt with Jessie and she will tell her that you are tempting her. Meet Reeva at the club again and ask her to dance. This time call Oliver over, then leave them alone and go to Jessie. Talk to Jessie again and propose to have group sex. Jessie will agree to this to get revenge on Oliver.

Dance with Reeva again and call over Oliver. Leave them again and talk to Jessie. Ask Jessie to dance with you. If you played your cards right, Reeva and Oliver will join you on the dance floor. Jessie will then propose that you take it to the hotel room, where the four of you proceed to have a wild and passionate romp. Jessie will promptly break it of with Oliver after the foursome.

Angela:

You can meet Angela at the Bistro. She will talk to you at 10:00. You need to chat to her until she has nothing further to say. You will not be able to do anything more that talk to Angela in this chapter.

Astrid:

You can talk to Astrid at 10:00 and 14:00 at the life-guard tower and 12:00 at the Bistro. You can also meet her in town at 20:00. Keep chatting to Astrid until she has nothing more to say. You will not be able to do anything more with her in this chapter. Keep an eye out for Victor at 16:00 at the guard tower. You can not meet her at the club in this chapter.

Harley:

You can meet Harley at 14:00 at the Promenade. If you had sex with Harley at the club in Chapter 1, she will tell you how good the sex was. This will open up the opportunity to meet her at the guardhouse at 18:00. If you talk to her at the guard tower, keep saying dirty things to her. After a couple of times, Harley will take you inside the tower and give you a blowjob.

Melissa:

You can talk to her at the Plageette at 12:00, at the promenade at 18:00 or at the club at 22:00. You should chat to her until you have nothing to talk about. You will not be able to do anything more with Melissa in this chapter.

Michelle:

You can talk to her on the beach at 16:00 or at the cafeteria after 18:00. Just chat to Michelle until she has nothing more to say. You can now ask Michelle for a walk and take her for a walk on the beach. The start of better things to come!

Tatianna:

You can meet Tatianna on the beach at 10:00 and in town at 22:00. Keep on chatting to her, until she has nothing more to say. You can not do anything else with Tatianna in this chapter.

Chapter 3

Main Quest Chapter 3: Help Astrid to settle the score

The main quest for chapter 3 will mostly be about Mark helping Astrid to come to terms with her past. You will find Vannah under the Parasol at 16:00 and on the beach at 14:00. Luke and Vannah will be together under the Parasol at 12:00 and Luke will be alone at the parasol at 14:00 and 18:00. Astrid will be in front of the life-guard tower at 10:00 and 14:00 and 12:00 at the Bistro. You can also meet Vannah and Luke in town at 20:00 or at the Cafeteria at 22:00.

Astrid's plan is to break up Luke and Vannah. Chat to Vannah until she has nothing more to say. You can then flirt with her. After you flirted with her a couple of times, you can ask her to take a walk with you on the beach. Take her to the lifeguard tower where you will find Luke and Astrid talking to each other. Vannah will become jealous and Astrid will be annoyed with you for messing up her plan. The next time you go with Vannah for a walk, take her to the Promenade and try to kiss her. She will not be ready for it, so you need to flirt with her again a couple of times. Walk with her to the promenade again and this time she will be ready to take it further and have sex with you under the promenade. If you still need to tie up other loose ends from other the side quests, go to the Parasol or the Plagette where you and Astrid will recap your progress. If you are ready to complete the chapter, have sex with Vannah again at the promenade and after you had sex, go to the lifeguard tower, where you will catch Astrid and Luke in the act. Vannah will dump Luke and Astrid will get her revenge by dumping him as well.

Angela:

You can meet Angela at the Bistro. She will talk to you at 10:00. You can also find Angela and Gabriel in town at 22:00. You need to chat to her until she has nothing further to say. To complete the full progress with Angela for this chapter, you will need to complete the Harley side quest as well. Remember to chat with Angela again after you completed your Harley side quest. You will not be able to do anything more than talk to Angela in this chapter.

Astrid:

You can talk to Astrid at 10:00 and 14:00 at the life-guard tower and 12:00 at the Bistro. Astrid is mostly involved with the main quest and her discussions will mostly be for background information to the main quest and needs to be done in conjunction with the main quest. Keep chatting to Astrid until she has nothing more to say. You will not be able to do anything more with her in this chapter. Keep an eye out for Victor at 16:00 at the guard tower. You can also meet them in the club to lower the **RP** between Astrid and Victor. Due to you helping Astrid, the RP between Astrid and Victor is reset to 0 at the end of the chapter, with a small penalty if you allowed the RP to grow too high. (Astrid and Victor kissing at the club)

Harley:

You can meet Harley at 12:00 on the Promenade and in front of the lifeguard tower at 18:00. Chat to Harley until she tells that she wants to give you a blowjob. Now, you need to repeatedly talk dirty with her the next three times you talk to her. You can now meet Gabriel on the beach at 12:00 or at the Bistro at 16:00. He will confront you about the amount of time you spent with Angela. If you meet Harley again at the lifeguard tower, after Gabriel confronted you, you can ask her for a blowjob. You will notice Gabriel peeping on you and Harley. This will be a good time to confront him about it. You will then hint to Gabriel that Harley might be up for something like this again in the future. Talk to Harley about public sex. The next time you are at the tower, ask for a blowjob again. While Harley is giving you a blowjob, Gabriel will peep again, but this time you call him to join you. Harley will then give a blowjob to both of you. After the blowjob, talk to Harley and Gabriel again. Also remember to keep on talking to Angela, after you completed the Harley quest.

Melissa:

You can talk to her at the Plageette at 12:00, on the promenade at 18:00 or in the club at 22:00. You should chat to Melissa until she does not have anything more to say. You will then need to first make some progress with Tatianna. After you manage to get a date with Tatianna, start talking to Melissa again, until Melissa tells you that you will look better if you start working out. You would need to unlock the Gym on the Tatianna side quest to progress further. You now need to work out at the gym a few times. If your fitness level is more than 2, Melissa will start noticing. If your fitness level is at 5, you can now start flirting with Melissa.

Michelle:

You can talk to her on the beach at 16:00, at the Plageette at 18:00 or at the cafeteria at 20:00. Just chat to Michelle until she has nothing more to say. If you went for a walk with Michelle on the beach in the previous chapter, you can now also flirt with her or ask her on a date. This time she will not reject you but will say that she has too much work to do it now. Keep asking her to walk with you on the beach. Michelle likes it when you are funny, so be funny the first 4 times you walk with her. You can now be romantic with her on your next walk. She will still be unsure about a relationship. The next time you go for a walk, you should invite her on a paddleboat ride. If you have done everything right, she will accept (+2 RP for Michelle). If she does not want to go with you, you need to chat more with her, along with more walks on the beach being funny and romantic.

Tatianna:

You can meet Tatianna on the beach at 10:00. Start chatting to her. After she talks about you and Jessie and what a fun time Jessie had with you, she will be open to a date with you. If you now ask Tatianna out on a date, she will tell you to meet her at The Paradise club. You can now also talk to her at the Paradise Club. You can keep chatting talking her. If you made enough progress with her, you can ask her if you can join her at the Gym or you can just keep talking with her and eventually she will invite you to join her at

the gym. You can now go to the gym at 20:00. Work out at the gym until your fitness level is at least 3. The next time you see her at the Gym or in the club, you should give her a compliment. Go to the gym again and start working out. Tatianna will jump on you and start having sex with you. If you talk to Tatianna again or ask her for sex, she will tell you it was amazing, but it was a one-time thing.

Chapter 4

Main Quest Chapter 4: Meet Krisztina Pepper

The main quest for this chapter is about tasks for Aiden that involves nearly all the regular characters of the game. You can find Krisztina at 14:00 on the beach. You can find Aiden on the Promenade at 16:00 and on the beach at 18:00.

To progress with Krisztina you need to chat about the topics in the following order.

- 1) Introduce yourself
- 2) I'm a big fan of you
- 3) What are you doing here in New Coral City?
- 4) How could I see your show?
- 5) I would like to be an actor. You know...
- 6) Can you give me an audition?

If you talk about the topics in the correct order, the last option will open up the strip club. You can now meet Krisztina in the strip club at 20:00.

If you meet with Aiden, he sees Mark with all the beautiful girls and want some souvenirs for himself. This starts of the process where he asks for several tasks in exchange for Money. This is also the first time in the game that you get usable money. Be extremely careful with the money you earn. As in real life, it is hard to come by.

- 1) Get a picture of Astrid's boobs (**\$100**)
- 2) Naked Picture of Tatianna (**\$200**)
- 3) A Video of Harley and Gabriel having sex. (**\$350**)
- 4) Have sex with Krisztina.

The details for tasks 1 to 3 will be in the walkthrough sections for Astrid, Tatianna and Harley. Once you completed task three, meet Krisztina at the strip club. Watch both of her shows. The Private show is **\$50**, and you can have a private dance (**-\$150**) as well. Talk to Aiden again. He wants you to arrange him to have sex with her. Go chat to Krisztina about this proposal at the club. I you watched both of her shows, she will agree to a threesome for (\$2000). Lucky for you that is for Aiden's account. Go see Aiden and tell him to meet you at the club. Go to the strip club and call Aiden from there. Aiden arrives, but then he ejaculates pre-maturely -twice- while you and Krisztina have a very good time (You get **+10 RP** for Krisztina).

Angela:

You can meet Angela at the Bistro. She will talk to you at 10:00 and 18:00. You can also find Angela and Gabriel in town at 22:00. You need to chat about the topics in the following order.

- 1) How is your work going?
- 2) Have you never been to The Paradise Club?
- 3) How is life with your young boyfriend?
- 4) Gabriel is a good guy, but you deserve better.
- 5) You are beautiful today.

There will not be able to do anything more with Angela in this chapter.

Astrid:

You can talk to Astrid at 10:00 in front of the life-guard tower and 12:00 at the Bistro or you can meet Astrid in town at 20:00. You can also interrupt Astrid and Victor at the tower at 16:00 and in the club at 22:00. Astrid has a new suiter, Richard, that you can meet 18:00 at the tower. Unlike with Victor, you do not need to keep interrupting them.

Main Quest: As soon as Aiden gives you the task about a topless Astrid pic for him, you can just ask Astrid to see her boobs. Since you helped her in the previous chapter, she will do this for you. You can do this anytime at the tower during her normal progress.

Chat to Astrid about the topics in the following order:

- 1) Who is Krisztina Pepper?
- 2) How is Luke?
- 3) You promised to give me anything I want if I help you.
- 4) How is Victor?

Yacht Quest: After Randolph asks you to invite girls for a party on his yacht, you can ask Astrid to come with you to the party. (*If you do not do the yacht quest, or you have a bad ending with her on the yacht, there is a nice little side mission in the next chapter to get in her good graces again.)

Harley:

You can meet Harley at 14:00 on the Promenade and at 16:00 or 18:00 at the Plageette. If you talk to Harley, she will thank you for introducing her to Gabriel and that she enjoys spending time with him.

Main Quest: Once Aiden tells you that he wants something interesting on Harley, you will notice that Harley is not at the Plageette at 18:00. If you search for her, you will find her and Gabriel having sexy time in the change room. Mark will make a Video of them that you need to give to Aiden. This will conclude all the progress for Harley for this chapter.

Melissa:

You can talk to her at the Plagette at 12:00, on the promenade at 18:00 or in the club at 22:00. You should chat to Melissa about topics in the following order:

- 1) I see you talk a lot with Jeff
- 2) Did you see Victor?
- 3) Do you have some news on Brandon?
- 4) I took your advice and are regularly going to the gym now
- 5) What do you think about me?

While you are talking to Melissa, you also need to go to the gym often until your fitness is around 10. (You need a high fitness level for the Tatianna section of the main quest regardless of the Melissa path.) Now you need to talk to Melissa at the club. Two thugs will arrive at the club that you will try fight off. If your fitness level is high enough, you will save the day and Melissa will be grateful. (You will get **+10 RP** Melissa for helping her). If you are not strong enough, Jeff will save the day, but the game will allow you to try again when you are stronger.

Michelle:

You can talk to her on the beach at 16:00, at the Plagette at 14:00. Michelle will be working in the cafeteria after 18:00 but will be too busy to talk to you. Chat to Michelle about these topics in the following order:

- 1) How is it going with your acting course?
- 2) You never told me why you and your ex broke up.
- 3) Have you heard from him?
- 4) Sometimes, not everything is how it seems.
- 5) Damn, I have to tell you: You are beautiful.

Yacht Quest: After Randolph asks you to invite girls for a party on his yacht, you can ask Michelle to join you on the yacht. However, unlike Astrid, you need to make enough progress with Michelle, before she will accept to will agree. (You would need to tell her how beautiful she is.)

Tatianna:

You can meet Tatianna on the beach at 10:00, at the lifeguard tower at 12:00 or inside the Club at 22:00. You will also be meet her at the Gym at 20:00.

Main Quest: Tatianna's progress for this chapter is all part of the main quest. You need to finish everything for Tatianna to complete this chapter. Talk to Tatianna about the topics in the following order:

- 1) We should hang out together one of these nights.
- 2) I have to thank you for the training that we are doing together. It really works. (Your fitness needs to be bigger than 6 for this topic to be successful.)
- 3) Do you know Jeff? The security guard at the club?
- 4) Why have I never seen Ashley at the club?

- 5) Wow! You are the hottest girl on the beach!
- 6) I know a place nearby where we can have some fun together.

Make sure your fitness is more than 10. You should now meet Tatianna at The Paradise club. Ask her to dance with you and let her feel your manhood. If your fitness is high enough and your progress with her is far enough, she will give you her phone number. Once she has given you her number, you can go to your home at 20:00 and call her to come over. She will then come over and have sex with you and decide to sleep over (You get **+10 RP** for Tatianna). An ideal chance to take a nude picture of her and complete the task for Aiden!

Side Quest Chapter 4: The Yacht Party (Optional)

You can meet Randolph on the promenade at 12:00 or at the lifeguard tower at 14:00. Meet Randolph at the club and invite either Astrid or Tatianna to chat with the two of you. You need to repeat this for three nights. After the third night, Randolph will tell you that he wants to throw a party on the yacht and that you should invite a couple of girls to join the party.

You can now invite Astrid to the yacht party without any problems. To invite Michelle, you should have made enough progress with her in this chapter. (See the Michelle section). Once you invited both Michelle and Astrid to join you, talk to Randolph again and let him know. You can now go to the Yacht party at 20:00.

In the middle of the party, Randolph will confess to putting drugs in the girl's drinks as well as drugs in Aden's drink so that he will not bother the two of you. You can have three outcomes based on your next couple of decisions. You can have a:

- 1) Good outcome with a reward:

Swap out Aiden's drink with Randolph's drink. Randolph and Astrid will both fall asleep on the Yacht. Michelle will join you for a midnight walk on the beach that will lead to sex (**+2 RP** for Michelle). The next morning, Michelle will be confused about your relationship. Astrid will wake up on the yacht and will be happy when you tell her what happened (You get **+15 RP** for Astrid). Randolph will be happy about the party, but angry at himself for falling asleep.

- 2) Good outcome without reward:

If you decide to confront Randolph about drugging the girls or tell the girls about it. You or one of the girls will knock Randolph out. Everyone decides to go home early. Michelle will tell you that she drank too much and cannot really remember anything. Astrid will be happy if you told her or if you knocked him out after confronting him (You get **+15 RP** for Astrid). Randolph will be furious that you betrayed him.

- 3) Bad Outcome:

If you decide to not tell the girls and not to swap his drink, you will be able to take Michelle for a walk and have sex with her (**+2 RP** for Michelle). She will be confused about the relationship the next morning. Astrid will be furious about you not telling her, after she found out Randolph drugged and had sex with her (**0 RP** for Astrid, but this will lead to a redemption side quest in the next chapter). Randolph will be pleased, because he managed to have sex with Astrid (Off-screen).

To get the maximum RP from Angela you need to choose the following options.

- 1) I don't know. You don't deserve it. **(+2 RP)**
- 2) It's better this way. I'm sure you will find someone better for you **(+1 RP)**
- 3) I think it's curiosity. We want to know everything **(+1 RP)**
- 4) It's not easy. They probably tried to teach you the right thing, but the world is a tough place **(+1RP)**

If you persuaded Gabriel to forget about Angela and go for Harley, you will get the option to take Angela for a walk on the beach. To get a date with her you then need to do the following:

- 1) Don't worry, you are a beautiful girl. I can guarantee you that you will find another man.
- 2) Ask on a date

Talk to Angela in town. Ask her if she wants to have a drink. Get the fruit cocktail for her both times and take her home. Kiss her, kiss her neck, touch her pussy and proceed to have sex with her in front of her front door! Talk to her about it the next day.

Astrid:

You can talk to Astrid at 10:00 at the life-guard tower and 12:00 at the Bistro. Victor will chat to Astrid in front of the Guard tower at 16:00 and Richard will be flirting with Astrid at 18:00.

Secret quest: If you had a bad ending on the yacht mission or if you did not do the yacht mission, Astrid will be too angry with you to talk to you. This will open up a new mini quest for Astrid. Before doing this quest, you should get your fitness up to a minimum of 15 by going to Gym with Tatianna. Now go to town, go left and search around. You will find Astrid with a guy that's busy harassing her. You will then confront the guy and if you are strong enough, you will beat him up. Astrid will be grateful that you saved her **(+10 RP)**. If you are not strong enough, the thug will beat you up and then run away. Astrid will still be grateful, but you will only get **+5 RP**.

If you had a good ending with her from chapter 4 or you helped Astrid with the street thug, she will now continue to talk to you. To get her maximum RP, choose the following options when talking to her.

- 1) Yes, the poor girl. I think she needs to be comforted. **(+1 RP)**
- 2) Really? Do you think I could be jealous of a daddy's boy? **(+1 RP)**
- 3) Maybe Richard would like to, but he can only lose to me. **(+1 RP)**

- 4) Come on, I'm joking, but the way you can go crazy, makes me realise that there are some things that I don't know. (+1 RP)
- 5) Probably, because she does not know me yet. You know I'm irresistible (+1 RP)

If you want to stop Richard from flirting with Astrid, you should get him to show you nude pictures he took of Astrid, then you can tell Astrid about them. Then next time you see them at the lifeguard tower, they will be fighting instead of Flirting.

Chat to Victor at the Plageette at 14:00. He will ask if you bought a Gift for Astrid's birthday (Fuck! Who knew!?). Go home at 20:00 and choose to go to Astrid's birthday Party. Choose to buy the Spa tickets (-\$50). You will then meet Astrid and Victor at the club where she will be pleased with the gift and invite you to go with her to the Spa (+5 RP). This will open up the option to go to the Spa with Astrid at 20:00. Select to go to the spa with Astrid and if you play your cards right (You should show me boobs, if you are really grateful then hug her), you will have some wild sex with her at the Spa. If you have more the 20 RP points with Astrid, you will also have an option to say "Now? You tell me." where she will give you a blowjob before having sex with you. You can talk to Victor again if you want to gloat a bit.

Ashley:

You can meet Ashley at 10:00 on the beach. For maximum RP choose the following when talking to her:

- 1) Hey, this is the Sandalicious Beach, the best beach in New Coral City.
- 2) What can I say? She does not want a relationship. She is good, she is hot. she is perfect.
- 3) OK Miss Training. See you at the gym.
- 4) I don't know him well, but you are a beautiful woman. I don't think he would be stupid enough to cheat on you.
- 5) As a matter of fact, I did. I'm sure I saw him together with the bartender Melissa.

You can not do anything more with Ashley in this chapter.

Harley:

You can meet Harley at 14:00 on the Promenade and Gabriel at 12:00 on the beach. To get to Angela, you need to drive a wedge between Angela and Gabriel and to do that, you need to get Harley and Gabriel together. Talk the Harley and tell her that you will help her (+8 RP). Talk to Gabriel and tell him that the world is full of girls or that he should change his mind about getting back together with Harley. To fully convince Gabriel to leave Harley, you need to take him out and show him a good time.

(Optional) Go home and invite him Invite him to go with you to the Paradise club. You should do this after you completed your progress with Krisztina. Krisztina makes a business deal with you that is essential for earning money. This visit to the club is not needed for progress with Harley but you will stumble upon strangers busy with blowjob, that you can record for money.

Go home and invite Gabriel to go with you to the Wild Velvet. You then need to pay for a private show with Krisztina (-\$150). This will be the final nail in the coffin between Gabriel and Angela and is needed for progress with Angela.

(Optional) Harley and Gabriel will now hang out in the Paradise Club at 22:00. Talk to Harley at the club and choose the following:

- 1) Let's celebrate. Have a drink, it's on me.
- 2) I took him to The Wild Velvet and let him spend time with a friend of mine
- 3) I think he should watch while you fuck someone else.

This will lead to a threesome with Harley, Brandon and Gabriel. You will kill two flies with one blow in this move. You can record this for money, and this will help you to get Michelle back.

Krisztina:

You can meet Krisztina on the beach at 14:00 and at the strip club at 20:00. For Maximum RP for Krisztina choose the following: "Maybe I could recruit some girls? I can be their manager?" (+1RP). The next time you see her, Krisztina will make you a business proposal to upload private videos. **This is very important for making money for the rest of the game.** You need to progress with Gabriel and Harley to progress further. Two more RP are up for grabs by choosing:

- 1) I know. You always do perfect work (+1 RP)
- 2) If you want, we could do something together one of these days. No sex required. (+1 RP)

While on the Melissa quest, there is an option to either help Melissa with her car or to help Krisztina with one of her adult shows. If you help Krisztina, you will be in one of her adult shows for free and you will also earn \$150, but you will lose an opportunity with Melissa.

Melissa:

You can talk to her at the Plagette at 18:00, on the promenade at 20:00 or in the club at 22:00. You have two opportunities to help Melissa that you should take if you want the maximum progress with Melissa in this chapter.

Meet her on the Promenade. She will tell you that she has some car trouble. Krisztina will now call and ask you to help her out with a performance tonight. Reject her and help Melissa for +5 RP. Next meet Melissa at the club. She will ask you to look at the cash register while she goes to the back. Another girl will come up and ask for help. Tell her that the bartender will be back shortly (+5 RP).

If you fought off the thugs in the previous chapters and you helped her with her car and at the bar, you will have enough RP to proceed with Melissa. Meet Melissa at the Plagette and ask her for coffee, ask her if there is time for the two of you, then tell her to call you when she finds time. Ask her if she needs some help. If your RP with Melissa is high enough (20 RP), you will be able to have a quickie with her in the change room.

Michelle:

You can find to her and Brandon at the Plagette at 16:00, and on the Promenade at 16:00. Michelle will be angry with you and will not talk to you at all. You cannot do anything with Michelle in this chapter, but you should finish the Harley quest for easier progress with Michelle in the next chapter.

Richard:

You can find Richard at the Resort at 10:00 and flirting with Astrid by the lifeguard tower at 18:00. When talking to him, you can decide if you want to be on good terms with him or not. You get **+2 RP** if you go along with his plans for Vanessa and Astrid and lie to him about Roberta. To get the most pictures from Richard, go along and send him your picture of Astrid and the picture of Tatianna. In exchange her will send you a topless picture of Vanessa and a new one of Astrid. You can now tell Astrid that he sent you her nude picture. This will cause Astrid to fight instead of flirt with Richard at the tower. You need to be on good terms wit Richard to party with him in the next chapter.

Tatianna:

You can meet Tatianna at the lifeguard tower at 12:00 and at the gym at 20:00. The first time you go to the gym, Tatianna will introduce you to Ashley. If you thank Ashley for her hospitality, you will get **+1 RP**. For more RP make the following choices when you talk to her:

- 1) Every time I see you. I will call you tonight. (**+1 RP**)
- 2) The girl was not interesting, so it was nothing interesting (**+1 RP**)
- 3) I will call you to hear how it's going, if it does not disturb you. (**+1 RP**)

You will still be able to call Tatianna for sex from you home. If your fitness is 20 or more, you will get additional options when having sex with her.

Side Quest Chapter 5: Video uploads

From chapter five onwards, the primary method of earning money, is by uploading secret recording of people having sex. You can only start doing this, once you talked about doing this with Krisztina, so you need to ensure that you made enough progress on the Krisztina quest. There are the three video opportunities in chapter 5:

- 1) Couple having sex under the promenade (**\$250**). After you unlocked the video option from Krisztina, go to the promenade at 18:00. If you search around, you will find a couple having sex under the promenade.
- 2) A girl giving a blowjob in the bathroom (**\$250**). If you take Gabriel to the Paradise club (See the Harley section), you will stumble across the couple in the bathroom.
- 3) Harley, Gabriel and Brandon threesome (**\$250**). If you complete the Harley quest for chapter 5 (See Harley section), you will catch them having sex outside of the Paradise Club.

If you had sex at the Spa in the and your RP with Astrid is 20 or bigger, she will ask you to take her home. If Victor and Astrid have a high relationship with your RP below 25 and you did not have sex at the spa, Astrid will ask Victor to take her home. This will allow you to sell sex videos of people have sex with at your house. When you go to the club again, go to the bathroom where you will catch Sean and Harley in the act. Mark will call Tionne and after Tionne fought with Sean, she will proceed to have wild sex with you. Angela:

You can meet Angela at the Bistro. She will talk to you at 10:00 or 18:00. You can also find Angela in bar at 20:00. You can pick up a couple of RP points in the dialogue, but if you are on her path, you should have enough Astrid RP for the end of the game.

If you helped Astrid with the thug on the beach and she did not have sex with Victor yet or if you chose her over Melissa in the previous chapter, you can invite Astrid to the Spa again for more sex (**\$50**). Just go home, call someone and invite Astrid.

Krisztina:

You can meet Krisztina on the beach at 14:00 and at the strip club at 20:00. Since the Angela and Krisztina path are so closely related, most of her path will be in the Angela section. For fun, you will find one of her fans with her on the beach one day. If you have more than \$2500 from the previous chapters, you should be able to have sex with her now (**\$1000**). If your money is too tight or you are in doubt, don't. There is enough money in the last chapter to do everything you want with Krisztina in the last chapter.

Melissa:

You can talk to her at the Plagette at 18:00, on the promenade at 16:00 or in the club at 22:00. Buy some cocaine at the back of the club (**\$50**). You will only be able to do this if you made enough progress in the main quest.

(Optional) This part could cause potential conflict with Michelle. Go to the club again to talk to Melissa and give the cocaine to Melissa at the bar. You can now take her out on the paddleboat. If you are on her path and you gave her cocaine at the club, she will give you a blowjob on the paddleboat (This will cause Michelle to break it off with you).

You can also ask her to go back to your place after work for a night of passion if you are on her path. You only need to be on her path, you do not need cocaine for this option.

Michelle:

You can find to her on the beach at 18:00 and at the Plagette at 16:00. You can also meet her at the Cafeteria after 18:00. Meet Michelle at the Plagette. You can raise your RP with Michelle with the following options:

- 1) I could talk to some friends and ask if they need someone. (**+1 RP**)
- 2) We'll fix this together (**+1 RP**)
- 3) I'm serious, I really like you. (**+1 RP**) She will now see you as a romantic partner, if you have 11 RP or more if she does not see you as a romantic partner already.

You can also give her Roses (**+1 RP**) on the beach or at the cafeteria, that you buy from home (**\$50**), to raise her RP with you. If you want to be successful with Michelle, it is important that she sees you as a romantic partner at this stage. 20 RP will guarantee this, if this have not been achieved yet.

To continue, you need some progress on the main quest (After Sean was caught with Angela). Search at the promenade at 10:00. You will find Michelle about to give a blowjob to the same guy that harassed her at the cafeteria in the previous chapter. You then have a choice to either intervene for **+2 RP** or let her continue and record it to upload.

If you chose to intervene, speak to her again at the Plagette. She will explain to you that the guy is a drug dealer and that she owes him money for cocaine and that she does not have enough money to pay him. If you are romantically involved, you will have the option to bail her out and pay her debt (**\$500**). If you reject to help her, you will close all possible paths with Michelle. If you chose to record her, you will confront her about this on the beach with the same options.

If you meet her at the Cafeteria at 22:00 and you ask her to go home with you, she will agree, and you will have sex with her at your house.

Tatianna:

Tatianna is away for an Athletics meeting. She is not answering her phone or texting you back.

Vanessa:

Vanessa is on the promenade at 12:00 and at the resort at 14:00. If you chose to go stay with Astrid at the resort party, there is not a lot of content with Vanessa in this chapter. You can raise her stats with **+1 RP**, by giving her roses on the promenade, that you buy from home (**\$50**).

If you chose Vanessa at the resort party and you went to dinner with her, you can raise her RP with the following choices when talking to her at the resort: 'No, believe me, I want you' and 'I think you can have someone better than him'.

Go to your home and buy a necklace (**\$500**). Meet her on the promenade and ask her out for dinner (**\$200**). If you go home at 20:00, you will automatically go out to dinner with her. Give her the Necklace (**+5 RP**). If you had more than three dinner dates (The dates from the previous chapters carry over), and you gave her the necklace (Only once), She will invite you to her room where you will have some wild sex with her.

Side note, if you went to dinner with Vanessa, Vanessa and Richard will be fighting at the resort at 10:00. Otherwise they will be flirting or getting closer.

Side Quest Chapter 7: Video uploads

Assuming that you talked to Krisztina about uploading videos and that you bought a webcam, you can upload the following videos in Chapter 6:

- 1) Michelle having sex with the drug dealer (**\$500**). Look around at 10:00 on the Promenade. See the Michelle section for more detail.
- 2) Victor pounding a busty woman next to the Plagette. (**\$500**). After some progress in the main quest, you will find Victor having sex with a strange if you search the Plagette at 14:00.
- 3) If you completed the Michelle quest successfully for the chapter, you will record her having sex with you in your room (**\$500**).

Remember to upload the videos at home after you recorded them before the end of the chapter!

Chapter 8

Main Quest Chapter 8: Getting to know June.

You can meet June on the dance floor in the Club at 20:00 and 22:00. Go to the dance floor and dance with June. You will tell her that she is beautiful, but Jeff will interrupt your dancing and stop you from talking to her any further. You can now meet June on the promenade at 18:00. Talk to June on the promenade. She will tell you not to worry about Jeff anymore.

Meet her on the dancefloor at the club again. Dance with her and this time you will have the option to rub your erection against her. Next you need to talk to Harley on the Promenade at 12:00. Go to the back of the club at 20:00 or 22:00 and buy cocaine from the dealer (**\$50**). The next time you go to the club meet Harley in the bathroom and give her the cocaine. She will then agree to give you a blowjob.

Meet June at the Plageette at 16:00. She will tell you that she saw you and Harley in the club bathroom and will proceed to fuck you silly. Congratulations! You have beaten the game!

Angela:

Angela quit working at the Bistro. You can now find her at the lifeguard tower at 16:00. If you completed everything in the previous chapter for Angela, she will do her first porn shoot in the intro of chapter 8. Due to you sleeping with multiple girls, Angela will take revenge on you and do the scene with two other porn actors. The scene will be a success and earn you **\$1000**.

You can now meet Angela at the tower. If you did not get the porn shoot in the intro for this chapter, make sure you convince her to go to the strip club and buy her a hair salon voucher as well as a new dress. After Angela did a strip show at the club, the porn shoot will trigger automatically when you go to sleep.

After the porn shoot, Angela will apologise for the prank she played on you during the shoot. You need to talk to Krisztina on the beach at 14:00 until she requests for Angela to have a boob job. You now need to convince Angela to have the boob job at the tower. Angela will agree and offer to have sex with you to say farewell to her small boobs. The next time you are at home, order boob job for Angela online (**\$2000**). After the boob job, Angela will no longer be at the tower. She will now be on the beach at 18:00. You can talk to her on the beach and invite her to your home for a tit fuck using her new bigger boobs. You can now also go to the strip club and watch Angela's show. Because you are her agent, you will earn **\$200** every time you watch her show. Talk to Krisztina a few times on the beach, until she tells you that Angela is ready for a new shoot. Go to the strip club. You will now have the option to do the next shoot with Angela and Krisztina. This time you are the male performer and the show will earn you **\$750**.

Astrid:

You can talk to Astrid at 10:00 at the life-guard tower and 12:00 at the Bistro. Victor will chat to Astrid in front of the Guard tower at 14:00 and Richard will chat with Astrid at 18:00 at the resort. You can meet Astrid in the Lounge bar at 22:00 on some nights. The Astrid storyline is basically split in two for Chapter 8. There is a rivalry between you and Richard for Astrid as well as you and Victor. You can complete both quests in any order. For this walkthrough, we will do the Richard and Astrid quest first.

Astrid and Richard:

Talk to Astrid at the tower until you discuss Richard. If you now go to the resort at 18:00, you will find that Astrid is flirting with Richard. You should now meet Richard at the resort at 14:00. Richard will tell you that he offered Astrid a job and that he invited her to dinner to discuss it. Meet Astrid at the Bistro at 12:00 (make sure you have more than **\$200** before you go to meet her). Ask her to change her plans and go to dinner with you instead. (If you ask her to go to the rock concert, or you fail at this step, you will lose against Richard and Astrid will choose Richard over you. If you failed, the next time you go to the Resort at 18:00, you will see Richard having sex with Astrid.)

If you managed to ask Astrid out for dinner, you will automatically go on a date at 20:00. After dinner, Astrid will invite you to take her home and proceeds to have wild sex with you at her house. This will be the final nail in the coffin for the relationship between Richard and Astrid. In every subsequent interaction between Mark and Richard, you will rub it in that he did not get Astrid.

Astrid and Victor:

Successfully completing this path will lead to a threesome with Mark, Astrid and Victor and cause Astrid to choose Victor at the end. Talk to Astrid until she mentions that she is not serious about Victor. Now talk to Victor about Astrid at the Plageette at 12:00 or at the tower at 18:00. The dialogue will differ depending on the Astrid path you are on. Keep talking to Victor until you convinced him that Astrid is having sex with other men. You will then take Victor to the resort where he will see Astrid flirting with Victor. Victor will be mad at Astrid and ask you help him to punish her. Meet Victor at his office in the club after 18:00 where you will proceed to have a rough threesome with Astrid and Victor.

Ashley:

You can meet Ashley at the Bistro at 16:00 or at the gym at 20:00. Progress with Ashley is tied to the Michelle path, so to progress with Ashley, you must still be on the Michelle path. Talk to Ashley at the Bistro. Now you need to make progress with Michelle until she gives you a blow job behind the Bistro (See the Michelle section). Go to the Gym at 22:00 when it's supposed to be closed. If you have **3 RP** with Ashley, you will catch her masturbating to the gym video of you and Tatianna. You will now confront her, and it will lead to another sex session in the gym, but this time with Ashley. You can now repeatedly visit her at the gym at 22:00 for a special training session.

Harley:

You can meet Harley at 12:00 on the Promenade and in the bathroom of the club after 18:00. Talk to Harley on the Promenade. Then buy some cocaine at the back of the club (**\$50**). If you made enough progress with June (See main quest), give her the cocaine in the club's bathroom. Harley will give you a blowjob in the bathroom.

Krisztina:

You can meet Krisztina on the beach at 14:00 and at the strip club after 18:00. The quest with Krisztina is very closely tied to the progress of Angela. For progress on Angela's porn career, see the Angela section. If Angela is working for Krisztina, you will now earn **\$50** per day as agent for Angela. If you managed to convince Angela to do a boob job, you will earn **\$100** per day. You also earn **\$200** every time you watch Angela's show at the club. You should have enough money as well as earning money from Angela's porn career, to make use of all Krisztina's services and have sex with her as well, if you have not done it already.

Melissa:

You can talk to her at the Plagette at 18:00, on the promenade at 16:00 or in the club at 10:00. If you are on the Melissa path you can go to the bar and ask her to go home with you for some repeat sex at your place. You can also push Melissa to have a threesome with you and Jeff. Talk to Jeff at the tower at 12:00 about having sex with Melissa (You don't need to be on her path to do this). Talk to Melissa at the Plagette after you have spoken to Jeff. When you talk about Jeff there should now be an option to suggest a threesome with Jeff instead of her having to choose. Go back to Jeff at the tower and make a deal with him.

Buy some cocaine at the back of the club (**\$50**) after 18:00. The next time you go to the club, go to the bar and offer Melissa some cocaine. If you played your cards right, you should be able to suggest to her to use it now. Melissa will start giving you a blowjob. As soon as you start fucking her, Jeff will catch the two of you and join in for a rough threesome.

Michelle:

Michelle now works at the Bistro. You can find her at the Bistro at 10:00 and sometimes at the lounge bar at 20:00. Talk to Michelle at the Bistro. If you are still on her path and you helped her in the previous chapter, she will thank you for helping her out the second time you talk to her at the Bistro. Go to the back of the club after 18:00 and buy some cocaine (**\$50**). Go to the Bistro at 14:00 and search for Michelle. You will find her taking a smoke break behind the Bistro. Choose "Maybe you need some help" to give her some cocaine. She will then proceed to give you a blowjob (Ashley will peep on the two of you that will lead to further progress on the Ashley route).

Tatianna:

Tatianna is back from the Athletics meeting. You can meet her on the beach at 12:00. You need to be very fit to complete the Tatianna story, so go to the gym as much as possible. Talk to her on the beach where she will tell you that she found a new boyfriend. You will now be able to find Tatianna and her new boyfriend on the promenade at 10:00. If you talk to Tatianna on the beach now, she will tell you that you are not in good shape if your fitness is below 50. That is a hint to get in shape! (50 Fitness)

You can now meet Tatianna and her new boyfriend Connor at the Lounge bar at 22:00. To progress further, you need to raise your fitness to more than 70. If your fitness is high enough, Tatianna will introduce Connor to you at the Lounge bar. The next time you speak to Tatianna on the beach, she will warn you that Connor wants to challenge and beat you. After you met Tatianna and her boyfriend at the bar, go to the Promenade again and search for them. You will find Tatianna and Connor having sex below the Promenade. Raise your Fitness to more than 100. Go to the Lounge bar again. This time you will challenge Connor with the prize being an evening with Tatianna. If your fitness is high enough (100+), you will beat Connor and have a final night of sex with Tatianna.

Vanessa:

Vanessa is on the promenade at 14:00 and at the resort at 16:00. Talk to Vanessa at the resort. If she asks you where you get your money, do not mention the porn industry! If Melissa finds out about your porn career, it closes the Vanessa path completely. There is now slight variation depending if you are currently on the Vanessa path or not.

If you are not on the Vanessa path you will need to raise your RP for Vanessa to a minimum of **15 RP** (If your RP is below 15, you can buy her roses and give it to her on the promenade to raise your RP **(+2 RP)**). You will also need to make progress on the Astrid section until either Richard or you took Astrid out for dinner and had sex with Astrid. You will now be able to talk to Vanessa further at the resort and ask her to come with you for the winter. If you are on the path you don't need any progress on the Astrid path and can ask her outright if she wants to come with you for the winter.

You can now meet her at the promenade and if your RP is high enough, you can ask her to come with you to the Spa (**\$50**). Once at the spa, she will proceed to have sex with you.

End of the game: Choose your girl.

When you are done with the main quest, you will need to choose the girl you want to spend the winter with. The choice of girls will be based on the progress you made with her path. Here are the choices:
