## Game Info

After a rough start to your life, you are finally ready to head off to college. As the top high school recruit in basketball, you could have gone to any school anywhere in the country. Although due to your relationship with your new mother you decide to go to WVM. It was a move that shocked many as WVM is not known for its basketball team. In fact, they did not even manage to win a game last year. All eyes are on you to perform and turn the team around. Your humble past will be tested, and many temptations lay before you. How will you handle being the star on campus?

## Future of the game

**Q: How long will WVM be?**

A: Long, exact number of days are not set. But we have a long way to go.

**Q: Is WVM's story planned out?**

A: Yes, mostly. All major events are planned and mapped out. There are some side things that are still being developed.
