Note: Qleaf developed this guide up to Version 0.5 but took a break from making walkthroughs. With Qleaf's permission I've picked up maintenance of this guide, please direct any feedback regarding this version to Meushi.

Game Plan

The guide will list the best dialogue choice(s) to obtain the most scenes and relationship points with the characters. Just keep an eye on the following:

[+ RP/CharacterName] Hidden RP gain with the specified character.

[Hidden Event Trigger] Hidden triggers that affect dialogues, scenes and choices.

PRO Tip: Search for all the RP gains by; "**Ctrl + F**" then enter "**RP/CharacterName**"

Viewer discretion is advised!

This game contains adult material.
All characters in this game are fictional and over 18 years old.
You must be of legal age to play this game.

Viewer discretion is advised!
