General information

There are two ways to fail: you get expelled from school (you must attend classes time from time) or you failed to earn 135\$ (every 2 weeks you are to pay the debt).

I am mostly highlighting choices that gives the highest main stat, usually Love.
In some situations, I am highlighting several options where different routes can be taken, such as Fiona being a dom or a sub.

I recommend that you save at each choice and look at them all for the CG's before going forward with the guide. Most of the best CG's are on the choices I select, but some are still nice and you don't want to miss out.

If it's not written here then the choice doesn't matter, or I missed it in the walkthrough 🙄
This is the same for topics.

Save \$100 before the 10th day! See Rachel walkthrough for more info

Unlock all phone messages

You can unlock all pictures on phone by typing the following in the console. Has to be done for each individual picture, and I recommend only to do with pictures in other routes so you don't accidentally break the game.

Character_mess<number> = True
e.g. rach_mess3 = True

Lin
Mon
Fio
Rach
Ev
Al
Jen

Character Creation

I didn't want to break up with my girlfriend – Needed for achievement 4. Lonely Hearts

MC had girlfriend = True

Charisma +9

I didn't want to leave such a wonderful place

Photography +8

I was good at school

Intellect +9

I was spending most of my time at the computer – Needed for achievement 34. The man of culture

MC is nerd = True

Hacking +9

I was taking up football

MC was sportsman = True

Strength +9

I knew everybody's secrets

Sneaking +9

Lina

Other opportunities

- You can ask her to help you with Fiona's squash match (choose 'Give me some time' variant when asking Fiona about the match, Find Lina in the school and ask her).
- You can give her gifts (phone, dumbbell).

Lina's messages (they are available after you gave her a phone and if you meet particular requirements):

To give her a phone you need to unlock Alley and buy it there, not in pawn shop

- First: available immediately
 - o No, tell me more
- Second: Lina love \geq 26
 - o What are you doing there?
- Third: Lina love \geq 31
 - o I'm fine with it
- Fourth: you need to visit gym with Lina in the evening 5 times (counts only when she has new hair)
 - o I'm watching you too
- Fifth: you completed second round of photo session with Lina in the park (Ride bicycles in the park option) and Lina love \geq 40
 - o I can't lay my eyes off your ass
- Sixth: you completed second scene in Let her hand around in the house + Lina love \geq 48 and Evelyn love \geq 30
 - o Yeah, her habit is a problem
- Seventh: you completed the scene with Risa in the park
- Eighth: After solving issue with stolen panties (If you tell on Risa, you need to take revenge first)
- Ninth: Don't tell on Risa after she stole panties

Some more tips:

-Support her in everything

-Before the last literature round talk to Monica when she's in the good mood (for that you must attend classes) and talk to her about Lina. What she will say is useful in the last round to cheer Lina up.

-Develop your charisma so as to gain a lot of Lina love points while talking to her at school (fair to most of the characters).

Topics

School

Park date

Piercing

You'd be just as lovely without it

Virginity

Sure, I want to know

Me

Only different CG, but 'Every time I look at you is like a photo session to me' is more nude

Evelyn

No option, but make sure you have more than 35 charisma for all CG

General

You can find her in classroom evening until lessons/tests are done, after that she can be found in gym during evening.

You can also find her in afternoon at school.

Meet her in the classroom in the evening. There are going to be 4 rounds of literature questions with her and after that you need to see the headmistress.

You can do 'Prepare literature' in the library before each round or simply use the answers:

First test

First set of answers: Wrong, Wrong, Right, Wrong, Wrong

I have a request...

Second test

I'd watch it

Second set of answers: W, W, R, R, R

Gently ask her to pose

It's a crime to hide them

Take off your skirt (gives 1 more picture if you have more than 9 points in photography)

Third test

Let's begin // **Strength more than 10** You're in anticipation of today's match

Third set of answers: Count as correct, W, R, R, W

We must do something new // **Charisma more than 10** Don't hide your body

On the third round Lina remembers that she also needs to make a report. So, in order to help her go to library and ask Jennifer to help you.

She asks you a favor in return: you need to make pictures in the park (morning).

To make them you need 24 photography skill. Following evening give pictures to Jennifer and the report is yours.

On the fourth literature round you'll give it to Lina.

Fourth test

Jennifer helped me // **Charisma more than 12** I wrote it myself

Fourth set of answers: R, R, W, R, R

Tough her thighs

Seeing the headmistress

After fourth round you and Lina are going to visit Headmistress's office. There are four variants of this scene: if you already blackmail Monica, if you confessed to Monica in her romance route, if you didn't make it with the report, if you gave the report to Lina (the best variant).

Are you ready?

You would have done it

Bully at gym

Activated by going to gym in the afternoon instead of evening

You should have at least one of the following:

1. Intellect over 22 (+3 love)
2. Strength over 23 (+4 love)
3. \$300 (+2 love)

Choose anything other than 'Why are you so angry?' but 'Make him shut up' is the best option.

One kiss is enough

Consider is as a compliment

Lina's new hair

After you saved her from a bully at the gym, find her at school

I still want to see you naked

Molester on train (Unlocks Lina's home)

Keep training with Lina at the gym until she asks you for a favor

Cool! I'm gonna be a bodyguard

Keep protecting her on her way home several times to get the rest of the options

Take a stand between them

So, erh, good night?

Keep visiting gym and agreeing to take Lina home to get a bunch of different CG's and animations, lots of sexy time.

Stolen panties

Attend class and you will get text message from Lina.

You need to talk to Adrian and Bobby about Panties and then you need to attend class again before the 'Set a trap for the panty thief' option appears on main school menu.

To get the answer you need one of the following

- Intellect over 30
- Charisma over 30
- 200 dollars

- 2 pictures of Lina

After getting the panties, you need to find Fiona

After talking to Fiona, go to Alley

You will need either Charisma, Intelligence or hacking over 36.

The choice doesn't matter, they are all sexy CG.

After this, attend class again

Choice when seeing Risa and panty thief doesn't matter except for CG

The game records if you told or not, so might be used in the future

- Ok, I won't tell her
 - o Get reward from Risa and then find Lina in school to finish task
 - o +2 Lina Love
- I'm going to tell her
 - o Find Lina in school and then take her biking next weekend date to get back on Risa
 - o +3 Lina Love

Challenge Alice at gym

Keep working out with Lina to bump into Alice until you get option to challenge her. You may have to progress Evelyn store to unlock Alice, not confirmed.

Warning You only need to pick fail option one time to lose the entire event. I recommend saving at first choice, and follow Alice and losing and then reloading and winning.

After a few events with Alice

- Continue the training +4 Strength
- Follow Alice +2 Strength & mc_loses_al_chall = True (You lose)

- No, we are just warmed up +4 Strength
- Yep, we are done for today +2 Strength & +1 Alice Rel & mc_loses_al_chall = True (You lose)
 - o Let me look at your pussy
 - o Let me look at your boobs

If you lose, you get a sexy scene with Alice

If you win, you get some sexy scenes with Lina and Alice

No matter if you win or lose, Alice will join you and Lina at the gym on Tuesdays and Thursdays

Risa

From that moment you can pay her a visit in the afternoon at the weekends. From time to time Risa (Lina's sister) will appear there. You must choose: be loyal to Lina or be seduced by Risa.

My recommendation is to go for Risa (you will understand why after the arc finished, and you get a lot of nice CG's)

Caught by Risa climbing in through window

I guess it's complicated between us +1 Lina Better

If I'm not your boyfriend, then I don't mind either +1 Risa Better

Meet Risa in Park after date

I came for Lina, not for you +1 Lina Better

What's on your mind? +1 Risa Better

Meet Linas grandpa

First time

Second time

For best CG with Lina make sure you have more than 36 photography and 50 love

Don't interfere +1 Evelyn love

Fiona

You have to make a choice of either being submissive to Fiona and getting love points, or being dominant and getting submission points. As the game says, either you become her boy toy, or she becomes your pet.

There'll often be these kinds of choices when it comes to Fiona until the player is locked into one of the two routes.

To open 'Find Fiona' you need to talk to Adrian and Bobby ('Fiona' topic).

Other opportunities:

Fiona's messages

- First: triggers when waking up after the 'Apologize to Fiona' event. **Fiona Dom route**
- Second: triggers when waking up after 'Fiona Reward 1'. **Fiona Dom route**
- Third: triggers after 'Fiona Reward 2'. **Fiona Dom route**
- Fourth: Triggers after second time in playground on Jennifer walkthrough
- Fifth: triggers after 'Confront Fiona'. **Fiona Sub route**

Call Lina for a Challenge

Talk about the topic 'Fiona' with Lina. Afterwards, in the Afternoon, at School, go to 'Find Girls' and 'Lina', then select 'Lina Challenge'. Or, after talking about Fiona with Lina, go to Fiona's menu and select 'Call Lina for a Challenge'.

This is a fun little side-event that is not necessary for progressing through Fiona's storyline, but the opportunity to see it will be gone after you're locked onto one of her routes. So if you want to watch, do it sooner rather than later! You must already be somewhat friendly with Lina to ask her for help (you know you're good when she has a new haircut). As usual, there are many different options here and a couple opportunities for some sub and love points.

- Squeeze a racket between your butts +1 Lina Love & +1 Fiona Sub
- **If photography is over 21** Doggy style
 - Come on, we're having fun! +1 Lina Love & +1 Fiona Sub
 - Relax and enjoy (**If charisma is below 15**+1 Lina Love & +1 Fiona Sub and scene end)
 - If charisma is over 15** (Make your choice depending on where you are in story. If you already completed Lina, then you can max Fiona and it shouldn't impact Lina)
 - Focus on upper body +1 Lina Love & +1 Fiona Love +1 Fiona Sub
 - Shoot it from below
 - Fiona -1 Lina Love & +2 Fiona Love & +1 Fiona Sub
 - Lina +2 Lina Love & -2 Fiona Love & +1 Fiona Sub

Massaging Fiona

You got to do the in a certain order to get the best stuff:

Back -> Ribs -> Buttocks -> Feet -> Neck

Remember that you get a different scene depending on which oil you used on the massage, so make sure to check both out!

You are beautiful +1 Love (If photography is over 15 you get another CG)

The city +1 Sub

Ginger oil

- Back (**If intelligence above 15** +1 Love)
 - Ribs
 - Buttocks
 - Feet
 - It's the right thing to do +1 Love
 - I'm not apologizing anymore +1 Sub
 - Neck +3 Love
- Picture of your choice (pussy or dick on face)

Sage and yland-ylang oil

- Back (**If intelligence above 15** +1 Love)
- Ribs
- Buttocks
- Feet
 - It's the right thing to do +1 Love
 - I'm not apologizing anymore +1 Sub
- Neck

- **If sub is over 2** +1 Love & +1 Sub (and you get to finger her until she comes!)
- **If sub is below 2** +2 Love

Dorms

Open 'Dorm' location and visit it after buying Lockpicks at Alley. There are a couple different ways to go about this:

- *If you are already on good terms with Monica OR have blackmailed her, just ask her about Fiona.*
- *If you have unlocked both the Alley and Digital Arts locations, you can buy lockpicks from Scott and break into the Teacher's Room in the morning at School. After you try to get into the school system, ask Tobias about it and he'll help you out.*

-

Time to pay Fiona a visit at home. Or rather, go snooping around when she's not there. But first you got to figure out where she lives, and she is not about to share that with you herself. If Monica likes you (or if she can't refuse you) you can just ask her about Fiona. Otherwise, you're going to have to unlock Digital Arts by talking to Jennifer at the Library, and you'll also have to unlock the Alley by talking to Adrian and Bobby in the School bathroom in the Afternoon.

Spy cams

Buy Spy Cams from Scott in the Alley, then visit the Dormitory in the Afternoon

Since Fiona doesn't seem to want to share with you, we're going to have to go through radical measures. By installing a couple spy cams in her bedroom, you might be able to garner some additional info on how the hell she lives her life.

WARNING: Installing the Spy Cams is not optional to progress her story, but checking the contents is. If you do decide to see images of Fiona in her bedroom, you're bound to see her pictures of her with other guys. Don't worry, she won't do this after you're into one of her two routes. But until then, if you don't want to see it, don't check the contents of the Spy Cams.

Apologize or Confront Fiona

Apologize

Buying a cellphone from Scott in the Alley, then visiting the Dorm in the Afternoon and choosing to apologize

If you decide to give in to Fiona's demands, she will treat you well...ish. All you have to do is give her a proper gift. This will start the Dominatrix route. After this, Fiona is going to use you to get back at everybody that has slighted you in the past. The perks? You get to have some fun in return.

Hey!...

I don't care if you don't like my gift

Seb. Peace!

First picture unlocked, read to progress on Dom route

Confront

Acquiring sufficient Sub Points (5) and seeing Fiona at the School in the Afternoon and choosing Confront. Also needs a cellphone from Scott.

If you decide, instead, to make Fiona obey your orders instead, you first have to get enough Sub points with her. If after doing all the previous events you don't have enough, you can do the repeatable Challenge until you have enough strength (30) that you are beating Fiona so hard that she can't help but respect you. Do this a few times and you'll get enough Sub points. Once you Confront her you'll enter the Submissive route. After this, you are going to get back at everyone that messed with her in the past, gotta take care of your pet now.

Fiona Dom Route

Fiona's Reward

Visit the Dorm again in the Afternoon

After you apologize to Fiona, she is going to send you a message from her brand-new phone. Check it, and after that, once you visit the Dorm again, you are going to get a... different reward than you were expecting. But at least now you're in her good graces.

Fiona's Reward... hopefully?

Visit the Dorm again in the Afternoon

After checking another message from Fiona, you're invited over for a second time. The MC does get some action this time, but not nearly as much as he was hoping for. We're getting there though.

Fiona Sub Route

Now you can Talk to Fiona at school in the Afternoon. If there are events with other girls that require you to talk with her (like stuff with Jennifer), now they should be available after talking with her appropriate topics.

Catching Fiona editing grades

Visit the Teacher's Room at School in the Morning. You'll need to have lockpicks bought from Scott in the Alley for this.

Don't forget to check Fiona's message (number 5) after confronting her, or this scene won't trigger. But man, did you really expect her to play by school rules? Anyway, you're just reminding her who is the boss for now. But soon we're going to have to start punishing her for her misbehaviours...

I'll leave you to it, then +1 Love

I'll stick around +1 Love & +1 Sub

Jennifer

You will have to choose if you will romance her or corrupt her. Act polite and kind to her if you want to romance her and vice versa.

In order to actually start the romance route you need to choose the option 'Let her go home' in the first room of the 'Red Maiden'. This option appears twice!

RM = Submission points in Red Maiden > Corruption path

ROM = Romance points in Red Maiden > Love path

FutLove = Not sure, the translation is “temporary glasses of love” in the code description. Seems to be Red Maiden related only

Love = Normal love stat

GoodBro = Usually combined with increased love. Doesn't seem to be any choice affected by this yet. Maybe best option for love path?

BadBro = Usually combined with decreased love. Doesn't seem to be any choice affected by this yet. Maybe best option for corruption path?
