Katelyn

- First thing you gotta do is meet me at your new school. We can come up with a plan there!
- Next, you have to wait until Katelyn wakes you up in the morning. Then you have to show her your big dick!
- Now you have to make sure that your dad isn't around. Eat breakfast in the kitchen twice. Then the next time you are in your room in the morning, he should leave on a business trip.
- If your Dad already left, sleep with Katelyn in her bed at night.
- Now you need to talk to Katelyn while she's doing yoga in the middle of the day. You will have the option to get her a new yoga outfit. She has another outfit in the armoire in her room. Grab the clothes and bring them to her in the living room.
- Then you need to talk to Katelyn while she's at the pool. If you do not have a swimsuit yet then she will give you money to buy one. Buy one at the "FAP" at the mall and then join her at the pool.
- Next you will catch Katelyn on her phone in the living room during the middle of the day. Meet her in the garage and go with her to her gig.
- Sleep with her again at night.
- Join her for some naked yoga during the day.
- Sleep with her one last time to seal the deal!

Sister

- First thing's first! You gotta get your dad to leave. Eat breakfast with him in the morning twice, then the next time you are in your room in the morning he should leave for a business trip. Then talk to your sister after school.
- Now you have to watch TV with Katelyn in the afternoon and ask her about your sister's spending habits.
- Talk to your sister after school and ask her to model for you.
- Check the living room in the afternoon.
- Watch TV with Katelyn again and ask her for money. Then go to the "FAP" store at the mall and buy the lingerie that your sister wants.
- Next, give her the lingerie when she's alone in her room in the afternoon.
- Go to your sister's room on Friday night. Then hop in the trunk of the car. Once at the party, talk to your sister outside, then check the cooler inside, then talk to Chloe in her room, then fill your sister's cup outside, then leave.
- Check the pool in the morning on the weekend and talk to sister

● Go to the mall and talk to the creep. Pretend to be lost. When he gives you his phone, follow these steps!

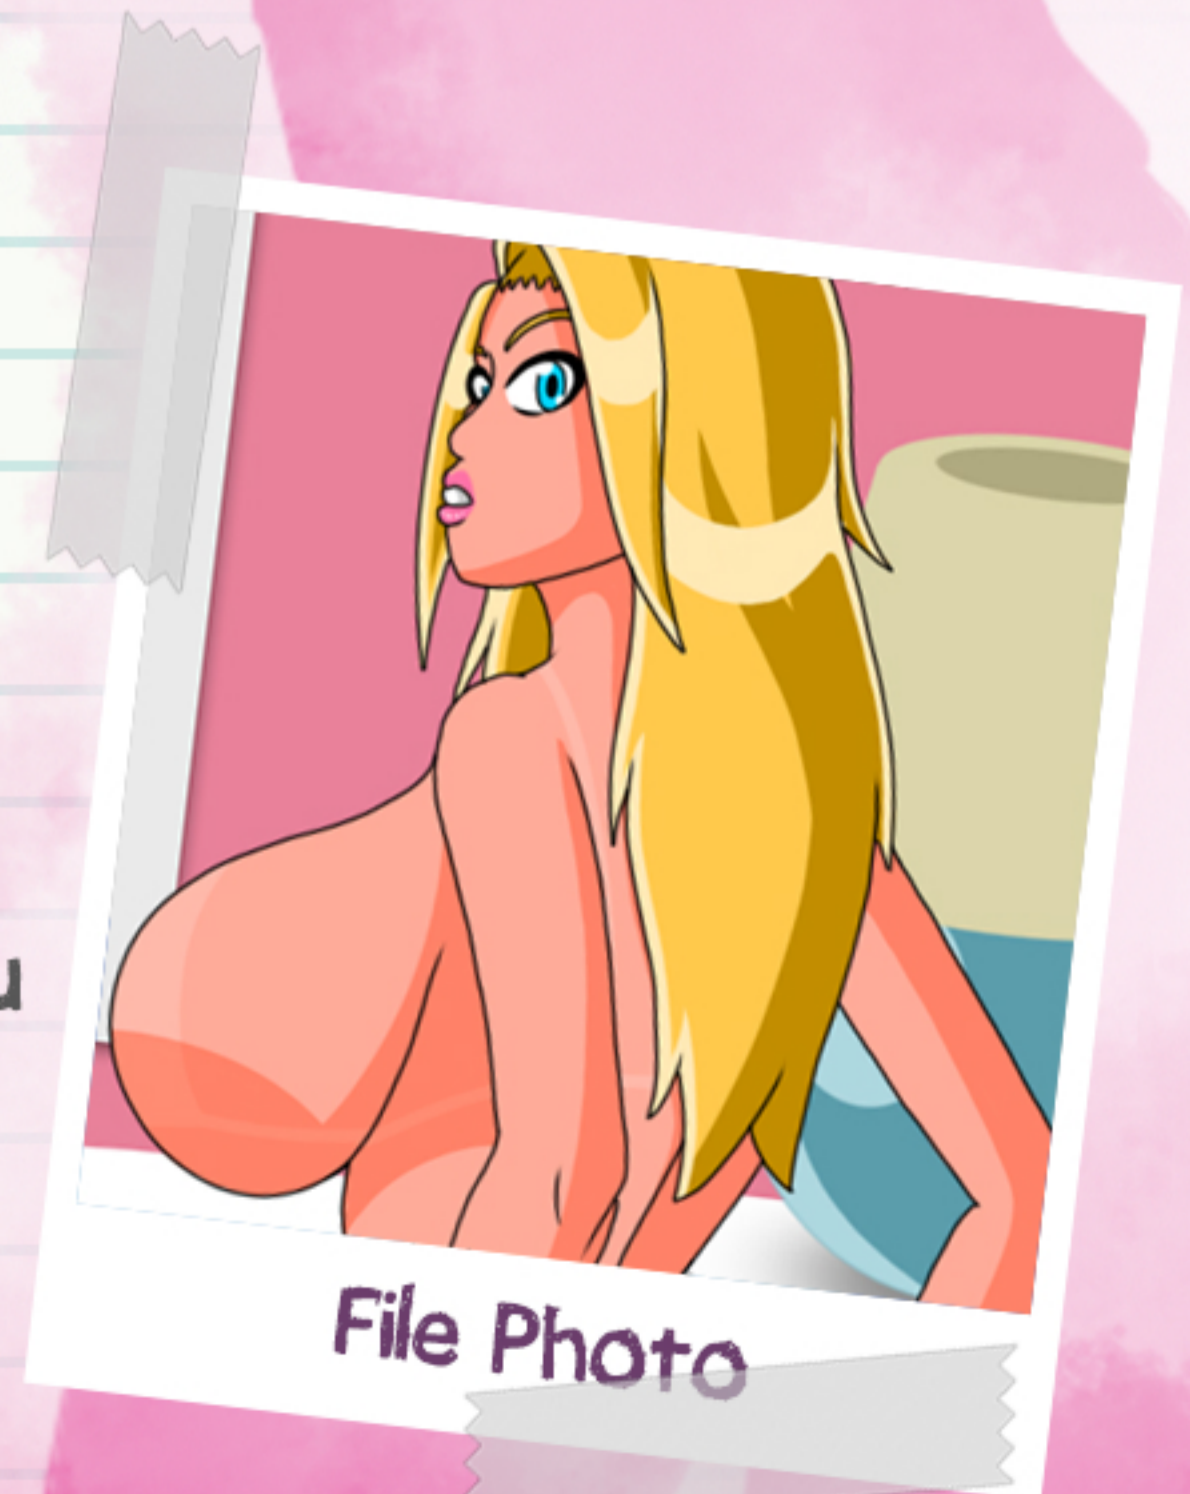

1.  Check his messages
2.  Read his emails
3.  Check all of his photos
4.  Delete his cloud
5.  Send the stuff to your sister

- Talk to your sister at the pool in the morning on the weekends.
- Visit your sister in her room when she's alone for your reward!

Bailey

- First I need you to come and ask me for advice about Bailey after your first day of school.
- Next, you need to listen to her conversation with Chad at the high school in the morning.
- Then listen in on Chad talking to his friend in the morning at the high school.
- Now you have to talk to Bailey in her room in the afternoon.
- Now you need to listen to Bailey talk to your sister when they are both in your sister's room on Wednesday in the afternoon.
- Next, you need to watch Bailey, Chloe, and your sister at cheer practice at the football field in the middle of the day.
- Then you have to listen in on Bailey and your sister in the morning at the high school again.
- Next you need to visit Chad at football practice in the middle of the day at the football field.
- Now you need to take the drugs out of Chad's locker. You can find keys to unlock his locker in the supply closet located in the locker rooms at the football field.
- Go into the living room on Friday night to go to the football game.
- Talk to Chad and Bailey after the football game. If you need a weapon, grab a baseball bat from the supply closet in the locker room.
