

Welcome to the walk through for update 2.6!

Confidence points and **dating** stats will effect more in this update

Day 26

[First class]

Math class

IF mc is **dating** maude than mc will invite maude for the party

Or

Else marcus will invite her

Party events

Party intro

If mc is **dating** sunny the they both will go to the party together

Or else

Mc will go alone

Bartending competition between maude and triss

The girl with the most **points** will win and the loser will kiss james

It will have different scene of either one of them winning and losing

Card game

IF mc has good **confidence** than he will be able to passionately kiss TRISS

Or else

He will have different funny scene

Marcus stripping for emma will also have different outcome

Will depend on whether marcus has **fucked** emma earlier or not

If **fucked** earlier than emma will accept to dance with him or else she will ignore

Seven minutes in heaven event

For this to trigger mc must have fucked emma earlier

To have threesome mc must have 10+ likes points with sophie

Guessing game

For this to trigger marcus must fucked emma earlier

Later on mc will have a option which will effect later on event in future updates

Whether he like ntr or not. He will have a choice

Important note

Ending of the party will be added in the next update with few more extras scene in the party event. The party event can look a little rough. It will be fixed in the next update with the ending added.

Day 27

[Tanning at Liza's]

Is divided in to 2 path

If earlier mc has sex with liza than she will have some teasing scene with mc or

Else

Nothing will happen

[Movie with tracy]

Is divided in to 2 path

In alpha

If mc have decent **love** for tracy or if tracy has **bj** to mc earlier than

She will give mc **HJ**

IN **beta**

Nothing will happen

But

If

Mc has dreamed about marcus and tracy then he will have another **dream** involving Tracy and marcus

Thank you for your continued support!
