Saying you are monogamous might lead to a break up later on, if you are romancing someone else

After a week Kira will tell you about her pregnancy , after two she will start showing and after three you can visit her in her room to have scenes, fourth she will give birth.

(If you are in the harem route you need to advance the other girls and exhaust their non pregnancy content)

You can also offer Kira to become either a sheriff or a guard when she is not pregnant and at breakfast you will head to the settlement together. Starting from there you can visit her there for scenes.

Visit Angela after you have reached the repeatable content with Kira and Melisa

Saying you are monogamous might lead to a break up later on, if you are romancing someone else

To access pregnancy content you need to wait a week after knocking her up. She will tell you about it.

On the third week you can access her scenes, for that visit her room after her belly grows.

On the fourth week she will give birth and you can talk with her about the child and name it in her room.

To access the work related content, you need to propose to have her work, either after or before pregnancy and be the mayor. You may only choose one occupation for her.

After you talk with her in her room and chose your job, you need to wait for the next day.

If you have the clinic job, you need to revisit her either at day or night in the settlement.

As a secretary you can call her in, when you're at the office.

Main Route

Main Route:

Unlock Main Story up until settlement

Finish all the Jay content (Reject or handjob)

Work at the bar and encounter Tiffany at night

Search for Perry

Hunt For Perry

Companion Choice - Kira will always kill him, Elin will always arrest, Android will give you either option, going alone will require the flipknife to arrest Perry and his gang

Results of choices - (Kill - Jay will support you in the future, Arrest - John will support you in the future, Exile - Future Area will be less mutated)

For Jay Support - Either eat out or work 5 days | John Support, Arrest Perry or return his stash. Return his stash anyway if you arrested Perry, for a future discount

Go speak with Elin to become the mayor

- Mayor Options unlocked
- Build Watch Towers for more money for brothel
- Build the brothel for additional income (+50 and +25 with watchtowers)
- Build the greenhouse
- Build the garage (Unlockable after building either brothel or greenhouse)

Go visit the clinic after you become the mayor -

If you romanced Angela or all of them and have given her any job you can progress.

If you have given her the clinic job you need to wait for her to discover something weird about John

Otherwise you only need to become the mayor and visit the clinic there you should encounter the real doctor

- Car will be repaired after two days
- You can move to the cave, plane, settlement or the military base for now

Rejecting her deal will lead to an earlier bad ending

Accepting will allow you more time, and the operation will give the option to strengthen the settlement

You can also begin with the operations in the armory. They will boost your defenses for the final battle.

Dagger/Banditleader Route

Dagger Route:

- After another week the banditleader will come back once more, accept her offer and go with her
- Have sex
- Drive to her camp again through the car menu and then count the bandits
- Drive there again
