That's about it.

# UPDATE 0.4

## AFTER HOME PARTY

The update starts with Matt having a dream. If he had sex with Mia (or at least masturbation in the toilet), then he will see one dream. And if he went to bed without removing the sexual tension, it is quite different.

The most “erotic” option is first to **watch porn** (+1 Arousal) on the **laptop**, and then lie down on the **bed**. Then there will be a **hot spot** in the crotch of Anna. Click on it. You will see Anna masturbating, but it will reduce her arousal (-1 Arousal)

## MIA'S HOUSE

Further, you can choose **any options**. After the scene in the cafe, *(if you accepted Mia's request)* choose the option to **call Mia**.

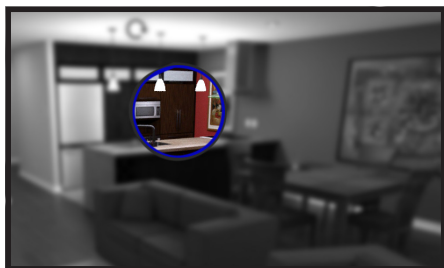

Matt will set up a meeting with Mia at her place. When you find yourself in her apartment, go to her **bedroom**.

It is located on the second floor. Will you have sex with her this time or not it depends on what *choice you made in the gym*.

## ANNA'S APARTMENT

When you play for Anna again, you need to click on the **laptop** again. Watch Sheila and Tony (+1 Arousal) After observation, go to **bed**.

If you want to watch a sex scene, choose the option "**seduce**". When control goes to Matt, you need to delay as much as possible.

**Do not take the keys to the office immediately**, and take them only after Matt tries to open the door to the office. Every time you go through the **utility room**, watch the keyhole for Anna and Dave.

When you enter the office, set up **cameras** (*hot spots will be highlighted*) and install spyware on Christopher's **computer**. When you see the selection, then choose "**do the work carefully**".

If you rejected her request in update 0.3, then you will have the opportunity to change your mind.

During sex, pay attention to the **hot spots**.

If Matt saw [Randy having sex with Emily](#) at the club, then he will have the opportunity to make Mia anal fisting. If he didn't see that scene, only vaginal.

If you won **both tennis** matches on the court, as well as **two times slept** with Mia before, then Mia will not be against anal fisting.

If there were no victories at all, this scene will be skipped.

After Matt and Mia arrived Mia's house, you can choose **“walk Mia home”** option. In this case, next scene will be the scene of sex in Mia's house.

## MIA'S HOUSE

*If Anna doesn't recommend Demi to meet Randy again, there won't be a nightclub scene later. If Anna refuses to accompany Demi on a date, the nightclub scene will pass without her.*

When Demi goes to the toilet, pay attention to **arguing people**.

## TOWARDS THE CITY

On the embankment go towards the city. In the Parking lot near the casino, you will find **Matt's car**.

Here you can immediately drive home, or you can go to the **casino**. Near the entrance to the casino Matt will meet **Serena**.

**Talk to her. During the conversation, choose the following answers:**

1. I came to admire the views
2. Why are you so sad?
3. Say something funny

If you did everything right, then Serena will ask Matt to take her home.

## PATTI'S HOUSE

After training, Patty needs to wait for Ramon to change.

First, however, Patti will be able to spy on Ramon in the **bathroom**. The bathroom is on the second floor.

### To wait for Ramon you can use:

1. Sofa in the room where there is an easel
2. TV in the living room on the ground floor

# NIGHT CLUB

## ANNA AND MATT IN THE CLUB

For this scenario, in update 0.6 Anna must advise Demi to go on a date with Randy, and **agree to keep her company**. Matt should answer the phone during lunch and **agree to keep Randy company**.

In this scenario, Matt will start a conversation with Randy while they wait for the girls. Choose **any option**.

When ordering drinks, ask **what kind of special drinks** takes place in this club for VIP clients.

After that, select the option **“make a cocktail”**. During the preparation of the cocktail, one of the ingredients, select drink with **Eleutherococcus** (bottle with skull).

After this Matt can try to **hug Anna**. It will not affect anything in the Update 0.6, but it will affect the following updates.

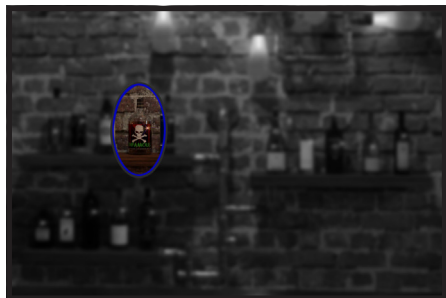

### SEX SCENE *Matt and Emily*

After the dance, Matt needs to find Emily at the club (She is sitting at the table near the bar).

**During a conversation with her, select the following options:**

1. What are you doing in the club tonight?
2. How often do you visit this place?
3. Why don't you dance?

Matt needs to choose at least 2 of these options. If Matt complimented Emily in the tennis club, it will be enough only one right option to proceed conversation.

If you did everything correctly, there will be the option **“offer her a drink.”** Select it. Then go to the lounge bar. There again make a cocktail with **Eleutherococcus** (*a bottle with a skull*) for yourself and for Emily.

You can also choose any drink **stronger than beer**. That should be enough to convince Emily to go with you, but in this case, Matt will have more restrictions during communication with Emily.

After Emily tastes alcohol (stronger than beer), she will agree to go with Matt to a more secluded place.

During sex, watch for glowing dots.

If Matt saw Emily fucking in the locker room with Randy in update 0.5, and if he ordered an **Eleutherococcus cocktail for himself and for Emily**, then he will have the opportunity to have anal sex with Emily. To do this, you need to not miss a single glowing point.

## **SEX SCENE** *Anna, Demi and Randy*

After dancing Anna needs to go to the lounge and use a **couch** for waiting. Here she can **finish her drink**.

The more she drinks, the less she controls her behavior. (*if Matt choose cocktail with eleuterococus for her, the bottle with the skull*).

When Demi and Randy appear, select **“join them”**. (*if Matt chose a cocktail with eleuterococus, then this option will appear*)

The next scene will be the scene in the hotel.

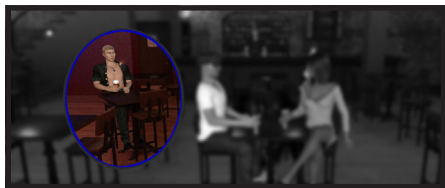

You can try different options in the hotel room. The most “rough” of them will come if Anna did **not let Demi go from work** in update 0.4.

*You can use auto-saves to go through this scene again. It is enough to go through only one scene and the necessary variables will be saved. You do not need to go through the whole game again.*

## SEX SCENE *Anna and club's customer*

Anna also has the opportunity to have sex with one of the club's customer. To do this, Matt has to order a **cocktail with Eleutherococcus** for her.

Then Anna must drink this cocktail **entirely**. She will have this opportunity when she leaves the dance floor and returns to the table in the VIP box.

After that, she needs to go down and near the dance floor to talk to a visitor in a black shirt and with a glass of beer in his hand.

### **In the dialog with him you need to use the following replicas:**

1. I need a man's attention.
2. None of those guys are my type
3. Touch him
4. Do it in the bathroom

During sex, shining **spots will appear**, clicking on which the picture will change.

After having sex with a stranger, Anna can go back to Demi and Randy.

**SEX SCENE** *Anna and Dave*

She can also **leave the club** and go home or to security guard Dave. What to do in this case will be described below.

It's simple. Go to the office and **talk to the guard**.

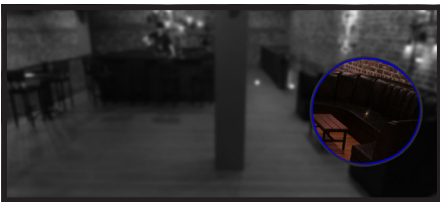

During sex, watch for **glowing dots**.

**SEX SCENE** *Anna and Brandon*

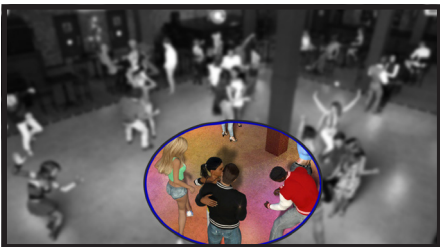

Anna also has the opportunity to have sex with Brandon. To do this, Matt has to order a **cocktail with Eleutherococcus** for her.

After dancing Matt needs to wait at the **table near the bar**.

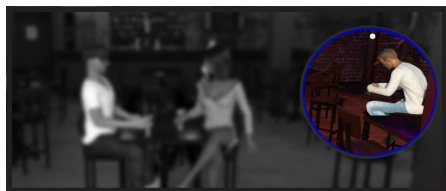

After dancing Anna needs to **go to the lounge** and use a couch for waiting. Here she should **finish her drink**.

After this, she needs to **look at the dance floor**. Namely at Sheila, Tony, Brandon and Claire.

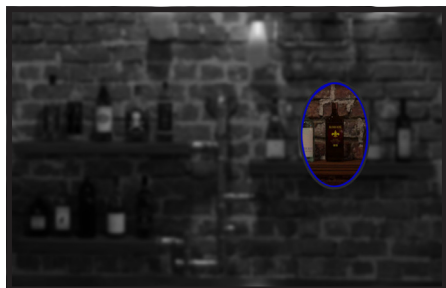

After this, she needs to go to Matt and talk to him.

Then Matt goes to the DJ booth and talks to DJ. After the dialog with the DJ Matt goes to the VIP box bar and chooses **“Book drink for DJ”**, **“Make a cocktail”**.

During the preparation of the cocktail, one of the ingredients must be a bottle, which is located in the right row **exactly in the middle** (*The bottle is dark in color with a yellow sheet in the middle*).

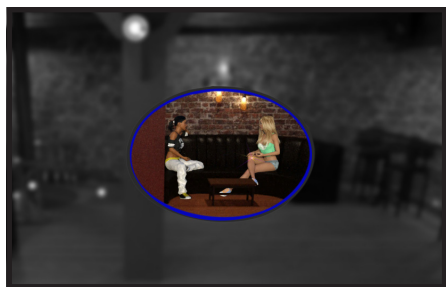

Then go back to DJ. He changes the music.

Go back to Anna. After a short conversation, the control goes to Anna. She should join Brandon and Tony on the **dancefloor**.

## SEX SCENE *Matt and Claire*

The same as in **“Anna and Brandon’s sex scene”**. When Anna leaves the club with Brandon, you start to play as Matt.

Matt needs to talk with Sheila and Claire. During conversation choose option **“Offer them something to drink”**. Then go to the VIP box bar.

“**Book drink for Sheila**” and “**Book drink for Claire**”. You can choose anything you want. But if you choose “make a cocktail” and one of the ingredients a bottle with a **black cat** on the label (*Bottom row, second bottle on the left*), the girl will sleep during sex scenes.

Then go back to girls and talk to them. After SMS from Anna talk to Claire. If you choose for Claire “**make a cocktail**” and one of the ingredients a bottle with a black cat on the label, Claire will sleep during the sex scene.

After sex with Claire, you can check the cameras. There will be a scene between Sheila and Tony.

If you choose for Sheila “**make a cocktail**” and one of the ingredients a bottle with a black cat on the label, Sheila will also sleep during the sex scene.

## SEX SCENE *Sheila, Tony and Brandon*

***The same as above*** but this time Anna has to **leave Brandon in the hotel**. She will be able to do this only if she reduced her lust by having sex with the guy in the black shirt. And Matt has to make a cocktail for Sheila with the **black cat label bottle**. When Anna or Matt check cameras, they will see this scene.

## ANNA IN THE CLUB

*For this scenario, in update 0.6 Anna must advise Demi to go on a date with Randy, and **agree to keep her company**. Matt should **refuse to keep Randy company** or just not to respond to phone call during the lunch.*

In this case, Ramon automatically chooses a cocktail with **Eleutherococcus** and all that is required from Anna drink all of the cocktail.

She will have such an opportunity after their returning from the dance floor. When Anna **drinks the cocktail to the end**, she has the option of going to the hotel with Randy, Demi, and Ramon.

She can also refuse and go home or to the **security guard Dave**. She will also have the opportunity to have sex with a **stranger in the toilet**. (described slightly higher)

### **SEX SCENE** *Anna, Ramon, Randy and Demi*

During sex, watch for **shining spots**.

When there is an opportunity to **change partners**, Anna should take advantage of this opportunity.

If in the prologue she had group sex with the **partner and the taxi driver**, she will agree to repeat it with Ramon and Randy. *(But only if Anna finished her Eleutherococcus cocktail, and if she DIDN't have sex with a stranger in the toilet.)*

### **SEX SCENE** *Anna and Ramon*

For this, she needs to **refuse Randys's offer** and **ask Ramon to walk her home**. During the sex scene, Anna and Ramon wake Matt.

After this Matt has the opportunity to check security cameras. There he can watch the scene between Sheila and Tony, Claire and Brandon. And also scene with **Sheila, Brandon and Tony**.

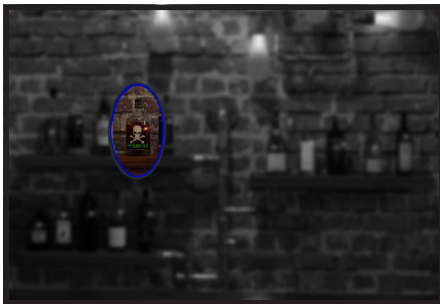

To achieve this scene, Anna has to **leave Ramon on the sofa** after having her cocktail drunk and look at Sheila, Claire, Brandon, and Tony dancing.

Then she needs to go to Ramon again and ask him for help. After their dialogue, Anna has to **seduce the guy in the black shirt** to reduce her lust. Then, she needs to **join Brandon and Tony** on the dancefloor. In the hotel, Anna has to **change her mind** and leave Brandon.

At home, she needs to **check security cameras**. While observation Anna will see that Sheila slept during the sex with Tony because Ramon regaled her the cocktail with a ‘sleeping ingredient

## MATT IN THE CLUB

*For this scenario, in update 0.6 Anna must advise Demi to go on a date with Randy, and **not to agree to keep her company**. Matt should answer the phone during the lunch and **agree keep Randy company**.*

To achieve the best possible result, Matt needs to choose the option **“what kind of offer?”** while ordering drinks. And then **“Make a cocktail”**.

During the preparation of the cocktail, one of the ingredients, select drink with **Eleutherococcus** (bottle with skull). After Matt ordered a cocktail for Emily, he needs to order a cocktail for himself (*also with Eleutherococcus*).

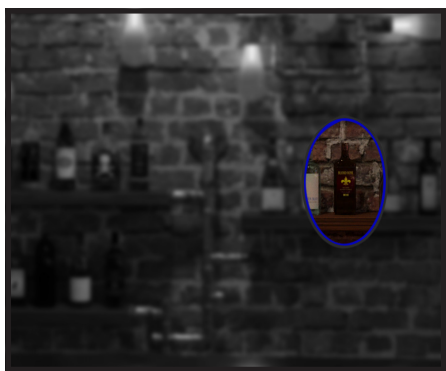

During the conversation, Matt will need to **hug Emily**.

During the dance, select **“Talk to Emily”**, **“do you like the music in this club?”**.

Then leave the dance floor and **go to the DJ**. There, Matt needs to ask the DJ to change track. DJ agrees, but on the condition that Matt will bring him the **“special” drink**.

This drink is a cocktail made by yourself **in the bar**, which is located in the **VIP box**. Only this time one of the ingredients must be a bottle, which is located in the **right row exactly in the middle**.  
*(The bottle is dark in color with a yellow sheet in the middle)*

Then **go back to the DJ** and he will change the track.

*Attention!: if you choose any other drink, the DJ will drink it, but he will not change the audio track. However, Matt will have an opportunity to try again. If Matt makes too many tries, he'll end up getting DJ drunk, and quest will not be completed.*

After changing the music, return to the dance floor, select **“dance”**, and then **“Invite her upstairs”**, **“Make up a story”**, **“Caress Emily”**. After the option **“Caress Emily”** you will need to find the **shining spots** on the picture.

After Randy and Demi returned, Matt would be able to **finish his drink**. He needs to use this opportunity. To do this, click on the **shining spot** near the table. Emily would finish her drink with him.

After that, Randy will offer to go to the hotel. If Matt did everything right, Emily would agree to **go to the hotel**.

If any of the above was not done, **Emily will refuse** to go to the hotel and will only agree to go to Matt's house.

If a lot of mistakes were made, she would leave the club, **leaving Matt alone**.

In this case Matt will have to leave the club. It can be done in two ways - either go through the door, or drink too much alcohol and then the guards will take out drunk Matt.

## **SEX SCENE** *Matt, Randy, Demi and Emily*

During sex, watch for **shining spots**.

When there's an opportunity to **switch partners**, Matt should seize this opportunity.

During sex with Demi, Matt needs to periodically look at the other couple and at one point he will notice that Emily is watching him. If the nightclub was done correctly, then Matt will have the opportunity to engage in group sex with Emily and Randy.

After he approaches Randy and Emily, he will need to find a **glowing point** on Emily's body for the scene to continue.

## ANNA'S HOME.

Take a shower and go to bed. If Anna drank the whole cocktail with **Eleutherococcus**, then she will not be able to sleep.

She would have to turn to **Britney for help**. During sex, watch for **glowing dots**.

After the update 0.7 Anna has the opportunity to observe what Sheila and her friends are doing after the night club. To do this, you need to use her laptop and select the **“Surveillance”** option.

## MATT'S HOME

After the update 0.7, Matt has the opportunity to **watch** what Sheila and her friends are doing after the night club. To do this, you need to use his laptop and select the **“Surveillance”** option.

All this can only be done if Matt has not drunk too much alcohol at the club.

Otherwise, he would go straight to bed.

After taking tools and cameras, you can leave the apartment.

## IN THE CAR WITH RAMON

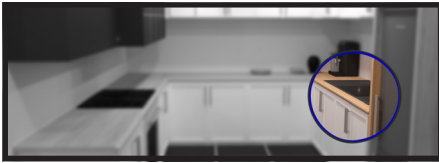

During a conversation with Ramon, Anna needs to **choose what rules** Ramon and Matt will be fighting. This choice depends on how Anna and Matt will train. So as Ramon.

## ANNA'S APARTMENT

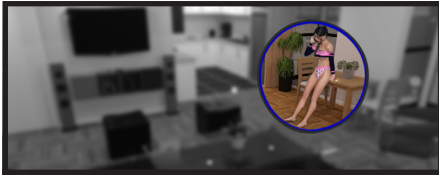

In Anna's apartment, first, click on the **wardrobe** in the bedroom, and then on the **refrigerator**. After lunch, click on the **laptop** in the kitchen.

## MIA'S HOUSE

When Matt is on the threshold of Mia's apartment, knock on the door. After a little dialogue, Matt will be able to **set up surveillance cameras** in all rooms except the kitchen and living room. To install cameras in the remaining rooms

Matt needs Mia to change her location. There are two ways to do this. First, just start **fixing the tap** in the kitchen.

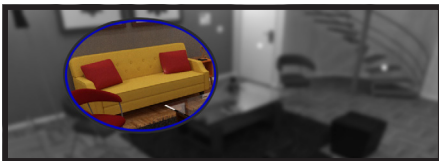

Second, start **pestering Mia** while she's on the phone. *(This option is possible if Matt and Mia agreed to do "trainings").*

You should also **carefully examine** the **extra bedroom** in Mia's apartment, and then you can understand what Mia was doing before Matt came.

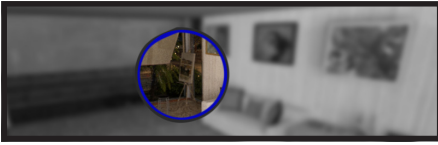

After Matt **fixes the faucet** and sets up all the **cameras**, he will be able to leave Mia's apartment. But he could also stay and wait for Mia to finish speaking on the phone.

To do this, click on the **sofa** in the **living room**. If you decide to wait, then, in that case, Matt will not be able

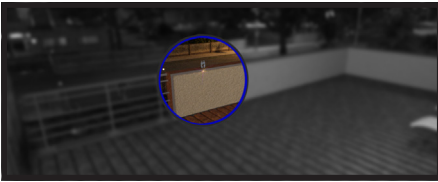

to escape sex with Mia, regardless of whether he agreed to “trainings” or not. During sex, watch for glowing spots.

## PATTI'S HOUSE

After talking with Chris, Patti needs a little work. To do this, find an easel in the **workshop** on the second floor.

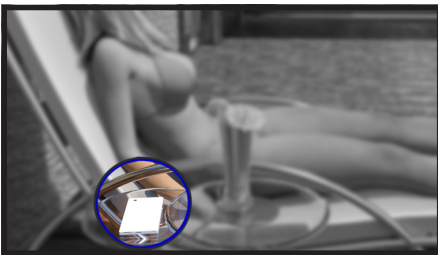

Then go to the bedroom and click on the **wardrobe**. After changing, go to the kitchen and click on the **refrigerator**.

Then go on the balcony, where sunbeds are. Before using the sunbeds for their intended purpose, click on the **binoculars**.

You will see a scene of Serena having sex with her friend. After that, Patti can finally **bask in the sun**.

Respond to an incoming message, by clicking on the **phone** image. Rate Randy's photo **4 or 5**. When he asks Patti to take a topless photo, she should **agree** (*this will affect further progress*).

After talking to Randy, go to the bedroom and click on the **bed**.

During the sex of Britney and Patti watch for **glowing spots**.

# UPDATE 0.9

## MATT'S HOUSE

After returning home from Mia, Matt got to watch the recordings from **surveillance cameras**.

## IN THE GYM

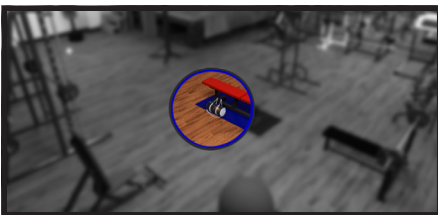

In the gym, after the opening scene, click the cursor on a **punching bag**. For the training to be successful, Matt needs to remember his first training session with Anna.

**Namely, which stroke corresponds to each digit.**

1. left straight
2. right straight
3. left hook
4. right hook
5. left uppercut
6. right uppercut
7. pulling away
8. bobbing
9. left kick
10. right kick

If Matt remembers at least half of the strokes correctly, then this training will go to his credit. This will have a **positive impact** on his ability to fight Ramon.

When the phone rings, click the mouse cursor on the **sports bag**.

After talking to Anna, take your bag and leave the gym.

## ON THE BEACH

When Matt arrives at the waterfront, go to the beach. On the beach, don't forget to **take a look at Sheila**.

You will also have the opportunity to talk to **Emily** and her new **boyfriend, Taylor and Ella, Dave**, and his **wife**.

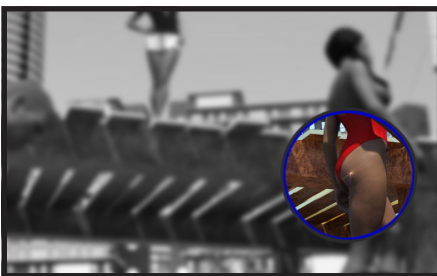

To find **Dave**, you need to go to the farthest **beach corner**.

Then go up to the **lifeguard tower**.

Before using the whistle, Anna should **inspect the beach**. This way, you will learn Anna's opinion about beach visitors.

When Matt and Demi will be on the other side of the boat, in conversation with her, select the option **"Touch Demi's raw nerve"**.

In this case, Demi will try to prove to Matt that she is not insensitive. After returning to the beach, Matt will have the opportunity to **assess the shape** of the Demi (*there will be a glowing point*).

In the conversation between Matt with Anna on the pier, **choose those options which you prefer**.

But remember that they will **affect the future**. You will learn how in the following updates.

After the conversation, **go back to the car** on the embankment.

## RAMON'S APARTMENT

During sex of Anna and Ramon, do not forget about the **glowing spots**.

## SERENA'S HOUSE

In the conversation between Matt and Serena, **choose those options which you prefer**. But remember that they will **affect the future**. You will learn how in the following updates. A particularly important moment will be when Serena **lights a cigarette**.

If you want to make Matt more likable for Serena, then he should be hurry to **hug her**. If he doesn't hug her in time, it will make it very difficult for him to win the heart of Serena *(and not just the heart)*

When Serena begins to “thank” Matt, don't forget about the **glowing dots**.

## PATTI'S HOUSE

After painting the picture, Patti needs to go to the kitchen and open the **refrigerator** to make a **drink**.

As usual, in such situations, it is better to choose a cocktail of **three components**, among which will be **Eleutherococcus** (a bottle with a skull).

After selecting a drink, go to the living room and click the mouse cursor **on the TV**. After talking to Randy, Patti needs to go to the bedroom and there **open the wardrobe**.

If Patti chose a cocktail with Eleutherococcus, then she will have the courage to have **anal sex with Randy**.

## MATT'S HOUSE

Returning home, Matt will need to immediately **go to sleep**. To do this, click the cursor on the bed. However, the neighbors screams won't let Matt fall asleep (*who do you think is making so much noise?*).

But Matt has **earplugs**. They are located in the chest, which stands in the **middle of the room**. Taking earplugs, Matt can **go to bed**.

## ADDITIONAL SCENE

To get into the addition of update 0.9, after a working day, Anna must **refuse Ramon** and not go with him to his home to sign a contract.

The longer she drags out the time while communicating with Ramon in his car, the more excited she will be, and therefore the more events will be waiting for her in the additional scene. To get as excited as possible, Anna needs to **refuse Ramon** at the very last moment, when the time scale appears.

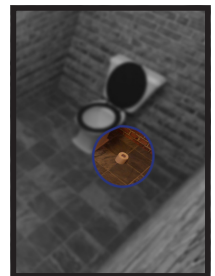

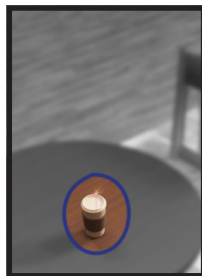

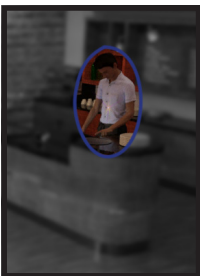

After all events of update 0.9 are completed, Anna will find herself in the cafe where she and Demi are resting after work.

The first thing she will need to do is to immobilize Vince and Nick's motorcycles. To do this, she will need **paper and a wrench**.

### The paper can be obtained in the following ways

1. ask the bartender
2. finish your tea and use the cup as paper
3. ask for a napkin from bikers
4. take paper in the toilet

The option with the cup is most preferable since it will open up additional opportunities for Anna in the future. However, even if you have chosen other options, then these opportunities will not be lost. Anna will only need to **drink her tea** when she has the chance.

After Anna has the paper, go to the motorcycles. There it will turn out that the wire clamps are tightly tightened, and it will not be possible to loosen them without a wrench.

The wrench must be **taken from the builder** on the square near the cafe.

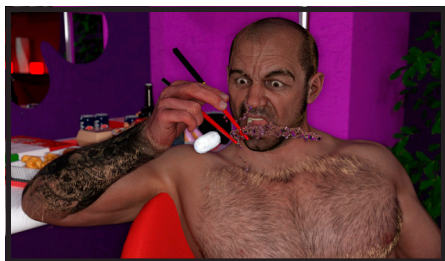

After Anna immobilizes the motorcycles, she goes back to the cafe for a table. There you will need to **enter a password** to log in to the Wi-Fi network.

The password is the word **“tenacity”**. You can see it in the mirror image in the men’s toilet.

After learning the necessary information about bikers, go to them on the square. Anna will have to explain to them what happened to their bikes.

During the sex scene, do not forget to look for **glowing dots** on the monitor to see additional images.

During one of the scenes, provided that Anna **drank her tea** in the cafe, she will experience an **orgasm**. It will depend on you where to direct the outgoing flow of liquid.

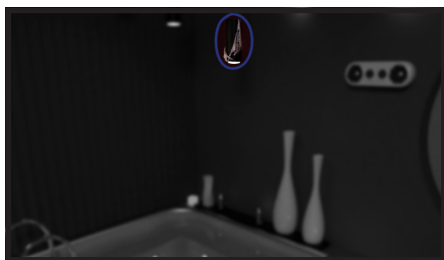

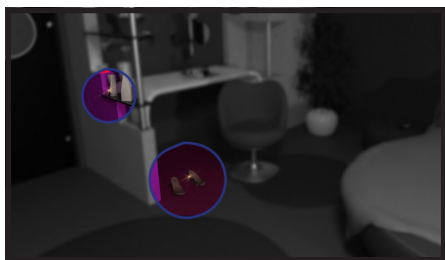

**You will have several targets to choose from:**

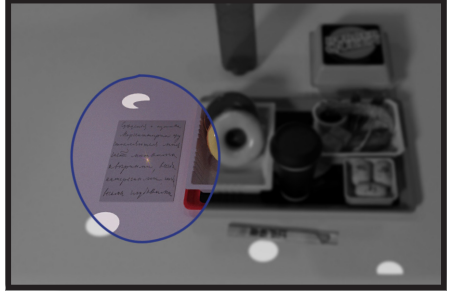

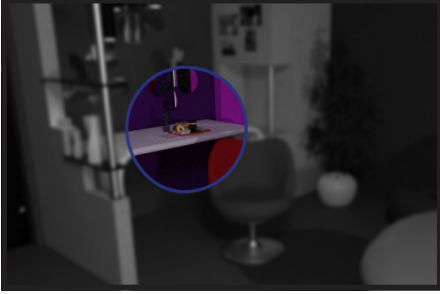

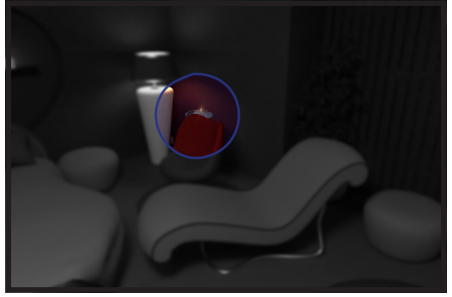

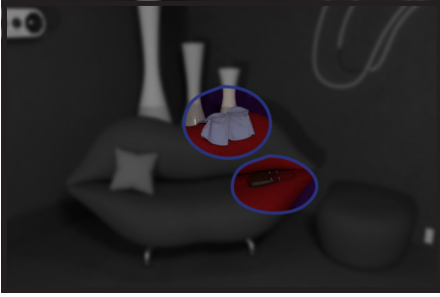

1. a flower pot;
2. Vincent's boot;
3. an urn;
4. a sushi roll that Nick was preparing to taste. *In order to open an additional scene, you need to get into a sushi roll.*

In this case, you will see a scene of threesome sex between Anna and the bikers. If Anna **refused Ramon** at the very last moment, this scene will be accompanied by **double penetration**.

After Vince and Nick leave the hotel, Anna will need to **collect all her clothes**.

**Sunglasses** are on one of the shelves right at the entrance to the hotel room. The **panties** are located on one of the lamps above the pool. A **shirt** and a **bag** on the sofa near the TV. The **shorts** are on a vase in the corner of the room. **Shoes** - under the table where breakfast is located. On the same table, there is a **note** that Anna needs to read before leaving the room.

## ON THE BEACH

If you want to achieve the favor of Sheila, then in a conversation with her in the park, **Matt should choose the following options:**

- 1. I got it over it (*When Sheila asks how Matt feels after the divorce*)
- 2. Tell her about your new job
- 3. Wish her good luck in French

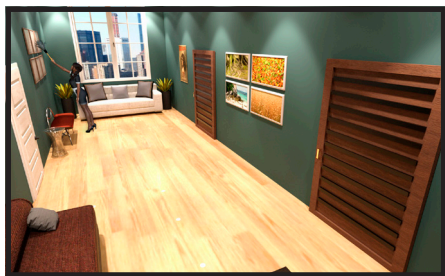

If you do everything right, Matt will witness the scene that Sheila will throw in the shower in his honor.

The format of Anna and Brandon's conversation on the beach will depend on what choices you made earlier. If Anna decided that Matt fighting Ramon according to the rules of **mixed martial arts**, then she will ask Brandon to help her prepare her ward. For a certain fee, of course.

## PENTHOUSE

In the Williams house, when Patti leaves Chris's office, you need to **find the bar counter**. It is located in the living room next to the pool. As usual, you will have to choose a drink for her. And as usual, to achieve maximum excitement, you should choose a cocktail, one of the ingredients of which should be **Eleutherococcus** (*bottle with a skull*).

will not find anyone there. Go out and go in again Britney will appear there. **Talk to her.**

After Patti has made a firm decision to follow Chris's advice to borrow Sheila's swimsuit, go to the **second floor** of the mansion in the corridor, which is further from the elevator. When you go there for the first time, you

When Patti is in Sheila's bedroom, she needs to find the **wardrobe** of the mistress of the room. It is located next to the bathroom door. However, Patti's abilities are not limited to this only.

She can also look at the **bookshelf** and find a **dildo** there. After finding this item, Patti will have a choice: to **re-hide** it or **leave it in place**.

Despite the seeming frivolity of this dilemma, a lot will depend on this choice further in the game (*in the current update and in subsequent ones*), so think carefully about which option to choose.

If you decide to **re-hide** the toy, then you should put it under the bed. **A glowing dot will appear there** (*In future updates, you will understand why this choice is very, very important.*)

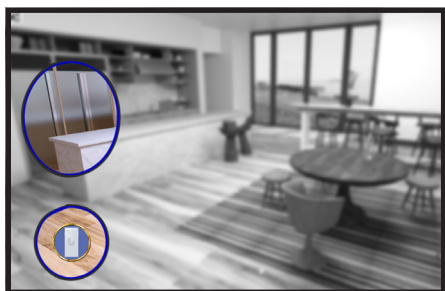

Next to the toy, there will be a **mask**, clicking on which, you will find out what Patti thinks about it.

Then **leave** the bedroom and talk to Britney.

While in the pool, Patti needs to answer the text message that Randy sent her. To do this, **click on the phone**, which is lying on the floor near the pool.

If Patti drank a cocktail with Eleutherococcus, she will come up with a couple of interesting ideas. First - sending Randy an even more **intimate photo** than was taken a little earlier, and second - shooting a **candid video** for her lover. The video can be made in two places of the mansion - in the **kitchen** and in the **toilet**, located on the second floor.

After entering these rooms, a **phone icon** will appear in the lower-left corner, clicking on which, the video shooting scene will begin. If you have chosen a **kitchen**, you will also need to click on the **refrigerator**.

If your choice fell on the **toilet** on the second floor, then for this shooting, Patti will need the item that she found earlier in Sheila's room (**dildo**). If Patti hasn't found it - the

phone icon will not appear in the toilet. To pick up the **dildo** go to **Sheila's bedroom**. If Patti has hidden the toy, look for it under the bed.

If she left it in place, then look for it on the **bookshelf**. But if the conversation between Sheila and Matt in the park went according to the **above scenario** (Matt chose the options, according to this guide), then Patti will not find anything but books on the shelf, and then she will have to shoot a video in the **kitchen**. Whether or not Patti was drinking an Eleutherococcus cocktail, whether or not she was making a video for Randy - to proceed with the story, she needs to take a **shower** on the second floor of the mansion, and then go to William's office.

If Patti **didn't shoot the video**, then she'll run into Heidi in the office.

If Patti **drank a cocktail** with Eleutherococcus, then she will have an additional option to occupy herself during the family showdown between Chris and Sheila. During the sex scene, do not forget about the **glowing dots**.

## MATT'S HOUSE

After returning home from the park, Matt needs to have **lunch** by clicking on the **refrigerator**, and view the surveillance footage by clicking on the **laptop**.

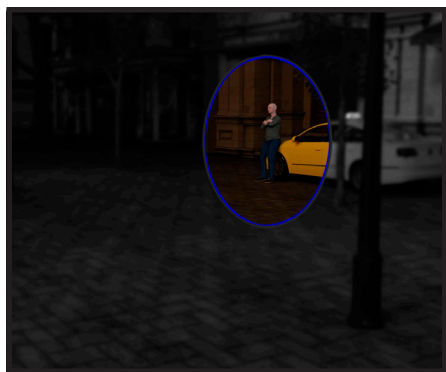

Next, you will have a choice to **watch** from the **beginning** or **continue** watching further. If you chose to view it from the very

beginning, then you will see the events in the mansion again, but only with Matt's comments. You will also see a couple of new images. Then everything is linear. The only point I would like to emphasize is that during the conversation between Tony and Brandon, for them to remember how they spent time with the sleeping Sheila after the club, you will need to go through the **scene in the nightclub** with this result again, to save the necessary variables. *(I had to make some corrections to this scene)*

## IN THE CAFE

In the cafe, during a conversation with Demi and Curtis, Anna will have only one choice - to **accompany** Demi and Curtis or **leave them alone**.

Even though Demi will want to be alone with Curtis in any case, this choice can still affect the further development of events. After the Demi and Curtis left Anna, she needs to **follow them**. To do this, talk to the remaining taxi driver on the embankment (**a glowing dot**)

## MATT'S HOUSE

After hearing a knock on the door, Matt needs to **open it (a glowing dot)**.

## CURTIS APARTMENT

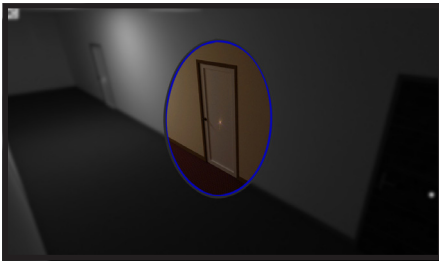

The scene in Curtis apartment can be completed in **several ways**. Be careful in your choice, because the scene is quite large, and there will be no auto-saves.

Anna's main task will be to break into Curtis apartment. There she should find out all his contacts. To do this, she needs to find his **phone** and **laptop**.

The **phone** will be on the table next to the sofa, on the **first floor** of the apartment. The **laptop** will be on the bedside table on the **second floor**.

If you want to do everything **quietly**, without being caught, then your actions should be as follows:

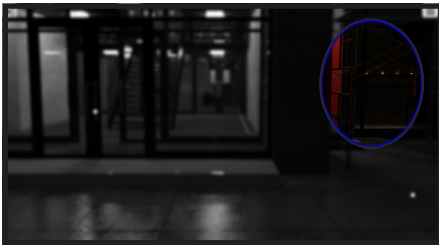

First of all, when you arrive at the place, I advise you to take a **taxi driver's business card**, as in this case, in future updates, Anna will have more opportunities. After that:

Go to the multi-story building where Curtis lives and go up to the **fourth floor**. In the corridor of the fourth floor, click on the **door** that is located closer to the entrance to the corridor.

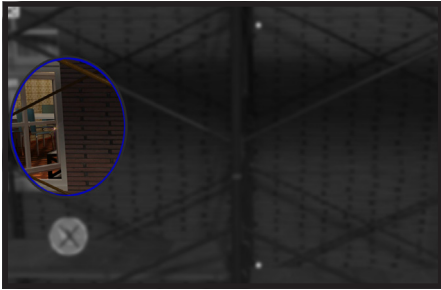

Looking through the keyhole, **do not rush** to get aesthetic pleasure from the sex scene - there is a much more convenient platform for this. It is located on the scaffolding right next to the window to Curtis apartment (**a glowing dot**).

After detecting the scaffolding, Anna decides that she can watch them from this alternative platform. To **watch the sex scene** from the scaffolding, go down and go outside. On the picture

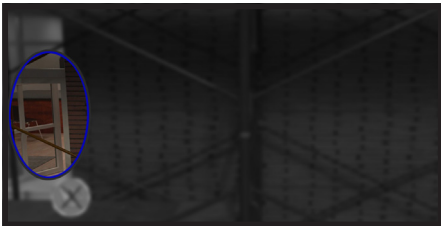

where the entrance to the house is captured, **a glowing dot will appear**. Click on it and Anna will climb the scaffolding.

In addition to Curtis, another character of the game lives in this house - **Benjamin**. The same representative of the landlord, which you could see in the Penthouse. His apartment is located on the **second floor**.

Anna can also look there from the scaffolding and see **Mia** and **Benjamin** there, who are settling the remaining issues regarding the exhibition. (**glowing dot next to the window on the second floor**)

If Matt and Mia **had sex in Update 0.9**, then Mia will simply leave Benjamin after the meeting ends. If Matt didn't pay attention to his former colleague in the last update, then Mia will seduce Benjamin. Anna will be able to observe this. Keep in mind that after watching the sex scene of Mia and Benjamin, Anna will miss a similar scene of Curtis and Demi.

If Anna **decides to watch** first the scene of Demi and Curtis (**glowing spot on the fourth floor**), then she misses the scene of Mia and Benjamin.

If Anna chose **observation** Curtis and Demi, then she will have three possibilities to enter the apartment during their sex scene without being caught (*the icon of the feet in the lower-left corner of the screen*):

- a) when they are in position 69;
- b) when Curtis is squatting on the table and Demi has her hands on the floor;
- c) during the second blow job, while both of Curtis ' hands are on Demi's head;

Each of these three possibilities assumes that Anna will **take off her shoes** (the icon in the lower-left corner with crossed-out shoes). If Anna **stays in her shoes**, Curtis and Demi will notice her anyway.

While in the apartment, click on the **phone** lying on the **table** and select the option **“take with you”**. If you choose another option, Curtis and Demi will notice Anna.

After that, go up to the second floor and check the **laptop**.

If Anna entered the apartment at the **(a) moment** then, after checking all Curtis ' contacts, she needs to go down to the floor below, and then leave the apartment, after putting the phone back in place.

At the same time, you'll a scene similar to the **moment with (c)** In case Anna snuck

into the apartment at moments **(b)** and **(c)**, then she will have to **hide** since the sex between Demi and Curtis came to an end and they began to head to the shower, which, like Anna, located on the **second floor**.

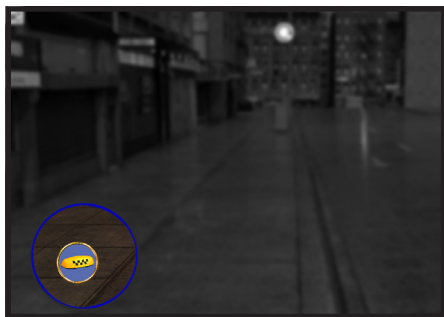

Anna can hide in two places. Both of these places will be marked with **glowing dots**. One of these places is behind the clothes, in the room where the **sink** is located, and the second is on the **balcony barrier**. Anna can hang on to it.

Once hidden, Anna can watch Demi and Curtis passing her. You can **find out** what she thinks about all of this. After that, you need to check the contacts and put the phone back in its place.

She will have to leave the same way, as it is necessary to **pick up the shoes**.

After getting out of the apartment, go to the place where the taxi driver brought Anna. In the lower-left corner, a **taxi icon** will appear, clicking on which Anna will go home.

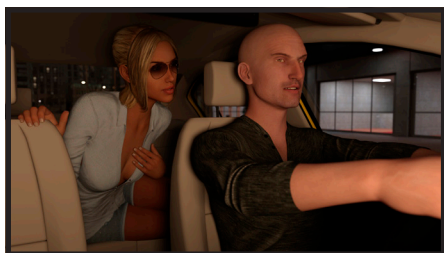

As you can see, it is quite difficult to avoid the eyes of Demi and Curtis. Well, if Anna gets caught, then she can not avoid a tirade from Demi, as well as the subsequent **punishment**.

How this punishment will take place will depend on the **choice** **Anna made in the cafe**, as well as on the moment when Anna was caught red-handed. *(If Anna hasn't taken off her shoes, Demi and Curtis will find her, even if they're in the shower)*

It is quite difficult to describe all the possible options for passing. A lot will depend on the sequence of your actions. I advise you to try different options and then to stop at the one that you like most. But keep in mind, if Anna is caught red-handed, it will affect her relationship with Demi. In what way? You will find out in the next updates.

## ADDITIONAL SCENE

In order to get into the update 0.10 additional scene, Anna needs to **take the business card** of the taxi driver in whose car she followed Demi and Curtis, and also **run into them** while collecting information in Curtis ' apartment.

If you did everything correctly, then on the way home, Anna will have the opportunity to seduce a taxi driver. To do this, she will need to ask him to **choose a different route**.

During the sex scene, do not forget to look for **glowing dots** on the monitor to see additional images.

During Anna's reasoning about which of her lovers copes best, a glowing dot will appear near the **trunk of the car**, clicking on which you will open the trunk. This, in turn, will open an additional sex scene between Anna and Dave.

If Curtis **worked his fingers** on Anna's ass before this scene, then she will want to have **anal sex** with a taxi driver.  
*(In order for Curtis to do this, in a cafe during a conversation with Demi, Anna must choose the option **"I'm going to keep you company"**)*

## **ANNA'S HOUSE**

10. At Anna's house, you can go straight to bed, or you can take a shower or bath before that. Once in bed, Anna will sum up the results of two working days and fall asleep.

A group of diverse people, including men and women of various ethnicities, are looking up at the camera in a circular arrangement. The image is in grayscale and has a soft, ethereal quality. The text "ENJOY YOUR GAME!" is centered in the middle of the image.
