This is not a complete walkthrough, it is a guide intended to help players progress through the game for more ease of earning achievements.

I'm not a coder. I did all the research by playing, and due to the hassle of loading saves on this game, I did not attempt to verify a lot of things, so there'll probably be some mistakes.

Progression

How you'll play the game depends on whether you want to have Manliness by the end of the game. *Manliness does not currently have an effect at the end* It may have an effect in future versions, but I'd imagine there a way to increase it rapidly would also be added. So this is PURELY A PERSONAL CHOICE. The [Manly](#) path is a lot harder, as it requires you to start it immediately, and you'll have to hold off on doing certain things. To do the [Unmanly](#) path, you can simply take all Taylor actions when you can, and finish the detention and gymnastics scenes after you've completed all other Taylor scenes. If using clocks optimally, [Gymnastics](#) requires ~16 school weeks, and [Death Row](#) requires ~15 school weeks, so you want to start both ASAP regardless.

You can spend week 1 cash on 1 upgrade and 1 tire, and then you'd be able to go to all 3 spots AND upgrade cash capacity on Sunday. It's recommended that you do the [Jailbreak heist](#) first, as sneak is required for early game. You'd be able to peek on [Kayley](#) on the same night.

You have to have run ins with the police cars for story lines. There is no punishment. After you meet 3 of them, you can choose which one you want to meet.

In order to start progressing towards the longest 2 school unlocks, week 1 should be 6 on Meet new people. Week 2: Meet new people and Gym, Week 3: Meet New people and Gym. Week 4: 6 on Gym, 3 on Meet New People, 1 on Detention, and 1 on Pizza Girl. You don't need detention points, so you can just put 1 clock on it every week, UNVERIFIED.

For [Taylor](#): Doing Kayley, Not gay, Tickle, Panties, and Night chat will earn Taylor +4 Sexual +2 per day, which will allow you to watch Star Wars and nap on Week 2 Saturday, and get oral on Sunday. After that, you can perform Panties, Panties, Boobs, Boobs, and Tickle for Sexual +2 Manly +2 at a cost of only 3 AP.

You can only get 10 Nerd on week 2, and 10 Jock for week 3, which will get you [Pizza Girl Wants to hit you](#) +50 in a single attempt. The earliest possible unlock for Pizza Girl is week 4, so you don't have to worry about it early.

Out of the family, [Kayley](#) is the easiest to work on, her story doesn't take away any time, so don't go out of your way to work on her. After you've gotten to Foxy, you'll be able to talk to her every weekend night for Kayley +2.

[Amanda](#) is easy to work on, but to increase her cap, you have to lose your ☀️DAY☀️. That means you have to sacrifice driving, which means a lot of stats. I'd recommend rushing to get [Santa shop](#) for the [backyard plant](#) so you can unlock the [coffee shop](#), and then holding her progress until you're more established and don't need to Drive as much. You can also increase her affinity by 10 using sex option (you will need to for unlocking the scene anyway), but it also sacrifices your ☀️DAY☀️, so keep that in mind.

In order to progress the story, you want 6 clocks on [Chloe](#) early on. You can't advance without having her unlock Taylor. After that, it's pretty safe to prioritize other things.

Next, you want to [set a fire](#) in the trash can to unlock photography with your sister. =3

Absolutely do not have sex with her in the night or buy the lingerie until after you're done with gymnastics for [Manly](#) path.

Driving to Chloe will usually earn you Style +2, and Jock +2 once Style is at 50.

At the [park, train up your dog](#), and then you will be able to [train combat](#). It's recommended that you don't raise this stat with heists until you've reached 60. You require 40 for [Amy](#).

Make sure you have 35 Jock before you get to [week 11 in detention](#). You can [train Jock](#) at the park.

Stats needed to complete all game objectives:

Jock	40
Nerd	25
Con	25
Lock	20
Steal	15
Getaway	0
Ppocket	0?
Combat	60
Sneak	40
Hide	40

I did not count how much is gained, but I'm pretty sure that you get sufficient stats without requiring quick heist for everything except Hide, so you should prioritize that once you've completed everything else.

CHLOE MODE

A quick guide on how to jumpstart in Chloe mode without using cheats or  on the keyboard. This will gain Dance, \$\$\$, and followers more efficiently.

To play Chloe mode, you have to help her fix up her apartment * 5 times.

Before you start Chloe Mode, you should have seen Julie and India, completed [Annie](#) and [Susie](#), and have 35 [Kayley](#).

Chloe mode is split into  DAY  NIGHT . The bathroom can be accessed in either time, but can be used only once per day. Going to certain places will advance time. Delivering pizza takes the whole day.

5 Energy is regenerated per day, reading books will prevent this regeneration(bug?).

In the Bathroom, you can increase Looks: Shaving +10, Touchup +5, bath +40.
If Horny ≥ 3 , you will have max horny and lose 9 Looks after bath(for a gain of 31).

Be a delinquent. Don't go to class. Grades don't do anything. You can always go to class later, when you're established. Keep in mind that once you decide to do this, you have to keep it up to avoid regression.

You can do a cam show every 5 days?, but it's not a good source of income, and you should hold off until you're established. Currently Cowgirl outfit and a DVA achievement are bugged.

Fitness does not seem to have any effect.

This guide assumes you start at 0 Looks and 5 Horny, on Saturday morning.

At Dance 10, start working at the strip club for \$. Go to the store(Santa) and buy the Strip book to get the last increase to dance cap. Night club gives the best follower gain using Routine, and Sorority will increase your fame rapidly. You can now free play.
