There are three possible scenarios:

- 2) the MC is in a relationship with Rachel (a little conflict between Rachel and Fergus + a little conversation with Rachel after her lesson)
- 3) the MC helped Rachel with her husband, but no longer develops a relationship with her (part of the dialogues from the previous version of the event)

This event won't give you any points, it's just part of the overall plot

- 2) If MC met Kim, but managed to screw up with her (refused her at the first meeting or answered Sara's call during sex with Kim) → he won't get dirt on Pollard in this direction
- 3) In other cases, jump to **“Meeting with Kim in the office – main part”** and you'll get dirt on the “Melkor Ind” direction

Hint how to do it better: if you're develop a relationship with Sara, Ashley and Kim!: When Vlad gives MC the car keys and you have a choice to ride right away or go to the club (and fuck Kim), choose the first option (or the second option, but refuse to have sex with Kim. She'll be upset at first, but everything will be fine in the future). In these cases, you will help Sara and keep the relationship with Ashley as well, but at the same time, you do not spoil the relationship with Kimberly.

Meeting with Kim in the office – main part

If you get to this point, then in the next updates you are guaranteed to get dirt on Pollard from the “Melkor Ind” direction. But you have two options for that:
