## **\*\* Chapter 1 \*\***

Choice 1:

- |                                 |                                  |
|---------------------------------|----------------------------------|
| a) Let Miru blow you            | MiruBlowJob01 & MiruSex01 = True |
| b) Don't get a blowjob from her | Mhy +1 => Skip Home sex scene    |

*Home sex scene*

Choice 2:

- |   |             |
|---|-------------|
| a) Mention the idea of a poly.../openrel... | Mob = True  |
| b) Don't mention it                         | Mob = False |

Choice 3:

- |  |                     |
|--|---------------------|
| a) Actually, more like a milf fetish         | MiMilfFetish = True |
| b) The exact opposite. I like them 20year... | MiTeenFetish = True |

Choice 4:

- |                               |                   |
|-------------------------------|-------------------|
| a) Alright, order another one | McDrunk1x0 = True |
| b) Don't get another drink    |                   |

Choice 5:

- |              |                                     |
|--------------|-------------------------------------|
| a) Not today | Darty1x0 = False => Skip Dart Scene |
| b) Why not   | Darty1x0 = True                     |

*Dart scene*

Choice 6:

- |                              |                               |
|------------------------------|-------------------------------|
| a) Agree                     | Darty1x0 = True               |
| If McDrunk1x0 = True         | MiruFlash1x0 = True, MiExh +1 |
| Else                         | Darty1x0Win = True            |
| Choice 6a:                   |                               |
| a.1) Show her your abs       | TayAbs0x1 = True              |
| a.2) Don't show her your abs |                               |
| b) Decline                   |                               |
| If McDrunk1x0 = False        | Darty1x0Win = True            |

Choice 7:

- |                             |             |
|-----------------------------|-------------|
| a) You're my weirdo         | Miru +1     |
| if Mob = True               |             |
| Choice 7a:                  |             |
| a.1) I am still open for it | MobX = True |
| a.2) Yeah, it's just not us |             |
| b) You really are           |             |

Note: if MobX = True extra dialogues hereafter
