Difficult Gallery Unlocks.....	24

Important choices and their consequences will be highlighted. All the flags in the game will be marked as [Flag]. Some flags are purely cosmetic or result in minor changes in dialogue, while some have consequences in the story. Some flags have no effect in the current version but may become relevant in the future so choose wisely. Gallery scenes will be marked as [Gallery Scene X].

Date with Zenda or Move Night with Heidi and Athena

Note: this is the first critical choice of the story. Going on the date with Zenda will lock you out of the Heidi/Athena/Mora (quadruple) path. Staying with Heidi and Athena will lock you out of the Zenda path. It is still technically possible to remain on the Zenda, Heidi/Athena (solo or throuple), and Mora paths all separately, it will messes up the relationships later in the story.

If [Zenda Dinner] then:

21a. *Cancel date with Zenda*

+1 Heidi Love +1 Athena Love (End Zenda Path)

+1 Sadie Path [Sadie Massage]

If [Sadie Massage];

35b. *Okay*

+1 Sadie Love [Sadie Finger] [Sadie Cum] [Gallery Scene 12]

I'm not comfortable doing that

[Sadie Massage No Cum] [Sadie Massage Deny]

Athena and Adrian or Val

Note: this is the second critical choice of the story. While the consequences are yet to be fully realised, staying with Athena is important for Athena's solo path and maybe Heidi/Athena(/Mora) paths. Going with Val reveals an important part of backstory which will likely have significant impact going forward. Neither path completely blocks out the other at this stage, however.

36a. *That sounds fun*

+1 Athena Love [Lan Party]

Maybe another time

Nothing

If [Val Path] & [Lan Party]

36b. *Yes*

If you stayed with Athena and Athena Love is 11 or higher, [Gallery Scene 14] and:

36d. *I've already fallen for you*

+1 Athena Love [Told Athena Love]

I'm not ready

[Athena Not Ready]

Zenda Invites to Ball

Note: this is the third critical choice of the game. You must go with Zenda to continue her path, but not going to the Halloween party will likely have negative impacts on your relationship with Heidi and possibly Sadie in the future.

If [Zenda Path] & [Halloween Party]:

37a. *I can't*

-15 Zenda Love [Zenda Ball False] [End Zenda Path]

I'd love to

+1 Zenda Love -2 Heidi Love [Zenda Ball] [Zenda Over Heidi]

If [Zenda Path] & not [Halloween Party]:

37b. *I'm not feeling it*

-15 Zenda Love [Zenda Ball False] [End Zenda Path]

I'd love to

+1 Zenda Love [Zenda Ball]

Go for it

[Nicole Sex] [Gallery Scene 15]

(You can get a Val point later if you go on her date and agree not to have sex with Nicole anymore)

Coffee with Sadie

If [Sadie Finger] then:

39a. *No*

[Sadie Cousin] [Sadie Coffee Deny]

Yes

+1 Sadie Love [Sadie Path] [Sadie Coffee Love] [Sadie Relationship]

Bookstore with Mora

If [Mora Path] then:

40a. *Buy it for her*

+1 Mora Love

Don't buy it for her

Nothing

If [Mora Official] and Mora Love is 10 or higher, gain [Mora Said I Love You]

Talk with Athena

If [Athena Path] and Athena Love is 10 or higher, or [HAM Sandwich Official] or [Heidi/Athena Official]

43a. *Let's keep it casual*

Ends [Athena Path] and [Heidi/Athena Official]

I want to be with you

+2 Athena Love [Athena Official]

Dancing with Heidi

If [Heidi Path] and [Heidi Dance] then:

If [Heidi Inside] (Chapter 2) then +1 Heidi Love

Sexy Time with Athena

If [Heidi/Athena Official] or [HAM Sandwich Official] or [Athena Official]
then [Gallery Scene 19]

Val or Mora Date

Note: This is likely the fourth critical choice of the story. Going with either Val or Mora is an important part of building your relationship them. If you want to pursue both (assuming it's possible in the future) going with Val is *probably* more important and the better choice. Even if you go with Mora, you should accept Val's initial offer.

If [Val Path then]:

45a. *Of course*

+2 Val Love [Ch3 Val Date]

No, thank you

[Val Reject]

If [Mora Path] then:

45b. *Not tonight*

[No Mora Dinner]

47a. *Brainiacs*

[Brainiacs]

Paladins

[Paladins]

Inconceivables

+1 Mora Love [Inconceivables]

If [Val Read] then +1 Mora Love.

Unlock [Gallery Scene 20]

Halloween Party

Note there are two major variations of the Halloween Party. The first version is if you attend the party with Heidi and are in a relationship with her, the second version is if you attend the party with Heidi and aren't in a relationship with her **or** rejected Heidi's invitation and attended by yourself.

If not [Zenda Ball] nor [Halloween Party] then:

48a. *Nah stay home*

Nothing

Sure I'll go

[Halloween Party Solo]

If [Halloween Party] & not [Heidi Path] then [Halloween Party Solo]

If [Halloween Party Solo] & [Sadie Path] then [Gallery Scene 21]

48b. *You*

[End Sadie Path] [Heidi Solo]

Sadie

[End Heidi Path] [Sadie Solo] [Sadie over Heidi]

Both

If Heidi Love is 15 or lower, then [End Heidi Path]

If Heidi Love is 16 or higher, then [Heidi/Sadie Path] and [Gallery Scene 22]

If [Zenda Ball] then:

49a. *Sure*

+1 Zenda Love [Drugs Are Good]

Difficult Gallery Unlocks

Most of the gallery scenes are simple and obvious to unlock, simply follow that character's path as much as possible.

The only three that are difficult are [Gallery Scene 7] (Jerking it to Heidi and Athena) [Gallery Scene 21] (Sadie Solo Blowjob) and [Gallery Scene 22] (Heidi/Sadie Blowjob).

To unlock [Gallery Scene 7], you must have less than 7 points with both Heidi and Athena during the movie night.

To unlock [Gallery Scene 21] you must be on [Sadie Path] and attend the Halloween party by yourself, either by not being in a relationship with Heidi, or rejecting Heidi's offer at the bar.

To unlock [Gallery Scene 22], you must be on Heidi's Solo path (no Heidi/Athena or HAMSandwich) and be on Sadie's Path and have 16 or greater love points with Heidi.
