She also gives you a couple of requirements. The house needs to be in a remote location, with a cellar. If you head over to Ziva's old home the MC will have a small eureka moment. This should be a perfect location. But it needs some work, so travel to Marcus (the carpenter in town) and commission him to fix the house. It will cost you 1000 Coins.

If you agree to help, Liandra will require you to fetch 5 Moon Flower Pollen and 16 Sacred Water. Upon doing so she teaches you to manufacture the drug.

Load the goods into the cart and travel to Greypoint. It's as far West as you can go. Bandits will try to steal your cargo along the way, and even if you manage to fight them off, some cargo may go lost in the fight. Corrupt city guards will also want a cut of the profit.

Once at Greypoint deliver whatever is left of your cargo to Luthien, you can find her in her ship at the end of the dock. Make sure to flirt with your new mother-in-law every time you deliver a new haul. Eventually your relationship will blossom...

Quest: A Special Crop

Activation requirements: Complete the quest "A Home In The Woods". Clear the field near Liandra's house.

Location: Liandra's New Home

The manufacturing of Liquid Delight requires a lot of Moon Flower Pollen. You can scrounge them in nature, but the supply is limited. It would be a lot easier if you could grow the stuff at home! See that old field near Liandra's home? Clear it. Now find out how to grow the stuff. Liandra will tell you about some priestesses that were rumored to use lots of Moon Flowers in the olden days. Sounds familiar? Speak to Ziva at the temple and then head down to the library. You'll find a recipe upon searching the bookshelves. You'll need a Crystallized egg (Bat Breeder), Moon Flower Pollen (Nature), Sacred Water (The Well) and 5 Manure (The stables).

Sow your field and wait 7 days for it to grow. Make sure to check in on your new crop after a day or two, Liandra will show her appreciation.....Harvest at night. The field will produce 16 Moon Flower pollen per week.
