

A House in the Rift v0.5.12r1 Scene Guide

Scene Guide by: Mordred93

The intent of this guide is to Unlock all the scenes in the game. This is not a choice walk through unless specific choices are required to see each of the scenes. This guide goes by the order they are presented in the game, by girl (or section).

There are two main types of stats:

Lewdness: This stat is basically how corrupt the intended girl is, and willing to do lewd acts with you.

Intimacy: This stat is basically how much the intended girl trusts you.

There is two types of pictures you can unlock in the game:

Scene Gallery: Unlocked from events, and shown from the main menu.

Image Gallery: Unlocked from finding stuff, and shown on your phone.
