Should I tell them I'm English? Yes.

When she asks how you recognized her, choose one of those options:

- Her hands
- Her chest

When she asks about her face painting, choose one of those options:

- Your natural beauty should not be hidden behind a mask (she won't wear face paint for next lewd scene)
- Your face painting gave you a striking feeling of power and intelligence. It made my heart beats fast (she will keep her face paint for next lewd)
