Note:

- This guide uses the MTL patch.
- Some events might need to be interacted more than once if Izumi's libido reaches the max and you overlooked some events for awhile.
- You need to complete the recollection room (Minus Endings) to start the events to get the Endings.
- Some orders to get events can done in a different pattern.
- This is an unofficial guide.

ENJOY!

Gameplay

Shipwrecked Spacecraft Todoroki is horror erotic rpg game with puzzles to solve and H-scenes to progress the game.

The goal is to find a way to get rescued from being stranded in space and maximizing the libido of our plump heroine, Izumi to the MAX and putting her into many erotic situations.

Raising Izumi's libido

1. At the start of the game, Izumi starts off with low Libido (0/3)

This is where the 'X' antibiotics comes in handy. These are important items that are scattered around the game.

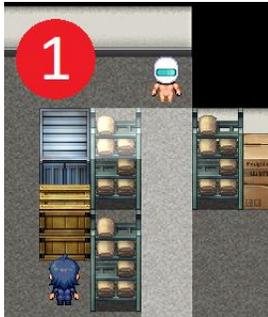

2. The more Izumi uses the antibiotics, the hornier she gets and advancing H-scenes that couldn't be advanced before.

The majority of the H-scenes advances into= Groping->Oral->Sex

Press "Q" to check status and changing clothes.

Gropers and monsters

There are only 2 types of enemies in this game.

1. The masked naked men only trigger their H-scenes by interacting with them or being in their field visions.
2. These aliens are to be avoided since all they do is kill you.

Teleports

At a certain point in the game, you will encounter these circles that will take you back the Connecting passage.

Note: - They only disappear once you begin the event to get Ending 1 or 3.
