The goal of this minigame is to reach happy lv 5 with Karen and Barbara, the only way of increasing happiness is drinking whiskey, but be careful Barbara and Karen will leave if their Drunk lv reach 9, paying attention to Karen steals 1 Happy and lowers the drunk lv by 1 of Barbara, this does the same to Karen if you pay attention to Barbara, so my advice is once theirs drunk lv is at 8 alternate speaking between Barbara and Karen, when theirs drunk lv is low again start drinking whiskey until they reach happy lv 5.

8- Select **Something is somehow hot here!** and **Show them your huge cock!**

Aunt Kim assjob: LMAO no idea how to get this scene
