After falling asleep, you'll wake up in the middle of the night learning that Nicole is gone. Seeing that her bag isn't present, you storm out of the hotel room to look for her.

A perspective changes to Nicole as she's alone at the beach, naked.

She then proceeds to walk into the ocean.

----- Start Of Part 9

Perspective of the game returns to you as you're running through Little Big Pond, looking for Nicole.

When you learn that the train station isn't open, you head to the beach.

At the beach, you notice a silhouette of a female figure down at the ocean.

Depending if you succeeded in making a great impression with the Watson's or not (Day Sixteen), John will either be having fun with Silvia or be torturing her.

***** Day: Eighteen (Sunday)

The perspective returns back to you and Nicole as you are walking through Little Big Pond. Nicole will mention that her hip is hurting, and you'll make a joke about it.

At the train station, the ticket master informs you there's no train running back home, but only when it's noon.

After discussing with Nicole, she makes you buy a ticket to a different city in hopes to catch another train home.

With her hip hurts, you leave Nicole to rest at a nearby bench and resume back to buy the tickets.

The perspective changes to Nicole and as she rests, she notices a family together. Nicole is quick to reminisce about her past with her family.

The perspective comes back to you, and you tell Nicole that you bought the train ride at noon. Mad, Nicole scolds at you, but you quickly defend yourself with a Massage Flyer that you picked up.

You want to take Nicole into a massage treatment in hopes to ease out her hip pain. Realising your kindness, Nicole agrees to go to this spa with you.

At the Massage Spa, you meet Becky and Rebecca, your massage therapist and a mother and daughter duo.

Becky, the mom, works on your body while Rebecca, the daughter, works on Nicole's.

When Becky has you lay on your stomach, you learn that Nicole is also laying on her stomach.

Lose 1 Points for Corrupting Nicole, and Nicole will smile back

at you.

When Rebecca is massaging your back, she'll be curious about what you do for life.

- Tell About Your Job / You'll brag about working as an Real Estate Agent.

- Go Along With It / You'll talk about how college and studying is tough.

- Be Anonymous / You won't talk much and rather be anonymous.

Each of these three options will result in slight dialogue differences.

After the massage treatment, you and Nicole are left alone to rest and to let your body soak up the remaining oil into your body.

You speak with Nicole and ask her how she's doing but quickly doze off.

Waking up from your suddenly black out, you also notice Nicole being quiet.

Wondering if she's also asleep, you stand up from your bed and walk over to her.

If not, you'll rub your cock between Nicole's breasts.

You're soon interrupted by Becky as she knocks the door, and fear that she'll notice something strange when she walks in, you quickly hop into the shower that's provided in the room. Nicole grabs her bathrobe and covers herself as Becky walks in. Becky informs Nicole to rinse off the excess oil off her body. Nicole asks Becky to leave the room as she will head into the shower for the final treatment.

The perspective stays onto Nicole as she enters the shower. Nicole cannot help herself but pounder on the image of your hard cock. Also, if you watched the stars with Nicole, Nicole will smile and laugh at you,

Nicole proceeds to unknowingly masturbate as a way to let out the frustration that had built up. As Nicole lets out her first orgasm, she stops touching herself. But strangely, Nicole still feels the pleasure building as if she's still masturbating. Nicole believes that because she was thinking so much about you, it somehow tricks her mind that she's being touched by you. However, she didn't realize that you're literally touching her. Only when you whisper her name into her ear is when Nicole figures out that you're REALLY touching her. Assuring that Becky or Rebecca isn't in the room, Nicole allows herself to embrace in this moment.

Before you reach your limit, if you use Nicole's name 9 times or higher, you'll instantly call her name. If not, you'll simply use "Mrs. Heavens".
- Cum Inside Her / Gain 1 point for Cumming Inside.

The perspective changes to Abigail, she's searching through Beeman's things according to what you answer her when you last saw her. (Day Sixteen) Beeman storms in and yells at Abigail to leave his room. Abigail expresses that she wants her stolen cigarettes, but this time Beeman didn't buy her story. Beeman pokes at Abigail and claims that she's looking for IT. Abigail says she doesn't know what Beeman is talking about and leaves the room after yelling at Beeman. Also, depending on your relationship with Chloe, Abigail will mention Chloe. This scene ends with Beeman looking at a photo, which seems to be a past photo of him and some friends, and chugging down his alcohol.

Perspective returns to you and you're stepping out of the locker room of the massage place. Waiting for Nicole at the lobby, an old man approaches you and talks about your expression. The old man talks that you're deeply missing something and if you want to be complete, you must reach out your hands when you can. Nicole comes out of the locker room and you walk with her towards the train station.

Fast forward, you're now in the driveway of Nicole's driveway. Nicole thank you for your time and tells you that she enjoyed this trip with you. You ask if you can come over tonight to see Nicole but she wishes to remain apart for tonight. In this part, there are three ways this scene plays out.

If your points on Corrupting Nicole are 31 or higher, Nicole says goodbye and steps out of your car without giving you a chance to say anything back. Then if your points on Corrupting Nicole is 60 or higher, you'll step out of the car and catch up with Nicole. Without words, you press your lips onto Nicole and she instantly accepts a make out session. You pull away before lust takes over and drive away, leaving Nicole to pick herself up. If not, you'll remain in the car and watch as Nicole enters her home. No kiss happens and you drive away.

If your points on Corrupting Nicole are 30 or lower, Nicole will lean over and kiss you on the cheeks before stepping out of your car. You'll zone out from the sudden kiss and before you know it, Nicole is already in her home. You then proceed to drive away.

While driving away, you recap on your story and duties on what to do from here on out before driving to Magic Grand.

Next, we get a perspective of Nicole as she's coming into her home. If you kissed her, she'll think about it and wonder if her lipstick is smeared. Nicole meets with Chloe at the living room, and sees how happy Chloe is, Nicole feels bittersweet.

Natiya tells you that this person's name is Malcolm.

Nessa returns and begins Natiya away from your office.

Using the new information you got from Natiya, you log into Silvia's computer.

Using 'Malcolm' you pass the password security and find pictures of Silvia and Malcolm at the beach, happily.

Realizing that there's no information about Silvia and John, you shut the computer down and resume Magic Grand work at your desk.

Time flies by, and you find yourself missing Nicole.

Staring out the window, the perspective changes to Nicole, who is also staring out the window.

Nicole leaves, and the game's perspective then changes to Abigail as she flashbacks about her younger days with Gavin.

After the flashback sequence, the perspective returns back to you.

A short conversation occurs and you provide Abigail food to eat.

If Abigail introduced you to the shish kebabs during Day Eleven, you'll bring Abigail some.

If not, you'll just bring her some cold convenience store food, to which she laughs.

Leaving Abigail to herself, you return home and the perspective changes to Nicole as she returns home.

Nicole is confronted by John.

Shortly into the conversation, John reveals his manhood and wishes Nicole and him to be husband and wife again.
