

Welcome to the walk through for chapter 2 update 0.8 This update contains 1 major event and some 2 important short events which sets up future events

Dating stats and corruption of characters will effect more in this update

Day 29

Bathroom

Big event with Emma

Divided in to 2

MC dating sunny

Later in the last update if mc was dating sunny than mc will option whether he wants to go home with sunny or leave with james and marcus

If mc leaves with sunny than emma event will be skipped

if mc join james and marcus than emma event will trigger

MC not dating sunny

Later in the last update if mc didn't dated sunny than mc meet will tracy and will have a option whether to go home alone or go with james and marcus

If mc goes home alone than emma event will be skipped

if mc join james and marcus than emma event will trigger

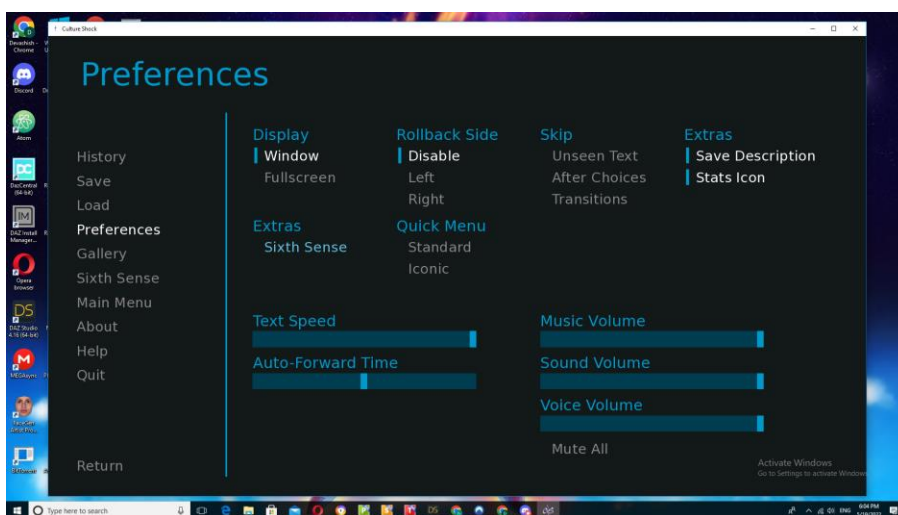

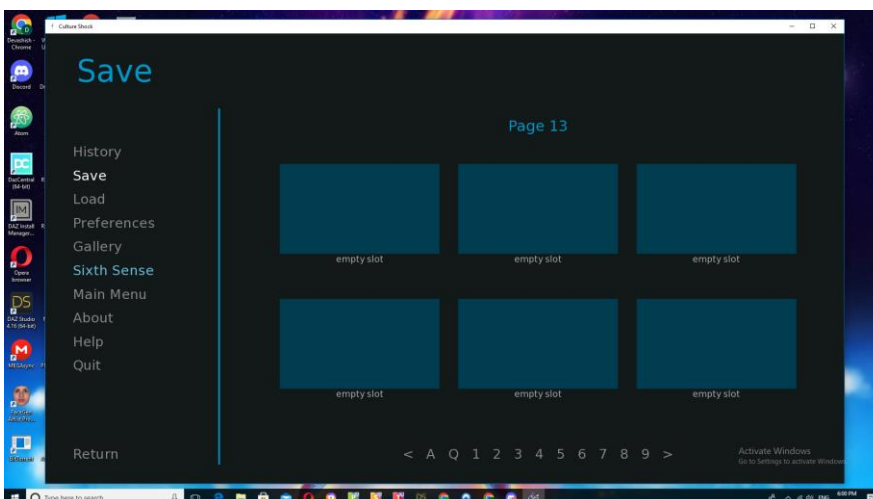

Emma event

Alpha route (to get alpha ending and all scenes mc will have to genuinely date emma not in the cuckold route)

Beta route (to get beta ending and all scenes mc will have to be in cuckold route with emma)

In the beta route we have the first six sense which involve marcus and emma scenes under the blanket which mc can't see. to unlock it use code
six sense code :- **646769**

to use six sense code it's just like gallery unlocker but just different
press **esc** than you will find **six sense** option in the menu option click on it and than put code and after that go to **preference** and click on **six sense** and it's activated now, i reccomand you unlock it at the start of the emma event or you could miss the scene.

Day30

if you are dating tracy then you will have morning breakfast scene with tracy
or else

marcus will show up and you will have breakfast with marcus ,sunny and tracy

If dating with maude

you will get ride with her and have intimate moments in her house

or else

you will leave college with marcus

Third class with karla

there is just one extra scene if dating with karla

(Mc and tracy cleaning) this event will only trigger if mc is dating tracy

mc will help tracy cleaning and later lead to both of them tanning in living room

A important choice

(kiss her badly) choosing this will result in first actual sex with tracy

(Don't risk it) choosing this will result in no sex with tracy in this event

(Marcus visit) this event will only trigger if mc is not dating tracy

mc will see marcus and tracy cleaning in kitchen and later mc will have a option

(Alright) this will lead to marcus and tracy tanning alone

(let me help, i can work on tanning...) this choice is WIP and will also locked in later update if mc has confidence below 50. this will lead to mc marcus and tracy tanning

Later after couple of hours tracy will return to mc room and if

her corruption is more than 15 than she will tan with marcus alone

or else

she will ask you to tan with her you will have choice wether to tan or not

(this is WIP)

Ending

Marcus deal

options

(fuck off marcus) this will lead to hate ntr route again

(I...I need some time) this will lead to neural with marcus deal

(OK, I'll accept) this will lead to like ntr route again

all the above options will have different consequences in the future and also will have diiferent scenes in this update as well
