INTRODUCTION TO GAME GUIDE PART 2

Welcome

This part of the game guide is designed to help you play Chapter 2 of The Headmaster, by Altos and Herdone. In Chapter 1 of the game, you played the role of a new headmaster appointed to a private school. You passed a series of rules to help implement your disciplinary methods.

Chapter 2 begins after you successfully pass a rule to allow you to spank the girls yourself. You now need to ensure that school grades quickly increase to ensure the girls pass a test and prove the validity of your techniques.

As with Chapter 1, there are multiple tasks that you will need to complete. You will have to keep grades and discipline as high as possible, to prevent a bad ending. You will have to earn money in order to buy the equipment and other resources you require. And you will need to find ways to gain influence with the other teachers in order to win their support, and pass additional school rules.

Game Chapters & Game Guide Volumes

The game is currently split into two “chapters”. Chapter 1 can be considered the “introduction”, and Chapter 2 (which is still in development) is the “middle game”. The intention is that once Chapter 2 is complete, then Chapter 3 will be added, which will be the “end game”.

Part 1 of the game guide covers Chapter 1 of the game. Part 2 (this volume) covers Chapter 2 of the game, and Part 3 provides some additional information, including a detailed punishment guide, details about the cheat menu, and several reference tables.

Please note that there are several events and objectives that you can complete in either Chapter 1 or 2. Do not worry if you do not complete all the Chapter 1 actions before you start Chapter 2 – you will be able to complete them later.

Starting Chapter 2

In normal gameplay (i.e. where you play from the start of the game) you will start automatically start Chapter 2 of the game when you complete the main quest “A Man’s Work” and pass the rule allowing you to spank the schoolgirls yourself.

You will then see two large events: How to Discipline a Young Woman ([CLA11](#)) on a Friday afternoon, where you hold a special class to demonstrate your punishment methods. This is followed by A New Chapter ([OTH16](#)) on the

following Monday morning where you and your prefect Debbie carry out an underwear inspection on the girls.

However, when you start a new game, you can also choose to start the game at the beginning of Chapter 2, instead of from the very beginning. This is not recommended for new players. However, it provides a method for more experienced players to quickly skip ahead.

Game Guide Contents

This is not a linear game. Instead, you will often find yourself trying to complete several different objectives at once. Because of this, it is not possible to provide a standard step-by-step walkthrough. Instead, this guide has two main sections, which are designed to help you with individual quests and other actions that you will need to complete:

- The **quest walkthrough** explains how to complete all the quests in the game – the main quests, teacher quests and student quests.
- The **event log guide** provides information about how to unlock and complete all the key events in the game (which are then shown in the game event log).

You may also wish to refer to the Game Guide Part 3, which includes additional information, including information on the cheat menu, the holiday special bonus games that you can unlock, and other general reference information, including notes about gaining influence and horniness points, passing rules, and grade management.

Quick Codes

Several parts of this guide use short codes e.g. [QM1] to refer to other parts of this document. You can see these codes beside the heading of each section. You can do a search on this code (include the square brackets) to jump directly to that section of the guide.

Originally, this document was a plain text file, and these short codes were essential to help people navigate the document. Most of them have now been hyperlinked so you can just click on them to jump to the relevant section of the document instead.

Please note that some codes will refer to sections in a different volume of this guide. If you are using the complete version of the guide (which includes all 3 volumes) then this will not affect you. However, if you are using separate volumes, then some of the links will no longer work and you will have to do a manual search.

Important Note

This game is still in development. This means that things are likely to change. There are also likely to be bugs. I try to keep this guide up to date, but I don't always have the time to fully playtest every release.

So if you find things which are wrong, or don't seem to be working, please post a message in this forum and I'll check it out.

Good luck, and enjoy your time as the new Headmaster!

GAME QUEST WALKTHROUGH (CHAPTER 2)

INTRODUCTION

Using the Walkthrough

This walkthrough is not meant to be followed in strict order. You will find that in order to complete the first main quest, you will need to complete several staff side-quests, which are covered later in the document.

You will also find that you will usually be trying to complete several quests at one time. For example, you may have to save up money to buy an item to allow you to complete one quest, but while you are waiting you might be able to continue with a different quest.

Sometimes, you need to complete part of one quest in order to progress a different quest. For example, you need to upgrade the science facilities in order to persuade Miss Chang (the science teacher) to help you with Mr Wilson's quest.

Therefore, please use this walkthrough as a guide, not as step-by-step instructions.

[QM4] Leave No Girl's Behind

Description

You are finally able to punish the girls yourself and grades and discipline are bound to increase rapidly as a result. Ruth will be giving the girls a test soon and every single girl needs to pass with flying colors. You will need to improve overall grades by teaching lessons and you will need to focus on any individual girls who may be falling behind.

Unlocking this Quest

This quest is unlocked on the first weekday after you complete the "A Man's Work" main quest ([QM3](#)) and see the How to Discipline a Young Woman event ([CLA11](#)) and the New Chapter event (see [OTH16](#)).

Ruth will meet you in your office and remind you of her conditions for allowing you to continue to spank the girls. You will then receive a message saying you have a new main quest:

You have a new main quest. You must raise the girls' Grades to 100 before Ruth sets her exam. The girls' Grades will increase by one per day once Discipline hits 60 and by two per day when Discipline hits 80. However, poor-performing students will bring down the average. The higher overall Grades are the more of an effect this will have.

[QM4.1] Achieve 100 grades

Increase your grades to 100. See [REFG04](#) for some hints about how to do this. The following weekday morning (if your grades are still above 100), then you will get the following message:

Well done for getting grades to 100! Unfortunately, this is just a temporary placeholder ending for the current main quest. Grades will no longer decline and the story will continue soon.

This is just a placeholder ending message. The quest action is not marked as complete in the quest screen.

Note: You need to play at least 2 weeks of game time before you see the placeholder end message. If you achieve 100 grades within 2 weeks of Chapter 2 starting (which can only be done by use of the cheat menu) then you will see this message on the Monday morning of the third week.

[QST2b] The Headmaster's Pet (Part 1: Chapter 2)

Description

A cute young woman named Rachel keeps falling asleep in lessons. She appears to be addicted to computer games, although you suspect this is merely a symptom of some deeper problem. You will need to learn more about her if you are to help her overcome her addiction. Perhaps you can also find a role for her to help you in the running of the school.

Starting this Quest

In order to complete this part of Rachel's quest, you will need to have raised Rachel to punishment level 4 and spied on her room afterwards. See The Headmaster's Pet Part 1: Chapter 1 ([QST2a](#)).

You will need to have started Chapter 2 of the game, by completing the Main Quest "A Man's Work" ([QM3](#)) so that you can punish the girls yourself.

[QST2.13] Strip down to Underwear Rule

Full description = (7) Convince the school board to let you make the girls strip down to their underwear for punishments and then punish Rachel again. You will need to be able to punish the girls yourself before you can unlock this rule.

Once you have Influence 10 and Discipline 55, pass the new Corporal Punishment rule "students may be ordered to strip down to their underwear" at the Friday board meeting.

Teach classes until you see Rachel falling asleep again, or ask Rachel a hard (or impossible) question during the Friday pop quiz. Choose to give her a private punishment. At the start of the punishment, you will say to yourself "OK Rachel, time for your training to really kick up a notch".

Rachel will start this punishment at Level 4. Order her to strip to her underwear. Because Rachel isn't wearing a bra, this will mean she is just wearing her panties. Sally will also strip to the waist in order to make Rachel jealous.

Position her with hands above her head and then pinch her nipples and lick her nipples. (It doesn't matter if you do this or Sally does it.)

Position her bent over the desk and give her a ruler spanking and a paddle spanking. Position her over the knee and massage her thighs (or rub her pussy).

You will then get a message saying you have raised her to the next level (level 5).

At the end of the punishment, talk to Rachel about the Test of Confidence. You will tell her to shower with the other girls.

[QST2.14] Watch Rachel Showering

Full description = (7) Watch Rachel showering with the other girls.

In the evening, spy on the shower room. You will see Rachel take a shower with the other girls.

[QST2.15] Click on the Headmaster's Locker

Full description = (7) Click on the Headmaster's locker on a Thursday afternoon.

On Thursday afternoon, teach a sports lesson. Rachel asks to see your boner and then masturbates you.

Note: you can see this scene by using the "teach a sports lesson" quick launch button on the main menu. You do not have to actually click on the headmaster's locker in the changing room.

[QST2.16] Catch Rachel Falling Asleep

Full description = (7) Catch Rachel falling asleep again and give her a private punishment.

Teach classes until you see Rachel falling asleep again, or ask Rachel a hard (or impossible) question during the Friday pop quiz. Choose to give her a private punishment. You will tell yourself "now that Rachel is comfortable being naked when we are alone together I think it's time to help her have her first orgasm."

Rachel will start this punishment at Level 5. Order her to strip to her underwear. Position her with hands above her head and then pinch her nipples and lick her nipples.

Position her bent over the desk and give her a ruler spanking and a paddle spanking. Position her over the knee and give her a hand spanking and rub her pussy. You will then get a message saying you have raised her to the next level (Level 6).

At the end of the punishment choose to give her Special Homework Assistance. She will masturbate on your desk and you will agree to "help" her that evening.

[QST2.17] Visit Rachel's dorm room at night

Full description = (7) Visit Rachel's dorm room at night and climb in through the window.

In the evening, spy on Rachel's room. You will climb into her room and help her achieve her first orgasm. She will then masturbate you. You will then fall asleep and not wake up until the morning.

[QST2.18] Teach a Class

Full description = (7) Teach a class and make sure that Rachel doesn't fall asleep.

Teach a class. You will notice that Rachel is "bright eyed and bushy tailed". After the class the girls will discuss a new DLC for Rachel's game that adds adult content and means the winning character can have sex with the losing character. Rachel will tell you she intends to masturbate that evening to help her sleep.

[QST2.19] Make Sure Rachel's Gaming Addiction is Cured

Full description = (7) Spy on Rachel's room and make sure she is cured of her gaming addiction.

In the evening, spy on Rachel's room. You will see her playing her game. Choose to "distract her" and then "distract her again". She will lose the game and her computer character will be forced to have sex with the winner. Rachel will start to masturbate as she watches the scene.

The following morning, you will see Rachel sleeping in reception again.

You can choose whatever options you want, but for the full scene, choose to "teach her a Lesson", and then "wait for someone else to find her". Sally, Izzy and Samantha will humiliate Rachel, and then Sally will insert a butt plug in Rachel.

Fun note: if Sally inserts the butt plug, then in the morning, you will see Rachel's follower icon appear on the screen. If you click on it you will get a short scene where Rachel tells you she is having the worst morning ever.

If you choose to insert the butt plug, see [QST2.20](#). If you didn't insert the butt plug, see [QST2.21](#).

[QST2.20] Teach a Class (Butt plug version)

Full description = (7) Teach a class and make sure Rachel stays awake.

In the morning, teach a class. You will notice that Rachel looks rather uncomfortable, and that it's nearly time to give her a promotion.

In the afternoon, Rachel will come to your office and ask you to remove the butt plug. She will then spend the afternoon sleeping naked in your lap. At the end of the afternoon you will wake her up and tell her to put some clothes on for her punishment. See [QST2.22](#).

[QST2.21] Teach a Class (No butt plug)

Game note: If you do not insert the butt plug, the quest action will not change. It will remain as "Spy on Rachel's room and make sure she is cured of her gaming addiction" until you have completed her after-school punishment.

In the morning, teach a class. You will tell yourself that Rachel looks incredibly sleepy but is trying really hard to stay awake, and that it's nearly time to give her a promotion.

In the afternoon, Rachel will come to your office. She will tell you she is feeling very sleep. You will agree that she can spend the afternoon sleeping naked in your lap. At the end of the afternoon you will wake her up and tell her to put some clothes on for her punishment. See [QST2.22](#).

[QST2.22] Teach a Class (Punishment)

Full description = (7) Teach a class and make sure Rachel stays awake.

(Note: This is part of the same action as [QST2.20](#) / [QST2.21](#). For clarity it has been split into a separate part, but it is still part of the same quest action.)

When you start the punishment, you will tell yourself that you need to come up with a new way to punish her. A new OTK position will be unlocked (to have Rachel straddle your lap).

Rachel will start this punishment at Level 6. Order her to strip to her underwear. Position her with hands above her head and lick her nipples.

Position her bent over the desk and give her a hand spanking, a ruler spanking and a paddle spanking.

Make sure the headmaster (not Miss Newman) is selected as the disciplinarian. Position her over the knee and massage her thighs (or rub her pussy). Then use the new position to spank her while she is facing you. You will then get a message saying you have raised her to the next level (Level 7).

At the end of the punishment choose to give Rachel her Promotion. You will make her your Personal Executive Trainee (or P.E.T.). She will then strip naked and masturbate you.

You will then tell yourself that you think Rachel has been mostly cured of her body envy, but may have some lingering issues. You say that you will continue to observe her behavior, particularly when you are interacting with other students.

Fun note: After you have made Rachel your PET, her classroom events will change, and Rachel will sit at your desk during lessons. You will also get a new interaction with Rachel in your office during the afternoon, where she will strip naked and you can get her to rub herself against you and masturbate you again.

Game Note: In version 0.13.1 Beta, there is a bug where Rachel will not be promoted to level 7 after this punishment. This means you will not be able to promote her to your PET. To continue with the game, you can use the cheat menu to increase Rachel to level 7, and then give her another punishment, after which you will be able to promote her correctly.

Alternatively, you can use the console. Open the console by pressing Shift-O. Then type `rachel_lvl = 7`. Type it exactly, including spaces and no capital letters. Press Esc to exit the console.

[QST2.23] Continue Observing Rachel's Behavior

Full description = (7) Continue observing Rachel's behavior as you go about your business around the school. (You will need to pass the body search rule.)

Wait until the following morning. You will see a scene where Rachel thanks you for allowing her to wear her cat ears whenever she wants. This will unlock The Headmaster Pet: Part 2 (see below).

[QST03] The Headmaster's Pet: Part 2

Description

Rachel wasn't sleeping well and was falling asleep in class. It turned out that she suffered from body dysmorphia due to her small breasts and had intense jealousy of curvier women. By teaching Rachel to be more carefree, like her favorite animal, the cat, you were able to help Rachel feel better about herself and to finally get a good night's rest. Over the course of her therapy, the two of you had grown close and you offered her the role of Personal Executive Trainee (PET) to take care of all your personal needs. Things are going well but is Rachel truly cured of her jealousy toward other women?

Unlocking this Quest

Once you have raised Rachel to punishment level 7 and promoted her to your P.E.T. ([QST2.22](#)), you will automatically speak to her the following weekday morning.

Rachel will thank you for allowing her to wear her cat ears whenever she wants. You fear she still has jealousy issues, and you also tell yourself she is not physically ready to have sex with you, because her holes are too tight. You will then get a message saying you have unlocked this quest.

[QST03.01] Perform Body Searches Around the School

Full description = (1) Learning to Share – Rachel has a jealous nature and she wants you all to herself. As headmaster, it's your job to discipline all the girls at school and Rachel was going to have to learn to share. In the process, you hoped to cure Rachel of her jealousy toward other women. First, you decided to observe her reaction as you **perform body searches on all the girls around school** (you will need to pass the body search rule). A particular busty blonde would be an ideal target, you've seen her hanging out in the hallway on a Wednesday afternoon.

If you have not already done so, pass the Body Search rule at the Friday school board meeting (see [REFR05](#) for details). You will need Influence 11 and Discipline 80 to pass the rule.

On Friday afternoon, do a Body Search of Lucy. (This step is not required but it helps develop the story. See [SCH04](#) for details of Lucy's body search.)

On Wednesday afternoon, do a Body Search of Alice (See [SCH06](#) for details of doing Alice's body search). Rachel will try to stop you from feeling Alice's breasts. You take Rachel into the stationary cupboard and punish her. You then

discover that Rachel is getting jealous when you are touching the other girls. You tell her you'll find a way to help her manage her jealousy issue.

[QST03.02] Decide on a suitable student for a threesome

Full description = (1) Learning to Share – Rachel has a jealous nature and she wants you all to herself. As headmaster, it's your job to discipline all the girls at school and Rachel was going to have to learn to share. You decided a threesome might help Rachel get used to the idea of sharing.
Patrol the halls and decide on a suitable student for a threesome.

Complete the body search of Alice ([QST03.01](#)). Teach classes until you see a scene where the other girls are asking questions about Rachel's cat ears and collar. You will tell the girls that Rachel gets special treatment because she is your trainee. You will then invite Rachel to sit at the teacher's desk, and you will teach the class. You get +2 grades.

Note: you can complete the classroom scene where the girls are asking questions about Rachel's cat ears before you pass the body search rule and carry out the body search on Alice.

Choose to do a patrol. You will see Donna giving Rachel a hard time about her cat ears. Debbie will then stop Donna.

Note: If you have not already completed them, you will probably have to complete Priti's patrol event ([QST05.02](#)) and Charlotte Caught Smoking ([PAT16](#)) before you can see this patrol event.

You tell yourself that you've been promising Debbie a reward and it's time she got one. You think you will share your pet with your prefect.

Use your office phone to summon Debbie and Rachel to your office. You will ask yourself if you want Debbie to play with your pet. Say yes. (If you say no, the scene will not happen.)

Rachel and Debbie will arrive. They will strip, have sex with each other, and then give you a joint blowjob.

You then tell yourself that hopefully Rachel won't get so jealous when you touch the other girls. However, for Rachel's next step you need to get her used to sharing with a woman she feels threatened by.

If you have already completed Rachel's dildo training ([QST03.06](#)) then see [QST03.08](#) for the next action. For Rachel's dildo training, see [QST03.04](#), [QST03.05](#) and [QST03.06](#).

[QST03.03] Need more advanced disciplinary techniques

Full description = (1) Learning to Share – You decided a threesome would be a good way to help Rachel get used to sharing you with other women. Debbie made an excellent partner as she has little interest in men and didn't make Rachel overly jealous. For a real test, Rachel would need to see you with a woman she was truly envious of, someone like her teacher Miss Newman. Rachel isn't ready for this yet though, you need more advanced disciplinary techniques.

In order to complete this action, you will need to complete Rachel's dildo training and then raise her to punishment level 8. See [QST03.04](#), [QST03.05](#) and [QST03.06](#).

[QST03.04] Purchase a selection of dildos and a butt plug

Full description = (2) Advanced Disciplinary Techniques – To permanently cure Rachel of her body envy you will need your most advanced disciplinary techniques and that means fucking the girl. Rachel is desperate to please her Master and has already offered her virginity. There's a problem though, her little holes are much too tight and will need stretching out before you'll be able to penetrate her with your large cock. **Purchase a selection of different sized dildos and a new butt plug from the online store.**

Once you have \$1800, buy the assorted dildo collection (\$1500) and the butt plug tail (\$300) from the Online Shopping | Sex Toys option on your office computer. They will arrive the following weekday morning.

Note: you can buy the dildos and butt plug tail individually, but you will not be able to continue with Rachel's quest until you have bought both.

[QST03.05] Let Rachel Practice Using a Dildo

Full description = (2) Advanced Disciplinary Techniques – To permanently cure Rachel of her body envy you will need your most advanced disciplinary techniques and that means fucking the girl. Rachel is desperate to please her Master and has already offered her virginity. There's a problem though, her little holes are much too tight and will need stretching out before you'll be able to penetrate her with your large cock. **Spend time with Rachel in your office (by clicking her icon in the afternoon) and let her practice using a dildo.**

You will need to complete four dildo practice sessions with Rachel. To carry out a practice session, go to your office during any weekday afternoon and click on Rachel's icon. Rachel will immediately strip naked. Select the "dildo practice" option.

- During the first session, select the small dildo. At the end, tell Rachel that "I'll finish myself off".
- During the second session, select the small dildo. At the end, ask Rachel for a handjob.
- During the third session, select the small dildo. At the end, ask Rachel for a blowjob.
- During the fourth session, select the medium dildo.

[QST03.06] Order Rachel to Your Office for Punishment

Full description = (2) Advanced Disciplinary Techniques – Unfortunately, Rachel's little holes are still much too tight. She couldn't even manage to take a medium sized dildo, let alone your large cock. Believing Rachel's problem to be mostly psychological you realized that your punishment method could help her overcome this challenge. **Order Rachel to your office for after school for punishment** and try again with the dildo.

Complete Rachel's dildo practice ([QST03.05](#)). In the evening, summon Rachel to your office for punishment.

Note: as soon as you complete Rachel's last dildo practice session, you may be asked if you would like to summon a girl to your office for punishment. If you choose Rachel, you can then complete this action immediately after you have finished the dildo practice.

Rachel will start the punishment at Level 7. Order her to strip naked. Position her with hands above her head, do a body search and use the camera to take pictures.

Note: once Rachel has stripped naked, you will allow her to wear her cat ears. However, this helps her cope with her nudity and increases her resistance to humiliation. Her humiliation bar will then increase from 9 to 16.

Position her bent over the desk and give her a ruler (or paddle) spanking. Put her over the knee and massage her buttocks (or massage her inner thighs, or rub her pussy).

Make sure the headmaster (not Miss Newman) is selected as the disciplinarian. Have her straddle the headmaster's lap, and spank her while facing you. Put her in the diaper position and insert a dildo into her vagina.

You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 8).

At the end of the punishment you will cuddle with Rachel, and then you will choose how to use her sexually.

[QST03.07] Continue to Help Rachel Learn to Share

Full description = (2) Advanced Disciplinary Techniques – To permanently cure Rachel of her body envy you will need your most advanced disciplinary techniques and that means fucking the girl. You came a step closer to this goal by penetrating her with a moderately sized dildo, soon she will be ready for your sizable cock. While you wait for the inevitable, you should continue helping her learn to share.

In order to complete this action, you will need to get Rachel to play football while naked, and then have a shower with her afterwards. See [QST03.08](#).

[QST03.08] Teach Football Class Several Times

Full description = (1) Learning to Share – You decided a threesome would be a good way to help Rachel get used to sharing you with other women. Debbie made an excellent partner as she has little interest in men and didn't make Rachel overly jealous. For a real test, Rachel would need to see you with a woman she was truly envious of, someone like her teacher Miss Newman. **Teach football class several times** until you have the opportunity to make Rachel play naked, then have her join you afterwards in the shower.

Earlier in Rachel's quest, you had to complete two practice games ([QST2.08](#)). If you have not already done so, you will now need to complete another three practice games. These are: the third match ([SPT09](#)), the fourth match ([SPT10](#)) and the fifth match where Charlotte's team play bottomless ([SPT11](#)).

To get the practice matches, you will need to teach sports lessons in the afternoon. Every time you teach 5 sports lessons, you will play a match during the fifth lesson.

Note #1: these football events are available from the start of Chapter 2. You may have already completed some of these events before reaching this point in Rachel's quest.

During the "Charlotte's team play bottomless" event ([SPT11](#)), Rachel will end up naked (because she has to play bottomless and she isn't wearing a bra). At the end of the match, Rachel will shower with you, and Sally joins you. Both Sally and Rachel offer to help you with your erection, and they start to argue. You eventually tell Rachel to make you orgasm, but that she has to ask Sally to help her. Sally and Rachel then rub their breasts against your cock until you cum.

Note #2: if you have already completed Charlotte's team play bottomless (SPT11) event, simply teach five more sports lessons, and you will play another practice match.

Normally, if you had already previously completed the Charlotte's team play bottomless event, and Charlotte's team won, then during the next sports match you would see April's team playing bottomless (SPT12). However, if you have raised Rachel to level 8 (RAC15) and completed the threesome with Debbie (RAC16), then you will see a special scene instead.

April will tell you that two members of her team, Emily and Harriet, are having their period, so Charlotte has agreed her side will play bottomless instead. You tell yourself that this works out well, because you wanted Rachel to be naked today. April's team will win the game, but they agree they have to be naked next time.

Game note: in 0.13.1 beta, there can be a minor continuity error with Rachel's student quest. As soon as you complete this action, Rachel's questlog will say that you should summon Rachel to your office for punishment and fuck her ass with a dildo (see QST03.11).

However, you cannot actually fuck Rachel's ass with a dildo until you have completed the dildo training (QST03.05), raised her to punishment level 8 and used the vaginal dildo on her (QST03.06).

[QST03.09] Open the Pool

Full description = (1) Learning to Share – Rachel still doesn't understand that your penis is not her toy, it's an important tool for maintaining discipline for both staff and students alike. It might be best if Rachel watches it in action. You will be more likely to run into Miss Newman in the locker room if you **open the pool**.

If you have not already done so, buy the "Swimming Pool" from the Upgrade Facilities option on your computer. It will cost \$8,000 and you are told that it will take a few days to complete the swimming pool.

Note: It takes a week to build the swimming pool. E.g. if you order the pool sometime on Thursday, it will be ready by the following Thursday morning.

Once the pool is open, this quest action will be completed. If you have already raised Rachel to punishment level 9, see [QST03.12](#) for the next action. If you still need to raise Rachel to level 9, see [QST03.10](#) and [QST03.11](#).

[QST03.10] Punish Rachel First

Full description = (1) Learning to Share – Rachel still doesn't understand that your penis is not her toy, it's an important tool for maintaining discipline for both staff and students alike. It might be best if Rachel watches it in action. However, first, she needs to be punished.

In order to complete this action, you will need to raise Rachel to punishment level 9 and fuck her ass with a dildo. See [QST03.11](#) for details.

[QST03.11] Fuck Rachel's Ass with a Dildo

Full description = (2) Advanced Disciplinary Techniques – Rachel's naughty behavior in the shower requires further punishment. This gives you the opportunity to continue stretching out her little holes with the dildo. **Summon Rachel to your office after school for punishment and fuck her ass with a dildo.**

Game note: in 0.13.1 beta, there can be a minor continuity error with Rachel's student quest. As soon as you complete the shower event where Rachel and Sally give you a titjob, Rachel's questlog will say that you should summon Rachel to your office for punishment and fuck her ass with a dildo.

However, you cannot actually fuck Rachel's ass with a dildo until you have completed the dildo training ([QST03.05](#)), raised her to punishment level 8 and used the vaginal dildo on her ([QST03.06](#)).

If you are having problems completing this action, please make sure that you've completed the dildo training and have raised her to level 8.

Teach football matches until Charlotte's team play bottomless, and then Sally and Rachel argue in the shower before rubbing their breasts against your cock ([QST03.08](#)). In the evening, summon Rachel to your office for punishment.

Note: as soon as you complete the shower with Rachel and Sally, you may be asked if you would like to summon a girl to your office for punishment. If you choose Rachel, you can then complete this action immediately after you have finished the dildo practice.

Rachel will start the punishment at Level 8. Order her to strip naked. Position her with hands above her head and use the camera to take pictures. Position her bent over the desk and give her a hand (or ruler) and paddle spanking.

Make sure the headmaster (not Miss Newman) is selected as the disciplinarian. Have her straddle the headmaster's lap, and spank her while facing you. Put her

in the diaper position and insert a dildo into her vagina. Put her over the knee and then insert a dildo into her anus.

You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 9).

At the end of the punishment you will cuddle with Rachel, and then she will ask you if you want to her to make you feel good (by making you cum). You can say yes and choose what type of sexual activity you want Rachel to do, or you can say "not today", in which case the scene will end.

[QST03.12] Have Sex with Sally in Front of Rachel

Full description = (1) Learning to Share – Rachel still doesn't understand that your penis is not her toy, it's an important tool for maintaining discipline for both staff and students alike. It might be best if Rachel watches it in action. **Teach a football class** and then have sex with Sally in front of Rachel.

Full description = (2) Advanced Disciplinary Techniques – Rachel has taken the medium sized dildo in both her ass and pussy now. It won't be long until she is ready for your cock. Miss Newman will need to be present though, so first she needs to learn the benefits of a disciplinary fucking first hand.

Note: you will complete these two actions together.

Once the pool is open ([QST03.09](#)) and you have raised Rachel to punishment level 9 ([QST03.11](#)), you will see a scene with Sally the following weekday morning. Sally says schedule has been changed to that whenever you are teaching football, she will be teaching swimming. Sally then leaves before you can give her a copy of the poolside safety rules.

In the afternoon, teach a football class. Before your class, you will see Sally, and you ask her to read the poolside safety rules to the girls. After your class, you go to the swimming pool, and find that Sally disobeyed your orders and didn't read the safety rules.

You punish Sally by giving her a spanking with the paddle and then giving her a hard anal fucking in front of Rachel.

[QST03.13] Join Rachel and Sally in the Shower Again

Full description = (1) Learning to Share – Rachel sat and watched as you roughly fucked her teacher's ass. Hopefully, Rachel now understands how important your penis is in maintaining discipline and that she cannot

have it all to herself. Perhaps now she will be more willing to share.
Teach a football class and join Rachel and Sally in the shower again.

Full description = (2) Advanced Disciplinary Techniques – Rachel has taken the medium sized dildo in both her ass and pussy now. It won't be long until she is ready for your cock. Miss Newman has been taught the benefits of disciplinary sex. All you need to do is wait for Rachel to misbehave sufficiently.

Note: you will complete these two actions together.

Complete Sally's punishment where you spank her with the paddle and then give her a hard anal fucking ([QST03.12](#)).

In the afternoon, teach a football class. Before your class, Sally will tell you that she'll see you in the locker room afterwards. After the class, Sally says that she will shower with you, but Rachel then tells you went to the lake. You decide that you need to finish your shower quickly and look for Sally. You then discover that Rachel locked Sally in the sports supply cupboard. You then tell Rachel that you will punish her in your office.

[QST03.14] Punish Rachel in your Office

Full description = (1) Learning to Share – Rachel locked Miss Newman in a cupboard rather than share you with her. Such willful insubordination cannot be tolerated. The time for fun and games is over. Only your most advanced disciplinary techniques can help now.

Full description = (2) Advanced Disciplinary Techniques – The time has finally come. **Punish Rachel in your office** and have sex with her.

Complete the shower scene where Rachel locks Sally in the sports supply cupboard ([QST03.13](#)). You will then automatically punish Rachel after school.

Rachel will start the punishment at Level 9. Order her to strip naked. Position her with hands above her head and use the camera to take pictures. Position her bent over the desk and give her a ruler and paddle spanking.

Put her over the knee and then insert a dildo into her anus. Put her in the diaper position and insert a dildo into her vagina.

Make sure the headmaster (not Miss Newman) is selected as the disciplinarian. Have her straddle the headmaster's lap, and have sex with Rachel.

Note: before you have sex with Rachel for the first time, there is a scene where Rachel says she hates Miss Newman, because she has big boobs and a perfect body. Sally then says she has severe dyslexia and can barely read or write, which means people treat her as a big-titted blonde simpleton. Sally is actually jealous of Rachel.

Rachel then apologizes to Sally. You have sex with Rachel, and then you have a threesome with Rachel and Sally.

You will then get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 10).

At the end of Rachel's punishment, she tells you that she loves you. You can say I love you back, or you can choose not to say it.

[QST04b] The Spanking Connoisseur (Chapter 2)

Description

A young athlete named Amy is constantly late and always runs around at dangerous speeds as a result. It's a bad habit that is disruptive to your lessons and you fear she might one day injure someone. From observation of the girl during her punishments you have determined that she is a masochist, deriving sexual pleasure from pain. A girl like that could prove useful to you as a practice subject to help train your staff and Prefects in the art of discipline.

Starting this Quest

In order to complete this part of Amy's quest, you will need to have raised Rachel to punishment level 4 and spied on her room afterwards. See [The Headmaster's Pet Part 1: Chapter 1 \(QST04a\)](#).

You will need to have started Chapter 2 of the game, by completing the Main Quest "A Man's Work" ([QM3](#)) so that you can punish the girls yourself.

If you have not already done so, you will need to purchase the Chastity Panties from the Online Shopping | Clothing option on your office computer. They will cost \$600, and will arrive the following weekday.

If you wish, you may also purchase the cane from the Online Shopping | Sex Toys option on your office computer. It will cost \$500 and will arrive the following weekday.

Note: you can buy the chastity panties and the cane in Chapter 1. However, if you have skipped Chapter 1 and started a game in Chapter 2, then you will not have the chastity panties, and will need to buy them. You will also need to buy the cane if you wish.

[QST04.16] Patrol the halls

Full description = (7) Patrol the halls and look out for Amy misbehaving.

Do a patrol. You will see Amy run into Faye. You will see the nurse treat Faye.

Fun note: if you have completed the "Faye the Faker" event ([OTH13](#)) before this event, you will see an extra scene when the nurse is treating Faye, and Faye pulls down her underwear and asks the nurse to take her temperature to prove she isn't faking her illness.

You will then automatically give Amy a private punishment that evening. At the start of the punishment the option to use the cane will be unlocked.

Amy will start the punishment at Level 3. Remove her clothing & skirt. Amy will volunteer to remove her underwear as well. Position her bent over the desk and give her a hand spanking, ruler spanking and paddle spanking. Position her over the knee, do a hand spanking and massage her buttocks. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 4).

Note: This is just one way of completing the punishment. You can carry out different options if you wish. If you bought the cane (see [QST04.14](#)), you can use that.

At the end of the punishment, give her the chastity belt. You will tell Amy she is not allowed to orgasm for seven days. Debbie will put the chastity belt on Amy for you.

[QST04.17] Spy on Amy and Debbie

Full description = (7) Spy on Amy and Debbie in the dorm room shower.

In the evening, spy on the shower room. You will see Debbie helping Amy to take a shower.

[QST04.18] Resist Amy's Attempts

Full description = (7) Resist Amy's attempts to get you to remove her underwear for one whole week.

The first weekday morning after you put the chastity panties on Amy, she will come to your office and beg you to remove the chastity underwear. You will refuse.

The next weekday morning, Amy will beg again, but this time she will offer to show you her boobs. The morning after that, she will come to your office again, and offer to jerk you off. The next morning, she will offer to suck your cock.

You can accept or refuse these offers. If you accept, you see a scene with Amy making good on her offer, but the timer will reset, which means you will have to replay the whole week over again until you refuse.

The following weekday morning, Amy will come to your office again and offer to fuck you. You will tell her to come back after school. In the evening, you will automatically remove the chastity panties and then give Amy a private punishment.

Amy will start the punishment at Level 4. Remove her clothing & skirt. She won't be wearing any underwear.

Position her bent over the desk and give her a hand spanking, ruler spanking, and paddle spanking. Put her in the diaper position and use the riding crop on her inner thigh. Position her over your knee, give her a hand spanking and massage her buttocks. You will get a message saying you have maxed out her pain, humiliation and pleasure and raised her to the next level (level 5).

Note: This is just one way of completing the punishment. You can carry out different options if you wish. If you have the cane, you can use that.

At the end of the punishment, assign her a role. You will show her your copy of the Future Female Sports Stars magazine (from [QST04.07](#)) and you will have anal sex with her. She will then and she will agree to become a practice subject to help train other staff and Prefects in the art of discipline.

[QST05] The Reluctant Rebel

Description

Initial Description:

Mr Mykock told you that the school's owners had taken a particular interest in one of the students, Priti, and have offered you additional incentive to watch her being punished in our office. However, Priti is doing well at school and is top of your class, so you have no real reason to punish her. Perhaps though she has some other character flaws that can be solved using your punishment methods.

Once you have chosen Priti's path:

You witnessed Priti giving her completed homework to another girl, Harriet, in exchange for chocolate. When confronted, Priti claimed to have a weakness for chocolate. You learned that she had been denied it by her overbearing mother, and that was why she could not control her cravings. However, you realized that this was the tip of the iceberg and there were much stronger desires than chocolate that Priti's mother had her repress. Priti's inability to act on her desires had left her weak-willed, timid and unable to stand up for herself. You resolved to help Priti by encouraging her to do the things her mother wouldn't approve of and learn the nature of her repressed desires.

Unlocking this Quest

To unlock this event, you will need to complete the "A Man's Work" (QM3) main quest and start the "Leave No Girl's Behind" (QM4) main quest.

On Tuesday morning, Mr Mykock will speak to you and tell you that the school owners are interested in seeing Priti being punished in your office, and would be willing to pay double the normal rate for disciplining students. This quest will then unlock.

[QST05.01] Observe Priti in Class

Full description = (1) Observe Priti in class and watch for any misbehavior.

Teach classes until you get an event where you ask your class how long Tsar Nicholas II served as Emperor of Russia. Priti will correctly answer.

You tell yourself that Priti is an excellent student, and she should really be at university already. However, you wonder if there is some other aspect of her behavior that needs improving. You decide to watch out for her when you patrol.

[QST05.02] Observe Priti Whilst Patrolling the Halls

Full description = (1) Observe Priti whilst patrolling the halls

During the week, do a patrol. You will see Harriet and Priti talking. You hear Priti wanting something, but saying she doesn't have any money. Harriet tells Priti there are other ways to pay. Priti agrees, and Harriet says she will visit Priti in her room that night.

[QST05.03] Spy on Priti's Room

Full description = (1) Spy on Priti's room and find out what she was planning with Harriet.

In the evening, spy on Priti's room. (Note: if you have not already spied on her, then Priti's room will initially be shown as an "unknown room")

You will see that Priti has done math homework for Harriet in exchange for a bar of chocolate. You tell yourself this is a terrible scandal and that you should summon Priti to your office. Grades will decrease by 5 points.

Note: there is a special spy event that happens near the start of Chapter 2, where you smell Marijuana and you ask Maria Consuelo to do a search. See [REFR05](#) for details. If you have not already seen this event, you may get it when you try to spy on Priti. If this happens, simply spy on Priti the following evening.

Game note: you are told that grades will decrease by 5 every week until you resolve the issue. However, you do not actually get a weekly grade decrease.

[QST05.04] Summon Priti to your office

Full description = (1) Summon Priti to your office

During the day, use your office phone to call Priti to your office. She will immediately confess to giving Harriet the answers to Mr Wilson's homework. She asks if you will punish her. You get tell her that you won't punish her, or that you are afraid you must punish her.

Note: if you say you must punish her, you will spank her at the end of this event. However, it does not affect the choices you make later in the scene about whether to punish her again in the future.

You talk to her and discover that Priti's weakness is her repressed desires. Priti has been repressed her whole life and subconsciously yearns to be free from the

control of others. You decide that need to help Priti become more rebellious. You then have to choose how to do this:

- You can encourage her to act on her repressed desires, which involves you helping Priti without resorting to punishments. (This is the “**desires**” path.)
- Or you can to act on her repressed desires as well as deliberately breaking the rules, which involves you punishing Priti. (This is the “**punishment**” path.)

If you selected the Desires path, Priti admits that she liked it when you took pictures of her in a bikini. You tell her that you will arrange more photo sessions as a way to learn to do things her mother wouldn’t approve of. You agree to take a photoshoot of her after the play rehearsal on Wednesday evening.

If you selected the Punishment path, you tell her that she needs to purposely get herself in trouble, and that she will be punished afterwards. She then also admits that she liked it when you took pictures of her in a bikini, and you tell her that you will arrange more photo sessions. You agree to take a photoshoot of her after the play rehearsal on Wednesday evening.

If you chose to spank her earlier, then you will spank her now, and earn \$400.

Note: *if you previously forced Priti to strip when taking the photos for Mr Wilson (see [QSF3.05](#)) then when you select the desires or punishment path, you will tell yourself that that you need Priti to trust you, but you broke that trust.*

You will need to complete an extra task (getting Priti to model the school uniforms and swimsuits) before you can continue with Priti’s quest. See [QST05.06](#) for details.

Game Note: *in version 0.12.3.1 Public, Priti’s student quest may not properly update if you forced her to strip and then choose the desires path. It may not show the requirement to open the cafeteria and order the chocolate cake from the manager ([QST05.09](#)).*

However, you can still complete the task (for example, by following the instructions in this walkthrough instead of the questlog). Priti’s student questlog will be properly updated once you have been given the cake by the manager. (Alternatively, you may find it easier to follow the punishment path instead.)

The following morning, you will get a scene with Priti before school where you tell Priti that you think she has repressed her normal desires. You say that you will

stop by the sports center on Wednesday after the school play to do another photoshoot. Priti also tells you that her favorite type of chocolate is chocolate cake. This unlocks a further task for Priti ([QST05.10](#)).

You then tell yourself that Harriet is the true criminal deserving of punishment, and you need to deal with her as a priority, otherwise grades may decline rapidly. This unlocks Harriet's Student Quest ([QST08](#)).

If you selected the Desires paths, see [QST05.08](#) and [QST05.09](#) for the next actions. If you selected the Punishment path, then see [QST05.05](#), [QST05.08](#) and [QST05.09](#).

Fun note: if you selected the Punishment path, you can do a fun body search on Priti on Tuesday morning where she tries to break the rules by hiding a liqueur chocolate.

[QST05.05] Punish Priti in Your Office (to Level 2)

Full description = (1) Learning to rebel – if Priti can't rebel against you, then how can she hope to do so against her mother? You, therefore, convinced Priti of the need to be naughty. **Catch Priti Misbehaving in class and punish her in your office.**

If you have not already done so, you will need to buy the Aloe Vera Cream first. To do this, you will need to punish Rachel and spy on her room afterwards. See [RAC01](#).

Teach classes until Priti throws a ball of paper at your head. To progress this quest, order her to your office after school. Priti will then automatically report to your office after the afternoon classes. Choose to give her a private punishment.

Note #1: You can also choose to ask Priti an impossible question during the Friday pop quiz. She will give a deliberately rude answer, and you can choose to punish her in your office.

Note #2: see [Bad Girl Priti \(CLA17\)](#) for the other punishment options you can choose. The other options can give you discipline/grade points but will not progress Priti's student quest.

Priti will start this punishment at Level 1. Remove her clothing & skirt. (If you have passed the strip to underwear rule, you can choose to do that instead.)

Position her bent over the desk and do a hand spanking and ruler spanking. Position her over the knee and apply the ointment, spank her and massage her buttocks. You will then get a message saying that you have raised her to the next level (level 2).

If you have already taken photos of Priti after the school play rehearsal (QST05.08) and have bought the cake from Patricia (QST05.09), then at the end of Priti's punishment you will tell yourself that you think Priti has made progress in becoming more confident and rebellious, and that she's ready for a little test. See QST05.10.

[QST05.06] Wait for Priti to Speak with You Again

Note: you will only see this quest if you previously forced Priti to strip (instead of tricking her) when taking the photos for Mr Wilson (see QSF3.05).

The following weekday morning, you will get a scene with Priti before school where you tell Priti that you think she has repressed her normal desires. You decide to go ahead with the photoshoot you had previously been considering when Mr Wilson wanted naked pictures of her.

[QST05.07] Purchase the Uniform Samples

Note: you will only see this quest if you previously forced Priti to strip (instead of tricking her) when taking the photos for Mr Wilson (see QSF3.05).

Full description = (2) Understanding her Desires – Priti is repressing her desires and they are bubbling up inside her waiting to explode. You urgently need to help her understand her needs and how to satisfy them. You suspect that Priti is secretly proud of her body and has a repressed desire to show it off. You, therefore, concocted a ruse to have her pose for photos in your office to test your theory. **Purchase the new uniform samples online, then summon Priti to your office during school hours**

Once you have \$1200, buy the School Swimwear Samples from the Online Shopping | Electronics option on your office computer. It will arrive the following weekday.

You can then use your phone to summon Priti again and complete the photoshoot. During the photoshoot you agree to take further photos of Priti after the school play rehearsal.

Game Note: If you previously forced Priti to strip, then the maximum number of Influence points you will be able to get is 10. However, in order to complete the student quests for Priti and Harriet you will need to pass the topless punishment rule, which requires 11 influence points. In the

current version of the game, it is recommended you use the [cheat menu](#) to add an extra influence point and allow you to continue.

[QST05.08] Meet Priti After the School Play

Full description = (2) Understanding her Desires – Priti is repressing her desires and they are bubbling up inside her waiting to explode. You urgently need to help her understand her needs and how to satisfy them. She says that she enjoyed your photoshoot together and that her mother certainly wouldn't have approved. Perhaps it's time for another photo shoot. **Meet Priti after the school play rehearsal on Wednesday evening in the gymnasium.**

Note: if you choose the Desires path, this task is shown as number (1), not (2).

On Wednesday evening, go to the gym (in the sports center).

Note: If you have not already completed it, you will see the Drama Night Part 2 event (OTH02), where Emily gives out the new costumes. Miss Potts will ask if you want to stay and watch the rehearsal of the first act. You can agree or disagree. See OTH02 for details. You will then need to visit the gym again the following Wednesday to complete this task.

At the gym, Claire will tell you that the girls are rehearsing again. Priti appears as Aphrodite. You tell yourself that posing in a skimpy outfit for the play should help Priti improve her confidence. You think that getting Priti to appear on stage fully naked would help even more, but first you need to get her more accustomed to showing off her body in private.

Note: you do not need to have seen Drama Night Part 2. However, the dialogue makes more sense if you have.

After the girls have finished rehearsing, you will have a private photoshoot with Priti.

Note: if you are on the non-punishment path, Priti will now advance to the next level (level 2).

At the end of the photoshoot, you will tell Priti that you want to test her confidence. You can now summon Priti to your office at any time during the school day by using your office phone.

[QST05.09] Open the Cafeteria and Speak with the Manager

Full description (Punishment path) =

(3) Complete tasks 1 and 2 and then test Priti's confidence and ability to act on her desires. You're going to need to find something she really craves. **Open the cafeteria and speak with the manager about purchasing a chocolate cake.**

Full description (Desires path) =

(2) Complete task 1 and then test Priti's confidence and ability to act on her desires. You're going to need to find something she really craves. **Open the cafeteria and speak with the manager about purchasing a chocolate cake.**

If you have not already done so, you will need to build the cafeteria. To do this, buy the "Cafeteria" from the Upgrade Facilities option on your computer. It will cost \$5,000. It takes a week before the cafeteria is ready.

You will also need to recruit Patricia Taylor, the Restaurant Manager, to run the cafeteria. To do this, you will need to complete the First Date with Samantha (OTH14), Meeting Lily (OTH15), The New Dinner Lady (OFF04) and Maxine's Demand (PAP02).

Note: Make sure that you have completed the paperwork event "Maxine's demand". If you build the cafeteria and recruit the dinner lady, but have not completed Maxine's demand, then Patricia will not actually start.

Instead, when you visit the cafeteria you will get the (slightly confusing) message: "the cafeteria construction has been completed. I have a restaurant manager now so I just need to wait for the construction to be completed."

Once you have completed these, then in the morning Samantha will tell you that Patricia will be starting work at the new cafeteria, and her daughter Arabella will be starting school as well. Samantha also tells you she has created a rota of students to help Patricia in the cafeteria.

Note: Patricia will not start on a Friday morning. Instead, Samantha will speak to you the following Monday morning.

In the afternoon, go to the cafeteria. The first time you visit the cafeteria, you will see the Duchess in the Kitchen event (SCH13), where Patricia punishes Donna.

The following day, go to the cafeteria in the afternoon again. You will Harriet asking Priti why she was called to the Headmaster's office. Harriet also says that Priti is sexually repressed.

Note: if you had already built the cafeteria, you may have already seen the scene where Donna is punished. If this case, you will automatically see the scene with Harriet and Priti instead.

Afterwards, you will automatically speak to Patricia and ask her to bake a chocolate velvet cake. It will cost \$500. Patricia will deliver it to you the following morning.

Note #1: You can speak to Patricia and buy the chocolate cake before you have punished Priti ([QST05.05](#)) and/or done Priti's photoshoot after the play ([QST05.08](#)).

Note #2: Patricia will not deliver the cake on a Friday morning. Instead, she will deliver it on the following Monday morning.

Note #3: If you do not have \$500, then you say that you'll have to come back later, as you don't have the cash. Wait until you have \$500, and visit the cafeteria again.

[QST05.10] Test 1: The Chocolate Cake

Full description (Punishment path) =

(3) Test Priti's confidence and ability to stand up to authority using the chocolate cake Patricia made for you. Complete tasks 1 and 2 and test Priti's progress in your office. You can do this either after her punishment or by summoning her with the phone on your desk.

Full description (Desires path) =

(2) Test Priti's confidence and ability to stand up to authority using the chocolate cake Patricia made for you. **Complete task 1 and test Priti's progress by summoning her to your office.**

If you are on the punishment path, you will need to complete [QST05.05](#) (punishing Priti), [QST05.08](#) (taking photos of Priti after the school play rehearsal) and [QST05.09](#) (getting the cake from Patricia).

If you are on the desires path, you will need to complete [QST05.08](#) (taking photos of Priti after the school play rehearsal) and [QST05.09](#) (getting the cake from Patricia).

Use your office phone to call Priti to your office. You will tell her it's time to test her ability to act on her desires. Choose "Test 1 – Your desire for chocolate". You leave Priti alone in your office with the cake, and tell her that failed the test, because she didn't rebel and eat the cake. Priti then licks the chocolate off your fingers, and you give her another slice of cake.

Note (punishment path only):

If you had already taken photos of Priti after the school play rehearsal (QST05.08) and bought the cake from Patricia (QST05.09) before you punished Priti, then you don't need to use the office phone. Instead, you can automatically test Priti's progress at the end of her punishment.

You then agree that you will buy a new bikini for Priti to wear on the beach. You tell Priti to meet you on the beach on Saturday afternoon.

Once this task is complete, the quest log will be updated. If you encouraged Priti to act on her repressed desires (without resorting to punishments), see [QST05.12](#) and [QST05.13](#) for the next actions. If you encouraged her break the rules as well as act on her repressed desires, then see [QST05.11](#), [QST05.12](#) and [QST05.13](#).

[QST05.11] Punish Priti in Your Office (to Level 3)

Full description = (1) Learning to Rebel – Priti is becoming a little more rebellious but she still needs more experience at being naughty. Catch Priti misbehaving in class and then punish her in your office.

If you have not already done so, you will need to pass the “strip to underwear” rule. To do this, pass the Corporal Punishment rule "students may be ordered to strip down to their underwear" at the Friday board meeting. You will need Influence 10 and Discipline 55.

Teach classes until you see a scene where Priti spansks you as you are collecting homework answers from the class. To progress this quest, order her to your office after school. Priti will then automatically report to your office after the afternoon classes. Choose to give her a private punishment.

Note #1: You can also choose to ask Priti an impossible question during the Friday pop quiz. She will give a deliberately rude answer, and you can choose to punish her in your office.

Note #2: when Priti misbehaves in class, there are other punishment options you can choose. The other options can give you discipline/grade points but will not progress Priti's student quest. However, the event will randomly repeat when you teach a class so you can then choose a different option.

(The Bad Girl Priti guide (CLA17) includes a list of the other punishment options/outcomes you can choose for Priti. These are identical to the options available in this event.)

Priti will start the punishment at level 2. Tell her to strip to her underwear. Position her bent over the desk and give her a ruler spanking and paddle spanking. Position her over the knee, apply the ointment, massage her buttocks, massage her inner thighs, and give her a spanking. You will then get a message saying that you have raised her to the next level (level 3).

[QST05.12] Purchase a Bikini and Meet Priti on the Beach

Full description = (2) Understanding her Desires – as you suspected, Priti has a repressed desire to feel sexy. She confessed that she's always wanted to wear a bikini on the beach but her mother wouldn't let her. You should buy her a new bikini and encourage her to wear it in public.

Purchase a string bikini and meet Priti on the beach on a Saturday afternoon.

Note: if you choose the Desires path, this task is shown as number (1), not (2).

Buy the string bikini from the Online Shopping | Clothing option on your office computer. It will cost \$500, and will arrive the following weekday.

On Saturday afternoon, go to the Lake. You will give Priti the string bikini and she will spend the day at the beach, getting lots of attention from the rest of the girls and posing for pictures. You think that Priti is feeling very sexually frustrated and that she's either not masturbating regularly or she is, but feeling guilty about doing so. You tell yourself you need to summon her to your office to test her on what she's learned so far.

Note: if you are on the non-punishment path, Priti will now advance to the next level (level 3).

[QST05.13] Test 2: Desire to Feel Sexy

Full description (Punishment path) =

(3) Test Priti's ability to act on her desire to feel sexy. Complete tasks 1 and 2 and test Priti's progress in your office. You can do this either after her punishment or by summoning her with the phone on your desk.

Full description (Desires path) =

(2) Test Priti's ability to act on her desire to feel sexy. **Complete task 1 and test Priti's progress by summoning her to your office.**

If you are on the punishment path, you will need to complete [QST05.11](#) (punishing Priti) and [QST05.12](#) (giving Priti the string bikini at the beach).

If you are on the desires path, you will need to complete [QST05.12](#) (giving Priti the string bikini at the beach).

Use your office phone to call Priti to your office. You will tell her it's time to test her ability to act on her desires. Choose "Test 2 – Your desire to feel attractive". You tell her that you want her to alter her uniform in a way that complies with the exact wording of the rules but makes a mockery of the school's uniform policy. You then tell yourself that you should spy on her to see how she's getting on.

Note (punishment path only):

If you had already seen Priti at the beach in her new bikini ([QST05.12](#)) before you punished Priti, then you don't need to use the office phone. Instead, you can automatically test Priti's progress at the end of her punishment.

[\[QST05.14\] Spy on Priti's Room and Complete Harriet's Questline](#)

Full description = (3) You decided to test Priti's ability to act on her desire to feel sexy by telling her to make some alterations to her uniform. **Spy on her room in the evening** to see how she is getting on with the task. You will also need to **complete Harriet's questline** to continue with Priti's story.

Note: This description only appears if you have not completed the first part of Harriet's student quest and made her the dormitory maid. If you have already completed this part of Harriet's quest, please see [QST05.15](#), below, instead.

Complete [QST08.01](#) to [QST08.06](#) of Harriet's student quest. This involves doing patrols to find out about Harriet's activities, doing a body search of Harriet and agreeing her punishment at the school board. You will then teach a class and see a punishment scene with Harriet. You strip Harriet to the waist and then announce her punishment as the new dormitory maid.

You can then complete the rest of Priti's quest. See [QST05.15](#).

Note: *there is no point spying on Priti's room before the classroom punishment scene with Harriet ([QST08.06](#)). You will only see "placeholder" scenes that do not advance the storyline.*

There are 2 different placeholder scenes. If you spy on Priti's room before doing the body search of Harriet, you will see Harriet giving Priti another bar of chocolate in exchange for more homework answers. You tell yourself that you don't think you're going to make much progress with Priti until you've dealt with Harriet.

If you spy on Priti's room after doing the body search, you will simply see Priti is doing her homework at her desk.

[QST05.15] Uniform Alterations: Spy on Priti's Room

Full description = (3) You decided to test Priti's ability to act on her desire to feel sexy by telling her to make some alterations to her uniform. **Spy on her room in the evening** to see how she is getting on with the task.

Note: *if you have not completed the first part of Harriet's student quest and make her the dormitory maid, then the description will include an extra line about the need to complete Harriet's student questline at the end. See [QST05.14](#) for information.*

In the evening, spy on the dorms. If you have not already done so, you will need to spy on Liz's room first. You will see Harriet in her maid's costume, being given chores by Liz and Emily (See [QST08.07](#) for details).

After you have seen the scene in Liz's room, spy on Priti's room. You will see Harriet hiding in Priti's room while Priti is studying the uniform policy.

[QST05.16] Uniform Alterations: Teach a Class

Full description = (3) You decided to test Priti's ability to act on her desire to feel sexy by telling her to make some alterations to her uniform. **Teach a class** to see what changes she can come up with

If you are on the Desires path, and you have not already done so, you will need to pass the "strip to underwear" rule. To do this, pass the Corporal Punishment rule "students may be ordered to strip down to their underwear" at the Friday board meeting. You will need Influence 10 and Discipline 55.

Note: *if you are on the Punishment path you will have already passed this rule when you raised Priti to Level 3 ([QST05.11](#)).*

Teach a class. Priti will attend class in a very skimpy uniform. You will talk to her in your office after class, and then masturbate her.

Note: *if you are on the non-punishment path, Priti will now increase to the next level (level 4).*

You tell yourself that you will need to teach Priti how to masturbate herself regularly. You also decide that she should have some sexy nightwear to wear, to get her in the right frame of mind.

Once this task is complete, the quest log will be updated.

If you are on the punishment path, see [QST05.17](#), [QST05.18](#) and [QST05.20](#). If you are on the Desires path, then see [QST05.18](#) and [QST05.20](#) for the next actions.

[QST05.17] Catch Priti Misbehaving (raise to Level 4)

Full description = (1) Learning to Rebel – Priti's ability to rebel is improving and she's becoming a little more naughty. However, she still has a long way to go. Catch Priti misbehaving in class and then punish her in your office.

Teach a class. Priti will arrive in her skimpy uniform, remove her tie, and then calls you a big dummy. To progress this quest, order her to your office after school. You will get +1 grades.

***Note:** If you choose to punish her in class (either by spanking her or giving her an enhanced nudity punishment), then you will get discipline/grade points, but you will not progress Priti's quest.*

However, if you teach further classes, then this event will then randomly happen again. You can then choose to order her to your office after school and continue this quest.

See [STP09](#) for more details of the in-class punishment options.

Priti will then automatically report to your office after the afternoon classes. Choose to give her a private punishment.

Priti will start this punishment at Level 3. Order her to strip to her underwear. Because Priti isn't wearing a bra, this will mean she will just be wearing her panties. Position her with hands above her head and then pinch her nipples and lick her nipples.

Position her bent over the desk and give her a hand spanking, ruler spanking and paddle spanking. Position her over the knee and rub her pussy. You will then get a message saying that you have raised her to the next level (level 4).

[QST05.18] Speak with Priti Again

Full description = (2) Understanding her Desires – Priti confessed to masturbating occasionally but says she always felt deep shame afterwards. You strong believe that young women should never be ashamed of their sexual desires. You, therefore, decided to help rid her of that shame by having her masturbate in front of you. Unfortunately, she

lacks the confidence for that yet. **Wait until the next weekday morning to speak with Priti again.**

After Priti wears her skimpy uniform to class and you masturbate her afterwards (QST05.16), you will automatically see a scene the next morning.

Priti, dressed in her skimpy uniform, talks to you. You suggest that she needs to appear fully naked in the school play. See QST05.19 for the next stage.

[QST05.19] Go to the Gymnasium on a Wednesday Evening

Full description = (2) Understanding her Desires – Priti confessed to masturbating occasionally but says she always felt deep shame afterwards. You strongly believe that young women should never be ashamed of their sexual desires. You, therefore, decided to help rid her of that shame by having her masturbate in front of you. First, she will need to build up her confidence. You suggested she perform nude in the next play rehearsal as a way to improve her confidence. **Go to the gymnasium on a Wednesday evening.**

Note: if you choose the Desires path, this task is shown as number (1), not (2).

On Wednesday evening, go to the gym (in the sports center). You will see Priti appear naked on stage while playing the roles of Aphrodite and Pandora. This task will then be completed.

[QST05.20] Purchase New Nightwear for Her to Wear

Full description (Punishment path) =

(3) Complete steps 1 and 2 and then test Priti's ability to act on her desire for self love. **Purchase new nightwear for her to wear.**

Full description (Desires path) =

(2) Complete steps 1 and then test Priti's ability to act on her desire for self love. **Purchase new nightwear for her to wear.**

Buy the sexy night wear from the Online Shopping | Clothing option on your office computer. It will cost \$800, and will arrive the following weekday.

[QST05.21] Test 3: Desire for Self Love

Full description = (3) Test Priti's ability to act on her desire for self love. **Complete tasks 1 and 2 and test Priti's progress in your office.** You can do this either after her punishment or by summoning her with the phone on your desk.

Note: if you choose the Desires path, this task is shown as number (2), not (3).

If you are on the punishment path, you will need to complete [QST05.17](#) (punishing Priti), [QST05.19](#) (seeing Priti naked in the school play) and [QST05.20](#) (buying the sexy underwear).

If you are on the desires path, you will need to complete [QST05.19](#) (seeing Priti naked in the school play) and [QST05.20](#) (buying the sexy underwear).

Use your office phone to call Priti to your office. You will tell her it's time to test her ability to act on her desires. Choose "Test 3 – Your desire for self love".

Note (punishment path only):

If you have already seen Priti naked on stage and bought the sexy night wear before you punished Priti, then you don't need to use the office phone. Instead, you can automatically test Priti's progress at the end of her punishment.

Priti says she thinks that touching herself is shameful. You and Priti both remove your clothes and masturbate together. You then tell Priti that you want her to try masturbating again as soon as possible, and you give her the sexy night wear. You tell yourself that you should spy on Priti's room to see how she looks in her new nightclothes.

[QST05.22] Sexy Lingerie: Spy on Priti's Room

Full description = (3) You have been teaching Priti that it's OK to touch herself. You gave her some sexy lingerie to wear in her dorm room at night to help get her in the right mood. **Spy on Priti's room.**

Note: if you choose the Desires path, this task is shown as number (2), not (3).

In the evening, spy on Priti's room. You will see Priti in her sexy lingerie. Harriet, in her maid's uniform, tries to hide in Priti's room. Priti gets Debbie and gives Harriet a spanking. Priti then masturbates herself.

[QST05.23] Wait and See What Happens

Full description = (1) Thanks to all your help Priti is starting to become much more confident. She stood up for herself against Harriet and even gave her a spanking. You wonder what she will do next. **Wait and see what happens.**

The weekday after you see Priti spanking Harriet ([QST05.22](#)), this event will automatically occur. It will happen at the start of the afternoon. You go to the cafeteria, and see Cassandra trying to tease Priti, who ends up starting a food fight.

Note: If you press "skip day" during the morning, you will not see this event. Either carry out an event (e.g. teach a class, do a patrol) or use "skip period" instead.

You then hose down the girls to clean them and force them to attend the afternoon classes naked. You get discipline +5 and grades +5. You then tell Priti to report to your office for additional punishment. See [QST05.24](#).

[QST05.24] Decide on Priti's Fate

Full description = (1) Priti stood up for herself against a bully but inadvertently started a major food fight in the process. **Wait until after school and decide on Priti's fate.**

After the food fight and the subsequent afternoon class (where the food fight participants were naked), Priti will then automatically report to your office. You can decide to tell her that she must be punished, or that you won't punish her. If you decide to punish her, see [QST05.25](#).

If you decide not to punish Priti, you tell her that you would have loved to do the same to Cassandra as she did, and that Priti's proved how brave and confident she's become. However, Priti then suggests that she'd like a punishment from you.

You can choose to punish her anyway, as it's what she wants, or you can refuse to punish her. If you decide to punish her anyway, see [QST05.25](#). If you refuse to punish her, see [QST05.26](#).

Note: during this scene, it doesn't matter if Priti is on the punishment path or the desires path. You can choose to spank her even if she is on the desires path, and you can level her up without spanking her even if she is on the punishment path.

[QST05.25] Punish Priti (to Level 5)

Full description = (1) Priti stood up for herself against a bully but inadvertently started a major food fight in the process. Although you didn't blame her for her actions you decided she needed to be punished. **Punish Priti and raise her level using the punishment system.**

You tell Priti that it would be unprofessional to allow her act to go unpunished, and that the other girls will be expecting her to return with a red bottom. Priti then asks if you would like her to be your girlfriend. You can say that you should just be friends, or that you'd like to be her boyfriend but only after graduation. Miss Newman will then arrive and you will start the punishment.

Priti will start this punishment at Level 4. She is already naked. Position her bent over the desk and give her a hand spanking, ruler spanking and paddle spanking. Position her over the knee, massage her inner thighs and rub her pussy. Position her with hands above her head and finger her. You will then get a message saying that you have raised her to the next level (level 5).

Note: if you have choose the punishment path, you can also choose to pinch her nipples and lick her nipples instead of massaging her inner thighs and rubbing her pussy.

At the end of the punishment, choose "Test 4 – Your desire towards the opposite sex". You ask Priti to tell you what she desires most. Priti tells you that she would like to do another photoshoot with you, and she would like some more cake. You agree to meet her at the cafeteria on Saturday afternoon so that Priti can bake a cake and you can do the photoshoot at the same time. See [QST05.27](#).

[QST05.26] Test 4: Desire for the opposite sex

Full description = (1) Priti stood up for herself against a bully but inadvertently started a major food fight in the process. She accepted responsibility and offered herself up for punishment. However, you saw no need to spank her. Her training has been successful and there is no need to correct her behavior further. She is ready for your next test. Test Priti's ability to act on her desire for the opposite sex.

You tell Priti that you won't spank her for standing up for herself. Priti increases to the next level (level 5).

Priti then asks if you would like her to be your girlfriend. You can say that you should just be friends, or that you'd like to be her boyfriend but only after graduation.

At the end of the punishment, choose "Test 4 – Your desire towards the opposite sex". You ask Priti to tell you what she desires most. Priti tells you that she would like to do another photoshoot with you, and she would like some more cake. You agree to meet her at the cafeteria on Saturday afternoon so that Priti can bake a cake and you can do the photoshoot at the same time. See [QST05.27](#).

[QST05.27] Meet Priti at the Cafeteria on Saturday

Full description = (1) With your help Priti is blossoming into the brave and confident woman you always knew she could be. For her final test, you asked her what she desired most. She asked to do another photoshoot together and to eat more cake. You suggested meeting at the cafeteria at the weekend when it will be empty. **Meet Priti at the cafeteria on Saturday afternoon.**

On Saturday afternoon, go to the cafeteria. Priti bakes a cake whilst stripping naked, and you take photos of her. You then have a sixty-nine with her.

You assign her a new role as student counselor. Priti agrees that you can summon her to your office for punishment anytime you want. You also say that you can meet Priti here on Saturday afternoons so she can practice her cake baking some more.

[QST05.28] End of Priti's Content

Full description = You've reached the end of Priti's content for the current version of the game.

You can summon Priti to your office after school, and give her a punishment. If you go to the cafeteria on Saturday afternoons, you can repeat the scene where Priti bakes a cake and you have a sixty-nine with her.

[QST06] The Accidental Nudist

Description

Emily lost her towel at the beach and had to pretend to be a nudist to avoid a punishment for streaking. You decided that it would be a good idea to open an official school nudist area. First though you wanted to run the idea past Sally.

[QST06a] Unlocking this Quest Part 1: Lucy the Maid

To unlock this event, you first need to employ Lucy as your maid and get her to serve you topless in your garden. If you have already done this, see Unlocking this Quest Part 2 ([QST06b](#)).

Note: If you skipped Chapter 1 and started a game in Chapter 2, then you will have already completed all the actions in Unlocking this Quest Part 1 and Part 2. However, you will still need to spy on Emily ([QST06c](#))

To employ Lucy as your maid, you will need popularity 5+. Do paperwork in your office until Lucy visits you.

Note: The first time you do paperwork, Maxine will introduce herself as the student president. The second time, Lucy will visit you. The third time, Maxine will visit you again. Every additional time you do paperwork, Lucy will come back until you employ her as your maid.

However, if you have completed the New Chapter Event and started Chapter 2 of the game, then you may also need to complete Alice's paperwork event first. For more information about employing Lucy as your maid, see Lucy's Request ([PAP03](#)). For information about completing Alice's events, see Alice Needs Tutoring ([PAP04](#)) and Alice Offers a Deal ([PAP05](#)).

Buy the maid outfit from the Online Shopping | Clothing option on your office computer. It will cost \$400, and will arrive the next day.

On Saturday, get Lucy to wear the maid outfit and pay her the extra \$20. If you take a peek when she's changing, choose "better not push my luck". Lucy will spend the morning cleaning while you rest.

Next Saturday, Lucy will automatically change into her maid's outfit and you will decide to take a bath. You will have the opportunity to expose yourself to Lucy. To do this, choose to get in the bath, and then demand to know where she's been.

The following Saturday, Lucy will automatically change into her maid's outfit. She will break a vase when cleaning. This event will unlock automatically, but if you

lie and say the vase was expensive, then you get the opportunity to spank Lucy. If you exposed yourself to her last Saturday, you will need to give her at least a \$50 tip, or else she will refuse to come the following Saturday.

Buy the apron from the Online Shopping | Clothing option on your office computer. It will cost \$200, and will arrive the next day.

The following Saturday, Lucy will automatically change into her maid outfit and will serve you breakfast. Tell her that the coffee is terrible and then agree to pay her the extra money to wear the apron. You will pay her \$150.

The following Saturday, Lucy will automatically wear the apron again. She will serve you tea in the garden, and you will find out she is allergic to bees. If you lie to her, you will get the opportunity to feel her breasts. You will pay her \$150.

Note: for more information about the various events you can do with Lucy, please see [Lucy the Maid \(HOM01\)](#), [Lucy Runs You a Bath \(HOM02\)](#), [Lucy and the Broken Vase \(HOM03\)](#), [Lucy and the Apron \(HOM04\)](#), and [Lucy and the Bee \(HOM05\)](#).

[QST06b] Unlocking this Quest Part 2: Emily at the Lake

If you have not already done so, at the Friday School Board, choose to open the Lake (see under Other Rules).

Note: you should ensure Discipline is 20+ before you do this, or grades will decrease by -2 every day the Lake is open.

On Sunday morning, go to the lake. You will see Lucy helping Emily to change into her bikini. You will play a trick that will cause Lucy to run away, leaving Emily naked. Ruth then accuses her of being a streaker, and you then convince Emily to become a reluctant nudist to avoid being punished for streaking.

Ruth then suggests that you should designate a particular area of the beach where nudism is permitted.

Complete the A Man's Work main quest ([QM3](#)) and start Chapter 2 of the new game.

[QST06c] Unlocking this Quest Part 3: Spying on Emily

Note: If you skipped Chapter 1 and started a game in Chapter 2, then you will only need to complete this part.

In the evening, spy on Liz's room. You will hear Harriet saying she has heard that Emily is a nudist, and Emily explaining how Lucy left her naked and she had

to pretend to be a nudist to avoid punishment. Liz then wonders if you might allow other girls to go swimming in the nude.

Note: Depending on what other events you have done, and when you last spied on Liz, the girls may talk about other subjects first. See [SPY00a](#) and [SPY00b](#) for a note of all the topics of gossip that the girls discuss.

You tell yourself that Ruth did suggest designating an area of the beach as a nudist area, and that it sounds like something the girls might make use of. You think that you should suggest the idea at the school board, but that you want to run the idea past Sally first.

This quest will then unlock. Liz, Harriet and Emily continue to gossip. Emily tells Liz and Harriet about the only penis she's ever seen, and how she'd "love to see a nice big penis someday".

[QST06.01] Speak with Sally

Full description = (1) Speak with Sally in the men's changing rooms on a weekday afternoon.

On Tuesday, Wednesday or Friday afternoon, speak to Sally in the changing room in the Sports Center. She will tell you that she overheard a rumor about Emily being a nudist. Sally will then tell you that her family were nudists as well. You agree to call Emily to your office for a little chat.

Note #1: If you have not already done so, you will first need to get Sally to speak to you about whether you have found a set of keys. See Sally's Lost Keys ([OTH08](#)) for details.

Note #2: if you have made Rachel your trainee, but you have not yet taught a sports lesson since she became your trainee, then when you go into the changing room you will see the "Sally and Rachel Get Changed" event ([STR03](#)). You will then automatically teach a football game. You will need to go back to the changing room on a Tuesday, Wednesday or Friday afternoon and speak to Sally again.

[QST06.02] Summon Emily and Sally

Full description = (3) Summon Emily and Sally using the phone in your office

Use your office phone to summon Sally and Emily. You and Sally will strip, and then Sally will undress Emily. You will struggle to contain your erection, and you can choose to think un-sexy thoughts, or to just let it happen. Regardless of which option you choose, you get an erection.

You also tell Emily that you will be designating an area of the beach as clothing optional but that you will need permission from the School Board first.

After Emily leaves, Sally will give you a blowjob. Emily then walks back into your office and sees everything, giving her some very juicy gossip to tell her friends later.

Game Note: There is no "action 2" – it jumps from action 1 (Speak with Sally) to action 3 (Summon Emily & Sally).

[QST06.03] Spy on Liz's Room

Full description = (3) Spy on Liz's room to see what Emily tells her friends

In the evening, spy on Liz's room. You will hear Emily telling Liz and Harriet about Sally sucking your cock. You will get horniness +1.

[QST07] The Hostess with Mostess

Description

Cassandra is constantly getting in trouble. Whether it's by using her phone in class or simply by being disrespectful to her teachers. When questioned about her bad attitude Cassandra explained that she has no intention in working hard at school expecting that her good looks will win her a wealthy husband to provide for her. Realizing that you may have found a way to manipulate her into behaving, you offered to help her in her goal of meeting her prince charming in exchange for her good behavior in class.

Meanwhile, Mr Mykock emailed, informing you that some of the school's wealthy financial backers wanted a tour of the school and wished to be shown around by a student. You realized that with the right training Cassandra would be perfect for the role.

Unlocking this Quest

To unlock this event, you will need to raise Cassandra to punishment level 2 and complete the "Cassandra's Shocking Realization" event. This involves punishing Cassandra after class and then spying on Debbie's room twice. (See below, or for more details see [CAS01](#) and [STC01](#)).

Before you can raise Cassandra to Level 2, you will need to pass the Remove Skirts rule by punishing Debbie. See [DEB02](#) for details. You will need Influence 4 and Discipline 25 to pass the rule.

You will also need to buy the Aloe Vera Cream. To do this, you will need to punish Rachel and spy on her room afterwards. See [RAC01](#). The cream will cost \$50 and is available from the Online Shopping | Health option on your office computer.

Give Cassandra a private punishment. You can do this by teaching classes until she misbehaves, or you can complete "Faye's Embarrassing Situation" ([SCH09](#)) by going to the Sports Center on Wednesday afternoon and talking to Faye.

Remove her clothing & skirt. Position her bent over the desk and do both a hand spanking and ruler spanking. Position her over the knee, apply ointment, give her a hand spanking and massage her buttocks. You will then get a message saying that you have raised her to the next level (Level 2).

After you have spanked Cassandra and raised her to level 2, you can you can unlock 2 spying events with Cassandra and Debbie. See Cassandra's Shocking Realization ([STC01](#)) for more details.

Note: it is possible to raise Cassandra to Level 3 before you have completed the spy events. However, you will need to complete them before you can complete [QST07.02](#), below.

The following day, check your email (on your office computer). You will see an email from Mr Mykock. It says that a number of wealthy individuals have expressed an interest in visiting the school, and that he suggests you find a student to take them on a guided tour. You tell yourself that a girl trained to be the perfect hostess would be of great use to you. You think about choosing Cassandra. This quest will then unlock.

Note: once you have unlocked Cassandra's student quest, you can see a patrol event with Cassandra and Faye, where you realize that transforming Cassandra into a hostess is going to take a lot of work. See [XTRA13](#).

[QST07.01] Catch Cassandra Misbehaving in Class

Full description = (1) Catch Cassandra misbehaving in class and give her a private punishment in your office (you may need to unlock additional punishment methods by following other girls' storylines or through changing rules at the school board).

To complete this quest action, you will need to raise Cassandra to punishment level 3 and complete the "Cassandra's Shocking Realization" event. This involves punishing Cassandra after class and then spying on Debbie's room twice. (See below, or for more details see [CAS01](#) and [STC01](#)).

Before you can raise Cassandra to Level 3, you will need to unlock the "massage inner thigh" option by punishing Debbie. See [QSF4.3](#) or [DEB03](#) for details.

Give Cassandra another private punishment. You can do this by teaching classes until she misbehaves, or you can complete "Faye's Embarrassing Situation" ([SCH09](#)) by going to the Sports Center on Wednesday afternoon and talking to Faye.

Remove her clothing & skirt. Position her with hands above her head, and do a body search. Position her bent over the desk and do a hand (or ruler) spanking and a paddle spanking. Position her over the knee apply the ointment, spank her and massage her thighs. You will then get a message saying that you have raised her to level 3.

Note: using the camera to take pictures will not increase Cassandra's humiliation level – you must do a body search instead. However, it is still worth trying to use the camera to see the additional background dialogue.

At the end of the punishment, give Cassandra a Basic Flirting Lesson.

[QST07.02] Spy on Cassandra in Debbie's Room

In the evening, spy on Debbie's room. You will see Cassandra practicing her flirting in the mirror, while Debbie is putting up posters of the Celebrity Love Archipelago stars Jodie, Kelly & Paige.

Note: if you have not already done so, you will need to complete Cassandra's first two spy events first. See Cassandra's Shocking Realization (STC01) for details.

Fun note: if you have seen any of the Celebrity Love Archipelago episodes (see OTV02 for details) then the dialogue changes slightly.

You discover that Cassandra is still much too proud of herself to learn anything from you. You decide to observe her behavior around the school in a variety of situations in order to discover her weakness and to devise an appropriate strategy.

This will unlock 3 new quest actions, to observe her behavior in class, while patrolling the halls, and in the shower room. (See [QST07.03](#), [QST07.04](#) and [QST07.05](#)) You can complete these events in any order.

[QST07.03] Observe Cassandra's Behavior in Class

Teach a class. After the lesson you will stay behind to do some marking. Some of the students also stay behind chatting. Cassandra makes up a story about a hot date and you tell yourself that you suspect she has little real sexual experience.

[QST07.04] Observe Cassandra's Behavior while Patrolling the Halls

Do a patrol during the week. You will see the twins showing off their football skills. Cassandra is annoyed that she is not the center of attention. She then tells everyone that Debbie has a crush on Miss Newman the sports teacher in order to get their attention again.

[QST07.05] Observe Cassandra's Behavior in the Shower Room

In the evening, spy on the showers. You will see Cassandra picking on the "crying girl" (see [PAT01](#) and [PAT02](#) for the crying girl events).

Note: if you spy on the showers immediately after you spied on Cassandra and Debbie (QST07.02) it is possible to complete this event that same evening.

[QST07.06] Visit the Sports Center in the Afternoon

Full description = (5) Visit the sports center in the afternoon and give Cassandra a public punishment.

To complete this quest action, you will first need to complete the “A Man’s Work” main quest (QM3) and start Chapter 2 of the new game.

When you have observed Cassandra’s behavior in class, while patrolling and in the shower (QST07.03, QST07.04 and QST07.05), you discover Cassandra’s weakness: Hubristic Pride. Cassandra has enormous pride in herself, not for any real accomplishment but for her very existence. You tell yourself that to shatter Cassandra’s pride you must reduce her social standing.

On Wednesday afternoon, go to the Sports Center. This event will automatically play out. You will see Faye standing naked outside the changing room after Cassandra pushed her out of the room. You get the girls to spank Cassandra with the paddle and then pleasure her until she has multiple orgasms. You will get +2 Horniness points.

Note #1: you have to click on the Sports Center on the main screen. If you click on the quick access button on the main map menu, you will not be able to complete this quest action.

Note #2: If Rachel is not your trainee yet (see QST2.05), then you will see a special scene where you meet Rachel first and ask her to carry your bag for you.

Note #3: You do not need to have completed Faye’s Embarrassing Situation (SCH09) before you complete this event.

[QST07.07] Spy on Cassandra’s Room

Full description = (6) Spy on Cassandra’s room and see how she is recovering from her punishment.

In the evening, spy on the dorms. You will tell yourself that you should check in on Cassandra, and that you suspect she’ll be in her own room tonight.

Spy on Cassandra’s room. (Note: Cassandra’s room will initially be shown as an “unknown room”.) You will see Cassandra visited by the other girls, who all give her a big hug. You tell yourself that Cassandra has finally shown some remorse for her actions and the tiniest bit of empathy towards her classmates. You also realize that you can use the photographs during punishment to give the extra humiliation Cassandra needs.

[QST07.08] Teach a Class and see if Cassandra's Behavior has Improved

Teach a class. At the start of the lesson, you will tell the students that the photographs you take during punishments will now be posted in the corridor outside your classroom. Cassandra then calls you a pervert and you decide to punish her after class.

Note: if the next class you teach is on a Friday afternoon, you will still see this scene, instead of the normal "quiz" lesson.

[QST07.09] Punish Cassandra in your Office

Full description = (6) Punish Cassandra in your office and take humiliating photographs of her.

To complete this quest action, you will need to raise Cassandra to punishment level 4 and complete the "advanced flirting lessons" option at the end of the punishment.

Cassandra will automatically come to your office at the end of the day. Remove her clothing & skirt. Position her with hands above her head, and do a body search and use the camera to take pictures. Position her bent over the desk and do a ruler spanking and a paddle spanking.

Position her over the knee, massage her thighs and rub her pussy. You will then get a message saying that you have raised her to level 4.

Note #1: The "rub pussy" option was unlocked when you completed Debbie's student quest. See [QSF4.4](#) for details.

Note #2: if you have passed the "strip to underwear" rule, you can tell Cassandra to do that instead of just removing her skirt. (The strip to underwear rule is unlocked at the start of Chapter 2. See [REFR03](#) for details.)

After the punishment, choose to give Cassandra advanced flirting lessons. You discuss some flirting and manipulation techniques and you tell Cassandra you want her to work for you. Cassandra then agrees to have dinner with you.

[QST07.10] Spy on Cassandra in the Dorms

In the evening, spy on Debbie's room. You will see her talking with Debbie about your job offer, and Cassandra asks Debbie how she was persuaded to become a prefect. Cassandra says she's impressed at how you convinced Debbie to do it, and to be happy about it.

[QST07.11] Teach a class and Speak with Cassandra

Teach a class. Before the class starts, Cassandra will approach you and try to blackmail you. You tell her she will be punished after school. During the lesson, you note that Cassandra is particularly attentive and even answers a few questions. You get +2 grades.

Note #1: if the next class you teach is on a Friday afternoon, you will still see this scene, instead of the normal “quiz” lesson.

Note #2: Cassandra will automatically come to your office at the end of that day to be punished, but you will need to have passed the “strip to underwear” rule before you can increase her punishment level (see [QST07.12](#), below). It is advisable to pass the strip to underwear school rule before you complete this quest action.

[QST07.12] Punish Cassandra in your Office and use the Vibrator on her

To complete this quest action, you will need to raise Cassandra to punishment level 5 and complete the “practice date” option at the end of the punishment. (See below, or for more details see [CAS06](#)).

Once you have Influence 10 and Discipline 55, pass the new Corporal Punishment rule "students may be ordered to strip down to their underwear" at the Friday board meeting.

Note: the strip to underwear rule is unlocked at the start of Chapter 2. See [REFR03](#) for details.)

Give Cassandra another private punishment. Cassandra will automatically come to your office after she tried to blackmail you. Alternatively (for example, if you had not yet unlocked the strip to underwear rule), you can teach classes until she misbehaves, or you can ask her a difficult question during the Friday pop quiz.

She will start the punishment at Level 4. Order her to strip to her underwear. Position her with hands above her head and use the camera to take pictures (or do a body search).

Note: you can do a body search instead of taking pictures. However, you get an extra small scene which helps to develop Cassandra’s storyline if you take the pictures.

Position her bent over the desk and give her a hand spanking, a ruler spanking and a paddle spanking. Position her over the knee, massage her thighs (or rub her pussy). Put her in the diaper position and use the massage wand. You will then get a message saying that you have raised her to level 5.

Note: you do not need to use the massage wand. While over the knee, you can choose to rub her buttocks, massage her thighs and then massage her pussy instead.

At the end of the punishment, choose to arrange a Practice Date with her. You agree to have a dinner date with her, and you tell her that you will purchase a new dress for her to wear.

[QST07.13] Purchase a New Dress for Cassandra to Wear on your Date

Once you have \$1500, buy the Red Dress from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday.

Note #1: if you don't buy the red dress by the following Saturday, you will get a message saying that you're meant to be having a date with Cassandra but you haven't bought her a new dress yet. You say that you'll have to wait until the next weekend.

Note #2: the dress is delivered the following weekday morning. If you purchase the dress on Friday, it will not be delivered until Monday, and you will not be able to do the date that weekend.

[QST07.14] Wait until Saturday Evening for your Date with Cassandra

Once you have bought the dress, this scene will automatically happen the following Saturday evening. Cassandra will arrive and change into the red dress. You will have dinner.

During the date, talk about both the job opportunity and her motivations. You then realize that Cassandra has been drinking rather quickly, and you wonder if you should warn her that she is drinking too much.

You should choose "Say something". If you choose "Wait and see what happens", Cassandra will get drunk and the date will end. See [QST07.15](#) for the next steps.

If you choose "say something", you will tell her that most men she will have dinner with will likely try to get her drunk, because it's a tried and tested strategy for getting women to sleep with them. She thanks you for the advice. At the end of the meal, she agrees to move over to the sofa with you. You tell her that to keep a wealthy man interested, she needs to demonstrate sexual competence by giving them a blow job.

Cassandra will then give you a very poor blow job. You can choose to either "break it to her gently" or "be brutally honest". The dialogue will change, but in both cases you tell her that she needs to practice more.

You tell her she is to report to your office after school, and that you will discipline her and she can practice sucking your cock. You also tell her that she should try and find some instructional porn videos, and suggest that Debbie could help her find some suitable videos.

At the end of the date, you tell yourself that you should check in on Debbie's room to make sure Cassandra asks for help finding some instructional porn videos. See [QST07.16](#).

[QST07.15] Speak with Cassandra Before Class and Rearrange your Date

You will only get see this quest action if Cassandra gets drunk during your date. During the week, teach a class. Before the lesson, Cassandra will speak to you and say that she'd like to try the date again.

This action will then change back to "Wait until Saturday evening for your date with Cassandra" ([QST07.14](#)). The following Saturday, you will get another date with Cassandra.

[QST07.16] Spy on Debbie's Room

After your date with Cassandra, spy on Debbie's room in the evening. Debbie says that she can share some blowjob videos with Cassandra, and they agree that Cassandra will go down on Debbie. They watch some videos and then make out. Cassandra licks Debbie's pussy, but does so badly. Debbie then shows Cassandra how to masturbate properly.

[QST07.17] Summon Cassandra to your Office for Punishment after School

After classes, summon Cassandra to your office for punishment. You are given the option to skip her punishment, or to give her a spanking first.

Note #1: you are only given the option to summon a girl for punishment if no other girls have been ordered to your office. For example, if you taught a class that day and ordered a girl to be punished after school, you will not be able to summon another girl.

Note #2: if the current version of the game, you cannot increase Cassandra to punishment level 6. You therefore may wish to skip the spanking. (However, you can get still some money by spanking Cassandra.)

If you give her a spanking, then after the punishment choose to give her some blowjob practice. If you choose to skip the spanking, you will automatically start the blowjob practice.

Cassandra will then give you a blowjob. You tell it was a passable blowjob, but you think you need to find her a proper instructor. You wonder if Trixie would be willing to help out with some hands-on sex-ed.

Note: if you didn't hire Trixie, then the dialogue will be slightly different. You will tell yourself that you should have hired Trixie. You then tell Cassandra that you don't have anyone in mind, but hopefully a suitable teacher will turn up soon.

[QST07.18] You've reached the end of Cassandra's content

Full description = (7) You've reached the end of Cassandra's content for the current version of the game.

You can continue to summon Cassandra to your office for blowjob practice, but this is the end of her student questline in the current version of the game.

[QST08] Maid for Punishment

Description

Harriet Rose is a smart and savvy young woman, who claimed to have run a successful company before being forced back to school. Whilst spying on the girl's dorms you observed Harriet pressuring another student into giving her homework answers in exchange for chocolate. Harriet, it seems, was then selling these answers to other girls in exchange for cash. You had noticed the girls' average grades have been falling recently. Could this be one of the causes?

You will need to deal with Harriet's criminal enterprise as soon as possible. You will also need to devise a suitably harsh punishment to make sure the girls understand just how important their grades are.

Unlocking this Quest

To unlock this event, you will need to need to complete the first part of Priti's Student quest, where you summon Priti to your office, and she confesses to giving Harriet the answers to Mr Wilson's homework ([QST05.04](#), see also [STP03](#)).

The following morning, there will be a scene where Priti apologizes to you, and you talk about how you will help Priti. At the end, you tell yourself that Priti is already a good girl with excellent grades, but Harriet is the true criminal deserving of punishment. This quest will then unlock.

[QST08.01] Patrol the Halls During the Week

Full description = Knowing Harriet's guilt won't be enough to stop her, you'll need to catch her red handed with sufficient evidence to provide her crimes to the school board so she can be suitably punished. **Patrol the halls during the week** and keep an eye out for Harriet.

You will need to complete the "Charlotte Caught Smoking" ([PAT16](#)) and "A Spanking or a Handjob" ([PAT17](#)) patrol events. This involves doing a patrol until you find Charlotte smoking. You need to choose to punish Charlotte, and search her thoroughly for more cigarettes.

When you do another patrol, you will see Charlotte and Harriet doing a trade. Charlotte gives Harriet a pair of knickers in return for a pack of cigarettes. You then follow Charlotte and find her smoking again.

Note: Charlotte will offer you a handjob to avoid being punished. You can choose to punish her or accept a handjob. Either option will allow you to continue with Harriet's student quest.

If you have already visited the cafeteria and overheard Harriet talking about her source, then see [QST08.03](#) for your next action. Otherwise, see [QST08.02](#).

[QST08.02] Visit the Cafeteria at Lunchtime

Full description = You spotted Harriet selling cigarettes to Charlotte. Clearly, she is getting supplies from someone off-campus. If you knew where Harriet was meeting her source you could follow her. Perhaps you might overhear something while the girls are eating lunch. **Visit the Cafeteria at Lunchtime.**

If you have not already done so, you will need to open the cafeteria. See [QST05.09](#) for details of how to open the cafeteria. The first time you visit the cafeteria, you will see Donna being punished.

The second time you visit the cafeteria, you will overhear Harriet asking Priti why she was called to your office, and if she snitched on Harriet. Harriet then says that she'll be meeting her contact soon.

Note: it is possible to visit the cafeteria and hear Harriet saying that she will be meeting her contact soon before you complete Charlotte's two patrol events. If this happens, then you will not see this quest action as you have already completed it.

[QST08.03] Patrol the Halls and Follow Harriet to Find her Source

Full description = You spotted Harriet selling cigarettes to Charlotte. Clearly, she is getting supplies from someone off-campus. You can't bust Harriet until you find her source. **Patrol the halls during the week** and follow Harriet to find her source.

If you have not already done so, you will need to pass the topless punishment rule. At the School Board on Friday morning, pass the Public Punishment rule "Students misbehaving during class may be ordered to remove all clothing above the waist for the remainder of the lesson" (see [REFR04](#) for details). You will need Influence 11 and Discipline 75.

Do a patrol. You will see Harriet secretively hurrying towards the school's back gate. You will see her meeting Lily (who is the sister of Samantha, your secretary). Lily is her source, who is supplying her with alcohol, cigarettes, chocolate and knickers.

Note: you do not have to complete the “Meeting Lily” event (OTH15) first, but it helps the storyline if you have done so.

You tell yourself that you need to catch Harriet with another girl’s homework answers. You wonder if she might store her contraband in one of the sports center lockers.

[QST08.04] Perform a Body Search on Harriet

Full description = It turns out that Harriet is buying cigarettes, alcohol and underwear from Samantha’s sister, Lily. Now you know her source, it’s time to make your move and busy the whole affair wide open. You’ve seen her hanging around the sports center lockers on Monday and Friday afternoons and suspect she stashes all her contraband there. A thorough search of her person is in order. Perform a body search on Harriet.

If you have not done so, you will need to make Rachel your trainee. To do this, follow the “Headmaster’s Pet” student quest until you complete the action “Catch Rachel falling asleep in class again then assign her the role of your trainee” (see [QST2.05](#)).

You will need to pass the Body Search rule at the Friday school board meeting. If you have not done so, at the School Board on Friday morning, pass the Headmaster’s Privileges rule “The Headmaster has the right to perform a body search of anyone on campus. Students must raise their skirts and open their shirts to allow for easy access to their underwear.” (See [REFR05](#) for further details). You will need Influence 11 and Discipline 80 to pass the rule.

On Monday or Friday afternoon, go to the Sports Center and speak to Harriet. Choose to do a body search.

Note: if you have not already done so, you can ask her “how are you?” and “how’s business?” These are not required but help to progress the storyline.

After doing a body search, you also check Harriet’s bag and find homework answers from other girls. You tell her that she will face very severe consequences for this, and that you will discuss it with the school board on Friday to devise a special punishment for her.

[QST08.05] Wait for the Next School Board Meeting

Full description = When searching Harriet’s bag you found all the evidence you need to prove to the school board the seriousness of her crimes. Now you’ll be able to convince the school board of the need for serious punishment. Wait for the next school board meeting.

The following Friday morning, you will automatically see a scene where you tell the Board about Harriet's black market trade in homework answers. You tell the board the Harriet should be made to work for free for the benefit of the other girls, like a maid. You say that the other girls will be given permission to punish Harriet if she does not comply. You then suggest that Harriet's physical condition should be assessed every week at the school board meeting to ensure she is not being punished excessively.

[QST08.06] Teach a Class and Announce Harriet's New Punishment

Full description = The school board agreed to a new form of punishment, one reserved for the most serious offenders. Harriet will be made to act as a maid for the other girls in the evenings and weekends. The other girls will be given permission to punish her if she does not comply. Teach a class and announce Harriet's new punishment.

During the week, teach a class. After the school board meeting where you discuss Harriet, you will automatically see this scene. You will give Harriet a topless punishment. You then announce the Harriet is now the dormitory maid and that if she fails to comply, the other girls may spank her. You tell yourself that you should check the dorms to see how Harriet is getting on with her punishment that evening.

This will then unlock the next two tasks – Spy on Liz's room ([QST08.07](#)) and Examine Harriet's Naked Body at the School Board ([QST08.09](#)).

You will also get +10 Grades and +10 Discipline.

[QST08.07] Spy on Liz's Room

Full description = You made a big announcement to let the other girls know about Harriet's new punishment. You should spy on the dorms to see how she is reacting to her new punishment. She normally hangs around Liz's room. Spy on Liz's room.

After you have announced Harriet's new punishment ([QST08.06](#)), spy on Liz's dorm room in the evening. You will see Harriet dressed as a maid, and being given chores by Liz and Emily.

[QST08.08] Advance Priti's Storyline

Full description = 1) Harriet is clearly unhappy about her new punishment but you won't know if it's effective until you see another student punish her. Perhaps if you are able to improve Priti's confidence

enough she might be able to finally stand up to Harriet. Advance Priti's storyline.

You will need to raise Priti to level 4, complete her third task (desire for self love), and then spy on Priti's room. See [QST05.01](#) to [QST05.22](#) for details of completing Priti's student quest.

When you spy on Priti's room, you will see Priti in her sexy lingerie. Harriet, in her maid's uniform, tries to hide in Priti's room. Priti gets Debbie and gives Harriet a spanking. Priti then masturbates herself.

[QST08.09] Examine Harriet's Naked Body at the next School Board

Full description = 2) You have given permission for the other girls to spank Harriet if she does not comply with her punishment. You will need to examine Harriet's body regularly for bruising to make sure the other girls are not abusing their power over her. Examine Harriet's naked body at the next school board meeting.

After you have announced Harriet's new punishment ([QST08.06](#)), wait until Friday morning when you will go to the school board meeting as usual. You will then automatically see a scene where Harriet strips naked and the teachers will examine her nude body. You will get +2 Influence Points.

Note: you inspect Harriet at future meetings of the school board as well. To do this, choose the new "Student Body Inspections" option in the agenda and then "Harriet Rose". Harriet will strip naked and the teachers will examine her nude body.

Using the Event Log

Replay Feature

The game includes a replay feature, which is accessed through the "replay menu" option in the top right. This shows the event log, which lists all the main events in the game.

The event log allows you to see if there is any content that you have not seen yet, and it also allows you to replay all the events that you have unlocked. You can sort the Event Log by event or by character. This can help you find particular scenes, or help you identify what event you haven't unlocked yet.

Note: This guide is presented in the same order as the "event" listing, not the "character" listing.

Replay Menu

The red arrow shows the location of the replay menu on the main game screen:

Student Quests (Event Log): Debbie [STD]

[STD05] Debbie Wants a Job

Start Chapter 2 of the game. In the evening, summon Debbie to your office for punishment. Debbie will ask if she can keep being punished by Miss Newman and asks if it's enough that she keeps giving you handjobs.

Say "no it isn't", accept her offer when she offers you to suck your dick, and give her a private punishment.

If you have not already done so, you will need to raise Debbie to punishment level 6 during the punishment. See [DEB09](#) for details of how to do this.

At the end of the punishment, tell Debbie to give you a blowjob. This event will then unlock, regardless of which options you choose. However, to get the full scene, you should warn her you are about to cum.

Student Quests (Event Log): Rachel [STR]

[STR08] Making Rachel Jealous

Complete Sleeping in Reception Part 2 ([STR07](#)).

Pass the rule to allow you to spank the girls yourself. This will involve starting Chapter 2 of the game. See [How to Discipline a Young Woman \(CLA11\)](#) and [A New Chapter \(OTH16\)](#) for details).

Once you have 10 Influence and 55 Discipline, pass the Corporal Punishments rule "students may be ordered to strip down to their underwear" at the next Friday morning school board meeting.

Teach classes until you see Rachel falling asleep again, and give her a private punishment. At the start of the punishment, you will tell yourself "OK Rachel, time for your training to really kick up a notch".

Order her to strip to her underwear by removing her clothing including skirt and blouse. Sally will also strip to the waist and Rachel will feel her breasts. This event will unlock.

Note: you can continue to the punishment and raise Rachel to Level 5 (see [RAC08](#)), but that is not required to unlock this event.

[STR09] A Test of Confidence

Raise Rachel to punishment level 5 ([RAC08](#)). At the end of the punishment, talk to Rachel about the Test of Confidence. You will tell her to shower with the other girls.

In the evening, spy on the shower room. You will see her take a shower with the other girls and this event will unlock.

[STR10] The Boner Rule

Raise Rachel to punishment level 5 ([RAC08](#)). On Thursday afternoon, teach a sports class. Rachel will talk about the fact that you got a boner when she changed for her public punishment (see [STR04](#)) and this event will play out. She will masturbate you and you will cum over her.

Note: you can unlock this event as soon as Rachel is at punishment level 5. You do not have to complete her test of confidence ([STR09](#)) first.

[STR11] Rachel Shows you her Homework Technique

Complete the Boner Rule ([STR10](#)) and raise Rachel to punishment level 6 ([RAC09](#)). At the end of the punishment choose Special Homework Assistance. She will masturbate on your desk and this event will unlock. You will then agree to "help" her that evening.

[STR12] Rachel's First Orgasm

Complete Rachel Shows You her Homework Technique ([STR11](#)). In the evening, spy on Rachel's room. You will climb into her room and help her achieve her first orgasm. You will then fall asleep and not wake up until the morning.

[STR13] The Lewd Content DLC

Complete Rachel's First Orgasm ([STR12](#)). During the day, teach a class. You will note that Rachel looks "bright eyed and bushy tailed today". After the class some of the girls will discuss a new adult DLC for Rachel's game that means the winning character can have sex with the losing character. Rachel will tell you she intends to masturbate that evening to help her sleep.

In the evening, spy on Rachel's room. She will be playing her game. Choose to "distract her" and then "distract her again". She will lose the game and the winners will force themselves on her computer character. Rachel will start to masturbate as she watches the scene.

[STR14] Rachel's Difficult Morning

Complete the Lewd Content DLC ([STR13](#)). The following morning, you will get a scene with Rachel sleeping in reception again.

This event will then automatically unlock. Regardless of the options you choose, you will also arrange to punish Rachel after class that day.

However, to get the full scene, choose to "teach her a lesson". You will automatically lift up her skirt, pull her knickers down, and open up her shirt. You will then pose her so that she looks as if she is masturbating.

You then should choose to "wait for someone else to find her". Sally, Izzy and Samantha will humiliate her, and Sally will then put a butt plug in her.

That afternoon, Rachel will automatically come to your office and ask you to remove the butt plug. She will then strip naked and spend the afternoon sleeping on your lap.

Fun note #1: if Sally inserts the butt plug, then in the morning, you will see Rachel's follower icon appear on the screen. If you click on it you will get a short scene where Rachel tells you she is having the worst morning ever.

Fun note #2: if you teach a class that morning, you will get a scene where you note Rachel is awake, but looks rather uncomfortable.

Fun note #3: if Sally doesn't insert the butt plug, then if you teach a class that morning you will get a slightly different scene, and Rachel won't ask you to remove the butt plug. However, she'll still spend the afternoon sleeping on your lap.

[STR15] A New Spanking Position

Complete Rachel's Difficult Morning ([STR14](#)). In the afternoon, Rachel will come to you and spend the afternoon sleeping on your lap. At the end of the afternoon you will wake her up and tell her to put some clothes on for her punishment.

When you start the punishment, you will tell yourself that you need to come up with a new way to punish her. A new OTK position will be unlocked, which will allow you to have Rachel straddle your lap.

Raise Rachel to Level 7 ([RAC12](#)). At the end of the punishment, make sure that you (not Sally) are selected as the disciplinarian, and have Rachel straddle your lap. This event will then unlock.

[STR16] Rachel Gets a Promotion

Raise Rachel to Level 7 ([RAC12](#)). This involves using the New Spanking Position ([STR15](#)).

At the end of the punishment choose to give Rachel her Promotion. You will make her your Personal Executive Trainee (or P.E.T.). She will then strip naked and masturbate you by rubbing herself against you.

Fun note: After you have made Rachel your PET, her classroom events will change, and Rachel will sit at your desk during lessons. See [STR17](#). In the afternoons, you can get her to sit on your lap and masturbate you again. See [STR18](#). You can also watch porn with her. See [OFF07](#).

[STR17] Teacher's Favorite Student

Raise Rachel to Level 7 and assign her a position as your Personal Executive Trainee (See [RAC13](#) or [STR16](#)). This scene will then randomly happen when you teach a class. You will see the other girls asking questions about Rachel's

cat ears and collar. You will tell the girls that Rachel gets special treatment because she is your trainee. You will then invite Rachel to sit at the teacher's desk, and you will teach the class. You get +2 grades.

A version of this scene will then randomly occur when you teach a class. You will see Rachel sitting at your desk looking "especially bright and alert".

[STR18] Cats Don't Wear Clothes

Raise Rachel to Level 7 ([RAC12](#)). In the afternoon, go to your office and click on Rachel's icon. Rachel will then strip naked. You can then choose what you want to do, but this scene will then unlock regardless of what you choose.

[STR19] Rachel's Jealousy Strikes Again

Complete Rachel Gets a Promotion ([STR16](#)) and make her your P.E.T. If you have not already done so, pass the Body Search rule ([REFR05](#)). You will need Influence 11 and Discipline 80.

On Friday afternoon, do a Body Search of Lucy ([SCH04](#)). (This step is not required but it helps develop the story.)

On Wednesday afternoon, do a Body Search of Alice ([SCH06](#)). Rachel will try to stop you from feeling Alice's breasts. You take Rachel into the stationary cupboard and punish her. You then discover that Rachel is getting jealous when you are touching the other girls. You tell her you'll find a way to help her manage her jealousy issue.

[STR20] Rachel's Protector

Complete Teacher's Favorite Student ([STR17](#)) and Rachel's Jealousy Strikes Again ([STR19](#)). Choose to do a patrol. You will see Donna giving Rachel a hard time about her cat ears. Debbie stops Donna. You tell yourself that you've been promising Debbie a reward and it's time she got one. You think you will share your pet with your prefect.

Note: If you have not already completed it, you will probably also have to complete the Priti Needs Her Fix ([STP01](#)) patrol event before you can see this patrol event.

[STR21] Sharing is Caring

Complete Rachel's Protector ([STR20](#)). Use your office phone to summon Debbie and Rachel to your office. You will ask yourself if you want Debbie to play with you pet. Say yes. (If you say no, the scene will not happen.)

Rachel and Debbie will arrive. They will strip, have sex with each other, and then give you a joint blowjob.

[STR22] Dildo Practice

Once you have made Rachel your P.E.T. (STR16), you will automatically speak to her the following weekday morning. She thanks you for allowing her to wear her cat ears whenever she wants. This unlocks the option to buy the assorted dildo collection and butt plug tail.

Once you have \$1800, buy the assorted dildo collection (\$1500) and the butt plug tail (\$300) from the Online Shopping | Sex Toys option on your office computer. They will arrive the following weekday morning.

Go to your office during any weekday afternoon and click on Rachel's icon. Rachel will immediately strip naked. Select the "dildo practice" option. Select the small dildo, and at the end, tell Rachel that "I'll finish myself off".

[STR23] It Still Won't Fit

Complete Rachel's initial Dildo Practice (STR22). You then need to complete three additional dildo practice sessions with Rachel.

To carry out a practice session, go to your office during any weekday afternoon and click on Rachel's icon. Rachel will immediately strip naked. Select the "dildo practice" option.

- During the second session, select the small dildo. At the end, ask Rachel for a handjob.
- During the third session, select the small dildo. At the end, ask Rachel for a blowjob.
- During the fourth session, select the medium dildo.

Rachel tries her best to get the medium dildo inside her, but barely manages to get past the tip. You tell her that before you try the medium dildo again, she needs to be properly prepared, both physically and mentally, using your punishment method.

[STR24] Dildo Punishment

Complete Rachel's dildo practice (STR23). In the evening, summon Rachel to your office for punishment and raise her to punishment level 8 (RAC15).

Note: as soon as you complete Rachel's last dildo practice session, you may be asked if you would like to summon a girl to your office for

punishment. If you choose Rachel, you can then complete this action immediately after you have finished the dildo practice.

As the last action in this punishment, you will put her in the diaper position and insert a dildo into her vagina. This event will then unlock.

[STR25] Cuddle Time

Raise Rachel to Punishment Level 8 ([RAC15](#)) and complete her Dildo Punishment ([STR24](#)). At the end of her punishment, Rachel will seem confused and barely able to stand. You let Rachel rest on your lap until she recovers from her punishment.

You will then insert Rachel's butt plug tail. You then can choose how Rachel will sexually please you. This event will then unlock.

[STR26] Trouble in the Showers

Teach football matches until Charlotte's team play bottomless ([SPT11](#)). To get the practice matches, you will need to teach sports lessons in the afternoon. Every time you teach 5 sports lessons, you will play a match during the fifth lesson.

Note #2: Earlier in Rachel's quest, you had to complete two practice games: the first match ([SPT03](#)) and the second match ([SPT04](#)). If you have not already done so, you will now need to complete another three practice games. These are: the third match ([SPT09](#)), the fourth match ([SPT10](#)) and the fifth match where Charlotte's team play bottomless ([SPT11](#)).

During the "Charlotte's team play bottomless" event ([SPT11](#)), Rachel will end up naked (because she has to play bottomless and she isn't wearing a bra). At the end of the match, Rachel will shower with you, and Sally joins you. Both Sally and Rachel offer to help you with your erection, and they start to argue. You eventually tell Rachel to make you orgasm, but that she has to ask Sally to help her. Sally and Rachel then rub their breasts against your cock until you cum.

Note #2: if you have already completed Charlotte's team play bottomless ([SPT11](#)) event, simply teach five more sports lessons, and you will play another practice match.

Normally, if you had already previously completed the Charlotte's team play bottomless event, and Charlotte's team won, then during the next sports match you would see April's team playing bottomless ([SPT12](#)). However, if you have raised Rachel to level 8 ([RAC15](#)) and completed the

threesome with Debbie (RAC16), then you will see a special scene instead.

April will tell you that two members of her team, Emily and Harriet, are having their period, so Charlotte has agreed her side will play bottomless instead. You tell yourself that this works out well, because you wanted Rachel to be naked today. April's team will win the game, but they agree they have to be naked next time.

[STR27] Her First Anal Dildo

Complete Trouble in the Showers (STR26). In the evening, summon Rachel to your office for punishment.

Note: as soon as you complete the shower with Rachel and Sally, you may be asked if you would like to summon a girl to your office for punishment. If you choose Rachel, you can then complete this action immediately after you have finished the dildo practice.

Raise Rachel to punishment level 9 (RAC18). As the last action in this punishment, you will put her over the knee and then insert a dildo into her anus. This event will then unlock.

[STR28] Sally's Painful Lesson

Complete the "Her First Anal Dildo" event ([STR27](#)).

If you have not already done so, buy the "Swimming Pool" from the Upgrade Facilities option on your computer. It will cost \$8,000 and you are told that it will take a few days to complete the swimming pool.

Note #1: It takes a week to build the swimming pool. E.g. if you order the pool sometime on Thursday, it will be ready by the following Thursday morning.

Once the pool is open, and you have raised Rachel to punishment level 9 ([RAC18](#)) and completed Her First Anal Dildo ([STR27](#)), you will see a scene with Sally the following weekday morning. Sally says schedule has been changed to that whenever you are teaching football, she will be teaching swimming. Sally then leaves before you can give her a copy of the poolside safety rules.

In the afternoon, teach a football class. Before your class, you will see Sally, and you ask her to read the poolside safety rules to the girls. After your class, you go to the swimming pool, and find that Sally disobeyed your orders and didn't read the safety rules.

You punish Sally by giving her a spanking with the paddle and then giving her a hard anal fucking in front of Rachel. This event will then unlock.

[STR29] Rachel's Revenge

Complete Sally's Painful Lesson ([STR28](#)).

In the afternoon, teach a football class. Before your class, Sally will tell you that she'll see you in the locker room afterwards. After the class, Sally says that she will shower with you, but Rachel then tells you went to the lake. You decide that you need to finish your shower quickly and look for Sally. You then discover that Rachel locked Sally in the sports supply cupboard. You then tell Rachel that you will punish her in your office.

[STR30] Rachel's Epiphany

Complete Rachel's Revenge ([STR29](#)). You will then automatically punish Rachel after school.

Raise Rachel to punishment level 10 ([RAC19](#)). As the last action in this punishment, you will make her straddle your lap, and then you will have sex with her.

Before you have sex, you tell Rachel to apologize to Sally. But Rachel says she hates Miss Newman, because she has big boobs and a perfect body. Sally then says she has severe dyslexia and can barely read or write, which means people treat her as a big-titted blonde simpleton. Sally is actually jealous of Rachel.

Rachel then apologizes to Sally. You have sex with Rachel, and then you have a threesome with Rachel and Sally. This event then unlocks.

Student Quests (Event Log): Amy [STY]

[STY07] Amy's and Faye's Accident

Complete Amy Teaches Tia a New Trick (STY06).

Pass the rule to allow you to spank the girls yourself. This will involve starting Chapter 2 of the game. See [How to Discipline a Young Woman \(CLA11\)](#) and [A New Chapter \(OTH16\)](#) for details).

Once you have \$600, buy the Chastity Panties from the Online Shopping | Clothing option on your office computer. They will arrive the following weekday.

Do a patrol. You will see Amy run into Faye. You will see the nurse treat Faye. You will automatically give Amy a private punishment that evening.

Fun note: if you have completed Faye the Faker (OTH13) before this event, you will see an extra scene when the nurse is treating Faye, and Faye pulls down her underwear and asks the nurse to take her temperature to prove she isn't faking her illness.

[STY08] Amy Gets New Underwear

Complete Amy's and Faye's Accident (STY07). You will automatically give Amy a private punishment that evening.

Raise Amy to punishment level 4. See [AMY10](#) for details on how to do this.

At the end of the punishment, give her the chastity belt. You will tell Amy she is not allowed to orgasm for seven days. Debbie will put the chastity belt on Amy for you.

[STY09] Amy and Debbie in the Shower

Complete Amy Gets New Underwear (STY08). In the evening, spy on the shower room. You will see Debbie helping Amy to take a shower. You bet yourself that Amy will probably come crawling to your office begging for an orgasm first thing in the morning.

[STY10] Amy's Offer Part 1

Complete Amy Gets New Underwear (STY08). The following weekday morning, Amy will come to your office and beg you to remove the chastity underwear. You will refuse.

The next weekday morning, Amy will beg again, but this time she will offer to show you her boobs.

You can accept or refuse her offer. If you accept, Amy will strip and masturbate herself in your office. However, the timer will rest, which means that you will have to play these two morning events over again.

[STY11] Amy's Offer Part 2

Complete Amy's Offer Part 1 ([STY10](#)) and refuse Amy's offer to show you her boobs. The following weekday morning, Amy will come to your office again, but this time she will offer to jerk you off.

You can accept or refuse her offer. If you accept it, Amy will jerk you off while she masturbates, but the timer will reset, which means you will have to replay Amy's Offer Part 1 and this event (Part 2) over again.

[STY12] Amy's Offer Part 3

Complete Amy's Offer Part 2 ([STY11](#)) and refuse Amy's offer to jerk you off. The following weekday morning, Amy will come to your office again, but this time she will offer to suck your cock.

You can accept or refuse her offer. If you accept it, Amy will suck your cock while she masturbates, but Amy's Offer Part 1, Part 2 and this event (Part 3) over again.

[STY13] Amy Gets Anal

Complete Amy's Offer Part 3 ([STY12](#)). The following weekday morning, Amy will come to your office again and offer to fuck you. You will tell her to come back after school. In the evening, you will automatically remove the chastity panties and then give Amy a private punishment.

Raise Amy to punishment level 5. See [AMY12](#) for details on how to do this.

At the end of the punishment, assign her a role. You will show her your copy of the Future Female Sports Stars magazine (see [STY04](#)) and you will have anal sex with her. She will then agree to become a practice subject to help train other staff and Prefects in the art of discipline.

Fun Note: After you have completed this event, when you next teach a class, you will get a scene where Amy is on time for her lesson and wearing her tie. You will tell yourself "there really is nothing like a good anal fucking to make a student behave themselves".

Student Quests (Event Log): Priti [STP]

[STP01] Priti Needs Her Fix

Complete Good Girl Priti (CLA16). The next time you do a patrol, you will see Harriet and Priti talking. You hear Priti wanting something, but saying she doesn't have any money. Harriet tells Priti there are other ways to pay. Priti agrees, and Harriet says she will visit Priti in her room that night.

[STP02] Priti's Terrible Crime

Complete Priti Needs Her Fix (STP01). In the evening, spy on Priti's room. If you have note already spied on her, then Priti's room will initially be shown as an "unknown room".

You will see that Priti has done Harriet's math homework in exchange for a bar of chocolate. You tell yourself this is a terrible scandal and that you should summon Priti to your office. Grades will decrease by 5 points.

[STP03] Priti's Achilles Heel

Complete Priti's Terrible Crime (STP02). During the day, use your office phone to call Priti to your office. She will immediately confess to giving Harriet the answers to Mr Wilson's homework, and asks if you will punish her. You get tell her that you won't punish her, or that you are afraid you must punish her.

Note: if you say you must punish her, you will spank her at the end of this event. However, it does not affect the choices you make later in the scene about whether to punish her again in the future.

You talk to her and discover that Priti's weakness is her repressed desires. Priti has been repressed her whole life and subconsciously yearns to be free from the control of others. You decide that need to help Priti become more rebellious. You then have to choose how to do this:

- You can encourage her to act on her repressed desires, which involves you helping Priti without resorting to punishments. (This is the **“desires” path.**)
- Or you can to act on her repressed desires as well as deliberately breaking the rules, which involves you punishing Priti. (This is the **“punishment” path.**)

When completing Priti's student quest, you choose whether to punish her (the Punishment path), or to help her without punishing her (the Desires path).

Note #1: If you select the Desires path, you will not be able to one of Priti's other events (Priti's Disregard for the Rules, [STP09](#)).

Note #2: if you forced Priti to strip during, then during the Priti's Achilles Heel event, you will tell yourself that you need Priti to trust you, but you badly broke that trust when you forced her to strip naked. This happens regardless of whether you choose the punishment or desires path for Priti. It means that you will not be able to immediately complete the "Goddess of Beauty" event ([STP04](#)). You will need to complete an additional action first. See [XTRA05](#) for details.

[STP04] The Goddess of Beauty

Complete Priti's Achilles Heel ([STP03](#)). The following morning, you will get a scene with Priti where you tell Priti that you think she has repressed her normal desires. You say that you will stop by the sports center on Wednesday after the school play to do another photoshoot. Priti also tells you that her favorite type of chocolate is chocolate cake.

On Wednesday evening, go to the gym.

Note: if you have not already done so, you will see the Drama Night Part 2 ([OTH02](#)) event, where Emily gives out the new costumes. You will then need to visit the gym again the following Wednesday to see this event.

At the gym, Claire will tell you that the girls are rehearsing again. Priti appears as Aphrodite in a fairly skimpy costume. After the girls have finished rehearsing, you will have a private photoshoot with Priti. This event then unlocks.

[STP05] Priti Won't Snitch

Complete the first part of The Goddess of Beauty ([STP04](#)) event, where you talk to Priti in the morning and she tells you that her favorite type of chocolate is chocolate cake.

Complete the Duchess in the Kitchen event ([SCH13](#)). This involves building the cafeteria, recruiting the manager and then visiting the cafeteria for the first time.

In the afternoon, go to the cafeteria again. You will sit outside the cafeteria, and hear Harriet asking Priti why she was called to the Headmaster's office. Harriet also says that Priti is sexually repressed.

Afterwards, you will automatically speak to Patricia and ask her to bake a chocolate velvet cake. It will cost \$500. Patricia will deliver it to you the following morning.

Note #1: Patricia will not deliver the cake on a Friday morning. Instead, she will deliver it on the following Monday morning.

Note #2: If you do not have \$500, then you say that you'll have to come back later, as you don't have the cash. Wait until you have \$500, and visit the cafeteria again.

[STP06] Chocolate Velvet

Complete The Goddess of Beauty ([STP04](#)), Priti Won't Snitch ([STP05](#)) and raise Priti to level 2.

Note: the method of raising Priti to level 2 will depend if you selected the Desires path or the Punishment path. (See [STP03](#) for details of the 2 paths.) If you selected the Desires path, then Priti will automatically advance to Level 2 once you complete the Goddess of Beauty ([STP04](#)) event. However, if you selected the Punishment path, you will also need to see Priti misbehave in class and then punish her in your office afterwards. See the Bad Girl Priti event ([CLA17](#)) or Priti's punishment guide ([PRI02](#)) for details.

Use your office phone to call Priti to your office. You will tell her it's time to test her ability to act on her desires. Choose "Test 1 – Your desire for chocolate". You leave Priti alone in your office with the cake, and tell her that failed the test, because she didn't rebel and eat the cake. Priti then licks the chocolate off your fingers, and you give her another slice of cake.

Note: if you selected Priti's punishment path, then instead of calling her to your office, you can automatically get her to do Test 1 immediately after her punishment. However, you will need to have completed her photoshoot after the rehearsal ([STP04](#)) and bought the cake ([STP05](#)) before you punish her.

[STP07] It was Itsy-Bitsy-Teeny-Weeny

Complete the Chocolate Velvet event ([STP06](#)).

Buy the string bikini from the Online Shopping | Clothing option on your office computer. It will cost \$500, and will arrive the following weekday.

On Saturday afternoon, go to the Lake. You will give Priti the string bikini and she will spend the day at the beach, getting lots of attention from the rest of the girls and posing for pictures. This event will then unlock.

Note: during the event, you see Ada taking photos of Priti. You tell yourself that you still have Ada's phone, which you took from her during the New Chapter event ([OTH16](#)), and that her phone should be able to access the photos from the cloud.

If you have already installed the Miss Chang's spyware ([OFF08](#)), you tell yourself that you can use the spyware to view the pictures. If you have not installed the spyware yet, you say that you should speak to Miss Chang about it.

[STP08] Priti's New Uniform

Complete the "It was Itsy-Bitsy-Teeny-Weeny" event ([STP07](#)) and raise Priti to level 3.

Note: the method of raising Priti to level 2 will depend if you selected the Desires path or the Punishment path. (See [STP03](#) for details of the 2 paths.) If you selected the Desires path, then Priti will automatically advance to Level 3 once you complete the Itsy-Bitsy-Teeny-Weeny ([STP07](#)) event.

However, if you selected the Punishment path, you will also need to see Priti misbehave in class and then punish her in your office afterwards. See [PRI04](#) for details of how to complete the punishment and raise her to level 3.

Use your office phone to call Priti to your office. You will tell her it's time to test her ability to act on her desires. Choose "Test 2 – Your desire to feel attractive". You tell her that you want her to alter her uniform in a way that complies with the exact wording of the rules but makes a mockery of the school's uniform policy. You then tell yourself that you should spy on her to see how she's getting on.

Note: if you selected Priti's punishment path, then instead of calling her to your office, you can automatically get her to do Test 2 immediately after her punishment. However, you will need to have completed the Itsy-Bitsy-Teeny-Weeny event before you punish her.

If you have not already done so, you will need to pass the topless punishment rule. At the School Board on Friday morning, pass the Public Punishment rule "Students misbehaving during class may be ordered to remove all clothing above the waist for the remainder of the lesson" (see [REFR04](#) for details). You will need Influence 11 and Discipline 75.

You will also need to complete the two patrol events where you find Charlotte smoking: "Charlotte caught smoking" ([PAT16](#)) and "A spanking or a handjob" ([PAT17](#)).

In addition, you will also need to complete Harriet’s Punishment Announcement (STH03). This involves doing another patrol to find out about Harriet’s activities (see STH01), doing a body search of Harriet (see STH02) and agreeing her punishment at the school board. You will then teach a class and see a punishment scene with Harriet. You strip Harriet to the waist and then announce her punishment as the new dormitory maid.

In the evening, spy on the dorms. If you have not already done so, you will need to spy on Liz’s room first. You will see Harriet in her maid’s costume, being given chores by Liz and Emily (See QST08.07 for details). After you have seen the scene in Liz’s room, spy on Priti’s room. You will see Harriet hiding in Priti’s room while Priti is studying the uniform policy.

Teach a class. Priti will attend class in a very skimpy uniform and this event will unlock. The exact scene will change depending on whether you have chosen the Desires path or Punishment path for Priti. (See STP03 for details of the 2 paths.)

[STP09] Priti's Disregard for the Rules

The event can only be unlocked if you chose to follow the Punishment path from Priti. (See STP03 for details of the 2 paths.)

Complete Priti’s New Uniform (STP08). At the end of the event, you will see “Giving Priti a Hand” (STP10), where you talk to her in your office after class, and then masturbate her.

Teach another class. Priti will arrive in her skimpy uniform again. She will remove her tie, and then insult you by calling you a big dummy. You will then decide how to punish her. The event will unlock regardless of which punishment option you choose.

The punishment options you can choose are:

Option	Outcome	Notes
Order her to your office after school	+1 grades	Will also get money or discipline depending on the after school punishment you choose. Will need to select this to increase Priti’s punishment level and continue with Priti’s student quest.
Corporal punishment	+4 discipline	
Enhanced nudity punishment	+1 discipline +2 grades	

If you choose corporal punishment or an enhanced nudity punishment, then this event will randomly repeat when you teach a class. In order to progress with Priti's student quest, you need to order her to your office after school.

For details about how to complete Priti's punishment in your office and raise her to level 4, see [PRI06](#).

[STP10] Giving Priti a Hand

Complete Priti's New Uniform ([STP08](#)). This event will automatically occur immediately afterwards. You will talk to her in your office after class, and then masturbate her. You tell yourself that you will need to teach Priti how to masturbate herself. You also decide that she should have some sexy nightwear to wear, to get her in the right frame of mind.

[STP11] Priti's Nude Performance

Complete Priti's New Uniform ([STP08](#)) and Giving Priti a Hand ([STP10](#)). The following morning, you will automatically see a scene where Priti, dressed in her skimpy uniform, talks to you. You suggest that she needs to appear fully naked in the school play.

On Wednesday evening, go to the gym. You will see Priti appear naked on stage while playing the roles of Aphrodite and Pandora. This event will then be unlocked.

[STP12] Everyone Does It

Complete Priti's Nude performance ([STP11](#)) and raise Priti to Level 4.

Note: the method of raising Priti to level 2 will depend if you selected the Desires path or the Punishment path. (See [STP03](#) for details of the 2 paths.) If you selected the Desires path, then Priti will automatically advance to Level 4 once you complete Priti's Nude Performance ([STP11](#)) event.

However, if you selected the Punishment path, you will also need to complete Priti's Disregard for the Rules ([STP09](#)) and then punish her in your office afterwards. See [PRI04](#) for details of how to complete the punishment and raise her to level 4.

Buy the sexy night wear from the Online Shopping | Clothing option on your office computer. It will cost \$800, and will arrive the following weekday.

Use your office phone to call Priti to your office. You will tell her it's time to test her ability to act on her desires. Choose "Test 3 – Your desire for self love".

Note: if you have already seen Priti's Nude Performance (STP11) and bought the sexy night wear before you punished Priti, then you don't need to use the office phone. Instead, you can automatically test Priti's progress at the end of her punishment.

Priti says she thinks that touching herself is shameful. You and Priti both remove your clothes and masturbate together. You then tell Priti that you want her to try masturbating again as soon as possible, and you give her the sexy night wear. You tell yourself that you should spy on Priti's room to see how she looks in her new nightclothes.

[STP13] Priti Takes a Stand

Complete the "Everyone Does It" event (STP12). This involves raising Priti to Level 4, completing her third test (Test 3 – Your Desire for Self Love), and buying the sexy night wear.

In the evening, spy on Priti's room. You will see Priti in her sexy lingerie. Harriet, in her maid's uniform, tries to hide in Priti's room. Priti gets Debbie and gives Harriet a spanking. Priti then masturbates herself.

[STP14] The Food Fight

Complete Priti Takes a Stand (STP13). The following weekday, you will automatically see a large scene. It happens the next weekday at the start of the afternoon. You go to the cafeteria, and see Cassandra trying to tease Priti, who ends up starting a food fight.

Note: If you press "skip day" during the morning, you will not see this event. Either carry out an event (e.g. teach a class, do a patrol) or use "skip period" instead.

You then hose down the girls to clean them and force them to attend the afternoon classes naked. You get discipline +5 and grades +5.

Note: At the end of the scene, you then tell Priti to report to your office for additional punishment. In your office, you can raise her to Level 5 and complete the fourth and final test (Test 4 – Your desire towards the opposite sex). See STP15 for details.

[STP15] Baking in the Buff

Complete the Food Fight event (STP14). That afternoon, Priti will automatically report to your office.

You can decide to tell her that she must be punished, or that you won't punish her. If you decide not to punish Priti, then Priti then suggests that she'd like a punishment from you anyway. You can then choose to punish her, as it's what she wants, or you can refuse to punish her again.

If you refuse to punish her, she will automatically be raised to Level 5. If you choose to punish her, you will then spank her. See PRI08 for details of how to punish her and raise her to Level 5.

Note: during this scene, it doesn't matter if Priti is on the punishment path or the desires path. You can choose to spank her even if she is on the desires path, and you can level her up without spanking her even if she is on the punishment path.

Once you have raised Priti to Level 5, choose "Test 4 – Your desire towards the opposite sex". You ask Priti to tell you what she desires most. Priti tells you that she would like to do another photoshoot with you, and she would like some more cake. You agree to meet her at the cafeteria on Saturday afternoon so that Priti can bake a cake and you can do the photoshoot at the same time.

On Saturday afternoon, go to the cafeteria. Priti bakes a cake whilst stripping naked, and you take photos of her. You then have a sixty-nine with her.

You can repeat this event by going to the cafeteria on a Saturday afternoon.

Student Quests (Event Log): Cassandra [STC]

[STC06] Cassandra's Public Paddling

If you have not already done so, you will need to start Chapter 2 of the game. Complete Cassandra the Bully ([STC03](#)), Cassandra the Fibber ([STC04](#)) and Cassandra the Attention Seeker ([STC05](#)).

Once you have completed all three, you will discover Cassandra's weakness: Hubristic Pride. Cassandra has enormous pride in herself, not for any real accomplishment but for her very existence. You tell yourself that to shatter Cassandra's pride you must reduce her social standing.

During the afternoon, go to the Sports Center. This event will then automatically play out. You will see Faye standing naked outside the changing room after Cassandra pushed her out of the room. You get the girls to spank Cassandra with the paddle and then pleasure her until she has multiple orgasms. You will get +2 Horniness points.

Note #1: you have to click on the Sports Center on the main screen. If you click on the "coach" quick access button on the main map menu, you will not be able to complete this quest action.

|

Note #2: If Rachel is not your trainee yet (see [QST2.05](#)), then you will see a special scene where you meet Rachel first and ask her to carry your bag for you.

Note #3: You do not need to have completed Faye's Embarrassing Situation ([SCH09](#)) before you complete this event. However, once you have completed this event, Faye will no longer appear beside the changing room door on Tuesday afternoon, so you will not be able to complete Faye's Embarrassing Situation afterwards.

[STC07] The Group Hug

Complete Cassandra's Public Paddling ([STC06](#)). In the evening, spy on Cassandra's room. You will see Cassandra visited by the other girls who paddled her, and who all give her a big hug.

Note: Cassandra's room will initially be shown as an "unknown room".

[STC08] Debbie Recounts her Experiences

Complete The Group Hug (STC07) and raise Cassandra to punishment level 4 (CAS05). At the end of Cassandra's punishment, choose to give her the Advanced Flirting lesson.

In the spy on Debbie's room. You will see Debbie and Cassandra talking about your job offer.

[STC09] The Practice Date

Complete Debbie Recounts her Experiences (STC08) and raise Cassandra to punishment level 5 (CAS06). At the end of Cassandra's punishment, choose to arrange a Practice Date with her.

Note #1: if you did not spy on Debbie's room and complete the Debbie Recounts her Experiences event (STC08), you will be unable to arrange a practice date.

Once you have \$1500, buy the Red Dress from the Online Shopping | Clothing option on your office computer. It will arrive the following weekday.

Once the dress has been delivered, you will automatically have a date with Cassandra the following Saturday evening.

Note #2: if you don't buy the red dress by the following Saturday, you will get a message saying that you're meant to be having a date with Cassandra but you haven't bought her a new dress yet. You say that you'll have to wait until the next weekend.

Note #3: the dress is delivered the following weekday morning. If you purchase the dress on Friday, it will not be delivered until Monday, and you will not be able to do the date that weekend.

During the date, talk about both the job opportunity and her motivations. You then realize that Cassandra has been drinking rather quickly, and you wonder if you should warn her that she is drinking too much.

You should choose "Say something". If you choose "Wait and see what happens", Cassandra will get drunk and the date will end.

Note #4: if the date ends, then teach a class the following week. Before the lesson, Cassandra will speak to you and say that she'd like to try the date again. The following Saturday, you will get another date with Cassandra.

If you choose “say something”, you will tell her that most men she will have dinner with will likely try to get her drunk, because it’s a tried and tested strategy for getting women to sleep with them. She thanks you for the advice. At the end of the meal, she agrees to move over to the sofa with you. You tell her that to keep a wealthy man interested, she needs to demonstrate sexual competence by giving them a blow job.

Cassandra will then give you a very poor blow job. You can choose to either “break it to her gently” or “be brutally honest”. The dialogue will change, but in both cases you tell her that she needs to practice more.

You tell her she is to report to your office after school, and that you will discipline her and she can practice sucking your cock. You also tell her that she should try and find some instructional porn videos, and suggest that Debbie could help her find some suitable videos.

[STC10] Debbie’s Disappointment

Complete The Practice Date ([STC09](#)) with Cassandra. In the evening, spy on Debbie’s room. Debbie says that she can share some blowjob videos with Cassandra, and they agree that in return, Cassandra will go down on Debbie. They watch some videos and then make out. Cassandra licks Debbie’s pussy, but does so badly. Debbie then shows Cassandra how to masturbate properly.

[STC11] Blowjob Practice

Complete The Practice Date ([STC09](#)) with Cassandra. After you have completed the practice date, then you can summon Cassandra to your office in the evening.

Note #1: you are only given the option to summon a girl for punishment if no other girls have been ordered to your office. For example, if you taught a class that day and ordered a girl to be punished after school, you will not be able to summon another girl.

You are given the option to skip her punishment, or to give her a spanking first. If you give her a spanking, then after the punishment you will need to choose to give her some blowjob practice. If you choose to skip the spanking, you will automatically start the blowjob practice.

Note #2: if the current version of the game, you cannot increase Cassandra to punishment level 6. You therefore may wish to skip the spanking. (However, you can get still some money by spanking Cassandra.)

Cassandra will then give you a blowjob. You tell it was a passable blowjob, but you think you need to find her a proper instructor. You wonder if Trixie would be willing to help out with some hands-on sex-ed.

Note: if you didn't hire Trixie, then the dialogue will be slightly different. You will tell yourself that you should have hired Trixie. You then tell Cassandra that you don't have anyone in mind, but hopefully a suitable teacher will turn up soon.

Student Quests (Event Log): Harriet [STH]

Game Note: In version 0.13.1 beta, Harriet's student quests are not displayed in the event log. You can still do the events, but you won't be able to replay them in the event log afterwards.

[STH01] Harriet Meets her Source

To unlock this event, you will need to complete Priti's Achilles Heel ([STP03](#)), where she confesses to giving Harriet the answers to Mr Wilson's homework. You will also need to complete the "Charlotte Caught Smoking" ([PAT16](#)) and "A Spanking or a Handjob" ([PAT17](#)) patrol events.

You will also need to open the cafeteria and complete the A Duchess in the Kitchen event ([SCH13](#)) and Priti Won't Snitch ([STP05](#)).

If you have not already done so, you will also need to pass the topless punishment rule. At the School Board on Friday morning, pass the Public Punishment rule "Students misbehaving during class may be ordered to remove all clothing above the waist for the remainder of the lesson" (see [REFR04](#) for details). You will need Influence 11 and Discipline 75.

Do a patrol. You will see Harriet secretly meeting Lily (who is the sister of Samantha, your secretary). Lily is supplying her with alcohol, cigarettes, chocolate and knickers.

Note: you do not have to complete the "Meeting Lily" event ([OTH15](#)) first, but it helps the storyline if you have done so.

[STH02] Harriet's Contraband Discovered

If you have not done so, you will need to make Rachel your trainee. To do this, raise Rachel to punishment level 3 and assign her a role as your trainee. See [RAC03](#) for details.

You will also need to pass the Body Search rule at the Friday school board meeting. If you have not done so, at the School Board on Friday morning, pass the Headmaster's Privileges rule "The Headmaster has the right to perform a body search of anyone on campus. Students must raise their skirts and open their shirts to allow for easy access to their underwear." (See [REFR05](#) for further details). You will need Influence 11 and Discipline 80 to pass the rule.

Complete Harriet Meets Her Source ([STH01](#)). On Monday or Friday afternoon, go to the Sports Center and speak to Harriet. Choose to do a body search.

Note: if you have not already done so, you can ask her “how are you?” and “how’s business?” These are not required but help to progress the storyline.

After doing a body search, you also check Harriet’s bag and find homework answers from other girls and other contraband.

[STH03] Harriet’s Punishment Announcement

Complete the “Harriet’s Contraband Discovered” event ([STH02](#)). The following Friday morning, you will automatically see a scene where you tell the Board about Harriet’s black market trade in homework answers.

During the week, teach a class. After the school board meeting where you discuss Harriet, you will automatically see this scene. You will give Harriet a topless punishment. You then announce the Harriet is now the dormitory maid and that if she fails to comply, the other girls may spank her.

[STH04] Harriet’s Body Inspection

Complete Harriet’s Punishment Announcement ([STH03](#)). The next Friday, you will attend the school board meeting as usual. You will then automatically see a scene where Harriet strips naked and the teachers will examine her nude body. You will get +2 Influence Points.

Note: you inspect Harriet at future meetings of the school board as well. To do this, choose the new “Student Body Inspections” option in the agenda and then “Harriet Rose”. Harriet will strip naked and the teachers will examine her nude body.

Student Quests (Event Log): The Twins [STW]

[STW06] Louise Complains

Start Chapter 2 of the game by completing the New Chapter event ([OTH16](#)). Complete the Twin Swap: Part 5 ([STW05](#)) and the Wrong Way to Give a Punishment ([STA12](#)).

The following day, teach a class. Before the lesson begins, Louise will speak with you, and tell you she is worried about Mary and angry about Miss Potts. You tell yourself that the next time the twins get in trouble, you will have Miss Potts come to your office instead of Sally.

[STW07] Heels and a Handbag

Complete Louise Complains ([STW06](#)). If you have not done so, once you have 55 Discipline and 10 Influence, pass the "Strip to Underwear" Corporal Punishment rule at the Friday school meeting. (This rule is unlocked at the start of Chapter 2, see [REFR03](#) for details.)

The following Friday Morning, this event will automatically happen. Miss Potts will see Mary crying, but it is just a trick to allow the Twins to strip Miss Potts naked and leave her wearing nothing but her heels and her handbag.

[STW08] The Twins Public Shaming

Complete Heels and a Handbag ([STW07](#)). Afterwards, you will automatically attend the Friday board meeting. Miss Potts will propose (and pass) a rule allowing you to strip the twins naked after their punishment.

After school, you and Miss Potts will automatically punish Mary and Louise. They will then be displayed naked in front of the entire school. You will receive \$800.

Punishments [PUN]

[PUN05] Priti

To punish Priti, you will need to complete the New Chapter event ([OTH16](#)). You will also need to complete Priti's Achilles Heel ([STP03](#)) and choose her Punishment path, where you encourage her to act on her repressed desires as well as deliberately breaking the rules.

See the Bad Girl Priti class event ([CLA17](#)) for details. You can choose to spank her in class or punish her after school. If you have unlocked the topless punishment rule (see [REFR04](#)) you can also give her an enforced nudity punishment.

This event will only unlock if you choose to give Priti a private punishment. It will not unlock if you give her a public punishment or if you decide to punish her in class instead.

[PUN07] Liz

You can punish Liz in Chapter 2, after you have seen the New Chapter event ([OTH16](#)). Before you can punish Liz, you will need to complete the "Liz Flashes Her Pussy" event ([CLA14](#)) which requires to you pass the Strip to Underwear rule, and have horniness 6+.

Once you have completed that, you will get a random event when you teach a class and spot Liz daydreaming. See Liz's Distracting Thoughts ([CLA15](#)) for details. You can choose to punish her in class or after school.

If you punish her after school, Liz will strip naked and you will masturbate over her. This event will then unlock. (This event will not unlock if you choose to punish her in class.)

[PUN08] The Twins

You can punish the Twins in Chapter 2, after you have built the Swimming Pool and seen the Twins Poolside Punishment event ([SPT15](#)). You will be give several options about how to punish them.

Choose to punish them after school. You can give them a private or public punishment. This event will then unlock. (Note: the event will not unlock if you choose to punish the twins in class, or to let them off.)

[CLA12] Sex Ed from the Nurse

Complete The Boner Rule (STR10), Amy gets Anal (STY13) and Maxine's Demand (PAP02). The next weekday morning, Nurse Kate will visit you. She tells you that one of the girls recently asked for birth control pills. She says she wants to arrange a talk with the girls about sex. The next time you teach a lesson, Nurse Kate will let the girls ask her questions about sex.

Note #1: Nurse Kate will not visit you on a Friday morning. She will visit you the following Monday morning instead.

Note #2: If you have not seen the Lewd Content DLC event, you will see that event before you see this sex ed event.

Note #3: If you employed Trixie (see STA02), then at the end of this event you tell yourself that you should ask Trixie if she would be interested in giving some extracurricular lessons to the girls. If you did not employ Trixie then you will not see this.

Note #4: if you complete Maxine's Demand after Rachel's First Orgasm, then on the first morning afterwards you will ask Samantha if there is a pet shop in town. Nurse Kate will then visit you the following weekday morning instead.

[CLA13] Olivia's First Class

Complete Olivia's Arrival (OFF03) where you have your first meeting with Olivia in your office. The next time you teach a class, you will see Olivia arrive for her first class. This event will depend on how you talked to Olivia in your office.

If you were strict and explained the situation, Olivia will arrive for class in the correct uniform. You can then choose to get the class started (+2 grades) or check her uniform is up to standard by doing an inspection. If you start the class, you will get +2 grades. If you inspect her, Olivia will say she's not wearing a bra. You can let her off as it's her first day, or make her show you her breasts.

If you give her a warning, you will get -4 popularity and -4 discipline. If you confiscate her shirt, you will get -1 popularity but +4 discipline.

[CLA14] Liz Flashes Her Pussy

Complete the New Chapter event ([OTH16](#)) and start Chapter 2 of the game. If you have not already done so, pass the Corporal Punishments rule "students may be ordered to strip down to their underwear" at the next Friday morning school board meeting. You will need 10 Influence and 55 Discipline.

This event will happen randomly when you teach a class, but you will need to have passed the rule and have horniness 6+ to complete the full event.

You will notice that Liz looks distracted, and she will then drop her pen. You can say "let me get that for you" and pick up her pen, or you can tell her to pick it up herself. If you tell her to pick it up, you will get +1 grades.

If you pick it up, then Liz will flash you. You will get +2 grades. After class, you will speak to Liz about her fantasies of being exposed in public, and you will masturbate her. You then discover Liz's weakness: that she is a true exhibitionist who derives pleasure from the reaction of others to her exposed body.

If you do not have horniness 6+, or if you have not passed the strip to underwear rule, then a different version of the event will happen. You notice that Liz looks distracted, and you tell her to stay focused in class. You will get +1 grades. This version will not unlock the event in the event log.

[CLA15] Liz's Distracting Thoughts

Complete [Liz Flashes Her Pussy \(CLA14\)](#) and discover her weakness. This event will then happen randomly when you teach a class. You will spot Liz daydreaming in class again.

[CLA16] Good Girl Priti

Complete the New Chapter event ([OTH16](#)) and start Chapter 2 of the game. On Tuesday morning, Mr Mykock will speak to you and tell you that the school owners are interested in seeing Priti being punished in your office, and would be willing to pay double the normal rate for disciplining students.

This event will then happen randomly when you teach a class. You will ask your class how long Tsar Nicholas II served as Emperor of Russia. Priti will correctly answer. You tell yourself that Priti is an excellent student, and she should really be at university already. However, you wonder if there is some other aspect of her behavior that needs improving. You decide to watch out for her when you patrol. You will get +3 grades.

Note: the dialogue with Mr Mykock changes depending on whether you told yourself you were a villain or not in the Old Headmaster's Safe event (STA17). If you said you weren't a villain, you tell Mykock that you're not sure you are willing to punish a girl without good cause, but that you will keep a close eye on her and watch for any bad behavior.

However, if you said that you're OK with being a villain, then you will say to yourself that punishing Priti sounds morally questionable but you're OK with that.

During Priti's Achilles Heel event (STP03) you will choose whether to help Priti by spanking her (the Punishment path), or to help her without punishing her (the Desires path). If you choose the Desires path, this event will continue to randomly occur when you teach a class.

When the event repeats you will not get the full dialogue, but you will be told that the lesson went smoothly and that it helps to have a bright and attentive girl like Priti in your class. You will get +3 grades.

If you choose the Punishment path, then this event is only repeatable until you unlock the Bad Girl Priti event (CLA17).

[CLA17] Bad Girl Priti

Complete Priti's Achilles Heel (STP03), and select her Punishment path, by encouraging her to act on her repressed desires as well as deliberately breaking the rules.

Note: Completing Priti's Achilles Heel will also involve completing Good Girl Priti (CLA16), Priti Needs Her Fix (STP01), and Priti's Terrible Crime (STP02).

This event will then happen randomly when you teach a class. Priti will throw a ball of paper at your head. You can also unlock this event by choosing Priti to answer a question during the Friday pop quiz. See REFG03 for more details about the pop quiz.

The options you can choose are:

Option	Outcome	Notes
Order her to your office after school	+1 grades	Will also get money or discipline depending on the after school punishment you choose. Will need to select this to increase Priti's punishment level and continue with Priti's student quest.
Corporal punishment	+3 or +4 discipline	Will get +4 discipline if you have unlocked the strip to underwear rule: see REFR03 .
Enforced nudity punishment.	+1 discipline +2 grades	Only available if you have unlocked the topless punishment rule (see REFR04).

If you choose corporal punishment or an enhanced nudity punishment, then this event will randomly repeat when you teach a class. In order to progress with Priti's student quest, you need to order her to your office after school. For details about how to complete Priti's punishment in your office and raise her to level 4, see [PRI02](#).

[CLA18] The Forgetful Faye

Complete the New Chapter event ([OTH16](#)) and start Chapter 2 of the game. This event will then happen randomly when you teach a class. You ask the class about causes of the Russian Revolution. Lucy and April give answers, buy Faye admits she forgot to read the chapter of her textbook. Grades will decrease by 1.

You will automatically give Faye a punishment after school. (See [PUN06](#)).

A slightly different version of this event will then happen randomly when you teach the class. You can also see this event by choosing Faye to answer a question during the Friday pop quiz. See [REFG03](#) for more details about the pop quiz. You ask Faye for the name of the mystical advisor of Nicholas II but she doesn't know.

The options you can choose are:

Option	Outcome	Notes
Let her off	+1 popularity -1 discipline -1 grades	
Order her to your office after school	No change	Will get money or discipline depending on the after school punishment you choose.

Option	Outcome	Notes
Corporal punishment	-1 grades +3 or +4 discipline	Will get +4 discipline if you have unlocked the strip to underwear rule: see REFR03 .
Enforced nudity punishment.	+1 discipline +2 grades	Only available if you have unlocked the topless punishment rule (see REFR04).

Patrol Events [PAT]

[PAT02] Crying Girl 2

This patrol event is available from the start of Chapter 2, after you have seen the New Chapter event ([OTH16](#)). It will randomly happen when you patrol during the week if your popularity is 20+.

You will see the same girl from the previous Crying Girl event ([PAT01](#)) quietly doing her homework. You say it's nice to see that she is not longer upset. If you sit with her, you help her with her homework and you get +1 popularity and +1 grades. If you ignore her there is no change to the stats.

Note #1: If your popularity is below 20, then you will see the first Crying Girl scene ([PAT01](#)) instead.

Note #2: this event makes reference to the previous Crying Girl event ([PAT01](#)) but you do not need to have completed the previous event to see this one.

[PAT04] Group Project 2

If you choose to turn a blind eye “just this once”, you will get Popularity +1 and Discipline -1. If you say no, you will punish her. (You tell Charlotte to report to our office after school, but Charlotte says she has to do a video call in her dorm room. You agree to give her an unofficial spanking.

At the end of her spanking, you can choose to let her go, or to search her thoroughly for more cigarettes. If you let her go, you get Discipline +1. If you search her, you find another hidden cigarette. You get Discipline +2.

Note: in order to see Charlotte’s other scene, “A spanking or a handjob” ([PAT17](#)), you need to choose “search her thoroughly”.

If you spy on Charlotte’s dorm room in the evening, you notice that her blinds are down, and you can’t see what’s she’s doing in her dorm.

[PAT17] A Spanking or a Handjob?

Complete Charlotte Caught Smoking ([PAT16](#)) and choose to punish Charlotte, and then to search her thoroughly for more cigarettes. You will also need to complete Priti’s Achilles Heel ([STP03](#)).

The next time you patrol during the week, you will see Charlotte and Harriet doing a trade, where Charlotte gives Harriet a pair of knickers in return for a pack of cigarettes.

You then follow Charlotte, and find her smoking again. You agree to spank her now instead of in your office, and tell her to strip naked. Charlotte then offers you a handjob to avoid being punished. You can punish her or accept a handjob.

If you accept the handjob, you get Discipline -2. If you punish her, you will spank her and she will give you a handjob anyway. You will get Discipline +2.

[SPT09] The Third Match

Complete the Second Match ([SPT04](#)) and start Chapter 2 by completing the New Chapter event ([OTH16](#)).

In the afternoon, choose to teach a sports lesson. If you have opened the swimming pool (see [SPT13](#)), choose to teach a football lesson. Teach 5 sports lessons. During the fifth sports lesson, you will play a practice match. Charlotte's team will take off their tops (as they lost the last match), and Alice will go topless. This event will then unlock.

Note #1: You need to teach 5 sports lessons after the Second Match ([SPT04](#)) before you can play the Third Match. However, you can teach these lessons during Chapter 1, which means you can play the Third Match as soon as you start Chapter 2.

Note#2: You do not need to pass the Topless Punishment rule (see [REFR04](#)) to unlock this event. If you have not passed the topless punishment rule, there is an extra line of dialogue where you tell yourself that Alice hasn't realized that you don't have the authority to strip her.

[SPT10] The Fourth Match

Complete the Third Match ([SPT09](#)). In the afternoon, choose to teach a sports lesson. (If you have opened the swimming pool (see [SPT13](#)), choose to teach a football lesson.) The match will end in a draw.

[SPT11] Charlotte's Team Play Bottomless

Complete the Fourth Match ([SPT10](#)). In the afternoon, choose to teach a football lesson. Teach 5 football lessons. During the fifth sports lesson, you will play another practice match.

The first time you see this event, the girls make a bet that the losing team will have to play their next game wearing nothing but their bras. There will be a penalty shootout to decide which team goes bottomless for this game (as the Fourth match ended in a draw). Charlotte's Team will lose and will play bottomless.

You will then referee the match. There are 3 incidents where you will need decide which side you want to "help" win the match. The incidents are:

Incident	Outcome
Possible outside goal.	You can award the goal or deny it. If you award it, Charlotte's team gets a point. If you deny it, April's team will get a point.
Louise tackles Mary	You can decide if it was a foul, or a fair tackle. If you decide it was foul, April's team will get a point. If you decide it was fair, Charlotte's team will get a point.
Rachel's shoelace	You spot that Rachel's shoelace is untied. You can warn her, or say nothing. If you warn her, Charlotte's team will get a point. If you say nothing, April's team will get a point.

This means that you can decide which team wins the game, and which one loses. You must award 2 or 3 of the points to the team you wish to win. The losing team will be bottomless during their next match.

Note: To unlock the next event, you must ensure that Charlotte's team win the match.

[SPT12] April's Team Play Bottomless

The first time you see this event, there is an extra scene where April's team are wearing underwear under their shorts, which you tell them to remove.

There are 3 incidents where you will need decide which side you want to "help" win the match. You must award 2 or 3 of the points to the team you wish to win. The losing team will be bottomless during their next match. The incidents are:

Incident	Outcome
Rachel is shoved by Harriet	You can blow your whistle or let play continue. If you blow your whistle, Charlotte's team will get a point. If play continues, April's team will get a point.
April pushes the ball into the goal with her hand	You can say the goal stands, or that the goal is disallowed. If it stands, April's team gets a point. If you disallow it, Charlotte's team will get a point.
Emily tackles Louise	You can give a penalty or decide not to give a penalty. If you give a penalty, Charlotte's team get a point. If you don't, April's team will get the point.

[SPT13] The First Swimming Lesson

You can build the swimming pool once you have started Chapter 2 (i.e. the day you see the "A New Chapter" (OTH16) event.

On Tuesday morning after the "A New Chapter" (OTH16) event, Mr Mycock will visit you. He says that a significant amount of funding has been made available, including payments to the building contractor. However, small payments remain on several partially completed building projects, including the cafeteria and swimming pool. You realize that the school owners didn't want to pay for everything. They want an incentive you keep you punishing the girls, but that suits you just fine.

Note: Mr Mycock's visit is not required but helps to develop the story. If you have the money, you can order the swimming pool before Mr Mycock speaks to you.

Once you have \$8,000, buy the "Swimming Pool" from the Upgrade Facilities option on your computer. You are told that it will take a few days to complete the swimming pool.

Once you have ordered the swimming pool, if you visit the Sports Center, you will see a "Warning: Construction Site" sign over the entrance to the pool.

Note: It takes a week to build the swimming pool. E.g. if you order the pool sometime on Thursday, it will be ready by the following Thursday morning.

Once the pool is complete, when you choose you teach a sports lesson in the afternoon, you will be asked if you want to teach football or swimming. If you choose swimming, you will see a scene where you teach the girls CPR. You will get +1 Horniness. This scene will then unlock.

[SPT14] Swimming Lengths

Complete the First Swimming Lesson ([SPT13](#)). You may also need to complete the Twins Poolside Punishment event ([SPT15](#)) as well (see note below). In the afternoon, teach a sports lesson and choose swimming. You will tell the girls that they are going to be swimming lengths of the pool. You will get Discipline +2.

This is a repeatable event. If you teach further swimming classes, you will see this event or the Twins Poolside Punishment ([SPT15](#)).

Note: If you have completed the Twins Public Shaming ([STW08](#)) event before you teach your second swimming lesson, then you will see The Twins Poolside Punishment before you see this event.

[SPT15] The Twins Poolside Punishment

Complete the Twins Public Shaming ([STW08](#)) and the First Swimming Lesson. In the afternoon, teach a sports lesson and choose swimming. You will spot the twins coming out of the changing area and jumping in the pool. The options you can choose are:

Option	Outcome	Notes
Let them off with a warning	+1 popularity -1 discipline	
Punish them now	+3 discipline	
Enforced nudity punishment.	+4 discipline	Only available if you have unlocked the topless punishment rule (see REFR04).
Punish them after school	+1 discipline	Will also get money or discipline depending on the after school punishment you choose.

This is a repeatable event. If you teach further swimming classes, you will see this event or the Swimming Lengths event ([SPT14](#)).

[SPT16] The Locker Room Incident

Complete Rachel Gets a Promotion ([STR16](#)). This involves completing most of Rachel's student quest, raising her to Punishment Level 7 and promoting her to your P.E.T.

Complete Cassandra's Public Paddling ([STC06](#)). This involves completing the first part of Cassandra's student quest and raising her to Punishment Level 3.

Complete Charlotte's Team Play Bottomless ([SPT11](#)). This involves teaching multiple sports lessons and completing the first, second, third and fourth match events.

Note: it doesn't matter if Charlotte's team win or lose the match.

Once you have completed these three events, teach another sports lesson. You will notice that the girls seem quite agitated, although you have no idea why. After you finish the sports lesson, you will hear a scream from the girls' locker room, and this event will play out. Nina is being bullied by several of the other girls. You and Miss Newman enter the girls' locker room and strip and spank several of the girls, force them to orgasm with the vibrating wand, and then make the run laps round the gym while still naked.

This will then unlock a new rule to give the Headmaster unrestricted access to the girls' locker room. You can pass this rule at the Friday school board meeting. You will need Influence 12+ and Discipline 85+.

[SPT17] Lucy the Flasher

Complete the Locker Room Incident ([SPT16](#)) and pass the Headmaster's Privileges rule "the headmaster will be permitted to enter the girls' locker room at any time". You will also need to complete Lucy Needs a Shower ([HOM07](#)).

This event will then happen the next time you go to the girls' locker room in the Sports Center. Maxine complains about the fact that you are allowed to enter the girls' locker room. While she is complaining to you, Lucy flashes you in the background.

Note: if you have already completed Lucy Needs a Shower when you pass the rule allowing you to visit the locker room, this will be the first event you see. Otherwise, it will be the first event you see when you visit the locker

room after completing Lucy needs a shower. Once you have seen all 5 locker room events, then the events will happen randomly.

Game Note: in the current version of the game, you may see this event even if you have not completed Lucy Needs a Shower. (Once you have completed all the other locker room events, then the events happen randomly: sometimes this event will happen during random generation even if you have not completed Lucy Needs a Shower.)

[SPT18] Emily's Naked Surprise

Complete the Locker Room Incident ([SPT16](#)) and pass the Headmaster's Privileges rule "the headmaster will be permitted to enter the girls' locker room at any time".

This event will then happen when you go to the girls' locker room in the Sports Center. You see Emily naked and brushing her hair. You can say hello or leave quietly. If you say hello you get Discipline +1 but Popularity -2. If you leave quietly nothing happens.

Note: if you have already completed Lucy Needs a Shower ([HOM07](#)) when you pass the rule allowing you to visit the locker room, this will be the second event you see (you will see Lucy the Flasher, [SPT17](#), first). If you have not completed Lucy Needs a Shower, then it will be the first event you see.

[SPT19] Singing in the Showers

Complete the Locker Room Incident ([SPT16](#)) and pass the Headmaster's Privileges rule "the headmaster will be permitted to enter the girls' locker room at any time". Complete Emily's Naked Surprise ([SPT18](#)).

This event will then happen the next time you go to the girls' locker room in the Sports Center. You hear beautiful singing coming from the showers. You can choose to take a look. If you say "yes", you want to take a look, you see the "crying girl" from the patrol events Crying Girl 1 ([PAT01](#)) and Crying Girl 2 ([PAT02](#)). The crying girl then... starts crying. You get Discipline +1 but Popularity -2.

If you say "better not" take a look, then nothing happens.

[SPT20] Alice's Magnificent Breasts

Complete the Locker Room Incident ([SPT16](#)) and pass the Headmaster's Privileges rule "the headmaster will be permitted to enter the girls' locker room at any time". Complete Singing in the Showers ([SPT19](#)).

This event will then happen the next time you go to the girls' locker room in the Sports Center. You will see Alice showing off her breasts. You can leave, announce your arrival, or listen quietly.

If you leave, nothing happens. If you announce your arrival, you get Discipline +1 but Popularity -2. If you listen quietly, you hear the girls discussing their breast sizes and you get an opportunity to demonstrate your knowledge about women's underwear. You get Discipline +1.

[SPT21] A Pain in the Coccyx

Complete the Locker Room Incident ([SPT16](#)) and pass the Headmaster's Privileges rule "the headmaster will be permitted to enter the girls' locker room at any time". Complete Alice's Magnificent Breasts ([SPT20](#)).

This event will then happen the next time you go to the girls' locker room in the Sports Center. You will see three unnamed girls coming out of the shower. One of the girls slips. You carry her to the nurse's office. You get Popularity -2.

Note: Once you have seen all 5 locker room events, then if you visit the locker room again, you will randomly see one of the events.

Spying [SPY]

[SPY00b] Liz's Gossip Topics (Chapter 2)

Note: This is not an actual event in the event log, but is provided for general information.

When you spy on Liz's room, you will see Liz, Emily and Harriet gossiping about various events that happened around the school. Sometimes you will need to hear the girls gossiping about a particular topic to unlock an event or progress a quest.

The topics of gossip are in a particular order. If you do not spy of Liz regularly, you may find that you need to listen to the girls gossiping about several events before they will talk about the particular event that you are interested in.

This is a list of the various topics of gossip in Chapter 2, in the order the girls will talk about them. Please note that before you can listen to any of these, you will have need to listen to all the Chapter 1 gossip first. See [SPY00a](#) for the Chapter 1 gossip.

Gossip Topic	Refers to Event	Notes
Available in Chapter 2		
The last lesson was crazy	How to Discipline a Young Woman (CLA11)	
Liz says she doesn't want to wear a shirt while they hang out		
Emily explains that she's not really a nudist	Emily the Nudist (LAK03) and the Benefits of Nudism (OFF01)	Required to complete the I am Not a Nudist event (SPY07)
Emily tells her friends about Sally sucking your cock	The Benefits of Nudism (OFF01)	Required to complete the Emily's Juicy Gossip event (SPY08)

[SPY06] Maxine Gets a Whipping

Complete the "How to Discipline a Young Woman" scene. To do this you will need to fully complete the "A Man's Work" Main Quest ([QM3](#)).

Complete Rachel in the Shower ([SPY01](#)), Cassandra's Red Butt ([SPY03](#)), Rachel and the Ointment ([SPY04](#)) and Amy and Maxine ([STY01](#)). This involves punishing Rachel, Cassandra and Amy and then spying on them afterwards.

Complete Maxine's Protest (Part 2) ([STD02](#)). This involves completing Maxine's paperwork events and making Debbie a prefect.

In the evening, spy on the dorm rooms. You will tell yourself that you think you heard a noise from Rachel's room. You should spy on Rachel's room, then Liz's room, Priti's room, Amy's room and then the shower.

You find out that Maxine took a photo of Debbie and Cassandra in the shower. Maxine then drops her phone outside the window to hide it from Debbie.

[SPY07] I am Not a Nudist

Complete Emily the Nudist ([LAK03](#)) and start Chapter 2 by completing the New Chapter event ([OTH16](#)). In the evening, spy on Liz's room.

You will hear Emily explaining how Lucy left her naked and she had to pretend to be a nudist to avoid punishment. Liz then wonders if you might allow other girls to go swimming in the nude. Emily also tells Liz and Harriet about the only (small) penis she's ever seen, and how she'd "love to see a nice big penis someday".

Note #1: this event will help you unlock Emily's "The Reluctant Nudist" quest. See [QST06](#).

Note #2: Depending on what other events you have done, and when you last spied on Liz, the girls may talk about other subjects first. See [SPY00](#) for a note of all the topics of gossip that the girls discuss.

[SPY08] Emily's Juicy Gossip

Complete the Benefits of Nudism event ([OFF01](#)). In the evening, spy on Liz's room. You will hear Emily telling Liz and Harriet about Sally sucking your cock. You will get horniness +1.

[SPY09] Nina's Secret Crush

Once you have 10 Influence and 55 Discipline, pass the Public Punishment rule "strip to underwear for public punishment" at the Friday school board. (You may have already done this.)

If you have not already done so, you will need to complete the "marijuana" spy event. You see this event the first time you spy on the dorms in Chapter 2. See [REFR05](#) for more details.

Complete the Forgetful Faye event ([CLA18](#)). The first time you complete this event, you will automatically give Faye a spanking after school. You will then

need to repeat this event. When you repeat the event, you will be able to choose how to punish Faye. Order Faye to your office after school, and give her a public punishment. She will then do her public punishment in her underwear, picking up litter at the beach. You will get Discipline +3.

Note: to repeat this event, you can also choose to ask Faye a question during the Friday pop quiz. See [REFG02](#) for details.

That evening, spy on the shower room. You will see Nina taking off her makeup, and then Faye talking to her. This event will unlock.

Note: You may also wish to complete the Nina Meets Faye weekend patrol event ([WEP09](#)), and talk to Faye in the dorm rooms on Tuesday evening. These are not required but they help to develop the story.

Paperwork [PAP]

[PAP00b] Paperwork Options

Note: This is not an actual event in the event log, but is provided for general information.

When doing paperwork, you will have the option to grade some homework, which will give +1 grades, or manage the school's budget, which will give you +\$100. You can also decide to watch some porn instead. In addition, you will sometimes be visited by pupils. See below for details.

Please note that if you have not completed any of the Chapter 1 paperwork events, you may need to complete them first. (See Part 1 of this guide for details.)

[PAP04] Alice Needs Tutoring

Complete the Student President paperwork event ([PAP01](#)) and the New Chapter event ([OTH16](#)). Teach classes until you get a scene where you tell the class that you've seen a considerable improvement recently, but that Alice's work was not up to scratch. You tell her to see you in your office to get some tutoring.

The next time you do paperwork, Alice will visit you. You will try to teach her but she isn't paying attention, and she tries to convince you to write the essay for her.

She then asks if you like her. You can say yes, no or deflect the question. Regardless of which option you choose, you make it clear to Alice that you won't write her essay for her and Alice leaves.

[PAP05] Alice Offers a Deal

Complete Alice Needs Tutoring ([PAP04](#)). The next time you do paperwork, Alice will visit you again. She will tell you that she was hoping to come to an arrangement with her.

If you have Popularity 40+ and Horniness 8+, you can ask Alice to "speak plainly". She will tell you that at her old school she would do favors for the HM and in return he would help her with her grades. She offers to let you touch her breasts in exchange for an A. You will slap her breasts and pinch her nipples to teach her a lesson.

Note: If you do not have enough popularity or horniness Alice will leave instead, but she will revisit you each time you do paperwork until you complete this event.

[PAP06] The Great Underwear Shortage

Complete the New Chapter event ([OTH16](#)). Do paperwork, and decide to watch porn. You will be interrupted by Samantha telling you that the student president wants to see you. You can send her away or let her in.

Note: If you send her away, the event will not unlock. The next time you watch porn, you get the same option where Samantha interrupts you.

Maxine tells you that there is a serious shortage of white underwear on campus and requests that the school order more underwear. You can humor her or put her in her place. If you humor her, you will get +2 popularity but -2 discipline.

If you decide to put her in her place, you will inspect her underwear. You can decide whether to continue masturbating during the inspection or not. You then decide whether to let her off with a warning or confiscate her underwear.

If you give her a warning, you will get +3 discipline (regardless of whether you are masturbating or not).

If you confiscate her underwear, then you will get +2 discipline and -2 popularity if you are not masturbating. If you are masturbating, you get to see a funny scene but you will get +2 discipline and -5 popularity.

[PAP07] Watching Porn

When doing paperwork in the office, choose “fuck it, just watch some porn”. You can choose which category of porn you wish to watch. This event will then unlock.

Note: this event can be unlocked at the same time as the Great Underwear Shortage ([PAP06](#)). It can also be unlocked as the same time as some of the other paperwork events. For example, you could appoint Lucy as your maid ([PAP03](#)), and then decide to watch some porn.

At Home [HOM]

[HOM07] Lucy Needs a Shower

Start Chapter 2 by completing the New Chapter event ([OTH16](#)).

Complete Maxine's Demand ([PAP02](#)) and the Topless Maid Service ([HOM06](#)). When completing the Topless Maid Service event, make sure that you choose to "take a peek".

Important note: if you do not choose to take a peek, you will be unable to continue with Lucy's storyline.

During the week, you will receive a letter from the headmistress of your last school, and a trophy from the Psychology Association.

Note #1: you can complete Maxine's Demand and the Topless Maid Service events, and receive the letter and trophy, during Chapter 1. However, you will not be able to complete this event until you have started Chapter 2.

Note #2: you usually receive the letter and trophy the first weekday after you have completed Maxine's Demand and the Topless Maid Service event. However, it may be delayed if there are other morning events or messages from Samantha.

The following Saturday, Lucy will offer to wear the maid dress but with the top open so you can still see her breasts. Tell her to wear the topless maid dress. You will pay her \$200.

You then discover that she broke your award statue from the psychology association. You need to decide if you want to assert your dominance over her (and punish her), or forgive her and show her kindness. This is a significant decision that will affect the future options you can choose with Lucy. (See [HOM08](#) for details how your choices will change depending on this decision.)

If you forgive her, Lucy will offer to let you watch her in the shower and then you will lick her pussy. She then offers to go naked when cleaning next week and will kiss you.

If you assert your dominance, you will punish her by using the three aspects of your disciplinary method: you will force her to shower in front of her, spank her and then lick her pussy. You then tell her that she will have to clean naked from now on.

You then explain why you punished her. You can say that you care about her, or that you care about the quality of her work. If you say you care about her, she will kiss you before she leaves.

[HOM08] Lucy's Extra Services

Complete Lucy Needs a Shower. The following Saturday, tell Lucy to go naked. This will cost you \$250. Lucy will then clean your house.

Fun note: Lucy's attitude will change depending on whether you forgave her or punished her during the previous event. If you forgave her, she will tell you that it is quite exciting letting you see her naked, and she will be smiling when she strips. If you punished her, then she will try to cover herself once she is naked.

If you asserted your dominance during Lucy Needs a Shower ([HOM07](#)), then you get to decide if Lucy's work has been acceptable or not. If you say it was not acceptable, then you will spank her and finger her to orgasm. If you say it was acceptable then you will tell her that there are some extra services she can provide for a little extra cash.

Note: if you tell Lucy that her work was not up to standard then you will not unlock this event.

If you decided to forgive her during Lucy Needs a Shower ([HOM07](#)), then she will ask if there are any extra services she can provide.

The options available to you at the end of this event (and the extra services Lucy can provide) depend on your choices during the Lucy Needs a Shower event. In addition, the Dance option is only available if you hired Trixie as the dance teacher. (See [XTRA01](#) or [STA05](#) for details of hiring Trixie.)

The various options available are:

Choice	Available Options
Act dominant and punish her, but then say you care about her	Can choose to punish her (by saying her work was not acceptable) or choose to receive extra services (by saying her work was acceptable. If you say her work was acceptable, then the extra services you can receive (and the cost) are: Spank her (\$100) Dance (\$100) Kiss (free)

Choice	Available Options
Act dominant and punish her, say that you care about the quality of the work	<p>Can choose to punish her (by saying her work was not acceptable) or choose to receive extra services (by saying her work was acceptable).</p> <p>If you say her work was acceptable, then the extra services you can receive (and the cost) are: Spank her (\$100) Dance (\$100)</p> <p><i>Note: you will not be able to ask for a kiss.</i></p>
Forgive Lucy and act kind	<p>The extra services you can receive (and the cost) are: Spank her (\$100) Dance (\$100) Kiss (free)</p> <p><i>Note: you do not have the option of punishing her.</i></p>

[HOM09] Lucy Lends a Hand

Complete Lucy's Extra Services ([HOM08](#)). If you chose the dominant route during this event, you will need to have said that her work was acceptable. However, you do not actually need to have chosen any of the extra services offered by Lucy.

In addition, you will need to complete the Sex Ed from the Nurse event ([CLA12](#)). The following Saturday, tell Lucy to go naked. This will cost you \$250. Lucy will then clean your house.

Game Note: You don't actually need to complete the entire Sex Ed from the Nurse event. You need to complete [The Boner Rule \(STR10\)](#), [Amy gets Anal \(STY13\)](#) and [Maxine's Demand \(PAP02\)](#). You then need to see the scene where Nurse Kate will visit you in the morning and tells you that one of the girls asked for birth control pills. You do not actually have to teach the sex ed lesson. However, the dialogue during this event makes more sense if you have completed the full event.

If you chose the dominant route during the previous event (Lucy's Extra Services, [HOM08](#)), you should say that her work was acceptable again. You then get to decide whether to end her probation. If you decide to end the probation, Lucy says she doesn't mind you being strict with her. You then have to decide again whether to end her probation or not.

If you end her probation, you will switch to a kind relationship. This is similar to forgiving Lucy her during Lucy's Extra services ([HOM08](#)). If you keep Lucy on probation, you will continue with a dominant relationship.

If you choose to forgive Lucy during Lucy's Extra Services ([HOM08](#)), then you will not be given this choice. You will automatically be placed on the kind relationship path.

In both the dominant and kind paths, Lucy then offers to take care of your erection. You realize that Lucy may have developed some feeling towards you.

You have to choose whether you pursue a romantic relationship with her, or whether you keep things dispassionate and pursue a more transactional relationship where you pay her for her sexual services.

The table below shows the options available to you:

Choice Made in Lucy Needs a Shower (previous event)	Choices Made during Lucy's Extra Services (this event)	
Assert Dominance	End Probation	Can choose either: <ul style="list-style-type: none">• a kind, romantic relationship or• a kind, transactional relationship
Assert Dominance	Keep on Probation	Can choose either: <ul style="list-style-type: none">• a dominant romantic relationship or• a dominant transactional relationship.
Show Kindness	-	Can choose either: <ul style="list-style-type: none">• a kind, romantic relationship or• a kind, transactional relationship

Lucy will then give you a handjob. If you have chosen a transactional relationship, you will pay her an extra \$200 (in addition to the \$250 for cleaning your house naked). If you have chosen a romantic path, then you can choose to give her a gift of \$200 at the end, but you do not have to.

[HOM10] Lucy: Further Saturdays

Note: This is not an actual event in the event log, but is provided for general information.

After completing Lucy Lends a Hand (HOM09), you will also get to choose what she wears on the following Saturdays as well (and what extra services or events you do with her).

- If she wears her own clothes or school uniform, it will cost you \$30
- If she wears the maid outfit, she will charge \$50
- If she wears the apron she will charge \$150.
- If you ask her to wear the topless apron, it will cost \$200 (or \$250 if you want to watch her get changed again).
- If you want her to wear the topless maid's dress, it will cost \$200
- If you ask her to go naked, it will cost \$250.

You will only be able to choose Lucy's extra services (and/or say if her work was acceptable or not) if you told her to be naked.

The services available, and their price, will depend on which path Lucy is on.

- You will only be able to punish her if she is on a dominant path
- If she is on a romantic path, the handjob will be free. If she is on a transactional path, it will cost \$200.

Game Note: If you previously said you cared about the quality of her work (instead of caring about her) during Lucy's Extra Services (HOM08), and you then chose a dominant, transactional path, you will be unable to kiss her.

The table below sets out in more detail what options are available:

Lucy's Path	Available Options
Kind, romantic relationship	The services you can receive (and the cost) are: Spank her (\$100) Dance (\$100) Handjob (free) Kiss (free)
Kind, transactional relationship	the services you can receive (and the cost) are: Spank her (\$100) Dance (\$100) Handjob (\$200) Kiss (free)

Lucy's Path	Available Options
Dominant, romantic relationship	<p>Can choose to punish her (by saying her work was not acceptable) or choose to receive extra services (by saying her work was acceptable).</p> <p>If you punish her, you will spank her and then make her give you a handjob (for free).</p> <p>If you say her work was acceptable, the services you can receive (and the cost) are:</p> <ul style="list-style-type: none"> Spank her (\$100) Dance (\$100) Handjob (free) Kiss (free)

At the Office [OFF]

[OFF01] The Benefits of Nudism

Complete the “I am Not a Nudist” spy event ([SPY07](#)). If you have not already done so, get Sally to speak to you about whether you have found a set of keys. See Sally’s Lost Keys ([OTH08](#)) for details.

On Tuesday, Wednesday or Friday afternoon, speak to Sally in the changing room in the Sports Center. She will tell you that she overheard a rumor about Emily being a nudist. Sally will then tell you that her family were nudists as well. You agree to call Emily to your office for a little chat.

You can then use your phone to summon Sally and Emily to your office. You and Sally will strip, and then Sally will undress Emily. You will struggle to contain your erection, and you can choose to think un-sexy thoughts, or to just let it happen. Regardless of which option you choose, you get an erection. You also tell Emily that you will be designating an area of the beach as clothing optional but that you will need permission from the School Board first.

After Emily leaves, Sally will give you a blowjob.

[OFF02] Miss Swallows Desperation

Complete A New Chapter ([OTH16](#)), which starts Chapter Two of the game. The following Thursday, Samantha will tell you that Miss Swallows has requested a meeting. You will say that she can see you at lunchtime.

That afternoon, Miss Swallows will tell you that she has been implementing your methods, but a troublesome new student has arrived at their school. She will then ask if you have time to run through some of your punishment methods. You can agree or refuse. If you agree, you will spend the afternoon reviewing the video of How to Discipline a Young Woman event ([CLA11](#)) with Miss Swallows.

If you disagree, Miss Swallows says she understands and leaves. You can then choose to do another activity that afternoon.

Next Thursday afternoon, Miss Swallows will visit you again. She says she feels unsafe and that the girls at her school are plotting something. She asks if the troublemaker, Zoe, could be transferred to your school. She will then ask if you can spend some time giving her more training. You can agree or refuse.

If you agree, you will review the video again, but you will tell yourself that you get the feeling she was hoping for a little more from your training session.

If you disagree, Miss Swallows says she understands and leaves. You can then choose to do another activity that afternoon.

The following Thursday afternoon, Miss Swallows will visit again. She will tell you she was attacked by several of the girls, and she will then strip so that you can see her bruises.

You can then offer to take Zoe, refuse to take her, or offer to take her if Miss Swallows accepts a punishment. This event will unlock regardless of which option you choose. However, to get the full scene, you should make her accept a punishment.

Miss Swallows will only agree to be punished if you did both training sessions with Miss Swallows. If you only gave her one training session (or neither training session) then Miss Swallows will refuse to accept your punishment. During the punishment, you will give her a figging by inserting a piece of ginger in her anus and then fucking her.

Note: if you refuse to take the girl, or if Miss Swallows refuses to accept your punishment, you will then get a phone call from Mr Mykock telling you to take the Zoe anyway.

Note: If you press "skip day", during Thursday morning, Miss Swallows will not visit you, but she will visit you again the same time the following week.

[OFF03] Olivia's Arrival

Complete the Future Female Sports Stars event ([STY04](#)) and start Chapter 2 by completing the New Chapter event ([OTH16](#)). The following Monday (a week after Chapter 2 started), Samantha will tell you that two new students will be arriving soon.

The day after Samantha speaks to you, Olivia will arrive and this event will unlock. You think that Olivia is trying to flirt with you. You can be strict and explain her situation, or you can be relaxed and flirt back. This will change your options during of Olivia's First Class ([CLA13](#)).

Note: if you start Chapter 2 and then complete the Future Female Sports Stars event, then Samantha will speak to you the day after the magazine arrives. If Samantha speaks to you on Thursday or Friday, then Olivia will arrive the following Monday.

[OFF04] The New Dinner Lady

Complete the First Date with Samantha ([OTH14](#)) and Meeting Lily ([OTH15](#)).

You will also need to build the cafeteria. You can do this once you have started Chapter 2 (i.e. the day you see the "A New Chapter" ([OTH16](#)) event. On the first

Tuesday morning in Chapter 2, Mr Mykock will visit you, and tells you that small payments remain outstanding on certain projects, including the cafeteria and swimming pool (See [SPT13](#) for more details about Mr Mykock's conversation.)

Note: Mr Mykock's visit is not required but helps to develop the story. If you have the money, you can order the cafeteria before Mr Mykock speaks to you.

Once you have \$5,000, buy the "Cafeteria" from the Upgrade Facilities option on your computer. It will take a week before the cafeteria is ready.

Once you have started to build the cafeteria, Samantha will speak to you in the morning. She says she noticed that workmen started work in the cafeteria this morning and asks if you need her to put out a job advertisement. You say that you're still thinking through the options.

Note: Samantha will usually talk to you the morning after you start to build the cafeteria. However, this will not happen if she has anything else to talk to you about or there are other morning events happening (e.g. a Friday School Board meeting or the Meeting Lily event). In some cases, it can take a few days before Samantha will talk to you about the cafeteria.

The day after Samantha talks to you about the cafeteria, she will tell you that Patricia (the owner of the restaurant you took Samantha to) and Arabella (her daughter) want to see you.

Note: Patricia will not appear on Friday mornings (when you have the Board meeting). Patricia will appear on Monday morning instead.

Patricia asks you to enroll Arabella in the school. You agree, in return for Patricia managing the school cafeteria. You then tell Patricia that you need her to demonstrate that she knows how to give a good spanking. You then have to decide who Patricia should demonstrate on. You tell yourself that the obvious choice is for Patricia to spank her daughter, but Arabella already looks terrified. Alternatively, you can ask Samantha to volunteer.

Once you have made your decision, Patricia will spank either Samantha or Arabella. You will then tell Patricia that she has passed her interview, and Patricia agrees to manage the kitchen in exchange for Arabella being taken on as a student. Samantha and Patricia will then leave, and you have the opportunity to talk to Arabella and ask her some questions about herself.

Fun note: some of the dialogue will change depending on whether you stopped Patricia from spanking Arabella during the First Date with Samantha ([OTH14](#)), and whether you asked Patricia to spank Samantha

or Arabella. For example, if you stopped Arabella from being spanked, she thanks you and tell you how grateful she was.

[OFF05] Samantha's Reaction

Complete The New Dinner Lady (OFF04). At the end of that day, you will automatically find Samantha sitting quietly in the staff room. The scene will play out very differently depending on how well the First Date with Samantha (OTH14) went, and whether you spanked Samantha or Arabella during the New Dinner Lady event (OFF04).

If you spanked Samantha: you will apologize to her. She will tell you that she is really embarrassed because she had her knickers pulled down and was spanked like a naughty little girl in front of her boss. You can choose to let her see your lower half naked, or ask her out for dinner again.

If you choose to let her see your lower half, you will drop your pants, and Samantha compliments you on your penis. You then compliment Samantha on her lovely bottom. She then asks you on a second date.

If you ask her out for dinner instead, she will refuse. If the first date went well, then you tell yourself that you can always ask her out again later, once she's had time to get over her embarrassment. If the last date went badly, then you tell yourself that you have probably blown any chance you had with her.

If you spanked Arabella: Samantha will tell you that having Arabella stripped and spanked felt cruel, and that Arabella will be scared of something like that happening again. You will tell Samantha that she is absolutely right, and that you will do your best to make it up to Arabella. You then say you want to make it up to Samantha as well.

If the first date went well, then Samantha suggests that she cooks you dinner that Saturday. If the first date went badly, that Samantha will say that she'll pass. You will tell yourself that that spanking Arabella was probably the last straw, and you've probably blown any chance you had with her.

[OFF06] Jasmine's Arrival

Complete Olivia's Arrival (OFF03). The next weekday after Olivia arrives, this event will automatically happen. You will see Samantha helping her into her uniform. You will then speak to her in your office, where Jasmine will tell you that Samantha has the hots for you and asks if you have "tapped that sweet ass".

You need to decide if you will be strict, and tell her off for making lewd comments, or be friend and keep her on your side.

[OFF07] Watching Porn with Your Pet

Raise Rachel to punishment level 7 and assign her a role as your PET. (See RAC13 for details.)

In the afternoon, go to your office and click on Rachel's icon. Rachel will automatically strip naked. Choose to "watch porn together". You can then choose which video to watch first. After you've watch the video, Rachel will ask if you want to cum.

If you say no, you can click the back button (in the top right of the video) and choose a different video. If you say yes, Rachel will masturbate you to a climax and will then spend the rest of the afternoon asleep on your lap while you do some paper work.

[OFF08] Ada the Voyeur

During the New Chapter event ([OTH16](#)), you will speak to Ada, who tells you she is unable to make any calls to her family or friends at home. You say that you will take a look at her phone for her.

In the evening, speak to Miss Chang in her classroom. She tells you that the school exists behind a complex firewall much like the one in China. You ask Chang to install some spyware on Ada's phone before you return it. A new icon is then available on your office computer.

If you click on the icon, you will be able to see Ada's phone contents. Initially, you will be able to see some selfies of Ada, her initial video diary (where she talks about her initial impressions of the school) and a live camera feed.

Fun note #1: If you give Ada a body search, then you will be able to view another second video diary where she talks about the search and implies that she was hiding something which you didn't find.

Fun Note #2: Once you have completed Priti's "Itsy-Bitsy-Teeny-Weeny" event ([STP07](#)), you will also be able to see the photos Ada took of Priti.

Speak to Ada in the classroom hallway on Monday afternoon. You will return her phone and tell her about the school firewall.

Note: if you have not spoken to Ada before, she will still be wearing her blue cardigan. You will have an initial conversation with her, where you ask her how she is settling in. You will then need to wait a week and speak to her the following Monday afternoon before you can return her phone and tell her about the firewall.

Check your email (on your office computer). There will be an email from Mr Mycock. He will tell you that the school owners have cloned her social media page and are allowing her to post to the false social media website. He says that they have provided (fake) feedback to Ada about what she should photograph.

The following day, check your email again. There will be another email from Mr Mycock. He says that the school owners encouraged Ada to take photographs of the twins (Mary and Louise). However, Mr Mycock notes that Ada appears to becoming a voyeur.

Click on Miss C's Spyware icon on your office computer. Under Ada Campbell's Phone | Video Diary, you can view her "The Twins" video. You then discover that her phone has some hidden folders, which you can now view.

View the photos, which are under Miss C's Spyware | Ada Campbell's Phone | Candid Photos of the Twins. This event then unlocks.

Around the School [SCH]

[SCH01] Nina's Secret Possession

Start Chapter 2 of the game (OTH16). If you have not already done so, pass the Body Search rule (REFR05). You will need Influence 11 and Discipline 80. On Monday afternoon, speak to Nina in the classroom building and do a body search. Nina will say that she doesn't like to be touch, and you agree to do a strip search in the stationary cupboard.

During the search, you discover that she has her grandfather's lighter. She tells you that it has sentimental value, and asks if she can keep it.

If you agree to allow Nina to keep her precious heirloom, you get popularity +2 but discipline -1. If you take it away, you get popularity -1 but discipline +2.

If you search Nina again, then the scene changes depending on whether or not you allowed her to keep the lighter. If you allowed her to keep it, you reassure her that you're not going to take it now. If you confiscated it, she mentions that you already took her lighter and asks what else you want.

[SCH02] The Twins Body Search

Start Chapter 2 of the game (OTH16), and pass the Body Search rule (REFR05). Complete The Twin Swap Part 5 (STW05). On Wednesday morning, speak to the twins in the sports center and choose to do a body search. This event will then unlock.

[SCH03] Liz's Body Search

Start Chapter 2 of the game (OTH16), and pass the Body Search rule (REFR05). On Friday afternoon, speak to Liz in the classroom building. Choose to do a Body Search. This event will then unlock.

Note: to see the full body search scene with Liz, you need to have made Rachel your trainee (see QST2.05 or RAC03).

[SCH04] Lucy's Body Search

Start Chapter 2 of the game (OTH16), and pass the Body Search rule (REFR05) and make Rachel your trainee (see QST2.05 or RAC03). On Friday afternoon, speak to Lucy in the classroom building. Choose to do a Body Search. This event will then unlock.

Note: the body search scene will refer to Lucy working for you as your maid, but you do not need to have employed Lucy as your maid to complete this event.

[SCH05] Emily's Body Search

Start Chapter 2 of the game ([OTH16](#)), and pass the Body Search rule ([REFR05](#)). On Tuesday afternoon, speak to Emily in the classroom building. Choose to do a Body Search. This event will then unlock.

During this event, you will mention Emily's Lost skirt ([CLA03](#) and [CLA04](#)) but you do not have to complete that event before doing a body search of Emily.

[SCH06] Alice's Body Search

Start Chapter 2 of the game ([OTH16](#)), and pass the Body Search rule ([REFR05](#)). On Wednesday afternoon, speak to Alice in the classroom building. Choose to do a Body Search. This event will then unlock.

Note: doing a body search on Alice is required to progress Rachel's student quest. See [STR19](#) or [QST2.23](#).

[SCH07] Priti's Body Search

Start Chapter 2 of the game ([OTH16](#)), and pass the Body Search rule ([REFR05](#)). On Tuesday morning, speak to Priti in the classroom building. Choose to do a Body Search. This event will then unlock.

Fun note: if you encourage her to break the rules (or to do both) then you can see an expanded body search scene where she tries to break the rules by hiding a liqueur chocolate.

[SCH08] Donna's Hallway Spanking

Game Note: In version 0.13.1 Beta, this event will not unlock properly. You can do a body search on Donna which will unlock this event, but you will not actually see the full scene.

Start Chapter 2 of the game ([OTH16](#)), and pass the Body Search rule ([REFR05](#)). On Monday morning, speak to Donna in the classroom building. Donna is angry about how you treated her during the How to Discipline a Young Woman event ([CLA11](#)). You tell yourself that you need to teach her some humility. You tell yourself you should start by having her lift her skirt for you.

This event will unlock regardless of which option you choose. However, to see the full scene, choose to do a uniform inspection. Donna calls you a pervert. You can choose to spank her or give her a warning. If you give her a warning,

you will get -1 Discipline. If you spank her, you will not get any discipline change but you will see the full scene.

[SCH12] Amy in the Girls' Locker Room

Complete the Amy Gets Anal event ([STY13](#)). This involves you starting Chapter 2 of the game, raising Amy to punishment level 5, and having anal sex with her.

If you have not already done so, once you have \$8,000, buy the "Swimming Pool" from the Upgrade Facilities option on your computer. It will take a week before the swimming pool is available. (See [SPT13](#) for more details about building the swimming pool.)

Speak to Amy in the Sports Center on Tuesday morning. You will see her wearing a swimsuit, and she will tell you she has been for an early morning swim. Warn her "don't be late for class". (If you wish, you can first ask "how are you". This step is not required but helps to develop Amy's storyline.)

Amy will tease you, saying that she feels like taking a long shower and hopes that no teachers find her in the changing room. She then goes into the changing room, but leaves the changing door open. Choose to follow her. You will then have sex with Amy in the shower. You can choose whether to fuck her pussy or her ass.

[SCH13] A Duchess in the Kitchen

If you have not already done so, you will need to build the cafeteria. To do this, buy the "Cafeteria" from the Upgrade Facilities option on your computer. It will cost \$5,000. It will take a week before the cafeteria is ready.

You will also need to recruit Patricia Taylor, the Restaurant Manager, to run the cafeteria. To do this, you will need to complete the First Date with Samantha ([OTH14](#)), Meeting Lily ([OTH15](#)), The New Dinner Lady ([OFF04](#)), Lucy's Request ([PAP03](#)) and Maxine's Demand ([PAP02](#)).

Note: Make sure that you have completed the paperwork event "Maxine's demand". If you build the cafeteria and recruit the dinner lady, but have not completed Maxine's demand, then Patricia will not actually start.

Instead, when you visit the cafeteria you will get the (slightly confusing) message: "the cafeteria construction has been completed. I have a restaurant manager now so I just need to wait for the construction to be completed."

Once you have completed these, then in the morning Samantha will tell you that Patricia will be starting work at the new cafeteria, and her daughter Arabella will

be starting school as well. Samantha also tells you she has created a rota of students to help Patricia in the cafeteria.

Note: Patricia will not start on a Friday morning. Instead, Samantha will speak to you the following Monday morning.

In the afternoon, go to the cafeteria. The first time you visit the cafeteria, you will see this event. Donna refuses to help in the kitchen, and she is then punished by Patricia while several girls and members of staff watch.

Others [OTH]

[OTH02] Drama Night part 2

Start Chapter 2 by completing the New Chapter event ([OTH16](#)). The following Wednesday, Miss Potts will visit you in your office at the start of the day. She says that she wants to order some new costumes for the play. You suggest that she gets Emily to help her.

On Wednesday evening, go to the gym. You will see Emily give out the new costumes, and Miss Potts will ask if you want to stay and watch the rehearsal of the first act. You can agree or disagree, but the event will unlock regardless of what you choose.

Note #1: the story makes reference is made to the first Drama Night event ([OTH01](#)) and to Dungeons and Dragons Part 2 ([OTH06](#)) but you don't need to have completed these to complete this event.

Note #2: if you haven't unlocked Drama Night 1, that event will also automatically unlock as well.

[OTH16] A New Chapter

Complete the How to Discipline a Young Woman event ([CLA11](#)). The following Monday, Chapter 2 of the game will start and you will automatically get this scene. You will see the Headmaster wake up, listen to the radio as he completes his morning routine, and talk to some of the students. He then gets Debbie to help him to a mass underwear check.

Fun Note: The woman that you hear on the radio at the start of this event is Liz's mother.

The dialogue with Amy and Cassandra will change depending on what events you have completed. See [XTRA11](#) for more details.

Holiday Specials [HOL]

[HOL01] The Halloween Special

Start Chapter 2 by completing the New Chapter event ([OTH16](#)). The following Monday (a week after Chapter 2 started), you will get a special message saying you have unlocked the 2020 Halloween Special.

For details of how to play the Halloween special, see the Headmaster's Halloween walkthrough ([HS1](#)).

[HOL02] The Christmas Special

Complete the "Leave No Girl's Behind" main quest by getting grades to 100. See [QM4.1](#) or [REFG04](#) for details of how to do this. The following Monday, you will get a special message saying that you have unlocked the 2020 Christmas Special.

For details of how to play the Christmas special, see the Headmaster's Christmas Eve walkthrough ([HS2](#)).

Extra Events Not in the Event Log [XTRA]

Note: These are not actual events in the event log, but you may need to do these before completing some of the other events.

[XTRA05] Forcing Priti to Strip: Chapter 2

During Priti's student quest, you need to complete Priti's Achilles Heel (STP03) and choose to follow either her punishment or desires path. You then need to complete the Goddess of Beauty event (STP04) by taking photos of her after the school play.

However, if you forced Priti to strip during, then during the Priti's Achilles Heel event, you will tell yourself that you need Priti to trust you, but you badly broke that trust when you forced her to strip naked. This happens regardless of whether you choose the punishment or desires path for Priti. It means that you will not be able to immediately complete the "Goddess of Beauty" event. You will need to complete an additional action first.

The morning after you have completed Priti's Achilles Heel (STP03), you will see a scene with Priti where you tell Priti that you think she has repressed her normal desires. You decide to go ahead with the photoshoot you had previously been considering when Mr Wilson wanted naked pictures of her.

Once you have \$1200, buy the School Swimwear Samples from the Online Shopping | Electronics option on your office computer. It will arrive the following weekday.

You can then use your phone to summon Priti again and complete the photoshoot. During the photoshoot you agree to take further photos of Priti after the school play rehearsal. You can then complete the Goddess of Beauty event (STP04) and continue with Priti's student quest.

[XTRA07] Ada's Photos

In Chapter 2 of the game, you can see some of the photos that Ada has taken if you speak to her in the classroom hallway on Monday afternoon.

You will first need to get Ada to join the school (XTRA06). The first time you speak to her in the hallway, you should ask her if she has taken any good pictures lately. She will tell you that she would really like to photograph the twins, Mary and Louise.

Note: you can have this first conversation as soon as Ada joins the school. You do not have to wait for Chapter 2 before you talk to her.

Once you have started Chapter 2 of the game, you can ask her again if she has taken any good picture recently.

Note: you will start Chapter 2 when you start the “Leave No Girl’s Behind” main quest (QM4).

Ada will then show you pictures of Priti, Debbie and Cassandra, and Amy and Alice. Debbie and Cassandra’s picture is based on the weekend patrol event “Debbie and Cass Playing Music 2” (WEP04). Alice and Amy’s picture is based on “Inappropriate Clothing 2” (WEP02).

If you have hired Trixie (STA05 or XTRA01), then you will also see a picture of Lucy and Rachel in their dance class leotards, and several pictures of Trixie posing nude at her house. You then suggest to Ada that she should capture as many nude models as possible.

[XTRA11] A New Chapter: Unlocking the Additional Dialogue

During the “A New Chapter” event (OTH16) the dialogue with Amy, Rachel and Cassandra will change depending on what events you have completed.

Amy

You can see an additional scene where you ask Amy if she's reconsidered your proposal to help with staff training. Amy says it's tempting but she would worry too much about what the other girls would say.

To get this scene, you need to have found Amy's pleasure source (AMY07) and then punished her after school. At the start of that punishment, you will tell Amy that you need a volunteer for some teachers and a few trusted students to practice their punishment techniques on. This will unlock Amy's additional scene during this event.

Note: you do not need to level Amy up during that punishment. You do not need to have completed the pain (AMY05) or humiliation (AMY06) parts of her quest.)

Cassandra:

You can see an extra scene where you tell Cassandra that she has a beautiful smile and looks positively radiant, and Cassandra tells you that she hates the school and she hates you, but she still remembers to smile when she says it. You tell yourself that you have a lot of work to do to transform Cassandra into an elegant hostess for the school and that her next lesson should be in the subtle art of flirting.

To get this scene, you need to have raised Cassandra to punishment level 2 (CAS01) and completed Cassandra's Shocking Realization (STC01).

Rachel:

If you have not unlocked the strip to underwear rule (RAC07) then, after you tell yourself you will need to bare her breasts to give her the extra humiliation she needs, you will then mention that you'll need to make the necessary changes at the school board first.
